**Extension of time for filing of Mid Term Review Petition by Generation and Distribution
Business of Tata Power Co. Ltd.**

Date: 26 December, 2017

ORDER

Regulation 5.1(b) of the MERC (Multi Year Tariff) Regulations, 2015 specifies that the Mid Term Review (MTR) Petition is to be filed by 30 November, 2017. Vide its Removal of Difficulty Order dated 30 November, 2017, the Commission has extended such date to 21 December, 2017.

Vide letter dated 21 December, 2017, Tata Power Co. Ltd. (TPC) has sought additional extension of time for filing MTR Petitions of its Generation and Distribution Businesses up to 22 January, 2018, as it is expecting that some clarity on tie up scenario beyond FY 2017-18 would emerge in next couple of weeks.

Considering the request of TPC, and in exercise of the power conferred by Regulation 102 of the Regulations, the Commission has decided to grant extension up to 5 January, 2018 to TPC for filing MTR Petitions of its Generation and Distribution Businesses.
