Dear Sir,

We acknowledge the receipt of your letter (MERC/ Case No. 101 of 2017/2017-18 / 3658).

In this regard we, M/s Tata Consultancy Services Limited, MIDC, Andheri East, Mumbai- 400 093 (Tata Power Consumer Number 9000 0002 1153 / old no. 50178 , 9000 0002 1442/old no. 50214, 9000 0005 3337/ old No. 104474) would like to highlight that we have been reported as "Non Reported CPP Users" in the Annexure A for MERC/ Case No. 101 of 2017/2017-18. (S/N 493)

We would like to state that we do not qualify as an Open Access consumer (Contract Demand 750 KVA) and during the FY10-14 we did not purchase power through Open Access. However we used our Diesel Generating Set (Captive Generating Plant) Power as a Stand-By or Emergency Backup usage only.

We would like to request exemption from Renewable Power Obligation as per definition of "Obligated Entities" mentioned in MAHARASHTRA ELECTRICITY REGULATORY COMMISSION (RENEWABLE PURCHASE OBLIGATION, ITS COMPLIANCE AND IMPLEMENTATION OF REC FRAMEWORK) REGULATIONS, 2010, Clause 5, sub clause (1).

We would also like to point out that Annexure A of the letter (MERC/ Case No. 101 of 2017/2017-18 / 3658) does not imply to us as our Distribution Licensee and CPP installed Capacity does not match with your record.

Kindly look into our case and provide us with the necessary exemption. Please find the requisite certificates attached herewith.

Thanking You,  
For Tata Consultancy Services Limited
