Subject: - SUO - Motu proceedings for Verification and Compliance of Renewable Purchase Obligation targets for FY 2010-11 to FY 2013-14 by Obligated Entities (Other than Distribution Licensees)

Reference No. MERC (Case no.101 of 2017/2017-18 3213 dt.23 June 2017)

Dear Sir,

We have received your notice, with reference to above subject and notice received we would like to bring to your notice that, we are purchasing entire power from MSEDCL, so we are not covered under the definition of "Obligated Entities" required to fulfill RPO (Renewable Purchase Obligation) during the period of FY 2010-11 to FY 2013-14

We are using our DG sets during power failure only which is self explained in Quarterly returns Form B (refer attached documents)) which mentions the Electricity Duty is Paid during that power failure period. Registration Certificates of DG sets are attached herewith due to CPP stand by (or Emergency backup) Hence we are not covered under Obligated Entities, this for information sir.
