

MINUTES OF MEETING
OF THE
MUMBAI DISTRIBUTION NETWORK ASSESSMENT COMMITTEE (M-DNAC)

Date :- 25 January, 2023 at 15.30 Hrs.

Venue :- Through video conferencing

Present :- Shri. Dineshchandra Saboo, Member (External)
Shri. Prafulla Varhade, Member (Commission's Officer)
Shri. Dilip Dumbre, Member (Ombudsman's Officer)
Shri. Rakesh Guhagarkar, Member (Commission's Officer)

Discussions held

As decided in its earlier meeting dated 11 January 2023, the Committee held its further meeting on 25 January 2023 to review the proposals received by it.

It was observed that, as on date of the meeting, no L1/L2 connection in accordance with the directions issued by the Commission in Case No. 163 of 2021, was received by M-DNAC. The non-receipt of such applications was also noted during the meeting held on 11 January 2023 and accordingly, this issue had already been conveyed to both the licensees viz. AEML-D and TPC-D during the site visits dated 20 January 2023. In spite of this, no L1/ L2 application has been referred to M-DNAC by these Licensees. Accordingly, it was decided to send emails to AEML-D and TPC-D for seeking details of applications pending with them and asking them to do the needful as per the directions issued in Case No. 163 of 2021.

It was observed that for the locations visited on 20 January 2023, TPC-D had submitted soft copies of the relevant documents such as consumers' applications, single line diagrams etc. However, no such details were received from AEML-D. It was decided that AEML-D may be asked to provide these details for the connections released by it at the locations which had been visited by the Committee on 20 January 2023.

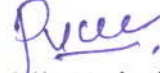

It was decided to carry out a site visit on 2 February 2023 at the locations (Andheri) which were earlier scheduled for site visit on 19 January 2023 and postponed subsequently on account of unavoidable reasons.

It was also decided to appraise the Commission about the proceedings initiated by the Committee for implementation of the directions of the Commission in Case No. 163 of 2021 and issues thereof such as site visits undertaken on 20 January 2023, non-receipt of the L1/L2 applications,

concerns raised by the licensees during site visit regarding possible SOP violations etc. to get guidance of the Commission for future course of action.

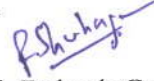

Shri. Dineshchandra Saboo,
Member (External)
