**Our Comments as follows**

We also would like to inform you that we are not using any **conventional fossil fuel based generation** for captive use. Instead we are using renewable energy (Wind Energy) for self-use.

Also, as per list published by Maharashtra Electricity Distribution Agency (MEDA) at MERC website, we are Exempted OA Consumer- REC Accredited Project.

Hence we kindly request you to exempt us from obligated entity

As per your requirement, we are applying for renewable Energy based CPP / Open access Consumer certificate with MEDA, which will be provided after receipt of the same.

This is for your information please.

Yours Faithfully
