Dear Sir,

We are in receipt of the above mentioned Notice and we would like to clarify that we do not fall under the category of "obligated entities" as per the clause 5 (a) and (b) of MERC (Renewable Purchase Obligation, its compliance and implementation of REC Framework) Regulations, 2010.

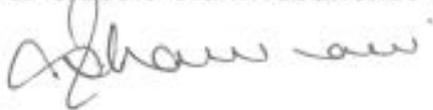

We are grid connected consumer of MSEDCL and our open access power is sourced from wind energy (renewable energy) and we confirm that no part of open access power was sourced from conventional energy sources.

As a proof of our claims we enclose the copies of the open access permissions issued for the FYs 2010-11 to 2013-14 by MSEDCL.

We hope we have clarified our position and should you need any further information or clarification we will be glad to provide the same on hearing from you.

Thanking you,

Yours sincerely,  
For Classic Citi Investment Pvt.Ltd,
