Dear Sir,

We are in Received your above-referred notice on 4 Jul-17 in which commission has asked to furnish our response on compliance of RPO fulfilment by us. In this regards we would like to inform you that We R M Dhariwal HUF are having Wind power Project at Satara Site for Which we have opted to sell Power to Third Party .Details of Open access permission for the required Period is attached for your ready reference.

R M Dhariwal HUF Being a Re-Generating Company is not obligated for RPO fulfilment .We have informed the same to MEDA via letter DT 4-Sep-2013 & 25-Sep-2014. It is observed that in MEDA Submission we are listed as Exempted OA consumer therefore it is obvious that we have wrongly listed as Consumer instead of Generator. Please also note that the Parties to which we have sold power are not required to fulfil RPO for purchasing Power from Renewable Sources as RPO is obligated only if Power is consumed for Conventional Fossil Fuel Based generation Through Open access as per section 42 (2) of the act.

We would Further Like to add that the figures of Contract Demand & Consumption mentioned in Notice Didn't match with any of our generating units so it is sure that data had been mistaken for some other party by MEDA.

We therefore Request you withdraw the notice & do the needful.

Enclosed: As above
