### **Chapter III: Terms and conditions of licence**

#### 13. General

13.1 Every Electricity Trader shall be subject to the general and specific conditions of licence specified in Schedule 2 of these Regulations.

13.2 The Commission may specify any other general or specific conditions to apply to either a licensee or a class of licensees and such conditions shall be deemed to be conditions of such licence:

Provided that the Commission shall, before specifying such additional conditions, give reasonable opportunity to make representations with regard to such additional conditions.

#### 14. Area of trading

The area of trading of the Electricity Trader shall be the area as specified in the licence.

#### **15.** Commencement and term of licence

A licence issued under the Act and in accordance with these Regulations shall come into force with effect from the date specified therein and, unless revoked earlier by the Commission in accordance with the provisions of Section 19 of the Act, shall remain in force for the period specified under sub-section (8) of Section 15 of the Act.

#### 16. Duties

16.1 An Electricity Trader shall be subject to the following obligations, namely:

- (a) The Electricity Trader shall not undertake the business of transmission of electricity;
- (b) The Electricity Trader shall comply with the requirements of the applicable laws in force and, in particular, the Act, the rules and regulations made thereunder, the State Grid Code, orders and directions issued by the Commission from time to time;
- (c) The Electricity Trader shall increase his net worth if the volume of trade moves from a lower category to a higher category and the change of category shall be decided based on the volume of electricity traded for the year ending as at the 31<sup>st</sup> of March of each year and the Electricity Trader shall keep the Commission informed of his moving from one category to the other and subsequent changes in the net worth;
- (d) The Electricity Trader shall be subject to the trading margins where fixed by the Commission;
- (e) The Electricity Trader shall be governed by the technical requirements, capital adequacy requirements and creditworthiness as may be specified by the Commission and shall upgrade these technical and capital adequacy requirements, including staff, when the volume of trading increases;
- (f) The Electricity Trader shall establish adequate communication facilities like telephone, fax, computer, internet facilities, before undertaking trading;
- (g) The Electricity Trader shall coordinate with Regional Electricity Boards or Regional Power Committees, as the case may be, the State Load Despatch Centre and the State Transmission Utility with regard to the Licensed Business;
- (h) The Electricity Trader shall render all assistance to any person authorized by the Commission for carrying out his duties relating to the licence;
- (i) All trading arrangements shall be done through letters of credit or other commercially acceptable instrument;
- (j) The Electricity Trader shall not omit or neglect to undertake the Licensed Business for four consecutive quarters; and

(k) The Electricity Trader shall maintain an up-to-date record of his customers and the transactions entered into by him with other parties.

16.2 The Electricity Trader shall as soon as practicable report to the Commission,-

- (a) any significant change in his circumstances which may affect the Electricity Trader's ability to meet his obligations under the Act, the rules and the regulations thereunder, directions and orders issued by the Commission, agreements or the Licence;
- (b) any material breach, or likelihood thereof, of the provisions of the Act, the rules and the regulations thereunder, directions and orders issued by the Commission, agreement or the Licence, which was reasonably within his knowledge, along with the reasons therefor, as soon as practicable; and
- (c) any change in management control or major change in the shareholding pattern of the Electricity Trader.

Explanation I – for the purpose of this Regulation, "management control" shall include the right to appoint majority of the directors or to control the management or policy decisions of the Electricity Trader, including by virtue of shareholding or management rights or shareholders' agreement or partnership agreement or trust deed or voting agreement or in any other manner;

Explanation II – for the purpose of this Regulation, "major change in shareholding pattern" shall mean the acquisition, by such person as specified in Regulation 7 of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 1997, as in force from time to time, of such per cent of shares or voting rights in the Electricity Trader as would entail a disclosure under sub-regulation (1) of that Regulation.

16.3 The Electricity Trader shall seek the approval of the Commission before creating any encumbrance on the assets of the Licensed Business, except where such encumbrance is created for the purpose of the Licensed Business.

16.4 The Electricity Trader may engage any of its subsidiaries or holding company or a subsidiary of such holding company to provide any goods or services to the Electricity Trader in connection with the Licensed Business, subject to the following conditions:

(a) that the transaction shall be undertaken on an "arms-length basis" and at a value that is fair and reasonable in the circumstances, which for the purposes of this Regulation, shall mean with respect to any specific transaction,

substantially on terms that would be obtained between the Electricity Trader and a third party unrelated to and unconnected with the Electricity Trader;

- (b) that the Electricity Trader shall report to the Commission, for each financial year, the details of all transactions of the nature referred to in this Regulation entered into during the financial year;
- (c) that the Electricity Trader shall submit to the Commission, for each financial year, a certificate from a Chartered Accountant as regards compliance with the requirement of clause (a) above .

Explanation – for the purpose of this Regulation, the terms "subsidiary" and "holding company" shall have the same meaning as under Section 4 of the Companies Act, 1956.

### 17. Accounts

17.1 The financial year of the Electricity Trader shall run from the first of April to the following thirty-first of March.

17.2 The Electricity Trader shall in respect of the Licensed Business:

- (e) keep such accounting records as would be required so that the revenues, costs, assets, liabilities, reserves and provisions for, or reasonably attributable to the Licensed Business are separately identifiable in the books of the Electricity Trader; and
- (f) prepare on a consistent basis, from such accounting records, the Accounting Statements in accordance with the provisions of the Companies Act, 1956 and/or the standards or guidelines of the Institute of Chartered Accountants of India.

17.3 The Electricity Trader shall upon written request by any person make available a copy of its Accounting Statements at a price not to exceed the photocopying charges.

#### **18.** Provision of information to the Commission

18.1 The Electricity Trader shall furnish to the Commission such information, documents and details related to the Licensed Business as the Commission may require.

18.2 Without prejudice to Regulation 18.1 above, the Electricity Trader shall furnish the information as may be required from time to time, to monitor the Electricity Trader's performance and compliance of the terms and conditions of the licence and any other legislative or regulatory requirement in accordance with Schedule 3 appended to these Regulations:

Provided that the information in the prescribed form shall be furnished to the State Load Despatch Centre with a copy to the Commission, on a quarterly basis on 10th day of April, July, October and January for the quarters January to March, April to June, July to September and October to December respectively and the format for submission of information shall be duly filled up and completed in all respects and no column shall be left blank:

Provided further that the report sent to the State Load Despatch Centre shall be posted on the internet website of the Electricity Trader in downloadable spreadsheet format or any other website authorized by the Commission:

Provided also that the State Load Despatch Centre shall verify the quantum of energy traded, as indicated in the reports, and submit a report to the Commission.

# **19.** Standards of performance

19.1 The Commission may, after consultation with the Electricity Trader specify the standards of performance of a licensee or a class of licensees.

19.2 Notwithstanding anything contained in Regulation 19.1 above, the Electricity Trader shall furnish the performance details for each year to the Commission on quarterly basis for the quarters ending 31st March, 30th June, 30th September and 31st December in the format prescribed in Schedule 4 appended to these Regulations by 15th day of the first month of the following quarter.

# 20. Licence Fees

During the period that the Licence is in force, the Electricity Trader shall, by the 10th of April of every year, or such further period as the Commission may allow, pay to the Commission such licence fees as may be specified.

# 21. Decision on Interpretation of Licence

The interpretation of the Licence and the terms and conditions thereof shall be as determined by the Commission.

# 22. Power to amend

The Commission may, at anytime, vary, alter, modify or amend any provisions of these Regulations.

### 23. Power to remove difficulties

If any difficulty arises in giving effect to the provisions of these Regulations, the Commission may, by general or specific order, make such provisions not inconsistent with the provisions of the Act, as may appear to be necessary for removing the difficulty.
