PETITION Under Section Suo-Motu

Submission/Ground in support of the case.

Pudumjee Paper Products Limited (Formerly known as Pudumjee Pulp & Paper Mills Limited) is RE generator and self user under open access during FY 2010-11 to 2013-14, hence exempted from RPO Compliance. However, Commission has advised to comply RPO as per Annexure-A.

Relief Clause in short:

1. Kindly consider our submission and direct MEDA that Pudumjee Paper Products Limited is not an Obligated Entity under the RPO Regulations and, accordingly, exempt from meeting the RPO for the period from FY 2010-11 to FY 2013-14.
2. In case of Non Obligated generator/consumer kindly direct MEDA that instead of demanding new certification from concerned authorities every RPO year existing Certificates for Gen-set Registration, issued by Chief Engineer (Electrical) or NOC from MSEB (U/s. 44 of EA 1948) and/or Open Access permission, issued by Licensee shall be sufficient to exempt Off Grid CPP, Co-gen, Standby CPP, RE-CPP/OA consumers and OA consumers for Obligated Entity for RPO.

Case No. 101 of 2017

- Ref. 1. Notice No. MERC/Case No. 101 of 2017/2017-18/3426 dated 23.06.2017 with Annexure-A related with RPO calculations
2. Notice No. MERC/Case No. 101 of 2017/2017-18/3139 dated 23.06.2017 with Annexure-A related with RPO calculations

A. Response to 'Annexure-A' of notice under reference

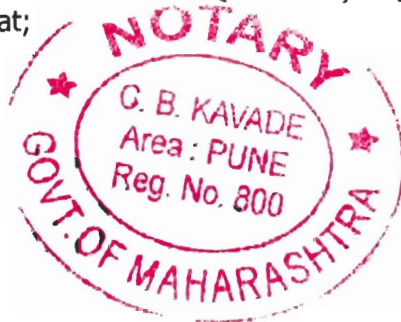

At the outset we want to clarify that we, Pudumjee Paper Products Limited (Formerly known as Pudumjee Pulp and Paper Mills Limited) hereafter called as "PPPL" installed a grid connected wind energy project with an installed capacity of 4.6 MW during 2011 and 2012 in the state of Maharashtra for open access Captive Use/Third Party Sale. From the beginning, 2010-11 to 2013-14 wind energy is wheeled for Self Use under Open Access permitted by GOM/Hon'ble Commission. Even though we received same two Notices having different Annexure-A, in one Notice we are treated as Obligated Entity for RPO and in other Notice we are exempted. As such we want to respond that we are not Obligated Entity as per Notice under Reference-2.

During the subject period PPPL has used Renewable Energy along with MSEDCL's supply and **has never procured energy from any other supplier based on fossil fuel generation under Open Access**. Hence, it is our submission that as per Regulations 5.1(b) of the RPO Regulations 2010, PPPL is not an obligated entity to meet the Renewable Purchase Obligation.

PPPL is HT Consumer manufacturing specialty grades of paper and has 10.0 MVA (10.412 MVA during 2010 to 2014) Contract Demand sanctioned from MSEDCL. PPPL has also installed 6.4 MW DG Set under Section 44 of the Electricity Supply Act 1948 based on heavy fuel oil. 6.4 MW DG Set is installed and used as Standby (or emergency back-up). MSEB issued its consent to install this DG set as **Standby/Back-up** to MSEDCL's power supply vide its letter No. Co-Ord.Cell./Cap Gen/PPPML/039019 dated 22.09.1998, enclosed **Annexure-1(a)**. Besides Chief Engineer (Electrical) has issued Registration Certificate for the same DG set vide No. C.E.(Elec.)/Desk-5/368 of 200 dated 04.10.2000 as per **Annexure-1(b)**.

In response to letter No. BP/RPO-STATUS/2013/2272 dated 23.05.2013 received from Maharashtra Energy Development Agency (MEDA) total power consumption (MSEDCL + Wind Power) for 2010-11 to 2012-13 was submitted in their prescribed format vide our letter No. LKD:Engg:rrt:976 dated 10.06.2013 and enclosed as **Annexure-2**.

Subsequently, MERC passed RPO Order (Suo-Motu) dated 22.07.2013 Case No. 49 of 2013 wherein the same condition of MERC (RPO-REC) Regulations 2010 for "Obligated Entities" was reproduced saying that;

- 5.1(a) "Any person who owns a grid connected Captive Generating Plant with installed capacity of 1 MW and above (or such other capacity as may be stipulated from time to time) and consumes electricity generated from such plant for his own use; shall be subjected to minimum percentage of RPO to the extent of his consumption met through such captive source."
- (b) "Any person having a contract demand of not less than 1 MVA and who consumes electricity procured from conventional fossil fuel based generation through open access as per Section 42 (2) of the Act shall be subjected to minimum percentage of RPO to the extent of his consumption met through such open access source."

Provided further that condition under sub-clause (a) above, shall not be applicable in case of Standby (or Emergency back-up) Captive Generating Plant facilities.

Immediately after MERC Order dated 22.07.2013 we submitted a letter No. LKD:Engg:rrt:1656 dated 05.08.2013 as per enclosed **Annexure-3** to MEDA requesting to remove our name from Obligated Entity for following reasons.

- (a) Our Standby generating plant capacity is 6.4 MW and MSEDCL Contract Demand is 10.412 MVA.
- (b) We had never consumed electricity procured from conventional fossil fuel based generation through open access during the period FY 2010-11 to 2013-14.

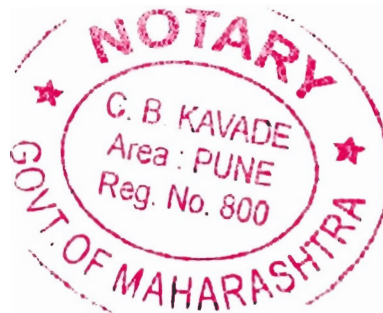

We also submitted the copy of MSEDCL consent letter permitting us to install DG set as **Standby/Back-up** to MSEDCL's power supply.

We again submitted a letter No. LKD:Engg:rrt:2014 dated 31.08.2013 as per enclosed **Annexure-4** to MEDA reiterating that M/s. Pudumjee Pulp & Paper Mills Limited is not Obligated Entity and requested to remove our name of PPPL. We also submitted a proof certifying that our DG set is installed and used as Standby (or Emergency Back-up) to MSEDCL's power.

Instead of removing our name from Obligated Entity we received a letter No. BP/RPO-STATUS/2013/4368 dated 05.09.2013 from MEDA advising us to submit RPO Data for First Quarter of FY 2013-14. We submitted total power consumption (MSEDCL + Wind Power) vide our letter No. LKD:Engg:rrt:2251 dated 24.09.2013 as per enclosed **Annexure-5** for First Quarter of FY 2013-14 and requested again to remove our name from Obligated Entity.

We did not receive any objection from MEDA in response to our submission dated 24.09.2013.

As directed by Hon'ble Commission we enclose herewith corrected **Annexure-A**.

Dear Sir,

With reference to the above we are enclosing herewith the RPO data for the year 2010-11, 2011-12 and 2012-13 in your described formats.

Data submitted earlier to your office and Hon'ble Commission was in the format of Annexure-A described by MERC. Since your annexure is specifying the requirement of total energy utilization including the power consumption of MSEDCL and also wind energy the previous submissions gets superseded by this submission.

From the enclosed details you will notice that we have stopped generating power from our CPP due to high cost of fuel and hence there is no any obligation under RPO in the year 2011-12 and 2012-13. In the year 2010-11 we have generated 1.18 lac units and purchased 44.87 lac units wind energy and over achieved the requirement of RPO. Solar power was not purchased as the requirement was not even equivalent to one certificate.

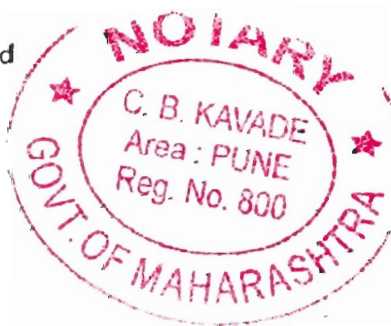

Kindly acknowledge the receipt.

2. MERC Suo-Moto Order dated 22.07.2013 for verification and compliance of RPO as specified under MERC (Renewable Purchase Obligation, its compliance and Implementation of REC framework) Regulations, 2010

Dear Sir,

With reference to the above-mentioned two MERC orders we want to bring to your kind notice that M/s. Pudumjee Pulp Paper Mills Limited is not eligible entity to meet RPO.

Please refer following extract from MERC's orders under reference 1.

Extract:

5.1 The minimum percentage as specified under Regulation 7.1 shall be applicable to all Distribution Licensees in the State of Maharashtra as well as to open access consumers and captive users within the State of Maharashtra, subject to following conditions:

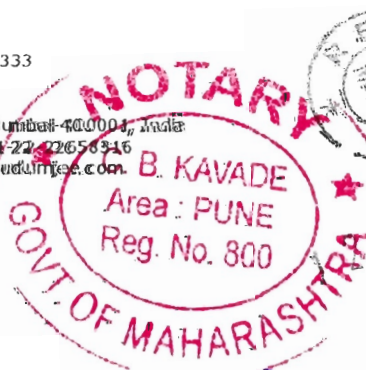

- (a) Any person who owns a grid connected Captive Generating Plant with installed capacity of 1 MW and above (or such other capacity as may be stipulated from time to time) and consumes electricity generated from such plant for his own use; shall be subjected to minimum percentage of RPO to the extent of his consumption met through such captive source.
- (b) Any person having a contract demand of not less than 1 MVA and who consumes electricity procured from conventional fossil fuel based generation through open access as per Section 42 (2) of the Act shall be subjected to minimum percentage of RPO to the extent of his consumption met through such open access source.

Provided that the State Commission may, by order, revise the minimum capacity referred to under sub-clause (a) and sub-clause (b) above from time to time.

Provided further that condition under sub-clause (a) above, shall not be applicable in case of Standby (or Emergency back-up) Captive Generating Plant facilities.

Subsequently, the same condition is reproduced in recent MERC's RPO order in Case No. 49 of 2013 dated 22.07.2013.

We submit that the MSEDCL has issued its consent to install our captive generator set as Standby to produce power as **standby/backup** to MSEDCLs power supply.

In support, we are submitting the following documents for your reference which are indicating that our genset is standby/backup to MSEDCLs power.

1. Copy of Contract demand letter permitted by MSEDCL at 10,412 KVA.
2. Copy of MSEDCL current Bill confirming the Contract Demand of 10,412 KVA
3. MSEDCL permission letter dated 22.09.1998 for installation of 6.4 MW generator and operate as standby set (point No. 1, 2, 3 & 10).

It may please be noted that the captive generator capacity is 7650 KVA which is much lesser than our contract demand of 10412 KVA and the same is operated whenever needed as standby to MSEDCLs supply.

We do not consume electricity procured from conventional fossil fuel based generation through open access and hence as per RPO Regulations 5.1 (b) we are not subjected to minimum percentage of RPO.

It is regretted that earlier we were not very clear about the applicability of RPO issues and did lot of efforts in the past to convince that we are not obligated for RPO but failed. Now as per MERC Regulations clause 5.1 of above two orders it is evolved that M/s. Pudumjee Pulp Paper Mills Limited is not obligated entity.

You are requested to kindly remove our name from your record under obligated entity to meet RPO.

Thanking you,

Yours faithfully,

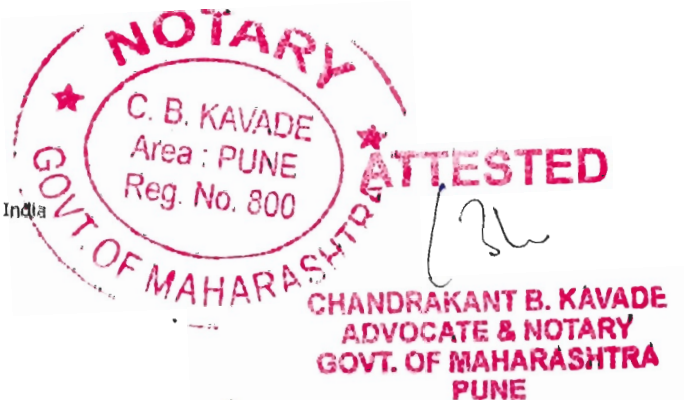

For Pudumjee Pulp & Paper Mills Limited

2. Meeting on RPO Obligation of CPP/OA Consumers on 22.08.2013 at MEDA, Pune

Dear Sir,

With reference to the above we would like to bring following important points for your kind attention.

We have submitted letter No. LKD:Engg:rrt:1656 dated 05.08.2013 (copy enclosed) to your good offices in which we have explained in detail and submitted supporting documents as a proof that our generator set is installed as **standby/backup** to MSEDCL power. Our Contract Demand with MSEDCL is 10,412 KVA and generator capacity is 6.4 MW.

As advised by you during the discussions we are submitting herewith letter No. SE/GKUC/4177 dated 30.08.2013 received from MSEDCL (concerned distribution licensee) certifying that our generating facilities is "Standby".

It is clearly specified in MERC (RPO) Regulations, 2010 dated 07.06.2010 and also in the recent order dated 22.07.2013 in Case No. 49 of 2013 as follows.

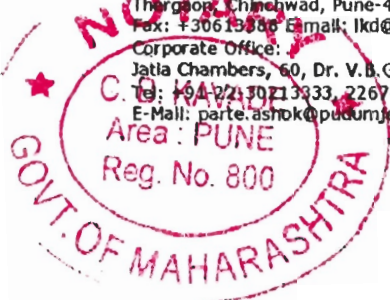

Extract:

5.1(a) "Any person who owns a grid connected Captive Generating Plant with installed capacity of 1 MW and above (or such other capacity as may be stipulated from time to time) and consumes electricity generated from such plant for his own use; shall be subjected to minimum percentage of RPO to the extent of his consumption met through such captive source."

(b) "Any person having a contract demand of not less than 1 MVA and who consumes electricity procured from conventional fossil fuel based generation through open access as per Section 42 (2) of the Act shall be subjected to minimum percentage of RPO to the extent of his consumption met through such open access source."

Provided further that condition under sub-clause (a) above, shall not be applicable in case of Standby (or Emergency back-up) Captive Generating Plant facilities.

We regret to mention that in the past we were not very clear about the applicability of RPO issues but since Hon'ble Commission has reproduced its original condition in recent order in Case No. 49 of 2013 dated 22.07.2013 it is very clear and we reiterate that M/s. Pudumjee Pulp Paper Mills Limited is not obligated entity.

We request you to remove our name from your record under "Obligated entity to meet RPO" for following reasons.

- (a) Our generating plant facility is standby and backup to MSEDCL Contract Demand.
- (b) We don't consume electricity procured from conventional fossil fuel based generation through open access.

Hope the information submitted above is clear to MEDA. Should you need any further information please write to us and we will be pleased to provide.

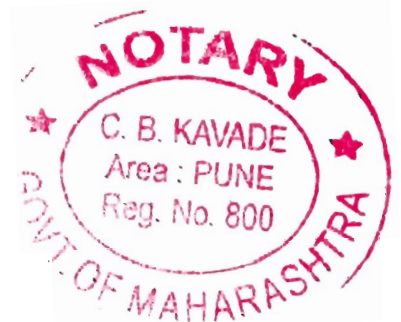

Thanking you, we remain,

Dear Sir,

We would like to inform you once again that Pudumjee Pulp & Paper Mills Limited is not eligible entity for meeting RPO. We have requested you to remove our name from your record under "Obligated entity" for following reasons.

- (a) Our generating plant facility is standby and backup to MSEDCL Contract Demand. We have already submitted the proof received from MSEDCL vide their letter No. SE/GKUC/4177 dated 30.08.2013 (copy enclosed) certifying that our captive generation is standby.
- (b) Pudumjee Pulp & Paper Mills Limited is not OA consumer of conventional power sourced from other fossil fuel based generation through Open Access.

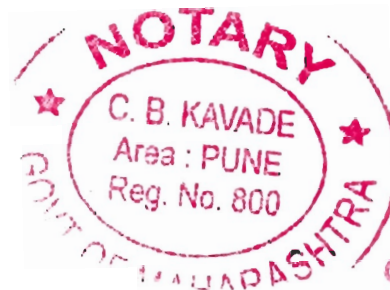

However, as advised we are submitting power consumption data of our plant for Quarter-1, 2013-14 and request you to remove our name from your record of "Obligated Entity".

Should you need any further information please write to us and we will be pleased to respond promptly. Kindly acknowledge the receipt.
