Petition for submission of Revised Network Rollout Plan in compliance to the direction of the Hon'ble Commission in Case No. 90 of 2014 and the direction of the Hon'ble ATE in Appeal Nos. 229 and 246 of 2012.

----- Petitioner

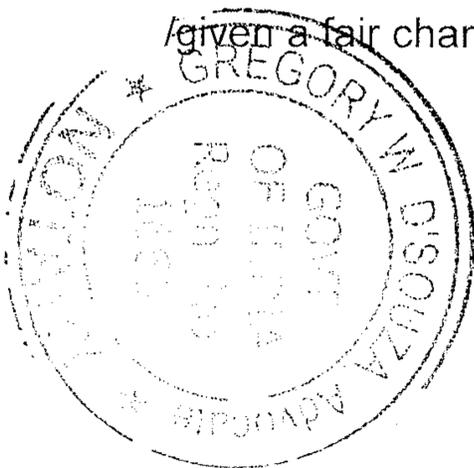

**ADDITIONAL SUBMISSIONS ON BEHALF OF BEST**

1. The Respondent BEST Undertaking submits that, pursuant to the order passed by the Hon'ble Commission on 22.09.2015, the Respondent, BEST Undertaking is filing this short submission for the limited purpose on proposal of the TPC for sharing of Network of BEST Undertaking.
2. BEST submits that in the matter pertaining to distribution license granted to TPC, BEST has filed certain appeals in the Appellate Tribunal and the Supreme Court as referred to in its earlier submissions in the present matter. Appeal No. 243 of

2014 against MERC Order dtd. 14.8.2014 in Case No. 37 of 2014 pertaining to Expression of Interest issued by the MERC for grant of distribution license in Mumbai city and its suburb following which distribution license was issued to TPC is pending before the Hon'ble Appellate Tribunal and is likely to be further heard on 20.11.2015. Other cases, as filed vide Civil Appeal No. 4074 of 2015 and the Civil Appeal (Diary) No. 11771 of 2015 against the APTEL Judgment dated 25.11.2014 in Appeal No. 216 of 2014 and APTEL Order dtd. 12.3.2015 in Review Petition No. 5 of 2015 in Appeal No. 216 of 2014, in the matter pertaining to grant of distribution licence to TPC by the Commission under Case No. 90 of 2014, are also pending before Hon'ble Supreme Court.

3. BEST Undertaking submits, that pursuant to the exemption granted under Section 42(3) of the Electricity Act 2003 and relying upon the stand taken by the BEST Undertaking in all above pending litigations, submission in respect of the proposal of sharing Network of BEST Undertaking by the TPC, may adversely affects the stand taken in aforesaid litigation which may either contradict or cause damage to the litigation pending before Hon'ble Supreme Court and APTEL. It is therefore BEST Undertaking submits that the decision on proposal for sharing Network of BEST is premature at this juncture. After the said cases are decided, TPC may be asked to submit its revised network rollout plan under a separate petition for the area served by BEST and at that time BEST may be allowed given a fair chance to submit its say in the matter.

4. The Respondent, BEST Undertaking further submits that it is pertinent to note that the BEST Undertaking is a statutory Undertaking of the Municipal Corporation of Greater Mumbai and as such is governed by the Mumbai Municipal Corporation Act, 1888. Any permissions of usage of BEST's distribution network to TPC shall be strictly in accordance with the provisions of the said Act wherein due procedure of approvals has to be followed before BEST's network can be allowed to be used for distribution of power by TPC.
5. The Respondent, BEST Undertaking further submits that delay in filing present submission may kindly be condoned in the interest of justice.
