Dear Sir,

This is with reference to the letter, Ref. BP/RPO-STATUS/2013/4150, received, dated 03rd August 2013, regarding Renewable Purchase Obligation of CPP/OA consumers.

Loreal India Pvt Limited signed Power Purchase Agreement (PPA) with Giriraj Enterprises on 8th Jan 2013 for purchasing wind power from their machine number C-15 & C-16 (Chakan Dist. Nandurbar) (Refer attachment No 1)

As per PPA Clause no 4.3 (Point Number 8) loreal is paying 1.50 INR/KWH extra to Giriraj Enterprises so that Giriraj Enterprises should not claim REC benefit. Also as per clause number 5.2 (PPA) Giriraj Enterprises agreed that they will not claim REC benefit on above mentioned machine.

For the confirmation of Giriraj Enterprises not availing REC Benefit we herewith enclose:

1. Undertaking given by Giriraj Enterprises (Refer attachment No 2)
2. Letter received from Giriraj Enterprises addressed to MEDA (Refer attachment No 3)
3. Project details and REC status at the Renewable Energy Certificate Registry of India website (November 2011- March 2013) (Refer attachment No 4)
4. Project details and REC status at the Renewable Energy Certificate Registry of India website (April 2013- June 2013) (Refer attachment No 5)

We have also taken Open access Permission dated 4th Feb 2013 from MSEDCL for the financial Year 2012-13 and 10th April 2013 for the financial Year 2013-14 (Attachment No 6)
