According to section 2(f) of the Act 'Information' means 'any material in any form'. Ministry of Personnel, Public Grievances & Pensions Department of Personnel Training No. 11/2/2008-IR dated 10th July, 2008. Careful reading of the definition of 'Information' and 'right to information' makes it clear that a citizen has a right to get the material, inspect the material, take notes form the material, take extracts or certified copies of the material, take samples of the material, take the material in the form of diskettes etc. The PIO is required to supply such material to the citizen who seeks it. The Act, however, does not require the PIO to deduce some conclusion from the 'material' and supply the 'conclusion' so deduced to the applicant. The PIO is required to supply the 'material, in form as held by the public authority and is not required to do research on behalf of the citizen to deduce anything from the material and then supply it to him.
