Ref: Your letter No - MERC/Case No. 101 of 2017/2017-18/ 3686 dated 23rd June, 2017

Sub: Declaration on Diesel Generating set for standby use & non-grid connectivity

Dear Sir,

This has reference to your letter No - MERC/Case No. 101 of 2017/2017-18/ 3686 dated 23rd June, 2017. As per your instruction therein submitting following documents.

1. Single Line Diagram of Power Distribution
2. Registration certificate of DG set 1010KVA, 125 KVA -02 nos.
3. Commissioning certificate received from PWD

We have installed DG set for our own use only so we fall in the category of Standalone.
All the DG sets are standalone to cater electrical power requirement of our plant whenever there is power failure from State electricity board (MSEDCL).

We do not have grid connection for DG sets. We have neither received power through open access nor made contract with power trading company. In future if we opt for open access, we will notify this information to MERC.

Thanks and Regards,

Sameer Shet
