Subject : Your application dated 23.01.2018 under RTI Act 2005.

The office of the Commission is in receipt of your application dated 23.01.2018 under section 6 (1) RTI Act 2005 seeking information by the PIO.

The information sought under RTI Act in your application is not relevant and not available with this office.

However upon perusal of the Applicants request for information is related with the Reliance Infrastructure Ltd. in this regard, I would like to note that, the information being sought by the Applicant is related to other public authority, in this regard, the Hon'ble CIC in the matter of **Shri Rakesh Agarwal vs. Shri Nandan Singh** (Decision dated 13.01.2014) held that:

*"The application under Section 6(3) of RTI Act can only be transferred if it has been made to a proper public authority under Section 6(1). When a petitioner is aware of the location of a given information vis-à-vis a public Authority, it is not open to him to file his RTI application before any Public Authority in the expectation that this latter Public authority would act under Section 6(3) to transfer his application to where the information was known to be held".*

However, it is appropriate to mentioned that a decision passed in RTI Appeal No.20 of 2015. by this appellate authority it has been observed that the 'Reliance Infrastructure Ltd., vide its letter No. ED/RTI/512/2015 dated 07.08.2015 replied to the Appellant Shri. Mithun Kath, that they are of the earnest belief that they are not a "Public Authority" as defined under the RTI Act, and hence, the provisions of the RTI Act, 2005, are not applicable to them. They further, inform to Appellant that the Hon'ble Bombay High Court has stayed the Maharashtra State Information Commission's Order dated 19.07.2011, inter alia holding that R-Infra's Electricity Distribution Business is falling within the definition "Public Authority" as defined under the RTI Act, further, they have stated that in view of the above, they have not yet designated or appointed any public Information Officer or Appellate Authority for providing and / or dealing with request for information under RTI Act'.
