Daily Order

The Commission informed the parties that since the final Order could not be issued before the Chairperson demitted Office on 9 November, 2015, this matter is scheduled for rehearing. Parties requested the Commission to take on record all their earlier submissions and gave their consent to hear and decide this matter in continuance of the earlier proceedings.

Advocate of the Petitioner requested an adjournment of hearing since the APTEL hearings in the matter of compensatory tariff in respect of imported coal are closed and Judgment is reserved. Advocate of MSEDCL has no objection, considering this position.

The Commission accepted the adjournment request.

The Secretariat of the Commission will inform the further date of the hearing in this matter.
