Sub. : Suo- Motu proceeding for verification and compliance of Renewable Purchase Obligation target for FY 2010 – 11 to FY 2013-14 by obligated Entities , other than distribution Licensees. (Case No. 101 of 2017)

Ref. : MERC/ Case No. 101 of 2017 / 2017-18 / 13267 dated 23<sup>rd</sup> June 2017.

Sir,

We have received your above referred Notice on 27<sup>th</sup> June 2017 regarding, Suo-Motu proceeding for verification and compliance of Renewable Purchase Obligation target for FY 2010 – 11 to FY 2013-14 by obligated Entities , other than distribution Licensees (Case No. 101 of 2017). As per Regulations, 2010 (RPO Regulations, 2010) the Commission has specified the Renewable Purchase Obligations (RPO) target for obligated entities. , i.e. distribution licensees, Captive Users and Open Access Consumers in Maharashtra for F.Y. 2010 -11 to 2015-16. We wish to inform you as under.

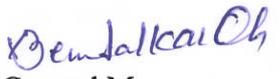

We have 1.006 MW biogas based Power Generation Plant. Entire power generated is used for captive consumption. Since 2002 we are not connected to grid. In the year 2002 our MSEDCL connection was temporarily disconnected. Then in the year 2005 grid connection was permanently disconnected by MSEDCL authority. From 2002 to till date we are not connected with MSEDCL. We have attached here with copy of letter issued by Electrical Inspector, Solapur regarding Certificate for not connected with grid and copy of the letter issued by MSEDCL authority regarding Permanently Disconnected of our power supply.

So considering above circumstances, we do not come under RPO obligations.

This is for your kind information and further needful please.

Thanking you

Yours faithfully

  
General Manager  
BSMDL Shreepur
