2nd Fl, Opp. Tridal Nagar,
Yerwada, Pune – 411 006.

Sub : → RPO Obligation of CPP / OA Consumers.

Ref : Your letter dtd BP/RPO-STATUS/2013/4257 dtd 12th Aug'2013 and subsequent the meeting on 26/08/2013 in your office MEDA, Pune.

Dear Sir,

This has reference to meeting on 26/08/2013 in your office MEDA, Pune for subject RPO Matter and documentations required from consumer.

We submit the information for OA / CPP use as per the guide lines of MERC (RPO, its compliance and implementation of REC framework) Regulations, 2010 and MEDA's RPO Manual for DISCOM/CPP/OA Consumer Obligated Entities. We attach dully filled OA – Annexure-I (page 13) and CPP – Annexure – I (page12) formats as suggested by you.

We are having Plants at Pimpri, Chinchwad and Maval connected to MSEDCL power network and details are as follow.

SI No	Plant	Contract Demand in KVA	Wind Power	D G sets' operation	Remarks
1	TATA Motors Pimpri Plant	55372	Own generation and 3rd Party Purchase	Standby Sets	1. Detailed break-up attached 2. Open Access Permissions attached 3. EI's approvals enclosed
2	TATA Motors Chinchwad Plant	15581	Nil	Standby Sets	1. Detailed break-up attached 2. EI approvals enclosed
3	TATA Motors Ltd Maval Fdry	6000	Nil	Standby Sets	1. Detailed break-up attached 2. EI approvals enclosed

As at our above plants the DG sets are operated in **Standby Mode**, we avail exemption under cl 16 of "MEDA's RPO Manual for Discom /CPP/OA Consumer Obligated Entities" and hence we are not RPO obligated entity for our DG Sets' power consumption.

Secondly, we are using wind power at our Pimpri Plant only. As, wind power is RE source and power is not generated from fossil fuel based generator, we are exempted from RPO for self use / third party purchase of wind power. In this regard above MERC Regulations, 2010 and RPO Manual of MEDA clearly identifies RPO eligible entities under cl no 5.1(b) and CI no 7b respectively. We reproduce for your kind reference to substantiate our above say.

Quote

(b) Any person having a contract demand of not less than 1 MVA and who consumes electricity procured from conventional fossil fuel based generation through open access as per Section 42 (2) of the Act shall be subjected to minimum percentage of RPO to the extent of his consumption met through such open access source.

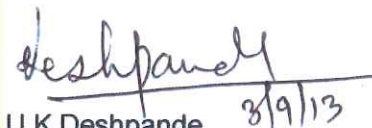

Unquote

Regulation does not talk the RPO eligibility criteria for purchase / Captive use of wind power through open access and clearly defines the RPO requirement for fossil fuel generation.

If any more information is required, kindly let us know.

Thanking you,

Yours faithfully,
For TATA MOTORS Ltd.,
