DIL Unit-2 of installed capacity 300MW is connected to LILO of PGCIL Bhadravathi – Parli Ckt-II.
2. During construction period of power plant i.e., for the period FY 2010-11 to FY 2013-14 DIL consumed power through MSEDCL network. DIL withdraw power from 33KV voltage level for the period Jul-2010 to June-2013 and DIL withdraw power from 220KV voltage level for the period Jan-2013 to Aug-2013 (DIL was the Consumer of MSEDCL with consumer No: 450019006840)
3. Presently, DIL withdraw start up power from 400KV MSEDCL network (presently, DIL is the consumer of MSEDCL with consumer No:- 452859100030).
