Subject: Suo-Motu proceedings for Verification and Compliance of Renewable Purchase Obligation targets for FY 2010-11 to FY 2013-14 by Obligated Entities (Other Than Distribution Licensees).

(CASE NO. 101 of 2017)

Reference: 1.MERC's – Notice vide letter No. MERC/Case No. 101 of 2017/2017-18/3683 dated 23rd June, 2017.

Sir,

M/s. Ideal Energy Projects Limited (hereinafter referred as "**IEPL**") has built up 1x270 MW Coal Based Thermal Power Plant, (**as Merchant IPP entity**) near village Bela, Tahsil – Umred, Distt. Nagpur in the state of Maharashtra, located in Western region.

After perusal of the RPO regulation 5 (5.1), which specifies about RPO applicability criteria for **Obligated Entities**, it is to state that,

- IEPL is a Generating Company as merchant IPP entity.
- IEPL is having contract demand of 15 MVA with MAHADISCOM for the purpose of startup/back up power supply required during interruption of the Unit as HT1 A tariff Industrial Consumer.
- IEPL is neither CPP and nor open access consumer & thus does not fall under an **Obligated Entity** as per RPO Regulations of Hon'ble MERC.

Therefore, we feel that, submission of RPO targets is not necessary in case of IEPL.

Thanking you,
Yours faithfully,
For Ideal Energy Projects Ltd.,
