Reference : Your letter No. MERC / Case No. 101 of 2017/2017-18 dated 23rd June 2017, received by us on 28th Jun 2017

Sir / Madam,

This is reference to your letter no. MERC / Case No. 101 of 2017/2017-18 dated 23rd June 2017, received by us on 28th June 2017 wherein your honour have asked for submitting the information on compliance of Renewable Purchase Obligation.

We would like to confirm that we have already submitted the detailed compliance information to Maharashtra Energy Development Agency (MEDA) for the year 2012-13, 2013-14, 2014-15 & 2015-16 vide our letter dated 25th Feb 2016 & 07th May 2016 respectively (Acknowledged copy of the letters are attached as Annexure I).

We had no captive power plant or open access for the financial year 2010-11 and therefore, entire power was purchased from MSEDCCL. Thus, RPO compliance was not applicable to us for financial year 2010-11. For the financial year 2011-12, we had Open access consumption under captive consumption from our Wind Turbines wherein no REC's benefits were availed on such units and therefore, RPO compliance was not applicable for 2011-12 as we had renewable energy consumption. Yearwise summary is given below for RPO compliance status:

Sr. No.	RPO Compliance Status	Remarks
2010-11	Not Applicable	No Captive Power Plant / No Open Access
2011-12	Not Applicable	Renewable Power without REC Benefits, thus no applicability of RPO compliance
2012-13	Complied	RPO Complied, Acknowledged Copy of the letter submitted to MEDA attached as Annexure I (a) & (b)
2013-14	Complied	
2014-15	Complied	
2015-16	Complied	

I am sure that the above information would serve the purpose.

We understand that the RPO compliance is not applicable w.e.f. 1st April 2016 to us due change in the RPO regulation (MERC (Renewable Purchase Obligation, its compliance and implementation of Renewable

Subject: Clarification on applicability of RPO for ITC Limited post MERC (Renewable Purchase Obligation, its compliance and implementation of Renewable Energy Certificate Framework) Regulations, 2016

Dear Sir,

ITC limited has set up wind energy projects for own consumption and third party sale in the state of Maharashtra with following details:

Project Location	Capacity	Accreditation Number	Accreditation Date
Nandurbar	2.1 MW	MH0NSITCLT001A190312	19/03/2012
Nandurbar	2.1 MW	MH0NSITCLT002A190312	19/03/2012
Nandurbar	2.1 MW	MH0NSITCLT003A190312	19/03/2012
Sangli	6.0 MW	MH0NSITCLP001R251113	11/10/2013

We are currently wheeling energy to our units through open access for self-use. Details of the units are as follows:

Consumer Name	Consumer Number	Contract Demand
ITC Limited	184059022231	3000 KVA
ITC Limited	184059047220	2990 KVA

Conditions for applicability of Renewable Purchase Obligation are as stated below:

5.1(a) Any person who owns a grid connected Captive generating plant based on conventional fossil fuel with installed capacity of 5 MW and above, or such other capacity as may be stipulated by the state commission from time to time, and consume electricity generated from such plant for his own use shall be subject to RPO to the extent of a percentage of his consumption met through such fossil fuel based captive source.

5.1(b) Any person having a contract demand of not less than 5MVA and who consumes electricity procured from conventional fossil fuel based generation through open access shall be subject to RPO to the extent of a percentage of his consumption met through such fossil fuel-based open access source.

Our understanding of above clauses is as follows:

- 5.1(a) Since we have a Wind Energy captive generating plant which is not based on conventional fossil fuel, thus we are not an obligated entity under Clause 5.1(a)
- 5.1(b) Our understanding after going through Clause 5.1(b) is that having Contract Demand of 5MVA and above is a pre-requisite for being "Obligated Entity" under this clause. Since both of our plants, consuming power through open access are having contract demand less than 5MVA as shown in the table above, thus we are not an obligated entity under Clause 5.1(b)

Request you to re-confirm our understanding as mentioned above.

Thanking You
