**Sub: - RPO achievement data by CPP/OA consumers for FY 2014-15- Data submission regarding**

**Ref: - MERC's "Renewable Purchase Obligation, Its compliance & Implementation of REC framework" Regulation 2010" issued on dated 7th June 2010.**

Sir,

MERC vide its order dated 7<sup>th</sup> June, 2010 has declared RPO-REC regulations, 2010 for implementation of RPO obligations, its compliance, and REC framework implementation in the state. Further to implement this MERC vide its order dated 1<sup>st</sup> July, 2010 has designated MEDA to undertake the functions as state agency.

Since every grid connected CPP (above 1MW) /OA consumer (above 1MVA) comes under the category of obligation, your plant comes under the category of obligated entity for the fulfilment of annual RPO.

You are aware that, FY 2014-15 has already over, MEDA has to submit report on Final RPO achievement for FY 2014-15 to MERC. Therefore, for RPO compliance and data compilation you are requested to submit the RPO data in prescribed form as per below-

1. Final RPO achievement data for FY 2014-15 in MERC approved data collection formats (available at MEDA website and in MEDA RPO manual) along with proofs of RPO fulfilment i.e. Renewable energy procurement details including REC certificate in case of CPP/OA consumers.
2. In case your plant falls under exemption category, submit valid certificate from concerned authority as mentioned in MEDA RPO manual.

Please note that, above data should reach to MEDA on or before 31<sup>st</sup> October, 2015 in soft as well as hard copy. Failure of which nil data will be reported to MERC for enforcement of RPO Obligation.

Thanking You,

Yours Sincerely

(Dr. J.V. Torane)
