Ref: MERC/ Case no. 101 of 2017/2017-18/3679 dated 23/06/2017

Respected Sir,

This is with refenece to above cited subject regarding RPO obligation for obliged Entities.

We would like to bring to the notice of this Hon'able Commission that as per the definition of obligated entities, we fall under the category of "CPP in case of Standby (or emergency backup)" as,

- We had not used electricity supply through open access, during the period.
- our DG sets are off grid and installed as a Stand by for emergency back-up in case of MSSEDCL power supply failures.

Hence, the clause no. 5.1 of "Obligated Entities" as per RPO Regulation 2010 is not applicable to our plant/organisation. The certificate of Electrical Inspector enclosed herewith in support and certification from required authority, as incated.

We also have shared all the data with concerns officials of MEDA, as and when they asked for.

We request the Hon'able Commission to grant us exemption from the applicability of RPO obligation.

Thanking you,
