**Case No. 11 of 2023**

**Petition of Maharashtra State Electricity Transmission Company Ltd. seeking clarification/modification/removal of difficulties/issuance of Practice Directions under MERC Supply Code Regulations, 2021**

Maharashtra State Electricity Transmission Company Limited (MSETCL). : Petitioner

Maharashtra State Electricity Distribution Company Ltd. (MSEDCL) : Respondent

**Appearance:**

For the Petitioner : Adv. Deepa Chavan(Adv.)

For the Respondents : Mr. Kiran Gandhi (Adv.)

**Daily Order**

The advocate for the Petitioner stated that through present Petition, it is seeking certain clarification in respect of applicability of MERC (Electricity Supply Code and Standards of Performance for Distribution Licensees, including Power Quality) Regulations, 2021 to transmission licensee and other allied issues.

The Commission pointed out that on similar issues, MSETCL has already challenged the Commission's Order dated 2 September 2022 in Case No. 62, 63 and 64 of 2022 before APTEL (Appel No. 285 of 2023) which is sub-judice before APTEL. Therefore, it would be appropriate to wait for the outcome of the said Appeal. Parties have agreed for the same.

On the request, the Commission allowed the liberty to the Petitioner to approach the Commission if they faced any issue in the implantation of the Regulations.

**Next date of hearing will be intimated separately by the Secretariat of the Commission.**
