1. As we have wind operated generator of 600 KW X 4 nos. installed at Varekarwadi, Satara. We have obtained the NOC for Open Access from Chief Engineer, Commercial, MSEDCL.
RE plants is Open Access consumer for the period 2011 -11 to 2013-14 as recommended by MEDA. Our power generation is from RE source i.e. wind not from charcoal etc. For your reference enclosing here with a commissioning certificate of wind mill obtained from MSEDCL.
