Sub: Suo-Motu proceedings for verification and compliance of Renewable Purchase Obligation targets for FY 2010-11 To FY 2013-14 by Obligated Entities (Other than Distribution Licensees)

Ref: Commission Notice No MERC/Case No. 101 of 2017/3594 dated 23.06.2017

Dear Sir/Madam,

With reference to above subject, we would like to inform the Hon. Commission that we have set up 2x60 MW Independent power plant in Vill. Usegaon Chandrapur District in year 2012. We have run our power plant from May 2012 to June 2013 after that our plant is closed till date for the want of Power Purchase Agreement and fuel Supply Agreement.

National Company Law Tribunal (NCLT) has issued order dated 21.03.2017 for GEPL towards liabilities of various stakeholders (Order is attached)

Also, as per the definition of 'Obligated Entities' we feel that Independent Power Plants do not fall under the definition since we have not used any power generated from our plant to our self use. Also we would like to inform that we have not purchase any power through Open Access since we are generation entity.

In the light of above it is requested to Hon. Commission to exclude Gupta Energy Pvt. Ltd. from the Obligated Entities.

Thanking You.

For Gupta Energy Pvt. Ltd,

Authorized Signatory
