Dear Sir,

We are in receipt of the above mentioned Notice and we would like to clarify that we do not fall under the category of "obligated entities" as per the clause 5 (a) and (b) of MERC (Renewable Purchase Obligation, its compliance and implementation of REC Framework) Regulations, 2010.

We are grid connected consumer of Reliance Infrastructure Ltd., and there was no OA availed between the financial years from 2010-11 to 2013-2014 by us and our first OA permission was from financial year 2015-16.

We hope we have clarified our position and should you need any further information or clarification we will be glad to provide the same on hearing from you.

Thanking you,

Yours sincerely,
