Date :- 9 April, 2020 at 16.00 Hrs.

Venue :- Through Conference Call

Present :- Shri. Dineshchandra Saboo, Member (External)  
Shri. Prafulla Varhade, Member (Commission's Officer)  
Shri. Dilip Dumbre, Member (Ombudsman's Officer)  
Shri. Rakesh Guhagarkar, Member (Commission's Officer)  
  
Licensee's representatives:  
Shri Girish Pednekar - Tata Power.  
Shri Nilesh Potphode – Tata Power  
Shri. Vivek Mishra — AEML

**Discussions held:-**

1. Mumbai Distribution Network Assessment Committee (M-DNAC) had received proposals from TPC-D and AEML-D for power supply to the applicant “Sea Jewel Property Developers LLP, Malad (E).”, Mumbai.
2. Due to nationwide lockdown ordered by the Central Government till 15 April, 2020 on account of Coronavirus Disease (COVID-19) epidemic in the Country, it was not possible to hold a physical meeting to open and discuss the aforesaid proposals. Accordingly, M-DNAC committee, vide email dated 8 April, 2020, conveyed TPC-D and AEML-D about the Committee’s intention to hold a Tele-conference Meeting for discussing and deciding the aforesaid proposals. Both the Licensees agreed to the Committee’s suggestion.
3. Accordingly, on 9 April, 2020, a Tele-conference Meeting was held wherein Shri Nilesh Potphode and Shri Girish Pednekar participated on behalf of TPC-D and Shri Vivek Mishra participated on behalf of AEML-D. The proposals received from AEML-D and TPC-D were opened during the aforesaid meeting. The representatives of the Licensees briefly explained their proposals.
4. Item-wise details and cost submitted by **TPC-D** is as follows:

Item-wise details:

Sr. No.	Item	Unit	Quantity
1	11 kV 3C 300 sq. mm HT cables	M	1740
2	11 kV 3 Way Ring Main Unit	Ea	1
3	11 kV 315 kVA Oil Type Transformer	Ea	1
4	LT Breaker 1250 A I/C	Ea	1

Total cost involved for catering to total load applied for: **Rs. 162.14 lakhs.**

5. Item-wise details and cost submitted by **AEML-D** is as follows:

Item-wise details of network addition proposed in the following Format:

Sr. No.	Item	Unit	Quantity
1	11 kV 3C 300 sq. mm XLPE Cable	Meters	120
2	11 kV Dry Switchgear (1+2)	Nos.	1
3	11/0.4 kV, 400 kVA Dry Type DT	Nos.	1
4	Low Voltage Panels	Nos.	1
5	Civil Structure	Nos.	1

Total cost involved for catering to total load applied for: Rs **25.37 Lakh**

Thus, it is seen that the cost submitted by AEML-D is less than the cost submitted by TPC-D.

In view of the above, the Committee has decided to allow AEML-D to release power supply connection to “Sea Jewel Property Developers LLP, Malad (E).”, Mumbai. The total cost submitted by AEML-D of Rs. 25.37 Lakh shall be the ceiling cost (with no further incremental cost) for ARR of AEML-D as mentioned in the Case No. 182 of 2014.
