**Subject – Non obligated entity undertaking - Case no 101 of 2017, Suo Motu proceedings for verification & compliance of RPO targets for 2010-11 to FY 2013-14**  
**Reference – Your letter -MERC/Case no 101 of 2017/2017-18/3161 dated 23.06.17**

Dear Sir/ Madam,

We hereby certify that we are not Grid connected captive generating plant. We have Generator of 1250 KVA which is purely used for self to meet our power requirement in case of MSEB power failure. We are into manufacturing business and fully dependent on MSEB power. Our production affects due to MSEB power problems. so we are required to use DG set as Stand by.

We hereby undertake that during the period 2010-11 to FY 2013-14 and upto July 2017, we are consuming 100% power from MSEB. We use DG set which is approved by PWD & electrical Inspector office. We are regularly paying Electricity duty to Electrical inspector office quarterly basis.

For your ready reference kindly find below documents,

1. DG set 1250 KVA registration certificate -certifying that the said DG is stand by/self/industrial use.
2. Latest MSEB bill & payment receipt towards Consumer no 170149023040 for Jun 2017
3. Electricity duty payment through GRAS receipt for the quarter Apr to Jun 17
4. Copy of letter sent to MFDA on 30 Oct 2015 to explain that we are not grid connected & using DG for self as stand by to MSEB power.

We request you to update your record. Kindly acknowledge the receipt of the letter.

Thanking you

Yours truly,

For Polybond India Pvt Ltd
