Sir,

With reference to above, we are pleased to sanction / permit the load to the extent to

1500 KVA maximum demand with connected load of 1406.25 HT / KW

You will be given this load at 11 KV, from our 11 KV MIEC feeder to your premises situated at Tilaknagar. THE VALIDITY OF THIS LOAD SANCTION IS FOR SIX MONTHS FROM THE DATE OF ISSUE OF THIS LETTER.

For the purchase of grid power at High tension, the consumer is required to execute an agreement on our standard agreement form for HT supply. A draft agreement form is enclosed herewith.

Supply when given will be as per our conditions of supply. The tariff applicable to you will be our standard HT tariff ruling from time to time. On the basis of the drawlings approved by Electrical Inspector (I.E. & L) Department, point of supply, the survey / drawing will be prepared by our Dy.#E / Asstt. Engr. Shrirampur Urban

Before releasing the supply, you will have to execute final agreement in this office. On the stamped agreement form for which you will have to pay Rs. 20/- towards stamp fee, If you desire to have your copy of the agreement also stamped you may remit additional amount of Rs. 20/-

Load Sanction to M/s. Manager, Tilaknagar Industries, Tilaknagar.  
Tal. Shrirampur, Dist. Ahmednagar.
