Respected sir,

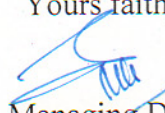

With reference to your above notice for Verification & Compliance of Renewable Purchase Obligation targets for FY 2010-11 & 2011-12 as specified under MERC (Renewable purchase obligation, its compliance & implementation of REC framework) Regulations 2010 dated 10<sup>th</sup> April 2013.

We have classified & discussed before the meeting which was held on 4.6.2013 about submission of data of 'RPO'. We have executed & commissioned 15 MW Co-gen. project on bagase base in the crushing season 2015-16. Accordingly we have submitted affidavit in the prescribed format to MEDA. We hope that we have cleared matter in all respect. Hence it is request not to consider. Our plant under the criteria of "Obligated Entities". It is to inform that we do not use fossile fuel for our boiler and are using bagasse as fuel.

We request please consider all the facts & inform to the MERC office accordingly.

Thanking you.

Yours faithfully,

  
Managing Director
