Subject : Suo-Motu proceedings for Verification and Compliance of Renewable Purchase Obligation targets for FY 2013-14 by Obligated Entities (Other than Distribution Licenses) (Case No.101 of 2017)

Reference: Your Notice No. MERC/Case No. 101 of 2017/2017-18/3351 dated 23-06-2017

Respected Sir,

Our humble submission is as follows.

We own two Generating Plants in the form of Wind-Mills of following description

- (A) WTG 750 KW situated at Vankusavade, Tal. Patan, District Satara, Maharashtra State
- (B) WTG 1250 KW situated at Village Aichale, Tal Sakn, District Dhule, Maharashtra State

As both the generating plants are Wind-Mills, Clause 5.1 (b) of RPO Regulations 2010 is not applicable to us.

As far as clause 5.1 (a) is concerned, it is not applicable to us in respect of (A) above; as the installed capacity is 750 KW and our Contract Demand is 600 KVA.

So also it is not applicable to us in respect of (B) above as we are not using the electricity generated from this plant for self-use but are selling it to MSEDCL.

Thus clause 5.1 is not applicable to us. We had already communicated this information to MEDA.

Therefore we most respectfully submit that the Notice dated 23-06-2017 may kindly be withdrawn and no action be initiated against us in view of the said notice.

Sincerely yours,
For Kulkarni Power Tools Ltd,
