Dear Sir,

We are in receipt of your letter under reference and wish to inform you that even though our contract demand is above 1 MVA, we neither are not captive users nor installed any CPP plant which is connected to MSEDCL grid. We are also not a open access consumer. We are sourcing our total electricity requirement from MSEDCL.

The present DG set of 1500 KVA & 550 KVA capacity installed in our plant is used only at the time of failure of electricity supply from MSEDCL side.

In view of above, we herewith confirm that we are not obligatory entities as per provision of MERC RPO Regulation 2010.

Thanking you
Yours Faithfully
