CASE NO. OF 2022

IN THE MATTER OF:

Petition under Sections 14 and 15 of Electricity Act, 2003 read with Maharashtra Electricity Regulatory Commission (General Conditions of Distribution License) Regulations, 2006 read with Distribution of Electricity License (Additional Requirements of Capital Adequacy, Creditworthiness and Code of Conduct) Rules, 2005, as amended from time to time, for grant of Distribution License over the geographic area of Vasai Virar Municipal Corporation (VVMC) and surrounding areas, Kalyan Dombivli Municipal Corporation (KDMC), Ulhasnagar Municipal Corporation (UMC), Thane Municipal Corporation (TMC) [excluding Distribution Franchisee Area], Ambernath Municipal Council (AMC) and surrounding areas, in the State of Maharashtra

AND

IN THE MATTER OF

Torrent Power Limited,
Samanvay, 600, Tapovan,
Ambawadi, Ahmedabad – 380015 … Petitioner

P E T I T I O N

Torrent Power Limited ("**TPL**"/ "**Petitioner**") most respectfully submits as under:

I. Introduction

1. TPL is filing the present petition for grant of Distribution License to TPL as detailed in the present petition under:

(a) Sections 14 and 15 of Electricity Act, 2003 ("**Electricity Act**") read with

(b) This Hon'ble Commission's General Conditions of Distribution License Regulations, 2006 ("**Distribution Licence Regulations**") and

(c) Distribution of Electricity License (Additional Requirements of Capital Adequacy, Creditworthiness and Code of Conduct) Rules, 2005, as amended from time to time ("**3C Rules**")

The License Application Form as required under the MERC (General Conditions of Distribution License) Regulations, 2006 is enclosed herewith at **Enclosure – I**.

2. TPL is a company incorporated under the Companies Act, 1956 and is one of the leading private sector companies in the Power Sector. TPL has a strong presence across the entire value chain of generation, transmission and distribution of electricity. In distribution, TPL is widely considered as a leading distribution licensee in the country with a proven track record.

3. In this regard, it is pertinent to note the following:

(a) TPL has demonstrated its operational and commercial expertise by bringing a turnaround in the performance of erstwhile distribution utilities of the Surat Electricity Company Ltd. (SEC) and the Ahmedabad Electricity Company Ltd. (AEC). The Torrent Group took over the operations of SEC and AEC in the year 1996 and 1998, respectively, and pursuant thereto has brought in efficiency in the operations of these two utilities.

(b) Necessary investments made by TPL in the distribution network has ensured reliable and quality power supply to its consumers in Ahmedabad, Gandhinagar and Surat license areas.

(c) TPL has reduced the distribution losses in Ahmedabad, Gandhinagar and Surat license through robust Metering & Billing Systems along with controlling pilferage of electricity.

(d) TPL has taken several initiatives in consumer interest, including proactive customer services i.e., introducing Comprehensive Consumer Portal and Mobile App, Concept of Plug Point, Creation of Key Account Cell for High Value Consumers, etc. The excellence of TPL's operations has also been recognised by the Ministry of Power, Government of India

(e) TPL has created world class power distribution infrastructure in its areas of operation, including the creation of extensive underground network. This coupled with its operational excellence has achieved availability of above 99.9% and distribution losses of 3.93%, which are comparable to global benchmarks

4. TPL has been appointed as a distribution franchisee in:

(a) Bhiwandi and Shil, Mumbra & Kalwa (SMK) areas of Maharashtra [where Maharashtra State Electricity Distribution Company Limited ("**MSEDCL**") is the distribution licensee], and

(b) Agra, Uttar Pradesh [where Dakshinanchal Vidyut Vitran Nigam Ltd. Is a distribution licensee].

As a distribution franchisee TPL has made significant improvements in reducing commercial and distribution losses by improving billing and collection efficiency, revamping of the distribution network, improving metering system and other commercial measures such as establishment of state-of-the-art consumer call centres et al. It is submitted that, Bhiwandi Distribution Franchisee is a first of its kind model in the country, where a private sector power utility has been appointed as a distribution franchisee by a state owned and controlled distribution licensee.

5. TPL has also recently taken over the operations of the Union Territory of Daman and Diu and Dadra and Nagar Haveli. Further, TPL supplies about 17 billion units of electricity to more than 4 million consumers in Ahmedabad, Gandhinagar, Surat and Dahej SEZ in Gujarat and in Bhiwandi & SMK in Maharashtra and Agra in Uttar Pradesh. In Daman and Diu and Dadra and Nagar Haveli, TPL is having sales of about 10 billion units. This clearly demonstrates that TPL has considerable experience successfully operating as a distribution licensee.

6. Therefore, basis its past experience as a distribution licensee in Gujarat and as a distribution franchisee in parts of Maharashtra and Uttar Pradesh TPL has the experience and necessary expertise of operating/ carrying out the functions of a distribution licensee in Maharashtra.

II. Details of Proposed Licence Area

7. TPL is seeking grant of Distribution License with respect to the geographic area of Vasai Virar Municipal Corporation ("**VVMC**") and surrounding areas, Kalyan Dombivli Municipal Corporation ("**KDMC**"), Ulhasnagar Municipal Corporation ("**UMC**"), Thane Municipal Corporation ("**TMC**") excluding Distribution Franchisee ("**DF**") area, Ambernath Municipal Council ("**AMC**") and surrounding areas of Wada Taluka and Palghar Taluka [collectively, "**Proposed Licence Area**"]. It may be noted that boundary of KDMC area is geographically continuous with TMC through the water body as depicted in the Map annexed at **Annexure – 9.** It is pertinent to note that the Proposed License Area excludes the geographic area of Bhiwandi and SMK (Shil, Mumbra and Kalwa) DF till the continuation of subsisting DF agreement between TPL and MSEDCL. Presently, the same is therefore not included within the ambit of this Petition.

8. In this regard, the following details of the Proposed Licence Area is noteworthy:

(a) Palghar, the 36th district of the state of Maharashtra, came into existence on 01.08.2014, by dividing the country's largest Thane district. It is approximately 111 kilometres away from the state capital Mumbai and is 98 kilometres from the union territory Daman. Vasai-Virar city is the only metropolitan city (having population more than 10 lakh) in Palghar district, having Municipal Corporation (i.e., VVMC). The city is well connected to Mumbai by Western Railway and through Mumbai-Ahmedabad National Highway. The city of Vasai-Virar has significant growth potential due to its proximity to Mumbai and Thane. Wada is one of the eight talukas of Palghar district in the Konkan division of Maharashtra.

(b) KDMC includes the twin cities of Kalyan and Dombivli. Kalyan has a historical background having Durgadi Fort whereas Dombivli is known as city of educated Maharashtrian middle class.

(c) Ambernath Municipal Council ("**AMC**") covers the city of Ambernath. Ambernath is famous for an ancient Shiv Mandir and an Ordnance Factory.

(d) The city of Thane is situated on the western banks of Thane creek with Parsik hills on the east and Yeour hills on the west. Besides being the stamping ground of the pre-historic tribes, Thane has a rich cultural heritage, mythological background, followed by a large number of events of historical importance and archaeological collectives that have contributed to its rich history. The Thane Municipal Corporation ("**TMC**") was established on 01.10.1982. One of the major projects undertaken by TPC is the Integrated Road Development project.

(e) The city of Ulhasnagar was established as a relief camp for refugees of the partition. It has grown across both sides of the Ulhas River.

III. Submissions

9. It is submitted that TPL's primary objective is to provide world class reliability and quality power supply to the consumers of the Proposed License Area. TPL's existing presence in Maharashtra will help create better value proposition for the end consumers. Electricity shall be received from the transmission licensee and TPL shall distribute it across 33kV, 11kV, and LT level voltages.

10. At present the Proposed Licence Area is being served by MSEDCL. Therefore, TPL proposes to be the parallel distribution licensee and seeks to hold the Distribution License in terms of 6th Proviso to Section 14 of the Electricity Act.

11. The 6th Proviso of Section 14 of the Electricity Act empowers the Hon'ble Commission to grant license to two or more persons for distribution of electricity within the same area of supply. The relevant extract is as under:

> *"**Section 14. (Grant of licence):***
>
> *The Appropriate Commission may, on an application made to it under section 15, grant a licence to any person -*
>
> *(a) to transmit electricity as a transmission licensee; or*
>
> *(b) to distribute electricity as a distribution licensee; or*
>
> *(c) to undertake trading in electricity as an electricity trader,*
>
> *in any area as may be specified in the licence:*
>
> *...*

Provided also that the Appropriate Commission may grant a licence to two or more persons for distribution of electricity through their own distribution system within the same area, subject to the conditions that the applicant for grant of licence within the same area shall, without prejudice to the other conditions or requirements under this Act, comply with the additional requirements relating to the capital adequacy, credit-worthiness, or code of conduct as may be prescribed by the Central Government, and no such applicant, who complies with all the requirements for grant of licence, shall be refused grant of licence on the ground that there already exists a licensee in the same area for the same purpose:"

12. Based on the above, it is apparent that license can be issued to an entity, other than the incumbent licensee, in case the proposed licensee complies with the additional requirements prescribed by the Central Government in relation to capital adequacy, creditworthiness and code of conduct. In this regard, the Central Government has notified the 3C Rules, as amended from time to time, which provides for additional requirements as regards capital adequacy, creditworthiness and code of conduct.

13. TPL has filed enclosed license application for VVMC and surrounding areas, KDMC, UMC, TMC excluding DF area, and AMC and surrounding areas. Accordingly, it is submitted by TPL that it duly satisfies the criteria laid down under Rule 3 of the 3C Rules, as amended from time to time. Certificates of net worth and Internal Resource Generation of business and promoters in the preceding three years is placed as **Enclosure – II** and **III** respectively, to the present Petition. The solvency certificate of TPL is annexed hereto and marked as **Annexure – 6**. Additionally, undertaking in compliance of Regulation 4 of the Distribution License Regulations is annexed hereto and marked as **Annexure – 6A**. The credit rating certificate of TPL is placed as **Enclosure – IV**.

14. Further, TPL has also enclosed herewith the undertaking in compliance with Rule 4 of the Distribution of Electricity Licence (Additional Requirements of Capital Adequacy, Creditworthiness and Code of Conduct) Rules, 2005 at **Enclosure – V**.

15. The Hon'ble Commission has defined the network rollout plan in the Distribution License Regulations. Accordingly, TPL has enclosed herewith the detailed network rollout plan at **Annexure – 8**. TPL's current network rollout plan ensures that laying of network will be done to ensure supply to all categories of

consumers including the category of consumers with lowest consumption. TPL shall comply with the plan, as duly approved by this Hon'ble Commission.

16. TPL shall also comply with the Regulations, practice directions, orders, etc. of this Hon'ble Commission, as applicable to TPL, and submit the detailed project reports based on the approved network rollout plan.

17. In view of the detailed application form read with business plan furnished by TPL, it is evident that TPL is eligible for grant of distribution license for the Proposed License Area in terms of 6^{th} Proviso of Section 14 read with Section 15 of the Electricity Act, 2003 read with the 3C Rules notified by the Central Government.

18. TPL craves leave to furnish any further information/ data/ documents, if required, at a later stage, in the interest of justice. It is submitted that the present petition is bonafide and made in the interest of justice.

PRAYERS

19. In view of the above facts and circumstances, TPL most respectfully prays that this Hon'ble Commission may most graciously be pleased to:

(a) Admit and allow the present Petition,

(b) Grant license to TPL, in terms of Sections 14 and 15 of the Electricity Act, 2003, to establish its distribution network and supply electricity in the Proposed Licence Area i.e. Vasai Virar Municipal Corporation (VVMC) and surrounding areas, Kalyan Dombivli Municipal Corporation (KDMC), Ulhasnagar Municipal Corporation (UMC), Thane Municipal Corporation (TMC) excluding Distribution Franchisee (DF) Area, Ambernath Municipal Council (AMC) and surrounding areas, in the map of the proposed geographical area of supply (Annexure – 9),

(c) Allow TPL to make additions/ alterations/ changes/ modification to the submissions, as required.

(d) Condone any inadvertent omissions/ errors/ shortcomings.

(e) Grant any other relief(s) as it deems fit and appropriate under the circumstances of the case and in the interest of justice.

PART A: GENERAL INFORMATION

1.	Name of Distribution Licensee to appear on Licence	Torrent Power Limited
2.	Primary Contact:	
	a. Name	Chetan Bundela
	b. Designation	Vice President
	c. Contact Address	"Samanvay", 600, Tapovan Ambawadi, Ahmedabad-380015
	d. Phone Number	079- 26628000 / 26628515
	Fax Number	079-2676 4159
	E-mail address	chetanbundela@torrentpower.com
3.	Full name of Applicant	Torrent Power Limited
4.	Registration number under applicable statute:	L31200GJ2004PLC044068
5.	Date of incorporation and registration:	29th April, 2004
6.	Address of Registered office	"Samanvay", 600, Tapovan Ambawadi, Ahmedabad-380015
7.	Details of Ownership	
	a. Company / Firm / Association of persons / Co-operative Society / Others (specify)	Company
	b. Company Incorporation / Registration	
	• Place of Incorporation / Registration	Ahmedabad, Gujarat, India
	• Year of Incorporation	2004
	• Registration Number	L31200GJ2004PLC044068
8.	Name and address of Directors / Principal Shareholders / Partners / Members, Names of promoters, along with their respective ownership pattern / shareholding pattern.	• Name and address of Directors of Torrent Power Limited is enclosed at **Annexure-1** • Name of promoters along with shareholding pattern is enclosed at **Annexure-2**

PART B: CORPORATE, FINANCIAL AND TECHNICAL INFORMATION

Documents (attested copies) to be submitted along with the Licence application:

1. **Memorandum and Articles of Association (in case of a company) as in force on the date of application / Deed of partnership (in case of a partnership firm) as in force on the date of application / similar organization Documents / deed or charter of incorporation, if any (in other case) as in force on the date of application.**

   The applicant being a Company, the Memorandum and Articles of Association are enclosed at **Annexure-3.**

2. **An organization chart detailing the management structure of the Applicant, which shall include information (in respect of operations, projects, commercial, finance, regulatory IT and HR functions):**

   Proposed function wise organization chart pertaining to Torrent Power Limited (TPL) is enclosed as **Annexure-4**.

   a. **Senior Executive Management (along with curriculum vitae)**

      Details of Senior Executive Management in respect of Operations, Projects, Commercial, Finance, Regulatory, IT and HR function is enclosed as **Annexure-4**.

   b. **Board of Directors**

      Details of the Board of Directors for TPL (Applicant) are provided in **Annexure-4A**.

   c. **Number of middle / lower management personnel:**

      Depending upon requirement, TPL shall engage adequate skilled personnel at the middle and lower management for the proposed license. As per the existing practices followed by TPL at its present license and franchise locations, TPL shall also engage experienced and qualified vendors for smooth execution of various works in the proposed license area.

   d. **Relationship (including intending relationship, where applicable between the Applicant and key service providers in terms of the management and running of the Electricity Distribution Business, including the details of all existing or intended management agreements or technical service agreements between key service providers, their associates and the Applicant. Copies of any such draft or executed agreements should be provided as an attachment to the application for grant of Licence.**

      TPL has been operating in number of Distribution Areas and possesses requisite experience to manage and run the distribution business. TPL has furnished the technical, Commercial and Financial details for last 5 years in prescribed Format in Part-C (1) of the Application Form. Given TPL's experience and available human resources, TPL shall engage necessary manpower as well as avail services of consultants, manufacturers and services providers as may be required.

3. Details of Income Tax PAN / TAN:

   The details of PAN and TAN are enclosed at **Annexure-5.**

4. Details of import Licence, if any.

   Not applicable

5. Bank references asserting that the Applicant is financially solvent.

   Solvency certificate of TPL is attached as **Annexure-6**.

6. Annual Audited Reports for the past 3 years for the Applicant and for any Holding Company, Subsidiary or affiliated company (if any).

   The Annual Reports of TPL for FY 2019-20 to FY 2021-22 is enclosed as **Annexure-7**.

7. Any other documentary evidence to substantiate the financial capabilities, technical competence and others.

   Annual Reports attached with this application consist necessary financial details. The details for technical competence is also provided in **Annexure-7**.

8. Details of the actual or proposed location of the system of electric lines and electrical plant by means of which the applicant intends to enable distribution of electricity, indicating which plant and lines are to be constructed and which are existing plant and liens, and the area to which the application for Licence relates.

   The proposed Business Plan prepared on the basis of various parameters is attached herewith at **Annexure-8**. The same includes details of network to be laid to enable distribution of electricity.

9. Detailed electrical distribution map or maps of the proposed geographical area of supply, on a scale of not less than 10 centimeters to a kilometer, or if no such maps are available, of not less than that of the largest scale of ordnance maps, available, depicting the proposed distribution system of the applicant (including information on substations and configuration of the system). The map shall clearly distinguish between the existing system and new facilities that shall be required for meeting the obligation under the licence and shall indicate:

   Map of the proposed geographical area of supply is attached at **Annexure-9**.

   a. List of the whole or any part of any cantonment, aerodrome, fortress, arsenal, dockyard or camp or any building or place in the occupation of the Government for defence purposes located within the proposed area of supply.

List of the whole or any cantonment, aerodrome, fortress, arsenal, dockyard or camp, etc. is attached at **Annexure-10**.

b. Names of streets or parts of streets which are repairable by a person other than the Central Government, State Government or local authority and of railways, tramways, canals and waterways for which the applicant has obtained authorization to undertake works.

   As of now, no such streets or part of streets are identified. However, TPL shall obtain necessary approval / authorization required to undertake works.

c. A list of all local authorities vested with the administration of any portion of the area of distribution.

   List of all local authorities vested with the administration of any portion of the area of distribution is attached at **Annexure-11**.

d. An approximate Statement describing any lands, which the Applicant proposes to acquire under the provisions of Land Acquisition Act, 1894 (Act1 of 1984) for the purpose of the Licence and the means of such acquisition.

   Currently, no such acquisition is proposed. The required land shall be identified and acquired based on various parameters to ensure establishment of necessary distribution network to cater the requirement.

10. Data relating to the Applicant's Proposed Business:

    a. Business Plan (with 5 years projection) for the proposed business for which licence is sought (which should contain year wise load growth, year wise distribution loss reduction proposal along with specific action plan, metering plan, investment plan (including investment in Generating Stations or a Trading Company), treatment of previous losses, debt restructuring plan, program for rural electrification, cost reduction plan, projected profit and loss account, projected balance sheets, projected cash flow statements and projected important financial parameters).
    b. Five year annual forecasts of costs, sales, revenues, project financing and funding arrangements (clearly specifying assumptions involved).
    c. Indicative investment plan and Network rollout plan for the next five years, detailing year-wise and area-wise rollout of the distribution system.

    The details as sought above are captured in the proposed Business Plan, attached at **Annexure-8**.

11. Copy of Receipt evidencing payment of licence application processing fee.

    The copy of receipt evidencing payment is enclosed at **Annexure-12**.

12. Supporting information on compliance with the additional requirements prescribed by the Central Government, as may be applicable.

    TPL has provided the requisite details at **Enclosure II, III, IV and V** of the Petition.

I / We certify that the particulars submitted herewith are true, complete and correct, to the best of my / our knowledge and belief at the time of submission and does not contain any untrue statement of a material fact or omits to state a material fact necessary to make the statement / particulars contained herein not misleading.

2. **Details of Proposed Project (Business for which Licence is sought)**

[To be filled in by the applicant or by each participant separately in case of JVC/consortium (As applicable)]

(i) Is the applicant acquiring Existing Assets or Creating New Assets?

The applicant proposes to create new assets for the distribution business in the proposed area .

(ii) Acquiring of Existing Assets / Construction of New Assets

Funding	
Proposed means of Finance *Equity (Rs. Lakhs)* *Applicant* *Co-promoters* *Other* (specify) *Debt* *Domestic (Rs. Lakhs)* *Indian Financial Institutions* *Commercial Banks* *Others* (specify) *International (FC Million)* *Supplier's Credit* *Direct Borrowing* *Others* (specify) *Equivalent INR (with Exchange rate used)* *Others* (specify)	The details are captured in Proposed Business Plan at **Annexure-8. (Page No. 1449)**

In case Asset Procurement / Project is proposed to be jointly funded by an External Agency *Name and Address of the Agency, and contact details of the reference person of the Agency (name, address, telephone/fax numbers, email etc.,)* *Proposed Equity from the Agency (Rs. Lakhs)* *Agency's equity as a percentage of total equity (%)* *Nature of proposed tie-up between Applicant and the other agency.*	No
Details of debt proposed for the Asset Procurement / Project *Details of Lenders (name & address).* *Details of Loan packages indicating the loan amount, currency, Term of loan, interest rate, up-front fees, Commitment charges etc.* *Whether any guarantee is being sought for the loans from any agency.* *If Yes, provide details*	The details are captured in Proposed Business Plan at **Annexure-8. (Page No. 1449)**

(iii) For Applicants creating New Assets

EPC	
Whether the Applicant is proposing to employ an EPC Contractor. *If Yes, Name, Address and contact details of the same.* *Proposed Contract Value* *Foreign Currency* *Equivalent INR (with Exchange rate used)*	*No*

(iv) For Applicants employing other contractors

Other Contracts	
Whether the Applicant is proposing to employ any Contractor for Operation and Maintenance work. *If Yes, Name, Address & contact details of the same.* *Period of the Contract.* *Details of the experience of the O&M contractor in similar business*	*No*

Note :

Consent letters of the other Agency and Contractors to associate with the Applicant for the above project to be enclosed.

Necessary approvals and no objections to be obtained at appropriate time and forwarded to the Commission.

3. Appropriate Expertise(Personnel)

Name of Personnel	*Qualification*	*Specialisation*	*Years of Experience*	*Status in the Firm*

Note : At least one full time professional, having experience in each of the following disciplines like Power Systems Operation, Finance should be part of the Core team.

The details of Personnel with Appropriate Expertise is enclosed at **Annexure-14.**

4. Revenue Potential (Business for which licence is sought)

General Information	
In case of acquired assets *Quantum energy distributed during previous financial year (MU)* *Expected life of assets acquired (in years)*	Not Applicable
In case of construction of new Assets *Quantum energy distributed during previous financial year on parallel network already existing (MU)*	The details are captured in Proposed Business Plan at **Annexure-8.**

Consumer Base (Nos.) EHT *HT Industrial LT* *Industrial* *Commercial* *Domestic* *Agricultural* *Others* (specify)	The details are captured in Proposed Business Plan at **Annexure-8**.

Sale of Electricity *Expected Quantum (MU)* *Anticipated growth in demand (%)*	The details are captured in Proposed Business Plan at **Annexure-8. (Page No. 1439)**
Commercial Information	
Average Tariff (Rs. / Unit) *EHT* *HT Industrial* *LT Industrial* *Commercial* *Domestic* *Agricultural* *Others* (specify)	TPL shall propose the tariff in line with the Electricity Act and relevant MERC regulations as per the MERC MYT once the licence is granted.
Revenue *Realization (Rs. Lakhs)* *Collection Efficiency (%)*	The details are captured in Proposed Business Plan at **Annexure-8. (Page No. 1449)**
Financial Information	
Capital Base (Rs. Lakhs) *Annual Expected Turnover (Rs. Lakhs)*	The details are captured in Proposed Business Plan at **Annexure-8**. **(Page No. 1449)**

5. Financial Soundness (other Subsidiary Business Units)

[To be filled in by the applicant or by each participant separately in case of JVC/consortium (As applicable)]

The requisite financial details are provided in Annual Reports provided in Annexure-7.

General Information	
Names of Subsidiary Business Units	*Products Manufactured / Services*
1. *2.* *3.* *4.* *5.*	*1.* *2.* *3.* *4.* *5.*

(Details of subsidiary Companies is captured at Page No. 1313 as a part of Annexure 7)

Financial Indicators	*Year 1*	*Year 2*	*Year 3*	*Year 4*	*Year 5*
Fixed Assets *Gross Fixed Assets* *Accumulated Depreciation* *Net Fixed Assets*					
Equity *Promoters'* *Government / Financial* *Institutions* *Public* *Others*					
Liabilities *Long Term* *Short Term*					

Income *Sale of Power* *Others* (specify)					
Expenses *Administration and General Expense* *Repairs and Maintenance* *Employee Cost* *Depreciation* *Interest and Financial Charges* *Long Term* *Short Term* *Others* (specify)					
Financial Indicators	*Year 1*	*Year 2*	*Year 3*	*Year 4*	*Year 5*
Overall Turnover (Rs. Lakhs)					
Profits and Returns (Rs. Lakhs) *Net Profits* *Dividends Paid*					
Operating Ratios *Return on Equity* *Return on Capital Employed* *Return on Net Fixed Assets*					
Liquidity Ratio *Debt Service Coverage Ratio* *Current Ratio* *Quick Ratio*					

Capital Adequacy and Credit worthiness *Debt / Networth* *Debt / Equity*					
Turnover Ratio *Total Asset Turnover* *Fixed Asset Turnover*					

Details of Financial Indicators of TPL is captured at Page No. 622, 807, 880, 1070, 1310, and 1431 as a part of Annexure 7. Further, details of 5 years for Distribution Business of Ahmedabad and Surat is also furnished as a part of Part-C (1) of this Application Form.

6. Baseline Information (Business for which Licence is sought)

General Information	
Assets *Transformers (Nos.)* *630 KVA & above* *500 kVA* *250 kVA* *100 kVA* *63 kVA* *25 kVA* *10 kVA* *Others* *HT Line (Overhead) (Ckt. Kms)* *220 kV* *110 kV* *66 kV* *33 kV* *22kv* *11 kV* *LT Line (Ckt. Kms)* *440 Volts* *HT Cable (Underground)* *(Ckt. Kms)* *220 kV* *110 kV* *66 kV* *33 kV* *22kv* *11 kV* *LT cable (Ckt. Kms)* *440 Volts*	The details are captured in Proposed Business Plan at **Annexure-8.**

Commercial Information	
Metering Status *Metered Consumers (as a % of total Consumers)*	TPL will carry out distribution of electricity through 100% metering.
Billing Status *Billing (as a % of Total Input)*	Not Applicable
Revenue Realization *Revenue Realization per Unit Sale (Rs. /Unit)* *Collection Efficiency (%)*	The details are captured in Proposed Business Plan at **Annexure-8.**
Loss *Technical Loss (%)* *Commercial Loss (%)*	The details are captured in Proposed Business Plan at **Annexure-8.**

Note :

1. Certificates / documents in support of all the credentials detailed above, from the Owner / Client for whom the project were promoted should be submitted alongwith the application.

2. Wherever conversion factor is used (for currency conversion and others), mention the conversion factor used for this purpose.

ARTICLES OF ASSOCIATION

COMPANY LIMITED BY SHARES

(Incorporated under the Companies Act, 1956)

ARTICLES OF ASSOCIATION

OF

TORRENT POWER LIMITED

This Articles of Association was adopted pursuant to the members' resolution passed at the Annual General Meeting of the Company held on 4th August, 2015 in substitution for, and to the entire exclusion of, the extant Articles of Association of the Company.

TABLE F EXCLUDED

1. a. The regulations contained in Table "F" in the Schedule I to the Companies Act, 2013 (Table 'F'), as are applicable to a public company limited by shares, shall apply to the Company, so far as they are not inconsistent with any of the provisions contained in these Articles or modifications thereof and only to the extent that there is no specific provision in these Articles. In case of any conflict between the provisions of these Articles and Table 'F', the provisions of these Articles shall prevail. **Table 'F' not to apply**

b. The regulations for the management of the Company and for the observance by the members thereto and their representatives, shall, subject to any exercise of the statutory powers of the Company with reference to the deletion or alteration of or addition to its regulations by resolution as prescribed or permitted by the Companies Act, 2013, be such as are contained in these Articles. **Company to be governed by these Articles**

INTERPRETATION

2. I. In the interpretation of these Articles, unless repugnant to the subject or context: –

a) "Act" means the Companies Act, 2013 and the rules made there under or any statutory modification or re-enactment thereof for the time being in force and the term shall be deemed to refer to the applicable section thereof which is relatable to the relevant Article in which the said term appears in these Articles and any previous company law, so far as may be applicable. **Act**

b) "Articles" means these Articles of Association of the Company or as altered from time to time. **Articles**

c) "Board of Directors" or "Board" means the Directors of the Company collectively including acting by circular under these Articles and shall include Committees thereof **Board of Directors or Board**

d) "Beneficial Owner" shall mean beneficial owner as defined in the Depositories Act, 1996. **Beneficial Owner**

e) "Company" means Torrent Power Limited. **Company**

f) "Depositories Act" means the Depositories Act, 1996 and shall also include rules made thereunder, if any, and any statutory modifications or re-enactment thereof for the time being in force. **Depositories Act**

g) "Depository" shall mean a Depository as defined under the Depositories Act. **Depository**

h) "Director" means a director appointed to the Board of the Company. **Director**

i) "Executor" or "Administrator" means a person who has obtained probate or Letters of Administration, as the case may be, from a competent Court, and shall include the holder of a succession certificate authorising the holder thereof to negotiate or transfer the shares of the deceased members and shall also include the holder of a certificate **Executor or Administrator** granted by the Administrator- General of any State in India.

j) "In writing" or "written" means and includes words printed, lithographed, represented or reproduced in any mode in a visible form and shall also include e-mail, and any other form of electronic transmission. **In Writing or Written**

k) "Legal Representative" means a person who in law represents the estate of a deceased Member. **Legal Representative**

l) "Meeting" or "General Meeting" means a meeting of Members held in accordance with the Act. **Meeting or General Meeting**

m) "Office" means the registered office for the time being of the Company and with respect to the keeping and inspection of registers and returns and other matters mentioned in the Act and includes any other place as prescribed by the Act. **Office**

n) "Seal" means the common seal of the Company; **Seal**

o) "Securities" shall mean securities as defined under the Securities Contracts (Regulation) Act, 1956, or any modifications or re-enactments thereof for the time being in force and includes hybrids. **Securities**

p) "Shareholder" or "Member" means the duly registered holder from time to time of the shares of the Company and includes the subscribers to the Memorandum of Association of the Company and the Beneficial Owner, whose name is recorded as such with the Depository. **Shareholder or Member**

II.

a) Words importing the singular number include where the context admits or requires the plural number and *vice-versa* and words importing the masculine gender also include the feminine and neuter genders. **Singular/ Plural and Gender**

b) The headings and marginal notes hereto are inserted for convenience only and shall not affect **Headings** the construction hereof.

III. Unless the context otherwise requires, words or expressions contained in these Articles shall bear the same meaning as in the Act. **Expressions in the Articles to bear the same meaning as in the Act**

IV. The Company shall, on being so required by a Member, send to him a requested copy of the Memorandum of Association, Articles and/or resolutions altering Memorandum of Association and Articles of the Company within prescribed time and subject to the payment of fee as may be specified in the Act. **Copies of the Memorandum and Articles to be furnished**

SHARE CAPITAL & VARIATION OF RIGHTS

3. The Authorised Capital shall be as stated in the Clause V of the Memorandum of Association of the Company with power to the Board, subject to applicable statutory provisions, to re-classify, subdivide, consolidate or increase and with power from time to time, to issue any share of the original capital or any new capital with and subject to any preferential, qualified or special rights, privileges, or conditions as may be, thought fit and upon the sub-division of shares to apportion the right to participate in any manner as between the share resulting from such sub-division. **Authorised Capital**

ii. several certificates, each for one or more of his shares, not in marketable lot, upon payment of twenty rupees or such charges as may be fixed by the Board for each certificate after the first.

b) Every certificate shall have distinctive number and shall be issued under the Seal, if any, and shall specify the shares to which it relates and the amount paid – up thereon and shall be in such form as may be prescribed and approved by the Board. **Form of Certificate**

c) In respect of any shares held jointly by several persons, the Company shall not be bound to issue more than one certificate, and delivery of share certificate to one of several joint holders shall be sufficient delivery to all such holders. **One certificate for shares held jointly**

d) If any certificate is lost or destroyed or defaced, mutilated or torn or has no further space on the back thereof for endorsement of transfers then in case of a lost or destroyed certificate upon proof to the satisfaction of the Board as to its loss or destruction and on such indemnity as the Board deem adequate being given and in other cases, upon surrender of the certificate to the Company, a new certificate in lieu thereof shall be given to the person entitled to such certificate. Any new or renewed certificate may be marked as such. The out of pocket expenses incurred by the Company in investigating the evidence as to the loss or destruction shall be paid to the Company. No fee shall be charged for issue of new certificates in replacement of those which are old, decrepit or worn out or where the cages on the reverse for recording transfers have been utilised fully.

Issue of new certificate in place of the one defaced, lost, destroyed, etc.

Where a new certificate has been issued as aforesaid, particulars of every such certificate shall be entered in a register of Renewed and Duplicate Share Certificates indicating against the name of the person to whom the certificate is issued. All entries made in the said Register shall be authenticated by the company secretary or Chief Financial Officer or such other person as may be authorised by the Board.

e) The Board may, subject to the provisions of the Act, accept the surrender of any share from or by any shareholder desirous of surrendering those on such terms as they think fit.

Surrender of share certificates

f) A person subscribing to shares offered by the Company shall have the option either to receive certificate for such shares or hold such shares in a dematerialized form with the Depository. Where a person opts to hold any share with the Depository, the Company shall intimate such Depository the details of allotment of the share to enable the Depository to enter in its records, the name of such person as the Beneficial Owner of that share.

Option to receive share certificate or hold shares with Depository

13. Notwithstanding anything contained in these Articles, the Company shall be entitled to dematerialise its existing shares, rematerialize its shares held in the Depositories and/or to offer its fresh shares in a dematerialized form pursuant to the Depositories Act.

Company entitled to dematerialize/ re-materialise its shares

14. Save as herein or by laws otherwise expressly provided, the Company shall be entitled to treat the registered holder/Beneficial Owner of any share as the absolute owner thereof, and accordingly shall not, except as ordered by a Court of competent jurisdiction, or as by statute required, be bound to recognize any benami trusts whatsoever or equitable, contingent, future, partial or other claim to or interest in such share on the part of any other person whether or not it shall have express or implied notice thereof.

Beneficial owner deemed as absolute owner

15. Subject to the provisions of the Act, any debentures, debenture-stock, bonds or other Securities may be issued at a discount, premium or otherwise, and on condition (with the consent of the Company in General Meeting) that they may have a right to allotment of or be convertible into shares of any denominations, and with any special privileges and conditions as to redemption (or being irredeemable), surrender, drawings, re-issue, attending at General Meeting of the Company, appointment of Directors, and otherwise, provided that no debentures, debenture stock, bonds or other securities may be issued carrying voting rights.

Terms of issue of debentures, etc.

Further, the Company shall have power to reissue redeemed debentures in certain cases as provided in the Act.

A contract with the Company to take up and pay any debentures of the Company may be enforced by a decree for specific performance by the Company.

The Company shall comply with the provisions of appointment of Debenture Trustees, creation of Debenture Redemption Reserve and other applicable provisions of the Act or as may be specified by any other applicable law pertaining to issue and redemption of debentures.

16. a) The Company may exercise the powers of paying commission conferred by the Act or any other applicable law, to any person in connection with the subscription of any securities, provided that the commission paid or agreed to be paid shall be disclosed in the manner required by the Act or any other applicable law. **Power to pay commission in connection with securities issued**

The Company shall not pay any commission to any underwriter on securities which are not offered to public for subscription.

b) The rate or the amount of the commission shall not exceed the rate or amount prescribed in the Act or any other applicable laws. **Rate of commission in accordance with Act**

c) The commission may be satisfied by the payment of cash or in shares or any other Security (whether fully paid or otherwise) or in any combination thereof. **Mode of payment of commission**

d) Nothing in this clause shall affect the power of the Company to pay such brokerage as it may consider reasonable. **Payment of Brokerage**

17. a) If at any time the share capital is divided into different classes of shares, all or any rights and privileges attached to any such class (unless otherwise provided by the terms of issue of the shares of that class) may be varied, in accordance with the provisions of the Act, and whether or not the Company is being wound up. **Variation of Member's rights**

b) The rights conferred upon the holders of the shares of any class issued with preferred or other rights or privileges shall, unless otherwise expressly provided by the terms of the issue of **Issue of further shares not to affect rights of existing members** shares of that class, be deemed not to be modified, commuted, affected, abrogated, dealt with or varied by the creation or issue of further shares of that class ranking *pari passu* therewith.

18. In addition to and without derogating from the powers for the purpose conferred on the Board under these Articles, the Company may issue securities, in any manner whatsoever, including by way of preferential offer to any person, subject to the provisions of the Act. **Preferential Allotment**

19. Subject to the provisions of the Act, the Company may issue or re-issue preference shares of one or more classes which are liable to be redeemed, or converted to equity shares, on such terms and conditions and in such manner as determined by the Board. **Power to issue preference shares**

20. a) The Company may, in accordance with the Act, issue further shares to – **Further issue of share capital**

i. Persons who, at the date of offer, are holders of equity shares of the Company; in proportion as nearly as circumstances admit, to the capital paid up on those shares at that date. Such offer shall be deemed to include a right exercisable by the person concerned to renounce the shares offered to him or any of them in favour of any other person; or
ii. employees under any scheme of employees' stock option; or
iii. any persons, whether or not those persons include the persons referred to in clause (i) or clause (ii) above.

b) Subject to and in accordance with the provision of the Act, a further issue of shares may be made in any manner whatsoever as the Board may determine including by way of preferential offer or private placement. **Mode of further issue of shares**

21. Except as specifically provided in these Articles, the provisions relating to Share Capital and Variation of Rights shall be applicable to shares **Provisions to apply to shares in electronic form**

held in electronic form so far as they apply to shares in physical form however, subject to the provisions of the Depositories Act.

22. The provisions of these Articles relating to Share Capital and Variation of Rights thereon shall *mutatis mutandis* apply to debentures and other securities of the Company, as applicable **Provisions to apply mutatis mutandis to debentures, etc.**

23. The Board shall comply with such Rules or Regulations or requirements of any Stock Exchange or the rules made under Securities Contracts (Regulation) Act, 1956 or any other Act, or rules applicable for the purpose of these Articles. **Board to comply with applicable regulations**

LIEN

24. a) The Company shall have a first and paramount lien upon all the shares not being fully paid-up shares, registered in the name of each member (whether held solely or jointly) and upon the proceeds of sale thereof, for all moneys from time to time due or payable (whether presently payable or not) by him to the Company for calls made and all amounts or installments payable as provided by these Articles in respect of such shares and no equitable interest in any shares shall be created except upon the footing and condition that these Articles is to have full effect. **Company's lien on shares**

Provided that the Board may at any time declare any share to be wholly or in part exempt from the provisions of this Article.

b) The Company's lien, if any, on a share shall extend to all dividends or interest, as the case may be, payable and bonuses declared from time to time in respect of such shares for any money owing to the Company. **Lien to extend to dividends, Bonus etc.**

c) Unless otherwise agreed by the Board, the registration of a transfer of shares shall operate as a waiver of the Company's lien. **Waiver of lien in case of registration**

25. a) The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien: **Enforcing lien by sale**

Provided that no sale shall be made—

i. unless a sum in respect of which the lien exists is presently payable; or

ii. until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or to the person entitled thereto by reason of his death or insolvency or otherwise.

b) To give effect to any such sale, the Board may authorize some person to transfer the shares sold to the purchaser thereof. **Board may authorize**

c) The purchaser shall be registered as the holder of the shares comprised in any such transfer. **Purchaser to be registered holder**

26. a) The receipt by the Company of the consideration (if any) given for the share on the sale thereof shall (subject, if necessary, to execution of an instrument of transfer or a transfer by relevant system, as the case may be) constitute a good title to the share and the purchaser shall be registered as the holder of the share. **Validity of Company's receipt**

b) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings with reference to the sale. **Purchaser's title not affected**

27. The proceeds of sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable and the residue (if any) shall, subject to a like lien for sums not presently **Application of proceeds of sale**

payable as existed upon the shares before the sale, be paid to the person entitled to the shares on the date of the sale.

28. In exercising its lien, no equitable interest in any shares shall be created except on the footing and condition that Article 14 hereof is to have full effect. **Outsider's lien not to affect Company's lien**

29. The provisions of these Articles relating to lien shall *mutatis mutandis* apply to any other securities including debentures of the Company. **Provisions to apply mutatis mutandis to debentures, etc.**

CALLS ON SHARES

30. a) The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times. **Board may make calls**

Provided that no call shall exceed such amount of the nominal value of the share as may be prescribed under the Act or be made payable within such period or further period as may be prescribed under the Act or any other applicable law.

b) All calls shall be made on a uniform basis on all shares falling under the same class. **Calls on shares of same class to be on uniform basis**

Shares of the same nominal value on which different amounts have been paid-up shall not be deemed to fall under the same class.

c) Each member shall, subject to receiving at least fourteen days' notice specifying the time and place of payment pay to the Company, at the time and place so specified, the amount called on his shares. **Notice of call**

d) A call shall be deemed to have been made at the **Call to take effect from** time when the resolution of the Board authorising the call was passed and may be made payable (including in instalments) by the members on a subsequent date or dates to be fixed by the Board. **the date of resolution**

e) The Board may from time to time at its absolute discretion extend the time fixed for the payment of any call in respect of one or more members as the Board may deem appropriate in any circumstances but no member shall be entitled to such extension save as a matter of grace and favour. **Board may extend time for payment**

f) A call, before the time for payment of such call, may be revoked or postponed at the discretion of the Board. **Revocation or postponement of call**

31. a) If a sum called in respect of a share is not paid before or on the day appointed for payment thereof (the "due date"), the person from whom the sum is due shall pay interest thereon from the due date to the time of actual payment at such rate of interest as may be fixed by the Board. **When interest on call or installment payable**

b) The Board shall be at liberty to waive payment of any such interest wholly or in part. **Board may waive interest**

32. a) Any sum which by the terms of issue of shares becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these Articles, be deemed to be a call duly made and payable on the date on which, by the terms of issue, such sum becomes payable. **Sums deemed to be calls**

b) In case of non-payment of such sum, all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified. **Effect of nonpayment of sums**

33. The Board – **Payment in anticipation of calls**

i. may, if it thinks fit, receive from any member willing to advance all or any part of the monies uncalled and unpaid upon any shares held by him; and

ii. upon all or any of the monies so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate of interest as may be fixed by the Board.

Nothing contained in this Article shall confer upon the member (i) any right to participate in profits or dividends or (ii) any voting rights in respect of the moneys so paid by him until the same would, but for such payment, become presently payable by him.

34. If by the conditions of allotment of any shares, the whole or part of the amount of issue price thereof shall be payable by installments, then every such installment shall, when due, be paid to the Company by the person who, for the time being and from time to time, is or shall be the registered holder of the share or the Legal Representative. **Installments on shares to be duly paid**

35. Neither a judgment nor a decree in favour of the Company for calls or other moneys due in respect of any shares nor any part payment or satisfaction thereof nor the receipt by the Company of a portion of any money which shall from time to time be due from any member in respect of any shares either by way of principal or interest nor any indulgence granted by the Company in respect of payment of any such money shall preclude the forfeiture of such shares as herein provided. **Partial payment not to preclude forfeiture**

36. On the trial or hearing of any action or suit brought by the Company against any member or his Legal Representatives to recover any moneys claimed to be due to the Company for any call or other sum in respect of his shares, it shall be sufficient to prove that the name of the member in respect of whose shares the money is sought to be recovered, appears entered on the Register of **Proof on trial or suit**

Members as the holder, or one of the holders, at or subsequent to the date at which the money sought to be recovered is alleged to have become due, on the shares in respect of which such money is sought to be recovered, and that the amount claimed is not entered as paid in the books of the Company or the Register of Members and that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the member or his Legal Representatives sued in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Director(s) who made such call, nor that a quorum of Directors was present at the meeting of the Board at which such call was made, nor that the meeting at which such call was made duly convened or constituted, nor any other matter whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debts, and the same shall be recovered by the Company against the member or his representatives from whom the same is sought to be recovered unless it shall be proved, on behalf of such member or his representatives against the Company that the name of such member was improperly inserted in the register, or that the money sought to be recovered has actually been paid.

37. The provisions of these Articles relating to calls shall *mutatis mutandis* apply to any other securities including debentures of the Company.

Provisions to apply mutatis mutandis to debentures, etc.

FORFEITURE OF SHARES

38. a) If a member fails to pay any call, or instalment of a call or any money due in respect of any share, on or before the day appointed for payment of the same or any such extension thereof or any interest due on such call or installment or any expenses that may have been incurred thereon, the Board may, at any time thereafter, during such time as any part of the call or installment or interest or expense remains unpaid or a

If call or instalment not paid notice must be given

judgement or decree in respect thereof remains unsatisfied in whole or in part, serve a notice in the manner hereinafter provided, on such member or his heir, Administrator, Executor, assignee or if none be known to the Company, then by advertisement requiring payment of so much of the call or instalment or other money as is unpaid, together with any interest which may have accrued and all expenses that may have been incurred by the Company by reason of non-payment.

For the purposes of the provisions of these Articles relating to forfeiture of shares, the sum payable upon allotment in respect of a share shall be deemed to be a call payable upon such share on the date of allotment.

b) The notice aforesaid shall - **Form of notice**

i. name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and

ii. state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.

c) If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. **In default of payment, shares to be forfeited**

d) When any share shall have been so forfeited, notice of the forfeiture shall be given to the member in whose name it stood immediately prior to the forfeiture or to any of his Legal Representatives, or to any of the persons entitled to the share by transmission and an entry of the forfeiture with the date thereof, shall forthwith be **Notice after forfeiture** made in the register of members but no forfeiture shall in any manner be invalidated by any omission or neglect or any failure to give such notice or make such entry as aforesaid.

e) A duly verified declaration in writing that the declarant is a Director, the manager or the company secretary or the Chief Financial Officer of the Company, and that the shares in the Company have been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. **Certificate of forfeiture**

39. a) The forfeiture of a share shall involve extinction, of all interest in and all claims and demands against the Company, in respect of the shares and all other rights incidental to the share except only such of those rights as by these Articles are expressly saved. **Effect of forfeiture**

b) Any share so forfeited shall be deemed to be the property of the Company and the Board may, in its absolute discretion, sell, re-allot or otherwise dispose of the same, either to the original holder thereof or to any other persons, on such terms and in such manner as the Board may think fit. **Forfeited shares to become property of the Company and may be sold, etc.**

40. The Board may, at any time before any share so forfeited shall have been sold, re-allotted or otherwise disposed of, annul the forfeiture thereof as a matter of grace and favour but not as of right upon such terms and conditions as it may think fit. **Power to annul forfeiture**

41. a) A member whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay, and shall pay, to the Company all monies which, at the date of forfeiture, were presently payable by him to the Company in respect of the shares
. **Members still liable to pay money owing at the time of forfeiture**

b) All such monies payable shall be paid together with interest thereon at such rate as the Board **Member still liable to pay money** may determine, from the time of forfeiture until payment or realisation. The Board may, if it thinks fit, but without being under any obligation to do so, enforce the payment of the whole or any portion of the monies due, without any allowance for the value of the shares at the time of forfeiture or waive payment in whole or in part. **owing along with interest**

c) The liability of such person shall cease if and when the Company shall have received payment in full of all such monies in respect of the shares **Cessation of liability**

42. a) The Company may receive the consideration, if any, given for the share on any sale, re-allotment or disposal thereof. **Title of purchaser and transferee of forfeited shares**

It is hereby clarified that the person to whom such share is sold, re-allotted or disposed of may not (unless by express agreement) be liable to pay any calls, amounts, installments, interest and expenses owing to the Company prior to such purchase or allotment nor shall be entitled (unless by express agreement) to any of the dividends, interest or bonuses accrued or which might have accrued upon the share before the time of completing such purchase or before such allotment.

b) Upon any sale after forfeiture, in purported exercise of the powers herein before given, the Board may authorise some person or persons to execute an instrument of transfer of the shares sold. **Validity of sales**

Upon any such sale after forfeiture in purported exercise of powers the Board shall cause the purchaser's name to be entered in the Register in respect of the shares sold and shall issue to the purchaser a certificate in respect of the shares sold and the purchaser shall not be bound to see to the regularity of the proceedings or to the application of the purchase money and after his name has been entered in the Register in respect of such shares, the validity of the sale shall not be impeached by any person and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

c) The purchaser shall thereupon be registered as the holder of the share comprised in such transfer. **Purchaser to be registered as holder**

d) Upon any sale, re-allotment or other disposal under the provisions of the preceding Articles, the Certificate , if any, originally issued in respect of the forfeited shares shall (unless the same, on demand by the Company, has been previously surrendered to it by the defaulting member) stand cancelled and become null and void and be of no effect. Where any Shares under the powers in that behalf herein contained are sold by the Board and the certificate in respect thereof has not been delivered to the Company by the former holder of such Shares, the Board may issue a new certificate for such Shares distinguishing it in such manner, as it may think fit, from the certificate not so delivered. **Cancellation of share certificate in respect of forfeited shares**

43. The provisions of these Articles relating to forfeiture shall *mutatis mutandis* apply to any other securities including debentures of the Company. **Provisions to apply mutatis mutandis to debentures, etc.**

TRANSFER OF SHARES

44. The Company shall keep a book called the 'Register of Transfers' and therein shall be fairly and distinctly entered the particulars of every transfer or transmission of any shares of the Company. **Register of Transfer**

45. The instrument of transfer of any share shall be as prescribed under the Act. **Instrument of transfer**

46. No transfer shall be registered unless the instrument of transfer of any share duly executed by or on behalf of both the transferor and transferee is delivered to the Company. **Instrument of transfer to be executed by transferor and transferee**

The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.

47. The Board may in its absolute and uncontrolled discretion decline to recognise any instrument of transfer unless – **Board may decline to recognize instrument of transfer**

i. the instrument of transfer is duly executed and is in the form as prescribed in the Act;

ii. the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and

iii. the instrument of transfer is in respect of only one class of shares.

48. a) The Board may, subject to the right of appeal conferred by the Act, decline to register the transfer of a share – **Board may refuse to register transfer**

i. not being a fully paid share, to a person of whom they do not approve; or

ii. on which the Company has a lien.

b) The Board shall not issue or register a transfer of any shares to a minor (except in case when they are fully paid) or insolvent person or person of unsound mind. **No transfer to minor, etc.**

c) Subject to the power of the Board stated in these Articles, transfer of Shares, in whatever lot should not be refused. However, the Company may refuse to split a Share Certificate into several scrips of very small denominations or to consider a proposal for transfer of Shares comprised in a Share Certificate to several parties, involving such splitting if on the face of it such splitting/transfer appears to be unreasonable or without a genuine need or not of a marketable lot. **Board may refuse any application for split or consolidation of Certificate (s)**

49. Where the proper instrument of transfer is not received by the Company within a period of two months from the date on which the instrument is dated, the Board may at its sole discretion be entitled to seek such documentation including indemnities as it may deem fit, from both the transferor and transferee, or from the person who has lodged the same for transfer, and the Board may at its sole discretion be entitled to give effect to the transfer on receipt of such documentation and indemnities (save where an order of a competent court is produced, the Board shall then give effect to the transfer).

Where proper instrument of transfers not received by the Company

If the Company refuses to register the transfer of any shares, the Company shall, within one month from the date on which the instrument of transfer is lodged with the Company, send to the Transferee and the Transferor notice of the refusal.

Nothing in this Article shall prejudice any power of the Company to register as Shareholder any person to whom the right to any share has been transmitted by operation of law.

Nothing in this Article shall prejudice any power of the Company to refuse to register the transfer of any share.

50. A certification by the Company of any instrument of transfer of shares shall be taken as a representation by the Company to any person acting on the faith of the certification that there have been produced to the Company such documents, as on the face of them show a *prima facie* title to the shares in the transferor named in the instrument of transfer but not as a representation that the transferor has any title to the shares.

Certificate of transfer

51. All instruments of transfer which shall be registered shall be retained by the Company but any instrument of transfer which the Board may decline to register shall, on demand, be returned to the person depositing the same. The Board may, subject to the applicable statutory provisions, cause to be destroyed all transfer deeds lying with the Company after such periods as it may determine. **When transfer to be retained**

52. The Board may, after giving due notice, close the Register of Members or any other Register of security holder for any period in accordance with the Act and other applicable law. **Closure of transfer books**

53. Notwithstanding anything contained herein, in the case of transfer of shares where the Company has not issued any certificates and where such shares or securities are being held in any electronic and fungible form in a Depository, the provisions of the Depositories Act shall apply. **Shares in fungible form**

54. The provisions of these Articles relating to transfer of shares shall *mutatis mutandis* apply to any other securities including debentures of the Company. **Provisions to apply mutatis mutandis to debentures, etc.**

TRANSMISSION OF SHARES

55. a) On the death of a member the survivor or survivors where the member was a joint holder, and his nominee or nominees or Legal Representatives where the member was a sole holder, shall be the only person or persons recognised by the Company as having any title to his interest in the shares. **Title to shares on death of a member**

b) Provided however that, nothing herein contained shall be taken to release the estate of deceased joint holder from any liability on shares held by him jointly with any other person. **Estate of deceased member liable**

56. a) Any person becoming entitled to a share in consequence of the death, lunacy, liquidation or insolvency of a member may, upon such evidence **Transmission Clause**

being produced as may from time to time be required by the Board and subject as hereinafter provided, elect, either -

i. to register himself as holder of the share; or
ii. to make such transfer of the share as the deceased or lunatic or insolvent member could have made.

A transfer of the share or other interest in the Company of a deceased member thereof made by his Legal Representative shall, although, the Legal Representative is not himself a member be as valid as if he had been a member at the time of effecting the transmission.

b) A person becoming entitled as above be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled to exercise any right conferred by membership in relation to Meetings of the Company. **Claimant to be entitled to same advantage**

57. a) If the person so becoming entitled shall elect to register himself as holder of the share, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. **Intimation of election**

b) If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share. **Manner of testifying election**

Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within forty five days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.

58. Every transmission of share shall be verified in such manner as the Board may require and the **Evidence of transmission to be verified**

Company may refuse to register any such transmission until the same be so verified or until and unless an indemnity be given to the Company with regard to such registration which the Board in its discretion shall consider sufficient; provided nevertheless that there shall not be any obligation on the Company or the Board to accept an indemnity.

59. a) All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or lunacy or liquidation or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member. **Limitations applicable to notice**

b) The Company shall incur no liability or responsibility whatsoever in consequence of its registering or giving effect to any transfer of shares made or purported to be made by any apparent legal owner thereof (as shown or appearing on the Register of Members) to the prejudice of persons having or claiming any equitable right, title or interest to or in the same shares notwithstanding that the Company may have had notice of such equitable right, title or interest, or notice prohibiting registration of such transfer and may have entered such notice or referred thereto in any book of the Company and the Company shall not be bound or required to attend or give effect to any such notice which may be given to it of any equitable right, title or interest, or be under any liability whatsoever for refusing or neglecting to do so, though it may have been entered or referred to in some book of the Company; but the Company shall nevertheless be at liberty to regard and attend to any such notice and give effect thereto if the Board shall so think fit. **Company not liable for disregard of notice prohibiting registration of transfer**

60. a) The Board shall, subject to the provisions contained herein, have the right to refuse to **Board's right to refuse to register**

register a person entitled by transmission to any shares or his nominee, as if he were the transferee named in an ordinary transfer presented for registration.

b) The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or lunatic or insolvent member had transferred the share before his death or insolvency. **Board's right unaffected**

c) The Company shall be fully indemnified by such person from all liability, if any, by actions taken by the Board to give effect to such registration or transfer. **Indemnity to the Company**

61. No fee shall be payable to the Company in respect of the transfer or transmission of Shares. **No fee on transfer or transmission**

62. Notwithstanding anything contained herein, in the case of transmission of shares where the Company has not issued any certificates and where such shares or securities are being held in any electronic and fungible form in a Depository, the provisions of the Depositories Act shall apply. **Shares in fungible form**

63. The provisions of these Articles relating to transmission shall *mutatis mutandis* apply to any other securities including debentures of the Company. **Provisions to apply mutatis mutandis to debentures, etc.**

ALTERATION OF CAPITAL

64. The Company may, from time to time, subject to the provisions of the Act, increase the share capital by such sum, to be divided into shares of such amount, as may be specified in the resolution. **Power to increase share capital**

65. a) Subject to the provisions of the Act, the Company may, ,— **Ways to alter Capital**

i. consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;

ii. convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid up shares of any denomination;

iii. sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the memorandum;

iv. cancel any shares which, at the date of passing of the resolution, have not been taken or agreed to be taken by any person.

66. a) Where shares are converted into stock: **Transfer of stock**

the holders of stock may transfer the same or any part thereof in the same manner as, and subject to these Articles under which, the shares from which the stock arose might, before the conversion, have been transferred or as near thereto as circumstances admit.

Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.

b) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at Meetings of the Company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage; **Right of stockholders**

c) Such of these Articles of the Company as are applicable to paid-up shares shall apply to stock and the words "Share" and "Shareholder"/"Member" shall include "stock" and "stock-holder" respectively. **Provisions to apply mutatis mutandis to stock**

67. The Company may, from time to time, as prescribed by the Act and subject to such **Reduction of capital**

consents as may be required under any other law for the time being in force, reduce in any manner:

i. its share capital; and/or
ii. any capital redemption reserve account; and/or
iii. any securities premium account; and/or
iv. any other reserves in the nature of share capital.

JOINT HOLDERS

68. a) Where two or more persons are registered as joint holders (not more than three) of any share, they shall be deemed (so far as the Company is concerned) to hold the same as joint tenants with benefits of survivorship, subject to the provisions contained in these Articles. **Joint holders**

b) Any one of two or more joint-holders may vote at any Meeting either personally or by attorney or by proxy in respect of such shares as if he were solely entitled thereto and if more than one of such joint holders be present at any Meeting personally or by proxy or by attorney, then that one of such persons so present whose name stands first or higher (as the case may be) on the register in respect of such shares shall alone be entitled to vote in respect thereof
. **Vote of joint holders**

c) The joint-holders of any share shall be liable severally as well as jointly for and in respect of all calls or instalments and other payments which ought to be made in respect of such share. **Liability of Joint holders**

69. a) On the death of any one or more of such joint-holders, the survivor shall be the only person recognized by the Company as having any title to the share but the Board may require such evidence of death as they may deem fit. **Death of any joint-holder**

b) Nothing in Article a) above shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with any other person. **Estate of deceased member liable**

70. a) Only the person whose name stands first in the register of members as one of the joint-holders of any share shall be entitled to the delivery of certificate, if any, relating to such share or to receive notice (which term shall be deemed to include all relevant documents) and any notice served on or sent to such person shall be deemed service on all the joint-holders.

Delivery of certificate and giving of notice to first named holder

b) If any shares stand in the names of two or more persons, the person first named in the Register shall as regards receipt of dividends or bonus or service of notices and all or any other matters connected with the company except voting at the Meeting and the transfer of shares be deemed the sole holder thereof.

The first named of joint holders deemed sole holder

71. Several Executors or Administrators of a deceased member in whose (deceased member) sole name any share stands, shall for the purpose of this Article be deemed to be joint-holders.

Executors or Administrators deemed to be joint holders

72. The provisions of these Articles relating to joint holders of shares shall *mutatis mutandis* apply to any other securities including debentures of the Company registered in joint names.

Provisions to apply mutatis mutandis to debentures, etc.

CAPITALISATION OF PROFITS

73. a) The Company, may in accordance with the provisions of the Act, resolve—

Capitalisation of profits

i. that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts, or to the credit of the profit and loss account, or otherwise available for distribution; and

ii. that such sum be accordingly set free for distribution in the manner specified in Article b) below amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportion.

b) The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in Article c) below, either in or towards— **Sum how applied**

i. paying up any amounts for the time being unpaid on any shares held by such members respectively;

ii. paying up in full, unissued shares or other securities of the Company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;

iii. partly in the way specified in sub-clause (i) and partly in that specified in sub-clause (ii);

c) A securities premium account and a capital redemption reserve account or any other permissible reserve account may, for the purposes of this Article, only be applied in the paying up of unissued shares to be issued to members of the company as fully paid bonus shares or other securities as permissible under the Act. **Application of reserves**

d) The Board shall give effect to the resolution passed by the Company in pursuance of this Article. **Board to give effect**

74. a) Whenever such a resolution as aforesaid shall have been passed, the Board shall - **Powers of the Board for capitalization**

i. make all appropriations and applications of the amounts resolved to be capitalised thereby, and all allotments and issues of fully paid shares or other securities, if any; and

ii. generally do all acts and things required to give effect thereto.

b) The Board shall have full power— **Board's power to issue fractional Certificate, coupon, etc.**

i. to make such provisions, by the issue of fractional certificates or coupons, by payment in cash , by vesting of any shares, certificates, coupons or cash in trustees or otherwise as it thinks fit, for the case of shares or other securities becoming distributable in fractions; and also

ii. to authorise any person to enter, on behalf of all the members entitled thereto, into an agreement with the Company providing for the allotment to them respectively, credited as fully paid-up, of any further shares or other securities to which they may be entitled upon such capitalisation, or as the case may require, for the payment by the Company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalised, of the amount or any part of the amounts remaining unpaid on their existing shares.

c) Any agreement made under such authority shall be effective and binding on all such members. **Agreement binding on Members**

WARRANTS

75. The Company may issue warrants on preferential basis pursuant to SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 or any statutory modifications or re-enactment thereof. **Issue of Warrants**

BUY-BACK OF SHARES

76. Notwithstanding anything contained in these Articles but subject to all applicable provisions of the Act or any other law for the time being in force, the Company may purchase its own shares or other specified securities whether or not there is any consequent reduction of Capital. If and to the extent permitted by Law, the Company shall also have the power to re-issue the shares so bought back. **Buy-back of shares**

GENERAL MEETINGS

77. The Company may convene annual General Meeting from time to time in accordance with the **Annual General Meeting**

provisions of Act.

78. a) All General Meetings other than annual General Meeting shall be called extraordinary General Meeting. **Extraordinary General Meeting**

b) The Board may, whenever it thinks fit, convene an extraordinary General Meeting. **Powers of Board to call extraordinary General Meeting**

If at any time Directors capable of acting who are sufficient in number to form a quorum are not within India, any Director or any two members of the Company may call an extraordinary General Meeting in the same manner, as nearly as possible, as that in which such a Meeting may be called by the Board.

c) The Board shall, on the requisition of prescribed number of members of the Company, forthwith proceed duly to call an Extraordinary General Meeting in accordance with the provisions of the Act. **Requisition by members**

Provided that such requisition may consist of several documents in like form, each signed by all the requisitionists or by a requisitionist duly authorised in writing by all other requisitionists on their behalf or by sending an electronic request attaching therewith a scanned copy of such duly signed requisition.

PROCEEDINGS AT GENERAL MEETINGS

79. a) No business shall be transacted at any General Meeting unless a quorum of members is present at the time when the Meeting proceeds to business. **Presence of Quorum**

b) Save as otherwise provided, the quorum for a General Meeting shall be as provided in the Act. **Quorum for General Meeting**

When more than one of the joint holders of a share is present, only one of them shall be counted for ascertaining the quorum.

80. a) The Chairperson of the Board shall be entitled to preside as Chairperson at every General Meeting of the Company. **Chairperson of the Meetings**

b) If there is no such Chairperson or if he is not present within 15 (fifteen) minutes after the time appointed for holding such Meeting, or is unwilling to act as chairperson of the Meeting, the Directors present shall elect one of their members to be Chairperson of the Meeting. **Directors to elect a Chairperson**

c) If at any Meeting no Director is willing to act as Chairperson or if no Director is present within 15 (fifteen) minutes after the time appointed for holding the Meeting, the members present shall choose one of their members to be Chairperson of the Meeting thereof . **Members to elect a Chairperson**

81. No business shall be discussed or transacted at any General Meeting, except the election of Chairperson, whilst the chair is vacant. **When chair vacant business confined to election of Chairperson**

82. Unless a poll be demanded or voting is carried out electronically, a declaration by the chairperson that a resolution has, on a show of hands, been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the books containing the minutes of the proceedings of the Company shall be conclusive evidence of the said fact, without proof of the number or proportion of the votes recorded in favour of or against such resolution. **Chairperson's declaration conclusive**

83. On any business at any General Meeting, in case of an equality of votes, whether on a show of hands or on poll (if any) or electronically, the Chairperson shall have a second or casting vote. **Casting vote of Chairperson at General Meeting**

84. The Board may in its absolute discretion, on giving not less than 7 (seven) clear days' notice in accordance with these Articles, postpone or cancel any Meeting of members except a Meeting called pursuant to members requisition. **Postponement or cancellation of Meeting**

85. a) The Company shall cause minutes of the proceedings of every General Meeting of any class of members or creditors and every resolution passed by postal ballot to be prepared and signed in such manner as may be prescribed by the Act and kept by making within prescribed number of days of the conclusion of every such meeting concerned or passing of resolution by postal ballot entries thereof in books kept for that purpose with their pages consecutively numbered. **Minutes of proceedings of Meetings and resolutions passed by postal ballot**

b) There shall not be included in the minutes any matter which, in the opinion of the Chairperson of the Meeting - **Certain matters not to be included in minutes**

i. is, or could reasonably be regarded, as defamatory of any person; or
ii. is irrelevant or immaterial to the proceedings; or
iii. is detrimental to the interests of the Company.

c) The Chairperson shall exercise an absolute discretion in regard to the inclusion or non-inclusion of any matter in the minutes on the grounds specified in the aforesaid Article. **Discretion of Chairperson in relation to Minutes**

d) The minutes of the Meeting kept in accordance with the provisions of the Act shall be evidence of the proceedings recorded therein. **Minutes to be evidence**

86. a) The books containing the minutes of the proceedings of any General Meeting of the Company or a resolution passed by postal ballot shall be: **Inspection of minutes books of General Meeting**

i. kept at the Office of the Company; and
ii. open to inspection by any member without any charge, during 11.00 a.m. to 1.00 p.m. (provided the office shall otherwise be open for normal inspection) on all working days other than Saturdays.

b) Any member shall be entitled to be furnished, within the time prescribed by the Act, after he has made a request in writing in that behalf to the Company and on payment of such fees as may be fixed by the Board or Committee thereof, with a **Members may obtain copy of minutes** copy of any minutes of General Meeting.

Provided that a member who has made a request for a soft copy of the minutes of any previous General Meeting held during the period immediately preceding three financial years, shall be entitled to be furnished with the same free of cost.

c) No document purporting to be a report of the proceedings of any General Meeting of the Company shall be circulated or advertised at the expense of the Company unless it includes the matters required by the Act to be contained in the Minutes of the proceedings of such Meeting. **Publication of reports of proceedings of General Meeting**

87. The Board, and any person(s) authorised by it, may take such action or steps before the commencement of any General Meeting, or any Meeting of a class of members of the Company, as the Board or such person(s) consider appropriate to ensure that the Meeting is conducted in an orderly manner and proper decorum is maintained thereof. Any decision made in good faith under this Article shall be final and conclusive and shall not be called in question. **Orderly conduct of Meetings**

ADJOURNMENT OF MEETING

88. a) Subject to the provisions of the Act, the Chairperson may, with the consent of any Meeting at which a quorum is present, and shall, if so directed by the Meeting, adjourn the Meeting from time to time and from place to place. **Chairperson may adjourn the Meeting**

b) No business shall be transacted at any adjourned Meeting other than the business left unfinished at the Meeting from which the adjournment took place. **Business at adjourned Meeting**

c) When a Meeting is adjourned for thirty days or more, notice of the adjourned Meeting shall be given as in the case of an original Meeting. **Notice of adjourned Meeting**

d) Save as aforesaid, and save as provided in the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned Meeting. **Notice of adjourned Meeting not required**

VOTING RIGHTS

89. Subject to any rights or restrictions for the time being attached to any class of shares – **Entitlement to vote on show of hands and on poll**

i. on a show of hands, every member present in person shall have one vote; and

ii. on a poll, the voting rights of members shall be in proportion to his share in the paid-up equity share capital of the Company.

90. Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll. **Business may proceed pending poll**

91. Where a poll is to be taken, the chairperson of the Meeting shall appoint such number of scrutinizer/s who need not be Members of the Company, to scrutinize the poll process, votes casted by poll and to report thereon to him subject to provisions of Act for the time being in force. **Scrutinizers at poll**

The Chairperson shall have power, at any time before the result of the poll is declared to remove a scrutiniser from office and to fill vacancies in the office of scrutiniser arising from such removal or from any other cause.

92. A member may exercise his vote by electronic means in accordance with the Act and shall vote only once. **Voting through electronic means**

93. a) In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. **Vote of joint holders**

b) For this purpose, seniority shall be determined by the order in which the names stand in the register of members. **Seniority of names**

94. A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian, and any such committee or guardian may, on a poll, vote by proxy. **How members non compos mentis and minor may vote**

If any member be a minor, the vote in respect of his share or shares shall be made by his guardian or any one of his guardians.

95. Subject to the provisions of the Act and these Articles, any person entitled under the Transmission Clause to any shares may vote at any General Meeting in respect thereof as if he was the registered holder of such shares, provided that at least 48 (forty eight) hours before the time of holding the Meeting or adjourned Meeting, as the case may be, at which he proposes to vote, he shall duly satisfy the Board of his right to such shares and give such indemnity (if any) as the Board may require unless the Board shall have previously admitted his right to vote at such Meeting in respect thereof. **Vote in case of Transmission**

96. No member shall be entitled in respect of any shares registered in his name to be present or to exercise any voting right on any question at any General Meeting or be reckoned in a quorum whilst any call or other sum presently payable to the Company in respect of such shares, remains unpaid or the Company has exercised any right of lien. **Restriction on voting rights**

97. No objection shall be raised to the qualification of any voter except at the Meeting or adjourned Meeting at which vote objected to is given or tendered, and every vote not disallowed at such Meeting shall be valid for all purposes. **No objection can be raised to the qualification of voter**

Any such objection made in due time shall be referred to the Chairperson of the Meeting, whose decision shall be final and conclusive.

98. Any member whose name is entered in the register of members of the Company shall enjoy **Equal rights of members**

the same rights and be subject to the same liabilities as all other members of the same class.

99. The Chairperson of any Meeting shall be the sole judge of the validity of every vote tendered at such Meeting. **Chairperson sole judge of the validity of a vote**

PROXY

100. a) Any member entitled to attend and vote at a General Meeting may do so either personally or through his constituted attorney or through another person as a proxy on his behalf, for that Meeting. **Member may vote in person or otherwise**

A Proxy can act on behalf of Members not exceeding such number and holding in the aggregate not more than such percent of the total share capital of the company carrying Voting Rights as may be prescribed by the Act.

b) No member not personally present shall be entitled to vote on a show of hands unless such member is a Body Corporate present by proxy or by a representative duly authorised under the Act in which case such proxy or representative of a Body Corporate may vote on a show of hands as if he were a member of the Company. **No voting by proxy on show of hands**

101. a) An instrument appointing a proxy shall be in the form as prescribed in the Act. **Form of proxy**

b) The instrument appointing a proxy shall be in writing and shall be signed by the appointer or his attorney duly authorized in writing. If the appointer is a Body Corporate such instrument shall be under its Seal, if any or be signed by an officer or an attorney duly authorised by it, or by the persons authorised to act as the representative of such Company under the Article. **Instrument of Proxy to be in writing**

c) Subject to the provisions of the Act, the instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a notarised copy of that power of **Proxies when to be deposited** attorney or authority, shall be deposited at the Office of the Company not less than 48 hours before the time for holding the Meeting or adjourned Meeting, as the case may be, at which the person named in the instrument proposes to vote or in the case of a poll, not less than 24 (twenty four) hours before the time appointed for the taking of the poll and in default the instrument of proxy shall not be treated as valid.

d) If any such instrument of appointment be confined to the object of appointing an attorney or proxy or substitute, it shall remain permanently and for such time, as the Board may determine, in the custody of the Company and if embracing other objects, a copy thereof examined with original shall be delivered to the Company to remain in the custody of the Company. **Custody of instruments of proxy**

102. Any instrument appointing a proxy to vote at a Meeting shall be deemed to include the power to demand or join in the demand for a poll on behalf of the appointer, where a poll has not been ordered to be carried out electronically. **Proxy may demand Poll**

103. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the shares in respect of which the proxy is given: **Validity of votes by proxies**

Provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at its Office before the commencement of the Meeting or adjourned Meeting at which the proxy is used.

In case of e-voting, a Member shall be deemed to have exercised his voting rights by himself, even if any other person had voted using the login credentials of that Member.

BOARD OF DIRECTORS

104.		Subject to the provisions the Act, the number of Directors of the Company shall not be i. less than three or ii. until otherwise determined by a General Meeting more than the maximum as may be permissible under the Act.	**Number of Directors**
105.		The subscribers to the Memorandum of Association and Articles of the Company shall be the first Directors of the Company.	**First Directors**
106.		It shall not be necessary for a Director to hold any share in the Company to qualify for the office of a Director.	**Qualification shares**
107.		The Board shall arrange to maintain at the Office of the Company, a Register in the form prescribed under the Act, containing the particulars of Directors and Key Managerial Personnel. It shall be the duty of every Director and other persons regarding whom particulars have to be maintained in such Registers to disclose to the Company any matters relating to himself as may be necessary to comply with the provisions of the Act.	**Register of Directors and disclosure by Directors**
108.		The Company, subject to provisions of the Act, shall have the power to determine the directors whose period of office shall be liable to determination by retirement of directors by rotation or not.	**Directors not liable to retirement by rotation**
109.*[5]		An individual may be appointed or reappointed to, or hold, the position of Chairperson of the Company and also its Managing Director or Chief Executive Officer (as the case may be) at the same time.	**Chairperson may be Managing Director or Chief Executive Officer**
110.	a)	The remuneration of the Directors shall, in so far as it consists of a monthly payment, be deemed to accrue from day-to-day.	**Remuneration of Directors**
	b)	The remuneration payable to the Directors, including any managing or whole-time Director or manager, if any, shall be determined in	**Determination of Remuneration**

* 5 The Composite Scheme of Amalgamation of Torrent Energy Limited and Torrent Cables Limited with Torrent Power Limited and their respective shareholders and creditors, as sanctioned by the Hon'ble High Court of Gujarat vide Order no. O/31042-31044/2015 had, inter-alia, provided for the insertion of new Article 199A in erstwhile Articles of Association upon scheme being effective i.e. 1st October, 2015 w.e.f. the Appointed date i.e. 1st April, 2014; which Articles of Association was entirely substituted with the extant Articles vide special resolution passed at 11th AGM of the Company held on 4th August, 2015. Accordingly, the present Article 109 shall stand inserted effective from 1st April, 2014.

accordance with and subject to the provisions of the Act.

c) In addition to the remuneration payable to them in pursuance of the Act, the Directors may be paid all travelling, hotel and other expenses incurred by them— **Travelling and other expenses**

i. in attending and returning from meetings of the Board or any committee thereof or General Meetings of the Company; or

ii. in connection with the business of the Company.

d) If any Director, being willing shall be called upon to perform extra services, or to make any special exertion for any of the purposes of the Company, the Company in General Meeting or the Board shall, subject as aforesaid, remunerate such Director or where there is more than one such Director all or such of them together either by a fixed sum or by a percentage of profits or in any other manner as may be determined by the Board and such remuneration may be either in addition to or in substitution for the remuneration above provided. **Remuneration for extra services**

111. All cheques, promissory notes, drafts, *hundis,* bills of exchange and other negotiable instruments, and all receipts for monies paid to the Company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, by such person and in such manner as the Board shall from time to time determine. **Execution of negotiable instruments**

112. Notwithstanding anything to the contrary contained in these Articles, if the terms of agreement provide, so long as any moneys remain owing by the Company to the Company/financial Institutions which has obtained a certificate of registration under section 3(4) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 or any other Financial institution as may be notified under section 4A of the Finance **Nominee Director**

Corporation or Credit Corporation or to any other Financing Company or body (hereinafter referred to as 'Lenders') out of any loans granted by them to the Company or so long as they continue to hold debentures in the Company by direct subscription or private placement, or so long as the Lenders holds shares in the Company as a result of underwriting or so long as any liability of the Company arising out of any guarantee furnished by the Lenders on behalf of the Company remains outstanding, the Lenders shall have a right to appoint from time to time, any person or persons as Director(s), Whole-time or Non-Whole time, (which Director or Directors is/are hereinafter referred to as "Nominee Director/s") on the Board of the Company and to remove from such office any person or persons so appointed and to appoint any person or persons in his or their place/s, provided such right ensues from a specific agreement executed by the Company.

The Board of the Company shall have no power to remove from office the Nominee Director/s. Subject as aforesaid, the Nominee Director/s shall be entitled to the same rights and privileges and be subject to the same obligations as any other Director of the Company.

The Nominee Director/s so appointed shall hold the said office only so long as any moneys owing by the Company to the Lenders or so long as the Lenders hold debentures in the Company as a result of direct subscription or private placement or so long as the Lenders holds shares in the Company as a result of underwriting or the liability of the Company arising out of any guarantee is outstanding and Nominee Director/s so appointed shall ipso facto vacate such office immediately the moneys owing by the Company to the Lenders is paid off or of the Lenders ceasing to hold Debenture/shares in the Company or on the satisfaction of the liability of the Company arising out of any guarantee furnished by the Lenders.

The Nominee Director/s appointed under this Article shall be entitled to receive all notices of and attend all General Meetings, Board meetings and of the meetings of the Committee of which the Nominee Director/s is/are member/s as also the minutes of such meetings.

The Company shall pay to the Nominee Director/s sitting fees and expenses which the other Directors of the Company are entitled, but if any other fees, commission, moneys or remuneration in any form is payable to the Directors of the Company, the fees, commission, moneys and remuneration in relation to such Nominee Director/s shall accrue to the Lenders and shall accordingly be paid by the Company directly to the Lenders. Any expenses that may be incurred by the Lenders or such Nominee Director/s in connection with their appointment or Directorship shall also be paid or reimbursed by the Company to the Lenders or as the case may be to such Nominee Director/s.

Provided also that in the event of the Nominee Director/s being appointed as whole-time Director/s such Nominee Director/s shall exercise such powers and duties as may be approved by the Lenders and have such rights as are usually exercised or available to a Whole-time Director, in the management of the affairs of the Borrower. Such Nominee Director/s shall be entitled to receive such remuneration, fees, commission and moneys as may be approved by the Lenders.

113. Any Trust deed for securing debentures may if so arranged provide for the appointment from time to time by the Trustees thereof or by the holders of debentures of a person to be a Director of the Company and may empower such Trustees or holders of debentures or debenture stock from time to time to remove any Director so appointed. A Director so appointed under this Article, is herein referred to as 'Debenture Director' and the term Debenture Director means a Director for the time being in office under this Article. *Such* **Debenture Director**

Director shall have all the rights and privileges of an ordinary Director of the Company, except in so far as is otherwise provided for herein or by the Trust Deed securing the-Debentures or the deed creating the mortgage, as the case may be. The Trust Deed may contain such ancillary provisions as may be arranged between the Company and the Trustees and all such provisions shall have effect notwithstanding any other provisions herein contained.

114. a) Subject to the provisions of the Act, the Board shall have power at any time, and from time to time, to appoint a person as an additional Director, provided the number of the directors including additional director shall not at any time exceed the maximum strength fixed for the Board by the Articles. **Appointment of additional Directors**

b) Such person shall hold office only up to the date of the next annual General Meeting of the Company but shall be eligible for appointment by the Company as a Director at that Meeting subject to the provisions of the Act. **Duration of office of additional Director**

115. a) The Board may appoint an alternate Director to act for a Director (hereinafter in this Article called "the "Original Director") during his absence for a period of not less than three months from India. No person shall be appointed as an alternate Director for an independent Director unless he is qualified to be appointed as an independent Director under the provisions of the Act. **Appointment of alternate Director**

b) An alternate Director shall not hold office for a period longer than that permissible to the Original Director in whose place he has been appointed and shall vacate the office if and when the Original Director returns to India. **Duration of office of alternate Director**

c) If the term of office of the Original Director is determined before he returns to India the automatic reappointment of retiring Directors in default of another appointment shall apply to the Original Director and not to the alternate Director. **Re-appointment provisions applicable to Original Director**

116. a) If the office of any Director appointed by the Company in General Meeting is vacated before his term of office expires in the normal course, the resulting casual vacancy may, be filled by the Board at its meeting. **Appointment of Director to fill a casual vacancy**

b) The Director so appointed shall hold office only upto the date upto which the Director in whose place he is appointed would have held office if it had not been vacated. **Duration of office of Director appointed to fill casual vacancy**

POWERS OF BOARD

117. a) Subject to the provisions of the Act and these Articles the Board shall be entitled to exercise all such powers and to do all such acts and things as the Company is authorised to exercise and do. **General powers of the Company vested in Board**

Provided that in exercising such power or doing such act or thing, the Board shall be subject to the provisions contained in that behalf in the Act, or in the memorandum of association or Articles, or in any regulations not inconsistent therewith and duly made thereunder, including regulations made by the Company in General Meeting.

Provided further that the Board shall not exercise any power or do any act or thing which is directed or required, whether under the Act or by the memorandum of association or Articles of the Company or otherwise, to be exercised or done by the Company in General Meeting.

No regulation made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if that regulation had not been made.

b) Without prejudice to the general and other powers conferred by these Articles but subject however to the provisions of the Act & the restrictions imposed by the provisions of the Act and other applicable laws, it is hereby expressly declared that the Board shall have the following powers:- **Specific Powers to Board**

i. to purchase or otherwise acquire any lands, buildings, machinery, premises, hereditaments, property, effects, assets, rights, credits, royalties, business and goodwill of any joint stock Company carrying on any business which the Company is authorised to carry on in any part of India;

ii. to purchase, take on lease, for any term or terms, or otherwise acquire any factories or any land or lands, with or without buildings and outhouses thereon, situate in any part of India, at such price or rent, and subject to such terms and conditions as the Board may think fit; and in any purchase lease or other acquisition to accept such title as the Board may believe or may be advised to be reasonably satisfactory and to appoint an occupier within the meaning of the Factories Act;

iii. to sell from time to time any articles, materials, machinery, plant, stores and other articles and things belonging to the Company as the Directors may think proper;

iv. to remove all or any of the machinery, plant and other movable property of the Company for the time being in or upon lands, buildings, or premises of the Company to other lands, buildings, or premises;

v. At their discretion to pay for any property right or privileges acquired by or services rendered to the Company either wholly or partially in cash or in shares, bonds, debentures or other securities of the Company and any such shares may be issued either as fully paid up or with such amount credited as paid up thereon as may be agreed upon; and any such bonds, debentures or other securities may be either specifically charged upon all or any part of the property of the Company or its uncalled capital or not so charged;

vi. to make advances and loans without any security, or on such security as they may think proper and to take security for already existing debts, and otherwise to invest and deal with any of the moneys of the Company not immediately required for the purpose thereof in Government or Municipal securities, fixed deposits in banks and in such other manner as they may think fit and from time to time vary or realise such investments, and for the purpose aforesaid to authorise such persons within limits to be fixed from time to time by the Board.

vii. to secure the fulfillment of any contracts or engagements entered in to by the Company by mortgage or charge of all or any of the property of the Company and its unpaid capital for the time being or in such manner as they may think fit;

viii. to accept from any member so far as may be permissible by law, surrender of his shares or any part thereof, on such terms and conditions as shall be agreed;

ix. to appoint any person or persons (whether incorporated or not incorporated) to accept and hold in trust for the Company, any property belonging to the Company, or in which it is interested or for any other purposes and to execute and do all such deeds and things as may be requisite in relation to any such trust and to provide for the remuneration of such trustees;

x. to institute, conduct, defend, compound or abandon any legal proceedings by or against the Company or its officers or otherwise concerning the affairs of the Company and also to compound or allow time for payment or satisfaction of any debts due and of claims or demands by or against the Company to arbitration and observe and perform any awards made thereon.

xi. to act on behalf of the Company in all matters relating to bankrupts and insolvents.

xii. to make and give receipts, releases and other discharges for moneys or properties payable or transferred to the Company and for the claims and demands of the Company.

xiii. to invest and deal with any moneys of the Company not immediately required for purpose thereof upon such security or without security and in such manner as the Board may think fit and from time to time to vary such investments.

xiv. to open current overdraft, cash credit and fixed deposit accounts with any bank, company, firm or individual and to operate thereon, whether in India or outside;

xv. to execute in the name and on behalf of the Company in favour of any Director or other person who may incur, or be about to incur, any personal liability whether as principal or surety for the benefit of the Company, such mortgages of the Company's property (present or future) as they think fit; and any such mortgage may contain a power of sale and such other powers, provisions, covenants and agreements as shall be agreed upon;

xvi. to determine from time to time who shall be entitled to sign on Company's behalf, bills, notes, receipts, acceptances, endorsements, cheques, dividend warrants, releases, contracts and documents and to give the necessary authority for such purposes;

xvii. to give any officer or other person employed by the Company a commission on the profits of any particular business or transaction and such commission shall be treated as part of the working expenses of the Company;

xviii. to establish and maintain or procure the establishment and maintenance of any contributory or non-contributory pension or superannuation funds, for the benefit of and give or procure the giving of donations, gratuities, pensions, allowances or emoluments, to any persons who are or were at any time in the employment or service of the Company, or if any Company which is a subsidiary of the Company or is allied to or associated with the Company or with any such subsidiary company, or who are or were at any time Directors or officers of the Company or of any such other company as aforesaid and the wives, widows, families and dependents of any such persons, and also establish and subsidise and subscribe to any institution, associations, clubs or funds calculated to be for the benefit of or to advance the interests and wellbeing of the Company or of any such other Company as aforesaid, and make payment to or towards the insurance of any such person as aforesaid and do any of the matters aforesaid, either alone or in conjunction with any such other company as aforesaid;

xix. To give, award or allow any bonus, pension, gratuity or compensation to any employee of the Company or his widow, children, or dependents that may appear to the Board just or proper, whether such employee or his widow, children or dependents have or have not a legal claim upon the Company;

xx. To contribute to Charitable and other funds and make political contributions

xxi. To carry out activities, directly or indirectly, those are specified in Schedule VII of the Act, and for this purpose expend / incur the monies of the Company, and all monies so expended or incurred for this purpose shall also be construed to be for the purpose of the Company's business.

xxii. Before recommending any dividend, to set aside such portion of the profits of the Company as the Board may think fit, to form a fund to provide for such pension, gratuities or compensation or to create any provident or benefit fund in such manner as the Board may deem fit.

xxiii. Before recommending any dividend, to set aside out of the profit of the Company such sums as the Board may think proper, for depreciation or to be Depreciation Fund, Insurance Fund, Reserve Fund, General Reserve or Sinking Fund, Development Rebate Reserve, Statutory Development Reserve, Reserve or any Special Fund to meet contingencies, or to repay debentures or debenture stock or for special dividends, or for equalising dividends, or for repairing, improving, extending and maintaining any of the property of the Company and for such other purposes, as the Board may, in their absolute discretion think conducive to the interest of the Company with power from time to time to transfer moneys standing to the credit of one fund or any part thereof to the credit of any other Fund; and to invest the several sums so set aside or so much thereof as required to be invested, upon such investments (other than shares of the Company) as they may think fit, and from time to time deal with and vary such investments and dispose of and apply and expend all or any part thereof for the benefit of the Company, in such manner and for such purpose as the Board, in their absolute discretion, think conducive to the interest of the Company and to divide the Reserve Fund into such special funds as the Board may think fit, and to employ the assets constituting all or any of the above funds including Depreciation Fund, in the business of the Company or in the purchase or repayment of debentures or debenture stock and that without being bound to keep the same separate from the other assets. If the assets constituting any of the above funds are employed in the business of the Company, the Board may pay or allow to the credit of such funds interest at such rate as the Board may think proper;

xxiv. To appoint and at their discretion remove or suspend such managers, secretaries, officers, technicians, clerks, agents and servants, for permanent, temporary or special services as the Board may from time to time think fit, and to determine their powers and duties and fix their salaries or emoluments, and to require security in such instances and for such amounts as it may think fit. And also without prejudice as aforesaid from time to time provide for the management and transaction of the affairs of the Company in any specified locality in India or elsewhere in such manner as the Board may think fit;

xxv. From time to time and at any time to establish Local Board for managing any of the affairs of the Company in any specified locality in India or out of India, to appoint any person to be members of such Local Board and to fix their remuneration and at any time and from time to time to delegate subject to the provisions of the Act to any person so appointed any of the powers, authorities and discretions for the time being vested in the Board, other than their powers to make calls and to issue debentures and to authorise the members for the time being of any such Local Board or any of them, to fill up any vacancies therein and to act notwithstanding vacancies; and any such appointment or delegation may be made on such terms and subject to such conditions and restrictions as the Board may think fit and the Board may at any time remove any person so appointed and may annul and vary any such delegation

xxvi. At any time and from time to time, by Power of Attorney under the Seal of the Company, to appoint any person or persons to be the attorney or attorneys of the Company, for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Board under these Articles) and for such period and subjects to such conditions as the Board may from time to time think fit and any such appointment may, if the Board think fit, be made in favour of the members, or any of the members of any Local Board established as aforesaid or in favour of any Company or the member, Board, nominees or managers of any Company or firm or otherwise in favour of any fluctuating body of person, whether nominated directly or indirectly by the Board and any such Power of Attorney may contain such powers for the protection or convenience of persons dealing with such attorneys as the Board may think fit, and may contain powers enabling any such delegates or attorneys as aforesaid to sub-delegate all or any of the powers, authorities and discretions for the time being vested in them;

xxvii. For or in relation to any of the matters aforesaid or otherwise for the purposes of the Company, to enter in to all such negotiations and contracts, and rescind and vary all such contracts and execute and do all such acts, deeds and things in the name and on behalf of the Company, as they may consider expedient;

xxviii. To insure and keep insured against all risks including risks relating to loss or damage by fire or otherwise for such period and to such extent as they may think proper all or any part of the buildings, machinery, goods, stores, produce and other movable property of the Company either separately or co-jointly as also all or any part of the goods, produce, machinery and other articles imported or exported by the Company, risks relating to loss of profit and standing charges, risks relating to retrenchment compensation and lay-off liabilities and risks of accidents of all the employees of the Company and to sell, assign surrender or discontinue any policies of assurance effected in pursuance of this power;

xxix. Subject to hereinabove provided to subscribe or contribute or authorise to assist or to guarantee money to charitable, benevolent, religious, scientific, national, public, political or any other useful institutions, objects or purposes or for any exhibition.

xxx. To authorise the issue of securities (including depository receipts), whether convertible to shares or not, as per applicable laws, either as a primary issue or a secondary offering.

c) Subject to restrictions provided in the Act, the Board may, from time to time at their discretion raise or borrow, or secure the repayment of any loan or advance taken by the Company. Any such

Borrowing Powers

moneys may be raised and the payment or repayment of such moneys maybe secured in such manner and upon such terms and conditions in all respects as the Board may think fit and, in particular by promissory notes, or by opening current accounts or by receiving deposits and advances at interest, with or without security, or by the issue of debentures or debenture-stock of the Company charged upon all or any part of the property of the Company (both present and future), including its uncalled capital for the time being, or by mortgaging, charging or pledging any lands, buildings, machinery, plants, goods or other property and securities of the Company (both present and future), or by such other means as to them may seem expedient.

118. Save as provided by the Act or by these Articles and subject to the restrictions imposed by the Act, the Board may delegate all or any of its powers as conferred by the said Act or by the Memorandum of Association or by these Articles reposed in them. **Power to delegate**

119. Debentures, bonds or other securities may be made assignable free from any equities between the Company and the person to whom the same may be issued. **Securities may be assignable free from equities**

120. If any uncalled capital of the Company is included in or charged by any mortgage or other security the Board may, by instrument under the Company's Seal, authorise the person in whose favour such mortgage or security is executed or any other person in trust for him to make calls on the members in respect of such uncalled capital and the provisions hereinbefore contained in regard to calls, shall *mutatis mutandis*, apply to calls made under such authority and such authority may be made exercisable either conditionally or unconditionally and either presently or contingently and either to the exclusion of the Board powers or otherwise and shall be assignable if expressed so to be. **Mortgage of uncalled capital**

PROCEEDINGS OF THE BOARD

121.		The Directors may meet together as a Board for the conduct of business from time to time. The Board may adjourn and otherwise regulate their meetings as they think fit.	**When meeting to be convened**
122.		A Director may, and Manager or Chief Financial Officer or company secretary or any other person so authorised by the Board on the requisition of a Director, shall at any time, summon a meeting of the Board.	**Who may summon Board meeting**
123.	a)	The Board may elect a Chairperson of its meetings and determine the period for which he is to hold office.	**Board to elect a Chairperson**
	b)	If no such Chairperson is elected, or if at any meeting the Chairperson is not present within fifteen minutes after the time appointed for holding the meeting, the Directors present may choose amongst themselves a Director to be Chairperson of the meeting.	**Directors present to elect a Chairperson**
124.	a)	The participation of Directors in a meeting of the Board may be either in person or through video conferencing or other audio visual means or any other means, as may be prescribed by the Act.	**Participation at Board meetings**
	b)	Every Director present at any meeting of the Board or of a Committee thereof shall sign his/her name in a book to be kept for that purpose.	**Attendance at the meeting**
	c)	The quorum for a Board meeting shall be $1/3^{rd}$ of the total strength or two Directors whichever is higher or as provided in the Act.	**Quorum for Board meetings**
	d)	Save as otherwise expressly provided in the Act, questions arising at any meeting of the Board shall be decided by a majority of votes of Directors present.	**Questions at Board meeting how decided**
	e)	In case of an equality of votes, the Chairperson of the Board, if any, shall have a second or casting vote.	**Casting vote**

125. The continuing Directors may act notwithstanding any vacancy in the Board, so long as their number is not reduced below the quorum fixed by the Act for a meeting of the Board. In the event the number of continuing Directors is reduced below the quorum fixed by the Act for a meeting of the Board, the Directors may act for the purpose of increasing the number of Directors to that fixed for a quorum or of summoning a General Meeting and for no other purpose. **Directors not to act when number falls below minimum**

126. a) The Board may, subject to the provisions of the Act, delegate any of its powers to committees consisting of such member or members of its body as it thinks fit. **Board may delegate its powers to Committee**

b) Any Committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board. **Committee to conform to Board regulations**

c) The participation of Directors in a meeting of the Committee may be either in person or through video conferencing or other audio visual means, or any other means as may be prescribed by the Act. **Participation at Committee meetings**

127. a) A Committee may elect a Chairperson of its meetings. **Chairperson of Committee**

b) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within fifteen minutes after the time appointed for holding the meeting, the members present may choose one of themselves to be Chairperson of the meeting. **Who to preside at meetings of Committee**

128. a) A Committee may meet and adjourn as it thinks fit. **When Committee to meet**

b) Questions arising at any meeting of a Committee shall be determined by a majority of votes of the members present. **Questions at Committee meeting how decided**

c) In case of an equality of votes, the Chairperson of the Committee shall have a second or casting vote. **Casting vote of Chairperson at Committee meeting**

129. All acts done in any meeting of the Board or of a Committee thereof or by any person acting as a Director, shall, notwithstanding that it may be afterwards discovered that there was some defect in the appointment of any one or more of such Directors or of any person acting as aforesaid, or that they or any of them were disqualified or that his or their appointment had terminated, be as valid as if every such Director or such person had been duly appointed and was qualified to be a Director.

Acts of Board or Committee valid notwith-standing defect of appointment

Provided that nothing herein contained shall be deemed to give validity to acts done by a Director after his appointment has been shown to the Company to be invalid or to have terminated.

130. Save as otherwise expressly provided in the Act, a resolution in writing, signed, whether manually or by secure electronic mode, by a majority of the members of the Board or of a Committee thereof, for the time being entitled to receive notice of a meeting of the Board or Committee, shall be valid and effective as if it had been passed at a meeting of the Board or Committee, duly convened and held.

Passing of resolution by circulation

131. The Board shall cause the Board and the Committee minutes to be duly entered in a book provided for the purpose in accordance with the provisions of the Act.

Minutes of proceedings of the Board and the Committee

CHIEF EXECUTIVE OFFICER, MANAGER, COMPANY SECRETARY AND CHIEF FINANCIAL OFFICER

132. Subject to the provisions of the Act,—
A chief executive officer, manager, company secretary and chief financial officer may be appointed by the Board either for a fixed term or without limitation as to the period for which he shall hold such office, at such remuneration and upon such conditions as it may think fit; and any

Chief Executive Officer, Manager, etc.

chief executive officer, manager, company secretary and chief financial officer so appointed may be removed by means of a resolution of the Board. The Board may appoint one or more chief executive officers for its multiple businesses.

133. a) A Director may be appointed as chief executive officer, manager, company secretary or chief financial officer. **Director may be Chief Executive Officer, etc.**

b) The Board may from time to time subject to the provisions of the Act entrust to or confer upon the chief executive officer, manager, company secretary and chief financial officer for the time being such of the powers exercisable by him under these Articles or by law, as they may think fit, and may confer such powers for such time and to be exercised for such objects and purposes and upon such terms and conditions and with such restrictions, as they think expedient and may from time to time revoke, withdraw, alter or vary all or any of such powers. **Power to delegate**

MANAGING DIRECTORS/WHOLE TIME DIRECTORS

134. Subject to the provisions of the Act, the Board may from time to time appoint one or more of its Directors as Managing Director(s), Whole-time Director of the Company either for a fixed term or without any limitation as to the period for which he/they is/are to hold such office but in any case not exceeding the time limit prescribed in the Act and may from time to time remove or dismiss him/them from office and appoint another/others in his/ their place. **Power to appoint Managing Director**

135. The remuneration of a Managing Director and Whole-time Director shall from time to time be determined by the Board and may be paid by way of salary or commission or participating in profits or by way of any or all of those modes or in any other mode and shall be subject to the limitations prescribed in the Act. **Remuneration of Managing Director and Whole –time Director**

136. a) Subject to the general supervision control and direction of the Board and subject as hereinabove provided the Managing Director and/or Whole-time Director and/or Manager shall have the power to conduct and manage the business and affairs of the Company and shall have power and authority on behalf of the Company to acquire any properties, rights and privileges and to make all purchases and sales and to enter into all contracts and execute all agreements or other documents and to do all other acts and things usual, necessary or desirable in the management of the affairs of the Company or in carrying out its objects; and shall have power to institute, conduct, defend, compromise, refer to arbitration and abandon legal and other proceedings, claims and disputes in which the Company is concerned and shall have power to appoint and employ in or for the purpose of the transaction and management of the affairs and business of the Company or otherwise for the purposes thereof such managers, experts, secretaries, chemists, technicians, engineers, brokers, lawyers, clerks, workmen, servants and other employees as they shall think proper with such powers and duties and upon such terms as to duration of office, remuneration or otherwise as they shall think fit and from time to time to remove and suspend them or any of them and generally to appoint and employ any person or persons in the services or for the purposes of the Company as they shall think fit upon such terms and conditions as they shall think proper.

Authority of Managing Director and/or Whole-time Director and/or Manager

b) The Board may from time to time entrust to and confer upon a Managing Director or Whole time Director or Manager for the time being such of the powers exercisable by the Board under these Articles or by law, as it may think fit, and may confer such powers for such time and to be exercised for such objects and purposes and upon such terms and conditions and with such restrictions as its thinks expedient, and it may confer such powers either collaterally with or to the exclusion of and in substitution for all or any

Board may delegate powers to Managing Director / Whole-time Director / Manager

of its powers in that behalf, and may from time to time revoke, withdraw, alter or vary all or any of such powers. Unless and until otherwise determined a Managing Director may exercise all the powers exercisable by the Board, save such powers as by the Act or by these Articles shall be exercisable by the Board itself.

c) The Managing Director and/or Whole-time Director and/or Manager shall have power to sub-delegate all or any of the powers, authorities and discretions for the time being vested in them and in particular from time to time to provide by the appointment of any attorney or attorneys for the management of any part of the affairs of the Company in such manner as they may think fit.

Managing Director and/or Whole-time and/or Manager Directors to have power to sub-delegate

DOCUMENTS AND NOTICES

137. It shall be imperative on every member to notify to the Company for registration, his place of address in India and if he has no registered address within India to supply to the Company an address within India for giving of notices to him.

Members to notify address for registration

A member may notify his email address if any, to which the notices and other documents of the Company shall be served on him by electronic mode. The Company's obligation shall be satisfied when it transmits the email and the Company shall not be responsible for failure in transmission beyond its control.

138. Subject to the provisions of the Act, a document or notice may be served or given by the Company on any member thereof personally or electronically or by sending it by post (including registered post and speed post) or by courier to him at his registered address or (if he has no registered address in India) to the address, if any, in India provided by him to the Company for serving documents or notices on him. The term courier means person or agency who or which delivers the document and provides proof of its delivery.

Service of documents or notices on the members of the Company

Where a document or notice is sent by post, service of the document or notice shall be deemed to be effected by properly addressing, prepaying and posting a letter containing the documents or notice, provided that where a Member has intimated to the Company in advance that documents or notices should be sent to him under a certificate of posting or by registered post with or without acknowledgment due and has deposited with the Company a sum sufficient to defray the expenses of doing so, service of the document or notice shall not be deemed to be effected unless it is sent in the manner intimated by the Member and, such service shall be deemed to have been effected in case of a notice of a Meeting, at the expiration of forty-eight hours after the letter containing the document or notice is posted and in any other case, at the time at which the letter would be delivered in the ordinary course of post.

139. Any notice required to be given by the Company to the members or any of them and not expressly provided for by these Articles shall be sufficiently given, if given by advertisement, once in English and once in a vernacular daily newspaper circulating in the city, town or village in which the Office of the Company is situated. **Notice by Advertisement**

140. A document or notice may be served or given by the Company on or to the joint-holders of a Share by serving or giving the document or notice on or to the joint-holder named first in the Register in respect of the Share. **Service of documents or notices on Joint-holders**

141. Any notice or document served in the manner hereinbefore provided shall notwithstanding such member be then dead and whether or not the Company has notice of his death, be deemed to have been duly served respecting any share, whether held solely or jointly with other persons by such member, until some other person be registered in his stead as the holder or joint-holder thereof and such service, for all purposes of **Service of notice good notwithstanding death of Member**

these Articles be deemed a sufficient service of such notice or documents on his heirs, Executors, Administrators and all persons (if any) jointly interested with him in any such shares.

142. a) Every person, who by operation of law, transfer or other means whatsoever, shall become entitled to any Share, shall be bound by every document or notice in respect of such Share, which, previously to his name and address being entered on the Register, shall have been duly served on or given to the person from whom he derives his title to such Share.

Members bound by documents or notices served on or given to previous holders

b) Any document or notice to be served or given by the Company may be signed (including digitally) by a Director or some person duly authorised by the Board for such purposes and the signature thereto may be written, facsimiled, printed, lithographed or photostated.

Document or notice by Company and signature thereto

143. A document or notice may be served by a member on or given to the Company or an Officer thereof by sending it to the Company or Officer at the Office of the Company by post under a certificate of posting or by registered post, or by leaving it at the Office of the Company or by means of such electronic mode or other mode as may be specified in the Act.

Service of Document or notice by member

144. Where the Securities are held in Depository, the records of the Beneficial Ownership may be served by such Depositories on the Company by means of Electronic Mode or by delivery of Depository Floppy or Disks.

Service of Document or notice by Depositary

REGISTERS

145. The Company shall keep and maintain at its Office all statutory registers including, register of charges, register of members, register of debenture holders, register of any other security holders, the register and index of Beneficial Owners and annual return, register of loans, guarantees, security and acquisitions, register of

Statutory registers

investments not held in its own name and register of contracts and arrangements for such duration as the Board may, unless otherwise prescribed, decide, and in such manner and containing such particulars as prescribed by the Act. The registers and copies of annual return shall be open for inspection during 11.00 a.m. to 1.00 p.m. on all working days, except Saturdays, at the Office of the Company by the persons entitled thereto on payment, where required, of such fees as may be fixed by the Board but not exceeding the limits prescribed by the Act.

146. The Company may exercise the powers conferred on it by the Act with regard to the keeping of a foreign register; and the Board may (subject to the provisions of the Act) make and vary such regulations as it may think fit with respect to the keeping of any such register. **Foreign Register**

The foreign register shall be open for inspection and may be closed, and extracts may be taken therefrom and copies thereof may be required, in the same manner, *mutatis mutandis*, as is applicable to the register of members.

SEAL

147. Subject to the provisions of the Act, the Board shall provide a Seal for the purpose of the Company and shall have power from time to time to destroy the same and substitute a new Seal in lieu thereof and shall provide for the safe custody of the Seal for the time being and it shall not be used except by the authority of the Board or a Committee thereof and in the presence of any one of the Directors or the Secretary or Chief Financial Officer or such other person as may be authorised by the Board, who shall sign every instrument or deeds to which the Common Seal is affixed. **The Seal, its custody and use**

DIVIDEND AND RESERVES

148. a) The Company in General Meeting may declare dividend, but no dividend shall exceed the amount **Company in General**

recommended by the Board but the Company in General Meeting may declare a lesser dividend. **Meeting may declare dividend**

b) Subject to the provisions of the Act, the Board may from time to time pay to the members such interim dividend as appears to it to be justified by the profits of the Company subject to the requirements of the Act. **Interim dividend**

149. a) The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve which shall, at the discretion of the Board, be applied for any purpose to which the profits of the Company may be properly applied, including provision for meeting contingencies or for equalising dividends; and pending such application, may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company) as the Board may, from time to time, think fit. **Dividend only to be paid out of profits**

b) The Board may also carry forward any profits which it may consider necessary not to divide, without setting them aside as a reserve. **Carry forward of profits**

c) The declaration of the Boards to the amount of the net profits of the Company shall be conclusive. **Declaration of Board as to net profit conclusive**

150. Subject to the rights of persons, if any, entitled to shares with special rights as to dividend, all dividend shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the shares in the Company, dividend may be declared and paid according to the amounts of the shares. **Division of profits**

151. Notice of any dividend that may have been declared shall be given to the persons entitled to share therein in the manner mentioned in the Act. **Notice of dividend**

152. Dividend may be paid by electronic mode / cheque / warrant sent through the post directly to the registered address of the holder or any other permissible means, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct.

Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.

Dividend how remitted

153. The Board may, if they think fit, call upon the members, when applying for dividend, to produce their share certificates to such person authorized by them in that behalf.

Production of share certificate when applying for dividend

154. Any one of two or more joint holders of a share may give effective receipts for any dividend, bonuses or other monies payable in respect of such share.

Receipt of one holder sufficient

155. No member shall be entitled to receive payment of any dividend in respect of any share on which the Company has a lien, or whilst any amount due or owing from time to time to the Company, either alone or jointly with any other person, in respect of such share, or on any other account whatsoever, remains unpaid, and the Board may retain, apply and adjust such dividend in or towards satisfaction of all debts, liabilities, or engagements in respect of which the lien exists, and of all such money due as aforesaid.

No member to receive dividend whilst indebted to the Company and Company's right to reimbursement therefrom

156. The Board may retain dividend payable upon shares in respect of which any person is, under the Transmission Clause hereinbefore contained, entitled to become a member, until such person shall become a member in respect of such shares.

Retention of dividend

157. No amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this Article as paid on the share.

No dividend on payments in advance

158. No dividend shall bear interest against the Company. **No interest on dividend**

159. The waiver in whole or in part of any dividend on any share by any document (whether or not under Seal) shall be effective only if such document is signed by the member (or the person entitled to the share in consequence of the death or bankruptcy of the holder) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Board. **Waiver of dividend**

160. Any General Meeting declaring a dividend may make a call on the member of such amount as the Meeting fixes but so that the call on each member shall not exceed the dividend payable to him and so that the call may be made payable at the same time as the dividend and the dividend may, if so arranged between the Company and the member, be set off against the call. **Calls & Dividend**

161. A transfer of share shall not pass the right to any dividend declared thereon before the registration of the transfer. **Effect of transfer**

162. As regards all dividend unpaid or unclaimed the Company shall comply with the provisions of the Act. **Unpaid or Unclaimed dividend**

ACCOUNTS

163. **Accounts**

i. The Board shall keep or cause to be kept at the Office of the Company or at such place in India as it thinks fit, proper books of accounts in respect of:

- all sums of money received and expended by the Company, and the matters in respect of which the receipt and expenditure take place;
- all sales and purchase of goods by the Company; and
- the assets and liabilities of the Company
- the items of cost, if any- as specified in the Act.

ii. Proper books of account shall also be kept at each branch office of the Company, whether in or outside India, relating to the transactions of that office and proper summarised returns made up to dates at intervals of not more than three months shall be sent by each such branch office at the Office of the Company or the other place referred to in (i) above.

iii. The books of account referred to in (i) and (ii) above shall be such books as are necessary to give a true and fair view of the state of affairs of the Company or such branch office and to explain its transaction.

iv. The books of accounts and other Books and Papers shall be open to inspection by any Director during business hours on all working days.

v. The Board shall comply in all respects with the provisions of the Act.

Inspection by members when allowed

164. i. The Board shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations, the accounts and books of the Company, or any of them, shall be kept open for the inspection by the members not being Director.

ii. No member (not being a Director) shall have any right of inspecting any books of account or books and papers or document of the Company except as conferred by law or authorised by the Board or by the Company in General Meeting.

Financial Statements to be laid before the Member

165. a) Subject to provisions of the Act, at every annual General Meeting of the Company, the Board shall lay before the Company Financial Statements for each financial year.

Contents of Financial Statements

b) The Financial Statements shall give a true and fair view of the state of affairs of the Company at the end of the period of the account.

Financial Statements shall comply with the provisions of all applicable laws.

c) The Financial Statements shall be signed in accordance with the provisions of the Act. **Financial Statements how to be signed**

The Board shall make out and attach to every Balance Sheet laid before the Company in General Meeting a Report of the Board which shall comply with the requirements of the Act and shall be signed in the manner provided in the Act.

WINDING UP

166. Subject to the applicable provisions of the Act – **Winding up of Company**

i. If the Company shall be wound up, whether voluntarily or otherwise, the liquidator may, with the sanction of the Company and any other sanction required by the Act, divide amongst the members, in specie or kind, the whole or any part of the assets of the Company, whether they shall consist of property of the same kind or not.

ii. For the purpose aforesaid, the liquidator may set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the members or different classes of members.

iii. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories if he considers necessary, but so that no member shall be compelled to accept any shares or other securities whereon there is any liability.

INDEMNITY AND INSURANCE

167. i. Subject to the provisions of the Act and other applicable laws, every Director, managing **Directors' and officers'**

Director, whole-time Director, manager, chief financial officer, company secretary and any other officer of the Company shall be indemnified by the Company out of the funds of the Company, to pay all costs, losses and expenses (including travelling expense) which such Director, manager, chief financial officer, company secretary and any other officer may incur or become liable for by reason of any contract entered into or act or deed done by him in his capacity as such Director, manager, chief financial officer, company secretary or officer or in any way in the discharge of his duties in such capacity including expenses. **right to indemnity**

ii. Subject as aforesaid, every Director, managing director, manager, chief financial officer, company secretary or other officer of the Company shall be indemnified against any liability incurred by him in defending any proceedings, whether civil or criminal in which judgment is given in his favour or in which he is acquitted or discharged or in connection with any application under applicable provisions of the Act in which relief is given to him by the Court.

168. Subject to the provisions of the Act and other applicable laws, the Company may take and maintain any insurance as the Board may think fit on behalf of its present and/or former Directors, officers and such other persons as may be permitted by law for indemnifying all or any of them against any liability for any acts in relation to the Company for which they may be liable but have acted in good faith. **Insurance**

GENERAL POWER

169. Wherever in the Act or other applicable laws, it has been provided that the Company shall have any right, privilege or authority or that the Company could carry out any transaction only if the Company is so authorized by its articles, then and in that case this Article authorises and **General Power**

empowers the Company to have such rights, privileges or authorities and to carry out such transactions as have been permitted by the Act, without there being any specific Article in that behalf herein provided.

SECRECY CLAUSE

170. No Member or other person (not being a Director) shall be entitled to visit or inspect any works of the Company or to require discovery of any information in respect of any detail of the Company's working, trading, or any matter which is or may be in the nature of a trade secret, mystery of trade, secret process, or any other matter which may relate to the conduct of the business of the Company and which in the opinion of the Board would be inexpedient in the interest of the Company to disclose without the prior written permission of the Directors, Chief Financial Officer or Company Secretary or such other senior person, as may be authorised for such purpose. **Secrecy Clause**

We, the several persons whose names and addresses are subscribed are desirous of being formed into a Company in pursuance of these Articles of Association.

Torrent Power Limited.
A Company registered under the Companies Act, 1956 and having its registered office at Torrent House, Off Ashram Road, Ahmedabad – 380 009 in the state of Gujarat. .... Petitioner

BEFORE HONOURABLE Mr. JUSTICE A. S. Dave

Date : 12th July, 2006

Order On Petition

The above petition coming on for hearing on 12th July 2006, upon reading the said petition, the order dated 1st May 2006 in the Company Application No. 222 of 2006 whereby separate meetings of the Equity Shareholders, Secured Creditors and Unsecured Creditors of the company were directed to be convened, for the purpose of considering, and if thought fit, approving, with or without modification the scheme of arrangement proposed to be made between the said Company and its members and creditors in the nature of the Scheme of Arrangement including Amalgamation to be made between Torrent Power AEC Limited, Torrent Power SEC Limited and Torrent Power Generation Limited, the Transferor Companies and Torrent Power Limited, the Petitioner Transferee Company as well as the Reorganization of the Share Capital of the Transferee Company, and annexed to the Application No. 222 of 2006, an affidavit of Shri Jayesh Desai filed on 28th day of April 2006 Swati Adv. and The Times of India - English daily, and Gujarat Samachar -Gujarati daily dated 10th May 2006 (both Ahmedabad editions) each containing the advertisement of the said notice convening the said meetings directed to be held by the said order dated 1st May 2006, the affidavit of Shri Sudhir Mehta filed on the 15th May 2006 showing the publication and dispatch of the notices convening the said meetings, the report of the Chairman of the said meetings dated 9th June 2006 as to the result of the said meetings, and considering the affidavit dated 4th July 2006 filed by the Dy. Registrar of Companies, Gujarat, and upon hearing Shri Saurabh N. Soparkar, learned Senior Advocate appearing with Smt. Swati Soparkar, Advocate for the Petitioner Companies and upon hearing Shri P. J. Malkan, Advocate appearing for the Central Government,

This Court doth hereby sanction the scheme of arrangement in the nature of amalgamation as set forth in para 8 of the petition herein and in the Schedule hereto and doth hereby declare the same to be binding on the shareholders and creditors of the abovenamed company and also on the abovenamed company.

And this Court doth further order that parties to the arrangement or other persons interested shall be at liberty to apply to this Court for any direction that may be necessary in regard to the working of the arrangement or amalgamation, and

That the said company do file with the Registrar of the Companies a certified copy of this order within 30 days from the receipt of the same, and

This Court doth further order payment of Rs. 3,500/- in aggregate as the cost of this petition awardable to Shri P. J. Malkan, Advocate appearing for the Central Govt.

SCHEDULE

Scheme of Arrangement as sanctioned by the court.

Dated this 12th July 2006.

MINUTE UNDER SEC. 103 (1)

"The issued, subscribed and paid up capital of Torrent Power Limited including the Exchange Shares to be issued by it pursuant to the scheme, was by virtue of the Special Resolution of the company dated 9.6.2006 and by virtue of the sanction granted by the High Court of Gujarat/NCLT on 12th day of July 2006, be reduced from Rs. 1889,79,32,280 - (Rs. One Thousand Eight Hundred Eighty Nine Crores, Seventy Nine Lacs, Thirty Two Thousand Two Hundred Eighty only) divided into 188,97,93,228 Equity shares of Rs.10/-each to Rs. 472,44,83,070/- (Rs. Rs. Four Hundred Seventy Two Crores, Forty Four Lacs Eighty Three Thousand and Seventy only) divided into 188,97,93,228 Equity shares of Rs. 2.5 each (Re. Two and Fifty Paise only) and then consolidating every 4 (Four) shares of Rs. 2.5 each in the reduced capital into 1 (One) share of Rs. 10/- each fully paid up. The Issued, Subscribed and Paid Up Capital shall finally be Rs. 472,44,83,070/- (Rs. Four Hundred Seventy Two Crores, Forty Four Lacs Eighty Three Thousand and Seventy only) being 47,24,48,307 shares of Rs. 10/- each."

A composite Scheme of Arrangement including Amalgamation

between

Torrent Power AEC Limited [TPAL]

and

Torrent Power SEC Limited [TPSL]

and

Torrent Power Generation Limited [TPGL]

with

Torrent Power Limited [Torrent Power]

and their respective shareholders and creditors

under Sections 391 to 394 of the Companies Act, 1956

Part I

GENERAL

1) PRELIMINARY

1.1 This Scheme of Amalgamation is presented for the amalgamation of Torrent Power AEC Limited (hereinafter referred to as "TPAL") a company incorporated under the Indian Companies Act, 1882 (Act No. VI of 1882) of the Legislative Council of India, having its registered office at Electricity House, Lal Darwaza, Ahmedabad – 380 001, Gujarat, Torrent Power SEC Limited (hereinafter referred to as "TPSL"), a company incorporated under the Indian Companies Act, VII of 1913, having its registered office at Torrent House, Station Road, Surat – 395 003, Gujarat and Torrent Power Generation Limited (hereinafter referred to as "TPGL"), a company incorporated under the Companies Act, 1956, having its registered office at Torrent House, Off Ashram Road, Ahmedabad – 380 009, Gujarat, (hereinafter collectively referred to as "the Transferor Companies") with Torrent Power Limited (hereinafter referred to as "Torrent Power" or the

"Transferee Company"), a company incorporated under the Companies Act, 1956, having its registered office at Torrent House, Off Ashram Road, Ahmedabad – 380 009, Gujarat.

1.2 The provisions of this Scheme, which are set out in relation to the Transferor Companies, shall, in absence of any indication to the contrary, be applicable to each of the Transferor Companies.

2) <u>DEFINITIONS</u>

In this Scheme, unless repugnant to the context or meaning thereof, the following expressions shall have the meanings respectively assigned to them:

2.1 "Act" means the Companies Act, 1956 and shall include any statutory modifications, re-enactment or amendments thereof.

2.2 "Appointed Date" means 1st April 2005.

2.3 "Assets" shall mean and include the Undertaking and the entire businesses of each of the Transferor Companies and shall include without limitation

(a) all properties wherever situate, whether movable or immovable, tangible or intangible, corporeal or incorporeal, intellectual property, whether possession or reversion, present or contingent, fixed assets including land, pipelines, railway sidings, transmission and distribution systems, capital work-in-progress including expenses incurred to be capitalized and advances for assets, inventories, stock in trade, debtors, current assets, investments, deposits, buildings, offices, furniture, fixtures, office equipment, appliances, accessories, claims, bank accounts and all cash appertaining or relatable to the Transferor Companies as on the Appointed

Date and such additional assets pertaining to the Transferor Companies acquired since the Appointed Date;

(b) all permits, rights, entitlements including import quotas, rights, industrial and other licenses including licenses for electricity generation, transmission and distribution, sales tax and excise duty licenses, and also with export-import authority including advance licenses and all other licenses, duty entitlement pass books, duty refund against export obligations rights of way, powers, authorities, allotments, approvals and consents, permits, quotas, subsidies and incentives, registrations, contracts, engagements, arrangements, rights, titles, interests, benefits and advantages of whatsoever nature and wheresoever situated belonging to or in the ownership, power, use or possession and in the control of or vested in or granted in favor of or enjoyed by the Transferor Companies, including but without being limited to all patents, trade marks, trade names, copy rights, brands, goodwill and other commercial rights of any nature whatsoever and licenses in respect thereof, privileges, liberties, easements, advantages, benefits, leases of land properties, plant and machinery, vehicles etc, tenancy rights, ownership flats, authorizations, registrations and entitlements like electricity, right to use and avail of telephones, telexes, facsimile connections and installations, utilities, electricity, water, gas connections, other fuel and power, and electronic and other services, reserves, provisions, funds, financial assets, benefits of all agreements and deposits, any tax benefits direct or indirect including advance tax paid or any tax deducted in respect of any income received and all other interests belonging to or in the ownership, power or possession or in the control of or vested in or granted in favour of or enjoyed by the Transferor Companies as on the Appointed Date; and

(c) all records, files, papers, computer programmes, manuals, data, catalogues, quotations, sales and advertising materials, lists of present and former customers, customer credit information, customer pricing information, and other records, whether in physical form or electronic form in connection with or relating to the Transferor Companies as on the Appointed Date.

2.4 "Effective Date" means the date on which the last of conditions precedent stated in Clause 17 hereof are satisfied.

2.5 "Electricity Laws" means the Electricity Act, 2003, and Gujarat Electricity Industry (Reorganisation and Regulation) Act,2003 and any rules, regulations, government policy there under and includes any amendments thereto from time to time.

2.6 "Liabilities" shall mean and include all debts, liabilities, loans, borrowings, bills payable, public deposits, security deposits, meter deposits, interest accrued, contingent liabilities and all other liabilities, duties, undertakings, contractual obligations, guarantees given and obligations of each of the Transferor Companies as on the Appointed Date along with any charge, encumbrance, lien or security thereon including

(a) liabilities on account of loans and advances from secured creditors, unsecured creditors, preference shareholders and contingent liabilities not provided in the books of the Transferor Companies, and such additional liabilities pertaining to the Transferor Companies incurred since the Appointed Date.

(b) obligations of whatsoever kind including liabilities for payment of gratuity, pension benefits, provident fund or compensation in the event of retrenchment.

2.7 "Record date" means the date to be fixed by the Board of Directors of the Transferee Company and the Transferor Companies, for the purpose of issue of equity shares of the Transferee Company to the shareholders of the Transferor Companies in terms of this Scheme.

2.8 "Scheme of Amalgamation" or "this Scheme" or "the Scheme" means this Composite Scheme of Arrangement including amalgamation of each of the Transferor Companies with the Transferee Company in its present form or as may be modified from time to time or as may be approved or directed to be modified by the High Court of Gujarat at Ahmedabad.

2.9 "Transferor Companies" means "TPAL", "TPSL" and "TPGL" collectively, and where the context requires any of the Transferor Companies.

2.10 "TPAL" means Torrent Power AEC Limited, an existing company under the Act having its registered office at Electricity House Lal Darwaza, Ahmedabad – 380 001, Gujarat.

2.11 "TPSL" means Torrent Power SEC Limited, an existing company under the Act, having its registered office at Torrent House, Station Road, Surat – 395 003, Gujarat.

2.12 "TPGL" means Torrent Power Generation Limited, a company incorporated under the Act, having its registered office at Torrent House, Off Ashram Road, Ahmedabad – 380009, Gujarat.

2.13 "Transferee Company" means "Torrent Power" a company incorporated under the Act having its registered office at Torrent House, Off Ashram Road, Ahmedabad – 380009, Gujarat.

2.14 "Torrent Power" means Torrent Power Limited a company incorporated under the Act, having its registered office at Torrent House, Off Ashram Road, Ahmedabad – 380 009, Gujarat (also referred to as the "Transferee Company").

2.15 "Undertaking" means the respective businesses of the Transferor Companies on a going concern basis and shall also include all the Assets, Liabilities and employees of the Transferor Companies.

2.16 "Unsecured Creditors" means all the unsecured creditors of the Transferor Companies but does not include the consumers of electricity, including with respect to the security deposit placed by them with the Transferor Company / Companies for availing the supply of electricity.

Any words or expressions used and not defined in the Scheme, but defined in the Electricity Laws or the Act or the Depositories Act and other applicable laws, rules, regulations, bye-laws, shall have the meaning respectively assigned to them in those laws.

The words importing the singular include the plural; words importing any gender include every gender.

A reference to a Transferor Company includes reference to the Transferor Companies unless the context specifically requires otherwise.

3) OPERATIVE DATE

This Scheme, although effective from the Appointed Date, shall become operative from the Effective Date. References in this Scheme to the date of "coming into effect of this Scheme" or "effectiveness of this Scheme" shall be to the Effective Date.

Part II

Total	5.00

Part III

AMALGAMATION OF THE TRANSFEROR COMPANIES WITH THE TRANSFEREE COMPANY

5. TRANSFER AND VESTING OF UNDERTAKINGS

5.1 Upon this Scheme coming into effect and subject to the provisions of the Scheme in relation to the mode of transfer and vesting, the Undertakings of the Transferor Companies as a going concern shall be transferred to and vested in or be deemed to be transferred to and vested in the Transferee Company on and from the Appointed Date in the following manner:

(i) With effect from the Appointed Date, all the Assets of each of the Transferor Companies, shall, under the provisions of Sections 391 and 394 and all other applicable provisions, if any of the Act, without any further act or deed be transferred to and vested in and deemed to be transferred to and vested in the Transferee Company as a going concern so as to become, as from the Appointed Date, the Assets of the Transferee Company and to vest all the right, title and interest therein to the Transferee Company.

(ii) With effect from the Appointed Date, all the Liabilities and obligations of every kind, nature and description of the Transferor Companies shall, under the provisions of Sections 391 and 394 of the Act without any further act or deed be transferred to or be deemed to be transferred to the Transferee Company so as to become as from the Appointed Date the Liabilities and obligations of the Transferee Company without any notice or other intimation to the creditors and further that it shall not be necessary to obtain the consent of any third party or other person who is a party to any contract or arrangement by virtue of which such Liabilities and obligations have arisen, in order to give effect to the provisions of this clause.

(iii) (a) Where any of the Liabilities of the Transferor Companies have been discharged by the Transferor Companies after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on account of the Transferee Company.

(b) All loans raised and utilized and all the Liabilities and obligations incurred or undertaken by the Transferor Companies in relation to or in connection with the Undertaking after the Appointed Date and prior to the Effective Date shall be deemed to have been raised, used, incurred or undertaken for and on behalf of the Transferee Company and to the extent they are outstanding on the Effective Date, shall, upon the coming into effect of this Scheme, pursuant to the provisions of Section 394(2) and other applicable provisions of the Act, without any further act, instrument or deed be and stand transferred to or vested in or be deemed to have been transferred to and vested in the Transferee Company and shall become the Liabilities and obligations of the Transferee Company which shall meet, discharge and satisfy the same.

5.2 If and to the extent there are inter - corporate loans, deposits or balances inter se between the Transferor Companies or between the Transferor Companies and the Transferee Company, the obligations in respect thereof shall, on and from the Appointed Date, come to an end and suitable effect shall be given in the books of accounts and records of the Transferee company if required, for such adjustments. For removal of doubts, it is hereby clarified that from the Appointed Date, there would be no accrual of interest or other charges in respect of any such inter-corporate loans, deposits or balances inter-se between the Transferor Companies or between the Transferor Companies and the Transferee Company.

5.3 With effect from the Appointed Date, the borrowing limits of the Transferee Company in terms of Section 293 (1) (d) of the Act shall, without further act or deed, stand increased to Rs.50,000,000,000/- (Rupees Five Thousand Crores only), notwithstanding that the monies to be borrowed together with the monies already borrowed (apart from temporary loans obtained from the company's bankers in the ordinary course of business), may exceed the aggregate of the paid up capital of the Transferee Company and its free reserves.

It is clarified that the approval of the members of the Transferor Companies and the Transferee Company to the Scheme shall be deemed to be their consent/ approval also to the enhancement of the borrowing limit of the Transferee Company as required under Section 293(1) (d) and other applicable provisions of the Act.

5.4 The transfer and/ or vesting of the Assets as aforesaid shall be subject to the existing charges, hypothecation and mortgages, if any, in respect of all the Assets or any part thereof of the Transferor Companies.

Provided however, that any reference in any security documents or arrangements, to which any of the Transferor Companies is a party, to the assets of the Transferor Companies which it has offered or agreed to be offered as security for any financial assistance or obligations, to the secured creditors of the Transferor Companies, shall be construed as reference only to the assets pertaining to the assets of the said specific Transferor Company as are vested in the Transferee Company by virtue of the aforesaid clause, to the end and intent that such security, mortgage and charge shall not extend or be deemed to extend, to any of the assets or to any of the other units or divisions of the Transferee Company, unless specifically agreed to by the Transferee Company with such secured creditors.

Provided however, that the Scheme shall not operate to enlarge the security of any loan, deposit or facility created by or available to the Transferor Companies which shall vest in the Transferee Company by virtue of the Scheme and the Transferee Company shall not be obliged to create any further or additional security thereof after the Scheme has become effective or otherwise.

5.5 The Transferee Company may, at any time after coming into effect of this Scheme in accordance with the provisions hereof, if so required, under any law or otherwise, execute deeds of confirmation/ notice in favour of any other party to any contract or arrangement to which the Transferor Companies are party of any writings as may be necessary to be executed in order to give formal effect to the above provisions. The Transferee Company shall under the provisions of the Scheme be deemed to be authorized to execute any such writings on behalf of the Transferor Companies and to implement or carry out all such formalities or compliance referred to above on the part of the Transferor Companies to be carried out or performed.

6) CONTRACTS, DEEDS, BONDS AND OTHER INSTRUMENTS

6.1 The Transfer and vesting of the Assets and Liabilities and the continuance of the proceedings mentioned in Clauses 5 and 7 shall not in any manner effect the transactions or proceedings already concluded by or against the Transferor Companies:-

(a) On or before the Appointed Date; and that the Transferee Company accepts on behalf of itself all acts, deeds, bonds, agreements and other instruments of whatever nature done and executed by the Transferor Companies.

(b) After the Appointed Date but before the Effective Date; and that the Transferee Company accepts on behalf of itself all acts, deeds, bonds, agreements and other instruments of whatever nature done and executed by the Transferor Companies.

6.2 Upon the coming into effect of this Scheme and subject to the provisions of this Scheme all contracts including power purchase agreements with any generating, transmission, distribution or trading company, or any Government, deeds, bonds, agreements, arrangements and other instruments of whatsoever nature including any license or permits to which the Transferor Companies are a party or to the benefit of which the Transferor Companies may be eligible, and which are subsisting or having effect immediately before the Effective Date, shall be in full force and effect against or in favor of the Transferee Company as the case may be and may be enforced as fully and effectually as if, instead of the Transferor Companies, the Transferee Company had been a party or beneficiary thereto. The Transferee Company shall enter into and/or issue and/or execute deeds, writings or confirmations or enter into any multipartite agreements, arrangements, confirmations or novations to which the Transferor Companies will, if necessary, also be a party in order to give formal effect to the provisions of this Clause, if so required or becomes necessary.

6.3 It is clarified that upon the coming into effect of this Scheme and subject to the provisions of this Scheme the power purchase agreements between TPAL and TPGL and, TPSL and TPGL, all contracts, deeds, bonds, agreements, arrangements and other instruments of whatsoever nature entered into between the Transferor Companies be treated as cancelled and shall cease to operate.

6.4 For avoidance of the doubt and without prejudice to the generality of the foregoing, it is clarified that upon the coming into effect of this Scheme, all consents, permissions, licences, certificates, clearances, authorities, powers of attorney given by, issued to or executed in favour of the Transferor Companies shall stand transferred to the Transferee Company, as if the same were originally given by, issued to or executed in favour of such Transferee Company, and such Transferee Company shall be bound by the terms thereof, the obligations and duties thereunder, and the rights and benefits under the same shall be available to such Transferee Company. For this intent and purpose, if required, pending sanction of the scheme, the Transferor Companies shall make applications to and obtain relevant approvals from the concerned governmental authorities as may be necessary in this behalf.

7) <u>LEGAL PROCEEDINGS</u>

7.1 All suits, actions and proceedings of whatever nature by or against the Transferor Companies pending and/ or arising on or before the Effective Date shall not abate, or be discontinued or be in any way prejudicially affected by reason of the transfer of the businesses of the Transferor Companies pursuant to this Scheme but be continued, prosecuted and enforced by or against the Transferee Company as effectually as if the same had been pending and/ or arising against the Transferee Company.

7.2 The Transferee Company undertakes to have all legal and other proceedings initiated by or against the Transferor Companies referred to in Clause 7.1 above transferred to its name and to have the same continued, prosecuted and enforced by or against the Transferee Company.

8) <u>STAFF, WORKMEN AND EMPLOYEES OF THE TRANSFEROR COMPANIES</u>

8.1 All staff, workmen and employees of the Transferor Companies on the Effective Date shall become the staff, workmen and employees of the Transferee Company on such date without any break or interruption in their service and on the same terms and conditions as applicable to the employees of the respective Transferor Companies as on the said date. It is clarified that the employees of the Transferor Companies who become employees of the Transferee Company by virtue of this Scheme shall not be entitled to the employment policies, and shall not be entitled to avail of any schemes and benefits that are applicable and available to any of the employees of the other Transferor Companies unless otherwise determined by the Transferee Company. The Transferee Company undertakes to continue to abide by any agreement/settlement, if any, entered into by the Transferor Companies with any union/employee of the Transferor Companies.

8.2 It is expressly provided that as far as the provident fund, gratuity fund, superannuation fund or any other special fund or schemes created or existing for the benefit of the staff, workmen and employees of the Transferor Companies ("Transferor Company Funds") are concerned, upon the Scheme becoming effective, the Transferee Company shall stand substituted for the Transferor Companies for all purposes whatsoever related to the administration or operation of the Transferor Company Funds or in relation to the obligation to make contributions thereto in accordance with provisions thereof as per the terms provided in the respective trust deeds/ other documents. It is the end and intent that all the rights, duties, powers and obligations of the Transferor Companies in relation to the Transferor Company Funds shall become those of the Transferee Company.

8.3 The Transferee Company shall create and contribute to provident funds, gratuity funds, superannuation funds or any other special fund or schemes corresponding to the Transferor Company Funds ("Transferee Company Funds") till such time when the name of the Transferee Company is substituted for the Transferor Companies for the administration of the Transferor Company Funds.

8.4 It is clarified that on the substitution of the name of the Transferee Company for the Transferor Companies in accordance with Clause 8.2 above, the funds held in that Transferor Company Fund will be merged with the funds accumulated, if any in the corresponding Transferee Company Fund.

8.5 It is further clarified that the services of the staff, workmen and employees of the Transferor Companies will be treated as having been continuous for the purpose of the aforesaid funds or provisions.

8.6 The Transferor Companies and the Transferee Company shall take all steps necessary to ensure that the name of the Transferee Company is substituted for the name of the Transferor Companies for the purpose of the aforesaid funds including filing requests as necessary with the relevant authorities.

9) CONDUCT OF BUSINESS BY THE TRANSFEROR COMPANIES TILL EFFECTIVE DATE AND RELATED ISSUES

For the period beginning on and from the Appointed Date and ending on the Effective Date: -

9.1 The Transferor Companies shall carry on and be deemed to have carried on all its business and activities and shall be deemed to have held and possessed of and shall continue to hold and stand possessed of all the Assets and Liabilities for and on account of and in trust for the Transferee Company. The Transferor Companies hereby undertake to hold the Assets and Liabilities with utmost prudence until the Effective Date.

9.2 All the profits or income accruing or arising to the Transferor Companies and all costs, charges, expenditure, taxes or losses arising or incurred by the Transferor Companies shall, for all purposes, be treated and be deemed to be and accrue as the profits, income, costs, charges, expenditure, taxes or losses of the Transferee Company, as the case may be.

9.3 The Transferor Companies shall carry on its business and activities until the Effective Date with reasonable diligence, and business prudence and shall not, without the prior consent of the Transferee Company, alienate, charge, mortgage, encumber or otherwise deal with or dispose off the Assets or any part thereof, except in the ordinary course of business or otherwise expressly stated in the Scheme, or pursuant to any pre-existing obligation undertaken by the Transferor Companies.

Provided however, that the Transferor Companies shall in the ordinary course of business, be entitled to borrow in the form of loans if deemed necessary by it, and further consent for this purpose will not be required of the Transferee Company in that behalf.

9.4 The Transferor Companies shall not, without the prior written consent of the Board of Directors of the Transferee Company, undertake any new business or a substantial expansion of their existing business.

9.5 Neither the Transferor Companies nor the Transferee Company shall make any change in their respective capital structure (paid-up capital), either by increase, (by issue of shares on rights basis, bonus shares, convertible debentures or otherwise) decrease, reduction, reclassification, sub-division or consolidation, re-organization or any other manner, other than changes pursuant to any prior commitments, obligations or arrangements or acts and deeds already made, except by mutual consent of the Boards of Directors of the Transferee Company and the Transferor Companies or as may be expressly permitted under the Scheme.

9.6 It is clarified that the restrictions contained in Clauses 9.3, 9.4 and 9.5 hereof shall be applicable from the date of acceptance of the draft of the Scheme by the respective Board of Directors of the Transferor Companies and the Transferee Company and not from the Appointed Date.

9.7 In order to carry on the activities currently being carried on by the Transferor Companies, upon the approval of the Scheme by the members of the Transferor Companies and the members of the Transferee Company pursuant to Section 391 of the Act, it shall be deemed that the members of the Transferee Company have also resolved and accorded all relevant consents under Section 149 of the Act or any other provisions of the Act for the commencement of any business or activities currently being carried on by the Transferor Companies in relation to any of the objects contained in the Memorandum of Association of the Transferee Company, to the extent the same may be considered applicable without the Transferee Company requiring to follow the procedure under Section 149 (2) or Section 149 (2A) of the Act.

10) ACCOUNTING

10.2 The Transferee Company shall account for amalgamation as under:

(a) Upon the coming into effect of this Scheme and with effect from the Appointed Date, for the purpose of accounting for and dealing with the value of the assets and liabilities of the Transferor Companies in the books of the Transferee Company, the fair value of the Assets and Liabilities of the Transferor Companies shall be determined as of the Appointed Date, and accounted appropriately.

(b) The Transferee Company shall record the following amounts as reserves being the corresponding balance of such reserves of the Transferor Companies as on the Appointed Date under the applicable Laws:

(i) Dividend and Tariff Control Reserve Rs. 1159.16 lacs

(ii) Contingency Reserves Rs. 6543.36 lacs

10.3 Pursuant to the Scheme coming into effect, the difference, if any, arising between:

(a) the value of Assets and Liabilities as recorded in the books of account of the Transferee Company pursuant to clause 10.2 above after taking into consideration the cancellation of equity shares of TPGL pursuant to clause 12.2 below and

(b) the aggregate value of (i) the equity shares allotted subject to reorganization pursuant to clause 12.4 below and General Reserve arising pursuant to such reorganization (ii) the Dividend and Tariff control reserve and Contingency Reserve recorded in the books of accounts of the Transferee Company pursuant to clause 10.2 above

shall be recorded as general reserve in the books of the Transferee Company.

10.4 In case of any difference in the accounting policy among the Transferor Companies or between the Transferor Companies and the Transferee Company, the impact of the same till the Appointed Date will be quantified and adjusted in the general reserves of the Transferee Company to ensure that the financial statements of the Transferee Company reflect the financial position on the basis of consistent accounting policy.

11) <u>TREATMENT OF TAXES</u>

11.1 Any tax liabilities under the Income-tax Act, 1961, Customs Act, 1962, Central Excise Act, 1944, state sales tax laws, Central Sales Tax Act, 1956 or other applicable laws/ regulations dealing with taxes/ duties/ levies (hereinafter in this Clause referred to as "Tax Laws") allocable or related to the business of the Transferor Companies to the extent not provided for or covered by tax provision in the accounts made as on the date immediately preceding the Appointed Dated shall be transferred to Transferee Company. Any surplus in the provision for taxation/ duties/ levies account including advance tax and TDS as on the date immediately preceding the Appointed Date will also be transferred to the account of the Transferee Company.

11.2 Any refund under the Tax Laws due to Transferor Companies consequent to the assessments made on Transferor Companies and for which no credit is taken in the accounts as on the date immediately preceding the Appointed Date shall also belong to and be received by the Transferee Company.

11.3 All taxes (including income tax, sales tax, excise duty, customs duty, service tax, VAT, etc.) paid or payable by the Transferor Companies in respect of the operations and/or the profits of the business before the Appointed Date, shall be on account of the Transferor Companies and, insofar as it relates to the tax payment (including, without limitation, sales tax, excise duty, custom duty, income tax, service tax, VAT, etc.), whether by way of deduction at source, advance tax or otherwise howsoever, by the Transferor Companies in respect of the profits or activities or operation of the business after the Appointed Date, the same shall be deemed to be the corresponding item paid by the Transferee Company, and, shall, in all proceedings, be dealt with accordingly.

12) ISSUE OF SHARES BY THE TRANSFEREE COMPANY AND REORGANISATION OF ITS SHARE CAPITAL

12.1 The Board of Directors of the Transferor Companies and the Transferee Company appointed M/s N. M. Raiji & Co., Chartered Accountants as the valuer for determination of fair exchange ratio for issue of shares to the shareholders of the Transferor Companies by the Transferee Company pursuant to the amalgamation of the Transferor Companies with the Transferee Company. A fairness opinion has also been provided by M/s Ernst & Young Private Limited on the valuation done by M/s N. M. Raiji & Co.

12.2 Upon coming into effect of this Scheme and in consideration of the transfer and vesting of the Undertaking of the Transferor Companies in the Transferee Company the Transferee Company shall, subject to the subsequent provisions of the Scheme and without any further application or deed, be required to issue and allot to the equity shareholders of the Transferor Companies whose names appear in the Register of Members of the Transferor Companies as on the Record Date, equity shares of the face value of Rs. 10/- each in the Transferee Company, credited as fully paid-up, (hereinafter referred to as the "Exchange Shares"), in the following manner:

(a) 22 (Twenty Two) equity shares of Rs. 10/- each fully paid-up of Torrent Power Limited for every 1 (One) equity shares of Rs 10/- each fully paid-up held in Torrent Power AEC Limited.

(b) 47 (Forty Seven) equity shares of Rs. 10/- each fully paid-up of Torrent Power Limited for every 1(One) equity shares of Rs 10/- each fully paid-up held in Torrent Power SEC Limited.

(c) 1(One) equity shares of Rs. 10/- each fully paid-up of Torrent Power Limited for every 1 (One) equity shares of Rs 10/- each fully paid-up held in Torrent Power Generation Limited.

It is clarified that on the scheme being effective, the shares of TPGL held by TPAL and TPSL shall be cancelled and no shares shall be issued by the Transferee Company against these shares.

12.3 Upon the Scheme becoming effective, the issued, subscribed and paid up equity share capital of the Transferee Company shall stand reduced with effect from the Appointed Date, in accordance with Section 100 and all other applicable provisions of the Act, if any, in the manner as provided hereunder:

(a) The issued, subscribed and paid up equity share capital of the Transferee Company including the Exchange Shares shall be reduced by reducing the face value and paid up value of the said shares from Rs.10/- each to Rs. 2.50/- each. Consequent to such reduction in the value of the shares from Rs. 10/- each to Rs. 2.50/- each, value of the shareholding of the shareholders of the Transferee Company, including the allottees of the Exchange Shares, shall be reduced proportionately.

(b) Simultaneously, 4 (Four) equity shares (including the Exchange Shares), each of Rs. 2.50/-, shall be consolidated into 1 (One) share of Rs. 10/- fully paid up.

(c) It is hereby clarified that the amount of Rs 1417.35 Crore by which the share capital of the Transferee Company including the Exchange Shares is reduced in terms of Clause 12.3 (a) above, shall not be paid to the shareholders of the Transferee Company but shall be credited to the "General Reserve" account of the Transferee Company.

12.4 In view of Clauses 12.1, 12.2 and 12.3 hereinabove, upon coming into effect of this Scheme and in consideration of the transfer and vesting of the Undertaking of the Transferor Companies in the Transferee Company, the Transferee Company shall actually issue and allot to the equity shareholders of the Transferor Companies whose names appear in the Register of Members of the Transferor Companies as on the Record Date, equity shares mentioned hereunder (hereinafter called the "New Equity Shares") of the face value of Rs. 10/- each in the Transferee Company credited as fully paid-up, in the following manner:

(a) 5.5 (Five and Half) equity shares of Rs. 10/- each fully paid-up of Torrent Power Limited for every 1 (One) equity shares of Rs 10/- each fully paid-up held in Torrent Power AEC Limited.

(b) 11.75 (Eleven and Three fourth) equity shares of Rs. 10/- each fully paid-up of Torrent Power Limited for every 1 (One) equity shares of Rs 10/- each fully paid-up held in Torrent Power SEC Limited.

(c) 0.25 (One Fourth) equity shares of Rs. 10/- each fully paid-up of Torrent Power Limited for every 1 (One) equity shares of Rs 10/- each fully paid-up held in Torrent Power Generation Limited.

It is clarified that on the scheme being effective, the shares of TPGL held by TPAL and TPSL shall be cancelled and no shares shall be issued by the Transferee Company against these shares.

12.4.1 No fractional certificate(s) shall be issued by the Transferee Company in respect of any fractions which the members of the Transferor Companies may be entitled to on issue and allotment of the New Equity Shares as aforesaid by the Transferee Company. The Board of Directors of the Transferee Company shall instead, consolidate all such fractional entitlements and allot New Equity Shares in lieu thereof to a Director or an officer of the Transferee Company or such other person(s) as the Board of Directors of the Transferee Company shall appoint in this regard who shall hold the New Equity Shares in trust on behalf of the members entitled to such fractional entitlements with express understanding that such director or officer or person(s) shall sell the same in market at such time(s) (not later than 6 months upon coming into effect of this Scheme) at such price(s) and to such person(s) as it/ he/ they may deem fit, and pay to the Transferee Company the net sale proceeds thereof. Thereupon the Transferee Company shall distribute the net sale proceeds, after deduction of applicable taxes/ duties/ levies, if any, to the members entitled in proportion to their respective fractional entitlements. In case the number of such shares to be allotted to the Director/officer by virtue of consolidation of fractional entitlements is a fraction, one additional equity share will be issued in the Transferee Company to such Director/officer.

12.5 The reduction of capital of the Transferee Company pursuant to the Scheme shall be given effect as an integral part of the Scheme and the consent given to the Scheme by the shareholders and the creditors of the Transferee Company shall be deemed to be their consent under the provisions of Section 100 and all other applicable provisions of the Act to such reduction of capital of the Transferee Company and the Transferee Company shall not be required to convene any separate meeting for that purpose. The order of the Honorable High Court sanctioning the Scheme shall be deemed to be an Order under Section 102 of the Act.

12.6 The total number of New Equity Shares of Transferee Company to be issued and allotted to members of Transferor Companies, credited as fully paid up and shall be on the following terms:

(a) The New Equity Shares to be issued and allotted in terms hereof will be subject to the Memorandum and Articles of Association of the Transferee Company.

(b) Subject to the provisions of this Scheme, the New Equity Shares to be issued and allotted to the shareholders of the Transferor Companies pursuant to this Scheme shall in all respects, rank *pari passu* with the existing equity shares of the Transferee Company in respect of dividend, bonus,.right shares, voting rights and other corporate benefits. Until the Effective Date, the holders of the equity shares of the Transferor Companies shall continue to enjoy their rights under their Articles of Association, including the right to receive dividend if any, declared in accordance with the Act and the Articles of Association of the Transferor Companies.

(c) Subject to the provisions of the Securities Contracts (Regulations) Act, 1956, the Securities and Exchange Board of India ("SEBI") Act 1992 and the SEBI (Disclosure and Investor Protection) Guidelines, 2000 and the Listing Agreement with the stock exchanges where the shares of the Transferor Companies are listed, the equity shares of the Transferee Company (including New Equity Shares to be issued by the Transferee Company pursuant to the Scheme) shall be listed. The Transferee Company shall take steps for listing of these shares on these Stock Exchanges in_accordance with the SEBI (Disclosure and Investor Protection) Guidelines, 2000 and the Listing Agreement.

(d) The New Equity Shares of the Transferee Companies shall be issued in dematerialized form to those shareholders of the Transferor Companies who hold shares in the Transferor Companies in dematerialized form, provided that all details relating to the account with the depository participant are available to the Transferee Company.

(e) All the shareholders of the Transferor Companies who hold shares of Transferor Companies in physical form, will be issued New Equity Shares in physical form (unless otherwise communicated in writing by the shareholders of the Transferor Companies to the Transferee Company), on or before such date as may be determined by the Board of Directors of the Transferee Company. Notwithstanding the foregoing, upon the New Equity Shares being issued and allotted, as aforesaid, the shares held in physical form held in the Transferor Companies shall be deemed to have been automatically cancelled and have no effect.

(f) In so far as the forfeited shares of the Transferor Companies are concerned, no shares shall be issued by the Transferee Company in lieu thereof.

(g) (i) The Transferor Companies may declare and pay dividend, whether interim or final, subject to the provisions of the Act, to its equity shareholders for the financial year ending after the Appointed Date but prior to the Effective Date provided the Board of Directors of the Transferor Companies has obtained the prior consent and approval of the Board of Directors of the Transferee Company before making such recommendation to the members of the Transferor Companies.

(ii) The Transferee Company may declare and pay dividend, whether interim or final, subject to the provisions of the Act, to its equity shareholders for the financial year ending after the Appointed Date but prior to the Effective Date and no such dividend shall be payable to the shareholders of the Transferor Companies in respect of their shareholding in the Transferor Companies or their entitlement to the New Equity Shares pursuant to this Scheme if such dividend is declared prior to the Effective Date.

(iii) It is clarified that the aforesaid provisions in respect of declaration of dividends are enabling provisions only and shall not be deemed to confer any right on any member of the Transferor Companies and/or the Transferee Company to demand or claim any dividends which, subject to the provisions of the said Act, shall be entirely at the discretion of the respective Boards of Directors of the Transferor Companies and the Transferee Company respectively, and subject to the approval of the shareholders of the Transferor Companies and the Transferee Company respectively.

13) AMENDMENT TO MEMORANDUM AND ARTICLES OF ASSOCIATION OF THE TRANSFEREE COMPANY

On the Scheme becoming effective, the authorized capital clause of the Memorandum of Association of the Transferee Company shall be substituted by the following paragraph and approval by the shareholders to the Scheme shall be deemed to be their consent to the alteration of the Memorandum of Association pursuant to Section 16 read with Section 94 and other applicable provisions, if any, of the Act:

The Authorised Share Capital of the Company is Rs. 20,000,000,000/- (Rupees Two Thousand Crore only) divided into 2,000,000,000 (Two Hundred Crore only) Equity Shares of Rs. 10/- (Rupees Ten) each.

The shares in the capital of the Company for the time being, whether original, increased or decreased, may be divided into several classes with any preferential, qualified or other special rights, privileges, conditions or restrictions attached thereto, whether in regard to dividend, voting, return of capital or otherwise. The Company shall have power to issue redeemable preference shares.

The rights of the holders of any class of shares forming part of the capital for the time being of the Company may be modified, affected, varied, extended, surrendered, or abrogated in such manner as is, or may be, provided by the Articles of Association of the Company as originally registered or as altered from time to time.

14) TRANSFEROR COMPANIES DISSOLVED WITHOUT WINDING UP

On the Scheme becoming effective, the Transferor Companies shall be dissolved without winding up under Section 394 of the Act.

Part IV

PROVISIONS APPLICABLE TO ALL PARTS OF THE SCHEME

15) APPLICATIONS TO HIGH COURTS

15.1 The Transferor Companies shall, with all reasonable dispatch, make applications/ petitions under Sections 391 to 394 and other applicable provisions of the Act to the High Court of Gujarat at Ahmedabad for sanctioning of this Scheme and for dissolution of the Transferor Companies without winding up under the provisions of law, and obtain all approvals as may be required under law.

15.2 The Transferee Company shall, also with all reasonable despatch, make applications/ petitions under Sections 391 to 394 of the Act, and other applicable provisions of the Act to the High Court of Gujarat at Ahmedabad for sanctioning of this Scheme under the provisions of law, and obtain all approvals as may be required under law.

16) MODIFICATION/ AMENDMENT TO THE SCHEME

16.1 The Transferor Companies and the Transferee Company through their respective Board of Directors or a committee thereof or authorized officers are hereby empowered and authorized to assent from time to time to any modifications or amendments to this Scheme or to any conditions or limitations which the High Court of Gujarat at Ahmedabad or SEBI or stock exchanges where they are listed or any other statutory authorities may impose and to settle all doubts or difficulties that may arise for carrying out the Scheme and to do and execute all acts, deeds, matters and things as may be necessary for putting the Scheme into effect or review the position relating to the satisfaction of the conditions of this Scheme and if necessary, waive any of such conditions (to the extent permissible under law) for bringing this Scheme into effect.

16.2 For the purpose of giving effect to this Scheme or to any modifications or amendments thereof, the Directors of the Transferee Company or such authorised officers may give and are authorized to give all such directions as are necessary including directions for settling any question of doubt or difficulty that may arise after the dissolution of the Transferor Companies.

17) SCHEME CONDITIONAL ON APPROVALS / SANCTIONS

This Scheme is specifically conditional upon and subject to:

(a) The approval of and agreement to the Scheme by the requisite majorities of such classes of persons of the Transferor Companies and the Transferee Company as required under the Act for the purpose and the requisite orders of the High Court of Gujarat at Ahmedabad being obtained.

(b) Such other sanctions and approvals including sanctions of any statutory or regulatory authority including those required under Electricity Act, 2003 and other electricity laws, creditors, lessors, lenders or contracting parties as may be required by law or contract in respect of the Scheme being obtained; and

(c) Filing of the certified copy of the Order of the High Court of Gujarat at Ahmedabad sanctioning the Scheme with the Registrar of Companies, Gujarat within such time as may be specified by the High Court or such extended time as approved by the High Court .

18) EFFECT OF NON-RECIEPT OF APPROVAL/SANCTION

In the event of any of the aforesaid sanctions and approvals referred to in the preceding Clause 17 above, not being obtained and/ or the Scheme not being sanctioned by the High Court of Gujarat at Ahmedabad within six months of passing of resolution by the Board of Directors of the Transferor Companies and the Transferee Company approving this Scheme or within such further period or periods as the Board of Directors of the Transferor Companies and Transferee Company may agree, the Scheme shall stand revoked, cancelled and become null and void and no rights and liabilities whatsoever shall accrue to or be incurred *inter se* by the parties or their shareholders or creditors or employees or any other person. In such event, each party shall bear its respective costs, charges and expenses in connection with the Scheme.

19) BOARD OF DIRECTORS OF THE TRANSFEROR COMPANIES

The Board of Directors (which includes any committee/ sub-committee thereof) of the Transferor Companies, upon the Scheme becoming effective, shall without any further act, instrument and deed stand dissolved. All the Directors of the Transferor Companies shall cease to be Directors of the Transferor Companies on coming into effect of this Scheme without affecting their rights as shareholders, if any, in the Transferor Companies, however, if any such Director is a Director of the Transferee Company he would continue to hold his office in the Transferee Company.

20) EXPENSES CONNECTED WITH THE SCHEME

Except for the event mentioned in Clause 18 above, all costs, charges and expenses of the Transferor Companies and the Transferee Company in relation to or in connection with this Scheme and for carrying out and implementing/ completing the terms and provision of the Scheme and/ or incidental to the completion of the amalgamation of the Undertaking of the Transferor Companies in pursuance of this Scheme shall, except as specifically provided herein, be borne by the Transferee Company.

Date : 13/08/2015

ORAL JUDGMENT

These are the petitions filed by three companies for the purpose of obtaining sanction of this court to a composite scheme of amalgamation of two transferor companies, i.e. Torrent Energy Limited and Torrent Cables Limited with Torrent Power Limited, the Transferee Company, proposed under section 391 to 394 of the Companies Act, 1956.

2. It has been submitted that all the companies in the proposed scheme belong to the same group of management, i.e. Torrent group. They are all engaged into the complimentary commercial activities, i.e. power generation, transmission and distribution activities. Hence, the Board of Directors of these Companies have decided to amalgamate these companies with the primary objective of consolidation of the activities. As contended by the petitioners, the proposed amalgamation is expected to result in the following benefits:

(i) Enhanced shareholders' value;

(ii) Alignment of various aspects of the power business of the Torrent Group in a logical group and sequence;

(iii) Synergies of operations, inter alia, from consolidated fuel and spares procurement, optimization of logistics costs and more refined power generation / distribution models;

(iv) Integration of business thereby providing significant impetus to the growth;

(v) Concentrated management focus and improved organizational capability;

(vi) Integrated, rationalized and streamlined management structure of the merged business;

(vii) Strengthening of financial position with wider capital base and increased leverage capacity of the merged entity;

(viii) Facilitate inter transfer of resources and optimum utilisation of assets;

(ix) Pooling of human talent in terms of manpower, management, administration and marketing to result in saving of costs.

(x) Avoiding duplication of administrative functions, reduction in multiplicity of legal and regulatory compliances;

(xi) Synchronizing of efforts to achieve uniform corporate policy;

(xii) Improved opportunities for new ancillary businesses, expansion and modernization of existing ancillary business;

(xiii) Addressing the emerging challenges due to enhanced competitive scenario.

3. It has been further pointed out that the two companies, i.e. Torrent Cables Limited and Torrent Power Limited are listed public limited companies, and the shares are listed on Bombay Stock Exchange Limited for both the companies, and National Stock Exchange of India Limited for the Transferee Company. In compliance with clause 24(f) of the listing agreement, the petitioner company had already approached the concerned stock exchanges, and the approvals/clearances obtained from the said exchanges had been placed on record.

4. It has been submitted that vide order dated 24th February 2015 passed in Company Application No. 42 of 2015, meetings of the equity shareholders of Torrent Energy Limited, the first transferor company was dispensed with. This being the wholly owned subsidiary of Torrent Power

Limited, the transferee company, all the shareholders had granted approval to the scheme in form of written consents, and the same were placed on record. Separate meetings of the unsecured creditors and secured creditors of the company were directed to be convened for the purpose of obtaining their approval to the scheme. Pursuant to the directions, issued with regard to the conduct of the meetings, after service of due notices to all the unsecured creditors and secured creditors, as well as the public notice, the said meetings were duly convened respectively on 30th April 2015 and 1st May 2015. The scheme was considered at the said meetings, and it was approved unanimously by the unsecured creditors as well as secured creditors of the company, present and casting valid votes at the respective meetings. The Chairman's report along with affidavit dated 6th June 2015 has been placed on record, which provides the details of the result of the meeting.

5. It has been further submitted out that vide order dated 24th February 2015 passed in Company Application No. 43 of 2015, separate meetings of the equity shareholders, unsecured creditors and secured creditors of Torrent Cables Limited, the second transferor company were directed to be convened for the purpose of obtaining their approval to the scheme. Pursuant to the directions, issued with regard to the conduct of the meetings, after due notices to all the equity shareholders, unsecured creditors and secured creditors as well as the public notice, the said meetings were duly convened respectively on 30th April 2015 and 1st May 2015. The scheme was considered at the said meetings, and it was approved by the requisite statutory majority of 98.59% in number, and 99.99% in value, by the equity shareholders present and casting valid votes at the said meeting. Further, in compliance of clause 5.16 (a) of the Securities and Exchange Board of India Circulars (CIR/CFD/DIL/5/2013

dated February 4, 2013 and CIR/CFD/DIL/8/ 2013 dated May 21, 2013), the said company had sought the approval from its public shareholders through postal ballot and e-voting. The scheme was approved by requisite majority of 99.92% of the public shareholders through the said procedure. The scheme was duly approved unanimously by the unsecured creditors and secured creditors of the company at the respective meetings. The chairman's report along with affidavit dated 8th June 2015 has been placed on record which provides the details of the result of the meetings as well as Postal ballot and e-voting.

6. It has been further submitted that vide order dated 24th February 2015 passed in Company Application No. 44 of 2015, meetings of the equity shareholders of Torrent Power Limited, the transferee company was directed to be convened for the purpose of obtaining their approval to the scheme. Pursuant to the directions, issued with regard to the conduct of the meeting, after due notices served to all the equity shareholders as well as the public notice, the said meeting was duly convened on 30th April 2015. The scheme was considered at the said meeting, and it was approved by requisite statutory majority of 98.94% in number, and 99.99% in value by the equity shareholders present and casting valid votes at the said meeting. Further in compliance of clause 5.16(a) of the Securities and Exchange Board of India Circulars (CIR/CFD/DIL/5/2013 dated February 4, 2013 and CIR/CFD/DIL/8/ 2013 dated May 21, 2013), the said company had sought the approval from its public shareholders through postal ballot and e-voting. The scheme was approved by requisite majority of 99.967% of the public shareholders through the said procedure. The chairman's report along with affidavit dated 6th June 2015 has been placed on record, which provides the details of the result of the meeting.

7. It has been further submitted that vide order dated 24th February 2015 passed in Company Application No. 44 of 2015, the meetings of the secured and unsecured creditors of the transferee company were dispensed with by accepting the contention of the company that the scheme does not envisage any compromise with the creditors of the transferee company. Further, in light of substantial positive net worth of the transferee company in post scheme scenario, the rights and interest of these creditors are not likely to be adversely affected. However, in compliance with the terms of the respective loan agreements with its secured creditors, the transferee company had undertaken to obtain the approvals from its secured creditors. Attention of the Court is drawn to the additional affidavit dated 10th August 2015. It has been submitted that all the secured lenders, except one, have given their no-objection to the amalgamation, and the same are placed on record. It has been further submitted that two of the lenders sought repayment of the loans given to the transferee company. One of them, Kotak Mahindra Bank Limited, has been prepaid the total outstanding amount, and No Dues Certificate has been obtained from the said lender, a copy of which has also been placed on record. It has been further submitted that the other lender is a foreign bank viz. KFW, which represents around 5% of total secured debt of the transferee company. The transferee company has made all arrangements to prepay the outstanding to the said lender. However, the actual payment can be effected only after the approval is granted by the Reserve Bank of India. The Reserve Bank of India has granted the permission for the full prepayment of outstanding amount along with the consequent prepayment charges with a ceiling on the latter. The petitioner company is in the process of requesting the modification in the permission for ceiling on such prepayment charges. It has been submitted that the

petitioner company is presently unable to complete the process of prepayment for the reasons beyond its control. The petitioner company has undertaken to prepay the full amount due to that creditor on receipt of the modified approval of the Reserve Bank of India, and if it is so desired, it is agreeable to deposit the amount payable to that creditor in a separate bank account with an undertaking to this Court to the effect that the said account shall not be used for any purpose other than the prepayment to the said lender.

8. The substantive petitions for the sanction of the scheme were filed by all the petitioner companies, which were admitted on 19th June 2015. The notice for the hearing of the petitions were duly advertised in the all India editions of English daily 'The Times of India' , English daily and Gujarati dailies 'Gujarat Samachar' and 'Sandesh' as well as additionally 'Divya Bhaskar' dated 20th July 2015, and the publication in the Government gazette was dispensed with as directed in the said orders. Pursuant to the said publication in the newspapers, no objections were received by the petitioner or its advocate. The said fact has been confirmed vide the common additional affidavit dated 10th August 2015.

9. Notice of the petitions have been served upon the Office of the Official Liquidator for the two Transferor companies. The respective reports dated 30th July 2015 have been filed by the Official Liquidator after taking into account the respective reports of the Chartered Accountant appointed by him out of the panel. It has been observed by the Official Liquidator that the affairs of the respective transferor companies have been conducted within their respective object clauses, and they have not been conducted in any manner prejudicial to the interest of their members or public interest, hence, the petitioner

transferor companies may be dissolved without following the process of winding up. However, the Official Liquidator has sought directions to be issued to preserve the books of accounts, papers and records and not to dispose of the same without prior permission of the Central Government as per the provisions of Section 396(A) of the Companies Act, 1956. Accordingly, the transferee company is hereby directed to preserve the books of accounts, papers and records of all the transferor companies and not to dispose of the same without prior permission of the Central Government. It is hereby further directed that even after the scheme is sanctioned, the transferor companies shall comply with all the applicable provisions of law and shall not be absolved from any of its statutory liability.

10. Notice of the petitions have been served upon the Central Government and Shri Devang Vyas, learned Assistant Solicitor General appear for the Central Government A common affidavit dt. 29th July 2015 has been filed by Mr. Shambhu Kumar Agarwal, the Regional Director, North-Western Region, Ministry of Corporate Affairs, whereby several observations are made.

11. The attention of this court is drawn to the common additional affidavit dated 10th August 2015 filed by Mr. T. P. Vijayasarathy, the Executive Director (Corporate Affairs) and Chief Financial Officer of the petitioner transferee company whereby all the above issues have been dealt with. I have further heard submissions made by the learned counsel appearing for the Central Government, and Mrs. Swati Soparkar, learned advocate appearing for the petitioners on the said observations.

(i) The observations made vide 2 (a), 2 (b) and 2 (c) of the affidavit of the Regional Director refer to the factual position and require no response.

(ii) The observation made vide para 2 (d), pertains to the accounting treatment as proposed vide clause 11 (c) of the scheme. It has been observed by the Regional Director that the said clause is not in consonance with the Accounting Standard-14. In this regard, it has been submitted by the petitioner company that perusal of clause 11 (a), makes it clear that the Transferee Company shall account for the amalgamation under the 'Pooling of Interest Method' as prescribed under Accounting Standard 14. The transfer of assets and liabilities of the Transferor Companies are proposed at their book values. It has been further submitted that a company is entitled to prescribe under the Scheme itself, a specific treatment to be given to its reserves. Further, Section 211 (3B) of the Companies Act, 1956 and corresponding section 129 (5) of the Companies Act, 2013, also provides that if the practice adopted for such accounting entry, varies from the said standard, necessary disclosure should be made in the first financial statements of the transferee company. The said issue is already settled by several decisions of various High Courts, including the Gujarat High Court. The petitioner has undertaken that in case of deviation from the aforesaid accounting standard or practice, the transferee company shall make necessary disclosures in its first financial statements after the scheme is made effective. Further, the Regional Director has sought an undertaking that reserves so created, if any, shall not be available for distribution of dividend. In this regard, it has been pointed out that the decision of the Hon'ble Division Bench of the Gujarat High Court has concluded the said issue vide order passed in O.J. Appeal No. 33 of 2012 in the matter of **Adishree Tradelinks Private Limited (176 Company Cases 67 Guj.)**.

Reliance has been placed on the said decision and considering the ratio of the said decision, this court does not think it necessary to issue any such direction or condition on the petitioner company to restrict distribution of dividend out of such reserves.

(iii) Vide para 2 (e), it has been observed by the Regional Director that the transferor company-2, viz. Torrent Cables Limited and the Transferee Company, viz. Torrent Power Limited, being the listed companies had approached the concerned stock exchanges, viz. BSE Limited and National Stock Exchange of India Limited, and obtained the requisite observation letters from the said exchanges. However, under the SEBI circulars dated 4th February 2013 and 21st May 2013, the approval from SEBI has to be obtained. In this regard, it has been submitted that the said petitioner companies were required to obtain SEBI approval through the stock exchanges only and the said exchanges have actually granted the observation letters only after obtaining clearance from SEBI, which is clearly evident from the observation letters.

(iv) Further, it has been pointed out that the petitioner transferor company-2 as well as the petitioner transferee company, being the listed companies in the proposed scheme; had obtained the approval of the public shareholders through postal ballot and e-voting, as envisaged under clause 5.16(a) of the above referred SEBI circulars and the result of the votes cast by postal ballot and e-voting has been presented to the court along with the respective Chairman's reports. This clarifies the complete factual position with regard to the compliances made by the petitioner company with regard to SEBI circulars and in view of this, no further directions are required to be issued in this regard.

(v) The next observation made vide para 2 (f) of the affidavit, pertains to the compliance with the provisions of FEMA and RBI guidelines. It has been clarified, that under the said Acts, no prior approval is required to be obtained for the proposed scheme of amalgamation. As the petitioner companies have confirmed, the transferee company is directed to take all necessary actions to comply with the applicable provisions of the said acts in form of intimation to the concerned authorities at the time of actual issue and allotment of shares to the said NRI/ foreign individuals pursuant to the scheme.

(vi) The next observation made vide para 2(g) pertains to the licences, approvals and other permissions from the concerned regulatory authorities. In this regard, it has been submitted that the scheme has defined the 'Undertakings' elaborately and has specifically included the transfer of all the existing licences, approvals and permissions from the concerned regulatory authorities existing with the transferor companies to be transferred to the transferee company. Further, clause 17.1.7 and 17.1.8 of the scheme has specific reference to the requisite approval from Central Electricity Regulatory Commission under Section 17 of the Electricity Act, 2003; as well as from Gujarat Electricity Regulatory Commission under Section 17 of the Electricity Act, 2003 and Regulation 27 of Gujarat Electricity Regulatory Commission (Licensing of Distribution of Electricity) Regulations, 2005 and section 25 of Gujarat Electricity Industry (Reorganisation and Regulation) Act, 2003 to the extent they are not inconsistent with the provisions of Electricity Act, 2003 for the implementation of the scheme. It has been submitted that the petitioner company had approached the said authorities before initiating the proceedings before the High Court and that the Central Electricity Regulatory Commission vide the order dated 7th January, 2015 has approved the amalgamation of first transferor company with the transferee company as required under section 17 of the Electricity Act, 2003. Similarly, Gujarat Electricity Regulatory Commission vide the order dated 1st April, 2015 has approved the amalgamation of Transferor Company – 1 with the transferee company. Taking note of the same, no further directions are required in this regard.

(vii) The next observation of the Regional Director vide para 2(h) pertains to the letter dated 2nd July 2015 sent to the Income Tax Dept. to invite their objections, if any. The response received from the Income Tax dept. dated 22nd July 2015 provides information about the assessments and outstanding demands for assessment years 2010-11, 2011-12 and 2012-13. In this regard, it has been submitted that the outstanding demands, being disputed, have been challenged by the petitioner companies and the same are pending before the appellate authorities. The petitioner companies have undertaken that, subject to the final adjudications of the tax liabilities, the petitioner companies shall fulfill their tax liabilities.

(viii) It has been further observed by the Regional Director that all the petitioner companies have filed returns for the Assessment year 2014-15 claiming current losses. The petitioners have pointed out the factual errors and further submitted that the scheme is proposed for the commercial benefits of achieving operational synergy by consolidation of activities of all the three companies. The resultant adjustments in the books of accounts and consequentially in the tax liabilities are permissible under the existing provisions of the Income Tax Act. The petitioner companies have undertaken to comply with applicable provisions of Income Tax Act and Rules. At the time of hearing, attention of the court is drawn to the observations of the Apex Court in the matter of Vodafone Essar Gujarat Limited on the plea of the Income Tax Dept. relating to the Scheme of Arrangement, whereby the Apex Court, while dismissing the special leave petition no. 29819/2012 filed by the Income Tax Department against the Division Bench judgment of this Court in the case of **Vodafone Essar Gujarat Ltd. V. Department of Income Tax reported at 353 ITR 222** observed that 'the Department is entitled to take out appropriate proceedings for recovery of any tax statutorily due from the transferor or transferee company or any other person who is liable for payment of such tax due.' In light of the same, subject to the direction in the above terms *viz.* 'the Department is entitled to take out appropriate proceedings for recovery of any tax statutorily due from the transferor or transferee company or any other person who is liable for payment of such tax due" , it is not necessary for this court to issue any further directions.

(ix) The petitioner companies have further undertaken to address the complaints, if any received from any shareholders in respect of the unpaid dividend.

12. Considering all the facts and circumstances and taking into account all the contentions raised by the affidavits and reply affidavits, the reliance placed on the judgments of this High Court and Apex court, and the submissions during the course of hearing, I am satisfied that the observations made by the Regional Director, Ministry of Corporate Affairs, do not survive. I have come to the conclusion that the present scheme of amalgamation is in the interest of the shareholders and creditors of all the companies as well as in the public interest and the same deserves to be sanctioned. As regards the observations made in

paragraph 7 above as to non payment to one of the creditors of the Transferee Company, in view of the judgment of the division bench of this Court in the case of **Union of India V. Ambalal Sarabhai Enterprise Ltd. (1984) 55 Company Cases 623 at page 660**, strictly it may not be necessary to obtain its consent at all. Therefore, the transferee company is hereby directed to deposit the amount payable to that creditor in a separate bank account with an undertaking to this court to the effect that the said account shall not be used for any purpose other than the prepayment to the said lender. The aforesaid direction shall be complied within four weeks from the date of this order.

13. In the facts and circumstances of the case and having heard the learned advocates for the petitioners, the prayer in terms of paragraph 21 (a) of the Co. Petition No. 216 of 2015, paragraph No. 23 (a) of Company Petition No. 217 of 2015, and Company Petition No. 218 of 2015 are hereby granted.

14. The petitions are disposed of accordingly. So far as the costs to be paid to the Central Government Standing Counsel is concerned, I quantify the same at Rs. 10,000/-per petition for the second Transferor Company, and the Transferee Company being listed company, and at Rs. 7,500/- per petition for the first Transferor company. The same may be paid to the learned Standing Counsel appearing for the Central Government. Costs to be paid to the Office of the Official Liquidator is quantified at Rs. 7,500/- per petition payable only by the transferor companies. The same may be paid to the Office of the Official Liquidator.

15. The petitioner companies are further directed to lodge a copy of

this order, the schedule of immovable assets of all the transferor companies as on the date of this order and the Scheme duly authenticated by the Registrar, High Court of Gujarat, with the concerned Superintendent of Stamps, for the purpose of adjudication of stamp duty, if any, on the same within 60 days from the date of the order.

16. The Petitioner companies are directed to file a copy of this order along with a copy of the scheme with the concerned Registrar of Companies, electronically, along with INC-28 in addition to physical copy as per relevant provisions of the Act.

17. Filing and issuance of drawn up order is hereby dispensed with.

18. All concerned authorities to act on a copy of this order along with the scheme duly authenticated by the Registrar, High Court of Gujarat. The Registrar, High Court of Gujarat shall issue the authenticated copy of this order along with Scheme as expeditiously as possible.

COMPOSITE SCHEME OF AMALGAMATION

(UNDER SECTIONS 391 TO 394 AND OTHER APPLICABLE PROVISIONS OF THE COMPANIES ACT, 1956)

OF

TORRENT ENERGY LIMITED

AND

TORRENT CABLES LIMITED

WITH

TORRENT POWER LIMITED

AND

THEIR RESPECTIVE SHAREHOLDERS AND THE CREDITORS

This Composite Scheme of Amalgamation provides for: Amalgamation of Torrent Energy Limited and Torrent Cables Limited with Torrent Power Limited pursuant to Sections 391 to 394 and other applicable provisions of the Companies Act, 1956.

A DESCRIPTION OF THE COMPANIES

(a) Torrent Energy Limited (hereinafter referred to as "**TEL**" or "**Transferor Company 1**") is a public unlisted company incorporated under the provisions of the Companies Act, 1956 having its registered office at Torrent House, Off Ashram Road, Ahmedabad - 380 009, Gujarat. Transferor Company 1 is a wholly owned subsidiary of Torrent Power Limited. It has also been granted the status of co-developer by the Ministry of Commerce and Industry, Government of India, and as a co-developer; it is responsible for catering to the entire power requirement of entities coming up in the Dahej Special Economic Zone (SEZ). It is also eligible to avail various exemptions from taxes, cess, duties, fees, or any other levies under various Central &State laws. It is engaged in developing the DGEN Mega Power Project, viz. 1196.85 MW gas based combined cycle power project and associated transmission facility for power evacuation; as also the power distribution infrastructure at Dahej SEZ area. It is also a distribution licensee for Dahej SEZ area.

(b) Torrent Cables Limited (hereinafter referred to as "**TCL**" or "**Transferor Company 2**") is a public company incorporated under the provisions of the Companies Act, 1956 having its registered office at Torrent House, Off Ashram Road, Ahmedabad – 380 009, Gujarat. Shares of Transferor Company 2 are listed on BSE Limited. Transferor Company 2 is an established manufacturer and supplier

HIGH COURT OF GUJARAT AHMEDABAD

Advocate

- 60 -

of power cables since 1989 and is one of the market leaders in HT Power Cable segment.

The Transferor Company 1 and Transferor Company 2 shall hereinafter be collectively referred to as the "**Transferor Companies**")

(c) Torrent Power Limited (hereinafter referred to as "**Torrent Power**" or the "**Transferee Company**") is a public company incorporated under the provisions of the Companies Act, 1956 having its registered office at Torrent House, Off Ashram Road, Ahmedabad – 380 009, Gujarat. Shares of the Transferee Company are listed on National Stock Exchange of India Limited and BSE Limited. The Transferee Company is an integrated utility engaged in the business of power generation, transmission and distribution of electricity with operations in the States of Gujarat, Maharashtra and Uttar Pradesh.

B RATIONALE FOR AMALGAMATION

(a) The Transferor Companies and Transferee Company are part of the same business group. Transferor Company 1 is a wholly owned subsidiary of the Transferee Company and both, Transferor Company 1 and Transferee Company, are engaged in the similar business. Transferor Company 2 is one of the major suppliers of power cables for the power transmission and distribution activities of Transferee Company as well as Transferor Company 1.

(b) In view of similar business of Transferor Company 1 and the Transferee Company and complementary business relationship between Transferor Company 2 on one hand and Transferor Company 1 and Transferee Company on the other hand, it is proposed to consolidate the activities of the Transferor Companies and the Transferee Company by way of amalgamation of Transferor Companies with the Transferee Company.

(c) The proposed amalgamation would result in the following benefits to the Transferor Companies and the Transferee Company, their respective shareholders and creditors and will be in long-term interest of customers, employees and other stakeholders:

- Enhanced shareholders' value;
- Alignment of various aspects of the power business of the Torrent Group in a logical group and sequence;

-61-

- Synergies of operations, *inter alia,* from consolidated fuel and spares procurement, optimization of logistics costs and more refined power generation / distribution models;
- Integration of business thereby providing significant impetus to the growth;
- Concentrated management focus and improved organisational capability;
- Integrated, rationalised and streamlined management structure of the merged business;
- Strengthening of financial position with wider capital base and increased leverage capacity of the merged entity;
- Facilitate inter transfer of resources and optimum utilisation of assets;
- Pooling of Human talent in terms of Manpower, Management, Administration and marketing to result in saving of costs
- Avoiding duplication of administrative functions, reduction in multiplicity of legal and regulatory compliances;
- Synchronizing of efforts to achieve uniform corporate policy;
- Improved opportunities for new ancillary businesses, expansion and modernization of existing ancillary business;
- Addressing the emerging challenges due to enhanced competitive scenario

Moreover, it would lead to enhanced reputation of the brand "Torrent" as a reliable and serious player in all spheres in the power sector in India.

1 **DEFINITIONS AND INTERPRETATION**

1.1 In this Scheme, unless inconsistent with the subject or context, the following expressions shall have the meanings ascribed against them:

"**Act**" means the Companies Act, 1956 and/or the Companies Act, 2013 as in force from time to time; it being clarified that as on the date of approval of this Scheme by the Boards of Directors of the Transferor Companies and Transferee Company, Section 391 and 394 of the Companies Act, 1956 continue to be in force with the corresponding provisions of the Companies Act, 2013 not having been notified. Accordingly, references in this Scheme to particular provisions of the Act are references to particular provisions the Companies Act, 1956.

(e) all permanent employees, staff and workmen of Transferor Companies.

1.2 In this Scheme, unless the context otherwise requires:

1.2.1 words denoting singular shall include plural and vice versa;

1.2.2 reference in the Scheme to "coming into effect of the Scheme" or "effectiveness of the Scheme" or "upon the Scheme being effective" shall mean from the Effective Date;

1.2.3 headings and bold typeface are only for convenience and shall be ignored for the purposes of interpretation;

1.2.4 references to the word "include" or "including" shall be construed without limitation;

1.2.5 a reference to an article, clause, section, paragraph or schedule is, unless indicated to the contrary, a reference to an article, clause, section, paragraph or schedule of this Scheme;

1.2.6 unless otherwise defined, the reference to the word "days" shall mean calendar days;

1.2.7 references to dates and times shall be construed to be references to Indian dates and times;

1.2.8 reference to an act, regulation, circular, notification or a document includes an amendment or supplement to, or modification or replacement or novation or re-enactment of such act, regulation, circular, notification or document; and

1.2.9 word(s) and expression(s) elsewhere defined in the Scheme will have the meaning(s) respectively ascribed to them.

1.3 DATE OF TAKING EFFECT AND OPERATIVE DATE

The Scheme shall have legal effect and force from the Appointed Date but shall be operative from the Effective Date.

2 SHARE CAPITAL OF THE COMPANIES

2.1 The share capital of Transferor Company-1 as on 31st March 2014 is as under:

	Rs (in crores)
AUTHORISED SHARE CAPITAL 2,300,000,000 Equity Shares of Rs. 10/- each	2300.00
ISSUED, SUBSCRIBED AND PAID-UP SHARE CAPITAL 1,988,220,000 Equity shares of Rs. 10/- each fully paid up	1988.22

After 31 March 2014, there has been no change in the authorised, issued, subscribed and paid-up share capital of Transferor Company 1. The entire paid up share capital of Transferor Company 1 is held by the Transferee Company and its nominees and the Transferor Company 1 is therefore a wholly owned subsidiary of the Transferee Company.

-67-

2.2 The share capital of the Transferor Company 2 as on 31 March 2014 is as under:

	Rs (in crores)
AUTHORISED SHARE CAPITAL 70,000,000 Equity Shares of Rs. 10/- each	70.00
ISSUED SHARE CAPITAL 45,000,011 Equity shares of Rs. 10/- each	45.00
SUBSCRIBED AND PAID-UP SHARE CAPITAL 8,598,395 Equity shares of Rs. 10/- each fully paid up	8.60

After 31st March 2014, there has been no change in the authorised, issued, subscribed and paid-up share capital of Transferor Company-2.

2.3 The share capital of Transferee Company as on 31 March 2014 is as under:

	Rs (in crores)
AUTHORISED SHARE CAPITAL 2,000,000,000 Equity Shares of Rs. 10/- each	2000.00
ISSUED, SUBSCRIBED AND PAID-UP SHARE CAPITAL 472,448,308 Equity Shares of Rs. 10/- each	472.45

After 31st March 2014, there has been no change in the authorised, issued, subscribed and paid-up share capital of Transferee Company.

3 **TRANSFER AND VESTING OF THE UNDERTAKINGS**

3.1 Upon the Scheme being effective and subject to the provisions of this Scheme in relation to the mode of transfer and vesting, the Undertakings of the Transferor Companies shall, without any further act, instrument or deed, be and stand transferred to and vested in, and/or be deemed to have been and stand transferred to and vested in Transferee Company, so as to become on and from the Appointed Date, the estate, assets, rights, title, interest and authorities of Transferee Company, pursuant to Section 394(2) of the Act, subject however, to all charges, liens, mortgages, then affecting any of the Transferor Companies or any part thereof, and which shall be deemed to have been vested in Transferee Company by virtue of the amalgamation. *After coming into effect* of this Scheme in cases where the required security has not been created and in such case if the terms thereof

- 68 -

require, Transferee Company will create the security in terms of the issue or arrangement in relation thereto.

3.2

(a) Upon the Scheme being effective, with respect to the assets forming part of the Undertakings of the Transferor Companies that are movable in nature or are otherwise capable of being transferred by manual delivery or by paying over or endorsement and/or delivery, the same shall stand transferred and vest in, without any further act or execution of an instrument with the intent of vesting such assets in Transferee Company as on the Appointed Date. The vesting pursuant to this sub-clause shall be deemed to have occurred by manual delivery or endorsement and delivery, as appropriate to the property being vested, and the title to such property shall be deemed to have transferred and vested accordingly. No stamp duty shall be payable on the transfer of such movable properties (including shares and other investments, which are in dematerialised form) upon its transfer and vesting in Transferee Company.

(b) Subject to the provisions of Clause 3.2(c) below, with respect to the assets of the Undertakings of the Transferor Companies other than those referred to in Clause 3.2(a) above, including sundry debtors, receivables, bills, credits, outstanding loans and advances, if any, recoverable in cash or in kind or for value to be received, bank balances, development rights, advances paid to any parties for acquisition of development rights, earnest money and deposits, if any, with government, semi-government, local and other authorities and bodies or with any company or other person, the same shall, without any further act, instrument or deed, be transferred to and vested in and/or be deemed to be transferred to and vested in Transferee Company on the Effective Date pursuant to the provisions of Section 394 of the Act, with effect from the Appointed Date. It is hereby clarified that all the investments made by Transferor Companies and all the rights, title and interests of Transferor Companies in any leasehold properties in relation to the Undertakings of the Transferor Companies shall, pursuant to Section 394(2) of the Act and the provisions of this Scheme, without any further act or deed, be transferred to and vested in or be deemed to have been transferred to and vested in Transferee Company.

Advocate

- 69 -

(c) Upon the Scheme being effective, with respect to the immovable properties (including land, buildings and any other immovable property) comprised in the Undertakings of the Transferor Companies and situated within the States of Gujarat and Maharashtra whether owned or leased, and any documents of title, rights and easements in relation thereto, and forming part of the Undertakings of the Transferor Companies, shall stand transferred and vest in the Transferee Company, without any act or deed done by the Transferor Companies or the Transferee Company, and without any approval or acknowledgement of any third party. With effect from the Appointed Date, the Transferee Company shall be entitled to exercise all rights and privileges and be liable to pay all taxes and charges, and fulfil all obligations, in relation to or applicable to such immovable properties. The mutation/ substitution of the title to such immovable properties shall be made and duly recorded in the name of the Transferee Company by the appropriate authorities pursuant to the sanction of the Scheme by the Court and the Scheme becoming effective in accordance with the terms hereof. The Transferor Companies shall take all steps as may be necessary to ensure that lawful, peaceful and unencumbered possession, right, title, interest of their immovable property is given to the Transferee Company.

(d) For the avoidance of doubt, it is clarified that upon the coming into effect of this Scheme, in accordance with the provisions of relevant laws, consents, permissions, licences, certificates, authorities (including for the operation of bank accounts), powers of attorney given by, issued to or executed in favour of Transferor Companies, and the rights and benefits under the same shall, and all quality certifications and approvals, trademarks, brands, patents and domain names, copyrights, industrial designs, trade secrets and other intellectual property and all other interests relating to the goods or services being dealt with by Transferor Companies, be transferred to and vested in Transferee Company.

(e) Upon the Scheme being effective and subject to the other provisions of the Scheme, all contracts, deeds, bonds, agreements and other instruments of whatsoever nature to which Transferor Companies is a party subsisting or having effect on or immediately before the Effective Date shall remain in full force and effect against or in favour of Transferee Company and shall be binding on and be

-70-

enforceable by and against Transferee Company as fully and effectually as if Transferee Company had at all times been a party thereto. Any inter-se contracts between any of the Transferor Companies on one hand and Transferee Company on the other hand shall stand cancelled and cease to operate in Transferee Company upon the coming into effect of this Scheme. It is clarified that upon the coming into effect of this Scheme and subject to the provisions of this Scheme, all contracts, deeds, bonds, agreements (including the power purchase agreements), arrangements and other instruments of whatsoever nature entered into between the Transferor Companies be treated as cancelled and shall cease to operate.

(f) In so far as the various incentives, tax exemption and benefits, subsidies, grants, special status and other benefits or privileges enjoyed including in respect of income tax (including Minimum Alternative Tax), excise (including Modvat / Cenvat), customs, VAT, sales tax, service tax etc., granted by any Appropriate Authority, or availed of by Transferor Companies are concerned, the same shall, without any further act or deed, vest with and be available to Transferee Company on the same terms and conditions with effect from Appointed Date upon the Scheme being effective.

3.3 (a) Upon the Scheme being effective, all debts, liabilities, duties and obligations of Transferor Companies as on the close of business on the day immediately preceding the Appointed Date and all other debts, liabilities, duties and obligations of Transferor Companies which may accrue or arise from the Appointed Date but which relate to the period up to the day immediately preceding the Appointed Date, shall become the debts, liabilities, duties and obligations of Transferee Company.

(b) Upon the Scheme being effective, where any of the liabilities and obligations attributed to any of the Transferor Companieson the Appointed Date has been discharged by it after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on behalf of Transferee Company. Where after the Appointed Date, Transferor Companies has taken any further loans, liabilities or obligations, such further loan shall also be deemed to have been for and on behalf of Transferee Company and Transferee Company will assume liability for the same.

(c) Without prejudice to the provisions of the foregoing Clauses, and upon the Scheme becoming effective, Transferor Companies and Transferee Company shall execute any instruments or documents or do all the acts and deeds as may be required, including filing of necessary particulars and/or modification(s) of charge, with the Registrar of Companies, Gujarat and other relevant Appropriate Authorities to give formal effect to the above provisions.

(d) If and to the extent there are loans, deposits or balances inter-se between Transferor Companies and Transferee Company, the obligations in respect thereof shall, on and from the Appointed Date, come to an end and suitable effect shall be given in the books of Transferee Company upon the Scheme being effective. For removal of doubts, it is hereby clarified that with effect from the Effective Date, there would be no accrual of interest or other charges in respect of any such loans, deposits or balances inter-se between any of the Transferor Companies and Transferee Company from the Appointed Date.

(e) With effect from the Effective Date, there would be no accrual of income or expense on account of any transactions, including inter alia any transactions in the nature of sale or transfer of any goods, materials or services between any of the Transferor Companies and Transferee Company from the Appointed Date.

(f) Upon the Scheme being effective, any tax liabilities under the Income Tax Act, 1961, fringe benefit tax laws, Customs Act, 1962, Central Excise Act, 1944, value added tax laws, entertainment tax as applicable in any State in which Transferor Companies operates, Central Sales Tax Act, 1956, any other State Sales Tax / Value Added Tax laws, or Service Tax, or Corporation Tax, or other applicable laws/ regulations dealing with taxes/ duties/ levies/cess (hereinafter in this Clause referred to as "**Tax Laws**") to the extent not provided for or covered by tax provision in the Transferor Companies' accounts made as on the date immediately preceding the Appointed Date shall be transferred to Transferee Company. Any surplus in the provision for taxation/ duties/ levies account including advance tax and tax deducted/collected at source as on the date immediately preceding the Appointed Date will also be transferred to the account of and belong to Transferee Company.

(g) Any amount including refund under the Tax Laws due to Transferor Companies consequent to the assessment proceedings or otherwise and which have not been received by the Transferor Companies as on the date immediately preceding the Appointed Date shall also belong to and be receivable by Transferee Company upon the Scheme being effective.

(h) Without prejudice to the generality of the above, all benefits including under Tax Laws, to which Transferor Companies is entitled to in terms of the applicable Tax Laws of the Union and State Governments, shall be available to and vest in Transferee Company upon the Scheme being effective.

3.4 Upon the coming into effect of this Scheme, all debts, liabilities, duties and obligations of the Transferor Companies shall, pursuant to the provisions of Section 394(2) and other applicable provisions of the Act, without any further act, instrument or deed be and stand transferred to and vested in and/or deemed to have been transferred to and vested in Transferee Company, so as to become on and from the Appointed Date, the debts, liabilities, duties and obligations of Transferee Company on the same terms and conditions as were applicable to the Transferor Companies and further that it shall not be necessary to obtain the consent of any person who is a party to contract or arrangement by virtue of which such liabilities have arisen in order to give effect to the provisions of this Clause.

3.5 Pursuant to this Scheme becoming effective, the Transferee Company shall be entitled to secure the record of the change in the legal ownership upon the vesting of the Undertaking of the Transferor Companies in accordance with the provisions of Sections 391 to 394 of the Act. The Transferor Companies and the Transferee Company shall be jointly and severally authorised to execute any writings and / or carry out any formalities or compliance or do any act, thing or deed in this regard.

3.6 Without prejudice to the other provisions of this Scheme and notwithstanding the fact that vesting of the Undertakings of the Transferor Companies occurs by virtue of this Scheme, Transferee Company may, at any time after the coming into effect of this Scheme, in accordance with the provisions hereof, if so required under any law or otherwise, take such actions and execute such deeds (including deeds of adherence), confirmations or other writings or tripartite arrangements with any party to any contract or arrangement to which any of the Transferor Companies are a party or any writings as may be necessary in order to give formal effect to the provisions of this Scheme. Transferee Company shall under the provisions of this Scheme, be deemed to be authorized to execute any such writings on behalf of Transferor Companies to carry out or perform all such formalities or compliances referred to above on the part of any of the Transferor Companies, as the case may be, to be carried out or performed.

4 **PERMITS, CONSENTS AND LICENSES**

All the licenses, permits, quotas, approvals (including, but not limited to, environmental approvals, statutory and regulatory approvals), no-objection certificates, incentives, permissions, registrations, tax exemptions, accumulated tax losses, MAT Credit entitlement, tax benefits including benefits under Chapter VI A of Income Tax Act, 1961, concessions or deferrals, subsidies, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status and other benefits or privileges enjoyed or conferred upon or held or availed by and all rights and benefits that have accrued or may accrue to Transferor Companies before or after the Appointed Date and prior to the Effective Date in connection with or in relation to the operation of the Undertakings of the Transferor Companies, pursuant to the provisions of Section 394(2) of the Act and all other applicable provisions, if any, shall without any further act, instrument or deed, cost or charge, be transferred to and vest in or be deemed to have been transferred to and vested in and be available to Transferee Company so as to become on and from the Appointed Date the licenses, permits, quotas, approvals (including, but not limited to, environmental approvals, statutory and regulatory approvals), no-objection certificates, incentives, permissions, registrations, tax exemptions, accumulated tax losses, MAT Credit entitlement, tax benefits including benefits under Chapter VI A of Income Tax Act, 1961, concessions or deferrals, subsidies, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status and other benefits or privileges of Transferee Company and shall remain valid, effective and enforceable on the same terms and conditions to the extent permissible in law.

TRUE COPY

Advocate

COURT OF GUJARAT AHMEDABAD

Upon the Effective Date and until the licenses, permit, quotas, approvals, (including, but not limited to, environmental approvals, statutory and regulatory approvals), no-objection certificates, incentives, permissions, registrations, tax exemptions, accumulated tax losses, MAT Credit entitlement, tax benefits including benefits under Chapter VI A of Income Tax Act, 1961, concessions or deferrals, subsidies, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status are transferred, vested, recorded effected and / or perfected, in the record of the Appropriate Authority, in favor of Transferee Company, Transferee Company is authorized to carry on business in the name and style of Transferor Companies and under the relevant license and or permit and or approval, as the case may be, and Transferee Company shall keep a record and/or account of such transactions, as if the Transferor Companies have not been wound up

5 **EMPLOYEES, STAFF AND WORKMEN**

Upon transfer to and vesting of the Undertakings of the Transferor Companies unto Transferee Company taking place, as provided herein, Transferee Company undertakes to engage on and from the date on which this Scheme becomes operative all the employees, staff and workmen of Transferor Companies on the same terms and conditions on which they are engaged by Transferor Companies without any interruption of service as a result of the transfer and vesting of the Undertakings of the Transferor Companies into Transferee Company. Transferee Company agrees that the services of all such employees, staff and workmen with Transferor Companies prior to the transfer and vesting of the Undertakings of the Transferor Companies into Transferee Company shall be taken into account for the purposes of all benefits to which the said employees may be eligible, including for the purpose of payment of any retrenchment compensation, gratuity and other terminal benefits and to this effect the accumulated balances, if any, standing to the credit of the employees in the existing provident fund, gratuity fund, and superannuation fund of which they are members will be transferred to such provident fund, gratuity fund, superannuation funds, or such other special funds or trusts created for the benefit of the staff, workmen or employees nominated by Transferee Company and/or such new provident fund, gratuity fund, superannuation fund, or such other special funds or trusts created for the benefit of the staff, workmen or employees to be established and caused to be recognised by the concerned authorities by Transferee

- 75 -

Company. Pending the transfer as aforesaid, the provident fund, gratuity fund and superannuation fund dues of the employees would be continued to be deposited in the existing provident fund, gratuity fund, superannuation fund, or such other special funds or trusts respectively.

6 **LEGAL PROCEEDINGS**

6.1 Upon the Scheme being effective, if any suit, cause of actions, appeal or other legal, quasi-judicial, arbitral or other administrative proceedings of whatever nature (hereinafter called "**the Proceedings**") by or against Transferor Companies be pending before the Effective Date, the same shall not abate, be discontinued or be in any way prejudicially affected by reason of the transfer of the Undertakings of the Transferor Companies pursuant to this scheme or by anything contained in the Scheme, but the Proceedings may be continued, prosecuted and enforced by or against Transferee Company in the same manner and to the same extent as it would or might have been continued, prosecuted and enforced by or against Transferor Companies as if the Scheme had not been made. On and from the Effective Date, Transferee Company shall and may initiate any legal proceedings which were earlier in the names of the Transferor Companies.

6.2 The transfer and vesting of the Undertakings of the Transferor Companies under the Scheme and the continuance of the proceedings by or against Transferee Company under Clause6.1shall not affect any transaction or proceeding already completed by Transferee Company on and after the Appointed Date and prior to this Scheme becoming effective to the end and intent that Transferee Company accepts all acts, deeds and things done and executed by and/or on behalf of Transferor Companies as acts, deeds and things done and executed by and on behalf of Transferee Company.

7 **CONSIDERATION**

7.1 Upon the Scheme being effective and in consideration of the transfer of and vesting of the Undertakings of the Transferor Companies in Transferee Company pursuant to this Scheme, the Transferee Company shall without any further application, act, instrument or deed, issue and allot to each equity shareholder of Transferor Company 2 whose name is recorded in the register of members of the Transferor Company 2 on the Record Date in the following ratio ("Share Exchange Ratio"): 19 (Nineteen) equity shares of face value of Rs.10/- at par each

- 76 -

fully paid-up of Transferee Company for every 20 (Twenty) equity shares of face value of Rs.10/- each fully paid-up held in Transferor Company 2.

For avoidance of doubt, it is clarified that in respect of equity shareholders of the Transferor Company 2 who, on the Record date do not hold equity shares in the Transferor Company 2 in multiple of 20 (Twenty) shall be allotted number of fully paid-up equity shares of Rs. 10/- each at par of the Transferee Company in the same ratio as the actual number of equity shares held by the member in the Transferor Company 2 on the Record Date, bear to the Share Exchange Ratio. It is further clarified that any fraction arising thereon shall be dealt with as per clause 7.5 of the Scheme.

7.2 Since the entire share capital of the Transferor Company 1 is held by the Transferee Company, it is the wholly owned subsidiary of the Transferee Company. Upon the Scheme becoming effective, the entire share capital of the Transferor Company 1 shall get automatically cancelled/ extinguished. The Transferee Company shall not be required to issue and allot any shares against these shares as the Transferee Company is the only shareholder of the said Transferor Company.

7.3 The Share Exchange Ratio has been arrived at on basis of the valuation report prepared by M/s. Price Waterhouse & Co. LLP, Independent Chartered Accountants. Further, M/s. IDFC Securities Limited, Merchant Bankers, has provided a fairness opinion on the fairness and reasonableness of the Share Exchange Ratio determined for the vesting of the Undertakings of the Transferor Companies into Transferee Company. The valuation report and fairness report as aforesaid have been duly approved by the Board of Directors of each of the Transferor Companies and Transferee Company.

7.4 The equity shares to be issued and allotted by Transferee Company as above shall be subject to the provisions of the memorandum and articles of association of Transferee Company and shall rank *pari passu* in all respects with the existing equity shares of Transferee Company. It is hereby clarified that the new equity shares allotted by Transferee Company to the shareholders of the Transferor Company 2 pursuant to this Scheme shall not be entitled to any dividend declared, distributed by Transferee Company before the Effective Date.

7.5 No fractional shares shall be issued by Transferee Company in respect of the fractional entitlements, if any, to which the equity shareholders of Transferor Company 2 may be entitled to under the Scheme and all such fractional entitlements shall be consolidated into whole shares and be allotted to such person, persons or entities (including one or more of the directors and/or officers of Transferee Company) as may be nominated by the Board of Directors of Transferee Company as trustee(s) for sale thereof, in open market through SEBI registered share broker at such price as may be approved by such trustee(s) in this regard and the net proceeds of such sale shall be distributed to the persons entitled thereto in proportion to their respective fractional entitlements.

7.6 Equity shares of Transferee Company issued in terms of Clause 7.1above shall be listed on the relevant stock exchange/s, where the existing equity shares of Transferor Company 2 are listed (besides where the shares of Transferee Company are listed) and Transferee Company shall pay the appropriate fee and incur all costs for the same. Transferee Company shall enter into such arrangements and give such confirmations and/or undertakings as may be necessary in accordance with the Applicable Law for complying with the formalities of the relevant stock exchanges;

7.7 The new equity shares issued pursuant to Clause 7.1 above shall be issued in the dematerialized form by Transferee Company unless otherwise notified in writing by the shareholders of Transferor Company 2 to Transferee Company on or before such date as may be determined by the Board of Directors of Transferee Company. In the event, such notice has not been received by Transferee Company in respect of any of the members of Transferor Company 2, the new equity shares shall be issued to such shareholders in dematerialized form provided that the members of Transferor Company 2 shall be required to have an account with a depositary participant and shall provide details thereof and such other confirmations as may be required. It is only thereupon that Transferee Company shall issue and directly credit the dematerialized securities account of such members of Transferor Company 2.

In the event that Transferee Company has received the notice from any of the shareholders of Transferor Company 2 that the new equity shares are to be issued in certificate form or if any shareholder has not provided the requisite details regarding the account with a depositary participant or other confirmations as may be required, then Transferee Company shall issue the new equity shares in certificate form in such number.

Such physical share certificates (if any) shall be sent by Transferee Company to such equity shareholders of Transferor Company 2 at their respective registered addresses, as appearing in the register of members maintained by Transferor Company 2 as of Record Date with respect to their respective shareholders (or in the case of joint shareholders - to the address of that one of the joint shareholders whose name stands first in such register of members in respect of such joint shareholding) and Transferee Company shall not be responsible for any loss in transit

7.8 Where equity shares of the Transferee Company are to be allotted to heirs, executors or administrators or, as the case may be, to successors of deceased equity shareholders of the Transferor Company 2, the concerned heirs, executors, administrators or successors shall be obliged to produce evidence of title, satisfactory to the Board of Directors of the Transferee Company.

7.9 Unless otherwise determined by the Board of Directors of Transferor Companies and the Board of Directors of Transferee Company, allotment of shares in terms of Clause 7.1 above shall be done within the prescribed statutory period from the Effective Date.

7.10 The equity shares to be issued pursuant to this Scheme by Transferee Company in respect of the equity shares of Transferor Company 2 which are held in abeyance under the provisions of Section 206A of the Act or otherwise shall, pending allotment or settlement of dispute by order of Court or otherwise, be held in abeyance by Transferee Company.

7.11 In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholder of Transferor Company 2, the Board of Directors of Transferee Company at the sole discretion shall be empowered in appropriate cases, even subsequent to the Record Date as the case may be to effectuate such a transfer in Transferor Company 2 as if such changes in registered holder were operative as on the Record Date in order to remove any difficulties in relation to the new shares after the Scheme becomes effective and the Board of Directors of Transferee Company shall be empowered to remove such difficulties as may arise in the course of implementation of the Scheme and registration of new members in Transferee Company on account of difficulties faced in the transition period.

7.12 The issue and allotment of equity shares by Transferee Company to the equity shareholders of Transferor Company 2 as provided in this

Scheme as an integral part thereof, shall be deemed to have been carried out without any further act or deed by Transferee Company as if the procedure laid down under Section 81(1A) of the Act and any other applicable provisions of the Act were duly complied with.

8 TREATMENT OF SCHEME FOR THE PURPOSES OF THE INCOME TAX ACT, 1961

8.1 This Scheme complies and comes within the definition and conditions relating to "Amalgamation" as specified under Section 2(1B), Section 47 and other relevant sections of the Income Tax Act, 1961. The carried forward losses and depreciation under Income Tax Act, 1961 of the Transferor Companies would be carried forward and available to the Transferee Company subject to provisions of Income Tax Act, 1961. If any terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of the said Sections of the Income Tax Act, 1961, at a later date, including resulting from an amendment of law or any judicial or executive interpretation or for any other reason whatsoever, the Scheme shall stand modified / amended to the extent determined necessary to comply and come within the definition and conditions relating to "Amalgamation" as specified in the Income Tax Act, 1961. In such an event the clauses which are inconsistent shall be modified or if the need arises be deemed to be deleted and such modification / deemed deletion shall however not affect the other parts of the Scheme. The power to make such amendments as may become necessary shall vest with the Board of Directors of the Transferee Company and each of the Transferor Companies, which power shall be exercised reasonably in the best interests of the companies concerned.

9 AMENDMENT TO THE MEMORANDUM OF ASSOCIATION AND ARTICLES OF ASSOCIATION OF THE TRANSFEREE COMPANY

AMENDMENT TO THE MEMORANDUM OF ASSOCIATION

A. CAPITAL CLAUSE

9.1 Upon the Scheme being effective, the authorised share capital of each of the Transferor Companies will get consolidated with that of Transferee Company without any further act or deed and without payment of any additional fees and duties. For this purpose the stamp duty and fees already paid on the authorised capital of the Transferor Companies shall be utilised and applied to the increased authorised share capital of Transferee Company and there would be no

- 80 -

requirement for any other further payment of stamp duty and / or fee by Transferee Company for increase in the authorised share capital to that extent. The authorised share capital of Transferee Company will thus be increased to that effect by virtue of the scheme becoming effective and no separate procedure shall be required to be followed under the Act. Thus, the authorised share capital of Transferee Company will amount in aggregate to Rs. 4370,00,00,000 (Rupee Four thousand three hundred and seventy crore only) divided into 437,00,00,000 (Four hundred thirty seven crore only) equity shares of Rs. 10/- each.

9.2 Consequently, the Clause V of Memorandum of Association of Transferee Company shall without any act, instrument or deed be and stand altered, modified and amended pursuant to applicable provisions of the Act as set out below:

"The Authorised Share Capital of the Company is Rs. 4370,00,00,000 (Rupees Four thousand three hundred and seventy crore only) divided into 437,00,00,000 (Four hundred thirty seven crore only) equity shares of Rs. 10/- each with power to increase and reduce the capital of the Company or to divide the shares in the capital for the time being into several classes and to attach thereto respectively any preferential, deferred, qualified or special rights, privileges or condition as may be determined by or in accordance with the Articles of the Company and to affect, vary, extended, modify, surrrender or abrogate any such rights, privileges or conditions in such manner as may be for the time being provided by the Articles of the Company and the legislative provisions for the time being in force."

B. OBJECTS CLAUSE

9.3 With effect from the Appointed Date and upon the Scheme becoming effective, the Object Clause of the Memorandum of Association of the Transferee Company shall stand amended without any act, instrument or deed be and stand altered, modified and amended pursuant to applicable provisions the Act as set out below:

(a) The current Clause III.(A).1. of the Memorandum of Association of the Transferee Company shall stand deleted in entirety and be substituted with the following paragraph:

i) "To generate, transmit, distribute, purchase, procure, sell, import, export or accumulate or otherwise deal in all forms of electrical power in all

- 81 -

aspects, to own, promote, set up, establish, develop, maintain, run, operate, manage and acquire generating company, generating station or stations of every kind and description, and to own, promote, set up, establish, develop, maintain, run, operate and manage transmission and distribution networks or systems and to acquire, in any manner, these networks or systems and to act as agent or representative of any person engaged in the planning, development, generation, transmission, distribution, supply or financing of power and to investigate, research, design and prepare feasibility, appraisal or project reports and to build and execute projects for generation, transmission, distribution, supply, purchase, sale, import, export, storage and accumulation of all forms of electrical power and to engage in all activities incidental thereto.

ii) To carry on the business of establishment and management of fuel systems and to search for, obtain, acquire, mine, explore, buy, sell, import, export or otherwise deal in oils, gases, coals, naphtha, liquefied natural gas, raw petroleum stock or any other fuel in solid, liquid or gas form, whether found in natural state or obtained by processing from other substances and to carry on the production, storage, processing and manufacturing of these products and any related materials.

iii) To carry on the business of manufacturers, sellers and distributors of electrical apparatuses and appliances, electric, magnetic, galvanic and other articles and things of all kinds including electric wires and cables of all descriptions, insulators, conductors, tapes, ropes, poles, galvanisers, switch gears, distribution accessories and all other kinds of electrical goods and materials and the business of electrical, mechanical, civil, sanitary, railway, nautical, aero-nautical and general engineers in all their respective branches.

iv) To carry on business as manufacturers, importers, exporters, whole-sellers, retailers, repairers, buyers and sellers of and dealers in all kinds of goods, substances, preparations, materials, articles, things, apparatuses, fittings, appliances, accessories and component parts for or in connection with the civil, electrical, mechanical and textile engineering, electrical and cable industries, made wholly or in part out of rubber, synthetic rubber, cork, plastics, asphalt, glass and any other natural and synthetic materials of all descriptions and to compound, fabricate, mould, extrude or otherwise process goods made wholly or partially from thermoplastic and thermosetting substances or other materials of any nature.

(b) The current Clause III.(B).2. of the Memorandum of Association of the Transferee Company shall stand deleted in entirety.

HIGH COURT OF GUJARAT AHMEDABAD

TRUE COPY

Advocate

(c) The current Clause III.(B).3. of the Memorandum of Association of the Transferee Company shall stand deleted in entirety and be substituted with the following paragraph:

"To plan, promote and take up necessary developmental work, selection of prospective/ established Independent Power Producers/ generating/ transmission/ distribution companies/ utilities and enter into contracts/ Power Purchase Agreements/ Other Agreements with them; to act as catalyst and also to provide connected services to them so as to augment power generation, transmission, distribution and optimum utilisation of electrical power."

It is clarified that the approval of the members of Transferee Company to the Scheme shall be deemed to be their consent/ approval also to the alteration of the Memorandum of Association of Transferee Company as required under applicable provisions of the Act.

AMENDMENT TO THE ARTICLES OF ASSOCIATION

9.4 With effect from the Appointed Date and upon the Scheme becoming effective, the Articles of Association of the Transferee Company shall stand amended without any act, instrument or deed be and stand altered, modified and amended pursuant to applicable provisions of the Act as set out below:

The following article shall be inserted after Article 199 of the Articles of Association of the Transferee Company as Article 199A:

"199A. Chairperson may be Managing Director or Chief Executive Officer

An individual may be appointed or reappointed to, or hold, the position of Chairperson of the Company and also its Managing Director or Chief Executive Officer (as the case may be) at the same time."

It is clarified that the approval of the members of Transferee Company to the Scheme shall be deemed to be their consent/ approval also to the alteration of the Articles of Association of Transferee Company as required under applicable provisions of the Act.

DIVIDENDS

Following provisions will apply with regard to any distribution or declaration or payment of dividend or interim dividend, as the case may be, by the Board of Directors of the Transferor companies and / or the Transferee Company:

10.1 The Transferor Companies and Transferee Company shall be entitled to declare and pay dividends subject to the provisions of the Act to their respective shareholders out of the profits available for distribution as dividend for the accounting period prior to the Appointed Date where such declaration of dividend is on or before the sanction of the Scheme by the Board of Directors at their respective Board Meetings. It is hereby clarified that the shareholders of Transferor Companies shall not be entitled to any dividend from the Transferee Company under this sub-clause.

10.2 The Transferor Companies may declare and pay dividend subject to the provisions of the Act, to its equity shareholders for the accounting period commencing on or after the Appointed Date but prior to the Effective Date provided the Board of Directors of the Transferor Companies has obtained the prior consent and approval of the Board of Directors of the Transferee Company before making such declaration or payment to the members of the Transferor Companies.

10.3 The Transferee Company may also declare and pay dividend subject to the provisions of the Act, to its equity shareholders for the accounting period commencing on or after the Appointed Date but prior to the Effective Date. It is hereby clarified that the shareholders of Transferor Companies shall not be entitled to any dividend from the Transferee Company under this sub-clause.

10.4 The Transferee Company may, on or after the Effective Date but on or before the Record Date, declare and pay dividend to its equity shareholders subject to the provisions of the Act provided the shareholders of the Transferor Companies who are entitled to receive shares of the Transferee Company shall also be entitled to such dividend in the same manner and to the same extent as if they were shareholders of the Transferee Company on the date of such declaration by the Board of Directors of the Transferee Company. In such event, the shareholders of the Transferor Companies who are entitled to receive shares of the Transferee Company shall, on the Record Date, also be eligible to receive an amount representing such dividend proportionate to the shares they are entitled to receive. For this purpose, the Transferee Company shall, at the time of declaration of dividend to its shareholders as aforesaid, reserve the amount required for payment of dividend to such Transferor Companies' shareholders. The Board of Directors of the Transferee Company will declare the aforesaid reserved amount as dividend to such Transferor

TRUE COPY

Advocate

Companies' shareholders after the Record Date and the amount set apart will be appropriated towards such declaration. For the avoidance of doubt it is clarified that no interest shall be payable by the Transferee Company to such Transferor Companies' shareholders in relation to such amount to be applied towards payment of such dividend.

10.5 Subject to the provisions of the Scheme, the profits of the Transferor Companies, for the period beginning from the Appointed Date, shall belong to and be the profits of Transferee Company and will be available to Transferee Company for being disposed of in any manner as it thinks fit.

10.6 It is clarified that the aforesaid provisions in respect of declaration of dividends, whether interim or final, are enabling provisions only and shall not be deemed to confer any right on any member of the Transferor Companies and/or Transferee Company to demand or claim any dividends which, subject to the provisions of the said Act, shall be entirely at the discretion of the respective Board of Directors of the Transferor Companies and Transferee Company, subject to such approval of their respective shareholders at their respective annual general meetings, as may be required.

11 ACCOUNTING TREATMENT IN THE BOOKS AND FINANCIAL STATEMENTS OF TRANSFEREE COMPANY

On the Scheme becoming effective, Transferee Company shall account for the amalgamation in its books at the close of business on the day immediately preceding the Appointed Date as under:

(a) Amalgamation of Transferor Companies shall be accounted for in accordance with Pooling of Interest Method of accounting as per the Accounting Standard 14 as notified under Section 211(3C) of the Act.

(b) All assets and liabilities, including reserves, of Transferor Companies transferred to Transferee Company under the Scheme shall be recorded in the books of account of Transferee Company at the book value as recorded in books of account of Transferor Companies, at the close of business on the day immediately preceding the Appointed Date, except to ensure uniformity of accounting policies.

(c) The difference between Share Capital of Transferor Company 2 and face value of new equity shares issued in terms of Clause 7.1 above to the shareholders of Transferor Company 2 (other than Transferee

Company) shall be adjusted in reserves of Transferee Company. If such difference is a surplus, then the same shall be credited to the General reserve of Transferee Company and if such difference is a deficit, then the same shall be first adjusted against the General reserve of Transferee Company and balance, if any, shall be debited to the Goodwill account of Transferee Company.

(d) Upon coming into effect of this Scheme, to the extent that there are inter-company loans, advances, deposits balances or other obligations amongst the Transferor Companies and the Transferee Company, the obligations in respect thereof shall come to an end and corresponding effect shall be given in the books of accounts and records of the Transferee Company for the reduction of any assets or liabilities as the case may be. For the removal of doubt, it is clarified that in view of the above there would be no accrual of interest or other charges in respect of any such inter-company loans, advances, deposits, balances or other obligations.

12 BUSINESS AND PROPERTY IN TRUST AND CONDUCT OF BUSINESS FOR TRANSFEREE COMPANY

Unless otherwise stated herein under, with effect from the Appointed Date and up to and including the Effective Date:

12.1 The Transferor Companies shall be deemed to have been carrying on and shall carry on their business and activities and shall be deemed to have held and stood possessed of and shall hold and stand possessed of all of the respective Undertaking of the Transferor Companies for and on account of, and in trust for Transferee Company and shall account for the same to the Transferee Company. The Transferor Companies hereby undertake to hold the said Undertaking with utmost prudence until the Effective Date.

12.2 With effect from the date of the Board meeting of Transferor Companies approving the Scheme and up to and including the Effective Date, the Transferor Companies shall preserve and carry on their businesses and activities with reasonable diligence and business prudence and shall not, without the prior consent in writing of any of the persons authorised by the Board of Directors of Transferee Company, alter or diversify their respective businesses or venture into any new business, undertake any additional financial commitments of any nature whatsoever, borrow any amounts nor incur any other liabilities or expenditure, issue any additional guarantees, indemnities, letters of

Advocate

-86-

comfort or commitments or sell, transfer, alienate, charge, mortgage, encumber or otherwise deal with its assets or any part thereof, except in the ordinary course of business, or pursuant to any pre-existing obligation(s) undertaken by the Transferor Companies prior to the date of acceptance of the Scheme by their respective Boards.

12.3 All the profits, income, taxes (including MAT credit, advance tax paid and tax deducted/collected at source) or any costs, charges, expenditure accumulated losses, costs, charges or expenditure accruing to the Transferor Companies or expenditure or losses arising or incurred or suffered by the Transferor Companies shall for all purpose be treated and be deemed to be and accrue as the profits, income, taxes (including MAT credit, advance tax paid and tax deducted/collected at source) or any costs, charges, expenditure accumulated losses, costs, charges or expenditure of Transferee Company, as the case may be.

12.4 With effect from the date of the Board meeting of Transferee Company approving the Scheme and up to and including the Effective Date, the Transferor Companies shall not, without the prior consent in writing of any of persons authorised by the Board of Directors of Transferee Company, undertake (i) any material decision in relation to their businesses and affairs and operations (ii) any agreement or transaction (other than an agreement or transaction in the ordinary course of business) (iii) any new business, or discontinue any existing business or change the installed capacity of facilities.

12.5 With effect from the date of the Board meeting of Transferee Company approving the Scheme and up to and including the Effective Date, the Transferor Companies shall not vary the terms and conditions of employment of any of their employees, without the prior consent in writing of any of the persons authorised by the Board of Directors of Transferee Company, except in the ordinary course of business or pursuant to any pre-existing obligation undertaken by the Transferor Companies prior to the date of the said Board meeting.

12.6 With effect from the date of the Board meeting of Transferee Company approving the Scheme and up to and including the Effective Date, the Transferor Companies and Transferee Company shall not, without the prior written approval of the Board of Directors of the Transferor Companies and Transferee Company, make any change in their capital structure i.e. Share Capital, whether by way of increase, decrease, reduction, re-classification, sub-division or consolidation, re-

-87-

organisation, or in any other manner which may, in anyway, affect the Share Exchange Ratio (as provided in this Scheme).

12.7 Transferee Company shall be entitled to depute its employees and/or representatives to the office(s) of the Transferor Companies to ensure compliance with the provisions of this Scheme.

12.8 Transferee Company shall be entitled, pending the sanction of the Scheme, to apply to the concerned authorities and all other agencies, departments and authorities concerned as are necessary under any law for such consents, approvals and sanctions which Transferee Company may require to carry on the business of the Transferor Companies and to give effect to the Scheme.

13 SAVING OF CONCLUDED TRANSACTIONS

Subject to the terms of the Scheme, the transfer of the Undertaking, licences, permits, registrations, memberships and approvals as specified under this Scheme and the continuance of Proceedings by or against the Transferee Company under Clause 6 above shall not affect any transaction or Proceedings already concluded by the Transferor Companies on or before the Appointed Date, or after the Appointed Date till the Effective Date, to the end and intent that the Transferee Company accepts and adopts all acts, deeds and things made, done and executed by the Transferor Companies as acts, deeds and things made, done and executed by or on behalf of the Transferee Company.

14 BORROWINGS OF THE TRANSFEROR COMPANIES AND TRANFEREE COMPANY

14.1 It is clarified that upon the Scheme coming into effect and without any further act of the parties, all loan agreements, rupee facility agreements, working capital facility agreements, mortgage deeds, hypothecation deeds, pledge agreements, security trustee agreements, demand promissory notes, letters of comfort and any other such borrowing or security instruments of whatsoever nature to which the Transferor Companies are a party and which are subsisting or having effect immediately before the Effective Date, shall continue in full force and effect against or in favour of the Transferee Company, under the same terms and conditions, and may be enforced as fully and effectually as if, instead of the Transferor Companies, the Transferee Company had been a party or beneficiary or obligee or obligor thereto.

TRUE COPY

Advocate

COURT OF GUJARAT AHMEDABAD

14.2 With effect from the date of the Board meeting of Transferee Company approving the Scheme and upto and including the Effective Date, the Transferor Companies and Transferee Company shall be entitled to undertake such financial commitments, borrow monies, create any charge, mortgage, encumber or deal with its movable and immovable assets, issue any guarantees, indemnities, undertakings, letters of comfort or commitments or such other instruments, as may be necessary or required by the lenders / security trustees, pursuant to the new loan facilities proposed to be availed from the existing or new lenders subject to Clause 12.2.

14.3 Notwithstanding anything to the contrary contained in this Scheme, pending the sanction of the Scheme by High Court, the Transferor Companies and the Transferee Company shall be entitled jointly, to avail one or more loan facilities from the existing as well as new Lenders, from time to time, and offer their assets as security, on such terms as may be mutually agreed, in order to reorganise their consolidated long term financing arrangements including under an obligor co-obligor structure. Such re-organisation of consolidated financial arrangements is expected to have an appropriate moratorium and longer repayment tenure (of around 15 years). The Board of Directors of respective Transferor Companies and Transferee Company shall finalize and approve the terms and conditions for availing such proposed loan facility.

The indicative key terms of the proposed obligor co–obligor structure, *inter alia*, are as under:

a. The Transferor Companies and Transferee Company will jointly become the obligors to such re-organised loan facility.

b. The obligors shall make a joint and several promise to repay such re-organised loan facility.

c. Each of the obligors shall create security for the total value of the re-organised loan facility on their entire respective assets.

d. The Lenders will have recourse to the assets of all or any of the obligors to recover the entire amount of such re-organised loan facility from all or any of the obligors in case of any event of default including payment default.

For the avoidance of doubt, it is clarified that upon the Scheme being effective, such re-organised loan facility shall continue to be in full force and effect in relation to the Transferee Company, under the same

TRUE COPY

Advocate

- 89 -

terms and conditions, and may be enforced as fully and effectually as if, instead of the Transferor Companies, the Transferee Company had been a party or beneficiary or obligee or obligor.

15 **VALIDITY OF EXISTING RESOLUTIONS, ETC**

Upon the coming into effect of this Scheme, the resolutions of the Transferor Companies, as are considered necessary by the Board of Directors of Transferee Company and which are valid and subsisting on the Effective Date shall continue to be valid and subsisting and be considered as resolutions of Transferee Company and if any such resolutions have any monetary limits approved under the provisions of the Act, or any other applicable statutory provisions, then said limits as are considered necessary by the Board of Directors of Transferee Company shall be added to the limits, if any, under like resolutions passed by Transferee Company and shall constitute the aggregate of the said limits in Transferee Company.

16 **DISSOLUTION OF THE TRANSFEROR COMPANIES**

On the Scheme becoming operative or effective, each of the Transferor Companies shall be dissolved without winding up pursuant to the provisions of Section 394 of the Act and no further procedure shall be required to be followed under the Act.

17 **APPLICATIONS/PETITIONS TO THE HIGH COURT AND SCHEME CONDITIONAL ON APPROVALS/SANCTIONS**

17.1 This Scheme is conditional upon and subject to obtaining the following approvals/sanctions, taking actions and performance of the conditions stated below:

17.1.1 The approval of the Scheme by the requisite majorities of such classes of shareholders and creditors of the Transferor Companies and the Transferee Company as required under the Act for the purpose;

17.1.2 Obtaining shareholders' approval through special resolution passed through postal ballot and e-voting and the votes cast by public shareholders in favor of the Scheme are higher than the number of votes cast by public shareholders against it in terms of SEBI Circular.

-90-

17.1.3 The sanctions of the High Court being obtained under Sections 391 and 394 and other applicable provisions of the Act on behalf of the Transferor Companies and the Transferee Company;

17.1.4 The Parties executing loan agreement(s) with Lenders for re-organisation of the consolidated long term financing arrangements (as mentioned in Clause 14) and fulfilling all pre-disbursement conditions (unless modified/altered/waived by lenders as applicable) for such arrangements;

17.1.5 The Parties obtaining consent and no-objection certificates from all of their existing lenders of term loans and working capital facilities;

17.1.6 Approval being obtained from Development Commissioner, Dahej SEZ Ltd and Board of Approval, Ministry of Commerce for transfer of sub lease rights & co-developer rights issued in the name of Transferor Company 1 in favour of the Transferee Company;

17.1.7 Approval being obtained from Central Electricity Regulatory Commission under Section 17 of the Electricity Act, 2003;

17.1.8 Approval being obtained from Gujarat Electricity Regulatory Commission under Section 17 of the Electricity Act, 2003 and Regulation 27 of Gujarat Electricity Regulatory Commission (Licensing of Distribution of Electricity) Regulations, 2005 and section 25 of Gujarat Electricity Industry (Reorganisation and Regulation) Act, 2003 to the extent they are not inconsistent with the provisions of Electricity Act, 2003;

17.1.9 Obtaining of such other sanctions and approvals including sanctions of any statutory or regulatory authority under the Applicable Law;

17.1.10 Obtaining approval of the designated stock exchange as required under the SEBI Circular;

17.1.11 Approvals being obtained from creditors, lessors, Lenders or contracting parties as may be required by Applicable Law or contract; and

17.1.12 The certified copy of the order of the High Court sanctioning the Scheme being filed with the Registrar of Companies, Gujarat.

In the event of any of the said sanctions approvals not being obtained and / or the Scheme not being sanctioned by the High Court, this Scheme shall stand revoked, cancelled and be of no effect, save and

HIGH COURT OF GUJARAT AHMEDABAD

Advocate

- 91 -

except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any rights and / or liabilities which might have arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as is specifically provided in the Scheme or as may otherwise arise in law.

If any Clause of this Scheme is invalid, ruled illegal by any Court of competent jurisdiction, or unenforceable under present or future laws, then it is the intention of the Parties that such part shall be severable from the remainder of this Scheme, and this Scheme shall not be affected thereby, unless the deletion of such Clause shall cause this Scheme to become materially adverse to any party, in which case the Board of Directors of the companies involved in the Scheme shall attempt to bring about a modification in this Scheme, as will best preserve for the parties the benefits, and obligations of this Scheme, including, but not limited to, such clause.

17.2 Transferee Company shall be entitled, pending the sanction of the Scheme, to apply to any Appropriate Authority, if required, under any law for such consents and approvals which Transferee Company may require including the registration, approvals, exemptions, reliefs, etc., to own each of the Undertakings of the Transferor Companies and to carry on the business of the Transferor Companies.

18 MODIFICATIONS/AMENDMENTS TO THE SCHEME

18.1 Transferee Company and each of the Transferor Companies, through their respective Boards of Directors or such other person or persons, as the respective Board of Directors may authorize, including any committee or sub-committee thereof may make and/or consent to any modifications/amendments to the Scheme or to any conditions or limitations which the High Court and any other competent authority may deem fit to suggest/impose/direct and effect any other modification or amendment which the High Court and any other competent authority may consider necessary or desirable and give such directions as they may consider necessary or desirable for settling any question, doubt or difficulty arising under the Scheme whether by reason of any directive or orders of any other authorities or otherwise howsoever arising out of or under or by virtue of the Scheme and/or any matter concerned or connected therewith or in regard to its implementation or in any matter connected therewith (including any question, doubt or difficulty arising in connection with any deceased or insolvent shareholder of the Transferor Companies or Transferee Company) and to do all acts, deeds and things as may be necessary, desirable or expedient for carrying the Scheme into effect.

18.2 For the purpose of giving effect to this Scheme or to any modifications or amendments thereof or additions thereto, the delegate(s) of the Transferor Companies and/or Transferee Company may give and are hereby authorized to determine and give all such directions as are necessary including directions for settling or removing any question of doubt or difficulty that may arise and such determination or directions, as the case may be, shall be binding on all parties, in the same manner as if the same were specifically incorporated in this Scheme. Notwithstanding anything stated in this Clause, no amendments or changes to the Scheme shall be carried out or be permissible unless and until the same is approved by the High Court.

18.3 Each of the Transferor Companies and/or Transferee Company acting through their respective Boards of Directors shall each be at liberty to withdraw from this Scheme in case any condition or alteration imposed by the Hon'ble High Court or any authority/person or Lenders is unacceptable to any of them or otherwise if so mutually agreed.

19 **General Terms and Clauses**

19.1 Upon the Scheme being effective, the Transferee Company is expressly permitted to revise its financial statements to give effect to the provisions of the Scheme.

19.2 Upon the coming into effect of this Scheme, Transferee Company is expressly permitted to revise its Income Tax returns, sales tax returns, excise & CENVAT returns, service tax returns, other tax returns, etc. to the extent required. Transferee Company shall be entitled to get credit/claim refund regarding any tax paid and/or tax deduction at source certificates on or after the Appointed Date by each of the Transferor Companies.

19.3 It is hereby clarified that submission of the Scheme to the High Court and to Appropriate Authorities for their respective approvals is without prejudice to all rights, interests, titles or defenses that the Transferee Company and the Transferor Companies may have under or pursuant to all appropriate and Applicable Law.

19.4 All costs, charges, fees, taxes including duties (including the stamp duty and/or transfer charges, if any, applicable in relation to this Scheme), levies and all other expenses if any (save as expressly

-93-

otherwise agreed) of the each of the Transferor Companies and Transferee Company respectively in relation to or in connection with the Scheme and of carrying out and completing the terms and provisions of the Scheme and/or incidental to the completion of the Scheme shall be borne and paid solely by Transferee Company.

19.5 The issue and allotment of shares by Transferee Company to persons resident outside India, if any, will be subject to the obtaining of necessary permissions, if any under the provisions of the Foreign Exchange Management Act, 1999 (including any modification or reenactment thereof), as required.

****

In view of para 18 of the order dated 13th August 2015, passed by the Hon'ble court (Coram: Hon'ble Mr. Justice Vipul M. Pancholi) in Company Petitions No. 216, 217 & 218 of 2015, the Scheme is hereby authenticated.

ORAL JUDGMENT

1. This is a petition filed by Torrent Solargen Limited, for the purpose of obtaining the sanction of this court to a Scheme of Arrangement in the nature of Transfer and vesting of the Solar Energy Undertaking as well as Wind Energy Undertaking of Torrent Solargen Limited, the Transferor Company, by way of slump sale to Torrent Power Limited, the Transferee Company; proposed under section 391 to 394 of the Companies Act, 1956.

2. It has been submitted that Torrent Solargen Limited (TSL), the Petitioner Transferor Company is a wholly owned subsidiary of Torrent Power Limited, (TPL), the Transferee Company. It is engaged in the business of generation of electrical power from non-conventional and renewable sources mainly Solar and Wind energy and to explore strategic opportunities in the renewable energy sector. It has commenced the commercial operations with regard to Solar Power Project and is in the process of implementation of Wind Power Project, both in the state of Gujarat. Whereas Torrent Power Limited, the Transferee Company is an integrated utility engaged in the business of power generation, transmission and distribution of electricity with operations in the states of Gujarat, Maharashtra and Uttar Pradesh. It is also engaged in the business of manufacturing and supply of power cables. It has been pointed out that

the Transferor Company is a wholly owned subsidiary of the Transferee Company. The Board of Directors of these Companies thought it appropriate to transfer and vest the two undertakings of Torrent Solargen Limited to Torrent Power Limited. Since the holding company, is the pioneer of the integrated activities of power sector, its project development and management bandwidth can help Torrent Group's renewable energy ventures(existing and proposed) also to grow quickly. The petition provides the details of the benefits envisaged out of the proposed Scheme.

3. It has been submitted that vide order dated 29th August,2016 passed in Company Application No.395 of 2016, the meetings of the Equity Shareholders and the sole Unsecured Creditor of the Transferor Company were dispensed with in view of the written consent letters from all of them, approving the proposed scheme, being placed on record. There are no Secured Creditors of the Transferor Company.

4. In case of the Transferee Company, dispensation of the separate proceedings was sought based on the contention that the Transferee Company being the sole holding company of the Transferor Company, no shares were proposed to be issued towards consideration as the consideration is being paid in cash, for the transfer and vesting of the

undertaking of the Transferor Company. As a result, the rights and interests of the existing shareholders of the Transferee Company were not likely to be prejudicially affected. Considering the settled legal issue supported by decisions of several High Courts, inter alia Sharat Hardware Industries P. Ltd., 48 Company Cases 23 (Del.) and Mahaamba Investments Limited v. IDI Limited, 105 Company Cases 16 (Bom.), and series of decisions of Gujarat High Court, the said prayer was granted vide the order dated 29th August 2016 passed in Company Application No. 396 of 2016.

5. It was further pointed out that pursuant to Clause 10 of the Scheme, a lump sum consideration, shall be paid by the Transferee Company for the said Transfer of the Solar Energy Undertaking as well as Wind Energy Undertaking of the Transferor Company. The same has been worked out as per the Valuation Report provided by M/s SSPA & Co., Independent Chartered Accountants. Further, M/s Kotak Mahindra Capital Company Limited, SEBI Registered Merchant Bankers, has provided a fairness opinion on the fairness and reasonableness of said valuation from a financial point of view. Since, no new shares shall be issued by the Transferee Company, the present Capital Structure of the Transferee Company shall not undergo any change and the rights of the existing shareholders of the Transferee Company are not affected in any manner.

6. It was further submitted that Torrent Power Limited, the Transferee Company is a financially strong company. A copy of the Net Worth Certificate by Statutory Auditor of the Transferee Company in Pre Scheme and Post Scheme scenario was placed on record. The same indicated that the Net Worth of the Company is not affected as a result of the Scheme. The net worth of the Company in Post scheme scenario shall be approx. Rs. 6089 Crores. In view of the same, it was submitted that the rights and interests of the creditors of the Transferee Company shall not be prejudicially affected as a result of the said scheme of Arrangement. However, in compliance with the contractual terms of the agreements with the Secured Lenders of the Transferee Company, it was undertaken that the approvals to the proposed Scheme shall be obtained from all its Secured Creditors and the same shall be placed on record before the final sanction is granted by this Hon'ble Court. The consent letters of all the Secured Lenders of the Transferee Company are now placed on record alongwith the Additional Affidavit dated 13th October 2016.

7. The Transferee Company being a listed public limited company, pursuant to SEBI circular dated 30th November 2015 as well as regulation 37 of the SEBI (LODR) Regulations,2015, the Company had placed on record the requisite approval from the concerned

stock exchanges pursuant to the approval of the scheme by SEBI. Further, the Transferee Company had submitted a certificate from the Statutory Auditor as well as the requisite undertaking in relation to non-applicability of requirements prescribed in Clause 9(a) of Paragraph I (A) of Annexure I of SEBI Circular No. ClR/CFD/CMD/16/2015 dated November 30, 2015 and since the SEBI had approved the Scheme after considering the same, the Transferee Company was not required to undertake the prescribed procedure for taking the approval from its Public shareholders through e voting and/or Postal Ballot.

8. The substantive petition for the sanction of the scheme was filed by the Transferor company which was admitted on 7th September 2016. The notice for the hearing of the petition was duly advertised in the newspapers being Times of India' English daily, and 'Gujarat Samachar' and 'Sandesh', Gujarati dailies, all Gujarat editions and additionally in Divya Bhaskar, Gujarati daily, dated 17th September, 2016 and the publication in the Government gazette was dispensed with as directed in the said order. Affidavit dt. 10th October 2016 confirm the same. No one has come forward with any objections to the said petition even after the publication and the same has been further confirmed by the additional affidavit dated 13th October 2016.

9. Notice of the petition has been served upon the Central Govt. and Mr. Kshitij Amin, learned Central Government Standing Counsel has appeared for Mr. Devang Vyas, learned additional solicitor general for the Central Govt. An affidavit dt. 5th October 2016 has been filed by Mr. Jatinder Kumar Jolly, the Regional Director, North-Western Region, Ministry of Corporate Affairs, whereby some observations are made.

10. The attention of this court is drawn to the Additional Affidavit dated 13th October 2016 filed by Mr. T. P. Vijayasarthy, the Director and Chief Executive Officer and Authorised Signatory of the Petitioner Company, whereby all the above issues have been dealt with. I have further heard submissions made by the learned counsel appearing for the Central Govt. and Mrs. Swati Soparkar, learned advocate appearing for the petitioner as follows:

(i) It has been submitted that the observations made vide para 2 (a), (b) and (c) refer to the nature of the proposed Scheme, rationale of the scheme, and relationship between the two companies, one being the Wholly owned subsidiary of the other which are the factual aspects of the proposed scheme and they do not need any response from the petitioner.

(ii) The observation made vide para 2(d) of the said affidavit refers to the valuation report of M/s SSPA & Co., Independent Chartered Accountants for working of the cash consideration for the undertakings being transferred under slump sale arrangement to Torrent Power Limited, which is the holding company of the petitioner transferor company. This too being the factual, does not need any response.

(iii)The observation made vide para 2(e) of the said affidavit pertains to non disclosure of the details of the assets and liabilities of the undertakings being transferred to the Transferee Holding Company under the proposed Scheme. The requisite details of assets and liabilities of undertakings being transferred were submitted to Regional Director. A copy of the same is also placed on record alongwith the said affidavit. The Transferor Company shall submit the complete list of the immovable assets as on the date of the sanction of the Scheme, with the copy of the order for adjudication of stamp duty.

(iv) The observation made vide para 2(f) of the said affidavit pertains to Clauses 11 and 12 of the proposed Scheme. It has been observed by the Regional Director that the Scheme does not provide for compliance of Accounting Standard

14 and does not deal with the treatment proposed for the excess of assets over liabilities in the books of the Transferee Company. In this regard, it has been submitted that the present scheme is not a Scheme of Amalgamation. In view of this, the Accounting Standard 14 is not applicable for recording the value of assets and liabilities. It has been further submitted on behalf of the Company that it shall comply with the new applicable accounting standards i.e. IND AS, which are in force since 1st April 2016. It has been further pointed out that the cash consideration is worked out after the valuation of the said undertakings and hence, there is no difference between the value of net assets and the amount of consideration being paid by the Transferee Company. It is therefore respectfully submitted that the Company is not required to create any Reserves or give any undertaking regarding the use of such Reserves.

(v) Vide Para 2 (g) of the affidavit, it has been observed by the Regional Director that Torrent Power Limited, the Transferee Company being a listed company had approached the concerned stock exchanges, viz. BSE, and NSE, and the observation letters state that the Transferee Company is required to comply with the SEBI circulars dated 4th February 2013 and 21st May

2013, and that the approval from SEBI has to be obtained. In this regard, has been submitted that the said Transferee company was required to obtain SEBI approval through the stock exchanges only and the said exchanges have actually granted the observation letters only after obtaining clearance from SEBI which is clearly evident from the observation letters. It is hereby further clarified that the Transferee Company has not disputed the applicability of the SEBI circulars. It has taken all requisite actions for the said compliance. It has been further submitted that since no shares are proposed to be issued under the present scheme, the Applicant Company had submitted the requisite Undertaking and the Statutory Auditor's certificate to the SEBI in relation to non-applicability of requirements prescribed in Clause 9(a) of Paragraph I (A) of Annexure I of SEBI Circular No. ClR/CFD/CMD/16/2015 dated November 30, 2015. The said Transferee Company has undertaken to comply with the said circulars after the Scheme is sanctioned by the Hon'ble court and made effective. Since the Transferee Company has already complied with the said SEBI circulars, no further directions are required to be issued.

(vi) Vide para 2(h) of the affidavit, it has been observed by the Regional Director that part of the Share Capital of the Transferee Company is held by Foreign Corporate or Individual investors and hence compliance with FEMA and RBI guidelines should be ensured. It has been pointed out that no shares are being issued and hence compliance of FEMA and RBI guidelines with respect to Non resident shareholders is not relevant in the present case. However, it has been clarified that the said Transferee Company has so far complied with the applicable provisions and shall continue to comply with the applicable provisions. Hence, no further directions are required to be issued.

(vii)The observation made vide para 2(i) of the said affidavit pertains to the licences, approvals and other permissions from the concerned regulatory authorities as both the companies are engaged in activities relating to power generation. In this regard, it has been submitted that the scheme has defined the 'Undertakings' elaborately and has specifically included the transfer of all the existing licences, permits, permissions and approvals from the concerned regulatory authorities existing with the Transferor company to be transferred to the Transferee Company. Further, the Transferee Company has obtained all the applicable licenses, permits, approvals etc.

from the concerned regulatory authorities. In view of the same no further directions are required to be issued to the Petitioner Company.

(viii) The next observation made vide para 2(j) pertains to the letter dated 15th September 2016 from the Regional Director to the Chief Commissioner of Income Tax, Ahmedabad, Gujarat in order to obtain their objections if any. Since no response is received within the statutory period of 15 days as envisaged by the relevant circular of the Ministry of Corporate Affairs, it can be presumed that the Income Tax dept. has no objection to the proposed scheme of arrangement. However, the Petitioner Company has agreed to comply with applicable provisions of Income Tax Act and Rules.

(ix) It is further submitted that there are no complaints received by the Registrar of Companies as contended vide para 2 (k) and the Regional Director has vide the observation 2 (l) confirmed that he has no other objection to the scheme.

11. Considering all the facts and circumstances and taking into account all the contentions raised by the affidavits and reply affidavits, undertakings

provided vide the additional affidavit dated 13th October 2016, and submissions made at the time of hearing, I am satisfied that the observations made by the Regional Director, Ministry of Corporate Affairs, do not survive. They have been satisfactorily addressed and no further directions are required to be issued. I have come to the conclusion that the present scheme of arrangement is in the interest of its shareholders and creditors as well as in the public interest and the same deserves to be sanctioned and the same is hereby sanctioned.

12. Prayers in terms of paragraph 18(a) of the Company Petition No.412 of 2016 are hereby granted.

13. The petition is disposed of accordingly. So far as the costs to be paid to the Central Govt. Standing Counsel is concerned, I quantify the same at Rs. 10,000/-. The same may be paid to the learned Standing Counsel appearing for the Central Govt.

14. The petitioner company is further directed to lodge a copy of this order, the detailed schedule of immovable assets of the Transferred Undertakings of the Transferor Company as on the date of the order and the Scheme duly authenticated by the Registrar, High Court of Gujarat, with the concerned Superintendent of Stamps, for the purpose of adjudication of stamp duty, if any, on the same within 60 days from the date of the order.

15. The Petitioner company is directed to file a copy of this order alongwith a copy of the scheme with the concerned Registrar of Companies, electronically, along with INC-28 in addition to physical copy as per relevant provisions of the Act.

16. Filing and issuance of drawn up order is hereby dispensed with.

17. All concerned authorities to act on a copy of this order along with the scheme duly authenticated by the Registrar, High Court of Gujarat. The Registrar, High Court of Gujarat shall issue the authenticated copy of this order alongwith Scheme as expeditiously as possible.

SCHEME OF ARRANGEMENT
(UNDER SECTIONS 391 to 394 OF THE COMPANIES ACT, 1956 AND OTHER APPLICABLE PROVISIONS OF THE COMPANIES ACT, 1956/COMPANIES ACT, 2013)

BETWEEN
TORRENT SOLARGEN LIMITED
AND
TORRENT POWER LIMITED
AND THEIR RESPECTIVE SHAREHOLDERS AND CREDITORS

This Scheme of Arrangement provides for transfer and vesting of the Solar Energy Undertaking as well as Wind Energy Undertaking of Torrent Solargen Limited, (formerly known as Torrent Power Bhiwandi Limited), to Torrent Power Limited pursuant to the provisions of Sections 391 to 394 andother relevant provisions of the Companies Act, 1956/Companies Act, 2013 (to the extent notified)with effect from the Appointed Date on a going concern basis by way of a Slump Sale as defined in Section 2(42C) of the Income Tax Act, 1961for a lumpsumcash consideration on the agreed terms and conditions as set out herein.

A. Description of the Companies:

1. Torrent Solargen Limited, the Transferor Company:-

Torrent Solargen Limited (hereinafter referred to as "TSL" or "Transferor Company") is an unlisted public limited company having its registered office at Torrent House, Off Ashram Road, Ahmedabad 380 009 in the state of Gujarat.

TSL having Company Registration Number: 055000 and Corporate Identification Number: U40102GJ2008PLC055000is a company incorporated on September 9, 2008 under the provisions of the Companies Act, 1956 with Registrar of Companies, Gujarat in the name and style of Torrent Power Distribution Services Limited. TSL was originally promoted by Torrent Power Limited with the object to undertake inter-alia the activities of electricity generation, transmission and distribution. The name of the Company was changed to Torrent Power Bhiwandi Limited vide certificate dated December 11, 2008 with the intention to provide electricity distribution related services at Bhiwandi. On June 29, 2010, the shares of TSL were sold by Torrent Power Limited and its nominees to Torrent Private Limited (the holding company of Torrent Power Limited) and its nominees. On November 5, 2014, with an intention to engage in the business of generation of electrical power from non-conventional and renewable sources mainly Solar and Wind energy and to explore strategic opportunities in the renewable energy sector, the entire share capital of TSL was acquired by Torrent Power Limited and consequently, the company was renamed as Torrent Solargen Limited vide the certificate dated November 17, 2014. Thus, at present TSL is the wholly owned subsidiary of Torrent Power Limited.

The company had entered into Contracts to develop,setup and maintain the 51 MW Solar Power Project at Charanka Solar Park, SantalpurTaluka, Patan District in the State of Gujarat, which has commenced its commercial operations in March, 2015.The Company has also entered into Contractstodevelop,setup and maintainthe 136.8 MW Wind Power Project at Mahidadin Rajkot and Surendranagar districts in the state of Gujarat.The said Wind Power Project is presently under implementation and is expected to achieve commercial operation progressively by March 31, 2017.Power generated from the said projects is for supplying to the TPL's Licensed Power Distribution business for fulfilment of Renewable Power Obligations.

2. **Torrent Power Limited, the Transferee Company:-**

Torrent Power Limited (hereinafter referred to as "TPL" or the "Transferee Company") is a public company incorporated under the provisions of the Companies Act, 1956 having its registered office at Torrent House, Off Ashram Road, Ahmedabad – 380 009, Gujarat.

TPL(having Company Registration Number: 044068 and having Corporate Identification Number: L31200GJ2004PLC044068) is the flagship company of Torrent group in the Power Sector.

TPL is a listed public limited entity and the equity shares are currently listed on BSE Limited as well as the National Stock Exchange of India Limited. TPL is an integrated utility engaged in the business of power generation, transmission and distribution of electricity with operations in the states of Gujarat, Maharashtra and Uttar Pradesh. It is also engaged in the business of manufacturing and supply of power cables.

B. Rationale for the Scheme of Arrangement:

The Transferor Company is a wholly owned subsidiary of the Transferee Company and both, Transferor Company and Transferee Company, are engaged in the similar business. It has been contemplated by the Boardof Directors of both the companies that since the holding company, is the

-18-

pioneer of the integratedactivities of power sector,its project development and management bandwidth can help Torrent Group's renewable energy ventures(existing and proposed) also to grow quickly.

In this context, the Board of Directors of both the Transferor and Transferee Company have considered and proposed the present Scheme of Arrangement under the provisions of Section 391 to Section 394 of the Companies Act, 1956 and other applicable provisions of Companies Act, 1956 /Companies Act, 2013 (to the extent notified).

The transfer of the Solar and Wind Energy undertakings to the holding Company would inter-alia result into following benefits to the Transferor Company and the Transferee Company, their respective shareholders and creditors and will be in the long-term interest of the Companies, its customers, employees and other stakeholders:-

(a) Improved visibility of the Generation Portfolio of the Company
(b) Facilitate the Growth Plans of the Company; particularly Generation through Renewable Energy Sources
(c) Ensure a focussed approach for the group in the line of its business activities.
(d) Achieve administrative convenience including avoiding duplication of administrative functions;
(e) Achieve economies of scale;
(f) More productive and optimum utilisation of various resources;
(g) Concentrated management focus and improved Asset base;
(h) Pooling of Human talent in terms of Manpower, Management and Administrationto result in saving of costs and;

C. **Operation of the Scheme:**

(a)TheTransfer of the Undertakingsof the Transferor Company and vesting of the same to Torrent Power Limited, pursuanttothisSchemeshalltakeplacewitheffectfromtheAppointedDateon a going concern basis by way of Slump Saleas defined in Section 2(42C) of the Income Tax Act, 1961.

(b) For the said transfer, a lumpsum consideration in cash based on valuation recommended by an Independent Chartered Accountant will be paid by the Transferee Company.

(c) The scheme shall be in compliance with the Applicable Laws including the SEBI Circular bearing no. CIR/CFD/CMD/16/2015 dated November 30,2015and other applicable provisions of RBI Guidelines as well as FEMA Regulations, as applicable to this Scheme of

Arrangement.

-19-

1. DEFINITIONS:

In this Scheme, unless inconsistent with the subject or context, the following expressions shall have the meaning given hereunder: -

1.1 **"Act"**means the Companies Act, 1956 (and to the extent applicable the Companies Act, 2013) including any statutory modifications, re-enactments or amendments thereof from time to time;

1.2 **"Applicable Law"** means any statute, notification, bye laws, rules, regulations, guidelines, rule of common law, policy, code, directives, ordinance, orders or instructions having the force of law enacted or issued by any Appropriate Authority including any statutory modification or re-enactment thereof for the time being in force.

1.3 **"Appointed Date"** means the opening hours of the business on April 1,2015.

1.4 **"Appropriate Authority"** means any governmental, statutory, departmental or public body or authority in India, including Securities and Exchange Board of India; stock exchanges in India; Registrar of Companies, Company Law Board in India, Competition Commission of India, National Company Law Tribunal in India (**"NCLT"**), the High Court of Judicature at Gujarat.

1.5 **"Board of Directors" or "Board"** shall mean the Board of Directors of Transferee Company or Transferor Company, as the case may be or any committee thereof duly constituted or any other person duly authorised by the Board for the purpose of this Scheme;

5. TRANSFER AND VESTING OF THE UNDERTAKINGS

Upon the Scheme being effective and in accordance with the terms of the Scheme in relation to the mode of transfer and vesting, the Solar Energy Undertaking and Wind Energy Undertakingof the Transferor Company, shall, without any further act, instrument or deed, be and stand transferred to and vested in, and/or be deemed to have been and stand transferred to and vested in Transferee Companyon a going concern basis by way of Slump Sale, so as to become on and from the Appointed Date, the Undertakings including the estate, assets, rights, title, interest and authorities of Transferee Companyalong with all encumbrances, mortgage, liens and charges if any, subsisting over the assets of the said Solar Energy Undertaking and Wind Energy Undertaking.

5.1 All assets, estate, rights, title, interest and authorities acquired by the Transferor Company i.e. TSLfor the said Solar and Wind Energy Undertakingsafter the Appointed Date and prior to the Effective Date, shall also stand transferred to and vested in TPL upon the coming into effect of this Scheme.

5.2 With effect from the Appointed Date and upon the Scheme becoming effective, any statutory licenses, permissions or approvals or consents held by TSL required to carry on operations of Solar Energy Undertaking and Wind Energy Undertaking shall stand vested in or transferred to TPL without any further act or deed, and shall be appropriately mutated by the Appropriate Authorities concerned therewith in favour of TPL and the benefit of all statutory and regulatory permissions, environmental approvals and consents, registration or other licenses etc. shall vest in and become available to TPL as if they were originally obtained by TPL. In so far as the various incentives, subsidies, rehabilitation schemes, special status and other benefits or privileges enjoyed, granted by any Government body, local authority or by any other person, or availed of by TSL relating to Solar Energy Undertaking and Wind Energy Undertaking,

-27-

are concerned, the same shall vest with and be available to TPL on the same terms and conditions as applicable to TSL, as if the same had been allotted and/or granted and/or sanctioned and/or allowed to TPL.

5.3 All patents, trademarks, copyrights, or any kind of intellectual property, if any, registered with the concerned authority or application submitted at any time on or before the Effective Date or being used by TSL, pertaining to Solar Energy Undertaking and Wind Energy Undertaking shall stand transferred and vested in the name of TPL without any further act or deed. TPL, however, shall after the scheme becoming effective file the relevant intimation with the concerned statutory authorities.

5.4 Upon the coming into effect of this Scheme on the Appointed Date such of the general and multipurpose borrowings as ascertainable to the Solar Energy Undertaking and Wind Energy Undertaking of TSL as identified by the Board of Directors of TSL, shall without any further act or deed be and stand transferred to TPL, and shall thereupon become the debts and liabilities of TPL, which shall meet, discharge and satisfy the same.

5.5 Where any of the debts, liabilities, duties and obligations attributed to the Solar Energy Undertaking and the Wind Energy Undertaking on the Appointed Date has been discharged by TSL on behalf of TPL after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on behalf of TPL.

5.6 Upon the Scheme being effective, any tax liabilities attributed to the Solar Energy Undertaking and the Wind Energy Undertakingunder the Income Tax Act, 1961, Customs Act, 1962, Central Excise Act, 1944, value added tax laws, entertainment tax as applicable in any State in which Transferor Companyoperates, Central Sales Tax Act, 1956, any other State Sales Tax / Value Added Tax laws, or Service Tax, or Corporation Tax, or other applicable laws/ regulations dealing with taxes/ duties/ levies/cess (hereinafter in this Clause referred to as "Tax Laws") to the extent not provided for or covered by tax provision in the Transferor Company's accounts made as on the date immediately preceding the Appointed Date shall be transferred to Transferee Company. Any surplus in the provision for taxation/ duties/ levies account including advance tax and tax deducted/collected at source as on the date immediately preceding the Appointed Date will also be transferred to the account of and belong to Transferee Company.

5.7 Any amount pertaining to the Solar Energy Undertaking and the Wind Energy Undertaking including refund under the Tax Laws due to

Transferor Company consequent to the assessment proceedings or otherwise and which have not been received by the Transferor Company as on the date immediately preceding the Appointed Date shall also belong to and be receivable by Transferee Company upon the Scheme being effective.

5.8 Without prejudice to the generality of the above, all benefitsattributed to the Solar Energy Undertaking and the Wind Energy Undertaking including under Tax Laws, to which Transferor Company is entitled to in terms of the applicable Tax Laws of the Union and State Governments, shall be available to and vest in Transferee Company upon the Scheme being effective.

6. CONTRACTS, DEEDS, ETC.

6.1 Without prejudice to the other provisions of this Scheme, TPL may, at any time, after the Scheme comes into effect in accordance with the provisions hereof, if so required, under any law or otherwise, execute deeds, confirmations or other writings or tripartite arrangements with any party to any contract or arrangement to which TSL is a party for the said Solar Energy Undertaking and Wind Energy Undertakingor any writings as may be necessary to be executed merely in order to give formal effect to the above provisions. TSL will, if necessary, also be a party to the above. TPL shall, under the provisions of this Scheme, be deemed to be authorized to execute any such writings on behalf of TSL and to carry out or perform all such formalities or compliances referred to above on the part of TSL to be carried out or performed.

6.2 For avoidance of doubt and without prejudice to the generality of the foregoing, it is clarified that:-

a. All the licenses, permits, quotas, approvals (including, but not limited to, environmental approvals, statutory and regulatory approvals), no-objection certificates, incentives, permissions, registrations, tax exemptions, accumulated tax losses, MAT Credit entitlement, tax benefits including benefits under Chapter VI A of Income Tax Act, 1961, concessions or deferrals, subsidies, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status and other benefits or privileges enjoyed or conferred upon or held or availed by and all rights and benefits that have accrued or may accrue to Transferor Company before or after the Appointed Date and prior to the Effective Date in connection with or in relation to the operation of the Undertakings of the Transferor Company, pursuant to the provisions of Section 394(2) of the Act and all other applicable provisions, if any, shall without any further act, instrument or deed, cost or charge, be transferred to and vest in or be deemed to have been transferred to and vested in and be available to Transferee Company so as to become on and from the Appointed Date the licenses, permits, quotas, approvals (including, but not limited to, environmental approvals, statutory and regulatory approvals), no-objection certificates, incentives, permissions, registrations, tax exemptions, accumulated tax losses, MAT Credit entitlement, tax benefits including benefits under Chapter VI A of Income Tax Act, 1961, concessions or deferrals, subsidies, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status and other benefits or privileges of Transferee Company and shall remain valid, effective and enforceable on the same terms and conditions to the extent permissible in law.;

b. Upon the Effective Date and until the licenses, permit, quotas, approvals, (including, but not limited to, environmental approvals, statutory and regulatory approvals), no-objection certificates, incentives, permissions, registrations, tax exemptions, accumulated tax losses, MAT Credit entitlement, tax benefits including benefits under Chapter VI A of Income Tax Act, 1961, concessions or deferrals, subsidies, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status are transferred, vested, recorded effected and / or perfected, in the record of the Appropriate Authority, in favor of Transferee Company, Transferee Company is authorized to carry on business in the name and style of Transferor Company and under the relevant license and or permit and or approval, as the case may be, and Transferee Company shall keep a record and/or account of such transactions, as if the Undertaking of the Transferor Company have not been transferred.

c. if any of the assets, rights, title, interest in or authorities relating to such or, any contract, deeds, bonds, agreements, schemes, arrangements or other instruments of whatsoever nature in relation to the Solar Energy Undertaking and Wind Energy Undertaking which TSL owns or to which it is a party to, cannot be transferred to TPL for any reason whatsoever, TSL shall hold such assets or contracts, deeds, bonds, agreements, schemes, arrangements or other instruments of whatsoever nature in trust and for the benefit of TPL, until the same are transferred and vested in TPL;

d. the Remaining Business shall continue to be owned or owed by TSL.

7. LEGAL PROCEEDINGS

All legal or other proceedings by or against TSL pending on the Effective Date and relating to the transferred undertakings, i.e. Solar Energy Undertaking and Wind Energy Undertaking, including property rights, powers, liabilities, obligations and duties of TSL shall not abate and shall continue and be enforced by or against TPL in the same manner and to the same extent as it would or might have been continued and enforced by or against TSL. Any other legal or other proceedings relating to the Solar Energy Undertaking and Wind Energy Undertaking pending on the Effective Date shall continue and remain enforced by or against TPL.

8. CONDUCT OF BUSINESS BY TRANSFEROR COMPANY TILL EFFECTIVE DATE

8.1 With effect from the Appointed Date and upto and including the Effective Date:

TSL shall be deemed to have been carrying on and shall carry on all business and activities relating to the Solar Energy Undertaking and Wind Energy Undertakingand stand possessed of the properties to be transferred, for and on account of and in trust for TPL.

a. all profits accruing to TSL or losses arising or incurred by it relating to the said Solar Energy Undertaking and Wind Energy Undertaking shall, for all purposes, be treated as the profits or as the case may be losses, of TPL.

b. TSL hereby undertakes, from the Appointed Date upto and including the Effective Date to carry on the business of the said undertaking with proper prudence and not to alienate or otherwise deal with or dispose of the said undertakings or any part thereof otherwise than in the ordinary course of the business.

c. TPL shall be entitled, pending the sanction of the Scheme, to apply to the Central/State Governments and all other agencies, departments and authorities concerned as are necessary under any law, for such consents, approvals and sanctions, which TPL may require to own and operate theSolar Energy Undertaking and Wind Energy Undertaking.

d. TSL shall not vary the terms and conditions of service of the employees or conclude settlements with unions or employees related to Solar Energy Undertaking and Wind Energy Undertaking, except in the ordinary course of business.

e. TSL shall not vary the terms and conditions of any agreements or contracts in relation to the Solar Energy Undertaking and Wind Energy Undertaking, except in the ordinary course of business or pursuant to any pre-existing obligation undertaken by them, as the case may beor without the prior consent of TPL.

9. STAFF, WORKMEN & EMPLOYEES

9.1 TPL undertakes to engage, on and from the Effective Date, all employees of the Solar Energy Undertaking and Wind Energy Undertaking, on the same terms and conditions on which they are engaged as on the Effective Date by TSL without any interruption of service as a result of the transfer or on terms and conditions not less favorable than those subsisting with reference to TSL as on the said date, as if they were in continuous service.

9.2 The accounts of the employees of Solar Energy Undertaking and Wind Energy Undertakingspecified in sub-clause (a) above, relating to the superannuation fund, provident fund, gratuity fund and other funds including any surplus in such funds shall be identified, determined and transferred to the trustees of the respective funds of TPL and/or such new provident fund, gratuity fund, superannuation fund, or such other special funds or trusts created for the benefit of the staff, workmen or employees to be established and caused to be recognised by the concerned authorities by Transferee Company. Pending the transfer as aforesaid, the provident fund, gratuity fund and superannuation fund dues of the employees would be continued to be deposited in the existing provident fund, gratuity fund, superannuation fund, or such other special funds or trusts respectively.

9.3 Any question that may arise as to whether any employee belongs to or does not belong to the Solar Energy Undertaking and Wind Energy

Undertaking shall be mutually decided by the Board of Directors or Committee thereof of TSL and TPL.

10. CONSIDERATION PAYABLE BY TPL

In consideration of the transfer of the Undertakingsfrom TSL on a going concern basis by way of Slump Sale and consequent vesting thereof into TPL in terms of this Scheme, TPL shall within 60days from the Effective Date or such other period as may be decided by Board of Directors of both companies, pay to TSL a lumpsum consideration of Rs.80.63Crores representing the Net Asset Value of the Undertakings being transferred as on the Appointed Date. The Net Asset Value would be discharged by the Transferee Company in Cash.

The Consideration has been arrived at on basis of the valuation report prepared by M/s SSPA & Co., Independent Chartered Accountants. Further, M/s Kotak Mahindra Capital Company Limited, SEBI Registered Merchant Bankers, has provided a fairness opinion on the fairness and reasonableness of said valuation from a financial point of view.

11. ACCOUNTING TREATMENT IN THE BOOKS OF TSL

11.1 Upon the coming into effect of this Scheme, with effect from the Appointed Date, the accounts representing the assets and liabilities of the Solar Energy Undertaking as well as Wind Energy Undertaking shall stand closed on transfer to TPL.

11.2 It is clarified that all taxes payable by TSL, relating to Solar Energy Undertaking as well as Wind Energy Undertaking, from the Appointed Date onwards including all or any refund and claims shall, for all purposes, be treated as the tax liabilities or refund or claims of TPL. Accordingly, upon the Scheme becoming effective, TPL is expressly permitted to revise its financial statements prepared under the Act for the Financial Year 2015-16 and any subsequent year, if required, tax returns and other returns, if any, and to claim refunds / credits pursuant to the provisions of this Scheme for the relevant year.

11.3 TSL shall account for the transfer and vesting of Solar Energy Undertaking as well as Wind Energy Undertaking in accordance with applicable Accounting Standards.

12. ACCOUNTING TREATMENT - IN THE BOOKS OF TPL

12.1 Upon the coming into effect of this Scheme, TPL shall record the assets and liabilities vested in it pursuant to this Scheme, in accordance with the applicable Accounting Standards.

12.2 Inter – corporate loans or balances, if any, belonging to or relating to the said undertakings, between TSL and TPL and the obligations in respect thereof shall come to an end and corresponding effect shall be given in the books of accounts and records of TPL for the cancellation / reduction of such assets or liabilities, as the case may be.

13. REMAINING BUSINESS

The Remaining Business shall continue to belong to and be vested in and be managed by TSL.

14. TAXES/ DUTIES / CESS ETC.

14.1 The Transferee Company will be successor of the Transferor Company so far as the Solar Energy Undertaking as well as Wind Energy Undertaking is concerned. Theunutilized credits relating to excise duties paid on inputs lying to theaccount of Transferor Company as well as the unutilized credits relating toservice tax paid on input services consumed by the Transferor Company or any VAT Credit lying to the account of Transferor Companyshall be transferred to the Transferee Company automatically without anyspecific approval or permission as an integral part of the Scheme.

14.2 Income taxes of whatsoever nature including advance tax, self-assessmenttax, regular assessment taxes, tax deducted at source, Minimum Alternative Tax, wealth tax, if any, paid by the Transferor Company and deductions, benefits or profit linked incentives under Chapter VI-A of Income Tax Act, 1961 as available to the Transferor Company for the eligible period in respect of the Solar Energy Undertaking as well as Wind Energy Undertaking shall be treated as paid by, or availableto the Transferee Companyand the Transferee Company shall be entitled to claim the eligibility, credit, refund, adjustment for the same. MAT credit available with the Transferor Companyunder Income Tax Act, 1961, if any, shall be available to the TransfereeCompany.

14.3 If the Solar Energy Undertaking as well as Wind Energy Undertaking of the Transferor Company is entitled to any benefits under incentiveschemes and policiesincluding under any Act, it is declared that the benefits under all such incentiveschemes and policies shall be transferred to and vested in the TransfereeCompany. The Transferee Company shall be entitled to deduction of booklosses or depreciation of the Transferor Company, whichever is lower, (if any) for the purpose ofcalculation of MAT for the Transferee Company.

14.4 Upon this Scheme being effective, the Transferee and Transferor Companiesare expresslypermitted to revisetheir financial statements prepared under the Act for the Financial Year 2015-16,their income tax returns and other statutoryreturns, including tax deducted / collected at source returns, service taxreturns, excise tax returns, sales tax / VATreturns and such other returns, as may be applicable andhas expressly reserved the right to make necessary changes in its returns and toclaim refunds or credits etc., if any. Such returns may be revised and filednotwithstanding that the statutory period for such revision and filing mayhave expired.

15. APPLICATION TO HIGH COURT

15.1 TSL and TPL shall with all reasonable dispatch make applications to the High Court under Sections 391 of the Act, seeking orders for dispensing with or convening as the case may be, the holding and conducting of the meetings of the respective classes of the members and/or creditors of TSL and TPL as may be directed by the High Court.

15.2 On the Scheme being agreed to by the requisite majorities of the classes of the members and/or creditors of TSL and TPL as directed by the High Court, both companies shall respectively with reasonable dispatch, apply to the concerned High Court for sanctioning the Scheme of Arrangement under Sections 391 to394 of the Act, and for an order or orders as the concerned High Court may deem fit for carrying this Scheme into effect.

16. MODIFICATION OR AMENDMENTS TO THE SCHEME

TSL and TPL by their respective Board of Directors (including any Committee of Directors) or through their authorised representative(s) may make any modifications / amendments as may be essential or necessary or may assent to any modifications/amendments to the Scheme or to any conditions or limitations that the High Court and/or any other authority may deem fit to direct or impose or which may otherwise be considered necessary, desirable or appropriate by them (i.e. the Board of Directors or any committee thereof). TSL and TPL by their respective Board of Directors (including any Committee thereof) or through their authorised representative(s) be and are hereby authorised to take all such steps as may be necessary, desirable or proper to resolve any doubts, difficulties or questions whether by reason of any directives or orders of any other authorities or otherwise howsoever arising out of or under or by virtue of the Scheme and/or any matter concerned or connected therewith. In the event that any conditions are imposed by the High Court which

TSLand/or TPL finds unacceptable for any reason whatsoever then they shall be entitled to withdraw from the Scheme in which event no rights and liabilities whatsoever shall accrue to or be incurred inter se to or by the parties or any of them.

17. CONDITIONALITY OF THE SCHEME

17.1 This Scheme is and shall be conditional upon and subject to:

a. The Scheme being cleared by the DesignatedStock Exchange in compliance with the terms of the SEBI (Listing Obligations AndDisclosure Requirements) Regulations, 2015and guidelines issued by Securities and Exchange Board of India and in particular vide Circular CIR/CFD/CMD/16/2015 dated November 30, 2015 with any amendment;

b. The Scheme being agreed to by the respective requisite majorities of the various classes of members and creditors (where applicable) of TSL and TPL as required under the Act (unless waived by the High Court or exempted under the applicable loan agreements);

c. The sanction of the High Court under Sections 391 to 394 of the Act, being obtained;

d. The requisite sanctions or approvals including but not limited to in-principle approvals, sanctions of any governmental or regulatory authority, as may be required by law in respect of the Scheme being obtained;

e. The certified copies of the orders of the High Court referred to in Clauses (b) above being filed with the Registrar of Companies, Gujarat and;

f. Such other sanctions and approvals as may be required by law in respect of the Scheme being obtained.

In the event of any of the said sanctions and approvals referred to in above clause not being obtained and/or complied with and/or satisfied and/or this Scheme not being sanctioned by the High Court and/or order or orders not being passed as aforesaid, this Scheme shall stand revoked,cancelled and be of no effect and in that event, no rights and liabilities whatsoever shall accrue to or be incurred inter se between the transferor and transferee companies or their respective shareholders or creditors or employees or any other person and save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any right, liability or obligation which has arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out in

-36-

accordance with the applicable law and in such case, each party shall bear its own costs unless otherwise mutually agreed.

If any Clause of this Scheme is invalid, ruled illegal by any Court of competent jurisdiction, or unenforceable under present or future laws, then it is the intention of the Parties that such part shall be severable from the remainder of this Scheme, and this Scheme shall not be affected thereby, unless the deletion of such Clause shall cause this Scheme to become materially adverse to any party, in which case the Board of Directors of the companies involved in the Scheme shall attempt to bring about a modification in this Scheme, as will best preserve for the parties the benefits, and obligations of this Scheme, including, but not limited to, such clause.

17.2 Transferee Company shall be entitled, pending the sanction of the Scheme, to apply to any Appropriate Authority, if required, under any law for such consents and approvals which Transferee Company may require including the registration, approvals, exemptions, reliefs, etc., to own each of the Undertakings of the Transferor Company and to carry on the business of the Transferor Company.

18. SAVING OF CONCLUDED TRANSACTIONS

The transfer and vesting of the Undertakings of the transferor company as per this Scheme and the continuance of the proceedings by or against the transferee company relating to Solar Energy Undertaking & Wind Energy Undertaking, shall not affect any transaction or proceedings already concluded by transferor company on or before the Effective Date, to that end and intent that transferee company accepts and adopts all acts, deeds and things done and executed by transferor company as acts, deeds and things done and executed by and on behalf of transferee company.

19. COSTS, CHARGES & EXPENSES

All costs, charges, taxes including duties, levies and all other expenses, if any (save as expressly otherwise agreed) of transferor and transferee company, arising out of or incurred in carrying out and implementing this Scheme and matters incidental thereto shall be borneby transferee company.

20. General Terms and Clauses

20.1 Upon the Scheme being effective, the Transferee Company is expressly permitted to revise its financial statements to give effect to the provisions of the Scheme.

-37-

20.2 Upon the coming into effect of this Scheme, Transferee Company is expressly permitted to revise its Income Tax returns, sales tax returns, excise & CENVAT returns, service tax returns, other tax returns, etc. to the extent required. Transferee Company shall be entitled to get credit/claim refund regarding any tax paid and/or tax deduction at source certificates on or after the Appointed Date by the Transferor Company.

20.3 It is hereby clarified that submission of the Scheme to the High Court and to Appropriate Authorities for their respective approvals is without prejudice to all rights, interests, titles or defences that the Transferee Company and the Transferor Company may have under or pursuant to all appropriate and Applicable Law.

BOARD OF DIRECTORS

Sr. No.	Name	Designation	Qualification	Profile
1	Sudhir Mehta	Director	Bachelor of Science from Gujarat University	Mr. Sudhir Mehta, 68 years, Chairman Emeritus of ₹22,500 Crore Torrent Group, is the driving force behind its strong presence in Pharma and Power sectors. Mr. Sudhir Mehta formally joined the family business in the early 70s. The astute businessman in Mr. Mehta was quick to foresee the emerging opportunities in the power sector. He led Torrent's foray into this sector by acquiring the ailing Mahendra Cables in the late 80's, TCL Cables Private Limited. This was followed by the acquisition of Ahmedabad Electricity Company and Surat Electricity Company in the early 90's, now part of Torrent Power Limited. Under the able leadership of Mr. Mehta, Torrent Group has since grown into a leading business group. Torrent Power today has a strong foothold in generation, distribution and transmission segments.
2	Samir Mehta	Chairman	Masters in Business Management	Mr. Samir Mehta, 58 years, is the Chairman of ₹22,500 Crore Torrent Group. Mr. Mehta has guided the Group's entry and growth in the power sector. Torrent Power has systematically improved its performance on all efficiency parameters and ranks amongst the best run power utilities in the country. His emphasis on efficiency and reliability has led the Company to demonstrate exemplary operational capabilities and high customer orientation, thus setting new benchmarks in the sector and attracting many accolades. In a move to expand its business presence, Mr. Mehta mentored the Group's entry into the emerging City Gas Distribution (CGD) sector by participating in bidding rounds for new areas and acquiring existing CGD entities. In a short span, Torrent has established an investment plan of ₹10,000 Crore and started rolling out its network across 17 geographical areas in India.

BOARD OF DIRECTORS

Sr. No.	Name	Designation	Qualification	Profile
3	Pankaj Patel	Independent Director	Masters in Pharmaceuticals and Pharmaceutical Technology from Gujarat University and BA in Science and Law from the University of Mumbai	Mr. Pankaj Patel, 69 years, is the Chairman of Zydus Lifesciences Limited, an innovation-driven, global healthcare company with operations in more than 50 countries worldwide. A stalwart and a visionary, Mr. Pankaj Patel combines both research and techno-commercial expertise. Mr. Patel is also the Past President of the Federation of Indian Chamber of Commerce & Industry (FICCI). He is Member of the Board of Governors of the Indian Institute of Management (IIM), Ahmedabad, IIM, Udaipur and various other renowned educational institutions.
4	Keki Mistry	Independent Director	C.A., C.P.A. (USA)	Mr. Keki Mistry is a Member of the Audit Committee of the Board. Born in 1954, Mr. Keki M. Mistry is a Fellow member of The Institute of Chartered Accountants of India. A renowned professional with over four decades of varied work experience in the banking and financial services domain, he is currently the Vice Chairman and CEO of Housing Development Finance Corporation Limited (HDFC). He is also the Non-Executive Chairman on the Board of Directors of HDFC ERGO General Insurance Company Ltd.
5	Usha Sangwan	Independent Director	Postgraduate in Economics, a postgraduate Diploma holder in Human Resource Management and a Licentiate from the Insurance Institute of India	Smt. Usha Sangwan, 63 years, was the first ever woman Managing Director of LIC of India, the largest life insurer in the world in terms of number of customers. Her expertise lies in analytics, strategy, execution, people skill, customer centricity, use of technology, particularly in marketing and servicing and setting up of systems.

BOARD OF DIRECTORS

Sr. No.	Name	Designation	Qualification	Profile
6	Radhika Haribhakti	Independent Director	Graduated in Commerce from Gujarat University, Post Graduate in Management from the Indian Institute of Management, Ahmedabad (IIMA)	Smt. Radhika Haribhakti, 63 years, has over 30 years of experience in Commercial and Investment Banking with Bank of America, JM Morgan Stanley and DSP Merrill Lynch. She has advised several large corporates and led their Equity and Debt offerings in Domestic as well as International Capital Markets.
7	Mamta Verma, IAS	Non-Executive Director	MA with Psychology, Masters of Public Policies from Minneapolis Hubert H. Humphrey School of Public Affairs, U.S.A, Senior IAS Officer	Smt. Mamta Verma, IAS, 49 years, is Principal Secretary, Energy & Petrochemicals Department, Gandhinagar. She has held various positions in GoG such as Collector, District Development Officer, Commissioner Principal Secretary in various departments. She was instrumental in implementation and execution of some of the most path-breaking reforms and initiatives of government of India such as “Ease of Doing Business Reforms” as well as “Competitive Ranking of Startups”.

Since April’17, he has been independently pursuing his professional interests and runs a boutique Structuring and Tax firm, Katalyst Advisors Pvt. Ltd. He has been listed among India’s leading tax advisors in International Tax Review, a leading global magazine on international tax policy and offers advice around the world.

BOARD OF DIRECTORS

Sr. No.	Name	Designation	Qualification	Profile
9	Jinal Mehta	Managing Director	Bachelor of Business Studies (BBS) and Master of Business Administration (MBA) from the University of Technology Sydney (UTS), Sydney, Australia.	Jinal Mehta, 39 years, has more than 15 years of experience across all facets of the power sector – generation, transmission and distribution. He was involved during the project and operations phases of the 1,147.5 MW SUGEN Mega Power Project and 382.5 MW SUGEN Expansion (i.e. UNOSUGEN). Subsequently, he was responsible for the implementation of the 1,200 MW DGEN Mega Power Project. Thereafter, he took charge of the Company's distribution business in April'14 and led significant operational improvements in both the licensed and franchised distribution businesses. Under his leadership, the Company grew its Distribution business further by obtaining a distribution license for various areas and was appointed as the Distribution Franchisee by MSEDCL for Shil, Mumbra & Kalwa (SMK) in Thane District. He has contributed significantly in increasing the Company's footprint in the Renewable Energy Sector.
10	Varun Mehta	Whole-time Director	BSc (with honours) in Management from University of Warwick, UK and an MBA from INSEAD, France	Varun Mehta, 34 years, has worked across different business segments of the company – namely Renewables, Thermal Generation and Distribution. He started his career in the Renewables business, where he made an important contribution in formulating the entry strategy of the Group in the area of renewable energy and setting up the initial set of renewable energy projects. Currently he is Whole time Director at Torrent Power Limited and heads the Distribution License, Transmission and Cables business. Under his leadership, Torrent's distribution business has widened its lead over competition and strengthened its position as a benchmark utility. His efforts in the area of operational excellence led to Torrent Power being recognized as one of only 5 companies in the world to be simultaneously awarded the prestigious Sword of Honour and Globe of Honour from British Safety Council in 2021.

UNDERTAKING

1. In compliance to the Regulation 4 of the MERC (General Conditions of Distribution Licence) Regulations, 2006 (hereinafter "MERC Regulations"); Torrent Power Limited ("Petitioner" / "Applicant") undertakes that no conditions or circumstances exist that cast a doubt on the ability of the Applicant to perform its duties and obligations under the Electricity Act, 2003 and MERC Regulations, as a distribution licensee.

2. Torrent Power Limited would like to clarify that for the purposes of this undertaking, *"conditions or circumstances"* shall mean and include cases of conviction of the applicant or any of its partners, directors or promoters by a Court of Law or indictment / adverse order by a regulatory authority or which relates to a grave offence of such a nature that it outrages the moral sense of the community; insolvency and bankruptcy of the applicant or any of its partners, directors or promoters; pending legal proceedings; conviction of an offence involving moral turpitude, or any economic offence; fraudulent and unfair trade practices or market manipulation; financial integrity; competence; reputation and character, and any other sufficient reasons as specified in Regulations 4 of the MERC Regulations.

Yours faithfully,

For Torrent Power Limited

ANNEXURE-7

14th Annual Report 2017-18

torrent POWER

Cost-efficient Practices

Innovation and excellence is a way of life at Torrent. Deviating from the generally trodden path, Torrent Power has been innovating the way gas-based power plants are operated and maintained, by implementing several improvement initiatives beyond OEM's guidelines, leading to enhanced reliability, availability and efficiency of the plants. Company's SUGEN Mega Power Plant reached 50,000 operating hours and completed major overhaul of its units during the year in a path breaking timeline of average 20 days per unit (versus 40 days prescribed by the OEM). The complex overhauling job involving around 400 people was completed by following highest safety standards and without any accidents. This was possible by meticulous planning of all resources, risk assessment and perfection in execution. Post overhaul, plant performance parameters in terms of capacity (up by average 2.7%) and station heat rate (better by average 1.3%) have improved considerably beyond the guarantee provided by the OEM, resulting in long term commercial benefits to the company.

		(v)	The Company shall provide him furnished residential accommodation, if the rules of the location of his posting provides for the same.
		(vi)	Gratuity shall be payable as per applicable laws and rules of the Company.
		(vii)	Entitlement for leave, its accumulation and encashment as per the rules of the Company.
		(viii)	He shall be entitled to use of one Company maintained car as per policy of the Company.
		(ix)	He shall be entitled to membership of club as per policy of the Company.
C	Performance Pay	:	The Company shall pay, in addition to salary and applicable allowances, perquisites and benefits, an annual Performance Pay at a rate not exceeding 50% of the salary as may be decided from time to time.
D	One Time Award	:	He may be granted a special One Time Award for any special achievement / project of extraordinary nature beyond the normal responsibilities as per the policy and practices of the Company.

RESOLVED FURTHER THAT the Board of Directors be and is hereby authorised to determine, modify, consolidate and/or revise the terms and conditions of the appointment of Shri Varun Mehta, including designation and remuneration within the above limits, in any manner from time to time, and to delegate all or any of the powers conferred herein to any Committees of Directors or any Officer(s) of the Company."

9. Enhancement of Borrowing Limits

To consider and if thought fit, to pass the following resolution as a **Special Resolution:**

"RESOLVED THAT pursuant to section 180(1)(c) and other applicable provisions of the Companies Act, 2013, as amended from time to time and the rules made there under, including any modifications, amendments or re-enactment thereof and subject to such other approvals as may be necessary, and in supersession of the earlier resolution passed by the Company in this regards, the consent of the members of the Company be and is hereby accorded to the Board of Directors (hereinafter referred to as “the Board” which shall be deemed to include any Committee thereof), to borrow any sum or sums of moneys (apart from temporary loans obtained from the Company’s Bankers in the ordinary course of business), from time to time, in such form and manner and on such terms and conditions as the Board may deem fit, as may be required for the purposes of business of the Company, from one or more Banks, Financial Institutions and/or any other lenders (including any Government(s), Government Bodies, firms, body corporate, association of persons and any individuals) by way of loans, debentures, notes, bonds, cash credits, advances, deposits, bill discounting or any other form of indebtedness, either in rupees or in such other foreign currencies as may be permitted by law from time to time, whether secured or unsecured, provided that the total amount so borrowed and outstanding at any point in time shall not exceed ₹20,000 Crore (Rupees Twenty Thousands Crore only), notwithstanding the fact that money to be borrowed together with the moneys already borrowed (apart from temporary loans obtained from the Company’s Bankers in the ordinary course of business) may at any time exceed the aggregate of the paid-up share capital of the Company, its free reserves (i.e. reserves not set apart for any specific purpose) and securities premium.

RESOLVED FURTHER THAT for the purpose of giving effect to this resolution, the Board be and is hereby authorized to finalize, settle and execute such documents / deeds / writings / papers / agreements as may be required and to do all acts, deeds and things, as it may in its absolute discretion deem necessary, proper or desirable and to settle any question, difficulty or doubt that may arise in regard to the aforesaid resolution and generally to do all acts, deeds and things that may be necessary, proper, expedient or incidental for the purpose of giving effect to the aforesaid resolution and also to delegate all or any of the above powers to the Committee of Directors.”

10. Creation of Charges

To consider and if thought fit, to pass the following resolution as a **Special Resolution:**

“RESOLVED THAT pursuant to the provisions of section 180(1)(a) and other applicable provisions, if any, of the Companies Act, 2013, as amended from time to time and the rules made thereunder, including any modifications, amendments or re-enactment thereof and subject to such other approvals as may be necessary, and in supersession of the earlier resolution passed by the Company in this regards, the consent of the members of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as “the Board” which shall be deemed to include any Committee thereof) to mortgage, hypothecate, pledge, assignment and/or charge, in addition to mortgage, hypothecation, pledge, assignment and/or charge already created, in such form, manner and ranking and on such terms as the Board may deem fit in the interest of the Company, any or all of the immovable and/or movable properties of the Company, including book debts, intellectual property rights, licences, project documents, contracts and insurance policies wheresoever situated, both present and future, and/or the whole or part of the undertaking of the Company together with or without the power to enter upon and to take possession of any such asset and to take over the business or takeover the management of the business or any undertaking of the Company in case of events of default, in favour of the lender(s), agent(s) or trustee(s), for securing the borrowing including working capital facilities availed or to be availed by the Company or any of its subsidiaries, from time to time, by way of loans, debentures, notes, bonds, cash credits, advances, deposits, bill discounting or any other form of indebtedness, in foreign currency or in Indian rupees, in one or more tranches, alongwith interest, additional interest, accumulated interest, any increase as a result of changes in the rates of exchange, liquidated damages, commitment charges or costs, expenses and all other moneys payable by the Company or any of its subsidiary in terms of respective facility agreement(s) or any other document entered / to be entered into between the Company or any of its subsidiary and the lenders/agents/investors and trustees as may be stipulated in that behalf and agreed to between the Board and the lenders, agents, investors or trustees, from time to time, upto the limits approved under section 180(1)(c) of the Companies Act, 2013.

RESOLVED FURTHER THAT for the purpose of giving effect to this resolution, the Board be and is hereby authorized to finalize, settle and execute such documents / deeds / writings / papers / agreements as may be required and to do all acts, deeds and things, as it may in its absolute discretion deem necessary, proper or desirable and to settle any question, difficulty or doubt that may arise in regard to aforesaid resolution and generally to do all acts, deeds and things that may be necessary, proper, expedient or incidental for the purpose of giving effect to the aforesaid resolution and also to delegate all or any of the above powers to the Committee of Directors.”

11. Re-appointment of Smt. Bhavna Doshi as an Independent Director

To consider and if thought fit, to pass the following resolution as a **Special Resolution:**

"RESOLVED THAT pursuant to the provisions of sections 149, 152, Schedule IV and other applicable provisions of the Companies Act, 2013 and the rules made thereunder, including any statutory modification(s) or re-enactment thereof, for the time being in force, Smt. Bhavna Doshi (DIN: 00400508), be and is hereby re-appointed as an Independent Director on the Board of the Company, for a second and final term from 4th August, 2018 to 30th September, 2021 (both days inclusive)."

12. Re-appointment of Ms. Dharmishta N. Raval as an Independent Director

To consider and if thought fit, to pass the following resolution as a **Special Resolution:**

"RESOLVED THAT pursuant to the provisions of sections 149, 152, Schedule IV and other applicable provisions of the Companies Act, 2013 and the rules made thereunder, including any statutory modification(s) or re-enactment thereof, for the time being in force, Ms. Dharmishta N. Raval (DIN: 02792246), be and is hereby re-appointed as an Independent Director on the Board of the Company, for a second and final term from 16th October, 2018 to 30th September, 2021 (both days inclusive)."

13. Re-appointment of Shri Samir Barua as an Independent Director

To consider and if thought fit, to pass the following resolution as a **Special Resolution:**

"RESOLVED THAT pursuant to the provisions of sections 149, 152, Schedule IV and other applicable provisions of the Companies Act, 2013 and the rules made thereunder, including any statutory modification(s) or re-enactment thereof, for the time being in force, Shri Samir Barua (DIN: 00211077), be and is hereby re-appointed as an Independent Director on the Board of the Company, for a second and final term from 1st April, 2019 to 30th September, 2022 (both days inclusive)."

14. Re-appointment of Shri Keki Mistry as an Independent Director

To consider and if thought fit, to pass the following resolution as a **Special Resolution:**

"RESOLVED THAT pursuant to the provisions of sections 149, 152, Schedule IV and other applicable provisions of the Companies Act, 2013 and the rules made thereunder, including any statutory modification(s) or re-enactment thereof, for the time being in force, Shri Keki Mistry (DIN: 00008886), be and is hereby re-appointed as an Independent Director on the Board of the Company, for a second and final term from 1st April, 2019 to 31st March, 2024 (both days inclusive)."

15. Re-appointment of Shri Pankaj Patel as an Independent Director

To consider and if thought fit, to pass the following resolution as a **Special Resolution:**

"RESOLVED THAT pursuant to the provisions of sections 149, 152, Schedule IV and other applicable provisions of the Companies Act, 2013 and the rules made thereunder, including any statutory modification(s) or re-enactment thereof, for the time being in force, Shri Pankaj Patel (DIN: 00131852), be and is hereby re-appointed as an Independent Director on the Board of the Company, for a second and final term from 1st April, 2019 to 31st March, 2024 (both inclusive)."

NOTES

1. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE 14TH ANNUAL GENERAL MEETING ("AGM" or "meeting) OF THE COMPANY IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF. A PROXY NEED NOT BE A MEMBER OF THE COMPANY. A person can act as proxy on behalf of members not exceeding 50 (fifty) and holding in aggregate not more than 10 (ten) percent of the total share capital of the Company. However, a member holding more than 10% (ten percent) of the total share capital of the Company may appoint a single person as proxy and such person shall not act as proxy for any other member.

2. A proxy form is sent herewith. In case a member wants to appoint a proxy, duly completed and stamped proxy form, must reach the Registered Office of the Company not later than 48 hours before the time for holding the aforesaid meeting.

3. Corporate members intending to send their authorised representatives to attend the Meeting are requested to send a Certified Copy of the Board resolution to the Company, authorising their representative to attend and vote on their behalf at the Meeting.

4. Members/ proxies/ authorised representatives are requested to bring the Attendance Slip sent herewith, duly filled in, for attending the Meeting.

5. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.

6. Pursuant to the provisions of section 91 of the Companies Act, 2013, the Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, 12th June, 2018 to Thursday, 14th June, 2018 (both days inclusive) for determining the names of members for the purpose of the AGM.

7. The Statement pursuant to section 102 of the Companies Act, 2013 and / or Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed hereto and forms part of this Notice.

8. In terms of the section 124 of the Companies Act, 2013, the amount of dividend not encashed or claimed within 7 (seven) years from the date of its transfer to the unpaid dividend account, will be transferred to the Investor Education and Protection Fund established by the Government. Accordingly, the unclaimed dividend in respect of Financial Year 2010-11 of the erstwhile Torrent Cables Limited (since amalgamated with Torrent Power Limited) and the Company will be due for transfer to the said Fund in September, 2018. The shareholders who have not encashed their dividend warrants for Financial Year 2010-11 of the Company and erstwhile Torrent Cables Limited (since amalgamated with Torrent Power Limited) are requested to approach the Company for payment.

   Further, pursuant to the provisions of section 124 of the Companies Act, 2013 and Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Amendment Rules, 2017 ("IEPF Rules"), all shares on which dividend has not been paid or claimed for seven consecutive years or more are required to be transferred to the Demat Account of the Authority. The Company has sent intimation to all such members who have not claimed their dividend for seven consecutive years. All such members are requested to claim their Unclaimed Dividend expeditiously failing which their shares shall be transferred to the Demat Account of IEPF Authority and no claim shall lie against the Company. The members thereafter need to claim their shares from IEPF Authority by filing E-Form-5 and by following such procedures as prescribed in the IEPF Rules (as may be amended from time to time).

9. The Companies Act, 2013, provides nomination facility to the members. As a member of the Company, you have an option to nominate any person as your nominee to whom your shares shall vest in the unfortunate event of your death. It is advisable to avail of this facility especially by the members who currently hold shares in their single name. Nomination can avoid the process of acquiring any right in shares through transmission by law. In case of nomination for the shares held by the joint holders, such nomination will be effective only on death of all the holders. In case the shares are held in dematerialised form, the nomination form needs to be forwarded to your Depository Participant.

10. Members are encouraged to utilize the Electronic Clearing System (ECS) for receiving dividends by registering their bank account details with the Company. For further information, you are requested to approach the Registrar and Share Transfer Agent of the Company.

11. Trading in Equity Shares of the Company is compulsorily in dematerialised mode by all the investors. Members are therefore advised to convert their shareholding in dematerialised form in case they wish to trade their Equity Shares.

12. Members seeking any information or clarification on the accounts are requested to send written queries to the Company, atleast 10 days before the date of the Meeting to enable the management to keep the required information available at the Meeting.

13. Annual Report for FY 2017-18 of the Company has been uploaded on website of the Company i.e. www.torrentpower.com.

14. All documents referred to in the accompanying Notice and the Explanatory Statement alongwith the Statutory Registers maintained by the Company as per the Companies Act, 2013 shall be open for inspection at the Registered Office of the Company during normal business hours (9:30 AM to 6:30 PM) on all working days, (except Saturday) upto and including the date of the Annual General Meeting of the Company and also will be available for inspection by the members at the AGM.

15. Electronic copy of the Notice of the 14th Annual General Meeting of the Company along with Annual Report, inter-alia, including the Remote e-voting instructions, Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company / Depository Participant(s) for communication purposes unless any member has specifically requested for a hard copy of the same. For members, who have not registered their email address, physical copies are being sent by the permitted mode.

16. With a view to conserve natural resources, we request members to update and register their email addresses with their Depository Participants or with the Company, as the case may be, to enable the Company to send communications including Annual Report, Notices, Circulars, etc. electronically.

17. Members who hold shares in physical form in multiple folios, in identical names or joint holding in the same order of names, are requested to send the Share Certificates to the Registrar and Share Transfer Agent of the Company, for consolidation of such multiple folios into a single folio.

18. **Voting rights shall be reckoned on the paid-up value of shares registered in the name of the member / beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. Wednesday, 25th July, 2018.**

19. In terms of section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, the Company is pleased to provide the e-voting facility through Central Depository Services Limited (CDSL) to its members holding shares in physical or dematerialized form, as on the cut-off date to exercise their right to vote by electronic means on any or all of the business specified in the accompanying Notice (the "Remote e-voting"). It is hereby clarified that it is not mandatory for a member to vote using the e-voting facility and a member may avail the facility at his / her discretion, subject to compliance with the instructions for Remote e-voting.

In case of members who are present in person at the meeting and entitled to vote, and have not exercised their right to vote by electronic means, the Chairman of the Company shall allow voting by way of poll in terms of Rule 20 (4) (xi) of the said Rules for the businesses specified in the accompanying Notice. For abundant clarity, in the event of poll, please note that the members who have exercised their right to vote by electronic means shall not be eligible to vote by way of poll at the Meeting.

The information and other instructions regarding Remote e-voting are detailed in Note No. 24.

Shri Rajesh Parekh, Practicing Company Secretary (Membership No. A8073) has been appointed as the Scrutinizer to scrutinize the voting and remote e-voting process in a fair and transparent manner.

20. The Scrutinizer shall within a period not exceeding 3 (three) days from the conclusion of the AGM make a Consolidated Scrutinizer's Report of the votes cast in favour or against, if any, and submit the same to the Chairman of the Meeting or a person so authorised by him in writing, who shall countersign the same.

21. The results shall be declared forthwith by the Chairman or a person so authorised by him in writing on receipt of consolidated report from scrutinizer. The Results declared along with Scrutinizer's Report shall be placed on the Company's website www.torrentpower.com and on the website of CDSL and shall also be communicated to the BSE Limited and National Stock Exchange of India Limited.

22. The SEBI has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant(s). Members holding shares in physical form are required to submit their PAN details to the Registrar and Share Transfer Agent of the Company.

23. The resolutions shall be deemed to have been passed on the date of the Annual General Meeting, subject to the same being passed with requisite majority.

24. Voting Process and other instructions regarding Remote e-voting:

Section A: Voting Process

The members should follow the following steps to cast their votes electronically:

Step 1: Open your web browser during the voting period and log on to the e-voting Website: www.evotingindia.com

Step 2: Click on "Shareholders" to cast your vote(s).

Step 3: Please enter User ID –

a. For account holders in CDSL: Your 16 digits beneficiary ID.

b. For account holders in NSDL: Your 8 Character DP ID followed by 8 Digits Client ID.

c. Members holding shares in Physical Form should enter Folio number registered with the Company.

Step 4: Enter the Image Verification as displayed and Click on "LOGIN".

Step 5: If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, than your existing password is to be used. If you have forgotten the password, than enter the User ID and the image verification code and click on "FORGOT PASSWORD" and enter the details as prompted by the system.

Step 6: Follow the steps given below if you are:

a. holding shares in physical form, or

b. holding shares in dematerialised form and are a first time user,

6.1(a) Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both, members holding shares in physical or dematerialized form)

Members holding shares in physical form and who have not updated their PAN with the Company are requested to enter the last 7 digits of their share certificate no. prefixed by "TPL". In case the certificate number is less than 7 digits enter the required number of 0's before the number. In case you are holding more than one share certificate under the same folio, enter the details of the share certificate which is higher in number.

Eg. If you are holding 3 share certificates under the same folio having certificate nos. 50111, 50112, 50113, then enter TPL0050113 in the PAN field.

Members who are holding shares in dematerialized form and who have not updated their PAN with depository are requested to use the Sequence Number as printed on the Address Sticker in case of the dispatch of the Annual Report through physical mode and as mentioned in covering e-mail in case of dispatch of soft copy.

6.1(b) Enter the Date of Birth (DOB) as recorded in your demat account or registered with the Company for the said demat account or folio in dd/mm/yyyy format. #

6.1(c) Enter the Dividend Bank Account details (account number) as recorded in your demat account or registered with the Company for the said demat account or folio. #

Please enter either the DOB or Dividend Bank Account details in order to login. If the details are not recorded with the depository or Company, please enter the member id / folio number in the Dividend Bank details field as mentioned in Step 3.

After entering these details appropriately, click on "SUBMIT" tab.

6.2 For Demat holding:

Members holding shares in demat form will now reach "PASSWORD CREATION" menu wherein they are required to create their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. **It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.**

6.3 For Physical holding:

Members holding shares in physical form will then directly reach the Company selection screen. For members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

Step 7: Click on the EVSN of the Company i.e. 180612008 to vote.

Step 8: On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES / NO" for voting. Select the option YES or NO as desired for casting your vote.

Step 9: Click on "RESOLUTION FILE LINK" if you wish to view the Notice.

Step 10: After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

Step 11: Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.

You can also take print-out of the voting done by you by clicking on "CLICK HERE TO PRINT" option on the Voting page.

Shareholders can also use Mobile app - "m-Voting" for e voting. m-Voting app is available on Apple, Android and Windows platforms. Members may log in to m-Voting using their e voting credentials to vote for the Company resolution(s).

Section B: Other instructions regarding Remote e-voting

i. The Remote e-voting period shall commence on Saturday 28th July, 2018 at 9.00 A.M. and end on Tuesday 31st July, 2018 at 5:00 P.M. During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, may cast their votes electronically. The e-voting module shall be disabled for voting thereafter.

ii. Institutional Shareholders (i.e. members other than Individuals, HUF, NRI, etc.) are additionally requested to note and follow the instructions mentioned below, if they are first time user:

- Institutional Shareholders and Custodians are required to log on to www.evotingindia.com and register themselves as Corporates.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details, user would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.

iii. Institutional Shareholders and Custodian are required to upload the following in PDF format in the system for the scrutinizer to verify the same:

a. Copy of the Board Resolution (where institution itself is voting).

b. Power of Attorney issued in favour of the Custodian (if PoA is not uploaded earlier) as well as Board Resolution of custodian.

iv. Once the vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently or cast the vote again.

v. Members holding shares under multiple folios / demat accounts shall choose the voting process separately for each of the folios / demat accounts.

vi. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to **helpdesk.evoting@cdslindia.com.**

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND REGULATION 36(3) OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

ITEM NO. 3 & 5

The shareholders at the 11th Annual General Meeting of the Company held on 4th August, 2015, had re-appointed Shri Samir Mehta as the Executive Vice-Chairman of the Company for a period of 5 years starting from 1st August, 2015 and ending on 31st July, 2020, on the terms and conditions of appointment contained in the said resolution.

Shri Sudhir Mehta, at the meeting of the Board of Directors held on 7th February, 2018, communicated to the Board his desire to relinquish the position as the Chairman of the Board and the Company w.e.f. 1st April, 2018, with a view to spend more time on educational, social and religious activities in which he is involved and also spare more time for himself. At the request of the Board, Shri Sudhir Mehta agreed to continue as a permanent member of the Board of the Company and the Board has conferred him the position of Chairman Emeritus effective from 1st April, 2018, so that his wisdom and counsel on key business and strategic matters would continue to be available to the Board and the Company.

In view of the above and based on the recommendation of Nomination and Remuneration Committee, the Board approved the appointment of Shri Samir Mehta as Executive Chairman of the Board of Directors and the Company, subject to shareholders approval, for a period of 5 (five) years effective from 1st April, 2018, with pre-closure of his existing term as Executive Vice Chairman.

Shri Samir Mehta (DIN: 00061903), age 54, has been associated with the Company since its inception, as a Promoter. He has made invaluable contributions in the steady march of Torrent Group to become one of the leading business houses in India. A B-School graduate, Shri Mehta has 30 years of hands-on experience in business strategy and growth and brought in the much desired analytical and professional approach in Torrent Group. Apart from setting up an orderly and system oriented organization, development of prudent financial management policies and balanced human resource policies have been the hallmark of his leadership. His focus on strategy whilst continuing to emphasise excellence in execution and business operations ensured that Torrent Power not only maneuvered the difficult times in power sector but constantly improved its performance on all efficiency parameters – strong project management, high plant availability, reduction in AT&C losses, better reliability indices, efficient gas procurement, management of regulatory aspects etc. Today, Torrent Power is ranked amongst the best run power utilities in the Country and has won accolades from all quarters for its excellent operational capabilities and high customer orientation.

Shri Samir Mehta is also the Executive Chairman of Torrent Pharmaceuticals Limited, a Group company. He would therefore, draw remuneration from one or both companies, provided that the total remuneration drawn from the companies does not exceed the higher maximum limit admissible from any one of the companies of which he is a managerial person, in accordance with the provisions of Schedule V to the Companies Act, 2013. Shri Samir Mehta shall be a Director liable to retire by rotation while he holds the office of the Chairman. As the Chairman, he will exercise substantial powers of the management, subject to superintendence, control and direction of the Board of Directors of the Company.

Shri Mehta is the Chairman of the Committee of Directors and a Member of the Stakeholders Relationship Committee of the Company. Details of his Directorship in other companies and membership in committees of these companies are given below:

Sr. No.	Directorship in Companies	Name of Committees
1.	Torrent Pharmaceuticals Limited	Committee of Directors - Member
2.	Torrent Private Limited	Corporate Social Responsibility Committee - Chairman
3.	Arvind Limited	-
4.	Tornascent Care Institute	-
5.	UNM Foundation	-

Shri Samir Mehta holds 6,125 Equity Shares of the Company and is related to Shri Sudhir Mehta, Chairman Emeritus and Shri Jinal Mehta, Managing Director. Shri Sudhir Mehta, Shri Samir Mehta and Shri Jinal Mehta are, therefore, deemed to be interested in the resolution. None of the other Directors or Key Managerial Personnel (KMP) of the Company or their relatives are in any way concerned or interested in the resolution.

The Board recommends the resolutions at Item No. 3 & 5 of the Notice, for re-appointment of Shri Samir Mehta as Director and Executive Chairman of the Board and the Company, for your approval as an Ordinary Resolution.

ITEM NO. 4

The shareholders had, at 13th Annual General Meeting (AGM) of the Company held on 1st August, 2017, appointed M/s. Price Waterhouse Chartered Accountants LLP (FRN: 012754N/N500016) as Statutory Auditors of the Company, to hold office from conclusion of 13th AGM of the Company till the conclusion of 18th AGM, subject to ratification of such appointment by the shareholders at every AGM.

Pursuant to amendment of section 139 of the Companies Act, 2013 effective from 7th May, 2018, the requirement related to ratification of appointment of Statutory Auditors by the members of the Company at every AGM was omitted.

In view of the above, it is proposed to delete the requirement of seeking ratification of appointment of Statutory Auditors at every AGM from resolution passed at the shareholders meeting held on 1st August, 2017.

The Board recommends the resolution at Item No. 4 of the Notice, for deleting the requirement of seeking ratification of appointment of Statutory Auditors at every AGM, for your approval, as an Ordinary Resolution.

None of the Directors or Key Managerial Personnel (KMP) of the Company or their relatives are in any way concerned or interested in the resolution.

ITEM NO. 6

The shareholders at the 10th Annual General Meeting of the Company held on 28th July, 2014, had appointed Shri Jinal Mehta as the Whole-time Director of the Company for a period of 5 years, starting from 5th April, 2014 and ending on 4th April, 2019, on the terms and conditions of appointment contained in the said resolution. Shri Jinal Mehta, as Whole-time Director has been handling the distribution and transmission businesses of the Company.

Pursuant to the changes in managerial personnel explained in Item no. 3 & 5 above and based on the recommendation of Nomination and Remuneration Committee, the Board approved the appointment of Shri Jinal Mehta as Managing Director, subject to shareholders approval, for a period of five (5) years effective from 1st April, 2018 with pre-closure of his existing term as Whole-time Director.

Shri Jinal Mehta (DIN: 02685284), 35, has done his Bachelor of Business Studies (BBS) and Master of Business Administration (MBA) in International Business and Finance from University of Technology Sydney (UTS), Sydney, Australia. He has more than 11 years of experience in the power sector in both generation and distribution segments. He was involved in the operations of 1,147.5 MW SUGEN Mega Power Project as its COO and in the implementation of 382.5 MW SUGEN Expansion (i.e. UNOSUGEN). He subsequently supervised the project implementation of DGEN Mega Power Project (1,200 MW) and was Director and CEO of erstwhile Torrent Energy Limited (now merged with the Company), for a period of about 3 years until 31st March, 2014.

As Whole-time Director of the Company, he improved the operations of Ahmedabad and Surat distribution units in terms of network modernisation, customer service and regulatory approvals for recovery of costs. The Bhiwandi and Agra franchise distribution operations also witnessed significant reduction in T&D losses leading to significant increase in profitability. He was instrumental in obtaining the renewal of Bhiwandi franchise operations for another 10 years and new distribution license for Dholera SIR.

Shri Jinal Mehta is also the Managing Director of Torrent Power Grid Limited, a subsidiary company. He would therefore, draw remuneration from one or both companies, provided that the total remuneration drawn from the companies does not exceed the higher maximum limit admissible from any one of the companies of where he is a managerial person, in accordance with the provisions of Schedule V to the Companies Act, 2013. Shri Jinal Mehta shall be liable to retire by rotation as Director while he holds the office of the Managing Director. As the Managing Director, he will exercise substantial powers of the management, subject to superintendence, control and direction of the Chairman and Board of Directors of the Company.

Shri Jinal Mehta is a Member of the Corporate Social Responsibility Committee and Committee of Directors of the Company. He is also holding the position of Director in Torrent Private Limited and is a Member of Corporate Social Responsibility Committee of that company.

Shri Jinal Mehta holds 8,000 shares in the Company. He is son of Shri Sudhir Mehta, Chairman Emeritus and a relative of Shri Samir Mehta, Chairman. Shri Sudhir Mehta, Shri Samir Mehta and Shri Jinal Mehta are, therefore, deemed to be interested in the resolution. None of the other Directors or other Key Managerial Personnel (KMP) of the Company or their relatives are in any way concerned or interested in the resolution.

The Board recommends the resolution at Item No. 6 of the Notice, in relation to appointment of Shri Jinal Mehta as a Managing Director of the Company, for your approval as an Ordinary Resolution.

ITEM NO. 7

The shareholders had, at the 13th Annual General Meeting of the Company held on 1st August, 2017, ratified the remuneration of M/s. Kirit Mehta & Co., Cost Accountants, Mumbai as Cost Auditors of the Company at ₹12,00,000/- plus applicable taxes and reimbursements of out of pocket expenses incurred by them during the course of audit for the FY 2017-18.

The Audit and Risk Management Committee of the Company had, at its meeting held on 7th February, 2018 recommended and the Board of Directors had approved the re-appointment of M/s. Kirit Mehta & Co., Cost Accountants, Mumbai as Cost Auditors of the Company (excluding Dahej Distribution and DGEN power plant, as both are in SEZ and exempt from the provisions of Cost Audit) to conduct the audit of the Cost Records of the Company for the FY 2018-19 at a remuneration of ₹12,00,000 /- plus applicable taxes and reimbursements of actual out of pocket expenses incurred by them during the course of audit. In accordance with the provisions of section 148 of the Companies Act, 2013 read with rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit & Risk Management Committee and approved by the Board of Directors, has to be ratified by the members of the Company.

Accordingly, members are requested to ratify the remuneration of ₹12,00,000 /- plus applicable taxes and reimbursements of actual out of pocket expenses payable to M/s. Kirit Mehta & Co., Cost Auditors of the Company for the FY 2018-19 by passing an Ordinary Resolution at Item No. 7 of the Notice.

None of the Directors or Key Managerial Personnel (KMP) of the Company or their relatives are in any way concerned or interested in the resolution.

ITEM NO. 8

Shri Varun Mehta, son of Shri Sudhir Mehta, Chairman Emeritus and a relative of Shri Samir Mehta, Chairman and Shri Jinal Mehta, Managing Director was appointed to an office or place of profit in the Company, vide shareholders resolution, passed in the 10th Annual General Meeting held on 28th July, 2014.

Subject to approval of the shareholders, the Board had, at its meeting held on 29th May, 2018, approved the modification in remuneration of Shri Varun Mehta, on the terms and conditions as mentioned in the resolution at Item No. 8 of the Notice.

Information in compliance with section 188 of the Companies Act, 2013 and rule 15 (3) of the Companies (Meetings of Board and its Powers) Rules, 2014 is as stated below:

(a) **Name of the Related Party:** Shri Varun Mehta

(b) **Name of the Director or Key Managerial Personnel who is related, if any:**

  (i) Shri Sudhir Mehta, Chairman Emeritus

  (ii) Shri Samir Mehta, Chairman

  (iii) Shri Jinal Mehta, Managing Director

(c) **Nature of Relationship:** Shri Varun Mehta is son of Shri Sudhir Mehta, Chairman Emeritus, nephew of Shri Samir Mehta, Chairman and brother of Shri Jinal Mehta, Managing Director.

(d) Nature, material terms, monetary value and particulars of the contract or arrangement:

Shri Varun Mehta's remuneration is proposed to be modified, as his current remuneration has reached near the ceiling previously approved by the shareholders. Particulars of terms and conditions for modification in his remuneration are mentioned in the resolution at Item No.8 of the Notice.

(e) Any other information relevant or important for the members to take a decision on the proposed resolution:

Shri Varun Mehta, 31, is an International Baccalaureate Diploma holder from United World College of South East Asia, Singapore and graduated with B.Sc. (Hons) in Management from University of Warwick, UK. He has done MBA from INSEAD, France. He has about 8 years work experience with the Company across multiple functions and business areas. He is currently the Vice President in charge of distribution operations of Ahmedabad license area.

The Board recommends the resolution at Item No. 8, in relation to the modification in remuneration of Shri Varun Mehta, for your approval as an Ordinary Resolution.

Shri Sudhir Mehta, Shri Samir Mehta and Shri Jinal Mehta are related to Shri Varun Mehta and are, therefore, deemed to be interested in the resolution. None of the other Directors or other Key Managerial Personnel (KMP) of the Company or their relatives are in any way concerned or interested in the resolution.

ITEM NO. 9 & 10

The shareholders had, by means of passing Special Resolution by way of Postal Ballot (results of which were declared on 10th September, 2014) accorded their consent to the Board of Directors, to borrow any sum or sums of monies (apart from temporary loans obtained from the Company's Bankers in the ordinary course of business), from time to time, in such form and manner and on such terms and conditions as the Board may deem fit, by way of term loans, debentures, or any other securities or otherwise, such that the total amount borrowed and outstanding at any time shall not exceed ₹13,500 Crore (Rupees Thirteen Thousands Five Hundred Crore only) and to create charges on the Company's properties for securing the borrowings within the above limits and also authorised the Board for the said purpose including *inter-alia*, to delegate all or any of the above powers to the Committee of Directors.

The long term borrowings including undrawn amount as on 31st March, 2018 is approx. ₹9,839 Crore (Rupees Nine Thousands Eight Hundred and Thirty Nine Crore only).

The Company's growth plans, inter-alia, envisage investing in renewable energy generation, developing new distribution networks and modernising its existing distribution networks, investing in transmission sector and also acquisition of stressed assets in power sector at attractive valuations. These would require sufficient capital resources, part of which will come from internal accruals and balance by way of borrowings. It is therefore, desirable for the Company to have the requisite shareholders approvals in place for meeting the fund requirements, by way of borrowings and for creating security for such borrowings. The existing shareholders approval of ₹13,500 Crore will therefore need to be enhanced upto ₹20,000 Crore (Rupees Twenty Thousand Crore only).

The Board recommends the resolutions at Item No. 9 & 10 of the Notice, for your approval as a Special Resolution.

None of the Directors or Key Managerial Personnel (KMP) of the Company or their relatives are in any way concerned or interested in the resolutions.

ITEM NO. 11

Smt. Bhavna Doshi (DIN: 00400508), 65, is a fellow member of the Institute of Chartered Accountants of India (ICAI) and holds a Master Degree in Commerce from Mumbai University. She had an exemplary academic career and was ranked second on the all-India Merit List, at both, intermediate and final examinations conducted by the ICAI. She is currently providing expert advisory services in the fields of taxation, accounting, corporate and regulatory matters. She has rich experience of over 3 decades as partner in renowned firms of chartered accountants, B S Mehta & Co, RSM & Co and Bharat S Raut & Co (member firm of KPMG in India). She has held positions of Secretary and Chairperson of the Western India Regional Council of the ICAI. She was an elected member of the Council of ICAI for four terms. Besides serving on various committees of ICAI, she contributed actively in the formulation of accounting standards in India, research publications, taxation, vision exercise for ICAI and various other areas. She was the President of the Indian Merchants' Chamber (IMC), a leading Chamber of Commerce headquartered at Mumbai and besides various innovative projects, she was instrumental in establishing IMC Inclusive Innovation Awards in recognition of work of grass root innovators and mentoring and supporting them in taking their innovative products and services to the market and scaling up their ventures.

She was a Member of the Compliance Advisory Panel of International Federation of Accountants, New York, and also of Government Accounting Standards Advisory Board constituted by Comptroller and Auditor General of India. During her tenure in the Compliance Advisory Panel, a program for evaluation of compliance with the Global Standards was launched and successfully implemented at global level. She is a regular speaker at conferences and seminars organized by various trade and professional organizations on a variety of subjects. She is also involved in many social sector projects.

Smt. Bhavna Doshi joined the Board of Directors of the Company as an Independent Director and is the Chairperson of Corporate Social Responsibility Committee and a Member of Audit and Risk Management Committee of the Board. Her term will complete on 3rd August, 2018. Details of her directorship in other companies and Membership in committees of these companies are given below:

BOARD'S REPORT

Dear Members,

Your Directors are pleased to present the Fourteenth Annual Report of the Company together with the Audited Financial Statements for the Financial Year ended 31st March, 2018.

1. HIGHLIGHTS

The key highlights for the Financial Year 2017-18 are:

- Financial performance of the Company on consolidated basis:
  - o Increase in Total Income by 15.55% to ₹11,775.64 Crore
  - o Increase in PBDIT by 27.52% to ₹3,380.68 Crore
  - o Increase in Total Comprehensive Income (after Non-controlling interest) by 126.15% to ₹955.65 Crore
- In the matter of tariff determination for Ahmedabad and Surat Distribution areas, Hon'ble Gujarat Electricity Regulatory Commission (GERC):
  - o for FY 2017-18 and true up of FY 2015-16 continued the tariff of FY 2016-17 for FY 2017-18 as well and also directed to discontinue the recovery of Regulatory Charge w.e.f 10th June, 2017.
  - o for FY 2018-19 and true up of FY 2016-17 has not revised the tariff for second year in succession and abolished Meter Rent w.e.f. 1st April, 2018.
- The Company continued to substantially improve the network and reduce Aggregate Technical & Commercial (AT&C) Losses in Bhiwandi and Agra. The AT&C losses reduced from 22.22% in FY 2016-17 to 17.28% in FY 2017-18 in Bhiwandi and from 26.78% in FY 2016-17 to 20.89% in FY 2017-18 in Agra.
- 400 kV Nikol-2 supply point has been commissioned with state-of-the-art Gas-insulated substation and numerical relays in the city of Ahmedabad; thus enhancing the import capacity of Eastern part of Ahmedabad.
- Geographical Information System (GIS) has been implemented at Ahmedabad, Gandhinagar and Surat distribution areas. New "Plug points", the digital customer service centres were launched in Ahmedabad & Gandhinagar. Over 125 new collection centres have been launched at various geographies across the distribution areas for greater convenience to customers.
- 9 LNG cargoes have been imported till 31st March, 2018 and another 26 LNG cargoes have been contracted, after following a competitive tender process, with international suppliers for delivery upto December 2020.
- The Company continued to grow its Renewables business and has won the following wind power projects by participating in the competitive bidding and the e-reverse auction process:
  - a) 499.8 MW held on 13th February, 2018 by Solar Energy Corporation of India Limited (SECI) (Tranche – III). This is the largest capacity ever won by any bidder in the wind auctions conducted so far in the country.
  - b) 124.4 MW held on 6th March, 2018 by Maharashtra State Electricity Distribution Company Limited.
- 164.9 MW Wind Power Projects have been successfully commissioned during the year. The total renewable power generation capacity, including operational and under-construction projects, has crossed the mark of 1,550 MW.

2. DIVIDEND

The Company, as a policy, endeavours to distribute approx. 30% of its consolidated annual profits after tax as dividend in one or more tranches. Following the said policy, the Board of Directors, on 29th May, 2018, recommended dividend of ₹5.00 per equity share having face value of ₹10/- on 48,06,16,784 equity shares (PY ₹2.20 per equity share having face value of ₹10/- on 48,06,16,784 equity shares), amounting to ₹240.31 Crore (PY ₹105.74 Crore).

With Dividend Distribution Tax of ₹49.40 Crore (PY ₹21.12 Crore), the total outflow on account of dividend works out to ₹289.71 Crore (PY ₹126.86 Crore) i.e. 30.32% (PY 30.02%) of consolidated Total Comprehensive Income for FY 2017-18.

The Dividend Distribution Policy of the Company can be accessed at the Company's website: http://www.torrentpower.com/pdf/investors/06-01-2017_hfl6a_Dividend_Distribution_Policy.pdf

3. **MANAGEMENT DISCUSSION AND ANALYSIS**

As stipulated in Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion and Analysis Report forms part of this Annual Report.

4. **CUSTOMER INITIATIVES**

The Company constantly strives to adopt customer-driven strategies to provide positive customer experience. Key technology initiatives taken in this regard during FY 2017-18 include (a) Implementation of GIS at Ahmedabad, Gandhinagar and Surat distribution areas; (b) New "Plug points", the digital customer service centres, were launched in Ahmedabad & Gandhinagar; (c) Opening of 100 new collection centres in licensed areas and 25 new collection centres in franchise areas to expand service reach; (d) Implementation of Interactive Voice Response System (IVRS) system for Agra customers; and (e) Launch of upgraded mobile application for customers with more payment options like UPI, Mobikwik and request options for customer account statement.

5. **ENVIRONMENT, HEALTH AND SAFETY**

The Company accords utmost importance to environment, health and safety (EHS) in its various operations. The key developments concerning EHS during FY 2017-18 include:

- Zero Liquid Discharge since August 2017 at SUGEN plant.
- Accreditation of Integrated Management System of DGEN-PLL gas line by Certification Engineers International Limited as per Petroleum and Natural Gas Regulatory Boad (PNGRB) regulations.
- Samanvay (Corporate Office), GENSU plant and Meghdhanush (residential colony) have upgraded to the 2015 version of ISO standards. Other units are in the process of upgradation of their Integrated Management System to the new standards.
- Other key EHS initiatives include Rainwater harvesting system at Samanvay (Corporate Office) & Distribution units; Safety training programs for differently abled persons at GENSU, Safety awareness programs, Usage of environmentally friendly bio-degradable ester oil in place of mineral oil in Distribution transformers in densely populated and congested areas to enhance safety and to prevent land contamination, introduction of Cobalt Free Silica Gel moisture absorbent in place of normal Silica Gel for transformers at SUGEN plant, tree plantation, Celebrations of Electrical Safety / Chemical Safety / National safety / Anti-Tobacco Week, World Heart Day, National Fire Service Day, World Environment Day, Earth Day, etc.

Moreover, the Company has in place the "Conviction for Safety Policy" which provides for substantial compensation to the personnel (Employees as well as Contractors) and their families, who are adversely affected by accidents.

6. **HUMAN RESOURCES**

At Torrent, we firmly believe that each milestone achieved by the Organization is an outcome of efforts, dedication and conviction demonstrated by its people. Herein, HR has a major role to play as it improves the company's bottom line with its knowledge of how human capital affects organizational success. HR participates in corporate decision-making that underlies current staffing assessments and projections for future workforce needs based on business demand. It also helps in the development of organisational culture and climate in which employees have the competency, concern and commitment to serve customers well.

Training and Development initiatives are adjacent focus areas which involve change in attitude, skills or knowledge of a person with the resultant improvement in their behaviour. For training to be effective, it is planned after a thorough need analysis and is targeted at certain competencies and skills required for upgrading to next level.

The significance of HR can be seen in three contexts: Organisational, Social and Professional in following ways:

- Good human resource practice can help in attracting and retaining the best people in the organisation.
- Developing the necessary skills and right attitude amongst the employees through training, development, performance appraisal, etc.

- Securing willing cooperation of employees through motivation, participation, grievance handling, etc.
- Promoting team-work and team-spirit amongst employees
- Providing environment and incentives for developing and utilizing creativity

On the Statutory front, during the year under review, no case was received under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. The year also saw reinforcement of the already existing Whistle Blower Policy in order to emphasize and encourage reporting of any wrongdoing or any unethical practice.

On the industrial front, the Company continued to foster cordial industrial relations with its workforce during the year.

The Company has a diverse workforce of 7,619 employees as on 31st March, 2018 vis-à-vis 7,414 employees as on 31st March, 2017. Going forward, the Company will continue to focus on nurturing the right talent to achieve the business goals.

7. CORPORATE SOCIAL RESPONSIBILITY

The Board has adopted a Corporate Social Responsibility (CSR) Policy for the Company based on which CSR Programs and activities were carried out during the year. The CSR Policy and CSR Plan for FY 2017-18 can be accessed through the following weblinks:

http://www.torrentpower.com/pdf/investors/02-06-2016_rautx_csrpolicy.pdf

http://www.torrentpower.com/pdf/investors/03-01-2018_8oc69_CSR_Plan.pdf

The CSR committee comprises of Smt. Bhavna Doshi (Chairperson), Shri Samir Barua and Shri Jinal Mehta. The Committee oversees the CSR activities.

The Company, as part of its CSR activities made focused efforts in the fields of Community Healthcare, Sanitation & Hygiene, Education & Knowledge Enhancement and Social Care & Concern.

The details of key CSR programs and activities undertaken at Group level are provided in the Annual Report on CSR Activities (**Annexure A** to this Report). The Company has spent ₹15.11 Crore on CSR programs and activities as compared to the 2% of average net profit for the past three financial years of ₹15.02 Crore mandated by section 135 of the Companies Act, 2013.

In addition to above, the Company also undertook some additional CSR activities during the year, briefly described hereunder.

- **Creating livelihood:**
  - o 42 days intensive training course, developed in-house by the security team at Sugen Power Plant, covering security, basic firefighting and working knowledge of computers for unemployed youth with basic primary education has been continued in FY 2017-18 as well; these youths, numbering 72, have been absorbed in security related jobs at Sugen and Dgen power plants.
  - o Multi skill trainings were organized for the Company's security guards in the areas of CCTV operations, driving, housekeeping, etc. to make them versatile.
  - o Differently abled persons (with impaired hearing and speech) were trained for routine cleaning of solar panels at the GENSU Solar Plant, thus providing them a dignified livelihood.
  - o Employment to uneducated and destitute locals for horticulture, house keeping and canteen work.
- **Community healthcare:**

  SWADHAR – the community health care centre at SUGEN Plant, provides primary health care facilities at nominal cost to the surrounding communities. In the latter half of FY 2017-18, additional infrastructure was set up at a cost of ₹1.78 Crore to cover speciality consulting in Dental, Opthalmology, Dermatology, Gynaecology and Physiotherapy. During FY 2017-18, the Company has spent ₹0.06 Crore on Swadhar activities benefitting about 47,000 persons.

- **Donations**

  The Company also made donations amounting to ₹7.67 Crore to various organisations involved in CSR activities related to healthcare, education, arts & culture, science, relief to disaster victims; socio-economic development including de-addiction, skill development; self-help groups, youth, upliftment of women, integrated development of tribes; etc.

8. FINANCE

During FY 2017-18, the Company has tied up long term loans of ₹830 Crore for routine Capex for its existing areas of operations. Further, loan of ₹40 Crore was tied up for part funding of the Company's Wind Power Projects at Kutch and Bhavnagar districts in Gujarat.

Outstanding amount towards long term loans, Non-Convertible Debentures (NCDs) and Accelerated Power Development and Reforms Programme (APDRP) loans as on 31st March, 2018 was ₹9,337.18 Crore. Details of long term loans of the Company for the year under review are provided in Note 23 to the Consolidated Financial Statements.

The consolidated debt to equity (including deferred tax liability) ratio as at the end of FY 2017-18 was 1.01 (PY - 1.06).

Credit Rating of the Company's long term loans, cash credit and NCDs has been reaffirmed by CRISIL at AA- / Stable and that of Letters of credit / bank guarantees of the Company has been reaffirmed at A1+.

During the year under review, the Company has neither accepted nor renewed any deposits.

9. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

The particulars of contracts or arrangements with related parties are given in the prescribed Form AOC-2, appended herewith as **Annexure B** and in the section on Related Party Transactions in the Report on Corporate Governance.

10. DIRECTORS' RESPONSIBILITY STATEMENT

In terms of Section 134(3) of the Companies Act, 2013, the Board of Directors states that:

a) in preparation of the annual accounts, the applicable accounting standards have been followed and there are no material departures;

b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as on 31st March, 2018 and of the profits for the year ended 31st March, 2018;

c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) the annual accounts have been prepared on a going concern basis;

e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and

f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

11. INTERNAL FINANCIAL CONTROLS

The Company has in place adequate internal financial controls with reference to Financial Statements. During the year, such controls were tested and no reportable material weakness was observed.

12. SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES

Besides the existing subsidiaries of the Company, the Company has acquired 100% equity share capital of two Companies namely; Jodhpur Wind Farms Private Limited and Latur Renewables Private Limited during the year. The Board reviews the affairs of the Company's subsidiaries at regular intervals. In accordance with Section 129(3) of the Companies Act, 2013, the Company has prepared Consolidated Financial Statements of the Company which form part of this Annual Report. Further, a statement containing salient features of the Financial Statements of the Company's subsidiaries and associates is given in prescribed form AOC-1 which forms part of this Annual report at page no. 237.

The Company, jointly with Torrent Pharmaceuticals Limited, promoted two Section 8 Companies under the Companies Act, 2013, viz. Tornascent Care Institute and UNM Foundation for the purpose of carrying out CSR activities, which are detailed in section 7 of this report.

13. CORPORATE GOVERNANCE

The Corporate Governance philosophy of the Company rests on five basic principles viz. protection of rights & interests of members, equality in treatment of all members, disclosure of timely & accurate information, strategic guidance & effective monitoring by the Board and accountability of the Board to the Company & its members. As stipulated by Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Report on Corporate Governance forms part of this Annual Report. Certificate of the Auditors regarding compliance with the conditions of Corporate Governance as stipulated in Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed to the Board's Report as **Annexure C**.

14. DIRECTORS AND KEY MANAGERIAL PERSONNEL

APPOINTMENT, RESIGNATION AND RETIREMENT

The Members of the Company had at the 13th Annual General Meeting held on 1st August, 2017, appointed Shri Pankaj Joshi, IAS (holding DIN: 01532892), then an Additional Director of the Company, as a Director with effect from 1st August, 2017, who shall be liable to retire by rotation pursuant to the applicable provisions of the Companies Act, 2013. Shri R. Ravichandran (holding DIN: 06737497) retired at the same meeting and the vacancy caused by such retirement was not filled up.

During the year under review, Shri Markand Bhatt, Whole-time Director of the Company expressed his desire to relinquish his responsibilities, both as Whole-time Director and as member of the Board. Acknowledging the possible implications, Shri Bhatt had consented to work on a transition plan over the course of next few months to install appropriate new arrangements. Considering Shri Bhatt's desire for relinquishment and offer to work on transition plan so as to ensure continuity and minimal disruption, the Board had at its meeting held on 7th February, 2018 approved that he will continue his term till 30th September, 2018.

In the same Board meeting held on 7th February, 2018, Shri Sudhir Mehta, had also expressed his desire to relinquish the position as the Chairman of the Board and the Company, w.e.f. 1st April, 2018, with a view to spend more time on social, educational and religious activities in which he is involved and also spare more time for himself. The Board has agreed to his request with great reluctance, in view of Shri Sudhir Mehta agreeing to continue as a permanent member of the Board of the Company. The Board conferred upon him the position of Chairman Emeritus w.e.f. 1st April, 2018 so that his wisdom and counsel on key business and strategic matters would continue to be available to the Board and the Company.

The Board had further at their aforesaid meeting, subject to the approval of the shareholders, appointed Shri Samir Mehta, Vice Chairman, as Executive Chairman of the Company and Shri Jinal Mehta, Whole-time Director as Managing Director of the Company effective from 1st April, 2018.

Shri T. P. Vijayasarathy, Chief Financial Officer of the Company will be taking up a new role in the Company and had thus requested for his relinquishment as the Chief Financial Officer and Whole-time Key Managerial Personnel of the Company effective from close of working hours of 29th May, 2018. To fulfill the vacancy caused due to his relinquishment of the position of Chief Financial Officer, the Board had appointed Shri Sanjay Dalal as Chief Financial Officer and Whole-time Key Managerial Personnel of the Company effective from 30th May, 2018.

Shri Darshan Soni, Company Secretary & Whole-time Key Managerial Personnel had resigned from the services of the Company effective from the close of business hours on 3rd March, 2018.

The shareholders, at various meetings appointed Smt. Bhavna Doshi (till 3rd August, 2018), Ms. Dharmishta N. Raval (till 15th October, 2018), Shri Samir Barua (till 31st March, 2019), Shri Keki Mistry (till 31st March, 2019) and Shri Pankaj Patel (till 31st March, 2019) as Independet Directors of the Company. Their above term (being first term) will end between this Annual General Meeting (AGM) and Fifteenth AGM. Therefore, the Board hereby recommends to the shareholders, for their approval, the re-appointment of Independent Directors for second term as mentioned in the Notice forming part of this Annual Report.

As per the provisions of the Companies Act, 2013, Shri Samir Mehta (holding DIN: 00061903), Director, retires by rotation and being eligible, has offered himself for re-appointment.

A brief resume and other relevant details of the Directors proposed to be appointed / re-appointed are given in the Explanatory Statement to the Notice convening the Fourteenth AGM.

DECLARATION BY INDEPENDENT DIRECTORS

Pursuant to section 149(7) of the Companies Act, 2013, the Company has received necessary declaration from each Independent Director confirming that they meet the criteria of independence as prescribed under Section 149(6) of the Act and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

15. POLICY ON DIRECTORS' APPOINTMENT

The Nomination and Remuneration Committee (NRC) has approved the following criteria and process for identification / appointment of Directors:

Criteria for appointment:

i. Proposed Director ("Person") shall meet all statutory requirements and should:
   - possess the highest ethics, integrity and values
   - not have direct / indirect conflict with present or potential business / operations of the Company
   - have the balance and maturity of judgment
   - be willing to devote sufficient time and energy
   - have demonstrated leadership and vision at senior levels, and have the ability to articulate a clear direction for the Company
   - have relevant experience with respect to Company's business (In exceptional circumstances, specialisation / expertise in unrelated areas may also be considered)
   - have appropriate comprehension to understand or be able to acquire that understanding:
     - o relating to Corporate functioning
     - o concerning the scale, complexity of business and specific market and environment factors affecting the functioning of the Company.

ii. The appointment shall be in compliance with the Board Diversity Policy of the Company.

Process for Identification / Appointment of Directors:

i. Board Members may (formally or informally) suggest any potential person to the Chairman of the Company meeting the above criteria. If the Chairman deems fit, necessary recommendation shall be made by him to the NRC.

ii. Chairman of the Company can himself also refer any potential person meeting the above criteria to the NRC.

iii. NRC will process the matter and recommend such proposal to the Board.

iv. Board will consider such proposal on merit and decide suitably.

16. CRITERIA FOR PERFORMANCE EVALUATION

The criteria for performance evaluation of itself, that of its Committees and Individual Directors as laid down by the Board of Directors is as follows:

Evaluation of	Criteria for Evaluation
Board	• Degree of fulfilment of key responsibilities including special responsibilities as under: ✓ Focus on strategic and policy issues ✓ Governance and compliance ✓ Stakeholders' value and responsibility • Effectiveness of Board process and information sharing • Board culture and dynamics • Quality of decisions • Establishment and delineation of responsibilities to Committees • Facilitation of Independent Directors
Committees	• Degree of fulfilment of key responsibilities • Frequency and effectiveness of meetings • Committee dynamics, especially openness of discussions, including with the Board • Adequacy of Committee composition • Quality of relationship of the Committee with the Board and the Management
Individual Directors	• Fulfillment of functions • Participation in Board in terms of adequacy (time & content) • Contribution at meetings • Guidance / support to Management outside Board / Committee meetings • Independent views and judgement (only for Independent Directors)

17. MANNER OF EVALUATION OF BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

The evaluation of Board, its Committees and Individual Directors was carried out as per the process and criteria laid down by the Board of Directors based on the recommendation of the NRC.

The obtaining and consolidation of feedback from all Directors in this regards, was co-ordinated by the Chairman. Based on this, the Chairman briefed the Board and each of the Individual Directors, as applicable.

18. MEETINGS OF THE BOARD & COMPLIANCE TO SECRETARIAL STANDARDS

The Board meets at regular intervals with gap between two meetings not exceeding 120 days. During FY 2017-18, the Board met five times.

The Company has complied with the provisions of Secretarial Standard 1 (relating to meetings of the Board of Directors) and Secretarial Standard 2 (relating to General meetings) during the year.

19. REMUNERATION

REMUNERATION POLICY

The Company has in place the policy relating to the remuneration of the Directors, Key Managerial Personnel and other employees of the Company which is as under:

Components of Remuneration

i. Fixed Pay comprising Basic Salary, HRA, Car Allowance (applicable to General Managers & above employees), Conveyance Allowances / Reimbursement, Company's contribution to Provident Fund, Superannuation Fund, Gratuity, etc.

ii. Variable Pay, which is either in the form of:

- Commission to Managing Directors
- Commission to Whole-time Directors
- Performance Based Pay to General Managers & above based on individual and unit performance
- One-time reward for identified employees in exceptional cases who undertake tasks which go beyond their normal call of duty and play a crucial role in the success of an event.

iii. Retention Pay: In cases, where stability is an issue, part of the CTC is kept as retention pay which is being paid after 3 years or more.

Such remuneration is determined at the time of recruitment based on various factors such as Educational Qualification, Experience, Competence, Current CTC, Internal Equity and / or External Market comparison, changeover cost, etc.

Annual Appraisal Process

i. Annual Appraisals are conducted following which annual increments and promotions in deserving cases are decided once in a year based on:

- Employees' self-assessment
- Assessment by Immediate Superior and
- Assessment by Head of Department

ii. Annual Increment leading to an increase in Fixed Pay consists of

- Economic Rise based on All India Consumer Price Index published by the Government of India.
- Performance Rise based on industry and overall business scenario and factoring the following aspects:
  - o Company's performance vis-à-vis the industry
  - o Unit's performance (based on which the overall ceiling for remuneration and performance based pay at Unit level are determined).
  - o Individual Performance / track record.
- Promotion Rise

iii. Also, Performance Based Pay i.e. Variable Pay (to General Manager & above employees) is based on annual appraisal process.

iv. The increments as decided for a particular financial year are paid during the subsequent financial year. For example, the performance appraisal of an employee for FY 2017-18 is conducted in FY 2018-19 and his salary rise in FY 2018-19 reflects his performance for FY 2017-18.

Remuneration of Non-Executive Directors:

The Company has formulated a Policy for the remuneration of Non-Executive Directors as follows:

i. Sitting Fees of ₹1 lakh for each meeting of the Board or any Committee thereof attended by them;

ii. Commission on the basis of participation in the meetings of Board and Audit & Risk Management Committee subject to the condition that total commission paid to all Directors (other than Managing Director or Whole-time Director) including Goods and Services Tax (GST) thereon shall not exceed the limit of 1% of net profits in a financial year as laid down under the provisions of Section 197(1) of the Companies Act, 2013 read with Section 198 of the Act.

iii. Non-Executive Directors will be reimbursed for all the expenses incurred for attending any meeting of the Board or Committees thereof and which may arise from performance of any special assignments given by the Board.

20. PARTICULARS OF EMPLOYEES AND RELATED DISCLOSURES

In terms of the provisions of section 197(12) of the Companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, disclosures pertaining to remuneration and other details are provided in the **Annexure D** to this Report.

21. AUDITORS

STATUTORY AUDITORS

The shareholders had at the Thirteenth AGM of the Company appointed M/s. Price Waterhouse Chartered Accountants LLP as Statutory Auditors of the Company to hold office from the close of the Thirteenth AGM till the conclusion of the Eighteenth AGM, subject to their appointment being ratified by the shareholders in every AGM.

The Ministry of Corporate Affairs vide Companies Amendment Act, 2017 omitted the requirement related to ratification of appointment of statutory auditors by members at every AGM w.e.f. 7th May, 2018. Pursuant to the amendment, the Board hereby recommends to the shareholders for their approval that the requirement of seeking ratification of appointment of Statutory Auditors (M/s. Price Waterhouse Chartered Accountants LLP) at every Annual General Meeting (referred in the resolution passed at the Shareholders meeting held on 1st August, 2017), be deleted.

The Auditors' Report for FY 2017-18 forms part of this Annual Report and does not contain any qualification, reservation or adverse remark.

COST AUDITORS

Pursuant to section 148(3) of the Companies Act, 2013, M/s. Kirit Mehta & Co., Cost Accountants, Mumbai had been appointed as the Cost Auditors of the Company for FY 2017-18 by the Board of Directors and their remuneration was ratified by members at the Thirteenth AGM of the Company. The Cost Audit Report for FY 2016-17 does not contain any qualification and was filed on 24th August, 2017 with the Central Government (within the prescribed time limit) pursuant to Section 148(6) of the Companies Act, 2013.

SECRETARIAL AUDITORS

Pursuant to Section 204 of the Companies Act, 2013 read with Rules thereof, the Board of Directors had appointed M/s. M. C. Gupta & Co., Company Secretaries, Ahmedabad, as Secretarial Auditors of the Company for FY 2017-18. The Secretarial Audit Report for FY 2017-18 is annexed herewith as **Annexure E**.

There are no adverse observations in the Secretarial Audit Report which call for explanation.

22. AUDIT AND RISK MANAGEMENT

The Composition of the Audit and Risk Management Committee is in compliance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 177 of the Companies Act, 2013. Composition of the Committee as on 31st March, 2018 is given below:

COMPOSITION OF THE COMMITTEE

Name of the Director	Category of Directorship
Shri Keki Mistry, Chairman	Independent Director
Shri Samir Barua	Independent Director
Shri Kiran Karnik	Independent Director
Smt. Bhavna Doshi	Independent Director
Ms. Dharmishta Raval	Independent Director

During the year, the Board has accepted all the recommendations made by the Audit and Risk Management Committee.

VIGIL MECHANISM

The Company has in place a Whistle Blower Policy pursuant to the applicable statutory requirements. The Policy empowers all the Stakeholders to raise concerns by making Protected Disclosures as defined in the Policy. The Policy also provides for adequate safeguards against victimization of Whistle Blower who uses such mechanism and also provides for direct access to the Chairman of the Audit and Risk Management Committee, in exceptional cases. The functioning of the Whistle Blower mechanism is reviewed by the Audit and Risk Management Committee on a quarterly basis. The details of the Whistle Blower Policy are explained in the Report on Corporate Governance and the Policy is available on the website of the Company at http://www.torrentpower.com/pdf/investors/02-06-2016_6mbme_whistle_blower_policy.pdf

RISK MANAGEMENT

The Company has in place a Risk Management framework for a systematic approach to control risks. The Risk Management Policy of the Company lays down procedures for risk identification, assessment, monitoring, review and reporting. The Policy also lists the roles and responsibilities of Board, Risk Management Committee, Chief Risk Officer, Risk Champions and Co-ordinators. Internal and external risks, with potential impact and likelihood, that may impact the Company in achieving its strategic objectives or may threaten its existence have been identified and assessed.

23. THE EXTRACT OF THE ANNUAL RETURN

The extract of the Annual Return in Form MGT-9 is appended herewith as **Annexure F** to this Report.

24. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

ANNEXURE – A

ANNUAL REPORT ON CSR ACTIVITIES FOR FY 2017-18

The CSR Policy approved by the Board, *inter alia,* laying down the objectives, scope, Thrust Areas, identification of projects, monitoring and reporting, etc. along with CSR Plan for FY 2017-18 is available for reference on the website of the Company at:

http://www.torrentpower.com/pdf/investors/02-06-2016_rautx_csrpolicy.pdf &
http://www.torrentpower.com/pdf/investors/03-01-2018_8oc69_CSR_Plan.pdf respectively.

The Company sees itself as a citizen of the society and believes in conducting its business activities in a socially responsible manner to the overall benefit of the society. It is in this backdrop that the Company has drawn up its CSR Policy and conducted its programmes and activities for the FY 2017-18.

The Board has constituted a CSR Committee consisting of the following members:

Name of Director	Category of Directorship
Smt. Bhavna Doshi, Chairperson	Independent Director
Shri Samir Barua	Independent Director
Shri Jinal Mehta	Managing Director

A brief outline of the CSR Policy is given below:

→ While the Company is eligible to undertake any suitable / rightful activity as specified in Schedule VII of the Companies Act, 2013, it proposes to undertake projects in the Thrust Areas identified.

→ The Company, in every financial year shall endeavor to spend the required amount for its CSR Projects and shall not be restricted by the statutory limit, whereby the minimum spend has to be 2% of the Company's average net profit for three immediately preceding financial years.

→ The Policy specifies the mechanism for identification and implementation of the CSR Projects and approval thereof by the CSR Committee. The total expenditure in the CSR Annual Plan shall be approved by the Board upon recommendation by the CSR Committee.

→ As per the Policy, the CSR Projects may be implemented as under:

- Direct Method, whereby the Company may implement the CSR Projects on its own or through its Trust / Society / Section 8 Company or Group Company Trust / Society / Section 8 Company; and
- Indirect Method, whereby the Company may implement the CSR Projects through an external Trust / Society / Section 8 Company fulfilling the criteria under the Act.

→ The Policy also provides for half-yearly monitoring of the implementation of the CSR Policy and CSR Plan by the CSR Committee.

Overview of projects or programs undertaken

The Company has undertaken various CSR Projects / Programs during FY 2017-18 in the Thrust Areas identified in the CSR Policy; details of which are given below:

1. **REACH:** Initiated in 2016 under the aegis of Tornascent Care Institute, the Child centric Health Care Program "REACH" - Reach EAch CHild has three major pillars: (a) SHAISHAV (b) JATAN and (c) MUSKAN. REACH program progressed significantly in the current year at all the four centres and across all the three pillars with increase in the scope and reach.

   ➢ Under the first pillar of the program "**Shaishav**", so far 266 paediatric camps covering 341 villages and 51,000+ underserved children (in the age group of 6 months to 6 years) were conducted to obtain their base line health status, identify and treat anaemia and malnutrition as well as provide specialised treatment to those identified with cardiac, neurological, respiratory and the like disorders. About 83% of the children were cured of their anaemic condition, around 73% of children were pulled out of severe malnourishment and 670 cases were provided specialised treatment. Coverage of Shaishav was expanded through OPD vans and to include children upto the age of 18 years. Till 31st March, 2018, 39,000+ children were provided free of cost treatment including the operative and consultation costs at referral hospitals under this expanded coverage.

- "**Jatan**", the second pillar of the program, focuses on providing paediatric care through well equipped Paediatric centres. 4 such centres have been set up at Sugen, Dahej, Balasinor and Indrad which are supporting the basic medical needs of children in these four areas. Treatment by doctors, medicines & basic laboratory tests are provided free of cost to children in the age group of 0-18 years. 54,500+ children have benefitted till 31st March, 2018.

- Under "**Muskaan**", counselling and support is being provided to the adolescent girls near Sugen for menstrual hygiene and sanitation by giving them free health and hygiene kits which include sanitary pads, soap, shampoo, etc. About 4,000 adolescent girls of 70 villages between 11-18 years of age are being provided kits on monthly basis. This activity has also been replicated at Dahej & Indrad centres. This program has helped gradual eradication of physiological & social taboos and has increased confidence & self-esteem amongst them.

2. **Shiksha Setu** – The Teaching and Learning Program being conducted through UNM Foundation completed second year of Phase II of the program. This program covers 13 schools located at Sugen, Chhatral, Chappi, Memadpur and Ahmedabad locations and about 4,300 students and 150 teachers in such schools. In the first year i.e FY 2016-17, focus was on setting up the new technology based infrastructure and software in the schools and training the students and teachers on the same. During FY 2017-18, 3,370 (84%) students from standard 3rd to 8th started working regularly on tablets while over 90% teachers are confidently teaching their subjects through smart boards. This year, for the first time, 5,281 students from standard 3rd to 8th participated in technology based assessment on tablets. For teachers, 496 subject workshops were organised at all locations and more than 2,000 students were provided academic & behavioural inputs during school visits. About 1,000 parents attended parents' sensitization meetings at schools and were elated to see their children studying through tablets and smart boards in classrooms. School principals expressed their views that technology based classrooms have immensely helped teachers in making teaching interesting, while tablets provided to students are helpful in bringing irregular students to school.

3. **Development of Public Parks:**

   The Company, along with one of India's best known landscape design firm, developed a detailed process that is an exemplar on how public projects should be undertaken and embarked upon. Six other firms in Ahmedabad have joined hands under LEAF (Landscape Environment and Advancement Foundation) to undertake this work. Over a period of 12 months, many parks in Ahmedabad were visited and studied for their usage patterns. 15 parks with differing sizes, which were equally distributed in Ahmedabad, were chosen for development. This rigorous exercise culminated in finalization of 6 parks measuring ~32,000 Sqmt. under Phase I. The development of such 6 parks is under progress. The design of the other parks of Phase II is under development.

CSR Expenditure for FY 2017-18 (₹ in Crore)

Average net profit of the Company for last three financial years	750.90

AUDITORS' CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

TO THE MEMBERS OF
TORRENT POWER LIMITED

We have examined the compliance of conditions of Corporate Governance by Torrent Power Limited, for the year ended 31st March, 2018 as stipulated in Regulations 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as "SEBI Listing Regulations, 2015).

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance, issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations, 2015.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Torrent Power Limited,
"Samanvay",
600, Tapovan, Ambawadi,
Ahmedabad – 380 015

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Torrent Power Limited CIN: (L31200GJ2004PLC044068) (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on our verification of the Torrent Power Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the Financial Year ended on 31st March, 2018 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made there under;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;

(iii) The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

  a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

  b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

  c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **(Not applicable to the Company during the Audit Period)**

  d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **(Not applicable to the Company during the Audit Period)**

e) The Securities and Exchange Board of India (Listing obligations and Disclosure Requirements) Regulations, 2015;

f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(Not applicable to the Company during the Audit Period);** and

i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(Not applicable to the Company during the Audit Period)**

(vi) The Company has complied with, following other laws, specifically applicable to the Company:

a) Electricity Act, 2003

b) Gujarat Electricity Duty Act, 1958

c) Gujarat Electricity Industry (Reorganisation and Regulation) Act, 2003

d) Gujarat Electricity Grid Code, 2013

e) Energy Conservation Act, 2001

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board meetings, agenda and detailed notes on agenda were usually sent seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

There were no dissenting views on any matter.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period under review, the Company has no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

ANNEXURE – G

A. CONSERVATION OF ENERGY

i) The steps taken or impact on conservation of energy:

A. SUGEN AND UNOSUGEN:

- Energy conservation initiatives implemented have resulted in annual energy savings to the tune of 91,89,760 kWh.
- For more precise on-off control of lights, photo-cells have been replaced with astronomical timers in plant indoor / outdoor lighting and non-operational areas.
- All conventional lightings are being replaced with LED in Central Control Room, Machine Halls of Units 10, 20 & 30, street lights in operational and non-operational areas, Housing colony, etc.

B. DGEN:

- Energy conservation measures have resulted in annual energy savings to the tune of 22,47,920 kWh.
- Nitrogen plant start/stop Pressure Set Point optimized.
- No load losses reduced by keeping only one Generator Transformer & one Unit auxiliary transformer in charged condition to feed auxiliary power.
- Replacement with LED lighting in progress.

C. AMGEN:

- Secondary air heater outlet to ESP inlet corroded duct replacement at F station – Saving of 13,500 kWh per day in fan power consumption.
- Primary Air fan corroded cold air duct replacement at D station – saving of 500 kWh/day
- Primary air heater repairing, primary air heater cold air duct patching and secondary air heater seal servicing at E station – saving of 3,000 kWh/day
- Replacement of old conventional lights with energy efficient LED lamps at E-station Boiler & ESP area, CHP area and in street lights.

D. DISTRIBUTION AREAS – AHMEDABAD, SURAT, DAHEJ, BHIWANDI AND AGRA:

- Bifurcation of overloaded feeders resulting in reduction in technical losses
- Revamping and uprating of LT networks of 81 Distribution Transformers to improve the reliability and reduce the losses
- Installation of energy efficent air conditioning system and lighting system for all new and renovated premises; saving ~1,78,560 kWh anually
- Replacement of the conventional outdoor lighting by LED lights; saving ~1,10,919 kWh annually;
- Procurement of energy efficient level 2 (Four star) Distribution transformers having lower losses
- Facilitated distribution of about 33.6 Lakhs LED bulbs, 1.65 Lakh Tube lights and 0.49 Lakh energy efficient fans and installation of energy efficient Air-conditioning system in all renovated offices of Ahmedabad under Ujala Scheme of the Ministry of Power, Government of India.
- Sharing of energy conservation information with customers through leaflets, energy bills and display at the Company's customer care centres.
- Replacement of 11 kV Over head lines (21.5 KM) by higher sized underground cables.

E. **CABLES UNIT:**

- Replaced 75 twin tubelight fixtures with LED Fixtures.
- Replaced 85 HP two old motors with DC Drive having high efficiency motor with Variable Frequency Drive.
- Installed advanced APFC system for 500 KVAR Capacitors for better control & improvement of Power Factor.

ii) **The steps taken by the company for utilising alternate sources of energy:**

- 92.7 kW roof top installed on roof of the office administration building, common building at housing colony generated 1,29,336 kWh in FY 2017-18 in SUGEN.
- 51,236 kWh of Solar power generated and utilized at the housing colony of DGEN.
- Installed 45 kW solar roof top at central store, E Station, Surat and ~63,000 kWh saved annually.
- 110 kW roof top installed at Corporate Office generated 1,07,384 kWh in FY 2017-18.

iii) **The capital investment on energy conservation equipment:**

~₹62.65 Crore

B. **TECHNOLOGY ABSORPTION**

i) **The efforts made towards technology absorption:**

A. **SUGEN AND UNOSUGEN:**

- Inlet guide vane modification was carried out in Unit 20 and Unit 30 to improve performance and additional position feed back transmitters were installed to improve the reliability of the IGV control. Air-conditioned enclosures were provided for Excitation Equipment and Control Panels in Unit 20 and Unit 30 to increase the life of these equipment and for better reliability.
- Electronic Components of Steam Turbine Drain Valves were relocated to avoid failures and increase their life.
- Corrosion protection of NG system fastners by Denso tape.

B. **DGEN:**

- Corrosion protection of NG system fastners by Denso tape.
- Data communication system indigenized for emission parameters display at DGEN main gate.

C. **AHMEDABAD, SURAT AND DAHEJ DISTRIBUTION AREAS:**

- Implementation of GIS for Ahmedabad and Surat Distribution areas
- Commissioning of State of the Art 400 kV Nicol-2 Gas-insulated Substation
- Introduction of Hybrid Gas-insulated Substation for the first time at Surat
- Replaced unsafe, unreliable, old and obsolete conventional oil type RMUs by advanced SF6 Ring Main Units.
- 11 kV Distribution Automation in 91 Distribution Substations
- 66 EHV line Differential protection relays commissioned for fast fault clearance for 33 Line segments.

- Established Central Store with state of the art racking system and mechanised means of material handling for better inventory control

D. BHIWANDI AND AGRA DISTRIBUTION AREAS:

- Usage of environmentally friendly bio-degradable ester oil in place of mineral oil in Distribution transformers.
- Replacement of Blue silica Gel (Hazardous) by the Orange Silica gel (non-hazardous)
- Installation of theft proof TAPPAT Mini Section Pillars at around 698 locations with insulation of bus bar.
- Installation of theft proof joints at around 3030 locations in replacement busbar distribution box.
- Installation of Communicable RMU at 22 KV feeder for remote isolation of lines.
- Use of Thermography camera for finding hot spot.
- Installation of TRAFO connector at LT bushing of Distribution Transformers.
- Installation of FRP Channels on DO unit and Polymeric DO (Drop out fuse).

ii) The benefits derived:

A. GENERATION:

- Cost reduction
- Better availability, reliability and safety
- Improved efficiency

B. DISTRIBUTION:

- Better availability, reliability and safety
- Reduced power interruptions & enhanced customer satisfaction
- Reduction of energy losses and theft
- Increase of evacuation capacity utilizing same corridor
- Reduction in power restoration time

iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year):

I. the details of technology imported;

II. the year of import;

III. whether the technology been fully absorbed;

IV. if not fully absorbed, areas where absorption has not taken place, and the reasons thereof; and

Not Applicable

iv) The expenditure incurred on Research and Development:

No expenditure has been incurred on R&D.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

Description	₹ in Crore
Foreign Exchange Earned (Actual Inflow)	**41.94**
Foreign Exchange Used (Actual Outflow)	
Import of Capital Goods	3.62
Import of Fuel, Raw materials, Components, Stores and Spare Parts	991.34
Travelling, Subscription and Others	0.46

For and on behalf of the Board of Directors

Samir Mehta
Chairman
DIN: 00061903

Ahmedabad
29th May, 2018

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMY:

Indian economy is now the fastest growing economy in the world despite the lower GDP growth rate of 6.7% for FY 2017-18 as compared to the past few years. This is on account of lower growth in Agriculture, Forestry & Fishing and Industry sectors which is partially offset by higher growth in the Service sector. The deceleration in industrial growth was mainly due to slowdown in credit growth with banks becoming more cautious in lending considering their Non-Performing Assets (NPA) problems coupled with high real interest rates and overvalued currency. It is noteworthy that this growth has been achieved despite the disruptions triggered by demonetisation of high-value currencies in November 2016 and the rollout of the Goods and Services Tax (GST) during FY 2017-18.

For most part of the year, India remained the Goldilocks economy, one with high economic growth and lower inflation, as the quickening growth did not add to inflationary pressure. The economy also witnessed a gradual transition from a period of high and variable inflation to more stable prices in the last four years. However, in March 2018, Consumer Price Index inflation increased to 4.28%, as compared to 3.89% in March 2017 due to sharp increase in oil prices, increasing prices of vegetables and fruits as well as implementation of the housing rent allowance for central government employees recommended by the Seventh Pay Commission.

Increasing imports primarily on account of rising gold imports coupled with rise in crude oil prices led to the widening of the trade deficit during FY 2017-18. However, the net capital inflows dominated by foreign investment and banking capital could finance the Current Account Deficit estimated at 1.9% for FY 2017-18. The fiscal deficit for FY 2017-18 was contained at 3.5% of GDP on account of robust direct and indirect tax collections & cut down in capital expenditure.

On account of host of measures such as implementation of GST, Insolvency and Bankruptcy Code, announcement of bank recapitalisation, etc., India's rank has improved to 100^{th} in 2018 World Bank Doing Business Report from 130^{th} in 2017. Further, expecting continued economic progress, Moody's Investor Services has raised India's credit rating from the lowest investment grade of Baa3 to Baa2 and changed the outlook from stable to positive, the first upgrade in last 14 years. Going ahead, with the world growth rate likely to witness moderate improvement, expected greater stability in GST, likely recovery in investment levels and ongoing structural reforms, one can expect improved economic performance of the country during FY 2018-19.

POWER SECTOR:

Electricity consumption is one of the important parameters which indicates the development of a nation. However, in India, about one fifth of the population is estimated to have no access to power and keeping this in mind the government introduced "Saubhagya" - the ₹16,320 Crore Pradhan Mantri Sahaj Bijli Har Ghar Yojana to ensure electricity in all households. Besides this, the ongoing initiatives of Government including the Power for All programme, Deendayal Upadhyaya Gram Jyoti Yojana, Integrated Power Development Scheme and Ujwal Bharat aim to provide 24x7 power for all. On the other hand, the Government is also working on Energy Conservation through the National LED programme and Street lighting National Programme.

India's power sector is rapidly transforming with renewable energy assuming a greater emphasis in the overall energy mix of India. However, the woes of power sector namely worsening asset quality and rising NPA continue to remain with power sector accounting for 40.6% of all stalled projects.

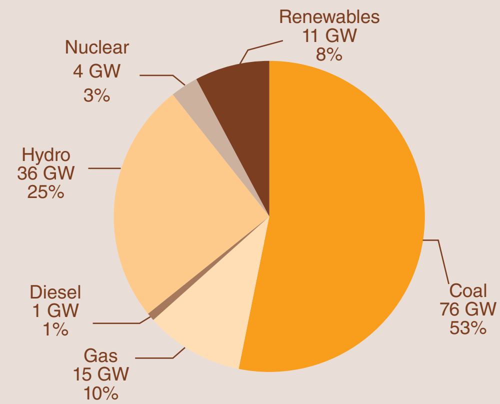
A. DEMAND – SUPPLY

The energy deficit for the year remained at a level similar to last year of 0.7% while the peak power deficit marginally increased to 2% as against 1.6% in FY 2016-17. The low power deficits being witnessed are due to a combination of weak power demand in the commercial and industrial sector and the financial health of Distribution Companies (Discoms).

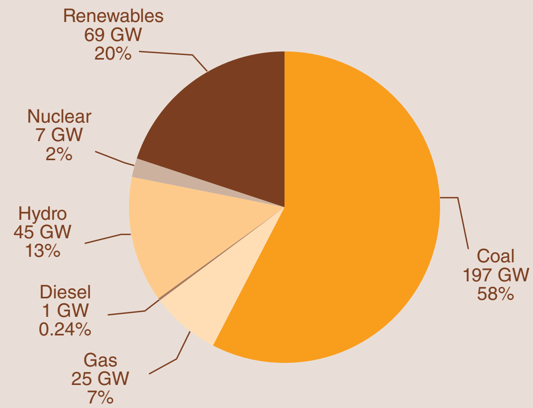
B. GENERATION

The country continued to add generation capacities in FY 2017-18 and thus reached ~344 GW as on 31st March, 2018 from ~143 GW as on 31st March, 2008. The source wise breakup of installed capacity shows a major shift in renewable capacity as on 31st March, 2018 as compared to 31st March, 2008:

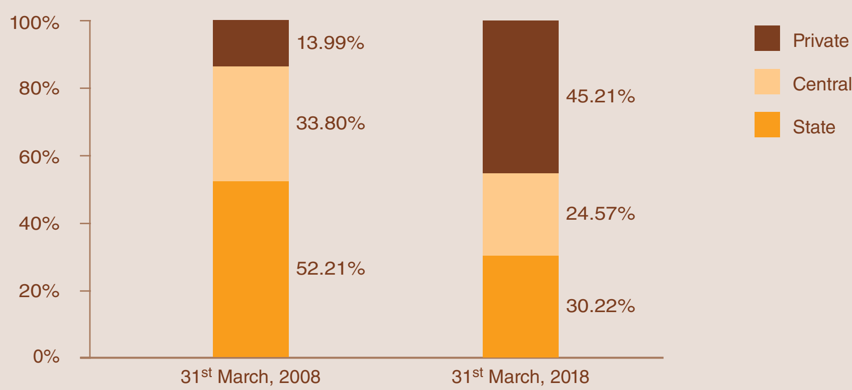
FUEL MIX (AS ON 31ST MARCH, 2008)



FUEL MIX (AS ON 31ST MARCH, 2018)



The breakup of installed capacity given below shows that there is a major shift of investment by private sector from 13.99% as on 31st March, 2008 to 45.21% as on 31st March, 2018.



Coal-powered thermal power plants account for ~73% of total electricity generated in the country and represents ~58% of the installed power capacity. According to International Energy Agency, India's power generation from coal sources will rise ~4% every year upto 2022.

Following a meagre demand growth, there was a marginal improvement in the all India thermal Plant Load Factor (PLF) to ~60.70% for coal and 22.86% for gas as against ~59.93% and 22.51% respectively in the previous year. With the increasing adoption of renewable power and growing preference for competitively bid merchant contracts, the conventional power industry is facing difficulties in signing long term Power Purchase Agreements (PPAs).

India has an ambitious plan to double its coal production to 1.5 billion tonnes a year by 2020, as part of government's push to bring power to 300 million people who lack proper access to electricity. Under the new policy 'Scheme to Harness and Allocate Koyla (coal) Transparently in India (SHAKTI)', Coal India Limited (CIL) will have to increase coal supply to meet 90% of plants' requirement. In the biggest coal sector reform in over four decades, the government allowed the private sector to mine coal and sell it for commercial use, ending state-owned CIL's monopoly in a bid to cut imports by raising domestic output. Participation of private miners would foster the much-needed competition and enhance productivity by facilitating use of latest equipment, technology and services.

Coal imports for the FY 2017-18 grew by 8.1% to ~213 MT on account of increased demand from Steel, Power and Cement sectors. This trend is likely to continue with limitations on domestic coal evacuation due to shortage of railway rakes.

Despite having stranded and under-utilised gas based capacity of ~25,000 MW, India's commitment on emission reductions under the Paris climate agreement has added a new urgency to promote usage of natural gas. Government plans to increase share of gas in the energy basket from 6.5% in 2015 to 20% by 2025. Increasing focus on expansion of gas pipeline infrastructure in the country, rising demand for natural gas from power and industrial sectors and favourable government policies would make LNG a commercially viable and suitable fuel for various end users in India. Gas-based power projects are second only to renewables and hydro power in generating clean energy. Hence, ensuring fuel supplies for such projects will go a long way in meeting India's obligations under the climate change commitments and reduce greenhouse emissions substantially.

C. TRANSMISSION

Indian grid is currently the fifth largest in the world. As on 31st March, 2018, the total length of transmission lines and transformer capacity of the country stood at 3,90,970 ckm and 8,26,958 MVA respectively. India is witnessing the world's largest renewable energy expansion program. Integration of large amount of fluctuating power from such renewable energy plants and ensuring smooth operations of such a large grid is a serious technical challenge for grid managers.

The government plans to invest billions of dollars into smart grid development over the next ten years as part of its ambitious plans to achieve low carbon economic growth.

Hon'ble Central Electricity Regulatory Commission (CERC) has come up with Draft CERC (Connectivity, General Network Access to the inter-state transmission system and other related matters) Regulations, 2017 which introduces the concept of General Network Access (GNA). This will put the onus on generators and discoms to apply for GNA on timely basis and help in planning the transmission capacity addition. It would also help in partially addressing the issue of under-utilised & stranded generation and transmission assets.

D. DISTRIBUTION

India's distribution sector is beset with legacy problems such as ageing transmission & distribution infrastructure, higher Aggregate Technical & Commercial (AT&C) losses, poor financial health of discoms, etc. All India current Transmission and Distribution (T&D) loss of 21.81% is far higher than the world average of 8.6%.

Improvement in T&D loss is one of the vital parameters required to improve the financial health of the discoms. Keeping this in mind, the government has initiated different schemes to improve the operational and financial efficiencies of power distribution companies like Ujwal Discom Assurance Yojna (UDAY) - the financial restructuring package, National Electricity Fund, Deendayal Upadhyaya Gram Jyoti Yojna and Integrated Power Development Scheme. Further, as per the Power Ministry's strategy to rollout 'advanced metering infrastructure', smart meters are to be installed in phased manner with all consumers getting smart meters by 2027, which will facilitate in reducing the overall AT&C losses and debt burden of discoms.

The financial health of state electricity distribution companies has improved since the introduction of UDAY in November 2015. UDAY has reduced the interest cost of Discoms and hence the Power Purchase cost. Timely tariff hikes in recent times and reduced power purchase cost have led to reduced gap between the average cost of supply and average revenue realised, which is further expected to reduce in the coming years. However, the discoms are not pursuing long term power purchase contracts due to sharp reduction in renewable energy tariffs and rise in industrial open access consumption leading to utilisation mismatch in generation and transmission capacities.

As consumers become more mobile, connected via social media and more conscious of their energy needs, they are beginning to expect more from their energy experience than just keeping the lights on. Increasingly, consumers expect reliable supply, clean energy, responsive service, new facilities and cost efficiency from their utilities. Giving due weightage to such consumer mindset, it is important for discoms to shift from traditional models to smart models.

E. RENEWABLE ENERGY

With a view to provide sustainable and affordable power to all consumers, the development of renewable energy sector has remained one of the top priorities for the Government. Government's intention to achieve 40% of power capacity from renewable energy sources by the year 2030 is slowly taking the renewable energy to a central role in the overall energy mix. Marching ahead towards its ambitious target of 175 GW of renewable capacity by 2022, India has already achieved 69 GW as on 31st March 2018. Moreover, India plans to complete the competitive bidding process by the end of FY 2019-20 to add a further 115 GW of renewable capacity by 2022. Also, attainment of second spot from third in Renewable energy country attractiveness index and extension of inter-state transmission charges waiver are expected to give a great fillip to the planned capacity additions in the renewable space.

Wind Power: The wind power development in the country started in 1990s and with the conducive policy environment provided at Central and State level, this segment, having installed capacity of 34 GW as on 31st March, 2018, accounts for nearly 50% of the total installed renewable capacity. FY 2017-18 proved to be a challenging year for wind power segment, with the sector adding one of the lowest annual capacities at 1.76 GW as against a target of 4 GW. The dip was mainly due to change in tariff regime from FiT (Feed-in Tariff) to competitively bid tariff. This together with technological advancements and decline in domestic interest rates resulted in historic low wind power tariff at INR 2.43 per unit. Needless to state, plans for auctioning of 20 GW in FY 2018-19 and FY 2019-20 would revive the wind power sector.

Solar Power: In terms of solar power installed capacity, India has become the third largest country in the world. Even though capacity addition in the sector during FY 2017-18 was 9.4 GW as against target of 10 GW, India achieved milestone of 20 GW installed capacity and completed the National Solar Mission four years ahead. However, the increased prices of imported solar power modules, threat of safeguard / anti-dumping duty had an impact on auction participation leading to postponement of few solar auctions. Plans for auctioning of 60 GW in FY 2018-19 & FY 2019-20, clarification regarding NIL customs duty on imported solar equipment, allowing pass thru of safeguard / anti-dumping duty and laying the foundation stone of the International Solar Alliance depict the continued conviction of the government in promoting solar power.

Renewables being intermittent energy source, grid stability is one major area requiring close attention. Moreover, actual installation of auctioned capacity is also an area of concern.

Despite such challenges, role of renewable energy in India will remain crucial for promoting sustainable development.

F. POWER & CONTROL CABLES

The Government's focus on providing Power to All and increasing growth in renewable power generation would foster the growth of the electric cable industry. Further, with focus of the discoms shifting to reducing losses and providing reliable and efficient power, the demand for power cables will continue to increase. However, availability as well as high price volatility in basic raw materials (especially metals such as aluminium, copper & steel), delay in realisation of receivables and competition from foreign markets will create pressures on margins.

OVERVIEW OF COMPANY'S BUSINESS DURING THE YEAR

The Company is an integrated utility engaged in the business of power generation, transmission & distribution with operations in the states of Gujarat, Maharashtra, Uttar Pradesh and Karnataka. It is also engaged in the business of cables manufacturing with operations in the state of Gujarat.

1. GENERATION:

A) 2730 MW Gas based Plants at Surat and Dahej

During the year, SUGEN Plant achieved a Plant Availability Factor (PAF) of 95.86% (PY 96.38%), PLF of 65.26% (PY 47.50%) and dispatched 6,396 MUs (PY 4,655 MUs). The PLF at SUGEN Plant increased during the year due to use of imported LNG and selling of power through short term contracts. However, lack of demand has resulted in NIL PLF at UNOSUGEN and DGEN.

The Company started utilization of storage-cum-regasification capacity at Petronet LNG Limited's Dahej Terminal with effect from 1st April 2017. 9 LNG cargoes have been imported till 31st March 2018 and another 26 LNG cargoes have been contracted, after following a competitive tender process, with international suppliers to be delivered up to December 2020.

B) 422 MW Coal based AMGEN Power Plant at Ahmedabad

During the year, AMGEN Plant achieved a PAF of 94.17% (PY 95.10%) due to sustained reliability, PLF of 71.38% (PY 74.64%) and dispatched 2,406 MUs (PY 2,520 MUs). 60 MW C station was in reserve shutdown for entire year and accordingly PLF without C station was 83.21% (PY 87.01%). The said station has been retired with effect from 2nd April, 2018.

Hon'ble Gujarat Electricity Regulatory Commission (GERC) has directed AMGEN to schedule generation through State Load Despatch Centre and the same is subject to the deviation settlement mechanism effective from April 2017.

C) Over 1,500 MW Renewable Power Plants

Starting with a ~50 MW Wind Power Plant in 2012, we have continued our journey into environmentally benign and sustainable renewable energy space. Till date, a total of ~430 MW Wind Power Projects and 138 MW Solar Power Projects have been commissioned. Further, ~975 MW Wind Power Projects are under various stages of construction. With the operational and under-construction projects, our total renewable power generation capacity has reached the mark of ~1,550 MW. The details of such projects are as under:

C1. Over 500 MW of capacity for fulfilment of Renewable Purchase Obligation (RPO) of the Company:

The RPO obligations of the Company are partially being met / expected to be met from 500.4 MW of renewable capacity of the Company as detailed below:

- 49.6 MW Wind Power Plant at Lalpur, Jamnagar
- 201.6 MW Wind Power Plant at Kutch
- 60.8 MW Wind Power Project at Mahidad, Rajkot
- 50.4 MW Wind Power Project at Mahuva, Bhavnagar
- 51 MW Solar Power Plant at Charanka, Patan
- 87 MW GENSU Solar Power Plant near Surat

During the year, the said Plants dispatched a total of 869 MUs (PY – 364 MUs) to the Company's distribution business in Ahmedabad, Gandhinagar, Surat and Dahej for fulfillment of RPO.

C2. **Over 1,000 MW of Competitively Bid and other projects:**

A total of 1,046.60 MW of capacity has been developed / is under development by the Company which includes competitively bid projects and other projects as well. Project wise details of the same are as under:

- **120 MW Wind Power Plant at Karnataka**

  60 MW Wind Power Plant, each at Zalki and Gudadanal site, in Karnataka has been commissioned successfully during the year.

- **499.8 MW Wind Power Project at Gujarat**

  The Company participated in the competitive bidding and the e-reverse auction process (Tranche - III) held on 13th February, 2018 by Solar Energy Corporation of India Limited (SECI) for setting up of 2,000 MW ISTS (Inter State Transmission System) connected wind power projects and emerged as the biggest winner in the auction by winning the highest quantum of 499.8 MW. It is also the largest capacity won by any bidder in the wind auctions conducted so far in the country. The Project has a schedule of commissioning within 18 months from the effective date of the PPA.

- **124.4 MW Wind Power Project at Maharashtra**

  The Company participated in the competitive bidding and the e-reverse auction process held on 6th March, 2018 by Maharashtra State Electricity Distribution Company Limited for procurement of power from Grid Connected Wind Power Projects and was successful in winning 124.4 MW Project. The Project shall be implemented at two locations i.e. Lohara and Koral sites at Osmanabad in Maharashtra. Project is expected to be commissioned in FY 2019-20.

- **302.4 MW Wind Power Project at Andhra Pradesh**

  Framework Agreement for development of the Project has been entered into.

2. DISTRIBUTION:

A) Ahmedabad and Surat Distribution

The sales were higher at 10,761 MUs in FY 2017-18 (PY – 10,039 MUs) mainly on account of normal load growth and reduction in open access availment. The open access consumption reduced to 130 MUs for FY 2017-18 (PY - 422 MUs) mainly due to higher competitiveness of the regulated tariff. T&D loss has reduced to 5.72% in FY 2017-18 (PY - 6.15%) and is one of the lowest in the country. The consumer base as on 31st March, 2018 was 25.05 Lakhs (PY - 24.50 Lakhs). During the year, the peak system demand of Ahmedabad was higher at 1,832 MW (PY - 1,751 MW) and that of Surat was higher at 671 MW (PY - 648 MW).

In the matter of tariff determination for FY 2017-18 and true up of FY 2015-16, Hon'ble GERC vide Tariff Order dated 9th June, 2017 continued the tariff of FY 2016-17 for FY 2017-18 as well and had also directed to discontinue the recovery of Regulatory Charge.

In the matter of tariff determination for FY 2018-19 and true up of FY 2016-17, Hon'ble GERC vide Tariff Order dated 31st March, 2018, *inter-alia*, has not revised the tariff for second year in succession, has abolished Meter Rent w.e.f. 1st April, 2018 and stated that the issue of carrying cost is to be pursued with Hon'ble Appellate Tribunal for Electricity (APTEL).

The Company has been able to meet 95% of its RPO (10.84% met against obligation of 11.35%). Non-solar RPO has been fulfilled upto 99% (8.24% met against obligation of 8.35%) and Solar RPO has been fulfilled upto 86% (2.59% met against obligation of 3.00%). The deficit in Solar RPO compliance was mainly on account of suspension of Solar Renewable Energy Certificate (REC) trading.

Ministry of Finance (MoF), through a circular dated 1st March, 2018 has clarified that only Transmission and Distribution of Electricity are exempt from GST. However, other services relating to Transmission and Distribution of Electricity are taxable. The Company has challenged the said circular before Hon'ble High Court of Gujarat. The matter is sub-judice; but in view of MoF's circular, the Company is taking all steps to collect and pay GST under protest in respect of specific activities of transmission and distribution of electricity.

B) Dahej Distribution

The sales were higher at 312 MUs in FY 2017-18 (PY - 242 MUs) mainly due to addition of new consumers and increase in demand. T&D loss reduced to 0.40% in FY 2017-18 (PY 0.53%). The consumer base as on 31st March, 2018 was 101 (PY - 96). The peak system demand was higher at 58 MW in FY 2017-18 (PY - 44 MW).

Further Hon'ble GERC vide its order dated 31st March 2018 on tariff determination for FY 2018-19 and true-up of FY 2016-17 stated that the issue of carrying cost is to be pursued with Hon'ble APTEL.

C) Bhiwandi

The sales increased to 3,084 MUs (PY - 2,800 MUs) mainly due to recovery and consolidation trend in Power loom industry. Additionally, there was a distinct increase in Residential and Commercial sales on account of undergrounding of network, Distribution Transformer cleaning and other theft deterrent activities. Owing to the various loss reduction measures, sustained efforts on deterrent activities in reducing theft and focussed efforts on recovery resulted in reduction of AT&C losses to the level of 17.28% during the year (PY - 22.22%). The consumer base as on 31st March, 2018 is 2.90 Lakhs (PY - 2.69 Lakhs). The peak system demand was marginally lower at 576 MVA during FY 2017-18 (PY - 579 MVA).

D) Agra

The sales were higher at 1,720 MUs in FY 2017-18 (PY - 1,584 MUs) mainly due to increase in consumer base and considerable reduction in AT&C losses to 20.89% (PY - 26.78%) on account of various loss reduction drives (undergrounding of the network, focused vigilance, systematic surveillance, removal of illegal connections, etc.). The consumer base as on 31st March, 2018 was 4.31 Lakhs (PY - 3.99 Lakhs). The peak system demand was higher at 443 MVA during FY 2017-18 (PY - 425 MVA).

3. CABLES BUSINESS:

During FY 2017-18, Cables unit at Nadiad, Gujarat, achieved net sales of ₹401 Crore (PY - ₹407 Crore).

During the year, 3 Core, 150 sq mm & 85 sq mm, 11 KV Aerial Bunched Cables and 1 Core, 400 sq mm, 66 KV cable with Aluminium Corrugation were developed & supplied.

OVERALL RESULTS:

The overall power sales in FY 2017-18 were 15,957 MUs (PY - 14,454 MUs) with break-up as under:

Category of Consumers	FY 2017-18		FY 2016-17		Growth
	MUs	%	MUs	%	%
Residential	4,638	29%	4,324	30%	7.26%
Commercial	2,551	16%	2,454	17%	3.95%
LTP / LTMD	4,766	30%	4,531	31%	5.19%
HT	3,663	23%	3,115	22%	17.59%
Others	339	2%	30	0%	1030%
Total	**15,957**	**100%**	**14,454**	**100%**	**10.40%**

During FY 2017-18, the Company achieved a robust ~10% growth in sales as compared to previous year wherein there was a marginal degrowth in sales. Further, there was reduction in T&D and AT&C losses at all distribution units of the Company during the year.

Increase in sales in Residential / Commercial categories at Ahmedabad, Gandhinagar, Surat, Bhiwandi and Agra was mainly due to theft deterrent activities and higher temperature besides increased customer base and normal load growth. The growth in LTP / LTMD category is primarily attributed to recovery and consolidation trend in the Powerloom industry at Bhiwandi. Increased sales in HT category were majorly on account of reduced open access availment at Ahmedabad due to higher competitiveness of the regulated tariff and higher sales at Dahej SEZ.

The Consolidated PBT in FY 2017-18 improved mainly due to:

- Improved performance at Ahmedabad and Surat distribution areas on account of sales growth, reduction in T&D loss and timely recovery of Fuel Price and Power Purchase Adjustment (FPPPA) charges read with negative impact of discontinuance of the recovery of Regulatory Charge w.e.f. 10th June 2017;
- Significant reduction in AT&C losses at Bhiwandi & Agra.
- Higher operational capacity of renewable power plants at ~570 MW (PY – 403.6 MW).
- Reduced finance costs on account of reduction in rate of interest on term loans.

In light of the above, the Consolidated PBT for FY 2017-18 stood at ₹1,400.99 Crore (PY ₹587.34 Crore).

4. RISKS AND CONCERNS

Significant risks and concerns of the Company are enumerated below:

- Although currently LNG is available, the Company is not able to run all its gas based capacity due to lack of power demand. However, it is expected that initiatives such as Saubhagya Scheme, Make in India, UDAY, 24 x 7 Power for All, Digital India etc. would improve the electricity demand.
- Ministry of Environment, Forest and Climate Change (MoEFCC) has made the emission norms for all thermal power plants significantly stringent which may affect the operations of AMGEN Plant. Timeline to comply with new norms was December 2017. However, with passage of dead line and considering the facts that almost all the players are yet to undertake required modification, Central Electricity Authority (CEA) has prepared a phasing plan for implementation of such norms. Timeline for compliance at AMGEN Plant has been extended up to December 2022 and same shall be monitored by Central Pollution Control Board, CEA and Western Regional Power Committee.
- As per the Tariff Policy issued by Ministry of Power, thermal power plants including the existing plants located within 50 km radius of Sewage Treatment Plants (STPs) of Municipality / local bodies / similar organization shall in the order of their closeness to STP, mandatorily use treated sewage water produced by these bodies. The Company is in communication with relevant municipal authorities for getting supply of treated water of suitable quality.
- Considering the present Indian coal demand and supply scenario, it will continue to be a challenge for AMGEN to get sufficient coal as per Fuel Supply Agreement. Consequently, partial dependency on imported coal will expose the Company to price volatility and sourcing risks.
- The changing fuel mix with share of renewables increasing due to preferential policy treatment is creating pressure on thermal power plants. Although purely on economic ground, thermal power has merit but it may be unable to compete with renewables in this context.
- The Company operates in a regulatory environment and is subject to the risk of regulatory interventions including introduction of new laws and regulations including changes in competitive framework. Also, the current structure of the distribution segment lacks due recognition or incentives for its efficient operations under the regulatory framework. Although the Regulator provides mechanism for true-up and recovery of increase in fuel and power purchase costs, such recovery of costs is delayed due to in-built restrictions in the formula of fuel adjustment charges i.e. FPPPA. Further, the Order dated 31st March, 2018 of Hon'ble GERC on tariff determination for FY 2018-19, deferred the unresolved issue of carrying cost, which is pending for resolution with Hon'ble APTEL.

Also, non-pass through of REC costs (to fulfill RPO) through the FPPPA mechanism continues to burden the distribution segment. All these issues lead to postponement of recovery of said costs, resulting into deferred recovery and accrual of carrying cost.

- The proposed segregation of carriage and content in the Electricity Amendment Bill, 2014, would bring about a substantial change in the way the distribution network business and supply of electricity to consumers operate, though not impacting the Return on Equity on the investments in the distribution infrastructure.
- Cyber risk continues to be one of the major threats to Company's business as utilities are now far more vulnerable to cyber-attacks than in the past with the increasing role of information technology in integrated Power generation, transmission and distribution segments.
- Macro-economic risks such as growth slowdown & uncertainty in demand may impact the performance of the Company.
- Public Policy interventions could impact the traditional ways of doing business and may lead to changes in supply & demand sources.
- Non-availability of skilled manpower may result in disruptions in business operations or incorrect / delayed decision making.

5. INTERNAL CONTROL SYSTEM

The Company's Internal Control System is commensurate with its size and its nature of operations. It has well documented system of adequate Internal Controls aimed at achieving efficiency in operations, optimum utilisation of resources and compliance with all applicable laws and regulations. Independent firms of Chartered Accountants, out of big 4, are appointed as Internal Auditors of the Company. The key observations and recommendations following such internal audit and follow up actions for improvement of the business operations and their implementation are reviewed and monitored by the Audit and Risk Management Committee on a quarterly basis.

6. CAUTIONARY STATEMENT

Certain statements in the Management Discussion and Analysis describing the Company's analysis and interpretations are forward-looking. Actual results may vary from those expressed or implied. The Company assumes no responsibility to publicly amend, modify or revise any such statements on the basis of subsequent developments, information or events.

BUSINESS RESPONSIBILITY REPORT

SECTION A: GENERAL INFORMATION ABOUT THE COMPANY

Sr. No.	Particulars	Details
1.	Corporate Identity Number (CIN) of the Company	L31200GJ2004PLC044068
2.	Name of the Company	Torrent Power Limited
3.	Registered Address	"Samanvay", 600, Tapovan, Ambawadi, Ahmedabad - 380015.
4.	Website	www.torrentpower.com
5.	E-mail Id	cs@torrentpower.com
6.	Financial Year reported	2017-18
7.	Sector(s) that the Company is engaged in (industrial activity code-wise)	NIC Code: 351 - Electric power generation, transmission and distribution. NIC code: 2732 - Manufacturing of wires and cables for electricity transmission.
8.	List three key products / services that the Company manufactures / provides (as in balance sheet)	Power generation, transmission & distribution and manufacturing of cables.
9.	Total number of locations where business activity is undertaken by the Company	14
10.	Number of international locations	NA
11.	Number of national locations	14
12.	Markets served by the Company - Local / State / National / International	National

SECTION B: FINANCIAL DETAILS OF THE COMPANY

Sr. No.	Particulars	Details
1.	Paid up Capital	₹480.62 Crore
2.	Total Turnover	₹11,448.86 Crore
3.	Total profit after taxes (TCI)	₹935.07 Crore
4.	Total Spending on Corporate Social Responsibility (CSR) as percentage of profit after tax (%)	~1.61% of Total Comprehensive Income (TCI) of FY 2017-18 (CSR Projects) Additionally, the Company also made donations for CSR activities. Besides this, CSR initiatives are being carried out by various Generation plants of the Company as part of Ministry of Environment, Forest and Climate Change (MoEFCC) stipulations. With this expenditure, the Company's total spending on CSR is ~2.49% of TCI for FY 2017-18.
5.	List of activities in which expenditure in 4 above has been incurred:-	The list of activities in which CSR expenditure in 4 above (i.e ~1.61% of TCI) has been incurred is part of the Board's Report which forms part of this Annual Report. Further, donations were given to various organisations involved in CSR activities related to healthcare, education, arts & culture, science, relief to disaster victims; socio-economic development including de-addiction, skill development; self-help groups, youth, upliftment of women, integrated development of tribes; etc. The key activities in which CSR expenditure has been incurred as part of MoEFCC stipulations include Swadhar – Medical and Health Care Centre, sanitation projects, purchase of cow dung for biogas plant, construction of panchayat building for a leading contiguous village, security training to rural youths for employment, etc.

SECTION C: OTHER DETAILS

Sr. No.	Particulars	Details
1.	Does the Company have any Subsidiary Company / Companies?	Yes, the Company has the following Subsidiary Companies: (a) Torrent Solargen Limited (b) Torrent Power Grid Limited (c) Torrent Pipavav Generation Limited (d) Latur Renewables Private Limited (e) Jodhpur Wind Farms Private Limited
2.	Do the Subsidiary Company / Companies participate in the BR Initiatives of the parent company? If yes, then indicate the number of such subsidiary company(s).	The BR Initiatives of the Company are driven at Group level. Hence, all Subsidiary Companies participate in the BR Initiatives of the Company.
3.	Do any other entity / entities (e.g. suppliers, distributors etc.) that the Company does business with, participate in the BR initiatives of the Company?	Yes, the Company's contractors and suppliers do participate in some of the BR initiatives of the Company.

SECTION D: BR INFORMATION

1. Details of Director / Directors responsible for BR

(a) Details of the Directors responsible for implementation of the BR policy / policies

Sr. No.	Particulars	(I)	(II)
1.	DIN	00061955	02685284
2.	Name	Shri Markand Bhatt	Shri Jinal Mehta
3.	Designation	Whole time Director	Managing Director

(b) Details of the BR head:

Sr. No.	Particulars	Details
1.	DIN (if applicable)	Same as above
2.	Name	Same as above
3.	Designation	Same as above
4.	Telephone number	079- 26628000
5.	E-mail Id	cs@torrentpower.com

2. **Principle-wise (as per NVGs) BR Policy / Policies**

(a) **Details of compliance (Reply in Y/N)**

Sr. No.	Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
1	Do you have a policy / policies for....	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
2	Has the policy been formulated in consultation with the relevant stakeholders?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
3	Does the policy conform to any national / international standards?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
4	Has the policy been approved by the Board? If yes, has it been signed by MD / owner / CEO / appropriate Board Director?	Yes, all the Policies have been approved by the Board, except the HR policies and IMS policies, which have been approved by MD or WTD.								
5	Does the Company have a specified committee of the Board / Director / Official to oversee the implementation of the policy?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
6	Indicate the link for the policy to be viewed online.	All Policies can be accessed at http://www.torrentpower.com/index.php/investors/policies								
7	Has the policy been formally communicated to all relevant internal and external stakeholders?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
8	Does the Company have in-house structure to implement the policy / policies?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
9	Does the Company have a grievance redressal mechanism related to the policy / policies to address stakeholders' grievances related to the policy / policies?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
10	Has the Company carried out independent audit / evaluation of the working of this policy by an internal or external agency?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes

(b) **If answer to the question at serial number 1 against any principle is 'No', please explain why:**

Not applicable

3. **Governance related to BR**

a.	Indicate the frequency with which the Board of Directors, Committee of the Board or CEO assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.	The Board of Directors/ its Committees / Chairman or any authorised officials of the Company, as the case may be, assess the BR Performance on annual or half yearly basis depending upon the type of BR activities.
b.	Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?	Yes, the Company publishes Business Responsibility Report and the same can be accessed at www.torrentpower.com The same is published annually.

SECTION E: PRINCIPLEWISE PERFORMANCE

PRINCIPLE 1: BUSINESSES SHOULD CONDUCT AND GOVERN THEMSELVES WITH ETHICS, TRANSPARENCY AND ACCOUNTABILITY

1.1 Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?

No. Besides covering the Company, it also extends to various stakeholders including Group companies, Suppliers, Contractors, etc.

1.2 **How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.**

Shareholder Complaints:

The Company received 23 shareholder complaints during FY 2017-18. 100% of such complaints were satisfactorily resolved by the Management.

Other Stakeholder Complaints:

The Company received 4 valid complaints from other stakeholders (i.e. Employees, Vendors and Society) during FY 2017-18. 100% of such complaints were satisfactorily resolved by the Management.

PRINCIPLE 2: BUSINESSES SHOULD PROVIDE GOODS AND SERVICES THAT ARE SAFE AND CONTRIBUTE TO SUSTAINABILITY THROUGHOUT THEIR LIFE CYCLE

2.1 **List upto 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.**

The Company's business activities comprise of Generation, Transmission & Distribution of Electricity and Cables manufacturing. It has incorporated social as well as environmental concerns, risks and/or opportunities in each of these as under:

- All the units of the Company (except Bhiwandi, Agra and some Renewable units) are IMS certified covering ISO 9001 (Quality Management System), ISO 14001 (Environment Management System) and BS OHSAS 18001 (Occupational Health and Safety Assessment Series). Some of the units have also additionally obtained ISO 50001 (Energy Management System) and ISO 55001 (Asset Management System).
- State of the art technologies in its gas based thermal plants viz., installation of advanced class Gas Turbines with lower carbon footprint, dry low NOx burners (with emissions surpassing Indian standards and meeting European norms), CCPP in single shaft configuration thereby reducing the land and carbon footprint etc. Such CCPPs are also registered under Clean Development Mechanism (CDM).
- The Company has established systems and procedures for safe and effective operation and maintenance of its transmission and distribution networks duly mitigating risks and health hazards. Transmission and Distribution (T&D) losses have been reduced to one of the lowest in the country in the Company's licensed areas by way of undergrounding, thus saving on energy. During the year, the Company's Distribution units have undertaken a major LT and HT network revamping and uprating project at Ahmedabad and Agra to replace old and dilapidated overhead / underground network with a primary objective of improving the reliability of the network and safety of employees and general public. This has also resulted in reduction in distribution losses.
- Safety of employees and general public is given high importance and priority in the organization. Safety Committees are formed and headed by senior officers with participation from supervisors and experienced workers who effectively contribute to improve the safety performance of the organization.
- Occupational health of the employees is given equal priority. Various measures including installation of Automated External Defibrillators, Self-contained Breathing Apparatus and Ambubags (for artificial respiration) have been taken for Distribution units and EHV substations.
- At the Cables unit, HDPE outersheath & Zero Halogen protect the environment from hazardous effects of PVC and ABC protects humans & birds from Electrocution in overhead lines. The Company's Distribution units have installed more than 7,000 state-of-the-art technology SF6 gas insulated switchgears for protection and operation of 11KV distribution network. This has improved safety aspects to a great extent.
- Other initiatives include continuous improvement in safety standards, regular safety and environmental audits, mock drills, Demand Side Management (DSM) and energy conservation awareness programmes amongst customers in Distribution segment.
- Further, the Company is engaged with its neighborhood by providing employment opportunities, skill development and health care.

2.2 For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product(optional):

(a) Reduction during sourcing/production / distribution achieved since the previous year throughout the value chain?

(b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

The following are some of the initiatives taken in respect of conservation of natural resources:

- Various procedures have been put in place to improve heat rate, reduce auxiliary power consumption and water consumption in its Generating stations.
- Large scale replacement of conventional luminaires with LED devices, installation of solar panels, recycling waste water, segregation of lighting circuits for reducing power consumption, rainwater harvesting etc. Even a self-sustaining township with biogas generation and solar power is fully functional at one of the generating units.
- The Company has also facilitated the implementation of national level Domestic Efficient Lighting Program (DELP) UJALA at all Distribution locations.
- As part of DSM Schemes, Energy Audits as well as Peak Load shifting programs have been carried out for benefit of the consumers. In addition, the Company took all necessary steps to operationalize the Net Metering arrangement for Rooftop Solar PV system at the premises of the consumers.
- Further, the Company has carried out energy audit of all offices and substations in all Distribution license areas to identify the opportunities of energy conservation. As a part of its outcome, various energy conservation initiatives including replacement of air-conditioners by star-rated air conditioners, conventional lights by LED, etc. have been taken.

2.3 Does the company have procedures in place for sustainable sourcing (including transportation)?

If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

The Company has procedures in place for sustainable sourcing (including transportation). The Company has incorporated procedures to ensure that transportation of chemicals and other materials are totally compliant with rules and regulations and Company's own procedures. Fuel Gas lines are maintained as per Petroleum and Natural Gas Regulatory Board (PNGRB) guidelines and safety audits are carried out at regular intervals. Usage of water is optimized by optimizing the Cycle of Concentration in cooling water and recycling of waste water. Further, Sustainability is extended to suppliers / vendors. All requirements on various aspects such as Health & Safety and Environment protection, Ethics and Compliance, Prevention of Bribery & Corruption are part of our sourcing procedures. Counselling and monitoring of suppliers / vendors is being done regularly.

2.4 Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

The Company has taken several steps to procure goods and services from local and small vendors (specially focusing on weaker sections of the society, wherever possible) in order to promote entrepreneurship among them. Some of these initiatives include:

- While sourcing its consumables and spares, priority is given to local vendors. Providing employment in various jobs viz., horticulture, housekeeping, vehicle operation, etc. to people in and around its operations.
- Employment of differently abled people for jobs that are deemed safe for them.
- Engagement of destitute women for managing the canteen services at one of its units.
- Local people have been trained and employed as security guards at some of the plants.
- All packing materials such as steel & wooden drums for one of its unit are sourced locally from small vendors.
- Direct and indirect employment opportunities are provided to local populace to the extent feasible. For fabrication, plumbing, carpentry, etc., as far as possible, local skilled personnel are employed.
- Project affected personnel in gas based generation units have been taken on the Company rolls and external technical training has been imparted to them at good institutes prior to or during employment.

2.5 Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

Being a responsible corporate citizen, the Company believes in "Reduce-Recycle-Reuse" principle. Some of the initiatives taken as part of this principle include:

- 100% utilization of fly ash generated from the coal based plant.
- Re-Use of treated effluent water.
- Zero liquid discharge since August 2017 at SUGEN plant.
- Use of waste water for gardening, sprinkling, etc.
- Use of vegetation and food waste in making compost which in turn is used as manure.
- Sludge recovered from raw water is compacted through Chamber Filter Press and is used as manure/ for landfill.
- Waste generated is used for biogas generation which in turn is used for power generation and cooking in one of our self-sustaining township.
- All the PVC Scrap is recycled to make PVC Fillers at Cables unit.
- Hazardous wastes e.g., used oils, batteries, e-wastes, etc. are disposed off only to authorized recyclers.

PRINCIPLE 3: BUSINESSES SHOULD PROMOTE THE WELLBEING OF ALL EMPLOYEES

3.1 Please indicate the Total number of employees.

The total number of permanent employees is 7,619 as on 31st March, 2018.

3.2 Please indicate the Total number of employees hired on temporary/contractual/casual basis.

Total number of employees hired on temporary/contractual/casual basis is 7,108 as on 31st March, 2018.

3.3 Please indicate the Number of permanent women employees.

Total number of permanent women employees is 588 as on 31st March, 2018.

3.4 Please indicate the Number of permanent employees with disabilities.

Total number of permanent employees with disabilities is 30 as on 31st March, 2018.

3.5 Do you have an employee association that is recognized by management?

Yes.

3.6 What percentage of your permanent employees are members of this recognized employee association?

~44.82% of the total permanent employees of the Company are members of such recognized employee association.

3.7 Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

There were no complaints relating to child labour, forced labour, involuntary labour and sexual harassment in FY 2017-18.

3.8 What percentage of your under mentioned employees were given safety & skill up- gradation training in the last year?

(a) Permanent Employees

(b) Permanent Women Employees

(c) Casual/Temporary/Contractual Employees

(d) Employees with Disabilities

Percentage of employees who were given Safety & skill up- gradation training in the last year is as under:

(a) Permanent Employees – 88.85%

(b) Permanent Women Employees – 92.08%

(c) Casual/Temporary/Contractual Employees – 80.93%

(d) Employees with Disabilities – 73.33%

Further,

- At most of the units of the Company, employees (regular and temporary) and visitors have to undergo safety induction process as per the Company Policy. Further, refresher programs are organized and need based training inputs are imparted to all employees from time to time. Practical sessions and mock-drills are conducted regularly to enhance the responsiveness of the employees.
- Special DAP training is imparted to the differently abled personnel employed.

PRINCIPLE 4: BUSINESSES SHOULD RESPECT THE INTERESTS OF AND BE RESPONSIVE TOWARDS ALL STAKEHOLDERS, ESPECIALLY THOSE WHO ARE DISADVANTAGED, VULNERABLE AND MARGINALIZED

4.1 Has the company mapped its internal and external stakeholders? Yes/No

Yes, the Company has mapped its various key internal and external stakeholders.

4.2 Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?

Yes, the Company has identified the disadvantaged, vulnerable and marginalized stakeholders.

4.3 Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders? If so, provide details thereof, in about 50 words or so.

Various initiatives have been taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders at locations in and around its operations in the areas of: (i) Community Health Care, Sanitation and Hygiene, (ii) Education and Knowledge Enhancement and (iii) Social Care and Concern.

The details of various CSR initiatives of the Company are part of the Board's Report which forms part of this Annual Report.

PRINCIPLE 5: BUSINESSES SHOULD RESPECT AND PROMOTE HUMAN RIGHTS

5.1 Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures / Suppliers / Contractors / NGOs / Others?

Besides covering the Company, it also extends to various stakeholders including Group companies, Suppliers, Contractors, etc.

5.2 How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

No complaint on breach of human rights was received during FY 2017-18.

PRINCIPLE 6: BUSINESS SHOULD RESPECT, PROTECT AND MAKE EFFORTS TO RESTORE THE ENVIRONMENT

6.1 Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/ Suppliers/Contractors/NGOs/others.

The Environment Policy of the Company covers the Company currently. The subsidiary companies of the Company also carry out their operations in accordance with principles laid down in the said Policy. The Company promotes the adoption of environmental protection goals and practices by contractors and suppliers of the Company and strongly encourages improvements in contractors' and suppliers' practices to make them consistent with those of the Company.

6.2 Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc.? Y/N. If yes, please give hyperlink for webpage etc.

Yes, the Company recognizes the value of the environment to the community and future generations and is committed to manage its businesses as a responsible Corporate Citizen. Some of the initiatives taken by the Company to address Global environmental issues such as Climate Change, Global warming, etc. include ~4,280 MW of its generation capacity being natural gas based, which is a cleaner fuel and renewables based (operational and under construction) comprising solar and wind out of its total generation capacity of ~4,700 MW.

In its efforts to contribute towards sustainability, the Company has chosen state of the art technology for its CCPPs with advanced class Gas Turbines with lower carbon footprint and with very low NOx emissions. The Company's CCPPs are also registered under CDM.

Further, various energy conservation initiatives taken by the Company which aid in environmental protection are part of the Board's Report which forms part of this Annual Report.

6.3 Does the company identify and assess potential environmental risks? Y/N

Yes, the Company identifies and assesses potential environmental risks.

6.4 Does the company have any project related to Clean Development Mechanism (CDM)? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

Yes, four projects of the Company are registered with United Nations Framework Convention on Climate Change (UNFCCC) under CDM. SUGEN Project was one of the largest and pioneering generation project approved under CDM globally in 2007. Environment compliance reports are being filed on a timely basis.

Annual reduction of ~8.5 Million CO_2 can be achieved by generation of power through these Projects. The Company has already achieved ~13 Million of CO_2 emission reduction.

6.5 Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

In order to promote clean technology and renewable energy, besides what is stated above, the Company has sourced about 11% of its total power requirement of licensee business from wind and solar plants. The Company has also installed Roof Top Solar for its captive consumption. The Company strives for reduction in distribution losses by improving the network and reducing the theft of electricity. Unauthorized use of electricity has been curtailed which otherwise also invokes safety hazards.

The details of various energy conservation initiatives taken by the Company which aid in energy efficiency are part of the Board's Report which forms part of this Annual Report and is available at the following link: www.torrentpower.com.

6.6 Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes, the emissions generated from the Generation stations of the Company are within the permissible limits given by CPCB and SPCB for FY 2017-18. The data of emissions, where required, is also being shared with CPCB and SPCB through online servers.

Waste generated by the Company during FY 2017-18 was also within the permissible limits given by CPCB and SPCB.

6.7 Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

No show cause / legal notices have been received during FY 2017-18 either from CPCB or SPCB.

PRINCIPLE 7: BUSINESSES, WHEN ENGAGED IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A RESPONSIBLE MANNER

7.1 Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

Yes, the Company is a member of various trade and chamber associations. The major ones are as under:

- Confederation of India Industries (CII)
- Association of Power Producers (APP)
- Federation of Indian Chambers of Commerce and Industry (FICCI)
- Council of Power Utilities
- Indian Electrical and Electronics Manufacturers Association (IEEMA)
- Coal Consumers' Association of India (CCAI)

7.2 Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

As a principle, the Company does not engage in lobbying. The Company provides suggestions through the above associations for the advancement/improvement of power sector and cable industry majorly in the areas of Economic Reforms, Energy security and Sustainable Business Principles.

In the course of our regulated business, the submissions, representations, and the information provided to the concerned authorities are based on due-diligence and to the best of our knowledge true and fair; which is the policy of the Company.

PRINCIPLE 8: BUSINESSES SHOULD SUPPORT INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT

8.1 Does the company have specified programmes / initiatives / projects in pursuit of the Policy related to Principle 8? If yes details thereof.

Yes, the Company has identified specified programmes / projects in the pursuit of the Policy related to Principle 8. The details of such programmes /projects are part of the Board's Report which forms part of this Annual Report.

8.2 Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organization?

The identified programmes/projects are carried out directly by the Company itself including through two of its Section 8 companies namely 'Tornascent Care Institute' and 'UNM Foundation' which have been promoted by the Company (together with one of its Group Company).

Besides the above, it is also supplementing the efforts of the local institutions/NGOs/local Government/implementing agencies in the field of Education, Healthcare, Sanitation and Hygiene, etc. to meet priority needs of the underserved communities with the aim to help them become self-reliant.

The details of such programmes /projects undertaken either on its own or through external agencies are part of the Board's Report which forms part of this Annual Report.

8.3 Have you done any impact assessment of your initiative?

Yes, the Company undertakes timely impact assessments of projects under implementation for ensuring their desired impact and continued sustenance. The impact assessment is also presented to the CSR Committee.

8.4 What is your company's direct contribution to community development projects? Amount in ₹ and the details of the projects undertaken.

During FY 2017-18, the Company contributed ₹15.11 Crore to various community development programmes / projects as part of its CSR initiatives. The details of such programmes /projects are part of the Board's Report which forms part of this Annual Report.

Over and above this, the Company also made donations of ₹7.67 Crore to various organisations involved in CSR activities related to healthcare, education, arts & culture, science, relief to disaster victims; socio-economic development including de-addiction, skill development; self-help groups, youth, upliftment of women, integrated development of tribes; etc.

Besides, the Company also spent ₹ 0.47 Crore on community development projects as part of MoEFCC stipulations.

8.5 Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words or so.

The Company undertakes needs assessment surveys in villages and community before undertaking CSR initiatives. Community needs are understood and evaluated and their views are taken before project plans are finalized and executed. Community members are continuously consulted during implementation of initiatives. Further, the Company ensures that community members participate in the initiatives being undertaken / implemented and that they take responsibility for maintenance and sustenance of projects in future.

PRINCIPLE 9: BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CUSTOMERS AND CONSUMERS IN A RESPONSIBLE MANNER

9.1 What percentage of customer complaints/consumer cases are pending as on the end of financial year?

In the generation, transmission and cables business there were no complaints.

~0.14% of complaints were pending as on 31st March, 2018 for the Distribution business. However, all these complaints are within the turnaround time as prescribed by Hon'ble GERC/MERC/UPERC.

9.2 Does the company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. /Remarks (additional information)

In the generation business of the Company, this requirement of display of information is not applicable.

However, in the case of transmission and distribution business of the Company, adequate signages and caution boards are being displayed at prominent locations. Various safety initiatives are being undertaken for the benefit of consumers.

9.3 Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.

No case has been filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and / or anti-competitive behavior during the last five years.

9.4 Did your company carry out any consumer survey/ consumer satisfaction trends?

The Distribution segment of the Company's business caters to around 3 million consumers as on 31st March, 2018. The Customer Satisfaction Survey is carried out by the Distribution segment once in every three years through a third party professional market research agency. The last Consumer Satisfaction Survey was carried out in September 2016 through IMRB covering consumers at Ahmedabad, Surat and Gandhinagar. Also, on an ongoing basis, the Company does engage with its customers through regular feedback forms, SMS survey as well as a structured out-calling activity named "Sampark", where the employees directly call and capture customers' voice of concerns.

Further, Cables unit also obtains feedback from its major customers and necessary actions are taken based on the feedback received.

REPORT ON CORPORATE GOVERNANCE

Effective Corporate Governance practices constitute the strong foundation on which successful commercial enterprises are built to last. Corporate Governance is the creation and enhancement of long-term sustainable value for the stakeholders through ethically driven business processes.

Better governance practices enable companies to introduce more effective internal controls suitable to the changing nature of business operations, improve performance and also provide an opportunity to increase stakeholders understanding of the key activities and policies of the organisation. We consider it our inherent responsibility to disclose timely, adequate and accurate information regarding our financials and performance, as well as the leadership and governance of the Company. Good governance practices stem from the dynamic culture and positive mindset of the organization.

The disclosure requirements of Corporate Governance under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) are given below:

1. COMPANY’S PHILOSOPHY ON CODE OF GOVERNANCE

Torrent has built its Corporate Governance practices on three inviolable principles of TRANSPARENCY, INTEGRITY (comprehensive all round disclosure + financial controls) and ACCOUNTABILITY. The Company’s philosophy is to develop the desired framework and institutionalise the spirit it entails.

The Company is in full compliance with the Corporate Governance norms as stipulated in Listing Regulations. The Company believes that while implementation of the minimum framework is a prerequisite, superior governance practices are vital for growing a sustainable and successful business.

This report sets out the governance systems and processes of the Company, as set out in the Listing Regulations for the Financial Year ended 31st March, 2018.

2. BOARD OF DIRECTORS

The Board being the representative organ of members has a fiduciary relationship and a corresponding duty to all its stakeholders to ensure that their rights are protected.

a) Composition and Category of the Board:

The Board of Directors as of the date of this report had an optimum combination of Executive and Non-Executive Directors with two woman Directors. Approximately, two third of the Board Members are Non-Executive and Independent Directors.

At the year end, the Board composition consisted of 11 Directors, comprising 6 Independent Non-Executive Directors including 2 woman Directors (55% of Board Strength), 4 Executive Directors and 1 Non- Executive Director (45% of Board Strength). Composition of the Board is in conformity with the provisions of the Listing Regulations.

Board Diversity is necessary to encourage the full, frank and comprehensive discussions and is the guiding principle in selecting the DNA of the Board. During the year under review, the Board of your Company comprised of an accomplished academician, a well-known business leader, one illustrious banker, two well revered professionals and a reputed Advocate, as it’s Independent Directors. The Board also has in its midst a very senior and multifaceted IAS Officer, who adds value, both, to the Company and its Corporate Governance Practices. The sharp entrepreneurial ability, hard core managerial capabilities and years of relevant experience are represented in the rest of the Board.

b) Details of memberships / chairpersonships of the Directors in other Boards and in Committees of the Board as on 31st March, 2018:

None of the Directors on the Company’s Board is a Member of more than 10 Committees and Chairperson of more than 5 Committees (Committees being, Audit Committee and Stakeholders Relationship Committee) across all Public companies in which he/she is a Director. All the Directors have made necessary disclosures regarding the positions held by them in Committees of other Companies and also directorship of other Companies.

The details of each Member of the Board along with number of Directorship(s)/ Committee membership(s) held by them, along with all other requisite information are provided herein below as on 31st March, 2018:

Name of the Director	Category	No. of Directorships held*	No. of Board's Committees in which Member*	No. of Board's Committees in which Chairperson*
Shri Sudhir Mehta, Chairman	Managing Director	1	-	-
Shri Pankaj Patel	Independent Director	4	1	-
Shri Samir Barua	Independent Director	5	4	3
Shri Kiran Karnik	Independent Director	-	-	-
Shri Keki Mistry	Independent Director	9	8	4
Smt. Bhavna Doshi	Independent Director	9	7	5
Ms. Dharmishta Raval	Independent Director	5	1	-
Shri Pankaj Joshi, IAS#	Non-Executive Director, Nominee of Govt. of Gujarat (a shareholder)	9	-	-
Shri Samir Mehta, Vice Chairman	Managing Director	2	-	-
Shri Markand Bhatt	Whole-time Director	1	-	
Shri Jinal Mehta	Whole-time Director	1	-	-

\# appointed with effect from 23rd May, 2017.

* For the purpose of considering the number of directorships and Committee membership/ chairpersonship in Audit and Stakeholders Relationship Committee, all public limited companies other than the Company, whether listed or not, are considered and all other companies including private limited companies, foreign companies and companies registered under Section 8 of the Companies Act, 2013 ("Act") are excluded.

Note: Shri Sudhir Mehta and Shri Samir Mehta are Brothers. Shri Jinal Mehta is son of Shri Sudhir Mehta. Remaining Directors are not related inter-se.

c) Board Meetings

The Board of Directors met five times during FY 2017-18 on 23rd May, 2017, 1st August, 2017, 6th November, 2017, 18th December, 2017 and 7th February, 2018.

The annual calendar of Board meetings is decided in consultation with the Board and the schedule of such meetings is communicated to all the Directors well in advance. Generally, the Board meetings are held in Ahmedabad where the registered office of the Company is situated. The Board meets at least once in a quarter and time elapsed between two meetings does not exceed 120 days.

The agenda for the Board Meeting is circulated to all the Directors at least 7 days prior to the date of the Meeting except for Table agenda which are placed before the Board with due approvals. The agenda for the Board meeting includes detailed notes on the items to be discussed at the meeting to enable the Directors to take informed decisions. Information's as required under Regulation 17(7) read with Schedule II of the Listing Regulations have also been placed before the Board for its consideration. Senior executives are also invited to attend the Board meetings as and when required.

The attendance of each Director at the Board Meetings and last Annual General Meeting held during the year under review, are as under:

Name of the Director	Board Meetings held during the tenure	Board Meetings attended	Attendance at the last AGM
Shri Sudhir Mehta, Chairman$	5	5	Yes
Shri Pankaj Patel	5	5	Yes
Shri Samir Barua	5	5	Yes
Shri Kiran Karnik	5	4	Yes
Shri Keki Mistry	5	3	No
Shri R. Ravichandran*	2	2	No
Smt. Bhavna Doshi	5	4	Yes
Ms. Dharmishta Raval	5	4	Yes
Shri Pankaj Joshi, IAS	5	4	No
Shri Samir Mehta, Vice Chairman#	5	5	Yes
Shri Markand Bhatt	5	5	Yes
Shri Jinal Mehta	5	5	Yes

$ Designated as Chairman Emeritus w.e.f. 1st April, 2018.

Designated as Chairman w.e.f. 1st April, 2018.

*Retired by rotation in the AGM dated 1st August, 2017.

Note: The necessary quorum was present for all the meetings.

d) Independent Directors

None of the Directors of the Company serve as an Independent Director in more than 7 listed Companies and where the Director is serving as a Whole-time Director in any listed Company, such Director is not serving as an Independent Director in more than 3 listed Companies. Independent Directors are Non-Executive Directors as defined under Listing Regulations. All Independent Directors fulfill the criteria to be independent as specified by the Listing Regulations and section 149 of the Act. The maximum tenure of the Independent Directors is in compliance with the Act. The terms and conditions of appointment of the Independent Directors are disclosed on the website of the Company.

A separate meeting of Independent Directors was held on 7th February, 2018 under the Chairpersonship of Shri Pankaj Patel to review the performance of Non-Independent Directors, the Board and it's Chairperson and assess the quality, quantity and timeliness of flow of information between the Company Management and the Board.

All the independent Directors were present at the meeting.

e) Disclosures regarding appointment / re-appointment of Directors:

The members of the Company had at the 13th Annual General Meeting held on 1st August, 2017, appointed Shri Pankaj Joshi, IAS (holding DIN: 01532892), as a Director of the Company with effect from 1st August, 2017, who was appointed as an Additional Director of the Company with effect from 23rd May, 2017 and who shall be liable to retire by rotation pursuant to the applicable provisions of the Act. In the said Meeting, Shri R. Ravichandran was retired by rotation.

Appointment of Shri Samir Mehta as Chairman of the Company and Shri Jinal Mehta as Managing Director of the Company w.e.f. 1st April, 2018 is proposed for consideration in the ensuing Annual General Meeting. Further, Re-appointment of Smt. Bhavna Doshi, Ms. Dharmishta N Raval, Shri Samir Barua, Shri Keki Mistry and Shri Pankaj Patel as Independent Directors of the Company are also proposed in the ensuing Annual General Meeting.

Brief resume and other relevant details of the Director proposed to be appointed / re-appointed are given in the Explanatory Statement annexed to the Notice of the AGM.

f) Selection of new Directors and Board Membership Criteria

The Company has in place a policy which provides criteria as well as process for the identification / appointment of Directors of the Company. The Policy on Directors' appointment forms part of the Board's Report.

Nomination and Remuneration Committee works with the Board to determine the appropriate characteristics, skills, knowledge and experience for the Board as a whole and its individual Members with the objective of having a Board with diverse backgrounds and experience.

g) Shareholding of Non-Executive Directors

Smt. Bhavna Doshi, Independent Non-Executive Director holds 1900 Equity Shares of the Company jointly with her spouse. Apart from that, none of the other Non-Executive Directors hold any Shares of the Company.

h) Familiarisation Programme

The Company undertook various steps to make the Independent Directors full understanding about the Company. The Company, through presentations at regular intervals, familiarises and updates the Independent Directors with the strategy, operations and functions of the Company and the Power Industry as a whole. During the year, the Independent Directors were provided the opportunity to visit various plant sites of the Company, to enable them to have full understanding of the operations of the Company.

The details of such familiarization program have been disclosed on the Company's website at http://www.torrentpower.com/index.php/investors/policies.

3. AUDIT AND RISK MANAGEMENT COMMITTEE

a) Terms of Reference of the Committee

Major Terms of Reference of the Committee include overseeing the financial reporting process, review of the financial statements of the Company and the unlisted subsidiaries, ensuring compliance with the regulatory guidelines, review functioning of the Whistle Blower (Vigil) mechanism, review and approve related party transactions or any subsequent modification of transactions with related parties, scrutiny of inter-corporate loans and investments, review of internal audit reports, review procedures for risk assessment and minimization, criteria for omnibus approval, recommending appointment / re-appointment and remuneration of the auditors to the Board of Directors and review of adequacy and performance of auditors, internal control systems and internal audit function.

The above mentioned Terms of Reference of the Committee are in full compliance with the requirements of the Listing Regulations and the Act.

b) Composition and Committee Meetings

Composition of the Committee is in compliance with the provisions of the Listing Regulations and Section 177 of the Act.

The Committee meets at least once in a quarter and time elapsed between two meetings do not exceed 120 days. During the year under review, four meetings of the Committee were held on 23rd May, 2017, 1st August, 2017, 6th November, 2017 and 7th February, 2018.

Composition of the Committee as on 31st March, 2018 and details of attendance of the Members at the Committee Meetings during the year are given below:

Name of the Director	Category of Directorship	Qualification	No. of Meetings attended as a Member
Shri Keki Mistry, Chairperson	Independent Director	C.A., C.P.A. (USA)	3
Shri Samir Barua	Independent Director	M. Tech (IIT, Kanpur) in Industrial Engineering and Operations Research, Ph. D in Management (IIM, Ahmedabad)	4
Shri Kiran Karnik	Independent Director	Honours degree in Physics, Post Graduate from Indian Institute of Management, Ahmedabad	4
Smt. Bhavna Doshi	Independent Director	M. Com, C.A.	4
Ms. Dharmishta Raval	Independent Director	B. Sc., LL.M	3

During the Committee Meetings, the Committee discussed the matters relating to Internal Audit, the status of existing internal financial controls in the Company, the management response on observations raised by the Auditors and their satisfaction on the same.

Senior Executives of the Company, representatives of Statutory and Internal Auditors are invited to the Meetings of the Audit and Risk Management Committee. The Company Secretary and Compliance Officer acts as Secretary of the Committee. Shri Darshan Soni, Company Secretary and Whole-Time Key Managerial Personnel resigned w.e.f from closing hours of 3rd March, 2018. He was the compliance officer until then.

4. NOMINATION AND REMUNERATION COMMITTEE

a) Terms of Reference of the Committee

Major Terms of Reference of the Committee include, *inter-alia*, evaluating and recommending the composition of the Board of Directors and sub-committees thereof, formulating the criteria for determining qualification, positive attributes and independence of a director, identifying persons who are qualified to become directors and who may be appointed in Senior Management of the Company in accordance with criteria laid down and recommending the same to the Board for their appointment and removal, recommending a Policy to the Board relating to Remuneration for the Directors, Key Managerial Personnel and other employees, formulating a policy on Board Diversity of the Company, formulating criteria for performance evaluation of directors and the Board, carrying out evaluation of individual Directors and noting on recruitment and remuneration of senior officers just below the level of board.

The above mentioned Terms of Reference of the Committee are in full compliance with the requirements of Listing Regulations and the Act.

b) Composition and Committee Meetings

Composition of the Committee is in compliance with the provisions of Listing Regulations and Section 178 of the Act.

During FY 2017-18, two meetings of the Committee were held on 23rd May, 2017 and 7th February, 2018. Composition of the Committee as on 31st March, 2018 and details of attendance of the Members at the Committee Meetings during the year are given below:

Name of the Director	Category of Directorship	Chairperson / Member	No. of Meetings attended as a Member
Shri Kiran Karnik	Independent Director	Chairperson	2
Shri Pankaj Patel	Independent Director	Member	2
Ms. Dharmishta Raval	Independent Director	Member	1
Shri Sudhir Mehta	Managing Director	Member	2

c) Performance Evaluation Criteria for Independent Directors

The Criteria as well as process for evaluation of Independent Directors are given below:

Criteria

i. Fulfillment of functions

ii. Participation in Board in terms of adequacy (time & content).

iii. Contribution at Meetings.

iv. Guidance / support to management outside Board / Committee meetings.

v. Independent views and judgement (only for IDs)

Process

i. The Chairman / Vice Chairman of the Board to discuss self and peer evaluation on a One-on-One basis with each Director.

ii. The Chairman / Vice Chairman to consolidate the comments and give the feedback to individual Directors.

5. REMUNERATION OF DIRECTORS

a) Remuneration Policy

The Company has in place the policy relating to the remuneration of the Directors, Key Managerial Personnel and other employees of the Company. The detailed Remuneration Policy of the Company forms part of the Board's Report.

- **Executive Directors**

  The remuneration of Directors is approved by the shareholders at the General Meetings of the Company. The remuneration of the Executive Directors is recommended by the Nomination and Remuneration Committee, within the limits as prescribed under the Companies Act and as approved by the shareholders and the same is then ratified by the Board. Remuneration to the Executive Directors is paid by way of salary, perquisites and other benefits and performance incentives including Commission.

- **Non-Executive Directors**

  Non-Executive Directors are compensated for their services to the Company by way of commission and sitting fees. Shareholders have approved payment of commission to the Directors (other than Managing Directors or Whole-time Directors) within the limits laid down under the provisions of the Act. The Board of Directors thereof has been authorized in General Meeting to decide the commission to be paid to each such Director within such limits as may be applicable. The commission is determined on the basis of participation in the Board and Committee Meetings. The Board of Directors have also approved the payment of sitting fees to the Directors (other than Managing Directors or Whole-time Directors) pursuant to Section 197 (5) of the Act. The said criteria for remuneration of Non-Executive Directors are also available on the website of the Company, i.e. www.torrentpower.com.

b) **Details of remuneration paid to the Executive and Non-Executive Directors for FY 2017-18 are as under:**

(₹ in Lakhs)

Name of the Director	Sitting Fees	Salary & Perquisites#	Commission	Total
Shri Sudhir Mehta$	Nil	0.40	1000.00	1000.40
Shri Pankaj Patel	12.00	Nil	15.00	27.00
Shri Samir Barua	13.00	Nil	19.00	32.00
Shri Kiran Karnik	11.00	Nil	16.00	27.00
Shri Keki Mistry	7.00	Nil	12.00	19.00

6. STAKEHOLDERS RELATIONSHIP COMMITTEE

a) Terms of Reference of the Committee

The Stakeholders Relationship Committee considers and oversees resolution of the grievances of all the stakeholders and related requests received from them.

Powers to approve share transfers and related requests have been delegated by the Committee to senior officials of the Company for expeditious disposal of the shareholders requests and complaints.

The Terms of Reference of the Committee are in full compliance with the requirements of the Listing Regulations and the Act.

b) Composition and Committee Meetings

During the year under review, four Meetings of the Committee were held on 4th May, 2017, 11th July, 2017, 9th October, 2017 and 16th January, 2018. Composition of the Committee as on 31st March, 2018 and details of attendance of the Members at the Committee Meetings during the year are given below:

Name of the Director	Category of Directorship	Chairperson / Member	No. of meetings attended as a Member
Shri Pankaj Patel	Independent Director	Chairperson	4
Shri Samir Mehta	Managing Director	Member	4
Shri Markand Bhatt	Whole-time Director	Member	4

Shri Darshan Soni, Company Secretary and Whole-Time Key Managerial Personnel resigned w.e.f. closing hours of 3rd March, 2018. He was the compliance officer until then. Thereafter, all further stakeholders communications were to be addressed to Shri T. P. Vijayasarathy, Executive Director (Corporate Affairs & CFO) of the Company.

c) **Investor Grievance Redressal:**

The Company had received 22 complaints during the year under review and the same have been resolved to the satisfaction of the complainants within a reasonable period. No valid requests for share transfer, transmission etc. were pending beyond 15 days for processing as on 31st March, 2018.

7. GENERAL BODY MEETINGS

The last three Annual General Meetings of the Company were held as under:

Meeting	Date	Time	Venue	No. of Special Resolutions* passed
11th AGM	4th August, 2015	9.30 a.m.	J. B. Auditorium, Torrent-AMA Centre, Ahmedabad Management Association, Vastrapur, Ahmedabad-380015	1

*At all the above AGMs, Special Resolutions were passed by poll and by e-voting in accordance with the applicable provisions of Section 108 of the Act and rules made thereunder.

8. DISCLOSURES

a) **Legal Compliances**

The Company has formalised a system for legal compliances applicable to the Company. The Board periodically reviews compliance reports (of all laws applicable to the Company), prepared by the Company. Status of legal compliances and steps taken to rectify non-compliances, if any, are placed before the Board of Directors at its meetings.

There were no instances of material non-compliances during the year under review. No strictures or penalties were imposed on the Company by SEBI, Stock Exchanges or any statutory authority on any matter related to capital markets during the last three years.

b) **CEO / CFO Certification**

Shri Samir Mehta, Chairman and Shri T. P. Vijayasarathy, Executive Director (Corporate Affairs) & CFO of the Company have certified to the Board of Directors, *inter-alia*, the accuracy of financial statements and adequacy of internal controls for the financial reporting as required under Regulation 17(8) of Listing Regulations for the year ended 31st March, 2018. They also give quarterly certificate on financial results while placing the financial results before the Board in terms of Regulation 33 of Listing Regulations.

c) **Code of Business Conduct**

The Company has adopted a Code of Business Conduct based on the business principles of the Company. The Code of Business Conduct has also been posted on the website of the Company i.e. www.torrentpower.com. Pursuant to the senior management re-organisation announced by the Company; the Company has amended the Code of Business conduct and authorised Chairman/ Managing Director instead of Vice Chairman to sign the Certificate of Compliance with the Code of Business Conduct. In compliance with the Code, Directors and Senior Management of the Company have affirmed their compliance with the Code for the year under review. A declaration to this effect accordingly signed by the Chairman forms part of the Annual Report.

d) Whistle Blower Policy

The Company believes in the conduct of its affairs in a fair and transparent manner to foster professionalism, honesty, integrity and ethical behaviour. The Company is committed to developing a culture where it is safe for all the stakeholders to raise concerns about any misconduct or unacceptable practice.

The Company has adopted a Whistle Blower Policy through which the Company has institutionalised a mechanism for the Stakeholders to disclose their concerns and grievances on unethical behaviour and improper/ illegal practices and wrongful conduct taking place in the Company for appropriate action.

Protected Disclosures relating to financial matters are to be reported to the Chief Financial Officer (CFO) of the Company while those relating to the non-financial matters are to be reported to the Chief Executive Officer (CEO)/ Managing Director of the Company and where the Protected Disclosure involves a CFO or CEO or Director of the Company, such Protected Disclosure may be made by any Stakeholder directly to the Chairperson of the Audit Committee. Such Protected Disclosures can be made through a phone call, email or in writing.

Through this Policy, the Company provides necessary safeguards to all Whistle Blowers for making Protected Disclosures in Good Faith and any Stakeholder assisting the investigation.

During the year under review, no employee was denied access to the Audit Committee.

e) Policy on protection of women against Sexual Harassment at Work Place

The Company is committed to create a healthy & conducive working environment that enables women employees to work without fear of prejudice, gender bias and sexual harassment and/or any such orientation in implicit or explicit form. The Company considers sexual harassment as a gross misconduct. Pursuant to the provisions of "The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013" and rules made thereunder, the Company has adopted a "Policy on Protection of Women Against Sexual Harassment at Work Place". Through this Policy, the Company seeks to provide protection to its women employees against sexual harassment at work place and thereby provide mechanism for redressal of complaints relating to matters connected therewith or incidental thereto.

Pursuant to the Policy, the Company has formed Internal Complaints Committee, with majority women Members, at each administrative unit / office of the Company. During the year, no case was reported under the purview of the said Policy.

f) Related Party Transactions

The Company has formulated Related Party Transaction Policy, which is in compliance with the provisions of the Act and Listing Regulations. The policy can be accessed on the website of the Company at the web link: http://www.torrentpower.com/index.php/investors/policies.

During the year, the Company has not entered into any transaction with the related parties which are material in nature. Adequate care was taken to ensure that there is no potential conflict of interest in related party transactions. All the related party contracts/ arrangements and transactions are entered into by the Company on arm's length basis and are put forth for the approval of the Audit and Risk Management Committee, Board and shareholders, as applicable, in compliance with the said policy. Omnibus approval from the Audit and Risk Management Committee has been obtained for the transactions which are foreseen/unforeseen, repetitive in nature and within the prescribed limit. Statement of all Related Party Transactions is being presented before the Audit and Risk Management Committee for its review on quarterly basis, specifying the nature, value and terms and conditions of the transactions.

The particulars of contracts/arrangements and transactions entered into by the Company with related parties are set out in Notes to the Financial Statements forming part of this Annual Report.

g) Material Subsidiary Policy

The Company has formulated a Policy for determining "Material Subsidiary" and the same is available on the Company's website at the weblink http://www.torrentpower.com/index.php/investors/policies.

h) Code of Conduct to Regulate, Monitor and Report Trading by Insiders

In pursuance to the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, the Company had adopted the Code of Conduct to regulate, monitor, and report trading by the employees, insiders and connected person(s) ("the code") to protect the interest of investors. The said code was amended in the Board Meeting held on 7th February, 2018. The amended code is available on the website of the Company at http://www.torrentpower.com/index.php/investors/policies.

i) Policy for determining Materiality for Disclosure

Pursuant to Listing Regulations, the Company had adopted the Policy for determination of Material Events or Information in order to make prompt disclosure of Material Events or information to the Stock Exchanges in the interest of investors. The criteria for determination of Materiality of Events or Information has been revised by the Company in its meeting held on 29th May, 2018. The ammended policy is available on the website of the Company at http://www.torrentpower.com/index.php/investors/policies.

j) Disclosure of commodity price risk and commodity hedging activities

The Company's Cables Unit faces commodity price risk in aluminium and copper as these metals contribute approx. 52% of the total cost of production of cables. The Company's Cables Unit as a policy hedges against copper price fluctuations with regards to the large orders, if any.

k) Compliance with all the mandatory requirements of Corporate Governance

The Company has complied with all the mandatory requirements of Corporate Governance applicable to the Company. Additionally, the Company has adopted Risk Management functions for better Corporate Governance practices and has in place "Audit and Risk Management Committee". The discretionary requirements complied with are disclosed below:

- **Audit Qualification**

  Company's financial statements are unqualified.

- **Reporting of Internal Auditors**

  The Internal Auditors give quarterly presentation on their audit observations to the Audit and Risk Management Committee.

l) Disclosure of Compliance with Corporate Governance

The Company has complied with the Corporate Governance requirements specified in Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Listing Regulations.

9. MEANS OF COMMUNICATION

During the year, quarterly Unaudited Financial Results with limited review report and annual Audited Financial Results of the Company with Auditors' Report thereon were submitted to the Stock Exchanges upon their approval by the Board of Directors. The Company publishes its Financial Results in two English daily newspapers having nationwide circulation i.e. Indian Express and Financial Express and in one regional newspaper i.e. Financial Express (Gujarati edition). The Company's website: www.torrentpower.com also displays the official news releases of relevance and presentations for investors, in addition to the Financial Results.

The Company will be sending soft copies of Annual Report for FY 2017-18 to those members whose email IDs are registered with the Depository Participants (DPs) and / or with the Company's Registrar and Share Transfer Agent, unless they have opted for a physical copy, to support the "Green Initiative in Corporate Governance", an initiative taken by the Ministry of Corporate Affairs.

For and on behalf of the Board

Ahmedabad
29th May, 2018

Jinal Mehta
Managing Director

CERTIFICATE OF COMPLIANCE WITH THE CODE OF BUSINESS CONDUCT

To,

The Members,

Torrent Power Limited

Torrent Power Limited has in place a Code of Business Conduct (the “Code”) for its Board of Directors, Senior Management Personnel and other employees of the Company. I report that the Board of Directors have received affirmation on compliance with the Code from the Members of the Board and Senior Management of the Company for the year under review.

Ahmedabad	**Samir Mehta**
29th May, 2018	Chairman

Standalone Financial Statements 2017-18

INDEPENDENT AUDITORS' REPORT ON STANDALONE FINANCIAL STATEMENTS

TO THE MEMBERS OF

TORRENT POWER LIMITED

Report on the Standalone Indian Accounting Standards (Ind AS) Financial Statements

1. We have audited the accompanying standalone financial statements of **TORRENT POWER LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements to give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

5. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its total comprehensive income (comprising of profit and other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Other Matter

9. The standalone Ind AS financial statements of the Company for the year ended 31st March, 2017, were audited by another firm of chartered accountants under the Companies Act, 2013 who, vide their report dated 23rd May, 2017, expressed an unmodified opinion on those standalone Ind AS financial statements. Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act ("the Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order.

11. As required by Section 143 (3) of the Act, we report that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

    c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

    d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

    f) With respect to the adequacy of the internal financial controls with reference to standalone Ind AS financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.

    g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:

        i. The Company has disclosed the impact of pending litigations as at 31st March, 2018 on its financial position in its standalone Ind AS financial statements – Refer Notes 31 and 43.

        ii. The Company has long-term contracts as at 31st March, 2018 for which there were no material foreseeable losses. The Company did not have any derivative contracts as at 31st March, 2018.

        iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2018.

        iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended 31st March, 2018.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 11 (f) of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements for the year ended 31st March, 2018

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of **TORRENT POWER LIMITED** ("the Company") as of 31st March, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT (Contd.)

Referred to in paragraph 11 (f) of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements for the year ended 31st March, 2018

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10 of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements as of and for the year ended 31st March, 2018

i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.

(b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. As regards underground distribution systems, we have been informed that the same are not physically verifiable.

(c) The title deeds of immovable properties, as disclosed in Note 4 on Property, plant and Equipment and Note 11 on Other non-current assets to the financial statements, are held in the name of the Company or in the names of the companies which got amalgamated into the Company through various schemes approved by the courts in earlier years.

ii. The physical verification of inventory has been conducted at reasonable intervals by the Management during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not material.

iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.

iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.

v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.

vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, goods and service tax (with effect from 1st July, 2017) and other material statutory dues, as applicable, with the appropriate authorities.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT (Contd.)

Referred to in paragraph 10 of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements as of and for the year ended 31st March, 2018

(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of service-tax which have not been deposited on account of any dispute. The particulars of dues of income tax, sales tax, duty of customs, duty of excise and value added tax as at 31st March, 2018 which have not been deposited on account of a dispute, are as follows:

Name of Statute	Nature of dues	Amount involved (₹ in Crore)	Amount Unpaid (₹ in Crore)	Period to which the amount relates (Financial year)	Forum where the dispute is pending
Customs Act, 1962	Differential Custom duty	37.00	18.50	2012-13	Central Excise and Service Tax Appellate Tribunal
Central Excise Act, 1944	Excise duty	0.17	0.17	1989-90	Central Excise and Service Tax Appellate Tribunal
Kerala General Sales Tax Act, 1963	Sales Tax on Works Contracts	0.20	0.20	2001-02	Sales Tax Appellate Tribunal, Calicut
Andhra Pradesh General Sales Tax Act, 1957	Sales Tax on Works Contracts	0.29	0.29	1993-94 & 1994-95	Andhra Pradesh High Court, Hyderabad
Tamil Nadu General Sales Tax Act, 1959	Sales Tax on Works Contracts	0.47	0.47	1989-90 & 1990-91	Asst. Commissioner of Commercial Tax, Tuticorin
Gujarat Value Added Tax Act, 2004	Value Added Tax	0.17	0.14	2011-12	Joint Commissioner of Commercial Tax (Appeal)
		2.15	1.63	2009-10 & 2010-11	GVAT Tribunal
		0.27	0.27	2007-08	GVAT Tribunal
		0.51	0.51	2008-09	GVAT Tribunal
Gujarat Sales Tax Act, 1969	Sales tax	4.29	4.29	2002-03 & 2003-04	Joint Commissioner of Commercial Tax (Appeal)
Central Sales Tax Act, 1956	Central Sales Tax	3.15	2.51	2008-09, 2009-10, 2010-11, 2011-12 & 2012-13	Sales tax Tribunal
Income Tax Act, 1961	Income Tax	0.03	0.03	2003-04	Income Tax Appellate Tribunal
		6.16	3.42	2010-11, 2013-14 & 2014-15	CIT Appeals

viii. According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.

ix. In our opinion, and according to the information and explanations given to us, the moneys raised by way of term loans have been applied for the purposes for which they were obtained. The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments).

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT (Contd.)

Referred to in paragraph 10 of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements as of and for the year ended 31st March, 2018

x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.

xi. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.

xv. The Company has not entered into any non cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.

xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

NOTE 1A: GENERAL INFORMATION

Torrent Power Limited ("the Company") is a public company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India. Its equity shares are listed on BSE Ltd. and National Stock Exchange Ltd. in India. The registered office of the Company is located at "Samanvay", 600, Tapovan, Ambawadi, Ahmedabad – 380 015.

The Company is an integrated power utility and is engaged in the business of generation, transmission and distribution of power and manufactures and sales of Cables.

NOTE 1B: NEW STANDARDS OR INTERPRETATIONS ADOPTED BY THE COMPANY

The Company has applied the following amendment for the first time for its annual reporting period commencing 1st April, 2017:

Amendment to Ind AS - 7 "Statement of Cash Flows"

The amendment to Ind AS - 7 requires the entities to provide disclosures that enable users of standalone financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The adoption of these amendments did not have any impact on the amounts recognised in prior periods. When the Company first applies these amendments, it is not required to provide comparative information for preceding periods.

NOTE 1C: NEW STANDARDS OR INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE

The Company will apply the following standard for the first time for its annual reporting period commencing 1st April, 2018:

Ind AS - 115 "Revenue from Contracts with Customers"

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 on 28th March 2018 which includes Ind AS - 115 "Revenue from Contracts with Customers". This will replace Ind AS 18 which covers contracts for goods and services and Ind AS - 11 which covers construction contracts.

Ind AS - 115 "Revenue from contracts with Customers" outlines a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. The standard replaces most current revenue recognition guidance. The core principle of the new standard is for companies to recognize revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration to which the Company expects to be entitled in exchange for those goods or services. The new standard also will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively including service revenues and contract modifications and improve guidance for multiple-element arrangements. The new standard will come into effect for the annual reporting periods beginning on or after 1st April, 2018. The standard permits either a full retrospective or a modified retrospective approach for the adoption.

In order to identify the potential impact of the standard on the Company's financial statements, the Company is analysing contracts of the revenue streams of the Company. The Company has begun the analysis on the key areas identified, in order to estimate the effect of the application of the new standard for which the work is ongoing and impact areas may be identified as the Company progresses further in the implementation process. As a result, at this stage the Company is not able to estimate the impact of the new standard on the Company's financial statements. The Company will make more detailed assessments of the impact over the future periods.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation:

Compliance with Ind AS

The financial statements are in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and rules made thereunder.

As prescribed by the Ind AS, if the particular Ind AS is not in conformity with the applicable laws, the provisions of the said law shall prevail and financial statements shall be prepared in conformity with such laws. Consequently, the Company has applied this norm while preparing the financial statements.

Historical cost convention

The financial statements have been prepared on an accrual basis under the historical cost convention except for following which have been measured at fair value;

- Derivative instruments
- Defined benefit plan assets

All assets and liabilities have been classified as current or non-current as set out in the Schedule III (Division II) to the Companies Act, 2013

2.2 Business combinations and Goodwill:

Business combination - acquisition

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred, liabilities incurred to the former owners of the acquiree and the equity interests issued by the Company in exchange for control of the acquiree.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Business combination - common control transaction

Business combinations involving entities that are controlled by the Company are accounted for using the pooling of interests method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- The identity of the reserves are preserved and the reserves of the transferor become the reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

Business combination-related costs are generally recognised in statement of profit and loss as incurred.

Goodwill

Goodwill on acquisitions of subsidiaries, associates and joint ventures is included in intangible assets. Goodwill is not amortised but is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to such entity.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units that are expected to benefit from the business combination in which the goodwill arose.

2.3 Investments in subsidiaries, joint ventures and associates:

Investments in associates, joint ventures and subsidiaries are measured at cost less provision for impairment, if any.

2.4 Government grants:

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all the attached conditions.

Government grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Government grants relating to purchase of property, plant and equipment whose primary condition is that the Company should purchase, construct or otherwise acquire property, plant and equipment are recognised as deferred revenue in the balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

2.5 Property, plant and equipment:

Tangible fixed assets

Freehold land is carried at historical cost. All other items of property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, except that on adoption of Ind AS, property, plant and equipment had been measured at deemed cost, using the net carrying value as per previous GAAP as at 1st April, 2015.

Capital work in progress in the course of construction for production, supply or administrative purposes is carried at cost, less any recognised impairment loss. Cost includes purchase price, taxes and duties, labour cost and other directly attributable costs incurred upto the date the asset is ready for its intended use. Such property, plant and equipment are classified to the appropriate categories when completed and ready for intended use.

Subsequent cost are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Subsequent costs relating to day to day servicing of the item are not recognised in the carrying amount of an item of property, plant and equipment; rather, these costs are recognised in profit or loss as incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are ready for their intended use. Depreciation for the year is provided on additions / deductions of the assets during the period from / up to the month in which the asset is added / deducted. Depreciation on tangible assets which are governed as per the provisions of Part B of Schedule II of the Companies Act, 2013 is provided on straight line basis (other than Agra Franchisee Business for which it is provided on written down value basis) using the depreciation rates, the methodology and residual value as notified by the respective regulatory bodies in accordance with the Electricity Act, 2003. For other tangible assets in non-regulated business, depreciation is provided on a straight line basis over the estimated useful lives.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period in respect of tangible assets of non-regulated business. The effect of any such change in estimate in this regard being accounted for on a prospective basis.

The range of depreciation rates of property, plant and equipment are as follows:

Class of assets	Rate of depreciation		
	Regulated business	Franchisee business@	Other business
Buildings	1.80% to 6.00%	3.02% to 7.84%	1.18% to 31.67%
Railway siding	1.80% to 5.28%	-	-
Plant and machinery	1.80% to 18.00%	5.27% to 33.40%	12.66%
Electrical fittings and apparatus	3.60% to 6.33%	6.33% to 12.77%	9.50%
Furniture and fixtures	5.28% to 6.33%	6.33% to 12.77%	9.50%
Vehicles	6.00% to 18.00%	9.50% to 33.40%	9.50% to 11.88%
Office equipment	5.28% to 15.00%	6.33% to 33.40%	6.33% to 31.67%

@governed by the applicable regulations of UPERC / MERC for this purpose.

2.6 Investment properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from its current use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Investment properties, other than free hold land, are depreciated using straight line method over their estimated useful lives.

2.7 Intangible assets - acquired:

Computer software is carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over its estimated useful life of 3 years. The estimated useful life and amortisation method are reviewed at the end of each reporting period and the effect of any changes in such estimate being accounted for on a prospective basis.

Expenditure incurred on acquisition of intangible assets which are not ready to use at the reporting date is disclosed under "Intangible assets under development".

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

2.8 Impairment of tangible and intangible assets other than goodwill:

Tangible and intangible assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's fair value less costs of disposal and value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit. An impairment loss is recognised immediately in profit or loss.

2.9 Borrowing costs:

Borrowing costs that are directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, such as new projects and / or specific assets created in the existing business, are capitalized up to the date of completion and ready for their intended use.

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are charged to the statement of profit and loss in the period of their accrual.

2.10 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, cheques / drafts on hand, current account balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

2.11 Inventories:

Raw materials, fuel, stores and spares, packing materials, loose tools, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of inventories includes all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.12 Revenue recognition:

Revenue is recognized, when the products are delivered or services are rendered to consumers and when no significant uncertainty as to the measurability or collectability exists. Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for discounts and other similar allowances.

(i) Revenue from power supply and transmission charges are accounted for on the basis of billings to consumers and Central transmission utility respectively in accordance with tariff orders issued by the respective regulatory commissions. Revenue recognized in excess of billing has been reflected under "other financial assets" as unbilled revenue.

Further, in view of the uncertainties involved in the recoverability, the quarterly Fuel and Power Purchase Price Adjustment ("FPPPA") claims are accounted for as and when allowed by the regulatory authorities and truing up adjustments claims are accounted for as and when billed to the consumers. [Refer note 3.1(i)]

(ii) Sales of cables and surplus fuel (RLNG) are recognised, net of returns and rebates, on transfer of significant risks and rewards of ownership to the buyer. Sales includes excise duty but excludes sales-tax, value added tax and Goods and service tax.

(iii) Gross proceeds from sale of Certified Emission Reduction certificates (CERs) are recognized when all the significant risks and rewards of ownership of CERs have been passed to the buyer, usually on delivery of the CERs.

(iv) Income from Generation Based Incentive is accounted on accrual basis considering eligibility of project for availing incentive.

(v) Dividend is accounted when the right to receive payment is established.

(vi) Interest income from financial assets is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Interest on overdue receivables of energy bills and claims including insurance claims, coal cost variation and other claims etc. are accounted as and when recovered.

(vii) Contributions by consumers towards items of property, plant and equipment, which require an obligation to provide electricity connectivity to the consumers, are recognised as a credit to deferred revenue. Such revenue is recognised over the useful life of the property, plant and equipment.

2.13 Foreign currency translation:

Functional and presentation currency

The financial statements are prepared in Indian rupee (INR) which is functional as well as presentation currency of the Company.

Transactions and balances

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange differences arising on settlement of monetary items or on reporting the Company's monetary items at rates different from those at which they were initially recorded during the financial year are recognized as income or expense in the financial year in which they arise.

The exchange differences relating to long term foreign currency monetary items, recognised in the financial statement upto 31st March, 2016, in so far as they relate to acquisition of depreciable capital assets is adjusted to the cost of such capital asset and depreciated over the balance useful life of such asset.

2.14 Employee benefits:

Defined contribution plans

Contributions to retirement benefit plans in the form of provident fund, employee state insurance scheme and superannuation schemes as per regulations are charged as an expense on an accrual basis when employees have rendered the service. The Company has no further payment obligations once the contributions have been paid.

Defined benefits plans

The liability or asset recognised in the balance sheet in respect of the retirement benefit plan i.e. gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated by an actuary using projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximately to the terms of the related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of the plan assets. This cost is included in the employee benefit expense in the statement of profit and loss.

Remeasurements, comprising actuarial gains and losses and the effect of the changes to the asset ceiling (if applicable), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur and consequently recognised in retained earnings and is not reclassified to profit or loss.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The said obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

2.15 Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on estimated taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and revises the provisions, if so required where consider necessary.

Advance taxes and provisions for current income taxes are offset with each other when there is a legally enforceable right to offset and balances arise with the same tax authority.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

2.16 Earnings per share:

Basic earnings per share is computed by dividing the profit / (loss) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by adjusting the figures used in the determination of basic EPS to take into account:

- After tax effect of interest and other financing costs associated with dilutive potential equity shares.
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.17 Provisions, contingent liabilities and contingent assets:

Provisions

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liability

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the enterprise are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognised but disclosed only when an inflow of economic benefits is probable.

2.18 Financial instruments:

Financial assets

i) Classification of financial assets (including debt instruments)

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

ii) Initial measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets at fair value through profit or loss are recognised immediately in profit or loss.

iii) Subsequent measurement

There are three measurement categories into which the debt instruments can be classified:

- **Amortised cost**

  Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Fair value through other comprehensive income (FVOCI)**

  Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains and losses and impairment expenses in other expenses.

- **Fair value through profit or loss (FVTPL)**

  Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains / (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

iv) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18 only, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109 i.e. expected credit loss allowance as computed based on historical credit loss experience.

v) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset

When the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of financial asset, the financial asset is derecognised if the Company has not retained control over the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings.

i) Classification

All the Company's financial liabilities, except for financial liabilities at fair value through profit or loss, are measured at amortized cost.

ii) Initial measurement

Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities (other than financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial liabilities, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

iii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate Method.

The Effective Interest Rate Method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

iv) Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or waived off or have expired. An exchange between the Company and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

2.19 Contributed equity:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Transaction costs of an equity transaction shall be accounted for in other equity.

2.20 Leases:

Leases (including lease arrangements for land) are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating lease (The Company as lessee): Lease payments under an operating lease are recognized as expense in the statement of profit and loss, on a straight-line or other systematic basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Lessor's expected inflationary cost increases, such increases are recognised in the year in which such liability accrues.

2.21 Rounding of amounts:

All amounts disclosed in the financial statements and notes have been presented in crore rounded to two decimals as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated. Figures below ₹50,000 are denoted by '*'.

NOTE 3: CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the course of applying the policies outlined in all notes under note 2 above, the management of the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Such estimates and associated assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

3.1 Regulatory matters:

(i) Regulatory deferral accounts

Ind AS - 114 “Regulatory Deferral Accounts” permits the Company to apply the requirements of this standard in its first Ind AS financial statements if and only if it conducts rate-regulated activities and recognised amounts that qualify as regulatory deferral account balances in its financial statements in accordance with its previous GAAP(i.e. for the year ended 31st March, 2016). As the Company had consistently elected not to recognise the regulatory deferral balances in its previous GAAP, the requirement of IND AS - 114 does not apply to the Company.

3.2 Property, plant and equipment:

(i) Service concession arrangements

The Company has assessed applicability of Appendix A of Ind AS - 11 “Service Concession Arrangements” with respect to its distribution and transmission assets portfolio. In assessing the applicability, the Company has exercised judgment in relation to the provisions of the Electricity Act, 2003, transmission / distribution license and / or agreements. Based on such assessment, it has concluded that Appendix A of Ind AS - 11 is not applicable.

(ii) Impairment of property plant and equipment

At the end of each reporting period, the Company reviews the carrying amounts of its property, plant and equipment to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount of property plant and equipment is the higher of its fair value less costs of disposal and value in use. Value in use is usually determined on the basis of discounted estimated future cash flows. This involves management estimates on anticipated PLF, fuel availability at economical rates, economic and regulatory environment, discount rates and other factors. Any subsequent changes to cash flow due to changes in the above mentioned factors could impact the carrying value of assets.

3.3 Impairment of financial assets:

(i) Trade receivables

The Company estimates the credit allowance as per practical expedient based on historical credit loss experience as enumerated in note 56.

(ii) Impairment of investments

At the end of each reporting period, the Company reviews the carrying amounts of its investments when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

3.4 Taxation:

(i) Current tax

The Company has treated certain expenditure as being deductible for tax purposes. However, the tax legislation in relation to such expenditure is not clear and the Company has applied their judgement and interpretation for the purpose taking their tax position.

(ii) Deferred tax assets

Deferred tax assets are recognised for unused tax losses / credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

3.5 Contingencies:

Contingent liabilities

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management decides whether the matters needs to be classified as 'remote', 'possible' or 'probable' based on expert advice, past judgements, experiences etc.

3.6 Employee benefit plans:

Defined benefit plans and other long-term employee benefits

The present value of obligations under defined benefit plan and other long term employment benefits is determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary escalations, attrition rate and mortality rates etc. Due to the complexities involved in the valuation and its long term nature, these obligations are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

	480.62	480.62

1. Reconciliation of the shares outstanding at the beginning and at the end of the reporting year :

	No. of shares As at 31st March, 2018	No. of shares As at 31st March, 2017
At the beginning of the year	48,06,16,784	48,06,16,784
Issued during the year	-	-
Outstanding at the end of the year	48,06,16,784	48,06,16,784

2. 25,74,22,311 equity shares (25,74,22,311 equity shares as at 31st March, 2017) of ₹10 each fully paid up are held by the Parent Company - Torrent Private Limited.

3. Terms / Rights attached to equity shares :

   The Company has only one class of equity shares having par value of ₹10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees.The dividend,if any, proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

   In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

4. Details of shareholders holding more than 5% shares in the Company :

Name of the Shareholder	As at 31st March, 2018		As at 31st March, 2017	
	No. of shares	% holding	No. of shares	% holding
Torrent Private Limited	25,74,22,311	53.56%	25,74,22,311	53.56%
Gujarat State Investment Limited	4,68,71,621	9.75%	4,68,71,621	9.75%
Life Insurance Corporation of India	2,83,83,394	5.91%	2,98,86,827	6.22%

5. Aggregate number of equity shares allotted as fully paid up pursuant to contract(s) without payment being received in cash:

   During FY 2015-16, the Company has allotted 81,68,476 equity shares of ₹10 each at par to the shareholders of Torrent Cables Limited pursuant to the scheme of amalgamation of Torrent Energy Limited and Torrent Cables Limited with Torrent Power Limited as approved by the Hon'ble Gujarat High Court vide its order dated 13th August, 2015.

6. Distributions made and proposed:

   The amount of per share dividend distributed to equity shareholders during the year ended 31st March, 2018 is ₹2.20 (Previous year- ₹Nil) per equity share, being the final dividend declared for the year ended 31st March, 2017.

   The Board of Directors at its meeting held on 29th May, 2018 have recommended a dividend of 50.00% (₹5.00 per equity share of par value ₹10 each).The proposal is subject to the approval of shareholders at the ensuing Annual General Meeting and if approved, would result in a cash outflow of approximately ₹289.71 Crore (inclusive of dividend distribution tax of ₹49.40 Crore).

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

NOTE 21 : OTHER EQUITY

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Reserves and surplus		
Securities premium reserve	0.03	0.03
Debenture redemption reserve	163.68	129.46
Contingency reserve	7.95	6.24
Special reserve	78.07	78.07
General reserve	3,583.89	3,583.89
Retained earnings	3,378.45	2,606.17
	7,212.07	6,403.86

Footnotes:

1. Securities premium reserve:

   Securities premium reserve reflects issuance of the shares by the Company at a premium, whether for cash or otherwise i.e. a sum equal to the aggregate amount of the premium received on shares is transferred to a "securities premium account" as per the provisions of the Companies Act, 2013. The reserve is utilised in accordance with the provisions of the Act.

2. Debenture redemption reserve:

   The Company has issued redeemable non-convertible debentures. Consequently, the Company is required under the Companies (Share capital and Debentures) Rules, 2014 (as amended), to create Debenture redemption reserve (DRR), equal to 25% of the value of debentures, out of profits of the Company available for payment of dividend. The Company creates DRR, for the required amount, over the tenure of the debentures, before redemption begins.

3. Contingency reserve:

   As per the provisions of GERC MYT Regulations read with Tariff orders passed by GERC, the Company being a Distribution Licensee makes an appropriation to the contingency reserve to meet with certain exigencies. Investments in Bonds issued by Government of India have been made against such reserve.

4. Special reserve:

   As per MYT Regulations (2007), the Company has created a reserve in FY 2011-12 and FY 2012-13, which represents one third amount of controllable gain shall be retained in a special reserve by the Generating Company or Licensee for the purpose of absorbing the impact of any future losses on account of controllable factors.

5. General reserve:

   General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. The general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

6. Retained earnings:

   The retained earnings reflect the profit of the Company earned till date net of appropriations. The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the balance in this reserve, after considering the requirements of the Companies Act, 2013.

Allowance / impairment for non-current investments	11.47	10.00
Bad debts written off (net)	3.32	14.37
Allowance for doubtful advances	-	3.74
Allowance for doubtful debts (net)	6.45	(0.26)
Miscellaneous expenses	117.37	105.85
	947.01	852.72
Less: Allocated to capital works, repairs and other relevant revenue accounts	78.74	87.57
	868.27	765.15

NOTE 41: INCOME TAX EXPENSES

(a) Income tax expense recognised in statement of profit and loss

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
Current tax		
Current tax on profits for the year	308.42	128.30
Adjustment for current tax of prior periods	(4.82)	(6.35)
	303.60	121.95
Deferred tax (other than disclosed under OCI)		
Decrease / (increase) in deferred tax assets	(110.87)	(158.09)
(Decrease) / increase in deferred tax liabilities	261.06	187.72
	150.19	29.63
Income tax expense attributable to continuing operations	453.79	151.58

(b) Reconciliation of current tax

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
Profit before tax	1,375.53	583.94
Expected income tax expense calculated using tax rate at 34.608% (Previous year - 34.608%)	476.04	202.09
Adjustment to reconcile expected income tax expense to reported income tax expense:		
Effect of:		
Expenditure not deductible under Income Tax Act	22.30	13.85
Income not taxable under Income Tax Act	(2.30)	(1.61)
Tax incentives	0.47	(89.11)
Unabsorbed depreciation / tax credits and other items	(57.23)	32.71
Impact of enacted income tax rate on deferred tax balance	19.33	-
Total	458.61	157.93
Adjustment for current tax of prior periods	(4.82)	(6.35)
Total expense as per statement of profit and loss	453.79	151.58

The tax rate used for the reconciliations given above is the actual / enacted corporate tax rate payable by corporate entities in India on taxable profits under the Indian tax law.

(c) Income tax recognised in other comprehensive income

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
Deferred tax		
Re-measurement of defined benefit obligation (Items that will not be reclassified to profit or loss)	20.49	(9.73)
Income tax expense / (income) recognised in other comprehensive income	7.16	(3.37)

NOTE 41: INCOME TAX EXPENSES (Contd.)

(d) Deferred tax balances

(1) The following is the analysis of deferred tax assets / (liabilities) presented in the balance sheet

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Deferred tax assets	606.40	502.69
Deferred tax liabilities	(2,076.14)	(1,815.08)
	(1,469.74)	(1,312.39)

(2) Movement of deferred tax assets / (liabilities)

Deferred tax assets / (liabilities) in relation to the year ended 31st March, 2018

(₹ in Crore)

	Opening balance	Recognised in profit or loss	Recognised in OCI	Closing balance
Property, plant and equipment	(1,810.58)	(254.01)	-	(2,064.59)
Expense allowable for tax purposes when paid	58.27	7.18	(7.16)	58.29
Tax effect on fair value change in financial instruments and unamortised cost	(4.50)	(7.05)	-	(11.55)
Unabsorbed depreciation / Minimum Alternate Tax (MAT) credit entitlement	444.42	103.69	-	548.11
	(1,312.39)	(150.19)	(7.16)	(1,469.74)

Deferred tax assets / (liabilities) in relation to the year ended 31st March, 2017

(₹ in Crore)

	Opening balance	Recognised in profit or loss	Recognised in OCI	Closing balance
Property, plant and equipment	(1,620.80)	(189.78)	-	(1,810.58)
Expense allowable for tax purposes when paid	31.31	23.59	3.37	58.27
Tax effect on fair value change in financial instruments and unamortised cost	(6.56)	2.06	-	(4.50)
Unabsorbed depreciation / Minimum Alternate Tax (MAT) credit entitlement	309.92	134.50	-	444.42
	(1,286.13)	(29.63)	3.37	(1,312.39)

(3) Unrecognised deferred tax assets

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Unused tax losses	146.01	39.74
Unused tax credits	807.99	1,056.24
	954.00	1,095.98

NOTE 42: DEFERRED REVENUE

(a) Contribution received from consumers

(1) Nature of contribution received from consumers

Contributions received from consumers towards the item of property, plant and equipment (PP&E) has been recognised as deferred revenue.

(2) Movement of contribution received from consumers

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Opening balance	845.50	776.08
Add: Contribution received during the year	120.52	117.87
Less: Amortisation of contribution transferred to statement of profit and loss [Refer note 33]	(53.84)	(48.45)
Closing balance	912.18	845.50
Non-current portion [Refer note 26]	853.84	793.68
Current portion [Refer note 30]	58.34	51.82
	912.18	845.50

(b) Government grant

(1) Nature of government grant

Ministry of Power, Government of India (GoI), had introduced the Accelerated Power Development & Reforms Programme (APDRP) to achieve reduction in AT&C losses, to strengthen the T&D network and to ensure reliable and quality power supply with adequate consumer satisfaction. The projects approved for financing under the programme are eligible for a grant and soft loan each equivalent to 25% of the project cost from the GoI. The Balance 50% was required to be funded by the Company. There are no unfulfilled conditions or other contingencies attached to these grants.

(2) Movement of government grant

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Opening balance	29.73	32.44
Add: Grants during the year	-	-
Less: Amortisation of grant transferred to statement of profit and loss [Refer note 33]	(2.71)	(2.71)
Closing balance	27.02	29.73
Non-current portion [Refer note 26]	24.31	27.02
Current portion [Refer note 30]	2.71	2.71
	27.02	29.73

Latur Renewables Private Limited	278.64	-	278.64	-
			618.19	54.89

1. Other than above, the Company has not given any loans or advances in the nature of loan to any of its subsidiaries and associates or firms / companies, in which Directors are interested.
2. The above loans were given to the subsidiaries for their normal business activities.

The Company is engaged in the business of providing infrastructural facilities as per Section 186 (11) of the Act. Accordingly, disclosure under Section 186 (4) of the Act, is not applicable to the Company.

NOTE 45: MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT ACT, 2006 (MSMED ACT, 2006)

Micro and small enterprises under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act, 2006) have been determined based on the information available with the Company and the required disclosures are given below:

(₹ in Crore)

		As at 31st March, 2018	As at 31st March, 2017
(a)	Principal amount remaining unpaid	18.34	7.06
(b)	Interest due thereon	0.03	0.01
(c)	The amount of interest paid along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	0.04	-
(d)	The amount of interest due and payable for the year (where the principal has been paid but interest under the MSMED Act, 2006 not paid)	*	*
(e)	The amount of interest accrued and remaining unpaid	-	0.01
(f)	The amount of further interest due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23.	-	-

NOTE 46: OPERATING LEASE

The Company's significant leasing arrangements, other than land, are in respect of residential flats, office premises, plant and machinery and equipment taken on lease. The arrangements range between 11 months and 10 years generally and are usually renewable by mutual consent on mutually agreeable terms. Under these arrangements, generally refundable interest free deposits have been given. The Company has not entered into any material financial lease. The Company does not have any non-cancellable lease.

Leasing arrangements with respect to land range between 25 years to 99 years.

NOTE 47: EMLOYEE BENEFIT PLANS

47.1 Defined contribution plan:

The Company operates defined contribution retirement benefit plans for all qualifying employees.

The Company's contribution to provident fund, superannuation fund and employee state insurance scheme are determined under the relevant schemes and / or statute and charged to the statement of profit or loss.

The Company's contribution to provident fund and superannuation fund aggregating to ₹33.48 Crore (Previous year - ₹31.44 Crore) has been recognised in the statement of profit and loss under the head employee benefits expense [Refer note 37].

47.2 Defined benefit plans:

(a) **Gratuity**

The Company operates a gratuity plan covering all its employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. The gratuity benefits payable to the employees are based on the employee's service and drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company. In case of death while in service, the gratuity is payable irrespective of vesting.

The Company makes annual contribution to the gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund. The liability in respect of plan is determined on the basis of an actuarial valuation.

NOTE 47: EMLOYEE BENEFIT PLANS (Contd.)

(b) **Risk exposure to defined benefit plans**

The plans typically expose the Company to actuarial risks such as: asset volatility, interest rate risk, longevity risk and salary risk as described below :

Asset volatility

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on Indian government securities; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out at 31st March, 2018. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

(c) **Significant assumptions**

The principal assumptions used for the purposes of the actuarial valuations were as follows.

	As at 31st March, 2018	As at 31st March, 2017
Discount rate	7.78%	7.20%
Salary escalation rate	8.50%	8.50%

(d) **The amount included in the balance sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:**

Balances of defined benefit plan

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Present value of funded defined benefit obligation	239.17	236.58
Fair value of plan assets	228.13	206.31
Net (asset) / liability [Refer note 25 and 31]	11.04	30.27

NOTE 47: EMLOYEE BENEFIT PLANS (Contd.)

(e) **Expenses recognised for defined benefit plan and movement of plan assets and liabilities**

Following is the amount recognised in statement of profit and loss, other comprehensive income, movement in defined benefit liability and movement in plan assets:

(₹ in Crore)

		Funded plan - Gratuity	
		As at 31st March, 2018	As at 31st March, 2017
(1)	**Movements in the present value of the defined benefit obligation:**		
	Obligation at the beginning of the year	236.58	220.77
	Current service cost	12.22	12.60
	Interest cost	17.02	17.65
	Past service cost	17.81	-
	Actuarial (gains) / losses from changes in demographic assumptions	(4.33)	-
	Actuarial (gains) / losses arising changes in financial assumptions	(8.07)	13.02
	Actuarial (gains) / losses from experience adjustments	(5.73)	(2.34)
	Liability transferred in	0.01	0.44
	Liability transferred out	(0.08)	(0.18)
	Benefits paid directly by employer	(1.42)	(2.23)
	Benefits paid	(24.84)	(23.15)
	Obligation at the end of the year	239.17	236.58
(2)	**Movements in the fair value of the plan assets:**		
	Plan assets at the beginning of the year, at fair value	206.31	200.87
	Interest income	14.85	16.06
	Return on plan assets (excluding interest income)	2.36	0.95
	Contributions	29.45	11.58
	Benefits paid	(24.84)	(23.15)
	Plan assets at the end of the year, at fair value	228.13	206.31
(3)	**Gratuity cost recognized in the statement of profit and loss**		
	Current service cost	12.22	12.60
	Interest cost, net	2.17	1.59
	Past service cost	17.81	-
	Net gratuity cost recognized in the statement of profit and loss [Refer note 37]	32.20	14.19
(4)	**Gratuity cost recognized in the other comprehensive income (OCI)**		
	Return on plan assets, excluding interest income	(2.36)	(0.95)
	Actuarial (gains) / losses on obligation for the period	(18.13)	10.68
	Net (income) / expense for the period recognized in OCI	(20.49)	9.73

(f) **Category wise plan assets**

Contributions to fund the obligations under the gratuity plan are made to the Life Insurance Corporation of India.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

NOTE 47: EMLOYEE BENEFIT PLANS (Contd.)

(g) **Sensitivity analysis**

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis given below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

(₹ in Crore)

Change in assumptions	Year ended 31st March, 2018	Year ended 31st March, 2017
Impact on defined benefit obligation of gratuity		
50 basis points increase in discount rate	(6.62)	(8.32)
50 basis points decrease in discount rate	7.09	8.98
50 basis points increase in salary escalation rate	6.42	11.72
50 basis points decrease in salary escalation rate	(7.16)	(5.63)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

(h) The weighted average duration of the gratuity plan based on average future service is 13 years (Previous year - 16 years).

(i) Expected contributions to the plan for the next annual reporting period is ₹11.04 Crore (Previous year - ₹30.27 Crore).

(j) **Cash flow projection from the fund**

Projected benefits payable in future years from the date of reporting

(₹ in Crore)

	Funded Plan - Gratuity	
	As at 31st March, 2018	As at 31st March, 2017
1st following year	37.72	26.89
2nd following year	21.57	18.36
3rd following year	30.24	23.81
4th following year	32.74	23.36
5th following year	28.69	26.61
sum of years 6 to 10th	96.37	101.45

47.3 Other long-term employee benefit obligations :

The leave obligation covers the Company's liability for sick and earned leave. Under these compensated absences plans, leave encashment is payable to all eligible employees on separation from the Company due to death, retirement, superannuation or resignation; at the rate of daily salary, as per accumulation of leave days as at the end of relevant period. Refer notes 25, 31 and 37 with respect to item of balance sheet and profit or loss where such provision / charge has been presented.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

NOTE 48: AUDITORS REMUNERATION (INCLUDING TAXES)

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
As auditor		
Audit fees	0.73	1.02
Other services- certificates etc.	0.07	1.33
Reimbursement of expenses	0.09	0.14
	0.89	2.49

NOTE 49: CORPORATE SOCIAL RESPONSIBILITY (CSR) EXPENDITURE

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
(a) Gross amount required to be spent by the Company	15.02	13.05
(b) Amount spent during the year on		
(i) Construction / acquisition of any asset	-	-
(ii) On purposes other than (i) above [Refer note 40]	15.11	13.45
	15.11	13.45
(c) Contribution to section 8 related companies, included in (b) above, in relation to CSR expenditure		
(i) Tornascent Care Institute	7.92	9.01
(ii) UNM Foundation	2.87	2.10
	10.79	11.11

NOTE 50: DONATIONS INCLUDE POLITICAL CONTRIBUTIONS AS UNDER

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
Prudent Electoral Trust (earlier known as "Satya Electoral Trust")	10.00	10.50
	10.00	10.50

NOTE 51: EARNINGS PER SHARE

	Year ended 31st March, 2018	Year ended 31st March, 2017
Basic earnings per share (₹)	19.18	9.00
Diluted earnings per share (₹)	19.18	9.00

Basic and diluted earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows:

	Year ended 31st March, 2018	Year ended 31st March, 2017
Profit for the year attributable to the Company used in calculation of basic earning per share (₹ in Crore)	921.74	432.36
Weighted average number of equity shares	48,06,16,784	48,06,16,784

The Company does not have any dilutive potential ordinary shares and therefore diluted earnings per share is the same as basic earnings per share.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

NOTE 52: IMPAIRMENT ASSESSMENT OF DGEN POWER PLANT

The 1200 MW gas based power plant located at Dahej, India (DGEN), started commercial operations from November 2014. During FY 2015-16, the Company operated DGEN for intermittent periods. It did not operate the plant in subsequent periods and maintained it in cold standby mode for immediate start-up, as and when required.

In the last 3 years lot of new LNG capacity has been commissioned across the world. This is also expected to continue for next couple of years as a result of which the LNG market will remain well supplied. Further, it is also expected that the domestic gas supply will also increase in the coming years and the power demand in the country would grow in view of GDP growth projections and various initiatives launched by Government of India. The combination of these factors is expected to improve the availability of LNG and the economic viability of DGEN, based on which the estimated value in use does not indicate any requirement for impairment provision in the carrying amount of the fixed assets of ₹4,439.01 Crore relating to the DGEN plant as at 31st March, 2018.

NOTE 53: OPERATING SEGMENT

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company business viz. "Generation, Transmission and Distribution of Power" as an integrated utility. Further, the Company's cable business is not a reportable segment in terms of revenue, profit, assets and liabilities. Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

NOTE 54: CERTIFIED EMISSION REDUCTION (CERs)

	As at 31st March, 2018	As at 31st March, 2017
No. of CERs inventory	-	27,57,165
No. of CERs under certification	42,78,624	-
Inventories of CERs are valued at cost or market price whichever is lower.		

NOTE 55: RELATED PARTY DISCLOSURES

(e) Terms and conditions of outstanding balances

The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions.

Outstanding balances at the year-end are unsecured and settlement is expected to occur in cash.

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW

(a) Capital management

The Company manages its capital structure in a manner to ensure that it will be able to continue as a going concern while optimising the return to stakeholders through the appropriate debt and equity balance.

The Company's capital structure is represented by equity (comprising issued capital, retained earnings and other reserves as detailed in notes 20,21) and debt (borrowings as detailed in note 22).

The Company's management reviews the capital structure of the Company on an annual basis. As part of this review, the management considers the cost of capital and the risks associated with each class of capital. The Company's plan is to ensure that the gearing ratio (debt equity ratio) is well within the limit of 2:1.

Gearing ratio

The gearing ratio at end of the reporting period is as follows.

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Debt	9,255.52	8,630.89
Total equity	9,147.16	8,186.86
Debt to equity ratio	1.01	1.05

Footnotes :

1. Debt is defined as all long term debt outstanding (including unamortised expense) + contingent liability pertaining to corporate / financial guarantee given + short term debt outstanding in lieu of long term debt.
2. Total equity is defined as Equity share capital + all reserve (excluding revaluation reserve) + deferred tax liabilities – deferred tax assets – intangible assets – Intangible assets under development.

Loan covenants

The Company has complied with financial covenants specified as per the terms of borrowing facilities.

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

	11,367.01	11,420.00	10,957.42	11,000.00

Other than equity instruments in subsidiaries & associates recognised at cost.

(c) Fair value measurement

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 : Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets and liabilities that are not measured at fair value on a recurring basis (but fair value disclosures are required) :

(1) Financial assets at fair value through profit and loss (FVTPL)

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2018	As at 31st March, 2017		
Investment in mutual fund units	614.12	552.92	Level 1	Quoted bid prices in an active market
	614.12	552.92		

(2) Financial liabilities at amortised cost

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2018	As at 31st March, 2017		
Fixed rate borrowings (Non-convertible debentures)	1,147.99	1,137.58	Level 2	Inputs other than quoted prices that are observable
	1,147.99	1,137.58		

(d) Financial risk management objectives

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations, routine and projects capital expenditure. The Company's principal financial assets include loans, advances, trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Company's activities expose it to a variety of financial risks viz foreign currency risk, interest rate risk, credit risk, liquidity risk etc. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's senior management oversees the management of these risks. It advises on financial risks and the appropriate financial risk governance framework for the Company.

Foreign currency risk

The Company is exposed to foreign currency risks arising from various currency exposures, primarily with respect to the USD and EUR. Foreign currency risks arise from future commercial transactions and recognized assets and liabilities, when they are denominated in a currency other than Indian Rupee.

The Company's exposure with regards to foreign currency risk which are not hedged are given below. However, these risks are not significant to the Company's operation and accordingly sensitivity analysis is not given.

Unhedged foreign currency exposures

(in Crore)

Nature of transactions	Currency	As at 31st March, 2018	As at 31st March, 2017
Financial liabilities			
Trade payable	USD	-	0.02
Capital liability	USD	*	0.06
Trade payable	EURO	1.11	2.11
Capital liability	EURO	0.01	-

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

Interest rate risk

Most of the Company's borrowings are on a floating rate of interest. The Company has exposure to interest rate risk, arising principally on changes in Marginal Cost of Funds based Lending Rate (MCLR). The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like non-convertible debentures and short term credit lines besides internal accruals.

The following table provides a break-up of the Company's fixed and floating rate borrowings:

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Fixed rate borrowings	1,123.28	1,127.10
Floating rate borrowings^	8,132.24	7,503.79
	9,255.52	8,630.89

^ Gross amount including unamortised expense.

Interest rate risk sensitivity:

The below mentioned sensitivity analysis is based on the exposure to interest rates for floating rate borrowings. For this it is assumed that the amount of the floating rate liability outstanding at the end of the reporting period was outstanding for the whole year. If interest rates had been 50 basis points higher or lower, other variables being held constant, following is the impact on profit before tax.

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
Impact on profit before tax - increase in 50 basis points	(40.66)	(37.52)
Impact on profit before tax - decrease in 50 basis points	40.66	37.52

Credit risk

Trade receivables

(1) Exposures to credit risk:

The Company is exposed to the counterparty credit risk arising from the possibility that counterparties might fail to comply with contractual obligations. This exposure may arise with regard to unsettled amounts and the cost of substituting products and services that are not provided.

(2) Credit risk management:

Credit risk is managed and limited in accordance with the type of transaction and the creditworthiness of the counterparty. The Company has established criteria for admission, approval systems, authorisation levels, exposure measurement methodologies, etc. The concentration of credit risk is limited due to the fact that the customer base is large. None of the customers accounted for more than 10% of the receivables and revenue for the year ended 31st March, 2018 and 31st March, 2017. However, the Company is dependent on the domestic market for its business and revenues.

The Company's credit policies and practices with respect to distribution areas are designed to limit credit exposure by collecting security deposits prior to providing utility services or after utility service has commenced according to applicable regulatory requirements. In respect to generation business, Company generally has letter of credits / bank guarantees to limit its credit exposure.

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

(3) Other credit enhancements

The Company does not hold any collateral or other credit enhancements to cover its credit risks associated with its financial assets.

(4) Age of receivables and expected credit loss

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experienced and adjusted for forward- looking information. The expected credit loss allowance is based on ageing of the days the receivables are due and the rates as given in the provision matrix.

The age of receivables and provision matrix at the end of the reporting period is as follows.

As at 31st March, 2018

(₹ in Crore)

	Gross trade receivables	Expected credit loss (%)	Allowance for doubtful debt
Less than or equal to 6 months	1,106.32	3.04%	33.63
More than 6 months but less than or equal to 1 year	52.90	41.61%	22.01
More than one year	101.19	79.35%	80.29
	1,260.41		135.93

As at 31st March, 2017

(₹ in Crore)

	Gross trade receivables	Expected credit loss (%)	Allowance for doubtful debt
Less than or equal to 6 months	972.11	2.73%	26.52
More than 6 months but less than or equal to 1 year	36.82	59.99%	22.09
More than one year	89.46	90.40%	80.87
	1,098.39		129.48

(5) Movement in the expected credit loss allowance

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
Opening balance	129.48	129.73
Movement in expected credit loss allowance on trade receivable, net	6.45	(0.25)
Closing balance [Refer note 14]	135.93	129.48

Other financial assets

The Company is having balances in cash and cash equivalents, term deposits with banks, investments in government securities and investment in mutual funds. With respect to investments, the Company limits its exposure to credit risk by investing in liquid securities with counterparties depending on their Composite Performance Rankings (CPR) published by CRISIL. The Company's investment policy lays down guidelines with respect to exposure per counterparty, rating, processes in terms of control and continuous monitoring. The Company therefore considers credit risks on such investments to be negligible.

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are required to be settled by delivering the cash or another financial asset. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and unused borrowing facilities, by continuously monitoring projected / actual cash flows.

Maturities of financial liabilities

The Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest (accrued upto 31st March, 2018) and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

As at 31st March, 2018

Consolidated Financial Statements 2017-18

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

TO THE MEMBERS OF

TORRENT POWER LIMITED

Report on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

1. We have audited the accompanying consolidated Ind AS financial statements of **TORRENT POWER LIMITED** ("hereinafter referred to as the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associate companies; (refer Note 42 to the attached consolidated financial statements), comprising of the consolidated Balance Sheet as at 31st March, 2018, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Cash Flow Statement for the year then ended and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as "the Consolidated Ind AS Financial Statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and changes in equity of the Group including its associates in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. The respective Board of Directors of the companies included in the Group and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates respectively and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.

4. We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

6. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 8 of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group and its associates as at 31st March, 2018, and their consolidated total comprehensive income (comprising of consolidated profit and consolidated other comprehensive income), their consolidated cash flows and consolidated changes in equity for the year ended on that date.

Other Matter

8. The consolidated Ind AS financial statements also include the Group's share of total comprehensive income (comprising of profit / loss and other comprehensive income) of ₹ Nil for the year ended 31st March, 2018 as considered in the consolidated Ind AS financial statements, in respect of six associate companies, whose financial statements/ financial information have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated Ind AS financial statements insofar as it relates to the amounts and disclosures included in respect of these associate companies and our report in terms of sub-section (3) of Section 143 of the Act insofar as it relates to the aforesaid associates, is based solely on the reports of the other auditors.

   Our opinion on the consolidated Ind AS financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors and the financial statements.

9. The consolidated Ind AS financial statements of the Company for the year ended 31st March, 2017, were audited by another firm of chartered accountants under the Companies Act, 2013 who, vide their report dated 23rd May, 2017, expressed an unmodified opinion on those financial statements. Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

10. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.

    b) In our opinion, proper books of account as required by law maintained by the Holding Company, its subsidiaries included in the Group and associate companies including relevant records relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and records of the Holding Company and the reports of the other auditors.

    c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained by the Holding Company, its subsidiaries included in the Group and associate companies including relevant records relating to the preparation of the consolidated Ind AS financial statements.

    d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and associate companies, none of the directors of the Group companies and its associate companies is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

INDEPENDENT AUDITORS' REPORT (Contd.)

f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and associate companies and the operating effectiveness of such controls, refer to our separate Report in Annexure A.

g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The consolidated Ind AS financial statements disclose the impact, if any, of pending litigations as at 31st March, 2018 on the consolidated financial position of the Group and its associates– Refer Notes 32 and 45 to the consolidated Ind AS financial statements.

   ii. The Group and its associates have long-term contracts as at 31st March, 2018 for which there were no material foreseeable losses. The Group and its associates did not have any derivative contracts as at 31st March, 2018.

   iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies and its associate companies during the year ended 31st March, 2018.

   iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Group for the year ended 31st March, 2018.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10 (f) of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the consolidated Ind AS financial statements for the year ended 31st March, 2018

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March, 2018, we have audited the internal financial controls with reference to financial statements of **TORRENT POWER LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary companies and its associate companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding company, its subsidiary companies and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT (Contd.)

Referred to in paragraph 10 (f) of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the consolidated Ind AS financial statements for the year ended 31st March, 2018

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to six associate companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not qualified in respect of this matter.

Executive Director (Corporate Affairs) &
Chief Financial Officer

Ahmedabad, 29th May, 2018

NOTE 1A: GENERAL INFORMATION

These financial statements comprise financial statements of Torrent Power Limited ("the Company"), its subsidiaries and associates (hereinafter referred to as "the Group") for the year ended 31st March, 2018.

The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India. Its equity shares are listed on BSE Ltd. and National Stock Exchange Ltd. in India. The registered office of the Company is located at "Samanvay", 600, Tapovan, Ambawadi, Ahmedabad - 380 015.

The Group is an integrated power utility and is engaged in the business of generation, transmission and distribution of power and manufacture and sale of Cables. Information on the Group's structure is provided in note 42.

NOTE 1B: NEW STANDARDS OR INTERPRETATIONS ADOPTED BY THE GROUP

The Group has applied the following amendment for the first time for its annual reporting period commencing 1st April, 2017:

Amendment to Ind AS-7 "Statement of Cash Flows"

The amendment to Ind AS-7 requires the entities to provide disclosures that enable users of consolidated financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the consolidated balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The adoption of these amendments did not have any impact on the amounts recognised in prior periods. When the Group first applies these amendments, it is not required to provide comparative information for preceding periods.

NOTE 1C: NEW STANDARDS OR INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE

The Group will apply the following standard for the first time for its annual reporting period commencing 1st April, 2018:

Ind AS-115 "Revenue from Contracts with Customers"

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 on 28th March, 2018 which includes Ind AS-115 "Revenue from Contracts with Customers". This will replace Ind AS-18 which covers contracts for goods and services and Ind AS-11 which covers construction contracts.

Ind AS-115 "Revenue from contracts with Customers" outlines a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. The standard replaces most current revenue recognition guidance. The core principle of the new standard is for companies to recognize revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration to which the Group expects to be entitled in exchange for those goods or services. The new standard also will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively including service revenues and contract modifications and improve guidance for multiple-element arrangements. The new standard will come into effect for the annual reporting periods beginning on or after 1st April 2018. The standard permits either a full retrospective or a modified retrospective approach for the adoption.

In order to identify the potential impact of the standard on the Group's financial statements, the Group is analysing contracts of the revenue streams of the Group. The Group has begun the analysis on the key areas identified, in order to estimate the effect of the application of the new standard for which the work is ongoing and impact areas may be identified as the Group progresses further in the implementation process. As a result, at this stage the Group is not able to estimate the impact of the new standard on the Group's financial statements. The Group will make more detailed assessments of the impact over the future periods.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation:

Compliance with Ind AS

The financial statements are in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and rules made thereunder.

As prescribed by the Ind AS, if the particular Ind AS is not in conformity with the applicable laws, the provisions of the said law shall prevail and financial statements shall be prepared in conformity with such laws. Consequently, the Group has applied this norm while preparing the financial statements.

Historical cost convention

The financial statements have been prepared on an accrual basis under the historical cost convention except for following which have been measured at fair value;

- Derivative instruments
- Defined benefit plan assets

All assets and liabilities have been classified as current or non-current as set out in the Schedule III (Division II) to the Companies Act, 2013

2.2 Principles of consolidation:

Subsidiaries

The consolidated financial statements comprise the financial statements of Torrent Power Limited and its subsidiaries. Subsidiaries are all entities over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Consolidation of an entity begins when the Company obtains control over the entity and ceases when the Company loses control of the entity. Specifically, income and expenses of an entity acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control or until the date when the Company ceases to control the entity, respectively.

The Group combines the financial statements of the Parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Ind AS-12 “Income Taxes” applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member’s financial statements in preparing the consolidated financial statements to ensure conformity with the Group’s accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent company, i.e., year ended on 31st March.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and consolidated balance sheet respectively.

Associates and joint ventures

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties, that have joint control of the arrangement, have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of associates or joint ventures are incorporated in the consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with Ind AS-105 “Non-current Assets Held for Sale and Discontinued Operations”. Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate or joint venture. When the Group's share of losses of an associate or a joint venture exceeds the Group's interest in that associate or joint venture, the Group discontinues recognising its share of further losses. Additional losses are recognized to the extent that the Group has incurred legal or constructive obligation or made payment on behalf of the associate or joint venture.

2.3 Business combinations and Goodwill:

Business combination - acquisition

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred, liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group in exchange for control of the acquiree.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Business combination - common control transaction

Business combinations involving entities that are controlled by the Group are accounted for using the pooling of interests method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.

- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- The identity of the reserves are preserved and the reserves of the transferor become the reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

Business combination-related costs are generally recognised in consolidated statement of profit and loss as incurred.

Goodwill

Goodwill on acquisitions of subsidiaries, associates and joint ventures is included in intangible assets. Goodwill is not amortised but is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to such entity.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose.

2.4 Government grants:

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all the attached conditions.

Government grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Group recognises as expenses the related costs for which the grants are intended to compensate. Government grants relating to purchase of property, plant and equipment whose primary condition is that the Group should purchase, construct or otherwise acquire property, plant and equipment are recognised as deferred revenue in the consolidated balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

2.5 Property, plant and equipment:

Tangible fixed assets

Freehold land is carried at historical cost. All other items of property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated balance sheet at cost less accumulated depreciation and accumulated impairment losses, except that on adoption of Ind AS, property, plant and equipment had been measured at deemed cost, using the net carrying value as per previous GAAP as at 1st April, 2015.

Capital work in progress in the course of construction for production, supply or administrative purposes is carried at cost, less any recognised impairment loss. Cost includes purchase price, taxes and duties, labour cost and other directly attributable costs incurred upto the date the asset is ready for its intended use. Such property, plant and equipment are classified to the appropriate categories when completed and ready for intended use.

Subsequent cost are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. Subsequent costs relating to day to day servicing of the item are not recognised in the carrying amount of an item of property, plant and equipment; rather, these costs are recognised in profit or loss as incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are ready for their intended use. Depreciation for the year is provided on additions / deductions of the assets during the period from / up to the month in which the asset is added / deducted. Depreciation on tangible assets which are governed as per the provisions of Part B of Schedule II of the Companies Act, 2013 is provided on straight line basis (other than Agra Franchisee Business for which it is provided on written down value basis) using the depreciation rates, the methodology and residual value as notified by the respective regulatory bodies in accordance with the Electricity Act, 2003. For other tangible assets in non-regulated business, depreciation is provided on a straight line basis over the estimated useful lives.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period in respect of tangible assets of non-regulated business. The effect of any such change in estimate in this regard being accounted for on a prospective basis.

The range of depreciation rates of property, plant and equipment are as follows:

Class of assets	Rate of depreciation		
	Regulated business	Franchisee business@	Other business
Buildings	1.80% to 6.00%	3.02% to 7.84%	1.18% to 31.67%
Railway siding	1.80% to 5.28%	-	-
Plant and machinery	1.80% to 18.00%	5.27% to 33.40%	12.66%
Electrical fittings and apparatus	3.60% to 6.33%	6.33% to 12.77%	9.50%
Furniture and fixtures	5.28% to 6.33%	6.33% to 12.77%	9.50%
Vehicles	6.00% to 18.00%	9.50% to 33.40%	9.50% to 11.88%
Office equipment	5.28% to 15.00%	6.33% to 33.40%	6.33% to 31.67%

@ governed by the applicable regulations of UPERC / MERC for this purpose.

2.6 Investment properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from its current use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Investment properties, other than free hold land, are depreciated using straight line method over their estimated useful lives.

2.7 Intangible assets - acquired:

Computer software is carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over its estimated useful life of 3 years. The estimated useful life and amortisation method are reviewed at the end of each reporting period and the effect of any changes in such estimate being accounted for on a prospective basis.

Expenditure incurred on acquisition of intangible assets which are not ready to use at the reporting date is disclosed under "Intangible assets under development".

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

2.8 Impairment of tangible and intangible assets other than goodwill:

Tangible and intangible assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's fair value less costs of disposal and value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit. An impairment loss is recognised immediately in profit or loss.

2.9 Borrowing costs:

Borrowing costs that are directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, such as new projects and / or specific assets created in the existing business, are capitalized up to the date of completion and ready for their intended use.

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are charged to the consolidated statement of profit and loss in the period of their accrual.

2.10 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheques / drafts on hand, current account balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the consolidated balance sheet.

2.11 Inventories:

Raw materials, fuel, stores and spares, packing materials, loose tools, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of inventories includes all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.12 Revenue recognition:

Revenue is recognized, when the products are delivered or services are rendered to consumers and when no significant uncertainty as to the measurability or collectability exists. Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for discounts and other similar allowances.

(i) Revenue from power supply and transmission charges are accounted for on the basis of billings to consumers and Central transmission utility respectively in accordance with tariff orders issued by the respective regulatory commissions. Revenue recognized in excess of billing has been reflected under "other financial assets" as unbilled revenue.

Further, in view of the uncertainties involved in the recoverability, the quarterly Fuel and Power Purchase Price Adjustment ("FPPPA") claims are accounted for as and when allowed by the regulatory authorities and truing up adjustments claims are accounted for as and when billed to the consumers. [Refer note 3.1(i)]

(ii) Sales of cables and surplus fuel (RLNG) are recognised, net of returns and rebates, on transfer of significant risks and rewards of ownership to the buyer. Sales includes excise duty but excludes sales-tax, value added tax and Goods and service tax.

(iii) Gross proceeds from sale of Certified Emission Reduction certificates (CERs) are recognized when all the significant risks and rewards of ownership of CERs have been passed to the buyer, usually on delivery of the CERs.

(iv) Income from Generation Based Incentive is accounted on accrual basis considering eligibility of project for availing incentive.

(v) Dividend is accounted when the right to receive payment is established.

(vi) Interest income from financial assets is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

Interest on overdue receivables of energy bills and claims including insurance claims, coal cost variation and other claims etc. are accounted as and when recovered.

(vii) Contributions by consumers towards items of property, plant and equipment, which require an obligation to provide electricity connectivity to the consumers, are recognised as a credit to deferred revenue. Similarly contribution by third party towards construction of overhead transmission lines are recognized as a credit to deferred revenue. Such revenue is recognised over the useful life of the property, plant and equipment.

2.13 Foreign currency translation:

Functional and presentation currency

The consolidated financial statements are prepared in Indian rupee (INR) which is functional as well as presentation currency of the Group.

Transactions and balances

In preparing the financial statements of each individual Group entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Foreign exchange differences regarded as an adjustments to borrowing costs are presented in the consolidated statement of profit and loss, within finance costs. All other foreign exchange differences arising on settlement of monetary items or on reporting the Group's monetary items at rates different from those at which they were initially recorded during the financial year are recognized as income or expense in the financial year in which they arise.

The exchange differences relating to long term foreign currency monetary items, recognised in the financial statement upto 31st March, 2016, in so far as they relate to acquisition of depreciable capital assets is adjusted to the cost of such capital asset and depreciated over the balance useful life of such asset.

2.14 Employee benefits:

Defined contribution plans

Contributions retirement benefit plans in the form of provident fund, employee state insurance scheme and superannuation schemes as per regulations are charged as an expense on an accrual basis when employees have rendered the service. The Group has no further payment obligations once the contributions have been paid.

Defined benefits plans

The liability or asset recognised in the consolidated balance sheet in respect of the retirement benefit plan i.e. gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated by an actuary using projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximately to the terms of the related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of the plan assets. This cost is included in the employee benefit expense in the consolidated statement of profit and loss.

Remeasurements, comprising actuarial gains and losses and the effect of the changes to the asset ceiling (if applicable), is reflected immediately in the consolidated balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur and consequently recognised in retained earnings and is not reclassified to profit or loss.

The retirement benefit obligation recognised in the consolidated balance sheet represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The said obligations are presented as current liabilities in the consolidated balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

2.15 Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on estimated taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the consolidated statement of profit and loss because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and revises the provisions, if so required where consider necessary.

Advance taxes and provisions for current income taxes are offset with each other when there is a legally enforceable right to offset and balances arise with the same tax authority.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

2.16 Earnings per share:

Basic earnings per share is computed by dividing the profit / (loss) attributable to owners of the Company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by adjusting the figures used in the determination of basic EPS to take into account:

- After tax effect of interest and other financing costs associated with dilutive potential equity shares.
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.17 Provisions, contingent liabilities and contingent assets:

Provisions

A provision is recognized when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liability

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognised but disclosed only when an inflow of economic benefits is probable.

2.18 Financial instruments:

Financial assets

i) Classification of financial assets (including debt instruments)

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

ii) Initial measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets at fair value through profit or loss are recognised immediately in profit or loss.

iii) Subsequent measurement

There are three measurement categories into which the debt instruments can be classified:

- **Amortised cost**

  Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Fair value through other comprehensive income (FVOCI)**

  Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains / (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains and losses and impairment expenses in other expenses.

- **Fair value through profit or loss (FVTPL)**

  Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the consolidated statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

iv) Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18 only, the Group follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Group has used a practical expedient as permitted under Ind AS 109 i.e. expected credit loss allowance as computed based on historical credit loss experience.

v) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's consolidated balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset

When the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of financial asset, the financial asset is derecognised if the Group has not retained control over the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial liabilities

The Group's financial liabilities include trade and other payables, loans and borrowings.

i) Classification

All the Group's financial liabilities, except for financial liabilities at fair value through profit or loss, are measured at amortized cost.

ii) Initial measurement

Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities (other than financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial liabilities, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

iii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate Method.

The Effective Interest Rate Method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

iv) Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or waived off or have expired. An exchange between the Group and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

2.19 Contributed equity:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Transaction costs of an equity transaction shall be accounted for in other equity.

2.20 Leases:

Leases (including lease arrangements for land) are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating lease (The Group as lessee): Lease payments under an operating lease are recognized as expense in the consolidated statement of profit and loss, on a straight-line or other systematic basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Lessor's expected inflationary cost increases, such increases are recognised in the year in which such liability accrues.

2.21 Rounding of amounts:

All amounts disclosed in the financial statements and notes have been presented in crore rounded to two decimals as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated. Figures below ₹50,000 are denoted by '*'.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

NOTE 3: CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the course of applying the policies outlined in all notes under note 2 above, the management of the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Such estimates and associated assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

3.1 Regulatory matters:

(i) Regulatory deferral accounts

Ind AS-114 "Regulatory Deferral Accounts" permits the Group to apply the requirements of this standard in its first Ind AS consolidated financial statements if and only if it conducts rate-regulated activities and recognised amounts that qualify as regulatory deferral account balances in its consolidated financial statements in accordance with its previous GAAP(i.e. for the year ended 31st March, 2016). As the Group had consistently elected not to recognise the regulatory deferral balances in its previous GAAP, the requirement of IND AS-114 does not apply to the Group.

3.2 Property, plant and equipment:

(i) Service concession arrangements

The Group has assessed applicability of Appendix A of Ind AS-11 "Service Concession Arrangements" with respect to its distribution and transmission assets portfolio. In assessing the applicability, the Group has exercised judgment in relation to the provisions of the Electricity Act, 2003, transmission / distribution license and / or agreements. Based on such assessment, it has concluded that Appendix A of Ind AS-11 is not applicable.

(ii) Impairment of property plant and equipment

At the end of each reporting period, the Group reviews the carrying amounts of its property, plant and equipment to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount of property plant and equipment is the higher of its fair value less costs of disposal and value in use. Value in use is usually determined on the basis of discounted estimated future cash flows. This involves management estimates on anticipated PLF, fuel availability at economical rates, economic and regulatory environment, discount rates and other factors. Any subsequent changes to cash flow due to changes in the above mentioned factors could impact the carrying value of assets.

3.3 Impairment of financial assets:

(i) Trade receivables

The Group estimates the credit allowance as per practical expedient based on historical credit loss experience as enumerated in note 55.

3.4 Taxation:

(i) Current tax

The Group has treated certain expenditure as being deductible for tax purposes. However, the tax legislation in relation to such expenditure is not clear and the Group has applied their judgement and interpretation for the purpose taking their tax position.

(ii) Deferred tax assets

Deferred tax assets are recognised for unused tax losses / credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

3.5 Contingencies:

Contingent liabilities

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management decides whether the matters needs to be classified as 'remote', 'possible' or 'probable' based on expert advice, past judgements, experiences etc.

3.6 Employee benefit plans:

Defined benefit plans and other long-term employee benefits

The present value of obligations under defined benefit plan and other long term employment benefits is determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary escalations, attrition rate and mortality rates etc. Due to the complexities involved in the valuation and its long term nature, these obligations are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

NOTE 4 : PROPERTY, PLANT AND EQUIPMENT

NOTE 4 : PROPERTY, PLANT AND EQUIPMENT (Contd.)

Footnotes:

1. Assets mortgaged as security:

   Entire movable and immovable properties (including capital work-in-progress) with the net carrying amount of ₹18,247.96 Crore (31st March, 2017 - ₹17,125.54 Crore) have been mortgaged and hypothecated to secure borrowings of the Company [Refer note 23].

2. Capital commitment:

   Refer note 45 (c) for disclosure of contractual commitments for the acquisition of property, plant and equipment.

3. Adjustments during the year include capitalisation of borrowing costs of ₹5.77 Crore (Previous year - ₹4.50 Crore), which are directly attributable to purchase / construction of qualifying assets in accordance with Ind AS - 23 "Borrowing Costs".

4. Capital work-in-progress include borrowing costs of ₹0.71 Crore (31st March, 2017- ₹2.42 Crore), which are directly attributable to purchase / construction of qualifying assets in accordance with Ind AS - 23 "Borrowing Costs".

5. The weighted average rate for capitalisation of borrowing cost relating to general borrowing is 8.55% (Previous year 11.07% to 11.13%)

6. Adjustments during the year include foreign currency exchange difference (net) of ₹ Nil (Previous year - ₹0.90 Crore net gain).

7. Additions to plant and machinery includes capitalisation of directly attributable costs incurred by the Company under various headings.

8. Pro-rata cost of assets owned jointly with Torrent Pharmaceuticals Limited, a fellow subsidiary are as under:

(₹ in Crore)

1. Reconciliation of the shares outstanding at the beginning and at the end of the reporting year :

	No. of shares As at 31st March, 2018	No. of shares As at 31st March, 2017
At the beginning of the year	48,06,16,784	48,06,16,784
Issued during the year	-	-
Outstanding at the end of the year	48,06,16,784	48,06,16,784

2. 25,74,22,311 equity shares (25,74,22,311 equity shares as at 31st March, 2017) of ₹10 each fully paid up are held by the Parent Company - Torrent Private Limited.

3. Terms / Rights attached to equity shares :

   The Company has only one class of equity shares having par value of ₹10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees.The dividend,if any, proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

   In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

4. Details of shareholders holding more than 5% shares in the Company :

Name of the Shareholder	As at 31st March, 2018		As at 31st March, 2017	
	No. of shares	% holding	No. of shares	% holding
Torrent Private Limited	25,74,22,311	53.56%	25,74,22,311	53.56%
Gujarat State Investment Limited	4,68,71,621	9.75%	4,68,71,621	9.75%
Life Insurance Corporation of India	2,83,83,394	5.91%	2,98,86,827	6.22%

5. Aggregate number of equity shares allotted as fully paid up pursuant to contract(s) without payment being received in cash :

   During FY 2015-16, the Company has allotted 81,68,476 equity shares of ₹10 each at par to the shareholders of Torrent Cables Limited pursuant to the scheme of amalgamation of Torrent Energy Limited and Torrent Cables Limited with Torrent Power Limited as approved by the Hon'ble Gujarat High Court vide its order dated 13th August, 2015.

6. Distributions made and proposed:

   The amount of per share dividend distributed to equity shareholders during the year ended 31st March, 2018 is ₹2.20 (Previous year- ₹ Nil) per equity share, being the final dividend declared for the year ended 31st March, 2017.

   The Board of Directors at its meeting held on 29th May, 2018 have recommended a dividend of 50.00% (₹5.00 per equity share of par value ₹10 each).The proposal is subject to the approval of shareholders at the ensuing Annual General Meeting and if approved, would result in a cash outflow of approximately ₹289.71 Crore (inclusive of dividend distribution tax of ₹49.40 Crore).

NOTE 22 : OTHER EQUITY

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Reserves and surplus		
Securities premium reserve	0.03	0.03
Debenture redemption reserve	163.68	129.46
Contingency reserve	7.95	6.24
Special reserve	78.07	78.07
General reserve	3,583.89	3,583.89
Retained earnings	3,405.29	2,613.78
	7,238.91	6,411.47

Footnotes:

1. Securities premium reserve:

   Securities premium reserve reflects issuance of the shares by the Company at a premium, whether for cash or otherwise i.e. a sum equal to the aggregate amount of the premium received on shares is transferred to a "securities premium account" as per the provisions of the Companies Act, 2013. The reserve is utilised in accordance with the provisions of the Act.

2. Debenture redemption reserve:

   The Company has issued redeemable non-convertible debentures. Consequently, the Company is required under the Companies (Share capital and Debentures) Rules, 2014 (as amended), to create Debenture redemption reserve (DRR), equal to 25% of the value of debentures, out of profits of the Company available for payment of dividend. The Company creates DRR, for the required amount, over the tenure of the debentures, before redemption begins.

3. Contingency reserve:

   As per the provisions of GERC MYT Regulations read with Tariff orders passed by GERC, the Company being a Distribution Licensee makes an appropriation to the contingency reserve to meet with certain exigencies. Investments in Bonds issued by Government of India have been made against such reserve.

4. Special reserve:

   As per MYT Regulations (2007), the Company has created a reserve in FY 2011-12 and FY 2012-13, which represents one third amount of controllable gain shall be retained in a special reserve by the Generating Company or Licensee for the purpose of absorbing the impact of any future losses on account of controllable factors.

5. General reserve:

   General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. The general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

6. Retained earnings:

   The retained earnings reflect the profit of the Company earned till date net of appropriations. The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the balance in this reserve, after considering the requirements of the Companies Act, 2013.

NOTE 42: COMPOSITION OF THE GROUP (Contd.)

(b) Associates

Details of the Company's associates at the end of the reporting period are as follows:

Name of associate	Principal activity	Place of incorporation and operation	Proportion of ownership interest and voting power held by the Company		Quoted fair value	Carrying amount as at 31st March, 2018
			As at 31st March, 2018	As at 31st March, 2017		
Wind Two Renergy Private Limited (w.e.f. 12th December, 2017)	Power Generation	India	0%	-	Unlisted	#
Wind Four Renergy Private Limited (w.e.f. 12th December, 2017)	Power Generation	India	0%	-	Unlisted	#
Wind Five Renergy Private Limited (w.e.f. 12th December, 2017)	Power Generation	India	0%	-	Unlisted	#
Nani Virani Wind Energy Private Limited (w.e.f. 9th March, 2018)	Power Generation	India	0%	-	Unlisted	$
Ravapar Wind Energy Private Limited (w.e.f. 9th March, 2018)	Power Generation	India	0%	-	Unlisted	$
Khatiyu Wind Energy Private Limited (w.e.f. 9th March, 2018)	Power Generation	India	0%	-	Unlisted	$

The Company has made investments in the above three entities in the form of secured redeemable (with premium) non-convertible debentures and does not hold any equity investments. To protect the investment aggregating to ₹182.40 Crores made by the Company, the Company has acquired certain rights which include the right to nominate directors on the board. Considering the above facts and based on the requirements of Ind AS, the investments in aforesaid entities have been classified as Investments in associates. As the Company does not have any equity interest, the Company does not have any share in the profit, loss or comprehensive income of the entities and accordingly, there is no impact on the Consolidated Statement of Profit and Loss and the aforesaid investments in redeemable debentures of ₹182.40 Crores have been carried at amortized cost.

$ The Company is going to make investments in the above three entities in the form of secured redeemable (with premium) non-convertible debentures and does not hold any equity investments. To protect the investment, the Company has acquired certain rights which include the right to nominate directors on the board. Considering the above facts and based on the requirements of Ind AS, the above entities have been classified as Investments in associates.

Refer note 45(c) for investment commitment in the above associates.

NOTE 43:

Torrent Pipavav Generation Limited ("TPGL"), a subsidiary of the Company, had paid for acquisition of land in Amreli, Gujarat for the purpose of developing a coal based power plant of 1,000+ MW. Due to non-availability of fuel linkage, the Government of Gujarat has communicated during the year that the said project may not be developed and accordingly, the joint venture between Torrent Power Limited and Gujarat Power Corporation Limited is intended to be dissolved. The cost of land would be reimbursed through disposal by the State Government.

Consequentially, the capital work in progress balances, not recoverable, has been written off and the necessary adjustments have been made to the carrying value of assets and liabilities to reflect them at their net realisable values or cost whichever is lower.

NOTE 44: INCOME TAX EXPENSE

(a) Income tax expense recognised in statement of profit and loss

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017

Investment in associates	350.10	-

NOTE 46 : OPERATING LEASE

The Group's significant leasing arrangements, other than land, are in respect of residential flats, office premises, plant and machinery and equipment taken on lease. The arrangements range between 11 months and 10 years generally and are usually renewable by mutual consent on mutually agreeable terms. Under these arrangements, generally refundable interest free deposits have been given. The Group has not entered into any material financial lease. The Group does not have any non-cancellable lease.

Leasing arrangements with respect to land range between 25 years to 99 years.

NOTE 47: EMLOYEE BENEFIT PLANS

47.1 Defined contribution plan:

The Group operates defined contribution retirement benefit plans for all qualifying employees.

The Group's contribution to provident fund, superannuation fund and employee state insurance scheme are determined under the relevant schemes and / or statute and charged to the statement of profit or loss.

The Group's contribution to provident fund and superannuation fund aggregating to ₹33.54 Crore (Previous year - ₹31.50 Crore) has been recognised in the statement of profit and loss under the head employee benefits expense [Refer note 38].

NOTE 47: EMLOYEE BENEFIT PLANS (Contd.)

47.2 Defined benefit plans:

(a) **Gratuity**

The Group operates a gratuity plan covering all its employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Group scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. The gratuity benefits payable to the employees are based on the employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Group. In case of death while in service, the gratuity is payable irrespective of vesting.

The Group makes annual contribution to the gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund. The liability in respect of plan is determined on the basis of an actuarial valuation.

(b) **Risk exposure to defined benefit plans**

The plans typically expose the Group to actuarial risks such as: asset volatility, interest rate risk, longevity risk and salary risk as described below :

Asset volatility

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on Indian government securities; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out at 31st March, 2018. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

(c) **Significant assumptions**

The principal assumptions used for the purposes of the actuarial valuations were as follows.

	As at 31st March, 2018	As at 31st March, 2017
Discount rate	7.78%	7.20%
Salary escalation rate	8.50%	8.50%

NOTE 47: EMLOYEE BENEFIT PLANS (Contd.)

(d) **The amount included in the balance sheet arising from the Group's obligation in respect of its defined benefit plans is as follows :**

Balances of defined benefit plan

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Present value of funded defined benefit obligation	239.34	236.73
Fair value of plan assets	228.29	206.46
Net (asset) / liability [Refer note 26 and 32]	11.05	30.27

(e) **Expenses recognised for defined benefit plan and movement of plan assets and liabilities**

Following is the amount recognised in statement of profit and loss, other comprehensive income, movement in defined benefit liability and movement in plan assets :

(₹ in Crore)

		Funded plan - Gratuity	
		As at 31st March, 2018	As at 31st March, 2017
(1)	**Movements in the present value of the defined benefit obligation:**		
	Obligation at the beginning of the year	236.73	221.03
	Current service cost	12.23	12.63
	Past service cost	17.81	-
	Interest cost	17.04	17.68
	Actuarial (gains) / losses from changes in demographic assumptions	(4.33)	-
	Actuarial (gains) / losses arising changes in financial assumptions	(8.08)	13.03
	Actuarial (gains) / losses from experience adjustments	(5.73)	(2.33)
	Liability transferred in	0.01	0.44
	Liability transferred out	(0.08)	(0.18)
	Benefits paid directly by employer	(1.42)	(2.32)
	Benefits paid	(24.84)	(23.25)
	Obligation at the end of the year	239.34	236.73
(2)	**Movements in the fair value of the plan assets:**		
	Plan assets at the beginning of the year, at fair value	206.46	201.10
	Interest income	14.86	16.08
	Return on plan assets (excluding interest income)	2.36	0.95
	Contributions	29.45	11.58
	Benefits paid	(24.84)	(23.25)
	Plan assets at the end of the year, at fair value	228.29	206.46
(3)	**Gratuity cost recognized in the statement of profit and loss**		
	Current service cost	12.23	12.63
	Interest cost, net	2.18	1.60
	Past service cost	17.81	-
	Net gratuity cost recognized in the statement of profit and loss [Refer note 38]	32.22	14.23
(4)	**Gratuity cost recognized in the other comprehensive income (OCI)**		
	Return on plan assets, excluding interest income	(2.36)	(0.95)
	Actuarial (gains) / losses on obligation for the period	(18.14)	10.70
	Net (income) / expense for the year recognized in OCI	(20.50)	9.75

NOTE 47: EMLOYEE BENEFIT PLANS (Contd.)

(f) **Category wise plan assets**

Contributions to fund the obligations under the gratuity plan are made to the Life Insurance Corporation of India.

(g) **Sensitivity analysis**

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

(₹ in Crore)

Change in assumptions	As at 31st March, 2018	As at 31st March, 2017
Impact on defined benefit obligation of gratuity		
50 basis points increase in discount rate	(6.62)	(8.33)
50 basis points decrease in discount rate	7.09	8.99
50 basis points increase in salary escalation rate	6.43	11.73
50 basis points decrease in salary escalation rate	(7.17)	(5.64)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

(h) The weighted average duration of the gratuity plan based on average future service is 13 years (Previous year - 16 years).

(i) Expected contributions to the plan for the next annual reporting period is ₹11.05 Crore (Previous year - ₹30.27 Crore).

(j) **Cash flow projection from the fund**

Projected benefits payable in future years from the date of reporting

(₹ in Crore)

	Funded Plan - Gratuity	
	As at 31st March, 2018	As at 31st March, 2017
1st following year	37.72	26.89
2nd following year	21.58	18.36
3rd following year	30.24	23.81
4th following year	32.75	23.36
5th following year	28.70	26.61
sum of years 6 to 10th	96.54	101.63

47.3 Other long-term employee benefit obligations:

The leave obligation covers the Group's liability for sick and earned leave. Under these compensated absences plans, leave encashment is payable to all eligible employees on separation from the Company due to death, retirement, superannuation or resignation; at the rate of daily salary, as per accumulation of leave days as at the end of relevant period. Refer notes 26, 32 and 38 with respect to item of balance sheet and profit or loss where such provision / charge has been presented.

NOTE 48: AUDITORS REMUNERATION (INCLUDING TAXES)

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
As auditor		
Audit fees	0.81	1.14
Other services- certificates etc.	0.07	1.35
Reimbursement of expenses	0.09	0.14
	0.97	2.63

NOTE 49: CORPORATE SOCIAL RESPONSIBILITY (CSR) EXPENDITURE

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
(a) Gross amount required to be spent by the Group	15.76	13.86
(b) Amount spent during the year on		
(i) Construction / acquisition of any asset	-	-
(ii) On purposes other than (i) above [Refer note 41]	15.85	14.26
	15.85	14.26
(c) Contribution to section 8 related companies, included in (b) above, in relation to CSR expenditure		
(i) Tornascent Care Institute	8.66	9.82
(ii) UNM Foundation	2.87	2.10
	11.53	11.92

NOTE 50: DONATIONS INCLUDE POLITICAL CONTRIBUTIONS AS UNDER

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
Prudent Electoral Trust (earlier known as "Satya Electoral Trust")	10.00	10.50
	10.00	10.50

NOTE 51: EARNINGS PER SHARE

	Year ended 31st March, 2018	Year ended 31st March, 2017
Basic earnings per share (₹)	19.61	8.93
Diluted earnings per share (₹)	19.61	8.93

Basic and diluted earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows:

	Year ended 31st March, 2018	Year ended 31st March, 2017
Profit for the year attributable to the Group used in calculation of basic earnings per share (₹ in Crore)	942.31	428.95
Weighted average number of equity shares	48,06,16,784	48,06,16,784

The Company does not have any dilutive potential ordinary shares and therefore diluted earnings per share is the same as basic earnings per share.

NOTE 52: IMPAIRMENT ASSESSMENT OF DGEN POWER PLANT

The 1200 MW gas based power plant located at Dahej, India (DGEN), started commercial operations from November 2014. During FY 2015-16, Torrent Power Limited (the "Company") operated DGEN for intermittent periods. It did not operate the plant in subsequent periods and maintained it in cold standby mode for immediate start-up, as and when required.

In the last 3 years lot of new LNG capacity has been commissioned across the world. This is also expected to continue for next couple of years as a result of which the LNG market will remain well supplied. Further, it is also expected that the domestic gas supply will also increase in the coming years and the power demand in the country would grow in view of GDP growth projections and various initiatives launched by Government of India. The combination of these factors is expected to improve the availability of LNG and the economic viability of DGEN, based on which the estimated value in use does not indicate any requirement for impairment provision in the carrying amount of the fixed assets of ₹4,439.01 Crore relating to the DGEN plant as at 31st March, 2018.

NOTE 53: OPERATING SEGMENT

The Chief Operating Decision Maker (CODM) evaluates the Group's performance and applies the resources to whole of the Group business viz. "Generation, Transmission and Distribution of Power" as an integrated utility. Further, the Group's cable business is not a reportable segment in terms of revenue, profit, assets and liabilities. Hence the Group does not have any reportable segment as per Ind AS - 108 "Operating Segments".

NOTE 54: RELATED PARTY DISCLOSURES

(a) Names of related parties and description of relationship

1.	Parent Company	Torrent Private Limited
2. (e) Terms and conditions of outstanding balances

The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions.

Outstanding balances at the year-end are unsecured and settlement is expected to occur in cash.

NOTE 55: FINANCIAL INSTRUMENTS AND RISK REVIEW

(a) Capital management

The Group manages its capital structure in a manner to ensure that it will be able to continue as a going concern while optimising the return to stakeholders through the appropriate debt and equity balance.

The Group's capital structure is represented by equity (comprising issued capital, retained earnings and other reserves as detailed in notes 21,22) and debt (borrowings as detailed in note 23).

The Group's management reviews the capital structure of the Group on an annual basis. As part of this review, the management considers the cost of capital and the risks associated with each class of capital. The Group's plan is to ensure that the gearing ratio (debt equity ratio) is well within the limit of 2:1.

Gearing ratio

The gearing ratio at end of the reporting year is as follows.

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Debt	9,337.18	8,732.91
Total equity	9,220.06	8,247.34
Debt to equity ratio	1.01	1.06

Footnotes:

1. Debt is defined as all long term debt outstanding (including unamortised expense) + contingent liability pertaining to corporate / financial guarantee given + short term debt outstanding in lieu of long term debt.
2. Total equity is defined as Equity share capital + all reserve (excluding revaluation reserve) + deferred tax liabilities – deferred tax assets – intangible assets – Intangible assets under development

Loan covenants

The group has complied with financial covenants specified as per the terms of borrowing facilities.

NOTE 55: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

(b) Categories of financial instruments

(₹ in Crore)

	As at 31st March, 2018		As at 31st March, 2017	
	Carrying Value	Fair Value	Carrying Value	Fair Value

Other financial liabilities	2,439.36	2,439.36	2,012.50	2,012.50
	11,756.41	11,809.40	11,069.67	11,112.25

Other than equity instruments in associates recognised at cost.

(c) Fair value measurement

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 : Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTE 55: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets and liabilities that are not measured at fair value on a recurring basis (but fair value disclosures are required) :

(1) Financial assets at fair value through profit and loss (FVTPL)

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2018	As at 31st March, 2017		
Investment in mutual fund units	680.66	664.27	Level 1	Quoted bid prices in an active market
	680.66	664.27		

(2) Financial liabilities at amortised cost

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2018	As at 31st March, 2017		
Fixed rate borrowings (Non-convertible debentures)	1,147.99	1,137.58	Level 2	Inputs other than quoted prices that are observable
	1,147.99	1,137.58		

(d) Financial risk management objectives

The Group's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations, routine and projects capital expenditure. The Group's principal financial assets include loans, advances, trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Group's activities expose it to a variety of financial risks viz foreign currency risk, interest rate risk, credit risk, liquidity risk etc. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Group's senior management oversees the management of these risks. It advises on financial risks and the appropriate financial risk governance framework for the Group.

Foreign currency risk

The Group is exposed to foreign currency risks arising from various currency exposures, primarily with respect to the USD and EUR. Foreign currency risks arise from future commercial transactions and recognized assets and liabilities, when they are denominated in a currency other than Indian Rupee.

The Group's exposure with regards to foreign exchange risk which are not hedged are given below. However, these risks are not significant to the group's operation and accordingly sensitivity analysis is not given.

Unhedged foreign currency exposures

Foreign currency exposures not hedged by derivative instruments are as under:

(in Crore)

Nature of transactions	Currency	As at 31st March, 2018	As at 31st March, 2017
Financial liabilities			
Trade payable	USD	-	0.02
Capital liability	USD	*	0.06
Trade payable	EURO	1.11	2.11
Capital liability	EURO	0.01	-

NOTE 55: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

Interest rate risk

Most of the Group's borrowings are on a floating rate of interest. The Group has exposure to interest rate risk, arising principally on changes in Marginal Cost of Funds based Lending Rate (MCLR). The Group uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like non-convertible debentures and short term credit lines besides internal accruals.

The following table provides a break-up of the Group's fixed and floating rate borrowings:

(₹ in Crore)

	As at 31st March, 2018	As at 31st March, 2017
Fixed rate borrowings	1,123.28	1,127.10
Floating rate borrowings^	8,213.90	7,605.81
	9,337.18	8,732.91

^ Gross amount including unamortised expense.

Interest rate risk sensitivity:

The below mentioned sensitivity analysis is based on the exposure to interest rates for floating rate borrowings. For this it is assumed that the amount of the floating rate liability outstanding at the end of the reporting period was outstanding for the whole year. If interest rates had been 50 basis points higher or lower, other variables being held constant, following is the impact on profit.

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
Impact on profit before tax - increase in 50 basis points	(41.07)	(38.03)
Impact on profit before tax - decrease in 50 basis points	41.07	38.03

Credit risk

Trade receivables

(1) Exposures to credit risk:

The Group is exposed to the counterparty credit risk arising from the possibility that counterparties might fail to comply with contractual obligations. This exposure may arise with regard to unsettled amounts and the cost of substituting products and services that are not provided.

(2) Credit risk management:

Credit risk is managed and limited in accordance with the type of transaction and the creditworthiness of the counterparty. The Group has established criteria for admission, approval systems, authorisation levels, exposure measurement methodologies, etc. The concentration of credit risk is limited due to the fact that the customer base is large. None of the customers accounted for more than 10% of the receivables and revenue for the year ended 31st March, 2018 and 31st March, 2017. However, the Group is dependent on the domestic market for its business and revenues.

The Group's credit policies and practices with respect to distribution areas are designed to limit credit exposure by collecting security deposits prior to providing utility services or after utility service has commenced according to applicable regulatory requirements. In respect to generation business, Group generally has letter of credits / bank guarantees to limit its credit exposure.

NOTE 55: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

(3) Other credit enhancements

The Group does not hold any collateral or other credit enhancements to cover its credit risks associated with its financial assets.

(4) Age of receivables and expected credit loss

The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experienced and adjusted for forward- looking information. The expected credit loss allowance is based on ageing of the days the receivables are due and the rates as given in the provision matrix.

The age of receivables and provision matrix at the end of the reporting period is as follows.

As at 31st March, 2018

(₹ in Crore)

	Gross trade receivables	Expected credit loss (%)	Allowance for doubtful debt
Less than or equal to 6 months	1,110.93	3.03%	33.63
More than 6 months but less than or equal to 1 year	53.70	40.99%	22.01
More than one year	101.75	78.91%	80.29
	1,266.38		135.93

As at 31st March, 2017

(₹ in Crore)

	Gross trade receivables	Expected credit loss (%)	Allowance for doubtful debt
Less than or equal to 6 months	976.82	2.71%	26.52
More than 6 months but less than or equal to 1 year	38.00	58.13%	22.09
More than one year	89.71	90.15%	80.87
	1,104.53		129.48

(5) Movement in the expected credit loss allowance

(₹ in Crore)

	Year ended 31st March, 2018	Year ended 31st March, 2017
Opening balance	129.48	129.73
Movement in expected credit loss allowance on trade receivable calculated, net	6.45	(0.25)
Closing balance [Refer note 14]	135.93	129.48

Other financial assets

The Company is having balances in cash and cash equivalents, term deposits with banks, investments in government securities and investment in mutual funds. With respect to investments, the Company limits its exposure to credit risk by investing in liquid securities with counterparties depending on their Composite Performance Rankings (CPR) published by CRISIL. The Company's investment policy lays down guidelines with respect to exposure per counterparty, rating, processes in terms of control and continuous monitoring. The Company therefore considers credit risks on such investments to be negligible.

NOTE 55: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are required to be settled by delivering the cash or another financial asset. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and unused borrowing facilities, by continuously monitoring projected / actual cash flows.

Maturities of financial liabilities

The Group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest (accrued upto 31st March, 2018) and principal cash flows. The contractual maturity is based on the earliest date on which the Group may be required to pay.

As at 31st March, 2018

(₹ in Crore)

Smart Grid Journey

Change is the only constant that helps in identifying new opportunities in excellence. The distribution business has been a front-runner in adopting new technologies to realize its vision of providing reliable power supply and top quality services to the consumers. The Company implemented Geographic Information System (GIS) solution for its Ahmedabad, Gandhinagar and Surat distribution areas. GIS uses digital technologies to locate and integrate all its network assets with seamless flow of integrated information within the network and across the organization to efficiently plan, design, build, operate and manage the network. It facilitates comprehensive visual representation of all relevant data in geographical format to manage a set of complex network assets coupled with analytical capabilities for a decision support system. This will help optimize the network design, improve prudence in capital investments, reduce downtime of customers' outage and thus improve customer service cycle time across all range of services.

Path to Sustainable Development

As the power sector worldwide moves towards creating sustainable business models, Torrent also continued its march further on this path. Today's world needs more energy but cannot afford the emissions caused by it. Renewable Energy is the way to decoupling emission intensity from economic growth to meet energy needs of the people and ensure a sustainable future. As a major and responsible player in the Indian power sector, Torrent has also adopted Renewable Energy as one of the engines for growth. FY 2017-18 saw an expansion of renewable power portfolio of the Company reaching 1,550 MW of operational and under development projects.

15th ANNUAL REPORT 2018-19

CREATING VALUE

SPREADING SMILES

torrent POWER

Growth and Value Cycle

Sustaining Growth.
Enhancing Shareholders' Value.

The Company's growth philosophy focuses on increasing the capital employed by investing in new projects at returns higher than cost of capital and continuous improvement in capital efficiency through operational excellence. The Company expanded its assets base from Rs. 6971 crores in FY 09 to Rs. 24554 crores in FY 19, delivering a CAGR of about 14%. For FY 19 the total shareholder return was about 14% compared with BSE Power Index return of (-4%).

Consistent with its objective of steady growth with superior returns, Company also has a dividend policy of distributing 30% of its annual consolidated net profit after tax.

The Company seeks to enhance the quality of its growth and earnings by setting them within a corporate governance philosophy based on the core principles of transparency, integrity and accountability.

Focus on Long Term Financial Health

Plug Point – Customer Convenience

Partnering Progress.
Transforming Lives.

The Company touches 3 million plus customers, whose satisfaction is a core value. It is a continuous endeavour to increase the delight of customers in every which way, through transparent billing, near zero downtime, quick fault attendance, ease of interaction through use of digital technology and most importantly reasonable tariff based on continuous improvements in efficiency of operations.

Continuous strategic investments are made to upgrade and underground the power network, leading to industry best standards of reliability and quality of power. Benchmarking against the best globally, the Company also offers a highly rated mobile App and service portal that brings the entire bouquet of customer services at fingertips. Well-appointed and dedicated service centres, aptly named "Plugpoints", and service camps in large residential zones, energy efficiency audits and safety education embodies the spirit to be amongst the best utilities in the country.

We strive being a critical yet reliable partner in progress of every society we serve through dependable product and unmatched service.

Customer Delight

NOTES

1. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE 15TH ANNUAL GENERAL MEETING ("AGM" or "meeting") OF THE COMPANY IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF. A PROXY NEED NOT BE A MEMBER OF THE COMPANY. A person can act as proxy on behalf of members not exceeding 50 and holding in aggregate not more than 10% of the total share capital of the Company. However, a member holding more than 10% of the total share capital of the Company may appoint a single person as proxy and such person shall not act as proxy for any other member.

2. A Proxy Form is sent herewith. In case a member wants to appoint a Proxy, duly completed and stamped Proxy Form, must reach the Registered Office of the Company not later than 48 hours before the time for holding the aforesaid meeting.

3. Corporate members intending to send their authorised representatives to attend the meeting are requested to send a certified copy of the Board Resolution to the Company/ Registrar and Transfer Agent, authorising their representative to attend and vote on their behalf at the meeting.

4. Members/ Proxies/ authorised representatives are requested to bring the Attendance Slip sent herewith, duly filled in, for attending the meeting.
5. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
6. The dividend, if declared, would be paid after the conclusion of said AGM to those persons whose names appear as Beneficial Owners as at the end of the business hours on Friday, 14^{th} June, 2019 in the list of Beneficial Owner.
7. The statement pursuant to section 102 of the Companies Act, 2013 and / or regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed hereto and forms part of this Notice.
8. In terms of the section 124 of the Companies Act, 2013, the amount of dividend not encashed or claimed within 7 years from the date of its transfer to the unpaid dividend account, will be transferred to the IEPF established by the Government. Accordingly, the unclaimed dividend in respect of FY 12 of the erstwhile Torrent Cables Limited (since amalgamated with the Company) and the Company will be due for transfer to the said Fund in August, 2019. Members who have not encashed their dividend warrants for FY 12 are requested to approach the Company for payment.

   Further, pursuant to the provisions of section 124 of the Companies Act, 2013 and Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), all shares on which dividend has not been paid or claimed for seven consecutive years or more are required to be transferred to the Demat Account of IEPF Authority. The Company has sent intimation to all such members who have not claimed their dividend for seven consecutive years. All such members are requested to claim their Unclaimed Dividend expeditiously failing which their shares shall be transferred to the Demat Account of IEPF Authority and no claim shall lay against the Company. The members thereafter need to claim their shares from IEPF Authority by filing IEPF Form-5 and by following such procedures as prescribed in the IEPF Rules.
9. The Companies Act, 2013 provides nomination facility to the members. As a member of the Company, you have an option to nominate any person as your nominee to whom your shares shall vest in the unfortunate event of your death. It is advisable to avail this facility especially by the members who currently hold shares in their single name. Nomination can avoid the process of acquiring any right in shares through transmission by law. In case of nomination for the shares held by the joint holders, such nomination will be effective only on death of all the holders. In case the shares are held in dematerialised form, the nomination form needs to be forwarded to your Depository Participant.
10. Members are encouraged to utilize the Electronic Clearing System (ECS) for receiving dividends by registering their bank account details with the Company. For further information, you are requested to approach the Registrar and Share Transfer Agent of the Company.
11. **As per provisions of SEBI, transfer of listed securities shall not be processed unless the securities are held in dematerialized form. This measure is aimed at curbing fraud and manipulation risk in physical transfer of securities by unscrupulous entities. Members holding shares in physical form are requested to convert their holding(s) to dematerialized form to eliminate all risks associated with physical shares.**
12. **Trading in equity shares of the Company is compulsorily in dematerialised mode by all the members. Members are therefore advised to convert their shareholding in dematerialised form in case they wish to trade their equity shares.**
13. Members seeking any information or clarification on the accounts are requested to send written queries to the Company, atleast 10 days before the date of the meeting to enable the management to keep the required information available at the meeting.
14. Annual Report for FY 19 of the Company has been uploaded on website of the Company i.e. www.torrentpower.com.

15. All documents referred to in the accompanying Notice and the explanatory statement alongwith the Statutory Registers maintained by the Company as per the Companies Act, 2013 shall be open for inspection at the Registered Office during normal business hours (9:30 am to 6:30 pm) on all working days, (except Saturday) upto and including the date of the AGM of the Company and also will be available for inspection by the members at the AGM venue.

16. Electronic copy of the Notice of the 15th AGM along with Annual Report, inter-alia, including the remote e-voting instructions, Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company / Depository Participant(s) for communication purposes unless any member has specifically requested for a hard copy of the same. For members, who have not registered their email address, physical copies are being sent by the permitted mode.

17. With a view to conserve natural resources, we request members to update and register their email addresses with their Depository Participants or with the Company, as the case may be, to enable the Company to send communications including Annual Report, Notices, Circulars, etc. electronically.

18. Members who hold shares in physical form in multiple folios, in identical names or joint holding in the same order of names, are requested to send the share certificates to the Registrar and Share Transfer Agent, for consolidation of such multiple folios into a single folio.

19. Voting rights shall be reckoned on the paid-up value of shares registered in the name of the member / beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. Monday, 29th July, 2019.

20. In terms of section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 and regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide the e-voting facility through Central Depository Services Limited (CDSL) to its members holding shares in physical or dematerialized form, as on the cut-off date to exercise their right to vote by electronic means on any or all of the business specified in the accompanying Notice (the “Remote e-voting”). It is hereby clarified that it is not mandatory for a member to vote using the e-voting facility and a member may avail the facility at his / her discretion, subject to compliance with the instructions for remote e-voting.

    In case of members who are present in person at the meeting and entitled to vote, and have not exercised their right to vote by electronic means, the Chairman of the Company shall allow voting by way of poll in terms of rule 20 of the said rules for the businesses specified in the accompanying Notice. For abundant clarity, in the event of poll, please note that the members who have exercised their right to vote by electronic means shall not be eligible to vote by way of poll at the meeting.

    The information and other instructions regarding remote e-voting are detailed in Note No. 24.

    Shri Rajesh Parekh, Practicing Company Secretary (Membership No. A8073) has been appointed as the Scrutinizer to scrutinize the voting and remote e-voting process in a fair and transparent manner.

21. The results shall be declared by the Chairman or a person so authorised by him in writing on receipt of consolidated report from Scrutinizer. The results declared along with Scrutinizer’s Report shall be placed on the Company’s website www.torrentpower.com and on the website of CDSL and shall also be communicated to the stock exchanges where the shares of the Company are listed.

22. The SEBI has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant(s). Members holding shares in physical form are required to submit their PAN details to the Registrar and Share Transfer Agent of the Company.

23. The resolutions shall be deemed to have been passed on the date of the AGM, subject to the same being passed with requisite majority.

24. **Voting Process and other instructions regarding Remote e-voting:**

Section A: Voting Process

The members should follow the following steps to cast their votes electronically:

Step 1: Open your web browser during the voting period and log on to the e-voting website: www.evotingindia.com

Step 2: Click on "Shareholders" to cast your vote(s).

Step 3: Please enter User ID –

a. For account holders in CDSL: Your 16 digits beneficiary ID.

b. For account holders in NSDL: Your 8 Character DP ID followed by 8 Digits Client ID.

c. Members holding shares in physical form should enter Folio Number registered with the Company.

Step 4: Enter the Image Verification as displayed and Click on "LOGIN".

Step 5: If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used. If you have forgotten the password, then enter the User ID and the image verification code and click on "FORGOT PASSWORD" and enter the details as prompted by the system.

Step 6: Follow the steps given below if you are:

a. holding shares in physical form, or

b. holding shares in dematerialised form and are a first time user,

6.1(a) Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both, members holding shares in physical or dematerialized form).

Members holding shares in physical form and who have not updated their PAN with the Company are requested to enter the last 7 digits of their Share Certificate No. prefixed by "TPL". In case the certificate number is less than 7 digits enter the required number of 0's before the number. In case you are holding more than one share certificate under the same folio, enter the details of the share certificate which is higher in number.

Eg. If you are holding 3 share certificates under the same folio having certificate nos. 50111, 50112, 50113, then enter TPL0050113 in the PAN field.

Members who are holding shares in dematerialized form and who have not updated their PAN with depository are requested to use the Sequence Number as printed on the Address Sticker in case of the dispatch of the Annual Report through physical mode and as mentioned in covering email in case of dispatch of soft copy.

6.1(b) Enter the Date of Birth (DOB) as recorded in your demat account or registered with the Company for the said demat account or folio in dd/mm/yyyy format. #

6.1(c) Enter the Dividend Bank Account details (account number) as recorded in your demat account or registered with the Company for the said demat account or folio. #

Please enter either the DOB or Dividend Bank Account details in order to login. If the details are not recorded with the depository or Company, please enter the member ID / folio number in the Dividend Bank details field as mentioned in Step 3.

After entering these details appropriately, click on "SUBMIT" tab.

6.2 For demat holding:

Members holding shares in demat form will now reach “PASSWORD CREATION” menu wherein they are required to create their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. **It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.**

6.3 For physical holding:

Members holding shares in physical form will then directly reach the Company selection screen. For members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

Step 7: Click on the EVSN of the Company i.e. 190615002 to vote.

Step 8: On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES / NO” for voting. Select the option YES or NO as desired for casting your vote.

Step 9: Click on “RESOLUTION FILE LINK” if you wish to view the Notice.

Step 10: After selecting the resolution you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.

Step 11: Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.

You can also take print-out of the voting done by you by clicking on “CLICK HERE TO PRINT” option on the voting page.

Members can also use Mobile app - “m-Voting” for e voting. m-Voting app is available on Apple, Android and Windows platforms. Members may log in to m-Voting using their e voting credentials to vote for the Company resolution(s).

Section B: Other instructions regarding Remote e-voting

Step 1: The Remote e-voting period shall commence on Thursday, 1st August, 2019 at 9:00 am and end on Sunday, 4th August, 2019 at 5:00 pm. During this period, members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, may cast their votes electronically. The e-voting module shall be disabled for voting thereafter.

Step 2: Institutional members (i.e. members other than Individuals, HUF, NRI, etc.) are additionally requested to note and follow the instructions mentioned below, if they are first time user:

- Institutional members and Custodians are required to log on to www.evotingindia.com and register themselves as Corporates.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details, user would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.

Step 3: Institutional members and Custodian are required to upload the following in PDF format in the system for the scrutinizer to verify the same:

a. Copy of the Board Resolution (where institution itself is voting).

b. Power of Attorney issued in favour of the Custodian (if PoA is not uploaded earlier) as well as Board Resolution of Custodian.

Step 4: **Once the vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently or cast the vote again.**

Step 5: Members holding shares under multiple folios / demat accounts shall choose the voting process separately for each of the folios / demat accounts.

In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND REGULATION 36(3) OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

Item No. 3

Brief profile of Shri Jinal Mehta is set forth in the table below :

Age	36 years
Qualification	Bachelor of Business Studies (BBS) and Master of Business Administration (MBA) in International Business and Finance from University of Technology Sydney (UTS), Sydney, Australia.
Experience / Brief resume	He has more than 12 years of experience in the power sector, in generation, transmission and distribution segments. He was involved in set-up and operations of 1,147.5 MW SUGEN Mega Power Project and later in the implementation of 382.5 MW SUGEN Expansion (i.e. UNOSUGEN) and 1200 MW DGEN Mega Power Project. He was Director and CEO of erstwhile Torrent Energy Limited (now merged with the Company), for a period of about 3 years until 31st March, 2014. He took charge of distribution operations since April, 2014 and played a leading role in bringing about significant operational improvements in licensed and franchised distribution businesses, in terms of network modernisation, reduction in T&D losses, improved customer services and timely regulatory approvals for recovery of costs. During the year under his leadership, the Company obtained a distribution license for Dholera Special Industrial Region and won the franchised distribution area of Shil, Mumbra & Kalwa.
Date of first appointment on the Board	19th October, 2011
No. of shares held in the Company	8000
Relationship with other Directors and Key Managerial Personnel	He is son of Shri Sudhir Mehta, Chairman Emeritus and relative of Shri Samir Mehta, Chairman.
List of directorship of listed entities	Torrent Power Limited
Chairmanship / Membership of Committees of the Board in such Companies	**Torrent Power Limited** CSR Committee (Member) Stakeholders Relationship Committee (Member) Risk Management Committee (Member) Committee of Directors (Member)

Item No. 4

The members had, at the 10th Annual General Meeting of the Company held on 28th July, 2014 by way of Special Resolution, approved the payment of remuneration by way of annual commission to the Non-Executive Directors (i.e. other than the Managing Directors and Whole-time Directors) of the Company at a rate not exceeding 1% of net profits for each Financial Year, for a period of 5 years effective from 1st April, 2014. The aforesaid approval expired on 31st March, 2019.

Section 197 of the Companies Act 2013 ("the Act"), inter alia, provides that a company may pay remuneration to its Non-Executive directors (i.e. other than a Managing Director or Whole-time Director), by way of commission, not exceeding, in aggregate, 1% of the net profit of the Company for each Financial Year, as computed in the manner laid down in section 198 of the Act.

Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 provides that all fees or commission, paid to the Non-Executive directors, shall be recommended by the board of directors and shall require approval of the members in a general meeting.

It is proposed to take approval of members for payment of annual commission to Non-Executive Directors effective from 1st April, 2019 at a rate as may be determined by the Board for each year, such that the total commission does not exceed 1% of the net profit of the Company for the Financial Year, computed in the manner laid down in section 198 of the Act.

The Board recommends the resolution at Item No. 4 of the Notice, for your approval as an Ordinary Resolution.

All the Non-Executive Directors are deemed to be interested in the resolution. None of the other Directors or Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in the resolution.

ITEM NO. 5

The members had, at the 14th Annual General Meeting of the Company held on 1st August, 2018, ratified the remuneration of M/s. Kirit Mehta & Co., Cost Accountants, Mumbai as Cost Auditors of the Company at ₹12,00,000/- plus applicable taxes and reimbursements of out of pocket expenses incurred by them during the course of cost audit for the FY 19.

The Audit Committee had at its meeting held on 5th February, 2019 recommended and the Board had at its meeting held on the same day approved the re-appointment of M/s. Kirit Mehta & Co., Cost Accountants, Mumbai as Cost Auditors of the Company to conduct the audit of the Cost Records of the Company for the FY 20 at a remuneration of ₹12,00,000/- plus applicable taxes and out of pocket expenses incurred by them during the course of cost audit.

In accordance with the provisions of section 148 of the Companies Act, 2013 read with rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors, has to be ratified by the members of the Company.

Accordingly, members are requested to ratify the remuneration of ₹12,00,000/- plus applicable taxes and out of pocket expenses payable to M/s. Kirit Mehta & Co., Cost Auditors of the Company for the FY 20 by passing an Ordinary Resolution at Item No. 5 of the Notice.

None of the Directors or Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in the resolution.

ITEM NO. 6

Shri Sudhir Mehta relinquished his position as a Chairman wef 1st April, 2018, but at the request of the Board, agreed to continue as Non-Executive Director. In recognition of long and pioneering services in the development of the Company, the Board also conferred on him the title of Chairman Emeritus. Shri Sudhir Mehta even in Non-Executive capacity, spent considerable time on key matters in the business of the Company. In recognition of his mentoring and constant support during the FY 19, the Board approved annual commission of ₹5 Crore for Shri Sudhir Mehta, subject to approval of members. For the FY 18 (during which he occupied an executive role) annual commission paid to him was ₹10 Crore.

In terms of Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, approval of members by way of Special Resolution is sought for annual commission of ₹5 Crore for FY 19.

The Board recommends the resolutions at Item No. 6 of the Notice for your approval as a Special Resolution.

Shri Sudhir Mehta holds 6,882 equity shares of the Company and is related to Shri Samir Mehta, Chairman and Shri Jinal Mehta, Managing Director. Shri Sudhir Mehta, Shri Samir Mehta and Shri Jinal Mehta are, therefore, deemed interested in the resolution. None of the other Directors or Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in the resolution.

ITEM NO. 7

Members of the Company at Annual General Meeting held on 1st August, 2018 accorded consent to the Board of Directors to borrow monies (apart from temporary loans obtained from the Company's Bankers in the ordinary course of business) and create security on assets of the Company for such borrowing, in such form and manner and on such terms and conditions as the Board may deem fit, such that the total amount borrowed and outstanding at any time does not exceed ₹20,000 Crore and for the said purpose authorised the Board inter-alia, to delegate all or any of the above powers to the Committee of Directors.

Out of above borrowing limit, the Company may, at an appropriate time consider offering or inviting subscriptions for Non-Convertible Debentures (NCDs), in one or more series / tranches, on private placement basis, in order to augment long-term resources for financing the ongoing capital expenditure and other general corporate purposes.

Section 42 of the Companies Act, 2013 read with rule 14(1) of Companies (Prospectus and Allotment of Securities) Rules, 2014 provides that a company which intends to make a private placement of its NCDs, shall obtain approval of its members by means of a Special Resolution. It shall be sufficient if the company passes a Special Resolution only once in a year for all the offers or invitations for such NCDs during the year.

It is therefore found desirable to have the requisite enabling approval in place for meeting the fund requirements of the Company in an efficient manner.

Approval of members is sought for issuance of NCDs upto an aggregate ₹1,500 Crore, within overall approved borrowing limit of the Company. Such approval shall be valid in respect of all offers and invitations for such NCDs to be made in one or more series / tranches, within 12 months from the date of passing of the Special Resolution.

The Board recommends the resolutions at Item No. 7 of the Notice for your approval as a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in the resolution.

By Order of the Board
For Torrent Power Limited

Add: Balance brought forward	3,378	2,606	3,405	2,614
Add: Impact on adoption of Ind AS 115	649	-	648	-
Balance available for Appropriation	**4,910**	**3,541**	**4,946**	**3,569**
Appropriations				
Transfer to specific reserves	36	36	36	36
Dividend paid (including dividend distribution tax)	288	127	290	128
Balance carried to Balance Sheet	**4,586**	**3,378**	**4,620**	**3,405**
Basic and Diluted Earnings per Share (₹ per share)	**19**	**19**	**19**	**20**

2. DIVIDEND

The Company, as a policy, endeavours to distribute approx. 30% of its consolidated annual profits after tax as dividend in one or more tranches. Following the said policy, the Board of Directors have recommended dividend of ₹5 per equity share having face value of ₹10/- on 48,06,16,784 equity shares (PY ₹5 per equity share having face value of ₹10/- on 48,06,16,784 equity shares), amounting to ₹240.31 Crore (PY ₹240.31 Crore).

The Company will pay Dividend Distribution Tax of ₹49.40 Crore (PY ₹49.40 Crore) on the above dividend; the total outflow on account of dividend thus is ₹289.71 Crore (PY ₹289.71 Crore) i.e. 32.28% (PY 30.01%) of consolidated total comprehensive income for FY 19.

The Dividend Distribution Policy of the Company can be accessed at the Company's website: https://www.torrentpower.com/pdf/investors/06-01-2017_hfl6a_Dividend_Distribution_Policy.pdf

3. FINANCE

During the year under review, the Company has tied up ₹2,355 Crore in the form of Capex LC facility and part of the Rupee Term Loan for 499.8 MW Wind Power Project and ₹1,680 Crore in the form of term loan for its routine capex requirements, mainly for its Distribution Licensee and Distribution Franchisee businesses as well as cable business of the Company incurred and to be incurred during FY 19 and FY 20.

Outstanding amount towards long term loans, Non-Convertible Debentures (NCDs) and Accelerated Power Development and Reforms Programme (APDRP) loans as on 31st March, 2019 was ₹9,455 Crore. Details of long term loans of the Company for the year under review are provided in Note 22 to the Consolidated Financial Statements.

The consolidated debt to equity (including deferred tax liability) ratio as at the end of FY 19 was 0.90 (PY 1.01).

The particulars of loans given, guarantees provided and investments made are disclosed in Note 55 to the Standalone Financial Statements.

Credit Rating of the Company's long term loans, cash credit and NCDs has been reaffirmed by CRISIL at AA- / Stable and that of Letters of Credit / Bank Guarantees of the Company has been reaffirmed at A1+ on 29th September, 2018.

4. SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES

The Board reviews the affairs of the Company's subsidiaries and associates at regular intervals. In accordance with section 129(3) of the Companies Act, 2013, the Company has prepared Consolidated Financial Statements of the Company which form part of this Annual Report. Further, a statement containing salient features of the Financial Statements of the Company's subsidiaries and associates is given in prescribed form AOC-1 which forms part of this Annual report at page no. 238. The said Form also highlights the financial performance of each of the subsidiaries and associate companies included in the Consolidated Financial Statements.

Details pertaining to companies that ceased to be the associates of the Company during the year are provided in Note no. 41 of the notes to the Consolidated Financial Statements, forming part of the Annual Report.

In accordance with section 136(1) of the Companies Act, 2013, the Financial Statements of the subsidiary and associate companies are available for inspection by the members at the Registered Office of the Company during business hours on all days except Saturday, Sunday and Public Holiday. Any person desirous of obtaining said financial statements may write at cs@torrentpower.com. The Annual Report of the Company and Audited Financial Statements of each of the subsidiary companies have been placed on the website of the Company www.torrentpower.com.

5. DIRECTORS AND KEY MANAGERIAL PERSONNEL

The members of the Company at the 14th Annual General Meeting (AGM) held on 1st August, 2018, appointed Shri Samir Mehta as Chairman (with substantial powers of management) and Shri Jinal Mehta as Managing Director of the Company wef 1st April, 2018, for a term of five years.

The members in the same meeting re-appointed Smt. Bhavna Doshi (from 4th August, 2018 till 30th September, 2021), Ms. Dharmishta N Raval (from 16th October, 2018 till 30th September, 2021), Shri Samir Barua (from 1st April, 2019 till 30th September, 2022), Shri Keki Mistry (from 1st April, 2019 till 31st March, 2024) and Shri Pankaj Patel (from 1st April, 2019 till 31st March, 2024) as Independent Directors of the Company for second and final term.

Shri Markand Bhatt, Whole-time Director relinquished his position wef 30th September, 2018.

Shri Kiran Karnik completed his term as an Independent Director of the Company on 31st March, 2019 and in deference to his wish, was not re-appointed for second term.

The Board meeting held on 7th February, 2018 appointed Shri Sanjay Dalal as Chief Financial Officer & Whole-time KMP of the Company wef 30th May, 2018 in place of Shri T. P. Vijayasarathy who was assigned a new role in the Company.

The Board meeting held on 1st August, 2018 appointed Shri Samir Shah as Company Secretary & Whole-time KMP of the Company wef 2nd August, 2018.

As per the provisions of the Companies Act, 2013, Shri Jinal Mehta (DIN: 02685284), Director, retires by rotation at the ensuing AGM and being eligible, has offered himself for re-appointment. A brief resume and other relevant details of Shri Jinal Mehta are given in the Explanatory Statement to the Notice convening the 15th AGM.

6. DECLARATION BY INDEPENDENT DIRECTORS

The Company has received necessary declaration from the Independent Directors confirming that they meet the criteria of independence as prescribed under the Companies Act, 2013 and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. Independent Directors are in compliance with the Code of Conduct prescribed under Schedule IV of the Companies Act, 2013.

7. POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION POLICY

The Nomination and Remuneration Committee (NRC) has approved the following criteria and process for identification / appointment of Directors:

Criteria for appointment:

i. Proposed Director ("Person") shall meet all statutory requirements and should:

- possess the highest ethics, integrity and values
- not have direct / indirect conflict with present or potential business / operations of the Company
- have the balance and maturity of judgment
- be willing to devote sufficient time and energy
- have demonstrated leadership and vision at senior levels, and have the ability to articulate a clear direction for the Company
- have relevant experience with respect to Company's business (in exceptional circumstances, specialisation / expertise in unrelated areas may also be considered)
- have appropriate comprehension to understand or be able to acquire that understanding:
    - o relating to Corporate Functioning
    - o concerning the scale, complexity of business and specific market and environment factors affecting the functioning of the Company

ii. The appointment shall be in compliance with the Board Diversity Policy of the Company.

Process for Identification / Appointment of Directors:

i. Board members may (formally or informally) suggest any potential person to the Chairman of the Company meeting the above criteria. If the Chairman deems fit, necessary recommendation shall be made by him to the NRC.

ii. Chairman of the Company can himself also refer any potential person meeting the above criteria to the NRC.

iii. NRC will process the matter and recommend such proposal to the Board.

iv. Board will consider such proposal on merit and decide suitably.

Remuneration Policy:

The Company has in place a policy relating to the remuneration of the Directors, Key Managerial Personnel and other employees of the Company. The Company has revised the said policy in its Board Meeting held on 5th February, 2019. The amended policy is available on the website of the Company at https://www.torrentpower.com/pdf/investors/Remuneration_Policy.pdf

8. EVALUATION OF BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

The evaluation of Board, its Committees and Individual Directors was carried out as per the process and criteria laid down by the Board of Directors.

The proforma formats for facilitating the evaluation process of Non Independent Directors, Board as a whole and Committees were sent to all Independent Directors. A presentation on functioning of the Board and Committees containing the outcome of their evaluation and feedback was reviewed by the Independent Directors in their separate meeting and by the Board. Based on the feedback, the Board expressed satisfaction on the functioning of the Board, Committees and performance of Individual Directors.

9. MEETINGS OF THE BOARD, COMMITTEES & COMPLIANCE TO SECRETARIAL STANDARDS

The Board meets at regular intervals, with gap between two meetings not exceeding 120 days. During the year under review, the Board met four times.

The Board has five Committees namely Audit and Risk Management Committee (ARMC), Nomination and Remuneration Committee (NRC), Corporate Social Responsibility (CSR) Committee, Stakeholders Relationship Committee (SRC) and Committee of Directors (CoD). A detailed note on the composition of the Board and its Committees (ARMC, NRC and SRC) is provided in the Corporate Governance Report included in this Annual Report. Composition of CSR Committee is given in the Report on CSR Activities (Annexure C). CoD is a Board Committee to facilitate routine executive decisions and exercise of authority granted by the Board in various matters. The minutes of the CoD meetings are reviewed at every Board meeting.

During the year under the review, the Company has complied with the provisions of Secretarial Standard 1 (relating to meeting of the Board of Directors) and Secretarial Standard 2 (relating to General meetings).

10. DIRECTORS' RESPONSIBILITY STATEMENT

In terms of section 134(3) of the Companies Act, 2013, the Board of Directors state that:

a) in preparation of the Financial Statements, the applicable accounting standards have been followed and there are no material departures;

b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as on 31st March, 2019 and of the profits for the year ended 31st March, 2019;

c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) the financial statements have been prepared on a going concern basis;

e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and

f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

11. AUDITORS

STATUTORY AUDITORS

The members had at the 13th AGM of the Company appointed M/s. Price Waterhouse Chartered Accountants LLP as Statutory Auditors of the Company to hold the office from the close of the 13th AGM till the conclusion of the 18th AGM, subject to their appointment being ratified by the members in every AGM. The members of the Company approved deletion of the requirement of seeking ratification of appointment of Statutory Auditors at every AGM pursuant to amendment brought by the Companies Amendment Act, 2017.

The Auditors' Report for FY 19 forms part of this Annual Report and does not contain any qualification, reservation or adverse remark.

COST AUDITORS

Pursuant to section 148(3) of the Companies Act, 2013, M/s. Kirit Mehta & Co., Cost Accountants, Mumbai had been appointed as the Cost Auditors of the Company for FY 19 by the Board of Directors for conducting audit of cost records maintained in respect of electrical energy and electrical cables. Their remuneration was ratified by members at the 14th AGM of the Company.

The Cost Audit Report for FY 18 does not contain any qualification and was filed on 29th August, 2018 with the Central Government (within the prescribed time limit) pursuant to section 148(6) of the Companies Act, 2013.

SECRETARIAL AUDITORS

Pursuant to section 204 of the Companies Act, 2013 read with rules thereof, the Board of Directors had appointed M/s. M. C. Gupta & Co., Company Secretaries, Ahmedabad, as Secretarial Auditors of the Company for FY 19. The Secretarial Audit Report for FY 19 is annexed herewith as **Annexure A.**

There are no adverse observations in the Secretarial Audit Report which call for explanation.

12. INTERNAL FINANCIAL CONTROLS

The Company has in place adequate internal financial controls with reference to Financial Statements. During the year under review, such controls were tested by the Auditors and no reportable material weakness was observed.

13. CORPORATE GOVERNANCE

In compliance with Regulation 34 read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Report on Corporate Governance forms part of this Annual Report. Certificate of the Auditors regarding compliance with the conditions of Corporate Governance is annexed to the Board's Report as **Annexure B.**

14. CORPORATE SOCIAL RESPONSIBILITY (CSR)

During FY 19, the Company incurred CSR expenditure of ₹19.64 Crore which was higher than the obligation to spend 2% of average net profit for the past three financial years amounting to ₹19.51 Crore. The CSR activities by the Company were under the thrust areas of Community Healthcare, Sanitation & Hygiene, Education & Knowledge Enhancement and Social Care & Concern. The brief outline of the CSR policy of the Company and the details of key CSR programs and activities undertaken at Group level are provided in the Report on CSR Activities annexed herewith as **Annexure C**.

In addition to above, the Company continued other social activities during the year, the brief details of the same is described hereunder.

- **Creating livelihoods :**
  - 33 working days intensive training module, followed by structured on job training for 28 days, developed in-house by the security team at SUGEN and DGEN Power Plant, covering security, basic firefighting and working knowledge of computers for unemployed youth with basic primary education has been continued in FY19 as well; these youths, numbering 48, have been absorbed in security related jobs at SUGEN and DGEN power plants. As at end of the year, 138 youth were employed as Security Guards at SUGEN and DGEN power plants as part of the security setup.
  - 31 differently abled persons (with impaired hearing and speech) were trained for routine cleaning of solar panels at the GENSU Solar Plant, thus providing them a dignified livelihood.
  - Employment to uneducated and destitute locals for horticulture, house keeping and canteen work.
- **Community Healthcare :**

  SWADHAR – the community health care centre at SUGEN Plant, provided primary health care facilities at nominal cost to the surrounding communities. FY 19 witnessed enhanced scope through inclusion of specialized consultations in the areas of Dental care, Ophthalmology, Dermatology, Gynaecology, Physiotherapy and Orthopaedic. The enhancement in scope resulted in a surge in the number of patients served during year to about 85,000. Till 31st March, 2018 a total of 80,640 patients in general ailment category were benefited whereas during FY 19, total 84,714 patients, including 23,806 patients with specific ailment. The cumulative patients served since inception of the program was 1,65,354.

- **Donations :**

  The Company also made donations amounting to ₹9.20 Crore to various organisations for activities related to healthcare, education, arts & culture, science, relief to disaster victims; socio-economic development including de-addiction, skill development; self-help groups, youth, upliftment of women, integrated development of tribes; etc.

15. ENVIRONMENT, HEALTH AND SAFETY (EHS)

The Company accords utmost importance to EHS in its various operations. The key developments concerning EHS during FY 19 includes:

- Zero Liquid Discharge (ZLD) since August 2017 at SUGEN plant.
- SUGEN, UNOSUGEN, DGEN and Cable Units have upgraded to the 2015 version of ISO standards. Generation plants have also implemented 5-S programme and got certified by Quality Circle Forum of India (QCFI).
- Implemented "Behaviour Based Safety" (BBS) to develop and inculcate safety as a behavioural aspect of each individual. Safety trainings were imparted to employees at different locations.
- Health talks related to common health problems such as Hypertension, Diabetes, Life Style Disease, yoga sessions, mini marathon etc. were conducted for employees.
- Drip Irrigation System in AMGEN premises to save water, rainwater harvesting at Meghdhanush housing colony of DGEN, extension of remote calibration facility for Continuous Emission Monitoring System (CEMS) to Central Pollution Control Board (CPCB) as per the applicable regulations.
- E-learning initiative taken up for EHS training in SUGEN, DGEN and GENSU. Specialized external training workshops were organised for critical activities such as lifting and rigging, working at height, hot works, confined space working and safe scaffolding, training for CPR technique (with latest analytical tool) with practical demonstration and practice, Mock drills for different kind of emergency scenarios such as electrical shock, fire in office premise after duty hours, oil spillage in the workshop etc.
- Measurement and monitoring of environmental parameters related to drinking water quality, food quality, work place noise, energy consumption stores, usage of environmentally friendly bio-degradable ester oil in place of mineral oil in distribution transformers in densely populated and congested areas to enhance safety and to prevent land contamination.
- Celebrations of Electrical Safety/ Chemical Safety / National Safety / Anti-Tobacco / Road Safety weeks, World Heart Day, National Fire Service Day, World Environment Day, Earth Day, etc.

Moreover, the Company has in place the "Conviction for Safety" policy, which provides for substantial compensation to the personnel (Employees as well as Contractors) and their families, who are adversely affected by accidents.

16. VIGIL MECHANISM

The Company has in place a Whistle Blower Policy pursuant to the applicable statutory requirements. The details of the Whistle Blower Policy are explained in the Report on Corporate Governance.

17. INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

Pursuant to the provisions of sections 124 and 125 of the Companies Act, 2013 and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended from time to time, during the year under review, the Company has credited unpaid / unclaimed Dividend and equity shares to the Demat account of IEPF Authority as per the details mentioned below:

Dividend for Financial Year	Unpaid / Unclaimed Dividend transferred (in ₹)	No. of equity shares transferred
2010-11	1,63,43,497/-	4,49,354
2011-12 (Interim)	89,20,242/-	96,978

During the year under review, the Company has also credited dividend declared for FY 18 amounting to ₹61,80,205/- to IEPF account arising on 12,36,041 equity shares already transferred to IEPF authority.

Members whose shares and unclaimed dividend, have been transferred to the IEPF Demat Account or IEPF account, as the case may be, may claim the shares or apply for refund of dividend by making an application to the IEPF Authority in Form IEPF-5 (available on http://www.iepf.gov.in). Details of members whose dividend remained unpaid for 7 consecutive years or more may be accessed at Company's website at www.torrentpower.com.

ANNEXURE A

FORM NO. MR-3

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2019
[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Torrent Power Limited,
"Samanvay", 600 Tapovan,
Ambawadi, Ahmedabad – 380 015

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Torrent Power Limited CIN: L31200GJ2004PLC044068 (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on our verification of Torrent Power Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by "the Company", for the Financial Year ended on 31st March, 2019 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made thereunder;

ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;

iii. The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

   (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

   (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

   (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009/2018; **(Not applicable to the Company during the Audit Period)**

   (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **(Not applicable to the Company during the Audit Period)**

   (e) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

   (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 **(Not applicable to the Company during the Audit Period);**

(g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

(h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(Not applicable to the Company during the Audit Period)**; and

(i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998/2018; **(Not applicable to the Company during the Audit Period).**

vi. The Company has complied with following other laws specifically applicable to the Company:

(a) Electricity Act, 2003

(b) Gujarat Electricity Duty Act, 1958

(c) Gujarat Electricity Industry (Reorganisation and Regulation) Act, 2003

(d) Gujarat Electricity Grid Code, 2013

(e) Energy Conservation Act, 2001

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board meetings, agenda and detailed notes on agenda were usually sent seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

There were no dissenting views on any matter.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period under review the Company has no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

ANNEXURE B

AUDITORS' CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

TO THE MEMBERS OF
TORRENT POWER LIMITED

We have examined the compliance of conditions of Corporate Governance by Torrent Power Limited (the "Company"), for the year ended March 31, 2019 as stipulated in Regulations 17, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (collectively referred to as "SEBI Listing Regulations, 2015").

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance, issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations, 2015.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

ANNEXURE C

REPORT ON CSR ACTIVITIES FOR FY 19

1. **A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs**

Inspired by noble ideas of the founder Chairman late Shri U N Mehta, Torrent Group deeply subscribes to its responsibilities as a corporate citizen and believes in carrying out its industrial and business activities in a socially and environmentally responsible manner balancing the needs of all stakeholders and contributing to the upliftment and well being of the disadvantaged sections of the society.

The Company, as a part of its CSR programmes / activities, made dedicated efforts in the fields of Community Healthcare, Sanitation & Hygiene, Education & Knowledge Enhancement and Social Care & Concern. It is in this backdrop that the Company has drawn up its CSR policy and conducted its programmes and activities for the FY 19.

Overview of projects or programs undertaken

Major CSR initiatives undertaken by the Company during FY 19, are enumerated hereunder:

1. **REACH:** Driven by the belief of our Chairman Emeritus, Shri Sudhir Mehta '**Children are the future of our nation and this future must be well preserved',** the flagship CSR program of the Group **"REACH" – Reach EAch CHild** was initiated in the year 2016 under the aegis of Tornascent Care Institute. REACH has three major pillars: **(a) SHAISHAV (b) JATAN and (c) MUSKAN.** The program has made a strong headway in the current year at all the four centres viz. SUGEN (near Surat), Dahej, Indrad and Nadiad / Balasinor and across all the three pillars, with increase in the scope and reach. Salient achievements are:

   - Under the first pillar of the program **"Shaishav"**, so far 289 paediatric camps covering 372 villages and 58,000+ underserved children (in the age group of 6 months to 6 years) were conducted, to obtain their base line health status, identify and treat anaemia and malnutrition and provide specialised treatment to those identified with cardiac, neurological, respiratory and the like disorders. Till date, more than 90% of the children were cured of their anaemic condition and around 79% of children were brought out of severe malnourishment. To improve the effectiveness in treatment of malnourishment an extensive in-house research was carried out to develop palatable nutri-dense recipes from easily available local ingredients, without any compromise in the nutrient content. After duly testing for nutrient content in certified laboratories, **"Mauji Biscuits"** were launched. **"Mauji Biscuits"** proved to be a success story as 63% of 12,976 children addressed were cured. In FY 19, emphatic focus was to ensure complete recovery in children having specific ailments, identified during camps or in Jatan centers. Specialised treatment was co-ordinated with referral hospitals and 985 children were restored to normalcy till 31st March, 2019.

   - **"Jatan",** the second pillar of the program, focuses on providing the paediatric care through well equipped Paediatric centres to children in the age group of 0-18 years. Established in year 2017, all 4 centres at SUGEN, Dahej, Balasinor and Indrad are successfully supporting the basic medical needs of children in these four areas. Treatment by doctors, medicines & basic laboratory tests are provided free of cost. 1,47,000+ children have benefited till 31st March, 2019.

     A Paediatric Hospital at SUGEN

     To provide intensive and inclusive healthcare solution to paediatric patients, a 150 bedded secondary care hospital is being constructed near SUGEN plant. The target date for commissioning and dedicating the hospital is 2nd October, 2019.

   - Under **"Muskaan"**, the third pillar of the program, counselling and support is provided to the adolescent girls of villages near SUGEN, Dahej & Indrad centers for menstrual hygiene and sanitation by giving them free health and hygiene kits which include sanitary pads, soap, shampoo, etc. About 6,300 adolescent girls of

125 villages near above specified centres, between 11-18 years of age were provided kits on monthly basis during the year. This programme has helped gradual eradication of physiological and social taboos and increased confidence and self-esteem amongst them.

Through large scale employee participation, a new initiative was launched in the name of **“જાગરણ એ જ નિવારણ”,** with an aim to spread health awareness amongst the communities about curative facilities available at Bal Arogya Kendras so as to prevent diseases. The targetted population includes patients waiting for consultation at Jatan, mothers hailing from villages where camps are conducted and others who come in contact during follow up interventions.

2. **Shiksha Setu :** The Teaching and Learning Programme conducted through UNM Foundation completed third year of Phase II. This programme covers 13 schools located near SUGEN, Chhatral, Chhapi, Memadpur and Ahmedabad locations having 4,600+ students and 150+ teachers of 3-8 standards. Focus in FY 19 continued to be on enhancing learning levels of students through academic workshops and technology based education tools provided in the schools. About 4,600 students from 3rd to 8th standard (including 13 program schools and 7 control schools) participated in technology based learning assessment and achieved 21% YOY improvement in learning levels compared to previous year's result.

   Based on the result analysis, gaps in concepts and skills were identified and continuous inputs were provided to teachers and students.1,037 academic sessions were carried out on different topics for 150+ teachers on strengthening academic concepts. Additionally, focused intervention through remedial tools was carried out to improve basic skills in Language & Mathematics of academically weak students and bring them at par with others.

3. **Development of Public Parks:**

   The Company along with one of India's best known landscape design firm, developed a detailed process that is an exemplar on how public projects should be undertaken and embarked upon. Six other firms in Ahmedabad have joined hands under LEAF (Landscape Environment and Advancement Foundation) to undertake this work. After visiting many parks in Ahmedabad, 15 parks with differing sizes, which were equally distributed in Ahmedabad, were chosen for development. During the year, 6 parks measuring approx. 33,000 sqmt (under Phase 1) have been fully developed by the Company and are open for public use. The design of the other parks of Phase II is in Progress.

4. **Donation of Medical Equipment:**

   The Company donated and installed CT Scanner and MR machine at Parvati Jadhav Hospital, Ahmedabad to partially improve the medical infrastructure of Hospital. The Hospital is in operation since 8th September, 2014 and is a multi-speciality hospital catering to poor and needy people with nominal charges on No Profit No Loss basis.

5. **National Cancer Institute:**

   The Company contributed to Dr. Abaji Thatte Seva Aur Anusandhan Sanstha, Nagpur to establish laboratory sciences department and to procure 1 mobile cancer detection unit complete with CR, Mammography X-Ray, with necessary furniture and other medical equipments. Dr. Abaji Thatte Seva Aur Anusandhan Sanstha is a registered charitable trust established in 1996 focuses on alleviating suffering of people with various medical illnesses.

The CSR Policy and approved CSR budget for FY 19 are available for reference on the website of the Company at:

https://www.torrentpower.com/pdf/investors/02-06-2016_rautx_csrpolicy.pdf &

https://www.torrentpower.com/pdf/investors/14-11-2018_8oc69_CSR_Plan.pdf respectively.

A brief outline of the CSR policy is given below:

- three thrust area in which CSR activities are planned (a) Community Healthcare, Sanitation & Hygiene (b) Education & Knowledge Enhancement (c) Social Care & Concern.
- the CSR projects are conducted, preferably in local area(s) around which the Company (including its Units) operates, after approval of CSR Committee and Board with estimated budget and implementation schedules thereto. Half-yearly monitoring of the implementation of the CSR policy and Plan be done by the CSR Committee.
- CSR projects may be implemented directly whereby the Company implements the CSR projects on its own or through its Trust / Society / Section 8 company or Group company Trust / Society / Section 8 company; and / or indirect whereby the Company implements the CSR Projects through an external Trust / Society / Section 8 company.

2. **The Composition of CSR Committee:**

Name of Director	Category of Directorship
Smt. Bhavna Doshi, Chairperson	Independent Director
Shri Samir Barua	Independent Director
Shri Jinal Mehta	Managing Director

3. **Average net profit of the Company for last three Financial Years:** ₹975.70 Crore.

Notes:

* Shri Sudhir Mehta relinquished the position of Chairman wef 1st April, 2018 but at request of Board, continued as Non-Executive Director.

** Shri Markand Bhatt relinquished the position of Whole-time Director wef 1st October, 2018.

2. Sub-clause (iii) of Rule 5(1): The median remuneration of the employees in FY 19 increased by 6.72%. The employees who are members of a union and whose remuneration is based on periodic settlements have been excluded for this purpose.

3. Sub-clause (iv) of Rule 5(1): The number of permanent employees on the rolls of Company as on 31st March, 2019 was 7,647.

4. Sub-clause (viii) of Rule 5(1): The average percentage increase made in the remuneration:

   - of employees (excluding Directors, Managerial Personnel, other Key managerial personnel & employees who were employed for part of the previous year) is 11.76%;
   - of managerial personnel is -37.52%.

   The decrease in the remuneration of managerial personnel is due to cessation of two of the Managerial Personnel during FY 19.

5. Sub-clause (xii) of Rule 5(1): It is hereby affirmed that the remuneration paid is as per the Remuneration policy of the Company.

6. Rules 5(2) and 5(3): The information required under Rules 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, forms part of this Annual Report. Having reference to the provisions of section 134 and section 136 of the Companies Act, 2013, the Reports and Accounts are being sent to the members excluding such information. However, the said information is available for inspection by the members at the Registered Office of the Company during its working hours up to the date of ensuing Annual General Meeting. Further, any member interested in obtaining such information may obtain it by writing to the Company Secretary at cs@torrentpower.com.

For and on behalf of the Board of Directors

Samir Mehta
Chairman
DIN: 00061903

Ahmedabad
15th May, 2019

ANNEXURE F

Form No. MGT-9

EXTRACT OF ANNUAL RETURN

ANNEXURE G

A. CONSERVATION OF ENERGY

i) The steps taken or impact on conservation of energy:

A. SUGEN AND UNOSUGEN:

- Energy conservation initiatives implemented have resulted in annual energy savings to the tune of 1,14,07,553 kWh.
- PVC tubing has been replaced with Copper tubing in Water Treatment and Demineralisation Plants which has resulted in checking air leaks thereby reduced air and energy consumption.

B. DGEN:

- Energy conservation measures have resulted in annual energy savings to the tune of 22,41,320 kWh.
- Replacement to LED lighting being done progressively.
- Solar power to the tune of 41,628 kWh generated and utilized at the Meghdhanush housing colony.

C. AMGEN:

- Primary air preheater replacement & Secondary air heater outlet to ESP inlet corroded duct replacement at E station; saving 3000 kWh per day in fan power consumption.
- Primary air heater repairing, primary air heater cold air duct patching, secondary air heater seal servicing at F station; saving 1,500 kWh per day in fan power consumption.
- At D & E station, drum & super heater passing safety valve replaced.
- Replacement of 71 inefficient Air Conditioners and 8 Water Coolers with energy efficient one.
- Replacement of old conventional lights with energy efficient LED lamps at D/E/F/CHP Control room, Conveyor belt, D/E Clear well pump house, parking and BOP area.

D. DISTRIBUTION AREAS – AHMEDABAD, SURAT, DAHEJ, AGRA AND BHIWANDI:

- Installation of additional 33/11kV substations and bifurcation of overloaded 11kV (LT&HT) feeders resulting in reduction in technical losses.
- Installation of APFCs to improve PF at LT side of DTCs.
- Installation of additional distribution substations to optimize LV networks and thereby technical losses.
- Revamping and undergrounding of LT networks of 650 Distribution Transformers at Ahmedabad and Agra distribution areas to improve the reliability and reduce the losses.
- Installation of energy efficient air conditioning system and lighting system for all new and renovated premises; saving ~2,10,790 kWh annually.
- Replacement of the conventional outdoor lighting by LED lights; saving around ~1,21,665 kWh annually.
- Replacement of conventional lighting by LED in EHV substations; saving ~2,20,675 kWh annually.
- Installation of LED lights at 220 kV Control room and energy efficient Air-conditioner at 33 kV East Control room at TPL-Dahej.
- Procurement of Star rated energy efficient Distribution transformers having lower losses.
- Installation of Automatic Power Factor Correction Panels at substations.
- Undergrounding of 62.30 KM of 11 kV lines, 14.66 KM of 33 kV lines and 726.91 KM LT lines.

- Energy conservation campaign for awareness of consumers through leaflets, energy bills, display at the Company's customer care centres and thorough customer meet.

E. CABLES UNIT:

- Replaced 120 250W HPMV lamps & twin tubelights of low wattage with Lamps in Plant lighting.
- Replaced 10 DC motors of various ratings with new high efficiency AC motors with Variable Frequency Drive.
- Replaced two old machines (56 wire stranding & wire drawing) with new energy efficient Machines.

ii) The steps taken by the Company for utilising alternate sources of energy:

- 50 kW roof top installed on the common buildings at the housing colony together generated 74,892 kWh in FY 19.
- 6.3 kW floating solar installed inside Water Reservoir generated 8,200 kWh in FY 19.
- 42.7 kW roof top installed on roof of the administration building generated 65,235 kWh in FY 19.
- Since the launch of the rooftop Solar policy, Company has facilitated intallation of over 45 MW of solar power across numerous residential, commercial premises. In FY 19, Company has facilitated installation of over 3,800 rooftop Solar projects totalling over 22.67 MW.

iii) The capital investment on energy conservation equipment: NIL

B. TECHNOLOGY ABSORPTION

i) The efforts made towards technology absorption:

A. SUGEN AND UNOSUGEN:

- Redundant power supply has been provided to HP Bypass Hydraulic system panel and independent power supply has been provided to each of the two Hydraulic Pumps from different boards instead of one source to increase availability and reliability of SUGEN Units.
- Redundant Power supply provided for UNOSUGEN Gas Receiving Station control panel to increase reliability and availability of gas supply to UNOSUGEN.
- DM Plant PLC has been provided with dual UPS for redundancy and reliability.
- Steam Turbine trip from Main Steam Shut off valve close feedback has been modified to 2 out of 3 logic to increase reliability and availability of the UNOSUGEN.
- Additional pressure transmitters provided in critical DC Lube oil system and GT pneumatic system of Unit 40 for continuous monitoring of process from control room.
- Drive logic of Pumps/ Fans of Unit 30 (30LCB12AP001, MKW12AP001 & MKW72AN001) has been segregated to seperate racks of DCS to increase availability and unit reliability.
- Modifications implemented in Main Cooling Water Pump level logic and Intakewell Pump vibration logic to increase equipment availbility and reliability.
- Automatic interlock provided for shutting down DM water production on high conductivity to avoid contamination of DM water in storage tank.
- UNOSUGEN Condensate Extraction Pump tripping from Dearator level low was modified such that it won't trip in case Deaerator is out of service.
- UNOSUGEN CW Pump tripping from Condensor temperature high was removed to improve availability of cooling water system incuding CW Pumps.

- UNOSUGEN Gas Turbine tripping on GT Drain tank temperature high has been removed in line with SUGEN/ DGEN units to increase availabilty of Unit.
- UNOSUGEN Boiler Feedwater Pump interlock with its lube oil pressure was modified by removing timer to make the Feed Pump available quicker.
- In UNOSUGEN, additional alarms and warning implemented for critical processes like GT Blow Off Valve, ST Hyd Oil system, Instrument Air system, etc for early warning to Operator.
- UNOSUGEN DCS has been upgraded to version V7.2.
- ABT System of SUGEN/ UNOSUGEN has been modified to capture GENSU export details.
- BFP/ CWP Motor protection relay configured for pickup event alarm for early warning to operators.
- Nitrogen blanketing system is provided in ST Hydraulic system for improved quality of ST Hydraulic oil.
- Anti sweating insulation provided in Gas Receiving Station gas pipeline to avoid corrosion of pipes and increase reliability.

B. GENSU

- Astronomical Timer has been provided in lighting system.

C. DGEN:

- Main gas supply line shutoff valve solenoid power supply fitted with electronic barrier to increase operational reliability and safety.
- HCL tank level transmitter replaced with radar type to increase operational reliability and safety.

D. AHMEDABAD, SURAT AND DAHEJ DISTRIBUTION AREAS:

- Implementation of GIS for Ahmedabad, Surat and Dahej Distribution areas.
- 11 kV Distribution Automation in 265 substations at Ahmedabad and Surat.
- Implemetnation of Automatic Meter Reading System for HT Consumers at Ahmedabad, Surat and Dahej.
- Use of condition monitoring system including thermal imaging camera, partial discharge detectors etc to distribution assets.
- Implementation of VESDA (Very Early Smoke Detection System) at Central Stores at Surat.
- 220 kV GIS SS charged at C Station and 66 kV AIS converted into GIS at C Station and Commissioning of 220 kV Cable concluded for 'C-Bhatar' connectivity at Surat.
- Implementation of Field force mobile application for quality supervision during field visits, HT/LT network cable patroling and Meter (O&M) activities.

E. BHIWANDI AND AGRA DISTRIBUTION AREAS:

- Usage of environmentally friendly bio-degradable ester oil in place of mineral oil in Distribution transformers.
- Installation of SCADA and automated RMUs at 22kV feeders.
- Installation of Automated FSP for high loss DTCs.
- Relay co-ordination of all 22kV feeders starting from EHV sub-station to last end protection element.
- Implementation of Pre-payment metering at Agra.

- Implementation of Automatic Meter Reading System for High Value consumers at Bhiwandi. Installed Insulated Pole top box under DT Cleaning - 2100 Nos.
- Use of CYMDIST software for network designing. All HT network Modeling has been completed and LT modelling is under progress.
- Smart Group Meter Pole Top Box installed - 600 Nos.
- Installation of theft proof joints at around 3,030 locations in replacement busbar distribution box.
- Use of Thermography camera for finding hot spot.

ii) The benefits derived:

A. GENERATION:

- Cost reduction
- Better availability, reliability and safety
- Improved efficiency

B. DISTRIBUTION:

- Better availability, reliability and safety
- Reduced power interruptions & enhanced customer satisfaction
- Reduction of energy losses and theft
- Increase of evacuation capacity utilizing same corridor
- Reduction in power restoration time

iii) In case of imported technology (imported during the last three years reckoned from the beginning of the Financial Year): Not Applicable

I. the details of technology imported;

II. the year of import;

III. whether the technology been fully absorbed;

IV. if not fully absorbed, areas where absorption has not taken place, and the reasons thereof; and

iv) The expenditure incurred on Research and Development: No expenditure has been incurred on R&D.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

Description	₹ in Crore
Foreign Exchange Earned (Actual Inflow)	6.62
Foreign Exchange Used (Actual Outflow)	2,071.57

For and on behalf of the Board of Directors

Samir Mehta
Chairman

Ahmedabad
15th May, 2019

MANAGEMENT DISCUSSION AND ANALYSIS

POWER SECTOR – STRUCTURE AND DEVELOPMENTS

India's power sector can be broadly segmented as under:

Generation : Includes thermal (dominated by coal with some gas-based capacities), hydro, nuclear and renewables (mainly wind and solar).

Distribution : Mainly comprising of state-owned utilities and few private utilities.

Transmission : Comprising of state networks, inter-state networks and inter-regional networks.

The power sector is mainly regulated through Tariff Policy 2016 of the Central Government, Electricity Act, 2003 and rules and regulations framed thereunder. The regulatory set-up for power sector comprises of the federal Ministry of Power as the policy setting body, Central Electricity Regulatory Commission (CERC) and State Electricity Regulatory Commissions (SERCs) with clearly demarcated areas of regulation.

Generation segment is fully deregulated with freedom to set up new generation capacities, subject to compliance with applicable laws. While generation plants prior to 6th January, 2006 (with a few exceptions) continue to be entitled for cost plus prescribed Return on Equity (ROE) tariff regime under two part tariff structure, all new generation capacities have to bid for selling their power under a competitive bidding process initiated by distribution companies seeking to procure additional power.

Distribution segment is regulated by the appropriate SERCs under cost plus prescribed ROE tariff regime. The Government has declared its policy intent to further deregulate the distribution segment by unbundling of wire infrastructure and supply businesses of the distribution companies - regulating the wire business on cost plus prescribed ROE tariff regime and opening up the supply business to competition by allowing multiple suppliers and choice to consumer to decide his electricity supplier.

Transmission projects prior to 6th January, 2011 are regulated by appropriate regulatory Commissions by way of cost plus prescribed ROE tariff regime and all new inter-state transmission projects (with a few exceptions) are awarded under a tariff based competitive bidding process.

Post deregulation of electricity generation, a lot of Independent Power Producers (IPP) from private sector set up new thermal generation (coal and gas-based) capacities. This resulted in country's generation capacity exceeding the demand, leading to sharp reduction in peak power / energy deficits. Many of the IPPs set up new capacities with inadequate risk management, which also resulted in lot of stranded capacities (currently estimated at approx. 50 GW). Many of these stranded capacities are likely to be taken through the Insolvency Resolution process due to their default on financial obligations and are expected to be available at sharp discounts to current costs for creating these capacities.

Due to emphasis in Government policies and regulations aided by sharp reduction in capital costs, there has been a massive increase in installed capacities in renewable energy space – more particularly wind and solar. The Government has targeted to reach 175 GW of installed renewable energy capacity by March 2022. Wind and solar electricity prices have reached grid parity prices. The country's renewable energy capacity is expected to witness strong growth in the coming years.

Distribution segment is seen as the weakest link in India's power system and recognising this, the Central Government successfully launched its flagship scheme Ujwal Discom Assurance Yojana (UDAY) with a view to improve the operational and financial performance of the distribution companies. In addition, several policy measures have been proposed, such as stringent Aggregate Technical & Commercial (AT&C) loss targets, Direct Benefit Transfer scheme, pre-paid supply, service standards for Discoms, etc. The power-for-all scheme, Sahaj Bijli Har Ghar Yojana (SAUBHAGYA), targeted to electrify all villages in the country, has been successfully implemented by the Government during the year.

Transmission segment, which is now deregulated, witnessed 18 new projects involving investment of approximately ₹16,000 Crore being brought up for competitive bidding during the year. This segment will require huge investments in creation and upgradation of transmission capacities to cater to increased power capacities (including green corridors for renewable capacities) and improve the power flow from surplus regions to deficit regions.

BUSINESS MODEL

The Company is an integrated power utility engaged in the businesses of electricity generation, transmission and distribution with operations spread across the states of Gujarat, Maharashtra, Uttar Pradesh and Karnataka.

1. **Generation**

The Company has total generation capacity of 4,553.8 MW (including under construction) spread across thermal and renewable generating assets.

A. **3,092 MW Thermal Generation**

i. **362 MW coal-fired thermal generation**

The 362 MW AMGEN Power Plant at Ahmedabad in Gujarat is an embedded generation unit for the licensed distribution area of Ahmedabad. It is regulated by Gujarat Electricity Regulatory Commission (GERC) which allows cost plus post-tax ROE of 14% as part of the regulated tariff.

ii. **2,730 MW gas-fired thermal generation**

The Company has three gas based plants namely 1,147.5 MW SUGEN Mega Power Plant, 382.5 MW UNOSUGEN Power Plant and 1,200 MW DGEN Mega Power Plant. All three are regulated by CERC which allows cost plus post-tax ROE of 15.5% as part of the regulated tariff. Of the above gas-fired thermal generation, 1,582.5 MW capacity (comprising UNOSUGEN and DGEN) is stranded for want of demand.

B. **1,461.8 MW Renewable Generation**

i. **610.5 MW operational projects**

The operational renewable generation capacity of 610.5 MW (138 MW Solar and 472.5 MW Wind) have long-term Power Purchase Agreements (PPAs) at preferential feed-in-tariffs, which ensure attractive returns. Out of this capacity, 490.5 MW capacity is for meeting the Renewable Power Purchase Obligations of Company-operated distribution utilities.

ii. **851.3 MW under construction projects**

The following are the major under construction projects:

❖ **499.8 MW Wind Power Project at Gujarat**

The project was won by the Company under the SECI III auction held in FY 18 at a tariff of ₹2.44 per kWh for a period of 25 years with scheduled commissioning by November 2019. The project will be set up at an expected cost of ₹3,329 Crore and is delayed, primarily due to land availability issues in Gujarat. Currently, such delay is not expected to have any material cost impact.

❖ **126 MW Wind Power Project at Maharashtra**

The project was won by the Company under the Maharashtra State Electricity Distribution Company Limited (MSEDCL) auction held in FY 18 at a tariff of ₹2.87 per kWh for a period of 25 years with scheduled commissioning by January 2020. The project will be set up at an expected cost of ₹918 Crore within the scheduled commissioning time. The project is being implemented by Torrent Solargen Ltd, a wholly owned subsidiary of the Company.

❖ **115 MW Wind Power Project at Gujarat**

The project was won by the Company under the SECI V auction held in FY 19 at a tariff of ₹2.76 per kWh for a period of 25 years with scheduled commissioning by July 2020. The project will be set up at an expected cost of ₹800 Crore. The project is being implemented by Torrent Solargen Ltd, a wholly owned subsidiary of the Company.

❖ **100 MW Wind Power Project at Gujarat**

The Company had entered into an arrangement with Inox Wind Ltd. for 150 MW wind power project won by it under the SECI I auction at a tariff of ₹3.46 per kWh for a period of 25 years. The project has been downsized from 150 MW to 100 MW. The downsized project will be set up at an expected cost of ₹683 Crore and is expected to commission by July 2019. The project is being implemented through SPVs, the ownership of which will be transferred to the Company after the transfer restriction period.

2. Distribution

The Company operates as a licensee for power distribution in the cities of Ahmedabad, Gandhinagar, Surat and Dahej, aggregating to 425 sq kms of area. During FY 19, the Company was awarded distribution license for Dholera Special Investment Region - DSIR (920 sq kms) for 25 years as an additional licensee. The licensed distribution business of the Company is regulated by GERC which allows post-tax ROE of 14% as part of the regulated tariff.

The Company operates as a franchisee (of the license holder) for power distribution in the cities of Bhiwandi and Agra, aggregating to 942 sq kms of area. The franchise agreement period for Bhiwandi is upto 2027 and for Agra is up to 2030, but may be renewed on expiry. During FY 19, the Company was awarded distribution franchise for Shil, Mumbra & Kalwa (SMK) area covering approx. 65 sq kms (under Thane urban circle) by MSEDCL, based on competitive bidding process, for a period of 20 years. The franchised distribution business of the Company is governed by the respective Distribution Franchise Agreements executed between the Company and State Discom as license holder. The main thrust of the Company is to reduce AT&C losses in the franchised areas and improve customer services.

In addition to above, the Company has non-material transmission and electrical cables manufacturing businesses.

OPERATIONAL AND FINANCIAL PERFORMANCE

1. Operating Performance

The following tables set forth the key operational parameters:

A. Thermal Generation

Particulars	AMGEN*		SUGEN	
	FY 19	FY 18	FY 19	FY 18
PAF (%)	93.13	93.21	98.46	95.86
PLF (%)	87.84	83.21	62.29	65.26
Net Generation (MUs)	2,550	2,406	6,105	6,396

*Excluding 60 MW C station which has been retired wef 2nd April, 2018

UNOSUGEN and DGEN projects did not operate during the year primarily for want of demand.

While the PLF at AMGEN was high due to better fuel cost and its status as an embedded generation plant, the PLF of SUGEN was marginally lower as compared to previous year mainly on account of lower off take by long term beneficiaries and underutilisation of merchant capacity. In spite of continuing unavailability of domestic gas and relatively higher cost of imported LNG, SUGEN was able to operate at decent PLFs compared to other gas-based plants in the country mainly on account of highly efficient plant operations, judicious usage of imported LNG contracted at attractive prices and selling of power through short term contracts.

B. Renewables

Operational Projects	Solar		Wind	
	FY 19	FY 18	FY 19	FY 18
Capacity (MW)	138	138	472.5	430.5
PLF (%)	17.57	17.27	30.08	27.33
Net Generation (MUs)	212	209	1,140	673

Solar PLF was higher than previous year on account of better solar irradiation. Wind PLF was better on account of first year of full operation of projects commissioned last year and better wind speeds.

C. Licensed Distribution

Particulars	Ahmedabad & Gandhinagar		Surat		Dahej	
	FY 19	FY 18	FY 19	FY 18	FY 19	FY 18
Area (sq. km.)	~356	~356	~52	~52	~17	~17
Sales (MUs)	7,835	7,461	3,276	3,301	426	312
Growth (%) over PY	5.02		(0.75)		36.64	
T&D Loss (%)	5.61	6.31	4.21	4.35	0.35	0.40
Open Access (MUs)	27	130	-	-	-	-
Consumer Base (lakhs, except Dahej)	19.41	18.99	6.11	6.06	106 *	101 *
Peak Demand (MW)	1,906	1,832	687	671	66	58

*represents number of industrial consumers; Dahej license area comprises the Dahej SEZ area, which is made up of export oriented manufacturing units.

The sales growth in Ahmedabad was 5.02% representing normal load growth and reduction in open access availment. The sales in Surat were marginally lower mainly on account of slowdown in textile and diamond industries. The sales in Dahej were higher by 36.64% in FY 19 mainly due to addition of new consumers and increase in industrial demand.

The Company was able to reduce T&D losses further as compared to last year and they continue to remain the lowest in the country.

GERC passed Tariff Order dated 24th April, 2019 for Ahmedabad and Surat license area, truing-up the Aggregate Revenue Requirement (ARR) of FY 18 and fixing tariff for FY 20. For the third year in succession, the Commission has kept the tariff at the same level. The Company's profit is not negatively impacted by the tariff order, considering the fact that its returns in licensed distribution business are determined by 14% post-tax ROE prescribed in the regulations.

The aggregate amount of revenue gap of past periods approved and expected to be approved by GERC as on 31st March, 2019 is ₹940 Crore and the same is appropriately accrued in the financial statements. In addition, aggregate amount of revenue gap of ₹670 Crore is under dispute at various forums (primarily comprising of claims on account of carrying costs) and not accrued in the financial statements; the same will be accrued in the financial statements of the period in which such disputes are determined by the appropriate statutory authorities.

During the year, the Company was awarded distribution licence for supply of electricity in DSIR for 25 years. DSIR license area is about 920 sq. km. and is a part of ambitious Delhi Mumbai Industrial Corridor in the state of Gujarat. The Company has started developing the distribution network in DSIR.

D. Franchised Distribution

Particulars	Bhiwandi		Agra	
	FY 19	FY 18	FY 19	FY 18
Area (sq. km.)	~721	~721	~221	~221
Sales (MUs)	3,074	3,084	1,731	1,720
Growth (%) over PY	(0.31)		0.65	
AT&C Loss (%)	14.90	17.28	16.11	20.89
Consumer Base (lakhs)	3.14	2.90	4.52	4.31
Peak Demand (MVA)	555	576	458	443

Note : SMK has yet not been taken over.

Bhiwandi sales were marginally affected on account of strike by power loom industry during the year, substantially offset by reduction in AT&C losses and increase in residential and commercial consumer sales. Agra sales growth was marginal, driven by increase in consumer base and considerable reduction in AT&C losses.

The Company achieved substantial reduction in AT&C losses in Bhiwandi and Agra due to a combination of several loss reduction efforts like focused surveillance and vigilance; theft deterrent systems, equipment and activities; undergrounding of network; distribution transformer cleaning; law enforcement against detected illegal connections; etc.

2. Consolidated Financial Performance

The key financial data from the Statement of Profit and Loss is set out below:

(₹ in Crore)

Particulars	FY 19	FY 18	Change in %
Revenue from Operations	13,151	11,512	14%
Fuel / Power Purchase / Material Cost	8,605	7,057	22%
Contribution	4,546	4,455	2%
Other Income	190	264	(28%)
G & A Expenses	1,346	1,338	1%
PBDIT	3,390	3,381	0%
Finance Cost	899	848	6%
Depreciation and Amortization Exp.	1,227	1,132	8%
Other Comprehensive Income / (Exp.)	(10)	21	(148%)
Profit Before Tax	1,254	1,421	(12%)
Tax Expenses	356	456	(22%)
Profit After Tax	898	965	(7%)

During the year most of the key operating drivers in the Company's businesses showed a positive trend – ROEs of regulated businesses increased, sales volume increased, contribution margin improved, T&D losses decreased & key efficiency parameters improved. The reported profit is however lower on account of change in accounting policy effected during the year consequent to adoption of Ind AS 115 "Revenue from contracts with customers". Reported profit before tax for FY 19 is higher than proforma profit before tax of previous year (arrived by applying the same accounting policy to previous year's numbers) by about ₹285 Crore (i.e. an increase of 29% over proforma profits of previous year), a reflection of above positive trends.

Liquidity, Capex and Debt Positions

The Company's liquidity including mutual fund investments and bank / financial institution deposits was ₹1,145 Crore at the start of the year. Liquidity as at the end of the year was ₹1,253 Crore, an increase of ₹108 Crore. For the year, net cash inflow from (a) operating activities was ₹1,784 Crore & (b) net borrowing was ₹418 Crore; and net cash utilised during the year was (a) capital expenditure ₹1,722 Crore, (b) dividends distributed ₹292 Crore & (c) non-current investments ₹80 Crore, leaving a closing liquidity of ₹1,253 Crore.

During the year, the Company incurred capital expenditure (i.e. capitalisation, capital work-in-progress and capital advances) of ₹1,692 Crore as under:

Particulars	Amount (₹ in Crore)
Licensed Distribution	896
Franchised Distribution	229
Thermal Generation	35
Renewable Generation	503
Others	29
Total	**1,692**

The long term debt of the Company at the year-end was ₹9,455 Crore, net increase of ₹118 Crore over the previous year (new debt raised ₹860 Crore less repayment of past debt ₹742 Crore). The weighted average rate of interest at the year-end was 9.08% with repayment profile as under:

Financial Year	Repayment Amount (₹ in Crore)
2019-20	844
2020-21 to 2023-24	3,209
2024-25 to 2027-28	2,656
2028-29 to 2031-32	2,323
2032-33 to 2034-35	423
Total	**9,455**

The Company's credit rating was unchanged during the year and was as follows at end of the year:

Long term rating : CRISIL AA- / Stable

Short term rating : CRISIL A1+

The following table sets forth key financial ratios with brief explanation on changes, where relevant.

Particulars	FY 19	FY 18	Reason for Significant Change, if any
Debtors Turnover	10.29 (~35 days)	10.28 (~35 days)	
Interest Coverage	3.89	4.16	Not comparable due to change in accounting policy during the year. If the same accounting policy is applied to FY 18, the pro-forma Interest coverage ratio for FY 18 is 3.59.
Current Ratio	1.46	1.23	
Long Term Debt to Equity Ratio	0.90	1.01	Reduced due to increase in equity from current year profits and recognition of non-disputed regulatory claims in opening equity.
Net Debt to EBITDA	2.61	2.49	Not comparable due to change in accounting policy during the year. If the same accounting policy is applied to FY 18, the pro-forma Net Debt to EBITDA ratio for FY 18 is 2.89.
EBITDA Margin	24.74%	28.53%	Not comparable due to change in accounting policy during the year. If the same accounting policy is applied to FY 18, the pro-forma EBITDA margin for FY 18 is 25.61%. Adjusted for one-time gains, pro-forma EBITDA margin for FY 18 is 24.74% versus 24.67% for FY 19.
Net Profit Margin	7.41%	9.59%	Not comparable due to change in accounting policy during the year. If the same accounting policy is applied to FY 18, the pro-forma Net Profit margin for FY 18 is 6.82%.
Return on Net Worth	9.54%	12.62%	Not comparable due to change in accounting policy during the year. If the same accounting policy is applied to FY 18, the pro-forma Return on Net Worth for FY 18 is 7.88%.

RISKS AND CONCERNS

Key risks and concerns in the businesses of the Company are briefly explained below:

- The Company has operational gas-based power generation capacity of 2,730 MW, out of which 910 MW is tied up under long term PPAs and balance 1,820 MW untied capacity is dependent on short term power contracts for their operation. During the year, substantial portion of such capacity remained unutilised for want of short term power contracts or unviability of prices in the short term power market.

  The Company has built capabilities to import LNG from international markets at efficient prices to operate its power plants. However, such prices are subject to fluctuations and associated foreign exchange risks, consequent to which there would be periods during which power from these plants would be uncompetitive.

  The Company is making efforts to get long term power purchase arrangements for its unutilised gas power capacity. However, Government's thrust to increase renewable generation capacity in the country coupled with falling tariffs of renewable power poses a risk to the Company's uncontracted generation capacity.

- The Company's 362 MW AMGEN coal-based power plant is required to comply with stricter emission norms by December 2022. Such compliance is expected to involve significant capital expenditure, which will significantly increase the cost of electricity from this plant in view of limited remaining useful life of the plant. In absence of compliance, the Company may be required to phase out AMGEN on or before December 2022.

- The Company has 851 MW of under construction renewable projects, of which projects of 625 MW are facing project execution challenges causing a delay in completion.

- The Company's licensed distribution business faces the risk of a delay in recovery of some part of cost of supply due to regulatory conditions. The unrecovered & undisputed regulatory claim as at year end was ₹940 Crore, recognised in the financial statements for the year. While such recoveries are permitted with carrying costs for delayed recovery, the same may delay the cash flows of the Company.

  In addition, regulatory disputes also cause a delay in recovery of some part of the cost of supply. Such disputed regulatory claims as at the end of the year was ₹670 Crore, not recognised in the financial statements for the year.

- Increasing digitization and digital inter-connections in the power system of the country have made the stakeholders (generators, transmission entities, distribution entities and load dispatch centres) exposed to increased cyberattacks and vulnerable to widespread and prolonged service disruptions and data leakage, fraud, etc. The Company has set in place multi–layered firewalls to restrict unauthorised access along with security controls. Periodic audit and risk assessment is carried out and vulnerabilities, if any, are addressed.

BUSINESS OUTLOOK

1. Thermal Generation

SUGEN plant is expected to operate at reasonable PLF levels on back of long term PPAs for 82% capacity; however due to tightening of norms in the tariff regulations for control period 2019 to 2024, it will experience a reduction in profits due to reduction in efficiency gains. SUGEN will continue to harvest opportunities in short term power market by operating its untied capacity.

UNOSUGEN and DGEN plants remained stranded due to lack of demand. UNOSUGEN plant has a long term power selling arrangement with Company's distribution business, which is under the process of approval by the regulator. DGEN plant is expected to operate for supply in short term power market. In the longer term, the prospects for DGEN plant have improved due to various favourable developments for gas-based plants such as, (i) increased availability of domestic gas; (ii) expected surge in power demand, including peak demand due to several governmental initiatives; (iii) need for balancing power to manage the intermittency of renewable power; (iv) expected increase in pollution tax / costs on coal based plants, thus creating a level playing field; and (v) ability to service peak load and provide ancillary services in the power system.

2. Renewables

The wind projects under development in Gujarat are facing significant delays on account of land acquisition. However the associated project costs will also get delayed. Due to force majeure nature of the delays, the Company expects to get suitable extension of project completion dates from the power procurers and does not expect to incur any significant financial cost. The Company will focus on completion of these projects and build in-house O&M capabilities.

3. Distribution

In Licensed Distribution business, the Company will focus on developing the new licensed area of DSIR and expanding and upgrading its network in existing areas of Ahmedabad, Gandhinagar, Surat and Dahej SEZ to cater to the growth in demand and further reduce T&D losses.

In Franchised Distribution business, the Company will focus on developing the new franchised area of SMK and expanding and upgrading its network in existing areas of Bhiwandi and Agra to cater to the growth in demand and further reduce AT&C losses.

The Company will continue to look out for new opportunities in distribution sector in form of privatisation or franchise of existing areas.

4. Transmission

Currently, the Company has limited investments in the Transmission segment; however, given the huge investment opportunity available in this segment, robust regulatory mechanisms, limited counter-party risks and the Company's strengths in financing and executing large projects, this is an area earmarked for future growth. The Company intends to selectively participate in tariff based competitive bidding for transmission projects (inter-state and intra-state) at attractive returns.

INTERNAL CONTROL SYSTEMS

The Company's Internal Control System is commensurate with the size and nature of its operations aimed at achieving efficiency in operations, optimum utilisation of resources, reliable reporting and compliance with all applicable laws and regulations. Deloitte Haskins and Sells LLP is the Internal Auditor of the Company. The key observations and recommendations from such internal audit and follow up actions for improvement of the business processes and control are periodically reviewed and monitored by the Audit and Risk Management Committee.

CAUTIONARY STATEMENT

Certain statements in the Management Discussion and Analysis Report may be forward-looking. Actual outcomes may vary from those expressed or implied. The Company assumes no responsibility to publicly amend, modify or revise any such statements on the basis of subsequent developments, information or events.

BUSINESS RESPONSIBILITY REPORT

SECTION A: GENERAL INFORMATION ABOUT THE COMPANY

Sr. No.	Particulars	Details
1.	Corporate Identity Number (CIN) of the Company	L31200GJ2004PLC044068
2.	Name of the Company	Torrent Power Limited
3.	Registered Address	"Samanvay", 600, Tapovan, Ambawadi, Ahmedabad – 380015.
4.	Website	www.torrentpower.com
5.	E-mail id	cs@torrentpower.com
6.	Financial Year reported	FY 19
7.	Sector(s) that the Company is engaged in (industrial activity code-wise)	NIC Code: 351 - Electric power generation, transmission and distribution. NIC code: 2732 - Manufacturing of wires and cables for electricity transmission.
8.	List three key products/services that the Company manufactures/provides (as in balance sheet)	Generation, transmission & distribution of electricity and manufacturing & sale of electric cables.
9.	Total number of locations where business activity is undertaken by the Company	15
10.	Number of international locations	NA
11.	Number of national locations	15
12.	Markets served by the Company – Local /State / National /International	National

SECTION B: FINANCIAL DETAILS OF THE COMPANY

Sr. No.	Particulars	Details
1.	Paid up Capital	₹480.62 Crore
2.	Total Turnover	₹12,977.52 Crore
3.	Total profit after taxes (TCI)	₹883.03 Crore
4.	Total Spending on Corporate Social Responsibility (CSR) as percentage of profit after tax (%)	2.22% of Total Comprehensive Income (TCI) of FY 19.
5.	List of activities in which expenditure in 4 above has been incurred:-	The list of activities in which CSR expenditure in 4 above has been incurred is part of the Board's Report included in this Annual Report.

SECTION C: OTHER DETAILS

Sr. No.	Particulars	Details
1.	Does the Company have any Subsidiary Company/ Companies?	Yes, the Company has the following Subsidiary Companies: (a) Torrent Solargen Limited (b) Torrent Power Grid Limited (c) Torrent Pipavav Generation Limited (d) Latur Renewable Private Limited (e) Jodhpur Wind Farms Private Limited
2.	Do the Subsidiary Company/Companies participate in the BR Initiatives of the Parent Company? If yes, then indicate the number of such Subsidiary Company(s)	The BR Initiatives of the Company are driven at Group level. Hence, all Subsidiary Companies participate in BR Initiatives of the Company.
3.	Do any other entity/entities (e.g. suppliers, distributors etc.) that the Company does business with, participate in the BR initiatives of the Company? If yes, then indicate the percentage of such entity/entities? [Less than 30%, 30-60%, More than 60%]	Yes, the Company's contractors and suppliers are required to participate in some of the BR initiatives of the Company.

SECTION D: BR INFORMATION

1. Details of Director/Directors responsible for BR

(a) Details of the Director responsible for implementation of the BR policy/policies

Sr. No.	Particulars	Details
1.	DIN	02685284
2.	Name	Shri Jinal Mehta
3.	Designation	Managing Director

(b) Details of the BR head

Sr. No.	Particulars	Details
1.	DIN (if applicable)	Same as above
2.	Name	Same as above
3.	Designation	Same as above
4.	Telephone number	079- 26628000
5.	E-mail Id	cs@torrentpower.com

2. **Principle-wise (as per NVGs) BR Policy/policies**

(a) **Details of compliance (Reply in Y/N)**

Sr. No.	Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
1	Do you have a policy/ policies for...	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
2	Has the policy been formulated in consultation with the relevant stakeholders?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
3	Does the policy conform to any national / international standards? If yes, specify? (50 words)	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
4	Has the policy been approved by the Board? If yes, has it been signed by MD/ owner/ CEO/ appropriate Board Director?	Yes, all the policies have been approved by the Board, except the HR policies and IMS policies, which have been approved by MD or WTD.								
5	Does the Company have a specified committee of the Board/ Director/ Official to oversee the implementation of the policy?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
6	Indicate the link for the policy to be viewed online.	All policies can be accessed at http://www.torrent power.com/index.php/investors/policies								
7	Has the policy been formally communicated to all relevant internal and external stakeholders?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
8	Does the Company have in-house structure to implement the policy/ policies?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
9	Does the Company have a grievance redressal mechanism related to the policy/ policies to address stakeholders' grievances related to the policy/ policies?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
10	Has the Company carried out independent audit/ evaluation of the working of this policy by an internal or external agency?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes

(b) **If answer to the question at serial number 1 against any principle is 'No', please explain why:**

Not applicable

3. **Governance related to BR**

(a)	Indicate the frequency with which the Board of Directors, Committee of the Board or CEO assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.	The Board of Directors/ its Committees / Chairman or any authorised officials of the Company, as the case may be, assess the BR Performance on annual or half yearly basis depending upon the type of BR activities.
(b)	Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?	Yes, the Company publishes Business Responsibility Report and the same can be accessed at www.torrentpower.com The same is published annually.

SECTION E: PRINCIPLE WISE PERFORMANCE

PRINCIPLE 1: BUSINESSES SHOULD CONDUCT AND GOVERN THEMSELVES WITH ETHICS, TRANSPARENCY AND ACCOUNTABILITY

1.1 **Does the policy relating to ethics, bribery and corruption cover only the Company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?**

No. Besides covering the Company, it also extends to various stakeholders including Group companies, Suppliers, Contractors, etc.

1.2 How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

Shareholder Complaints:

The Company received 13 shareholder complaints during FY 19. 100% of such complaints were satisfactorily resolved.

Other Stakeholder Complaints:

The Company received 9 complaints from stakeholders (i.e. Employees, Vendors and Society) during FY 19 via the Whistle Blowing Mechanism. 89% of such complaints were satisfactorily resolved.

PRINCIPLE 2: BUSINESSES SHOULD PROVIDE GOODS AND SERVICES THAT ARE SAFE AND CONTRIBUTE TO SUSTAINABILITY THROUGHOUT THEIR LIFE CYCLE

2.1 List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

The Company's business activities comprise of Generation, Transmission & Distribution of Electricity and Cables manufacturing. It has incorporated measures covering social as well as environmental concerns, risks and/or opportunities in each of these as under:

- Most of the units of the Company are IMS certified covering ISO 9001 (Quality Management System), ISO 14001 (Environment Management System) and BS OHSAS 18001 (Occupational Health and Safety Assessment Series). Some of the units have also additionally obtained ISO 50001 (Energy Management System), ISO 55001 (Asset Management System) and ISO 27001:2013 (Information Security Management System). Gas based plants are also 5S certified.
- State-of-the-art technologies in its gas based plants, viz., installation of advanced class Gas Turbines with lower carbon footprint, dry low NOx burners (with emissions surpassing Indian standards and meeting European norms), Combined Cycle Power Plants (CCPP) in single shaft configuration thereby reducing the land and carbon footprint etc. Such CCPPs are also registered under Clean Development Mechanism (CDM).
- The effluent water generated from the generating plants is utilised in horticulture thus avoiding/ minimizing discharge of the same outside plant premises.
- The Company has established systems and procedures through Standard Operating Procedures (SOPs) for safe and effective operation and maintenance of its plants as well as its transmission and distribution network duly mitigating risks and health hazards. Vendors & suppliers are also made parties to our systems and procedures.
- The Company regularly undertakes network revamping and uprating including undergrounding of network, revamping of consumer end installations, MSPs, etc. with a primary objective of improving the reliability of the network and safety of employees and general public. The Company uses high efficiency energy meters and star rated distribution transformers. Accordingly, the Company's Transmission and Distribution (T&D) losses have been reduced to one of the lowest in the country in the Company's licensed areas thus saving on energy. The Company has undertaken implementation of smart grid technology including automatic meter reading and distribution automation to remotely monitor the assets and reading of meters, reducing travel and thereby reducing use of fossil fuel.
- The Company's Distribution units have installed more than 7,000 state-of-the-art technology SF6 gas insulated switchgears for protection and operation of 11kV distribution network. Such units undertake activity of earthing reactivation of DSS equipment and MSP for safety of public and other stake holders.
- Other initiatives include continuous improvement in safety standards, regular safety and environmental audits, mock drills, Demand Side Management (DSM) and energy conservation awareness programmes amongst employees and customers in Distribution segment.
- Safety of employees and general public is given high importance in the organization. Safety Committees are

formed and headed by senior officers with participation from supervisors and experienced workers who effectively contribute to improve the safety performance of the organization.

- Occupational health of the employees is given equal priority. Various measures including installation of adequate number and appropriate type of fire extinguishers, besides Automated External Defibrillators, Self-contained Breathing Apparatus, Stretchers, First aid boxes and Ambubags (for artificial respiration), are made available. Organization has also trained suitable number of employees for first aid treatment. Quarterly monitoring of environmental parameters including quality of air (workplace and ambient), noise (ambient and workplace), drinking water, food and DG stack emission etc. is carried out.
- Further, the Company is engaged with its neighbourhood by providing employment opportunities, skill development and health care.

2.2 For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

(a) Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?

(b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

The following are some of the initiatives taken in respect of conservation of natural resources:

- Various initiatives have been taken and accordingly procedures have been put in place to improve heat rate, reduce auxiliary power consumption and water consumption in its generating stations.
- Large scale replacement of conventional luminaires with LED devices, installation of rooftop solar panels and solar water heaters, recycling waste water, segregation of lighting circuits for reducing power consumption, rainwater harvesting, use of recycled paper and packaging material, etc. Even a self-sustaining township with biogas generation and solar power is fully functional at one of the generating units.
- The Company has also facilitated the implementation of national level Domestic Efficient Lighting Program (DELP) UJALA at all Distribution locations.
- As a part of DSM Schemes, Energy Audits as well as Peak Load shifting programs have been carried out for benefit of the consumers. In addition, the Company took all necessary steps to operationalize the Net Metering arrangement for Rooftop Solar PV system at the premises of the consumers.
- Further, the Company has carried out energy audit of all offices and substations in all Distribution license areas to identify the opportunities of energy conservation. As a part of its outcome, various energy conservation initiatives including replacement of air-conditioners by star-rated air conditioners, conventional lights by LED, etc. have been taken.

2.3 Does the Company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

The Company has procedures in place for sustainable sourcing (including transportation). Further, sustainability is extended to suppliers / vendors. All requirements on various aspects such as Health & Safety and Environment protection, Ethics and Compliance, Prevention of Bribery & Corruption are part of our sourcing procedures. Counselling and monitoring of suppliers / vendors is being done regularly.

Procurement of power transformers with environment friendly ester instead of mineral oil, procurement of cobalt free silica gel, use of biodegradable and environment friendly packaging material, use of steel drums instead of wood drums for cables etc. are examples of sustainable sourcing. The Company has also incorporated procedures to ensure that transportation of chemicals and other materials are compliant with rules and regulations and Company's own procedures. Fuel gas lines are maintained as per Petroleum and Natural Gas Regulatory Board (PNGRB) guidelines and safety audits are carried out at regular intervals. Usage of water is optimized by optimizing the Cycle of Concentration in cooling water and recycling of waste water.

2.4 Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

The Company has taken several steps to procure goods and services from local and small vendors (specially focusing on weaker sections of the society, wherever possible) in order to promote entrepreneurship among them. Continuous engagement takes place with such suppliers to improve their capacity & capability. Some of these initiatives include:

- While sourcing its consumables and spares, priority is given to local vendors.
- Employment of differently abled people for jobs that are deemed safe for them.
- Engagement of destitute women for managing the canteen services at one of the units.
- Local people have been trained and employed as security guards at some of the plants.
- Local youths are also employed in healthcare facilities provided by the Company.
- All packing materials (steel & wooden drums) & some of the raw materials such as PVC Fillers & GI Strips for one of its unit are procured locally from small vendors.
- Direct and indirect employment opportunities are provided to local populace to the extent feasible. For fabrication, plumbing, carpentry, horticulture, housekeeping, gardening, transportation, etc., as far as possible, local skilled personnel are employed.
- Project affected personnel in gas based generation units during construction phase have been taken on Company rolls and external technical training has been imparted to them at good institutes prior to or during employment.

2.5 Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

Being a responsible corporate citizen, the Company believes in "Reduce-Reuse-Recycle" principle. Some of the initiatives taken as part of this principle include:

- 100% utilization of fly ash generated as waste from the coal based plant.
- Re use of treated effluent water.
- Use of waste water for gardening, sprinkling, etc.
- Zero liquid discharge since August 2017 at SUGEN plant.
- Use of vegetation and food waste in making compost which in turn is used as manure.
- Sludge recovered from raw water is compacted through Chamber Filter Press and is used as manure/ for landfill.
- Waste generated is used for biogas generation which in turn is used for power generation and cooking in one of our self-sustaining township.
- All the PVC Scrap is recycled & reused in-house. The scrap generated is recycled to be used in inner sheath & outer sheath & fillers at Cables unit. Hazardous wastes e.g., used oils, batteries, e-wastes, bio-medical waste etc. are disposed off only to GPCB approved authorized Treatment, Storage and Disposal Facilities (TSDF) & recyclers vendors.
- The distribution units undertake oil filtration activity of its power and distribution transformers for reutilization of the oil and conservation of natural resources.

- Recycling of non-hazardous plastic waste through authorized recyclers.
- Use of recycled papers for energy bills and other stationaries.

PRINCIPLE 3: BUSINESSES SHOULD PROMOTE THE WELLBEING OF ALL EMPLOYEES

3.1 Please indicate the Total number of employees.

Total number of permanent employees is 7,647 as on 31st March, 2019.

3.2 Please indicate the Total number of employees hired on temporary/contractual/casual basis.

Total number of employees hired on temporary / contractual / casual basis is 4,813 as on 31st March, 2019.

3.3 Please indicate the Number of permanent women employees.

Total number of permanent women employees is 621 as on 31st March, 2019.

3.4 Please indicate the Number of permanent employees with disabilities.

Total number of permanent employees with disabilities is 29 as on 31st March, 2019.

3.5 Do you have an employee association that is recognized by management?

Yes

3.6 What percentage of your permanent employees are members of this recognized employee association?

~51% of the total permanent employees of the Company are members of such recognized employee association.

3.7 Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment and discriminatory employment in the last financial year and pending, as on the end of the financial year.

The Company does not engage any child labour, forced labour or involuntary labour.

There were no complaints relating to child labour, forced labour, involuntary labour, sexual harassment and discriminatory employment in FY 19.

3.8 What percentage of your under mentioned employees were given safety & skill up- gradation training in the last year?

(a) Permanent Employees

(b) Permanent Women Employees

(c) Casual/Temporary/Contractual Employees

(d) Employees with Disabilities

Percentage of employees who were given safety & skill up - gradation training in the last year is as under:

(a) Permanent Employees – 91.17%

(b) Permanent Women Employees – 86.15%

(c) Casual/Temporary/Contractual Employees – 89.67%

(d) Employees with Disabilities – 79.31%

PRINCIPLE 4: BUSINESSES SHOULD RESPECT THE INTERESTS OF AND BE RESPONSIVE TOWARDS ALL STAKEHOLDERS, ESPECIALLY THOSE WHO ARE DISADVANTAGED, VULNERABLE AND MARGINALIZED

4.1 Has the Company mapped its internal and external stakeholders? Yes/No

Yes, the Company has mapped its various key internal and external stakeholders.

4.2 Out of the above, has the Company identified the disadvantaged, vulnerable & marginalized stakeholders?

Yes, the Company has identified the disadvantaged, vulnerable and marginalized stakeholders.

4.3 Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders? If so, provide details thereof, in about 50 words or so.

Various initiatives have been taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders at locations in and around its operations in the areas of: (i) Community Health Care, Sanitation and Hygiene, (ii) Education and Knowledge Enhancement and (iii) Social Care and Concern.

The details of various CSR initiatives of the Company are part of the Board's Report included in this Annual Report.

PRINCIPLE 5: BUSINESSES SHOULD RESPECT AND PROMOTE HUMAN RIGHT

5.1 Does the policy of the Company on human rights cover only the Company or extend to the Group/Joint Ventures / Suppliers / Contractors / NGOs/ Others?

Various Company Policies as indicated below promote Human Rights:

- Policy on Protection of Women against Sexual Harassment at Workplace
- Conviction for Safety Policy
- Policy on Financial Support in the event of Demise
- Mediclaim Policy for Employees
- Policy for Medically challenged employees
- Grievance Redressal Mechanism

Besides covering the Company, it also extends to various stakeholders including Group companies, Suppliers, Contractors, etc.

5.2 How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

No complaints on breach of human rights were received during FY 19.

PRINCIPLE 6: BUSINESS SHOULD RESPECT, PROTECT AND MAKE EFFORTS TO RESTORE THE ENVIRONMENT

6.1 Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/ Suppliers/Contractors/NGOs/others.

The Environment Policy of the Company covers the Company currently. The subsidiary companies of the Company also carry out their operations in accordance with principles laid down in the said Policy. The Company promotes the adoption of environmental protection goals and practices by contractors and suppliers of the Company and strongly encourages improvements in contractors' and suppliers' practices to make them consistent with those of the Company.

6.2 Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc.? Y/N. If yes, please give hyperlink for webpage etc.

Yes, the Company recognizes the value of the environment to the community and future generations and is committed to manage its businesses as a responsible Corporate Citizen. Some of the initiatives taken by the Company to address global environmental issues such as Climate Change, Global Warming, etc. include ~4,240 MW of its generation capacity being natural gas based, which is a cleaner fuel and renewable based (operational and under construction) comprising solar and wind out of its total generation capacity of ~4,600MW.

In its efforts to contribute towards sustainability, the Company has chosen state-of-the-art technology for its CCPPs with advanced class Gas Turbines with lower carbon footprint and with very low NOx emission. The Company's CCPPs are also registered under CDM.

Further, various energy conservation initiatives taken by the Company which aid in environmental protection are part of the Board's Report included in this Annual Report and is available at the following link: www.torrentpower.com.

6.3 Does the Company identify and assess potential environmental risks? Y/N

Yes, the Company has established systems and processes for assessing the environmental risk arising out of various activities being carried out and measures to minimize the environmental impact are captured in onsite/ offsite emergency plans and in risk register.

6.4 Does the Company have any project related to Clean Development Mechanism (CDM)? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

Yes, four projects of the Company are registered with United Nations Framework Convention on Climate Change (UNFCCC) under CDM. SUGEN Project was one of the largest and pioneering generation project approved under CDM globally in 2007. Environment compliance reports are being filed on a timely basis.

Annual reduction of ~8.5 Million CO_2 can be achieved by generation of power through these Projects. The Company has already achieved ~17 Million of CO_2 emission reduction (approved by UNFCCC) as per the Compliance reports filed till date.

6.5 Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

In order to promote clean technology and renewable energy, besides what is stated above, the Company has sourced about 11% of its total power requirement of licensee business from wind and solar plants. The Company has also installed Solar Rooftop system for its captive consumption. The Company strives for reduction in distribution losses by improving the network and reducing the theft of electricity. Unauthorized use of electricity has been curtailed which otherwise also invokes safety hazards.

The details of various energy conservation initiatives taken by the Company which aid in energy efficiency are part of the Board's Report included in this Annual Report and are available at the following link: www.torrentpower.com.

6.6 Are the Emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes, the emissions generated from the Generation stations of the Company are within the permissible limits given by CPCB and SPCB for FY 19. The data of emissions, where required, is also being shared with the CPCB and SPCB through online servers. Waste generated by the Company during FY 19 was also within the permissible limits given by CPCB and SPCB.

6.7 Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

No show cause / legal notices have been received during FY 19 either from CPCB or SPCB.

PRINCIPLE 7: BUSINESSES, WHEN ENGAGED IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A RESPONSIBLE MANNER

7.1 Is your Company a member of any trade and chamber or association? If Yes, name only those major ones that your business deals with:

Yes, the Company is a member of various trade associations and chambers. The major ones are as under:

- Confederation of India Industries (CII)
- Association of Power Producers (APP)
- Federation of Indian Chambers of Commerce and Industry (FICCI)
- Council of Power Utilities
- Indian Electrical and Electronics Manufacturers Association (IEEMA)
- Coal Consumers' Association of India (CCAI)
- Gujarat Safety Council
- National Safety Council

7.2 Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

As a principle, the Company does not engage in lobbying. The Company provides suggestions through the above associations for the advancement/improvement of power sector and cable industry majorly in the areas of Economic Reforms, Energy security and Sustainable Business Principles.

In the course of our regulated business, the submissions, representations, and the information provided to the concerned authorities are based on due-diligence and to the best of our knowledge true and fair; which is the policy of the Company.

PRINCIPLE 8: BUSINESSES SHOULD SUPPORT INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT

8.1 Does the Company have specified programmes/initiatives/projects in pursuit of the Policy related to Principle 8? If yes details thereof.

Yes, the Company has identified specified programmes / projects in the pursuit of the Policy related to Principle 8. The details of such programmes /projects are part of the Board's Report included in this Annual Report.

8.2 Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organization?

The identified programmes/projects are carried out directly by the Company itself including through two of its Section 8 companies namely "Tornascent Care Institute" and "UNM Foundation" which have been promoted by the Company (together with one of its Group Company).

Besides the above, it is also supplementing the efforts of the local institutions/NGOs/local Government/implementing agencies in the field of Education, Healthcare, Sanitation and Hygiene etc. to meet priority needs of the underserved communities with the aim to help them become self-reliant.

The details of such programmes /projects undertaken either on its own or through external agencies are part of the Board's Report included in this Annual Report.

8.3 Have you done any impact assessment of your initiative?

Yes, the Company undertakes timely impact assessments of projects under implementation for ensuring their desired impact and continued sustenance. The impact assessment is also presented to the CSR committee.

8.4 What is your Company's direct contribution to community development projects? Amount in ₹ and the details of the projects undertaken.

During FY 19, the Company contributed ₹19.64 Crore to various community development programmes / projects as part of its CSR initiatives. The details of such programmes /projects are part of the CSR Report given in the Board's Report included in this Annual Report.

Besides this, the Company undertook various other CSR initiatives, details of which are given in Para 14 of Board's Report included in this Annual Report.

8.5 Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words or so.

Please refer the CSR Report indicated above for details.

PRINCIPLE 9: BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CUSTOMERS AND CONSUMERS IN A RESPONSIBLE MANNER

9.1 What percentage of customer complaints/consumer cases are pending as on the end of financial year.

In the generation and transmission business there were no complaints.

~0.5% of complaints were pending as on 31st March, 2019 for the Distribution business. However, all these complaints are within the turnaround time as prescribed by Hon'ble GERC/MERC/UPERC.

~10% (2 out of 20) of complaints were pending as on 31st March, 2019 for the cables business.

9.2 Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. /Remarks(additional information)

In the generation and cables business of the Company, this requirement of display of information is not applicable. However, in the case of transmission and distribution business of the Company, adequate signages and caution boards are being displayed at prominent locations. Various safety initiatives are being undertaken for the benefit of consumers.

9.3 Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.

No case has been filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and / or anti-competitive behaviour during the last five years.

9.4 Did your Company carry out any consumer survey/ consumer satisfaction trends?

The Distribution segment of the Company's business caters to around 3 million consumers as on 31st March, 2019. The Customer Satisfaction Survey is carried out by the Distribution segment once in every three years through a third party professional market research agency. The last Consumer Satisfaction Survey was carried out in September 2016 through IMRB covering consumers at Ahmedabad, Surat and Gandhinagar. Also, on an ongoing basis, the Company does engage with its customers through regular feedback forms, SMS survey as well as a structured out-calling activity named "Sampark", where the employees directly call and capture customers' voice of concerns.

At the Cables Unit, Customer Satisfaction Index (CSI) has been defined & is monitored on ongoing basis.

REPORT ON CORPORATE GOVERNANCE

This report sets forth the disclosures for FY 19 pertaining to Corporate Governance of Torrent Power Limited ("the Company") as required by SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company's Corporate Governance philosophy comprises three core principles of TRANSPARENCY, INTEGRITY and ACCOUNTABILITY in organising and managing all aspects of its activities. Based on this philosophy, the Company develops its practices on various aspects and elements of governance, ensuring that these at the minimum comply with the requirements of applicable laws and regulations. In matters not covered by applicable laws and regulations, the governance practices are developed in consonance with the core principles and keeping in balance the interests of all stakeholders.

For the FY 19 the Company is in compliance with the Corporate Governance norms stipulated in Listing Regulations.

2. BOARD OF DIRECTORS

a) Composition and Category of the Board

The Board as of the date of this report had an optimum combination of Executive and Non-Executive Directors with two woman Directors. More than 75% of the Board members are Non-Executive and Independent Directors.

As at the year end, the Board composition consisted of 9 Directors with following composition:

Executive Director	2 (both Promoter Directors)
Independent Director	5 (include 2 Woman Directors)
Non-Executive Non-Independent Director	2 (includes 1 Promoter Director)
Total	**9**

Composition of the Board is in conformity with the applicable law and regulations.

b) Details of memberships / chairpersonships of the Directors in other Boards and in committees of the Board

The table below sets forth the above particulars for each Director as on 31st March, 2019:

Name of the Director	Category	No. of Directorships	Board Committee Memberships	Board Committees in which Chairperson	Directorship in other listed entities	
					Name of Entity	Category
Shri Sudhir Mehta, Chairman Emeritus	Non-Executive Director (Promoter)	1	-	-	Torrent Pharmaceuticals Ltd.	Non-Executive Director (Promoter)
Shri Samir Mehta	Chairman & Managing Director (Promoter)	2	1	-	Torrent Pharmaceuticals Ltd.	Chairman & Managing Director (Promoter)
					Arvind Ltd.	Independent Director
Shri Pankaj Patel	Independent Director (Re-appointed wef 1st April, 2019)	4	1	-	Bayer Cropscience Ltd.	Independent Director, Chairman
					Cadila Healthcare Ltd.	Non-Executive Non-Independent Chairman
					Gruh Finance Ltd.	Independent Director
Shri Samir Barua	Independent Director (Re-appointed wef 1st April, 2019)	5	4	3	Axis Bank Ltd.	Independent Director
Shri Kiran Karnik	Independent Director (Ceased wef 31st March, 2019)	-	-	-	-	-
Shri Keki Mistry	Independent Director (Re-appointed wef 1st April, 2019)	8	6	2	Tata Consultancy Services Ltd.	Independent Director

(b) Only Audit and Stakeholder Committee memberships are reckoned;

Shri Sudhir Mehta and Shri Samir Mehta are brothers. Shri Jinal Mehta is son of Shri Sudhir Mehta. All other Directors are not related inter-se.

All the Directors have periodically and regularly disclosed to the Company information on their directorship and membership on the Boards / Committees of other companies. Based on the disclosures received, none of the Directors of the Company hold directorships / memberships / chairmanships more than the prescribed limits across all companies in which he / she is a Director.

c) **Board Meetings**

The Board of Directors met four times during FY 19 on 29th May, 2018, 1st August, 2018, 30th October, 2018 and 5th February, 2019.

The calendar of Board meetings for FY 19 was communicated to all the Directors well in advance. The Board meetings were held at the Registered Office in Ahmedabad. The Board met at least once in a quarter and time gap between two consecutive meetings did not exceed 120 days.

The agenda for the Board meeting was circulated to all the Directors at least 7 days prior to the date of the meeting, except for table agenda items that were placed before the Board with the approval of Independent Directors. The agenda for the Board meetings included detailed notes on the matters to be considered at the meeting to facilitate the Directors to take informed decisions. Minimum information to be placed before the Board under Regulation 17(7) read with Schedule II of the Listing Regulations was placed before the Board for its consideration. The requisite quorum was present for all the meetings.

The attendance of each of the Directors at the Board meetings and Annual General Meeting held during the year under review, are as under:

Name of the Director	Board Meetings held during the tenure	Board Meetings attended	Attendance at the last AGM
Shri Sudhir Mehta	4	4	Yes
Shri Samir Mehta	4	4	Yes
Shri Pankaj Patel	4	3	No
Shri Samir Barua	4	4	Yes
Shri Kiran Karnik (ceased wef 31st March, 2019)	4	4	Yes
Shri Keki Mistry	4	3	Yes
Smt. Bhavna Doshi	4	4	Yes
Ms. Dharmishta Raval	4	4	Yes
Shri Pankaj Joshi, IAS	4	2	No
Shri Markand Bhatt (ceased wef 30th September, 2018)	4	2	Yes
Shri Jinal Mehta	4	4	Yes

d) **Independent Directors**

Based on the declaration of independence and other disclosures made by Independent Directors, the Board has noted that they fulfil the conditions of independence specified in the Companies Act, 2013 and Listing Regulations.

Based on the disclosures made by them, no Independent Director served as an Independent Director in more than 7 listed companies and where the Independent Director was a Whole-time Director / Managing Director in any listed company, they were not Independent Director in more than 3 listed companies.

A separate meeting of Independent Directors was held on 5th February, 2019 under the Chairpersonship of Smt. Bhavna Doshi to review the matters as required by Schedule IV of the Companies Act, 2013 and Listing Regulations.

e) **Criteria for selection of new Directors and Committee Membership**

The Company has in place a policy which provides criteria as well as process for the identification / appointment of Directors of the Company. The Policy on Directors' appointment forms part of the Board's Report.

Nomination and Remuneration Committee works with the Board to determine the appropriate characteristics, skills, knowledge and experience for the Board as a whole and its individual members with the objective of having a Board with diverse backgrounds and experience. The table below sets forth the core skills / expertise / competencies identified by the Board for it to function effectively and those actually available in the Board:

Skills / Expertise / Competencies	Detail for such Skills / Expertise / Competencies	Directors having such Skills
Strategic Leadership	Significant leadership experience to think strategically and develop effective strategies to drive change and growth in context of the Company's overall objectives.	9
Industry Experience	Experience and/or knowledge of the industry in which the Company operates.	4
Financial Expertise	Qualification and/or experience in accounting and/or finance coupled with ability to analyze key financial statements; critically assess financial viability and performance; contribute to financial planning; assess financial controls and oversee capital management and funding arrangements.	5
Governance, Risk and Compliance	Knowledge and experience of best practices in governance structures, policies and processes including establishing risk and compliance frameworks, identifying and monitoring key risks.	9
Diversity	Representation of gender, cultural or other such diversity that expand the Board's understanding and perspective.	2

f) Familiarisation Programme

The Company and business familiarisation process for Independent Directors was an ongoing process during the Financial Year and largely carried out by way of special discussions and presentations at Board / Committee meetings on important matters such as key regulatory changes, material legal matters, changing industry trends, periodic operations review, annual budget review (including capex plan), strategy discussions and exceptional developments, if any, in the Company.

The details of such familiarization program have been disclosed on the Company's website at https://www.torrentpower.com/pdf/investors/20190326_fwgq_familiarisation_programe.pdf

g) Shareholding of Non-Executive Directors as on 31st March, 2019

- Shri Sudhir Mehta, Chairman Emeritus — 6882 equity shares
- Smt. Bhavna Doshi, Independent Director (Jointly with spouse) — 1900 equity shares

Apart from above, none of the other Non-Executive Directors hold any shares of the Company.

3. AUDIT AND RISK MANAGEMENT COMMITTEE

a) Terms of Reference of the Committee

During the year, the Board revised the Terms of Reference of the Committee to give effect to the new requirements under the Listing Regulations. The Terms of Reference were in compliance with the requirements of the Listing Regulations and the Companies Act, 2013.

	Total	**48,06,16,784**	**100.00**

k) Dematerialisation and Liquidity of shares

Equity shares of the Company can be traded only in dematerialised form by the investors. The Company has established connectivity with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL). Demat security code (ISIN) for the equity shares is INE813H01021. As on 31st March, 2019, 97.14% of the equity shares have been dematerialised. The shares of the Company are frequently traded on both the stock exchanges and hence the shares of the Company are liquid.

l) Outstanding GDRs / ADRs / Warrants / any other convertible instruments

The Company has not issued any GDRs / ADRs / warrants or any convertible instruments as on date.

m) Disclosure of Commodity Price / Foreign Exchange Risk and Hedging Activities

The Company has exposure to US$ / INR exchange rate arising principally on account of import of LNG and import of coal. The extant tariff regulations do not permit the cost of hedging such exposure as a cost to be passed through to the off-takers / beneficiaries. As a result, the Company does not follow a policy of hedging such exposures and actual rupee costs of import of fuel are substantially passed on to the off-takers / consumers, because of which such exposures are not likely to have material financial impact on the Company.

The following were the material commodity exposures of the Company during FY 19:

Commodity	Exposure in ₹ Crore	Exposure in Quantity	% of such Exposure hedged through Commodity Derivatives				
			Domestic market		International market		Total
			OTC	Exchange	OTC	Exchange	
Imported & Domestic Coal	516	16,32,210 MT	-	-	-	-	-
Liquefied Natural Gas & Domestic Natural Gas	2893	4,83,88,588 MMBTU	-	-	-	-	-

The commodity exposure is mainly on account of fuel, a substantial part of which is a pass through cost and hence the commodity price exposure is not likely to have a material financial impact on the Company.

n) Registered Office and Plant/ Unit Locations

q) Credit Rating

Credit Rating of the Company's long term loans, cash credit and NCDs has been reaffirmed by CRISIL at AA-/ Stable and that of Letters of Credit / Bank Guarantees of the Company has been reaffirmed at A1+ on 29th September, 2018.

10. OTHER DISCLOSURES

a) Related Party Transactions

The Company has formulated Related Party Transaction Policy, which is in compliance with the provisions of the Companies Act, 2013 and Listing Regulations. Policy was revised during the year to incorporate amendments in Listing Regulations. The policy can be accessed on the website of the Company at the web link: https://www.torrentpower.com/pdf/investors/Policy_on_Materiality_of_Related_Party_Transactions.pdf

During the year, the Company did not enter into any transaction with related parties which were material in nature as defined in Listing Regulations. All the related party contracts / arrangements and transactions entered into by the Company were put forth for the prior approval of the Audit and Risk Management Committee, Board and members, as applicable, in compliance with the said policy.

Statement of related party transactions was presented to the Audit and Risk Management Committee for its review on quarterly basis, specifying the nature, value and terms and conditions of the transactions.

The particulars of contracts/arrangements and transactions entered into by the Company with related parties are set out in Notes to the Financial Statements forming part of this Annual Report.

b) Legal Compliances

The Company has formalised a system to track, monitor and document legal compliances applicable to the Company. The Board periodically reviews compliance reports (of all laws applicable to the Company), prepared by the management. There were no instances of material non-compliances during the year under review. No strictures were passed or penalties imposed on the Company by SEBI, Stock Exchanges or any statutory authority on any matter related to capital markets during the last three years.

c) **Whistle Blower Policy**

The Board has adopted a Whistle Blower Policy for the Company, under which the Company has institutionalised a mechanism for the stakeholders to disclose their concerns and grievances on unethical behaviour and improper/ illegal practices and wrongful conduct taking place in the Company for appropriate action. The policy is available on the website of the Company at https://www.torrentpower.com/pdf/investors/13-11-2018_6mbme_whistle_blower_policy_3.pdf

During the year, functioning of the Whistle Blower mechanism was reviewed by the Audit and Risk Management Committee on a quarterly basis. No employee intending to report under Whistle Blower mechanism was denied access to the Audit Committee.

d) **Compliance with all the mandatory requirements of Corporate Governance**

The Company has complied with all the mandatory requirements of Corporate Governance applicable to the Company.

e) **Material Subsidiary Policy**

The Company has formulated a Policy for determining “Material Subsidiary” and the same was revised during the year to give effect to the amendments in Listing Regulations. The revised policy is available on the Company’s website at :https://www.torrentpower.com/pdf/investors/19-01-2019_2vueh_policy_materialsubsidiaries2.pdf

f) **Utilization of funds raised through Preferential Allotment or Qualified Institutions Placement**

The Company has not raised any funds through preferential allotment or qualified institutions placement during the year under review.

g) **Certificate of Practicing Company Secretary**

The Company has obtained a certificate from M/s Rajesh Parekh & Co., Practicing Company Secretary, Ahmedabad stating that none of the Directors on the Board of the Company have been debarred/ disqualified from being appointed / continuing as Directors of any company, by the SEBI and Ministry of Corporate Affairs or any such Statutory authority.

h) **Fees paid to Statutory Auditors**

During the year, total fees, for all services (including out of pocket expenses and taxes), paid by the Company and its subsidiaries, on a consolidated basis, to the Statutory Auditors - Price Waterhouse Chartered Accountants LLP (012754N/N500016) and to all entities in the network of which Auditor is a part is as under:

(₹ in Crore)

Audit Fees	1.15
Other Services certificates etc.	0.30
Reimbursement of expenses	0.25
Total	**1.70**

i) Protection of Women against Sexual Harassment at Work Place

Pursuant to the provisions of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and rules made thereunder, the Company has adopted a "Policy on Protection of Women against Sexual Harassment at Work Place". Pursuant to the Policy, the Company has formed Internal Complaints Committee, with majority women members, at each of the Unit / Administrative Office. During the year, no complaints were filed with the Internal Complaints Committee.

j) Compliance with Corporate Governance

The Company has complied with the Corporate Governance requirements specified in Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Listing Regulations.

Standalone Financial Statements 2018-19

INDEPENDENT AUDITOR'S REPORT ON STANDALONE FINANCIAL STATEMENTS

TO THE MEMBERS OF
TORRENT POWER LIMITED

Report on the audit of the Standalone Indian Accounting Standards (Ind AS) Financial Statements

Opinion

1. We have audited the accompanying standalone Ind AS financial statements of Torrent Power Limited ("the Company"), which comprise the balance sheet as at 31st March, 2019, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, total comprehensive income (comprising profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Key audit matters	How our audit addressed the key audit matter
i) Impairment assessment for Power Plant located at Dahej (Refer to note 41(1) of the standalone Ind AS financial statements) :	
Property, Plant & Equipment ("PPE") includes carrying amount of ₹4,365 Crore pertaining to 1,200 MW DGEN Mega Power Project located at Dahej, India ("DGEN"). DGEN started its commercial operations in November 2014 ("COD") and thereafter due to various factors such as unavailability of domestic gas, high prices of imported gas and non-availability of power purchase agreements it was not operated after COD, except for intermittent periods during FY 2015-16. During the periods of non-operation, DGEN was maintained in cold standby mode for immediate start-up, as and when required. As a result of above, there are indicators of potential impairment of carrying value of DGEN. The management carried out an impairment assessment of DGEN in accordance with Ind AS 36 'Impairment of Assets' and measured the recoverable amount based on value in use which requires estimating the discounted cash flow projections over the estimated useful life of the DGEN with the help of an external valuer ("expert"). The expert estimated the value in use under two scenarios i.e. management case and alternate case by taking varied sets of assumptions reflective of likely future operating scenarios. The assessment of value in use involved several key assumptions including expected demand, future price of fuel, exchange rate, expected tariff rates, discount rate and current electricity market scenario which the management considered reasonable based on past trends and current and likely future state of the industry. The value in use arrived at by the expert under both the scenarios is higher than the carrying amount of PPE pertaining to DGEN and accordingly no impairment provision is considered necessary as at 31st March, 2019 by management. We considered this to be a key audit matter as the carrying value of DGEN at 31st March, 2019 is significant to the Company's balance sheet and there is significant judgement and uncertainty involved in estimating future cash flows in the discounted cash flow (DCF) model used by the management to support the carrying value of DGEN. Further, the assumptions used in the DCF model are subject to inherent uncertainties.	Our procedures in relation to management's impairment assessment of DGEN include the following: Assessed and tested the design and operating effectiveness of the Company's controls over impairment assessment. Perused the report issued by the external valuer ("expert") engaged by the management. Evaluated competence, capability and objectivity of the expert. Evaluated the reasonableness of cash flow projections used by the Company and the key assumptions in respect of expected demand, future price of fuel, exchange rate, expected tariff rates and discount rate. Involved auditors experts to review the external expert's report and the reasonableness of the assumptions considered in the report. Discussed with senior management personnel, the justification for the key assumptions underlying the cashflow projections and performed sensitivity analysis on the same to assess their reasonableness. Checked the arithmetic accuracy of the computation of projections. Based on the above procedures performed, we considered management's assessment of impairment of the carrying value of DGEN as at 31st March, 2019 to be reasonable.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Key audit matters	How our audit addressed the key audit matter
ii) Assessment of recoverability of Deferred tax asset on unutilised tax credits (Refer to note 42 to the standalone Ind AS financial statements)	
The Company has recognised deferred tax asset on unutilised tax credits, representing Minimum Alternate Tax (MAT) paid on accounting profit in the current year and earlier years in which the Company did not have normal taxable profit due to availment of tax holiday incentives and set off of carried forward unabsorbed depreciation. The asset has been recognised on the basis of Company's assessment of availability of future taxable profits to offset the MAT credit. The future taxable profit projections involve several key assumptions including expected demand, future prices of fuel, expected tariff rates of electricity, exchange rate and current electricity market scenario covering the period over which MAT Credit can be claimed as per the Income tax Act, 1961. In preparing the profit projections, management has considered, past trends, applicable tariff regulations/ agreement and current and likely future state of the industry. We considered this a key audit matter as the amount of deferred tax asset is material to the financial statements and significant management judgement is required in assessing the recoverability of MAT credit based on significant assumptions underlying the forecast of taxable profits. Further, recoverability of deferred tax assets depends on the achievement of Company's business plans.	Our audit procedures included the following: Evaluated and tested the design and operating effectiveness of the Company's controls over recognition and assessment of recoverability of deferred tax asset. Reviewed the Company's accounting policy in respect of recognizing deferred tax asset on unutilised tax credits. Assessed the reasonableness of the assumptions underlying profit projections made by management, in particular, the assumptions in respect of expected demand, future price of gas, expected tariff rates and exchange rate by reviewing the past trends and available tariff orders. Assessed the reasonableness of management's business plans considering the relevant economic and industry indicators. Evaluated whether the tax credit entitlements are legally available to the Company for the forecast recoupment period, considering the provisions of Income tax Act, 1961. Checked the mathematical accuracy of the underlying calculations of the projections. Performed sensitivity analysis on the projected taxable profits by varying key assumptions, within reasonably foreseeable range. Reviewed the adequacy of disclosures made in the financial statements with regards to deferred taxes. Based on the above procedures performed by us, we considered the management's assessment of recoverability of deferred tax asset to be reasonable.

Key audit matters	How our audit addressed the key audit matter
iii) Appropriateness of additional revenue recognised on adoption of Ind AS 115 (Refer to notes 2.12 and 57 to the standalone Ind AS financial statements)	
During the year the Company has adopted Ind AS 115 'Revenue from Contracts with Customers' retrospectively with the cumulative effect of initial application recognized in the Opening Retained Earnings on 1st April, 2018. The adoption has resulted changes in accounting policies and adjustment to the amounts recognized in the financial statements. Prior to adoption of Ind AS 115, the Company had been recognising the Fuel and Power Purchase Price Adjustment ("FPPPA") claims as and when approved by the regulatory authorities and the truing up adjustment claims as and when these were billed to consumers subsequent to approval by the regulatory authorities. The Company has in the current year recognized revenue in respect of FPPPA claims and other true up adjustments, as per the applicable tariff regulations, management's probability estimate and the past trends of approval, by applying the guidance on variable consideration under Ind AS 115. We considered this as a key audit matter in view of this being a material change in the accounting policy for revenue recognition, exercise of management judgement and estimates and significance of the amount involved as described in notes 2.12 and 57 to the standalone Ind AS financial statements.	Our audit procedures included the following: Assessed and tested the design and operating effectiveness of the Company's controls over the revenue recognition. Read the relevant multi-year tariff regulations (MYT), tariff orders and other communication between the Company with various regulatory authorities to determine the quantum of Company's entitlement to recover costs from consumers. Evaluated management workings that set out all the outstanding claims for approval placed by the Company with regulatory authorities and the basis adopted by management in determining undisputed and disputed claims. Assessed the reasonableness of management's assessment of recoverability of claims by comparing earlier years' assessment with actual approvals by the regulatory authorities. Checked mathematical accuracy of management workings for use of correct tariffs, and for the impact of Ind AS 115 on the opening reserves and on the current year's revenue arising from outstanding claims with regulatory authorities. Evaluated the impact of first time adoption of Ind AS 115 and the appropriateness of the related disclosures in respect of the additional revenue recognized in opening reserves and that recognized in the current year statement of Profit and Loss. Based on the procedures performed as described above, we assessed that the recognition of additional revenue under Ind AS 115 was adequately supported by the available evidence.

Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the board report (including shareholders information), management discussion and analysis, business responsibility report, report on corporate governance, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

   Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Responsibilities of management and those charged with governance for the Standalone Ind AS Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Standalone Ind AS Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

13. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

14. As required by Section 143(3) of the Act, we report that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

    c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash flow Statement dealt with by this Report are in agreement with the books of account.

    d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act.

    e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.

    f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A"

    g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company has disclosed the impact of pending litigations as at 31st March, 2019 on its financial position in its standalone Ind AS financial statements – Refer Notes 31 and 44;

        ii. The Company has long-term contracts as at 31st March, 2019 for which there were no material foreseeable losses. The Company did not have any derivative contracts as at 31st March, 2019;

INDEPENDENT AUDITOR'S REPORT (Contd.)

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31^{st} March, 2019;

iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended 31^{st} March, 2019.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 14(f) of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements for the year ended 31st March, 2019

Report on the Internal Financial Controls with reference to Ind AS financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Torrent Power Limited ("the Company") as of 31st March, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

Referred to in paragraph 14(f) of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements for the year ended 31st March, 2019

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 13 of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements as of and for the year ended 31st March, 2019

i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.

(b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. As regards underground distribution systems, we have been informed that the same are not physically verifiable.

(c) The title deeds of immovable properties, as disclosed in Note 4 on Property, plant and Equipment and Note 11 on other non-current assets to the standalone Ind AS financial statements, are held in the name of the Company or in the names of the companies which got amalgamated into the Company through various schemes approved by the courts in earlier years.

ii. The physical verification of inventory [excluding stocks with third parties] has been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material.

iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.

iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.

v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.

vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, duty of customs, value added tax, cess, goods and service tax and other material statutory dues, as applicable, with the appropriate authorities. Also refer note 44 to the standalone Ind AS financial statements regarding management's assessment on certain matters relating to provident fund.

ANNEXURE B TO THE INDEPENDENT AUDITOR’S REPORT (Contd.)

Referred to in paragraph 13 of the Independent Auditor’s Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements as of and for the year ended 31st March, 2019

(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of service-tax which have not been deposited on account of any dispute. The particulars of dues of income tax, sales tax, duty of customs, duty of excise and value added tax as at 31st March, 2019 which have not been deposited on account of a dispute, are as follows:

Name of Statute	Nature of dues	Amount involved (₹ in Crore)	Amount Unpaid (₹ in Crore)	Period to which the amount relates (Financial Year)	Forum where the dispute is pending
Customs Act, 1962	Custom duty	37.00	18.50	2012-13	Central Excise and Service Tax Appellate Tribunal
Central Excise Act, 1944	Excise duty	0.17	0.17	1989-90	Central Excise and Service Tax Appellate Tribunal
Kerala General Sales Tax Act, 1963	Sales Tax on Works Contracts	0.20	0.20	2001-02	Sales Tax Appellate Tribunal, Calicut
Andhra Pradesh General Sales Tax Act, 1957	Sales Tax on Works Contracts	0.29	0.29	1993-94 & 1994-95	Andhra Pradesh High Court, Hyderabad
Tamil Nadu General Sales Tax Act, 1959	Sales Tax on Works Contracts	0.47	0.47	1989-90 & 1990-91	Asst. Commissioner of Commercial Tax, Tuticorin
Gujarat Value Added Tax Act, 2003	Value Added Tax	0.21	0.17	2013-14 & 2014-15	Joint Commissioner of Commercial Tax (Appeal)
		0.17	0.14	2011-12	GVAT Tribunal
		4.26	1.63	2009-10 & 2010-11	GVAT Tribunal
		1.73	0.51	2008-09	GVAT Tribunal
		1.00	0.27	2007-08	GVAT Tribunal
Gujarat Sales Tax Act, 1969	Sales tax	4.29	4.29	2002-03 & 2003-04	Joint Commissioner of Commercial Tax (Appeal)
Central Sales Tax Act, 1956	Central Sales Tax	3.15	2.51	2008-09, 2009-10, 2010-11, 2011-12 & 2012-13	GVAT Tribunal
		0.65	0.52	2013-14 & 2014-15	Joint Commissioner of Commercial Tax (Appeal)
Income tax Act, 1961	Income Tax	0.14	0.14	2016-17	CIT Appeals
		14.28	5.32	2015-16	CIT Appeals

viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

Referred to in paragraph 13 of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone Ind AS financial statements as of and for the year ended 31st March, 2019

ix. In our opinion, and according to the information and explanations given to us, the moneys raised by way of term loans have been applied for the purposes for which they were obtained. The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments).

x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.

xi. The Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the standalone Ind AS financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.

xv. The Company has not entered into any non cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.

xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

Ahmedabad, 15th May, 2019

Ahmedabad, 15th May, 2019

NOTE 1A: GENERAL INFORMATION

Torrent Power Limited ("the Company") is a public company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India. Its equity shares are listed on BSE Ltd. and National Stock Exchange Ltd. in India. The registered office of the Company is located at "Samanvay", 600, Tapovan, Ambawadi, Ahmedabad – 380 015.

The Company is engaged in the business of generation, transmission and distribution of Power and of manufacture and sale of Cables.

NOTE 1B: NEW STANDARDS OR INTERPRETATIONS ADOPTED BY THE COMPANY

The Company has applied the following Ind AS for the first time for its annual reporting period commencing 1st April, 2018:

Change due to transition to Ind AS - 115 "Revenue from Contracts with Customers"

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 on 28th March, 2018 which include Indian Accounting Standard (Ind AS) 115 in respect of 'Revenue from Contracts with Customers' which has replaced inter alia, the existing Ind AS 18 'Revenue' and is mandatory for reporting periods beginning on or after 1st April, 2018.

Refer note 2.12 for the accounting policy and note 57 for the impact on change in policy and related disclosures.

NOTE 1C: NEW STANDARDS OR INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE

The Company will apply the following standard for the first time for its annual reporting period commencing 1st April, 2019:

Ind AS - 116 "Leases"

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards), 2019 on 30th March, 2019 which includes Ind AS - 116 "Leases". This will replace Ind AS 17 on leases.

Ind AS - 116 will result in almost all leases being recognized on the balance sheet by the lessees, as the distinction between operating and finance leases is removed. Under the new standard, an asset (the right to use the leased item) and a financial liability to pay rentals are recognized. The only exceptions are short term and low value leases.

In order to identify the potential impact of the standard on the Company's financial statements, the Company is analysing leasing contracts. The Company has begun the analysis on the key areas identified, in order to estimate the effect of the application of the new standard for which the work is ongoing and impact areas may be identified as the Company progresses further in the implementation process. As a result, at this stage the Company is not able to estimate the impact of the new standard on the Company's financial statements. The Company will make a more detailed assessment of the impact over the future periods.

Other amendments

On 30th March, 2019, the Ministry of Corporate Affairs (MCA) notified certain other amendments to Indian Accounting Standards (Ind AS), as below, as part of the Companies (Indian Accounting Standards) Second Amendment Rules, 2019. These other amendments come into force on 1st April, 2019.

Ind AS - 12 "Income taxes", Appendix C - Uncertainty over income tax treatments

The appendix explains how to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

Ind AS - 12 "Income taxes"

The amendment clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events.

Ind AS – 19 “Employee benefits”, Plan amendment, curtailment or settlement

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling.

Ind AS - 23 “Borrowing costs”

The amendments clarify that if a specific borrowing remains outstanding after the related qualifying asset is ready for its intended use or sale, it becomes part of general borrowings.

The effective date for adoption of amendments as per Companies (Indian Accounting Standards) Second Amendment Rules, 2019 is annual periods beginning on or after 1st April, 2019. The Company will adopt the standard on 1st April, 2019 and is in the process of evaluating the impact on account of above amendment on its financial statements and will accordingly consider the same from period beginning 1st April, 2019.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation:

Compliance with Ind AS

The financial statements are in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and rules made thereunder.

As prescribed by the Ind AS, if the particular Ind AS is not in conformity with the applicable laws, the provisions of the said law shall prevail and financial statements shall be prepared in conformity with such laws. Consequently, the Company has applied this norm while preparing the financial statements.

Historical cost convention

The financial statements have been prepared on an accrual basis under the historical cost convention except for following which have been measured at fair value;

- Derivative instruments
- Defined benefit plan assets

All assets and liabilities have been classified as current or non-current as set out in the Schedule III (Division II) to the Companies Act, 2013.

2.2 Business combinations and Goodwill:

Business combination - acquisition

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred, liabilities incurred to the former owners of the acquiree and the equity interests issued by the Company in exchange for control of the acquiree.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Business combination – common control transaction

Business combinations involving entities that are controlled by the Company are accounted for using the pooling of interests method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- The identity of the reserves is preserved and the reserves of the transferor become the reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

Business combination-related costs are generally recognised in statement of profit and loss as incurred.

Goodwill

Goodwill on acquisitions of subsidiaries, associates and joint ventures is included in intangible assets. Goodwill is not amortised but is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to such entity.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units that are expected to benefit from the business combination in which the goodwill arose.

2.3 Investments in subsidiaries, joint ventures and associates:

Investments in associates, joint ventures and subsidiaries are measured at cost less provision for impairment, if any.

2.4 Government grants:

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all the attached conditions.

Government grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Government grants relating to purchase of property, plant and equipment whose primary condition is that the Company should purchase, construct or otherwise acquire property, plant and equipment are recognised as deferred revenue in the balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

2.5 Property, plant and equipment:

Tangible fixed assets

Freehold land is carried at historical cost. All other items of property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, except that on adoption of Ind AS, property, plant and equipment had been measured at deemed cost, using the net carrying value as per previous GAAP as at 1st April, 2015.

Capital work in progress in the course of construction for production, supply or administrative purposes is carried at cost, less any recognised impairment loss. Cost includes purchase price, taxes and duties, labour cost and other directly attributable costs incurred upto the date the asset is ready for its intended use. Such property, plant and equipment are classified to the appropriate categories when completed and ready for intended use.

Subsequent cost are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Subsequent costs relating to day to day servicing of the item are not recognised in the carrying amount of an item of property, plant and equipment; rather, these costs are recognised in profit or loss as incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are ready for their intended use. Depreciation for the year is provided on additions / deductions of the assets during the period from / up to the month in which the asset is added / deducted. Depreciation on tangible assets which are governed as per the provisions of Part B of Schedule II of the Companies Act, 2013 is provided on straight line basis (other than Agra Franchisee Business for which it is provided on written down value basis) using the depreciation rates, the methodology and residual value as notified by the respective regulatory bodies in accordance with the Electricity Act, 2003. For other tangible assets in non-regulated business, depreciation is provided on a straight line basis over the estimated useful lives.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period in respect of tangible assets of non-regulated business. The effect of any such change in estimate in this regard is accounted for on a prospective basis.

The range of depreciation rates of property, plant and equipment are as follows:

Class of assets	Rate of depreciation		
	Regulated business	Franchisee business@	Other business
Buildings	1.80% to 6.00%	3.02% to 7.84%	1.18% to 31.67%
Railway siding	1.80% to 5.28%	-	-
Plant and machinery	1.80% to 18.00%	5.27% to 33.40%	12.66%
Electrical fittings and apparatus	3.60% to 6.33%	6.33% to 12.77%	9.50%
Furniture and fixtures	5.28% to 6.33%	6.33% to 12.77%	9.50%
Vehicles	6.00% to 18.00%	9.50% to 33.40%	9.50% to 11.88%
Office equipment	5.28% to 15.00%	6.33% to 33.40%	6.33% to 31.67%

@ governed by the applicable regulations of U. P. Electricity Regulatory Commission (UPERC)/ Maharashtra Electricity Regulatory Commission (MERC) for this purpose.

2.6 Investment properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from its current use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Investment properties, other than free hold land, are depreciated using straight line method over their estimated useful lives.

2.7 Intangible assets – acquired:

Computer software is carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over its estimated useful life of 3 years. The estimated useful life and amortisation method are reviewed at the end of each reporting period and the effect of any changes in such estimate being accounted for on a prospective basis.

Expenditure incurred on acquisition of intangible assets which are not ready to use at the reporting date is disclosed under "Intangible assets under development".

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

2.8 Impairment of tangible and intangible assets other than goodwill:

Tangible and intangible assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's fair value less costs of disposal and value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit. An impairment loss is recognised immediately in profit or loss.

2.9 Borrowing costs:

Borrowing costs that are directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, such as new projects and / or specific assets created in the existing business, are capitalized up to the date of completion and ready for their intended use.

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are charged to the statement of profit and loss in the period of their accrual.

2.10 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, cheques / drafts on hand, current account balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2.11 Inventories:

Raw materials, fuel, stores and spares, packing materials, loose tools, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of inventories includes purchase price and all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the weighted average basis except inventory of Regasified Liquefied Natural Gas (RLNG) which is valued on FIFO basis and using specific identification method considering its procurement for beneficiary usage or others. Costs of purchased inventory are determined after deducting rebates and discounts.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.12 Revenue recognition:

Revenue is recognized, when the control of the goods or services has been transferred to consumers. Revenue is measured at the fair value of the consideration received or receivable, net of discounts and other similar allowances.

(i) Revenue from power supply is accounted for in accordance with the principles laid down under the relevant Tariff Regulations / Tariff Orders notified by the Electricity Regulator. Revenue recognised includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff and adjustments in respect of unbilled amounts towards revenue gaps / unapproved FPPPA which are recognised considering applicable tariff regulations / tariff orders, past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

These adjustments / accruals are carried forward as 'Unbilled revenue' under "Other current financial assets" in Note 18, which would be adjusted through future billing based on tariff determination by the regulator in accordance with the electricity regulations.

(ii) Sales of cables and trading of RLNG are recognised, net of returns and rebates, on transfer of control of ownership to the buyer. Sales exclude Goods and service tax.

(iii) Gross proceeds from sale of Certified Emission Reduction certificates (CERs) are recognized when all the control of CERs have been passed to the buyer, usually on delivery of the CERs.

(iv) Income from Generation Based Incentive is accounted on accrual basis considering eligibility of project for availing incentive.

(v) Contributions by consumers towards items of property, plant and equipment, which require an obligation to provide electricity connectivity to the consumers, are recognised as a credit to deferred revenue. Such revenue is recognised over the useful life of the property, plant and equipment.

2.13 Foreign currency translation:

Functional and presentation currency

The financial statements are prepared in Indian rupee (INR) which is functional as well as presentation currency of the Company.

Transactions and balances

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of profit and loss, within finance costs. All other foreign exchange differences arising on settlement of monetary items or on reporting the Company's monetary items at rates different from those at which they were initially recorded during the financial year are recognized as income or expense in the financial year in which they arise.

The exchange differences relating to long term foreign currency monetary items, recognised in the financial statement upto 31st March, 2016, in so far as they relate to acquisition of depreciable capital assets is adjusted to the cost of such capital asset and depreciated over the balance useful life of such asset.

2.14 Employee benefits:

Defined contribution plans

Contributions to retirement benefit plans in the form of provident fund, employee state insurance scheme, pension scheme and superannuation schemes as per regulations are charged as an expense on an accrual basis when employees have rendered the service. The Company has no further payment obligations once the contributions have been paid.

Defined benefits plans

The liability or asset recognised in the balance sheet in respect of the retirement benefit plan i.e. gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated by an actuary using projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of the plan assets. This cost is included in the employee benefit expense in the statement of profit and loss.

Remeasurements, comprising actuarial gains and losses and the effect of the changes to the asset ceiling (if applicable), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur and consequently recognised in retained earnings and is not reclassified to profit or loss.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The said obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

2.15 Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on estimated taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and revises the provisions, if so required where consider necessary.

Advance taxes and provisions for current income taxes are offset with each other when there is a legally enforceable right to offset and balances arise with the same tax authority.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

2.16 Earnings per share:

Basic earnings per share is computed by dividing the profit / (loss) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by adjusting the figures used in the determination of basic EPS to take into account:

- After tax effect of interest and other financing costs associated with dilutive potential equity shares.
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.17 Provisions, contingent liabilities and contingent assets:

Provisions

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liability

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognised but disclosed only when an inflow of economic benefits is probable.

2.18 Financial instruments:

Financial assets

i) Classification of financial assets (including debt instruments)

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

ii) Initial measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets at fair value through profit or loss are recognised immediately in profit or loss.

iii) Subsequent measurement

There are three measurement categories into which the debt instruments can be classified:

- **Amortised cost**

  Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Fair value through other comprehensive income (FVOCI)**

  Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains / (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains and losses and impairment expenses in other expenses.

- **Fair value through profit or loss (FVTPL)**

  Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains / (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

iv) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115 only, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109 i.e. expected credit loss allowance as computed based on historical credit loss experience.

v) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset

When the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of financial asset, the financial asset is derecognised if the Company has not retained control over the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

vi) Income recognition

Dividend is accounted when the right to receive payment is established.

Interest income from financial assets is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Interest on overdue receivables of energy bills and claims including insurance claims, coal cost variation and other claims etc. are accounted as and when recovered.

Financial liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings.

i) Classification

All the Company's financial liabilities, except for financial liabilities at fair value through profit or loss, are measured at amortized cost.

ii) Initial measurement

Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities (other than financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial liabilities, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

iii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate Method.

The Effective Interest Rate Method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

iv) Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or waived off or have expired. An exchange between the Company and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

2.19 Contributed equity:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Transaction costs of an equity transaction shall be accounted for in other equity.

2.20 Leases:

Leases (including lease arrangements for land) are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating Lease (The Company as Lessee): Lease payments under an operating lease are recognized as expense in the statement of profit and loss, on a straight-line or other systematic basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Lessor's expected inflationary cost increases, such increases are recognised in the year in which such liability accrues.

2.21 Amount presented and rounding off:

All amounts in the financial statements and notes have been presented in ₹ Crore (except for share data) rounded to two decimals as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated. Figures below ₹50,000 are denoted by '*'.

NOTE 3: CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the course of applying the policies outlined in all notes under note 2 above, the management of the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Such estimates and associated assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

3.1 Revenue recognition:

The Company has recognised revenue (including the adjustment in respect of unapproved FPPPA claims and other true up adjustment claims) as per the applicable tariff regulations / tariff orders, management's probability estimate and the past trends of approval. The company has not recognized those truing up adjustment claims which are subject of dispute and for which the company is in appeal with regulatory authorities.

3.2 Property, plant and equipment:

(i) Service concession arrangements

The Company has assessed applicability of Appendix D of Ind AS – 115 "Service Concession Arrangements" with respect to its distribution and transmission assets portfolio. In assessing the applicability, the Company has exercised judgment in relation to the provisions of the Electricity Act, 2003, transmission / distribution license and / or agreements. Based on such assessment, it has concluded that Appendix D of Ind AS 115 is not applicable.

(ii) Impairment of property, plant and equipment

At the end of each reporting period, the Company reviews the carrying amounts of its property, plant and equipment to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount of property, plant and equipment is the higher of its fair value less costs of disposal and value in use. Value in use is usually determined on the basis of discounted estimated future cash flows. This involves management estimates on anticipated PLF, fuel availability at economical rates, economic and regulatory environment, discount rates and other factors. Any subsequent changes to cash flow due to changes in the above mentioned factors could impact the carrying value of assets. [Refer note 41(1)]

3.3 Impairment of financial assets:

(i) Trade receivables

The Company estimates the credit allowance as per practical expedient based on historical credit loss experience as enumerated in note 56.

(ii) Impairment of investments

At the end of each reporting period, the Company reviews the carrying amounts of its investments when there is an indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for. [Refer note 41(2)]

3.4 Taxation:

(i) Current tax

The Company has treated certain expenditure as being deductible for tax purposes. However, the tax legislation in relation to such expenditure is not clear and the Company has applied their judgement and interpretation for the purpose of taking their tax position.

(ii) Deferred tax assets

Deferred tax assets are recognised for unused tax losses / credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. [Refer note 42]

3.5 Contingencies:

Contingent liabilities

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management decides whether the matters needs to be classified as ‘remote’, ‘possible’ or ‘probable’ based on expert advice, past judgements, experiences etc.

3.6 Employee benefit plans:

Defined benefit plans and other long-term employee benefits

The present value of obligations under defined benefit plan and other long term employment benefits is determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary escalations, attrition rate and mortality rates etc. Due to the complexities involved in the valuation and its long term nature, these obligations are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Issued during the year	-	-
Outstanding at the end of the year	48,06,16,784	48,06,16,784

2. 25,74,22,311 equity shares (25,74,22,311 equity shares as at 31st March, 2018) of ₹10 each fully paid up are held by the Parent Company - Torrent Private Limited.

3. Terms / Rights attached to equity shares :

   The Company has only one class of equity shares having par value of ₹10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees.The dividend,if any, proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

   In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

4. Details of shareholders holding more than 5% shares in the Company :

Name of the Shareholder	As at 31st March, 2019		As at 31st March, 2018	
	No. of shares	% holding	No. of shares	% holding
Torrent Private Limited	25,74,22,311	53.56%	25,74,22,311	53.56%

Life Insurance Corporation of India	1,49,68,387	@	2,83,83,394	5.91%

@ less than 5%

5. Aggregate number of equity shares allotted as fully paid up pursuant to contract(s) without payment being received in cash :

   During financial year 2015-16, the Company allotted 81,68,476 equity shares of ₹10 each at par to the shareholders of Torrent Cables Limited pursuant to the scheme of amalgamation of Torrent Energy Limited and Torrent Cables Limited with Torrent Power Limited as approved by the Hon'ble Gujarat High Court vide its order dated 13th August, 2015.

6. Distributions made and proposed:

   The amount of per share dividend distributed to equity shareholders during the year ended 31st March, 2019 was ₹5.00 (Previous year- ₹2.20) per equity share, being the final dividend declared for the year ended 31st March, 2018.

   The Board of Directors at its meeting held on 15th May, 2019 has recommended a dividend of 50.00% (₹5.00 per equity share of par value ₹10 each).The proposal is subject to the approval of shareholders at the ensuing Annual General Meeting and if approved, would result in a cash outflow of approximately ₹289.71 Crore (inclusive of dividend distribution tax of ₹49.40 Crore).

NOTE 21 : OTHER EQUITY

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Reserves and surplus		
Securities premium	0.03	0.03
Debenture redemption reserve	197.90	163.68
Contingency reserve	9.76	7.95
Special reserve	78.07	78.07
General reserve	3,583.89	3,583.89
Retained earnings	4,586.53	3,378.45
	8,456.18	7,212.07

Footnotes:

1. Securities premium:

   Securities premium reflects issuance of the shares by the Company at a premium, whether for cash or otherwise i.e. a sum equal to the aggregate amount of the premium received on shares is transferred to a "securities premium account" as per the provisions of the Companies Act, 2013. The reserve can be utilised in accordance with the provisions of the Act.

2. Debenture redemption reserve:

   The Company has issued redeemable non-convertible debentures. Consequently, the Company is required under the Companies (Share capital and Debentures) Rules, 2014 (as amended), to create Debenture redemption reserve (DRR), equal to 25% of the value of debentures, out of profits of the Company available for payment of dividend. The Company creates DRR, for the required amount, over the tenure of the debentures, before redemption begins.

3. Contingency reserve:

   As per the provisions of GERC MYT Regulations read with Tariff orders passed by GERC, the Company being a Distribution Licensee makes an appropriation to the contingency reserve to meet with certain exigencies. Investments in Bonds issued by Government of India have been made against such reserve.

4. Special reserve:

   As per MYT Regulations (2007), the Company has created a reserve in FY 2011-12 and FY 2012-13, which represents one third amount of controllable gain shall be retained in a special reserve by the Generating Company or Licensee for the purpose of absorbing the impact of any future losses on account of controllable factors.

5. General reserve:

   General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. The general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

6. Retained earnings:

   The retained earnings reflect the profit of the company earned till date net of appropriations. The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the balance in this reserve, after considering the requirements of the Companies Act, 2013.

	845.60	868.27

NOTE 41: IMPAIRMENT ASSESSMENT

1) DGEN Power Plant

Property, Plant & Equipment ("PPE") includes carrying amount of ₹4,365 Crore pertaining to 1,200 MW DGEN Mega Power Project located at Dahej, India ("DGEN"). DGEN started commercial operations from November 2014 ("COD"). Due to various factors such as unavailability of domestic gas, high prices of imported gas and non-availability of power purchase agreements DGEN was not operated after COD, except for intermittent periods during FY 2015-16. During the periods of non-operation, DGEN was maintained in cold standby mode for immediate start-up, as and when required.

In view of above conditions, the Company carried out an assessment to test whether the carrying amount as at 31st March, 2019 of PPE of ₹4,365 Crore in respect of DGEN was required to be impaired in accordance with Indian Accounting Standard 36 ("Ind AS 36"). The assessment was carried out with the help of an external valuer ("expert"). The expert estimated value-in-use by adopting discounted cash flow method for the balance useful life of the DGEN project as at 31st March, 2019 under two scenarios i.e the management case and an alternate case by taking varied sets of assumptions reflective of likely future operating scenarios. The value in use in both the scenarios is higher than the carrying amount of the PPE pertaining to DGEN and accordingly no impairment provision is considered necessary as at 31st March, 2019.

The assessment of value-in-use involved several key assumptions including expected demand, future price of fuel, expected tariff rates for electricity, discount rate, exchange rate and current electricity market scenario which the management considered reasonable based on past trends and the current and likely future state of the industry. Management intends to review such assumptions periodically to factor updated information based on events or changes in circumstances in order to make fresh assessment of impairment, if any. Changes in such key assumptions in future may have a material adverse impact on the value-in-use.

2) Investment in Torrent Pipavav Generation Limited

Torrent Pipavav Generation Limited ("TPGL"), a subsidiary of the Company, had paid for acquisition of land in Amreli, Gujarat for the purpose of developing a coal based power plant of 1,000+ MW. Due to non-availability of fuel linkage, the Government of Gujarat vide its letter dated 6th December, 2017, has communicated that the said project may not be developed and accordingly, the joint venture between Torrent Power Limited and Gujarat Power Corporation Limited (GPCL) is intended to be dissolved. The cost of land would be reimbursed through disposal by state government. With reference to this, in the month of March 2019, GPCL has written a letter to Collector, Amreli stating that land is surrendered to the Government and requested Energy and Petroleum Department, Government of Gujarat to take further action in the matter. The management has made an impairment assessment of the land valuation by comparing the carrying value of such land in the books with the stamp value as prescribed by the Superintendent of Stamps, Gandhinagar, Gujarat, on the basis of which it has been concluded that there is no impairment. The recovery of the amount invested as equity and loan aggregating ₹105.12 Crore is dependent on the ability of the Government to find a buyer for the land.

NOTE 42: INCOME TAX EXPENSES

(a) Income tax expense recognised in statement of profit and loss

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Current tax		
Current tax on profits for the year	272.64	308.42
Adjustment for current tax of prior periods	(3.38)	(4.82)
	269.26	303.60
Deferred tax (other than that disclosed under OCI)		
Decrease / (increase) in deferred tax assets	(43.53)	(110.87)
(Decrease) / increase in deferred tax liabilities	133.39	261.06
	89.86	150.19
Income tax expense	359.12	453.79

(b) Reconciliation of income tax expense

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Profit before tax	1,248.36	1,375.53
Expected income tax expense calculated using tax rate at 34.944% (Previous year - 34.608%)	436.23	476.04
Adjustment to reconcile expected income tax expense to reported income tax expense:		
Effect of:		
Expenditure not deductible under Income Tax Act	24.60	22.30
Income not taxable under Income Tax Act	(2.33)	(2.30)
Tax incentives	(376.56)	0.47
Transition to Ind AS 115	63.53	-
Unabsorbed depreciation / tax credits and other items	217.03	(57.23)
Impact of enacted income tax rate on deferred tax balance	-	19.33
Total	362.50	458.61
Adjustment for current tax of prior periods	(3.38)	(4.82)
Total expense as per statement of profit and loss	359.12	453.79

The tax rate used for the reconciliations given above is the actual / enacted corporate tax rate payable by corporate entities in India on taxable profits under the Indian tax law.

(c) Income tax recognised in other comprehensive income

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Deferred tax		
Re-measurement of defined benefit obligation (Items that will not be reclassified to profit or loss)	(9.55)	20.49
Income tax expense / (income) recognised in other comprehensive income	(3.34)	7.16

NOTE 42: INCOME TAX EXPENSES (Contd.)

(d) Deferred tax balances

(1) The following is the analysis of deferred tax assets / (liabilities) presented in the balance sheet

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Deferred tax assets	653.27	606.40
Deferred tax liabilities	(2,209.53)	(2,076.14)
	(1,556.26)	(1,469.74)

(2) Movement of deferred tax assets / (liabilities)

Deferred tax assets / (liabilities) in relation to the year ended 31st March, 2019

(₹ in Crore)

	Opening balance	Recognised in profit or loss	Recognised in OCI	Closing balance
Property, plant and equipment	(2,064.59)	(139.82)	-	(2,204.41)
Expense allowable for tax purposes when paid	58.29	(4.71)	3.34	56.92
Tax effect on fair value change in financial instruments and unamortised cost	(11.55)	6.43	-	(5.12)
Unabsorbed depreciation / Minimum Alternate Tax (MAT) credit entitlement and other items	548.11	48.24	-	596.35
	(1,469.74)	(89.86)	3.34	(1,556.26)

Deferred tax assets / (liabilities) in relation to the year ended 31st March, 2018

(₹ in Crore)

	Opening balance	Recognised in profit or loss	Recognised in OCI	Closing balance
Property, plant and equipment	(1,810.58)	(254.01)	-	(2,064.59)
Expense allowable for tax purposes when paid	58.27	7.18	(7.16)	58.29
Tax effect on fair value change in financial instruments and unamortised cost	(4.50)	(7.05)	-	(11.55)
Unabsorbed depreciation / Minimum Alternate Tax (MAT) credit entitlement and other items	444.42	103.69	-	548.11
	(1,312.39)	(150.19)	(7.16)	(1,469.74)

(3) Unrecognised deferred tax assets

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Unused tax losses	-	146.01
Unused tax credits	973.65	807.99
	973.65	954.00

Management has made an assessment of the amount of taxable income that would be available in future to offset the tax credits available to the Company.

The assessment of taxable income involved several key assumptions including expected demand, future price of fuel, expected tariff rate for electricity, exchange rate and electricity market scenario, which the management considered reasonable based on past trends, applicable tariff regulations / agreements and current and likely future state of the industry.

NOTE 43: DEFERRED REVENUE

(a) Contribution received from consumers

(1) Nature of contribution received from consumers

Contributions received from consumers towards property, plant and equipment has been recognised as deferred revenue.

(2) Movement of contribution received from consumers

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Opening balance	912.18	845.50
Add: Contribution received during the year	166.00	120.52
Less: Amortisation of contribution transferred to statement of profit and loss [Refer note 33]	(60.94)	(53.84)
Closing balance	1,017.24	912.18
Non-current portion [Refer note 26]	950.04	853.84
Current portion [Refer note 30]	67.20	58.34
	1,017.24	912.18

(b) Government grant

(1) Nature of government grant

Ministry of Power, Government of India (GoI), had introduced the Accelerated Power Development & Reforms Programme (APDRP) to achieve reduction in AT&C losses, to strengthen the T&D network and to ensure reliable and quality power supply with adequate consumer satisfaction. The projects approved for financing under the programme are eligible for a grant and soft loan each equivalent to 25% of the project cost from the GoI. The Balance 50% was required to be funded by the Company. There are no unfulfilled conditions or other contingencies attached to these grants.

(2) Movement of government grant

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Opening balance	27.02	29.73
Add: Grants during the year	-	-
Less: Amortisation of grant transferred to statement of profit and loss [Refer note 33]	(2.72)	(2.71)
Closing balance	24.30	27.02
Non-current portion [Refer note 26]	21.58	24.31
Current portion [Refer note 30]	2.72	2.71
	24.30	27.02

NOTE 44: CONTINGENT LIABILITIES, CONTINGENT ASSETS AND CAPITAL COMMITMENTS

(a) Contingent liabilities

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Disputed income tax matters	31.52	29.22
Disputed sales tax matters	4.29	4.29
Disputed custom duty matters	18.50	18.50
Disputed excise duty matters	2.45	2.45
Disputed stamp duty matters	0.35	0.35
Disputed value added tax matters	3.26	3.11
Disputed central sales tax matters	3.20	2.55
Claims against the Company not acknowledged as debt	34.51	28.30
Guarantees given to lenders of subsidiaries	274.13	-

The Company is in the process of evaluating the impact of the Supreme Court ("SC") judgement dated 28th February, 2019 in the case of Regional Provident Fund Commissioner (II) West Bengal v/s Vivekananda Vidyamandir and Others, in relation to non-inclusion of certain allowances within the definition of "basic wages" of the relevant employees for the purposes of determining contribution to Provident Fund ("PF") under the Employees' Provident Fund & Miscellaneous Provisions Act, 1952. There are interpretation issues relating to the said SC judgement and review petitions are pending before the SC in this matter. In the assessment of the management, the aforesaid matter is not likely to have a significant impact and accordingly, no provision has been made in the financial statements.

Footnote:
In respect of the above, the expected outflow will be determined at the time of final resolution of the dispute / matters. No reimbursement is expected.

(b) Contingent assets

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Coal grade slippage claim	31.49	16.02
	31.49	16.02

(c) Capital commitments

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
i) Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances)		
Property, plant and equipment	3,280.51	2,219.98
ii) Other commitments		
Equity investment in subsidiaries	275.00	-
Investment in associates	-	350.10

iii) Novation agreement with lender for short term finance facilities obtained by associates :

During the year, the Company has entered into an agreement to novate with a lender in respect of two short term finance facilities obtained by two of its associates against which an aggregate amounts of ₹98.00 Crore is outstanding as on 31st March, 2019. As per the terms of the said agreement, in certain circumstances, the Company will be obligated to purchase the outstanding loan balances if the right is so exercised by the lender, as per the terms of the agreement.

NOTE 45: THE COMPANY HAS GIVEN LOANS TO ITS SUBSIDIARY COMPANIES AS UNDER:

Disclosure under Regulation 34(3) read with para A of Schedule V of Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015

(₹ in Crore)

	Maximum amount outstanding during the year		Amount outstanding	
	Year ended 31st March, 2019	Year ended 31st March, 2018	As at 31st March, 2019	As at 31st March, 2018
Subsidiary Companies				
Torrent Pipavav Generation Limited	57.62	56.12	57.62	56.12
Torrent Solargen Limited	131.35	-	131.35	-
Jodhpur Wind Farms Private Limited	443.44	283.43	72.87	283.43
Latur Renewables Private Limited	433.81	278.64	55.57	278.64
			317.41	618.19

1. Other than above, the Company has not given any loans or advances in the nature of loan to any of its subsidiaries and associates or firms / companies, in which Directors are interested.
2. The above loans were given to the subsidiaries for their normal business activities.

The Company is engaged in the business of providing infrastructural facilities as per Section 186 (11) of the Act. Accordingly, disclosure under Section 186 (4) of the Act, is not applicable to the Company.

NOTE 46: MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT ACT, 2006 (MSMED ACT, 2006)

Micro and small enterprises under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act, 2006) have been determined based on the information available with the Company and the required disclosures are given below:

(₹ in Crore)

		As at 31st March, 2019	As at 31st March, 2018
(a)	Principal amount remaining unpaid [Refer notes 28 and 29]	29.01	18.34
(b)	Interest due thereon	0.02	0.03
(c)	The amount of interest paid along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year		
	(i) Principal amounts paid to the suppliers beyond the appointed day during the year	5.24	2.78
	(ii) Interest paid under section 16 of the MSMED Act, to the suppliers, beyond the appointed day during the year	0.04	0.03
(d)	The amount of interest due and payable for the year (where the principal has been paid but interest under the MSMED Act, 2006 not paid)	0.36	*
(e)	The amount of interest accrued and remaining unpaid [b+d]	0.38	0.03
(f)	The amount of further interest due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23.	-	-

NOTE 47: OPERATING LEASE

The Company's significant leasing arrangements, other than land, are in respect of residential flats, office premises, plant and machinery and equipment taken on lease. The arrangements range between 11 months and 10 years generally and are usually renewable by mutual consent on mutually agreeable terms. Under these arrangements, generally refundable interest free deposits have been given. The Company has not entered into any material financial lease. The Company does not have any non-cancellable lease.

Leasing arrangements with respect to land range between 25 years to 99 years.

NOTE 48: EMLOYEE BENEFIT PLANS

48.1 Defined contribution plan:

The Company has defined contribution retirement benefit plans for its employees.

The Company's contributions to provident fund, pension scheme and employee state insurance scheme are made to the relevant government authorities as per the prescribed rules and regulations. The Company's superannuation scheme for qualifying employees is administered through its various superannuation trust funds. The Company's contributions to the above defined contribution plans are recognised as employee benefit expenses in the statement of profit and loss for the year in which they are due. The Company has no further obligation in respect of such plans beyond the contributions made.

The Company's contribution to provident, pension and superannuation funds aggregating to ₹35.77 Crore and to employees state insurance scheme of ₹1.29 Crore (Previous year - ₹33.48 Crore & ₹1.33 Crore respectively) has been recognised in the statement of profit and loss under the head employee benefits expense [Refer note 37].

48.2 Defined benefit plans:

(a) **Gratuity**

The Company operates a gratuity plan covering all its employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. The gratuity benefits payable to the employees are based on the tenure of employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company. In case of death while in service, the gratuity is payable irrespective of vesting.

The Company makes annual contribution to the gratuity schemes administered by the Life Insurance Corporation of India through its various Gratuity Trust Funds. The liability in respect of plan is determined on the basis of an actuarial valuation.

(b) **Risk exposure to defined benefit plans**

The plans typically expose the Company to actuarial risks such as: asset volatility, interest rate risk, longevity risk and salary risk as described below :

Asset volatility

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on Indian government securities; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

NOTE 48: EMLOYEE BENEFIT PLANS (Contd.)

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation was carried out at 31st March, 2019. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

(c) **Significant assumptions**

The principal assumptions used for the purposes of the actuarial valuations were as follows.

	As at 31st March, 2019	As at 31st March, 2018
Discount rate	7.92%	7.78%
Salary escalation rate	8.50%	8.50%

(d) **The amount included in the balance sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:**

Balances of defined benefit plan

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Present value of funded defined benefit obligation	243.64	239.17
Fair value of plan assets	225.30	228.13
Net (asset) / liability [Refer note 31]	18.34	11.04

(e) **Expenses recognised for defined benefit plan and movement of plan assets and liabilities**

Following are the amounts recognised in statement of profit and loss, other comprehensive income, movement in defined benefit liability and movement in plan assets:

(₹ in Crore)

		Funded plan - Gratuity	
		As at 31st March, 2019	As at 31st March, 2018
(1)	**Movements in the present value of the defined benefit obligation:**		
	Obligation at the beginning of the year	239.17	236.58
	Current service cost	11.48	12.22
	Interest cost	18.61	17.02
	Past service cost	-	17.81
	Actuarial (gains) / losses from changes in demographic assumptions	-	(4.33)
	Actuarial (gains) / losses arising changes in financial assumptions	(2.00)	(8.07)
	Actuarial (gains) / losses from experience adjustments	9.70	(5.73)
	Liability transferred in	-	0.01
	Liability transferred out	(0.84)	(0.08)
	Benefits paid directly by employer	(2.80)	(1.42)
	Benefits paid	(29.68)	(24.84)
	Obligation at the end of the year	243.64	239.17

NOTE 48: EMLOYEE BENEFIT PLANS (Contd.)

(₹ in Crore)

		Funded plan - Gratuity	
		As at 31st March, 2019	As at 31st March, 2018
(2)	**Movements in the fair value of the plan assets:**		
	Plan assets at the beginning of the year, at fair value	228.13	206.31
	Interest income	17.74	14.85
	Return on plan assets (excluding interest income)	(1.85)	2.36
	Contributions received	10.96	29.45
	Benefits paid	(29.68)	(24.84)
	Plan assets at the end of the year, at fair value	225.30	228.13
(3)	**Gratuity cost recognized in the statement of profit and loss**		
	Current service cost	11.48	12.22
	Interest cost, net	0.87	2.17
	Past service cost	-	17.81
	Net gratuity cost recognized in the statement of profit and loss [Refer note 37]	12.35	32.20
(4)	**Gratuity cost recognized in the other comprehensive income (OCI)**		
	Return on plan assets (excluding interest income)	1.85	(2.36)
	Actuarial (gains) / losses	7.70	(18.13)
	Net (income) / expense for the period recognized in OCI	9.55	(20.49)

(f) **Category wise plan assets**

Contributions to fund the obligations under the gratuity plan are made to the Life Insurance Corporation of India.

(g) **Sensitivity analysis**

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis given below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

(₹ in Crore)

Change in assumptions	As at 31st March, 2019	As at 31st March, 2018
Increase / (decrease) in defined benefit obligation of gratuity		
50 basis points increase in discount rate	(6.86)	(6.62)
50 basis points decrease in discount rate	7.33	7.09
50 basis points increase in salary escalation rate	2.51	6.42
50 basis points decrease in salary escalation rate	(11.45)	(7.16)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

(h) The weighted average duration of the gratuity plan based on average future service is 13 years (Previous year - 13 years).

NOTE 48: EMLOYEE BENEFIT PLANS (Contd.)

(i) Expected contribution to the plan for the next annual reporting period is ₹18.34 Crore (Previous year - ₹11.04 Crore).

(j) **Cash flow projection from the fund**

Projected benefits payable in future years from the date of reporting

(₹ in Crore)

	Funded Plan - Gratuity	
	As at 31st March, 2019	As at 31st March, 2018
1st following year	35.92	37.72
2nd following year	20.64	21.57
3rd following year	36.12	30.24
4th following year	31.75	32.74
5th following year	26.96	28.69
sum of years 6 to 10th	94.96	96.37

48.3 Other long-term employee benefit obligations :

The leave obligation covers the Company's liability for sick and earned leave. Under these compensated absences plans, leave encashment is payable to all eligible employees on separation from the Company due to death, retirement or resignation; at the rate of daily last drawn salary, multiplied by leave days accumulated as at the end of relevant period. Refer notes 25, 31 and 37 for the leave encashment provision / change in the balance sheet and statement of profit and loss.

NOTE 49: AUDITORS REMUNERATION (INCLUDING TAXES)

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
As auditor		
Audit fees	1.07	0.73
Other services- certificates etc.	0.29	0.07
Reimbursement of expenses	0.25	0.09
	1.61	0.89

NOTE 50: CORPORATE SOCIAL RESPONSIBILITY (CSR) EXPENDITURE

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
(a) Gross amount required to be spent by the Company	19.51	15.02
(b) Amount spent during the year on		
(i) Construction / acquisition of any asset	-	-
(ii) On purposes other than (i) above [Refer note 40]	19.64	15.11
	19.64	15.11
(c) Contribution to section 8 related companies, included in (b) above, in relation to CSR expenditure		
(i) Tornascent Care Institute	1.86	7.92
(ii) UNM Foundation	4.75	2.87
	6.61	10.79

NOTE 51: DONATIONS INCLUDE POLITICAL CONTRIBUTIONS AS UNDER

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Electoral Bonds	25.00	-
Prudent Electoral Trust	-	10.00
	25.00	10.00

NOTE 52: EARNINGS PER SHARE

	Year ended 31st March, 2019	Year ended 31st March, 2018
Basic earnings per share (₹)	18.50	19.18
Diluted earnings per share (₹)	18.50	19.18

Basic and diluted earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows:

	Year ended 31st March, 2019	Year ended 31st March, 2018
Profit for the year attributable to the Company used in calculation of basic earning per share (₹ in Crore)	889.24	921.74
Weighted average number of equity shares	48,06,16,784	48,06,16,784

The Company does not have any dilutive potential ordinary shares and therefore diluted earnings per share is the same as basic earnings per share.

NOTE 53: OPERATING SEGMENT

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz. "Generation, Transmission and Distribution of Power" as an integrated utility. Further, the Company's cable business is not a reportable segment in terms of revenue, profit, assets and liabilities. Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

NOTE 54: CERTIFIED EMISSION REDUCTION (CERs)

	As at 31st March, 2019	As at 31st March, 2018
No. of CERs inventory	9,93,052	-
No. of CERs under certification	-	42,78,624
Inventories of CERs are valued at cost or market price whichever is lower.		

NOTE 55: RELATED PARTY DISCLOSURES

(a) Names of related parties and description of relationship

1.	Parent Company	Torrent Private Limited
2.	Subsidiaries	Torrent Power Grid Limited, Torrent Pipavav Generation Limited, Torrent Solargen Limited, Jodhpur Wind Farms Private Limited (w.e.f. 29th January, 2018), Latur Renewables Private Limited (w.e.f. 29th January, 2018)

(e) Terms and conditions of outstanding balances

The transactions with related parties are made in the normal course of business on terms equivalent to those that prevail in arm's length transactions.

Outstanding balances at the year-end are unsecured.

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW

(a) Capital management

The Company manages its capital structure in a manner to ensure that it will be able to continue as a going concern while optimising the return to stakeholders through the appropriate debt and equity balance.

The Company's capital structure is represented by equity (comprising issued capital, retained earnings and other reserves as detailed in notes 20, 21) and debt (borrowings as detailed in note 22).

The Company's management reviews the capital structure of the Company on an annual basis. As part of this review, the management considers the cost of capital and the risks associated with each class of capital. The Company's plan is to ensure that the gearing ratio (debt equity ratio) is well within the limit of 2:1.

Gearing ratio

The gearing ratio at end of the reporting period is as follows.

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Debt	9,124.92	9,255.52
Total equity	10,475.75	9,147.16
Debt to equity ratio	0.87	1.01

Footnotes :

1. Debt is defined as all long term debt outstanding (including unamortised expense) + contingent liability pertaining to corporate / financial guarantee given + short term debt outstanding in lieu of long term debt.
2. Total equity is defined as Equity share capital + all reserve (excluding revaluation reserve) + deferred tax liabilities – deferred tax assets – intangible assets – Intangible assets under development.

Loan covenants

The company has complied with financial covenants specified as per the terms of borrowing facilities.

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

(b) Categories of financial instruments

(₹ in Crore)

	As at 31st March, 2019		As at 31st March, 2018	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Measured at amortised cost				
Cash and cash equivalents	114.33	114.33	134.23	134.23
Bank balance other than cash and cash equivalents	211.92	211.92	135.50	135.50
Investment in bonds and debentures	287.50	287.50	192.23	192.23
Trade receivables	1,170.53	1,170.53	1,124.48	1,124.48
Loans	349.17	349.17	651.22	651.22
Other financial assets	1,811.91	1,811.91	651.05	651.05
	3,945.36	3,945.36	2,888.71	2,888.71
Measured at fair value through profit and loss (FVTPL)				
Investment in mutual funds	472.46	472.46	614.12	614.12
Investment in equity instruments#	0.06	0.06	0.06	0.06
	472.52	472.52	614.18	614.18
Financial liabilities				
Measured at amortised cost				
Borrowings	8,333.43	8,364.42	8,502.40	8,555.39
Trade payables	894.47	894.47	751.92	751.92
Other financial liabilities	2,328.99	2,328.99	2,112.69	2,112.69
	11,556.89	11,587.88	11,367.01	11,420.00

Other than equity instruments in subsidiaries & associates recognised at cost.

(c) Fair value measurement

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 : Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets and liabilities that are not measured at fair value on a recurring basis (but fair value disclosures are required) :

(1) Financial assets at fair value through profit and loss (FVTPL)

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2019	As at 31st March, 2018		
Investment in mutual fund units	472.46	614.12	Level 1	Quoted bid prices in an active market
	472.46	614.12		

(2) Financial liabilities at amortised cost

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2019	As at 31st March, 2018		
Fixed rate borrowings (Non-convertible debentures)	1,125.99	1,147.99	Level 2	Inputs other than quoted prices that are observable
	1,125.99	1,147.99		

(d) Financial risk management objectives

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations, routine and projects capital expenditure. The Company's principal financial assets include loans, advances, trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Company's activities expose it to a variety of financial risks viz foreign currency risk, commodity price risk, interest rate risk, credit risk, liquidity risk etc. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's senior management oversees the management of these risks. It advises on financial risks and the appropriate financial risk governance framework for the Company.

Foreign currency risk

The Company is exposed to foreign currency risks arising from various currency exposures, primarily with respect to the USD and EURO. Foreign currency risks arise from future commercial transactions and recognized assets and liabilities, when they are denominated in a currency other than Indian Rupee.

The Company's exposure with regards to foreign currency risk which are not hedged are given below. However, these risks are not significant to the company's operation and accordingly sensitivity analysis is not given.

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

Unhedged foreign currency exposures

(in Crore)

Nature of transactions	Currency	As at 31st March, 2019	As at 31st March, 2018
Financial liabilities			
Trade payable	USD	0.93	-
Capital liability	USD	-	*
Trade payable	EURO	1.71	1.11
Capital liability	EURO	0.01	0.01
Trade payable	CHF	0.02	-

Commodity price risk

The commodity exposure is mainly on account of fuel, a substantial part of which is a pass through cost and hence the commodity price exposure is not likely to have a material financial impact on the Company.

The Company has exposure to USD / INR exchange rate arising principally on account of import of LNG and import of coal. The extant tariff regulations do not permit the cost of hedging such exposure as a cost to be passed through to the off-takers / beneficiaries. As a result, the Company does not follow a policy of hedging such exposures and actual rupee costs of import of fuel are substantially passed on to the off-takers / consumers, because of which such commodity price exposure is not likely to have a material financial impact on the Company.

Interest rate risk

Most of the Company's borrowings are on a floating rate of interest. The Company has exposure to interest rate risk, arising principally on changes in Marginal Cost of Funds based Lending Rate (MCLR). The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like non-convertible debentures and short term credit lines besides internal accruals.

The following table provides a break-up of the Company's fixed and floating rate borrowings:

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Fixed rate borrowings	1,119.46	1,123.28
Floating rate borrowings^	8,031.38	8,132.24
	9,150.84	9,255.52

^ Gross amount including unamortised expense.

Interest rate risk sensitivity:

The below mentioned sensitivity analysis is based on the exposure to interest rates for floating rate borrowings. For this it is assumed that the amount of the floating rate liability outstanding at the end of the reporting period was outstanding for the whole year. If interest rates had been 50 basis points higher or lower, other variables being held constant, following is the impact on profit before tax .

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Impact on profit before tax - increase in 50 basis points	(40.16)	(40.66)
Impact on profit before tax - decrease in 50 basis points	40.16	40.66

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

Credit risk

Trade receivables

(1) Exposures to credit risk:

The Company is exposed to the counterparty credit risk arising from the possibility that counterparties (primarily trade receivables, suppliers, contractors etc.) might fail to comply with contractual obligations. This exposure may arise with regard to unsettled amounts and the cost of substituting products and services that are not provided.

(2) Credit risk management:

Credit risk is managed and limited in accordance with the type of transaction and the creditworthiness of the counterparty. The Company has established criteria for admission, approval systems, authorisation levels, exposure measurement methodologies, etc. The concentration of credit risk is limited due to the fact that the customer base is large. None of the customers accounted for more than 10% of the receivables and revenue for the year ended 31st March, 2019 and 31st March, 2018. However, the Company is dependent on the domestic market for its business and revenues.

The Company's credit policies and practices with respect to distribution areas are designed to limit credit exposure by collecting security deposits prior to providing utility services or after utility service has commenced according to applicable regulatory requirements. In respect to generation business, Company generally has letter of credits / bank guarantees to limit its credit exposure.

(3) Other credit enhancements

The Company does not hold any collateral or other credit enhancements to cover its credit risks associated with its financial assets.

(4) Age of receivables and expected credit loss

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experienced and adjusted for forward- looking information. The expected credit loss allowance is based on ageing of the days the receivables are due.

The age of receivables and provision matrix at the end of the reporting period is as follows.

As at 31st March, 2019

(₹ in Crore)

	Gross trade receivables	Allowance for doubtful debt
Less than or equal to 6 months	1,135.77	28.56
More than 6 months but less than or equal to 1 year	83.11	25.82
More than one year	103.46	97.43
	1,322.34	151.81

As at 31st March, 2018

(₹ in Crore)

	Gross trade receivables	Allowance for doubtful debt
Less than or equal to 6 months	1,106.32	33.63
More than 6 months but less than or equal to 1 year	52.90	22.01
More than one year	101.19	80.29
	1,260.41	135.93

NOTE 56: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

(5) Movement in the expected credit loss allowance

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Opening balance	135.93	129.48
Movement in expected credit loss allowance on trade receivable, net	15.88	6.45
Closing balance [Refer note 14]	151.81	135.93

Other financial assets

The Company is having balances in cash and cash equivalents, term deposits with banks, investments in government securities and investment in mutual funds. With respect to investments, the Company limits its exposure to credit risk by investing in liquid securities with counterparties depending on their Composite Performance Rankings (CPR) published by CRISIL. The Company's investment policy lays down guidelines with respect to exposure per counterparty, rating, processes in terms of control and continuous monitoring. The Company therefore considers credit risks on such investments to be negligible.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are required to be settled by delivering the cash or another financial asset. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and unused borrowing facilities, by continuously monitoring projected / actual cash flows.

Maturities of financial liabilities

The Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest (accrued upto 31st March, 2019) and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

As at 31st March, 2019

(₹ in Crore)

	Less than 1 year	Between 1 year and 5 years	5 years and above	Total
Financial liabilities				
Non current financial liabilities				
Borrowings^	-	3,022.76	5,040.75	8,063.51

^ Gross amount including unamortised expense.

NOTE 57: CHANGE DUE TO TRANSITION TO IND AS - 115 "REVENUE FROM CONTRACTS WITH CUSTOMERS"

The Company has adopted Ind AS 115, Revenue from Contracts with Customers, from 1st April, 2018. The adoption has resulted changes in accounting policies and adjustment to the amounts recognized in the financial statements. Prior to adoption of Ind AS 115, the company had been recognising the Fuel and Power Purchase Price Adjustment ("FPPPA") claims as and when approved by the regulatory authorities and the truing up adjustment claims as and when these were billed to consumers subsequent to approval by the regulatory authorities.

The Company has adopted Ind AS 115 retrospectively with the cumulative effect of initial application recognized in the opening retained earnings on 1st April, 2018. The Company has in the current year recognized revenue on FPPPA claims and other true up adjustments, as per the applicable tariff regulations, management's probability estimate and the past trends of approval, by applying the guidance on variable consideration under Ind AS 115.

The Company has not recognized those truing up adjustment claims which are subject of dispute and for which the company is in appeal with regulatory authorities.

Due to the application of Ind AS 115, as at 1st April, 2018, retained earnings are higher by ₹649.42 Crore, unbilled revenue higher by ₹637.15 Crore and sundry payables lower by ₹12.27 Crore.

Consequent to adoption of Ind AS 115, revenue from operations and profit for the year ended 31st March, 2019, are higher by ₹320.00 Crore. Accordingly, as at 31st March, 2019, retained earnings are higher by ₹969.42 Crore, unbilled revenue higher by ₹955.71 Crore and sundry payables lower by ₹13.71 Crore.

NOTE 58:

The figures for the previous year have been regrouped / recast, wherever necessary, to make them comparable with the figures for the current year.

NOTE 59: APPROVAL OF FINANCIAL STATEMENTS

The financial statements were approved for issue by the board of directors on 15th May, 2019.

Consolidated Financial Statements 2018-19

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

TO THE MEMBERS OF

TORRENT POWER LIMITED

Report on the audit of the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

Opinion

1. We have audited the accompanying consolidated Ind AS financial statements of Torrent Power Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), its associates (refer Note 41 to the attached consolidated Ind AS financial statements), which comprise the consolidated Balance Sheet as at 31st March, 2019, and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information prepared based on the relevant records. (hereinafter referred to as "the consolidated Ind AS financial statements").

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at 31st March, 2019, of consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group and its associates in accordance with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 14 of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITOR'S REPORT (Contd.)

Key audit matters	How our audit addressed the key audit matter
i) Impairment assessment for Power Plant located at Dahej (Refer to note 42(1) of the consolidated Ind AS financial statements) :	
Property, Plant & Equipment ("PPE") includes carrying amount of ₹4,365 Crore pertaining to 1,200 MW DGEN Mega Power Project located at Dahej, India ("DGEN"). DGEN started its commercial operations in November 2014 ("COD") and thereafter due to various factors such as unavailability of domestic gas, high prices of imported gas and non-availability of power purchase agreements it was not operated after COD, except for intermittent periods during FY 2015-16. During the periods of non-operation, DGEN was maintained in cold standby mode for immediate start-up, as and when required. As a result of above, there are indicators of potential impairment of carrying value of DGEN. The management carried out an impairment assessment of DGEN in accordance with Ind AS 36 'Impairment of Assets' and measured the recoverable amount based on value in use which requires estimating the discounted cash flow projections over the estimated useful life of the DGEN with the help of an external valuer ("expert"). The expert estimated the value in use under two scenarios i.e. management case and alternate case by taking varied sets of assumptions reflective of likely future operating scenarios. The assessment of value in use involved several key assumptions including expected demand, future price of fuel, exchange rate, expected tariff rates, discount rate and current electricity market scenario which the management considered reasonable based on past trends and current and likely future state of the industry. The value in use arrived at by the expert under both the scenarios is higher than the carrying amount of PPE pertaining to DGEN and accordingly no impairment provision is considered necessary as at 31st March, 2019 by management. We considered this to be a key audit matter as the carrying value of DGEN at 31st March, 2019 is significant to the Group's balance sheet and there is significant judgement and uncertainty involved in estimating future cash flows in the discounted cash flow (DCF) model used by the management to support the carrying value of DGEN. Further, the assumptions used in the DCF model are subject to inherent uncertainties.	Our procedures in relation to management's impairment assessment of DGEN include the following: Assessed and tested the design and operating effectiveness of the Group's controls over impairment assessment. Perused the report issued by the external valuer ("expert") engaged by the management. Evaluated competence, capability and objectivity of the expert. Evaluated the reasonableness of cash flow projections used by the Group and the key assumptions in respect of expected demand, future price of fuel, exchange rate, expected tariff rates and discount rate. Involved auditors experts to review the external expert's report and the reasonableness of the assumptions considered in the report. Discussed with senior management personnel, the justification for the key assumptions underlying the cashflow projections and performed sensitivity analysis on the same to assess their reasonableness. Checked the arithmetic accuracy of the computation of projections. Based on the above procedures performed, we considered management's assessment of impairment of the carrying value of DGEN as at 31st March, 2019 to be reasonable.

Key audit matters	How our audit addressed the key audit matter
ii) Assessment of recoverability of Deferred tax asset on unutilised tax credits (Refer to note 43 to the consolidated Ind AS financial statements)	
The Group has recognised deferred tax asset on unutilised tax credits, representing Minimum Alternate Tax (MAT) paid on accounting profit in the current year and earlier years in which the Group did not have normal taxable profit due to availment of tax holiday incentives and set off of carried forward unabsorbed depreciation. The asset has been recognised on the basis of Group's assessment of availability of future taxable profits to offset the MAT credit. The future taxable profit projections involve several key assumptions including expected demand, future prices of fuel, expected tariff rates of electricity, exchange rate and current electricity market scenario covering the period over which MAT Credit can be claimed as per the Income tax Act, 1961. In preparing the profit projections, management has considered, past trends, applicable tariff regulations/ agreement and current and likely future state of the industry. We considered this a key audit matter as the amount of deferred tax asset is material to the financial statements and significant management judgement is required in assessing the recoverability of MAT credit based on significant assumptions underlying the forecast of taxable profits. Further, recoverability of deferred tax assets depends on the achievement of Group's business plans.	Our audit procedures included the following: Evaluated and tested the design and operating effectiveness of the Group's controls over recognition and assessment of recoverability of deferred tax asset. Reviewed the Group's accounting policy in respect of recognizing deferred tax asset on unutilised tax credits. Assessed the reasonableness of the assumptions underlying profit projections made by management, in particular, the assumptions in respect of expected demand, future price of gas, expected tariff rates and exchange rate by reviewing the past trends and available tariff orders. Assessed the reasonableness of management's business plans considering the relevant economic and industry indicators. Evaluated whether the tax credit entitlements are legally available to the Group for the forecast recoupment period, considering the provisions of Income tax Act, 1961. Checked the mathematical accuracy of the underlying calculations of the projections. Performed sensitivity analysis on the projected taxable profits by varying key assumptions, within reasonably foreseeable range. Reviewed the adequacy of disclosures made in the financial statements with regards to deferred taxes. Based on the above procedures performed by us, we considered the management's assessment of recoverability of deferred tax asset to be reasonable.

Key audit matters	How our audit addressed the key audit matter
iii) Appropriateness of additional revenue recognised on adoption of Ind AS 115 (Refer to notes 2.12 and 54 to the consolidated Ind AS financial statements)	
During the year the Group has adopted Ind AS 115 'Revenue from Contracts with Customers' retrospectively with the cumulative effect of initial application recognized in the Opening Retained Earnings on 1st April, 2018. The adoption has resulted changes in accounting policies and adjustment to the amounts recognized in the financial statements. Prior to adoption of Ind AS 115, the Group had been recognising the Fuel and Power Purchase Price Adjustment ("FPPPA") claims as and when approved by the regulatory authorities and the truing up adjustment claims as and when these were billed to consumers subsequent to approval by the regulatory authorities. The Group has in the current year recognized revenue in respect of FPPPA claims and other true up adjustments, as per the applicable tariff regulations, management's probability estimate and the past trends of approval, by applying the guidance on variable consideration under Ind AS 115. We considered this as a key audit matter in view of this being a material change in the accounting policy for revenue recognition, exercise of management judgement and estimates and significance of the amount involved as described in notes 2.12 and 54 to the consolidated Ind AS financial statements.	Our audit procedures included the following: Assessed and tested the design and operating effectiveness of the Group's controls over the revenue recognition. Read the relevant multi-year tariff regulations (MYT), tariff orders and other communication between the Group with various regulatory authorities to determine the quantum of Group's entitlement to recover costs from consumers. Evaluated management workings that set out all the outstanding claims for approval placed by the Group with regulatory authorities and the basis adopted by management in determining undisputed and disputed claims. Assessed the reasonableness of management's assessment of recoverability of claims by comparing earlier years' assessment with actual approvals by the regulatory authorities. Checked mathematical accuracy of management workings for use of correct tariffs, and for the impact of Ind AS 115 on the opening reserves and on the current year's revenue arising from outstanding claims with regulatory authorities. Evaluated the impact of first time adoption of Ind AS 115 and the appropriateness of the related disclosures in respect of the additional revenue recognized in opening reserves and that recognized in the current year statement of Profit and Loss. Based on the procedures performed as described above, we assessed that the recognition of additional revenue under Ind AS 115 was adequately supported by the available evidence.

Other Information

5. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the board report (including shareholders information), management discussion and analysis, business responsibility report, report on corporate governance, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

   Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditors as furnished to us (Refer paragraph 14 below), we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

6. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group including its Associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

7. In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

8. The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

    - Identify and assess the risks of material misstatement of the consolidated Ind As financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
    - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
    - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

11. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

14. The consolidated Ind AS financial statements also include the Group's share of total comprehensive income (comprising of profit/ loss and other comprehensive income) of ₹ Nil for the year ended 31st March, 2019 as considered in the consolidated Ind AS financial statements, in respect of three associate companies, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated Ind AS financial statements insofar as it relates to the amounts and disclosures included in respect of these associate companies and our report in terms of sub-section (3) of Section 143 of the Act including report on Other Information insofar as it relates to the aforesaid associates, is based solely on the reports of the other auditors.

    Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements.

Report on Other Legal and Regulatory Requirements

15. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.

    b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

    c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated Ind AS financial statements.

    d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act.

    e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2019 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and associate companies, none of the directors of the Group companies and its associate companies is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.

    f) With respect to the adequacy of internal financial controls with reference to financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure A.

    g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

        i. The consolidated Ind AS financial statements disclose the impact, if any, of pending litigations on the consolidated Ind AS financial position of the Group and its associates – Refer Note 31 and 44 to the consolidated Ind AS financial statements.

        ii. The Group and its associates have long-term contracts as at 31st March, 2019 for which there were no material foreseeable losses. The Group and its associates did not have any derivative contracts as at 31st March, 2019.

        iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies and associate companies during the year ended 31st March, 2019.

        iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Group for the year ended 31st March, 2019.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 15 (f) of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the consolidated Ind AS financial statements for the year ended 31st March, 2019

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March, 2019, we have audited the internal financial controls with reference to financial statements of Torrent Power Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies and its associate companies, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding company, its subsidiary companies and its associate companies, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

Referred to in paragraph 15 (f) of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the consolidated Ind AS financial statements for the year ended 31st March, 2019

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary companies and its associate companies, have, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to three associate companies, is based on the corresponding reports of the auditors of such companies. Our opinion is not qualified in respect of this matter.

Ahmedabad, 15th May, 2019

NOTE 1A: GENERAL INFORMATION

These financial statements comprise financial statements of Torrent Power Limited ("the Company") and its subsidiaries (hereinafter referred to as "the Group") and associates for the year ended 31st March, 2019.

The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India. Its equity shares are listed on BSE Ltd. and National Stock Exchange Ltd. in India. The registered office of the Company is located at "Samanvay", 600, Tapovan, Ambawadi, Ahmedabad – 380 015.

The Group is engaged in the business of generation, transmission and distribution of Power and of manufacture and sale of Cable. Information on the Group's structure is provided in note 41.

NOTE 1B: NEW STANDARDS OR INTERPRETATIONS ADOPTED BY THE GROUP

The Group has applied the following Ind AS for the first time for its annual reporting period commencing 1st April, 2018:

Change due to transition to Ind AS – 115 "Revenue from Contracts with Customers"

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 on 28th March, 2018 which include Indian Accounting Standard (Ind AS) 115 in respect of 'Revenue from Contracts with Customers' which has replaced inter alia, the existing Ind AS 18 'Revenue' and is mandatory for reporting periods beginning on or after 1st April, 2018

Refer note 2.12 for the accounting policy and note 54 for the impact on change in policy and related disclosures.

NOTE 1C: NEW STANDARDS OR INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE

The Group will apply the following standard for the first time for its annual reporting period commencing 1st April, 2019:

Ind AS 116 "Leases"

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) 2018 on 30th March, 2019 which includes Ind AS – 116 "Lease". This will replace Ind AS 17 on leases.

Ind AS 116 will result in almost all leases being recognized on the balance sheet by the lessees, as the distinction between operating and finance leases is removed. Under the new standard, an asset (the right to use the leased item) and a financial liability to pay rentals are recognized. The only exceptions are short term and low value leases.

In order to identify the potential impact of the standard on the Group's financial statements, the Group is analysing leasing contracts . The Group has begun the analysis on the key areas identified, in order to estimate the effect of the application of the new standard for which the work is ongoing and impact areas may be identified as the Group progresses further in the implementation process. As a result, at this stage the Group is not able to estimate the impact of the new standard on the Group's financial statements. The Group will make a more detailed assessment of the impact over the future periods.

Other amendments

On 30th March, 2019, the Ministry of Corporate Affairs (MCA) notified certain other amendments to Indian Accounting Standards (Ind AS), as below, as part of the Companies (Indian Accounting Standards) Second Amendment Rules, 2019. These other amendments come into force on 1st April, 2019.

Ind AS - 12 "Income taxes", Appendix C - Uncertainty over income tax treatments

The appendix explains how to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

Ind AS - 12 "Income taxes"

The amendment clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events.

Ind AS - 19 "Employee benefits", Plan amendment, curtailment or settlement

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling.

Ind AS - 23 "Borrowing costs"

The amendments clarify that if a specific borrowing remains outstanding after the related qualifying asset is ready for its intended use or sale, it becomes part of general borrowings.

The effective date for adoption of amendments as per Companies (Indian Accounting Standards) Second Amendment Rules, 2019 is annual periods beginning on or after 1st April, 2019. The Group will adopt the standard on 1st April, 2019 and is in the process of evaluating the impact on account of above amendment on its financial statements and will accordingly consider the same from period beginning 1st April, 2019.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation:

Compliance with Ind AS

The financial statements are in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and rules made thereunder.

As prescribed by the Ind AS, if the particular Ind AS is not in conformity with the applicable laws, the provisions of the said law shall prevail and financial statements shall be prepared in conformity with such laws. Consequently, the Group has applied this norm while preparing the financial statements.

Historical cost convention

The financial statements have been prepared on an accrual basis under the historical cost convention except for following which have been measured at fair value;

- Derivative instruments
- Defined benefit plan assets

All assets and liabilities have been classified as current or non-current as set out in the Schedule III (Division II) to the Companies Act, 2013.

2.2 Principles of consolidation:

Subsidiaries

The consolidated financial statements comprise the financial statements of Torrent Power Limited and its subsidiaries. Subsidiaries are all entities over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Consolidation of an entity begins when the Company obtains control over the entity and ceases when the Company loses control of the entity. Specifically, income and expenses of an entity acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control or until the date when the Company ceases to control the entity, respectively.

The Group combines the financial statements of the Parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Ind AS - 12 "Income Taxes" applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent company, i.e., year ended on 31st March.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and consolidated balance sheet respectively.

Associates and joint ventures

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties, that have joint control of the arrangement, have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of associates or joint ventures are incorporated in the consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with Ind AS 105 Non-current Assets Held for Sale and Discontinued Operations. Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate or joint venture. When the Group's share of losses of an associate or a joint venture exceeds the Group's interest in that associate or joint venture, the Group discontinues recognising its share of further losses. Additional losses are recognized to the extent that the Group has incurred legal or constructive obligation or made payment on behalf of the associate or joint venture.

2.3 Business combinations and Goodwill:

Business combination - acquisition

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred, liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group in exchange for control of the acquiree.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Business combination – common control transaction

Business combinations involving entities that are controlled by the Group are accounted for using the pooling of interests method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- The identity of the reserves is preserved and the reserves of the transferor become the reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

Business combination-related costs are generally recognised in consolidated statement of profit and loss as incurred.

Goodwill

Goodwill on acquisitions of subsidiaries, associates and joint ventures is included in intangible assets. Goodwill is not amortised but is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to such entity.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose.

2.4 Government grants:

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all the attached conditions.

Government grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Group recognises as expenses the related costs for which the grants are intended to compensate. Government grants relating to purchase of property, plant and equipment whose primary condition is that the Group should purchase, construct or otherwise acquire property, plant and equipment are recognised as deferred revenue in the consolidated balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

2.5 Property, plant and equipment:

Tangible fixed assets

Freehold land is carried at historical cost. All other items of property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated balance sheet at cost less accumulated depreciation and accumulated impairment losses, except that on adoption of Ind AS, property, plant and equipment had been measured at deemed cost, using the net carrying value as per previous GAAP as at 1st April, 2015.

Capital work in progress in the course of construction for production, supply or administrative purposes is carried at cost, less any recognised impairment loss. Cost includes purchase price, taxes and duties, labour cost and other directly attributable costs incurred upto the date the asset is ready for its intended use. Such property, plant and equipment are classified to the appropriate categories when completed and ready for intended use.

Subsequent cost are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. Subsequent costs relating to day to day servicing of the item are not recognised in the carrying amount of an item of property, plant and equipment; rather, these costs are recognised in profit or loss as incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are ready for their intended use. Depreciation for the year is provided on additions / deductions of the assets during the period from / up to the month in which the asset is added / deducted. Depreciation on tangible assets which are governed as per the provisions of Part B of Schedule II of the Companies Act, 2013 is provided on straight line basis (other than Agra Franchisee Business for which it is provided on written down value basis) using the depreciation rates, the methodology and residual value as notified by the respective regulatory bodies in accordance with the Electricity Act, 2003. For other tangible assets in non-regulated business, depreciation is provided on a straight line basis over the estimated useful lives.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period in respect of tangible assets of non-regulated business. The effect of any such change in estimate in this regard is accounted for on a prospective basis.

The range of depreciation rates of property, plant and equipment are as follows:

Class of assets	Rate of depreciation		
	Regulated business	Franchisee business@	Other business
Buildings	1.80% to 6.00%	3.02% to 7.84%	1.18% to 31.67%
Railway siding	1.80% to 5.28%	-	-
Plant and machinery	1.80% to 18.00%	5.27% to 33.40%	12.66%
Electrical fittings and apparatus	3.60% to 6.33%	6.33% to 12.77%	9.50%
Furniture and fixtures	5.28% to 6.33%	6.33% to 12.77%	9.50%
Vehicles	6.00% to 18.00%	9.50% to 33.40%	9.50% to 11.88%
Office equipment	5.28% to 15.00%	6.33% to 33.40%	6.33% to 31.67%

@ governed by the applicable regulations of U. P. Electricity Regulatory Commission (UPERC)/ Maharashtra Electricity Regulatory Commission (MERC) for this purpose.

2.6 Investment properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from its current use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Investment properties, other than free hold land, are depreciated using straight line method over their estimated useful lives.

2.7 Intangible assets – acquired

Computer software is carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over its estimated useful life of 3 years. The estimated useful life and amortisation method are reviewed at the end of each reporting period and the effect of any changes in such estimate being accounted for on a prospective basis.

Expenditure incurred on acquisition of intangible assets which are not ready to use at the reporting date is disclosed under "Intangible assets under development".

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

2.8 Impairment of tangible and intangible assets other than goodwill:

Tangible and intangible assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's fair value less costs of disposal and value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit. An impairment loss is recognised immediately in profit or loss.

2.9 Borrowing costs:

Borrowing costs that are directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, such as new projects and / or specific assets created in the existing business, are capitalized up to the date of completion and ready for their intended use.

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are charged to the consolidated statement of profit and loss in the period of their accrual.

2.10 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheques / drafts on hand, current account balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the consolidated balance sheet.

2.11 Inventories:

Raw materials, fuel, stores and spares, packing materials, loose tools, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of inventories includes purchase price and all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the weighted average basis except inventory of Regasified Liquefied Natural Gas (RLNG) which is valued on FIFO basis and using specific identification method considering its procurement for beneficiary usage or others. Costs of purchased inventory are determined after deducting rebates and discounts.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.12 Revenue recognition:

Revenue is recognized, when the control of the goods or services has been transferred to consumers. Revenue is measured at the fair value of the consideration received or receivable, net of discounts and other similar allowances.

(i) Revenue from power supply and transmission charges is accounted for in accordance with the principles laid down under the relevant Tariff Regulations / Tariff Orders notified by the Electricity Regulator. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff and adjustments in respect of unbilled amounts towards revenue gaps / unapproved FPPPA which are recognised considering applicable tariff regulations/ tariff orders, past trends of approval, management's probability estimate and, when no significant uncertainty exists in such determination.

These adjustments / accruals are carried forward as 'Unbilled revenue' under "Other current financial assets" in Note 18, which would be adjusted through future billing based on tariff determination by the regulator in accordance with the electricity regulations.

(ii) Sales of cables and trading of RLNG are recognised, net of returns and rebates, on transfer of control of ownership to the buyer. Sales exclude Goods and service tax.

(iii) Gross proceeds from sale of Certified Emission Reduction certificates (CERs) are recognized when all the control of CERs have been passed to the buyer, usually on delivery of the CERs.

(iv) Income from Generation Based Incentive is accounted on accrual basis considering eligibility of project for availing incentive.

(v) Contributions by consumers towards items of property, plant and equipment, which require an obligation to provide electricity connectivity to the consumers, are recognised as a credit to deferred revenue. Similarly contribution by third party towards construction of overhead transmission lines are recognized as a credit to deferred revenue. Such revenue is recognised over the useful life of the property, plant and equipment.

2.13 Foreign currency translation:

Functional and presentation currency

The consolidated financial statements are prepared in Indian rupee (INR) which is functional as well as presentation currency of the Group.

Transactions and balances

In preparing the financial statements of each individual Group entity transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Foreign exchange differences regarded as an adjustments to borrowing costs are presented in the consolidated statement of profit and loss, within finance costs. All other foreign exchange differences arising on settlement of monetary items or on reporting the Group's monetary items at rates different from those at which they were initially recorded during the financial year are recognized as income or expense in the financial year in which they arise.

The exchange differences relating to long term foreign currency monetary items, recognised in the financial statement upto 31st March, 2016, in so far as they relate to acquisition of depreciable capital assets is adjusted to the cost of such capital asset and depreciated over the balance useful life of such asset.

2.14 Employee benefits:

Defined contribution plans

Contributions retirement benefit plans in the form of provident fund, employee state insurance scheme, pension scheme and superannuation schemes as per regulations are charged as an expense on an accrual basis when employees have rendered the service. The Group has no further payment obligations once the contributions have been paid.

Defined benefits plans

The liability or asset recognised in the consolidated balance sheet in respect of the retirement benefit plan i.e. gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated by an actuary using projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of the plan assets. This cost is included in the employee benefit expense in the consolidated statement of profit and loss.

Remeasurements, comprising actuarial gains and losses and the effect of the changes to the asset ceiling (if applicable), is reflected immediately in the consolidated balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur and consequently recognised in retained earnings and is not reclassified to profit or loss.

The retirement benefit obligation recognised in the consolidated balance sheet represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The said obligations are presented as current liabilities in the consolidated balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

2.15 Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on estimated taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the consolidated statement of profit and loss because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and revises the provisions, if so required where consider necessary.

Advance taxes and provisions for current income taxes are offset with each other when there is a legally enforceable right to offset and balances arise with the same tax authority.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

2.16 Earnings per share:

Basic earnings per share is computed by dividing the profit / (loss) attributable to owners of the Company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by adjusting the figures used in the determination of basic EPS to take into account:

- After tax effect of interest and other financing costs associated with dilutive potential equity shares.
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.17 Provisions, contingent liabilities and contingent assets:

Provisions

A provision is recognized when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liability

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognised but disclosed only when an inflow of economic benefits is probable.

2.18 Financial instruments:

Financial assets

i) Classification of financial assets (including debt instruments)

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

ii) Initial measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets at fair value through profit or loss are recognised immediately in profit or loss.

iii) Subsequent measurement

There are three measurement categories into which the debt instruments can be classified:

- **Amortised cost**

  Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Fair value through other comprehensive income (FVOCI)**

  Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains / (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains and losses and impairment expenses in other expenses.

- **Fair value through profit or loss (FVTPL)**

  Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the consolidated statement of profit and loss within other gains / (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

iv) Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115 only, the Group follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Group has used a practical expedient as permitted under Ind AS 109 i.e. expected credit loss allowance as computed based on historical credit loss experience.

v) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's consolidated balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset

When the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of financial asset, the financial asset is derecognised if the Group has not retained control over the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

vi) Income recognition

Dividend is accounted when the right to receive payment is established.

Interest income from financial assets is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

Interest on overdue receivables of energy bills and claims including insurance claims, coal cost variation and other claims etc. are accounted as and when recovered.

Financial liabilities

The Group's financial liabilities include trade and other payables, loans and borrowings.

i) Classification

All the Group's financial liabilities, except for financial liabilities at fair value through profit or loss, are measured at amortized cost.

ii) Initial measurement

Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities (other than financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial liabilities, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

iii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate Method.

The Effective Interest Rate Method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

iv) Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or waived off or have expired. An exchange between the Group and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

2.19 Contributed equity:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Transaction costs of an equity transaction shall be accounted for in other equity.

2.20 Leases:

Leases (including lease arrangements for land) are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating Lease (The Group as Lessee): Lease payments under an operating lease are recognized as expense in the consolidated statement of profit and loss, on a straight-line or other systematic basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Lessor's expected inflationary cost increases, such increases are recognised in the year in which such liability accrues.

2.21 Amount presented and rounding off:

All amounts in the financial statements and notes have been presented in ₹ Crore (except for share data) rounded to two decimals as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated. Figures below ₹50,000 are denoted by '*'.

NOTE 3: CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the course of applying the policies outlined in all notes under note 2 above, the management of the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Such estimates and associated assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

3.1 Revenue recognition:

The Group has recognised revenue (including the adjustment in respect of unapproved FPPPA claims and other true up adjustment claims) as per the applicable tariff regulations / tariff orders, management's probability estimate and the past trends of approval. The Group has not recognized those truing up adjustment claims which are subject of dispute and for which the group is in appeal with regulatory authorities.

3.2 Property, plant and equipment:

(i) Service concession arrangements

The Group has assessed applicability of Appendix D of Ind AS – 115 "Service Concession Arrangements" with respect to its distribution and transmission assets portfolio. In assessing the applicability, the Group has exercised judgment in relation to the provisions of the Electricity Act, 2003, transmission / distribution license and / or agreements. Based on such assessment, it has concluded that Appendix D of Ind AS 115 is not applicable.

(ii) Impairment of property, plant and equipment

At the end of each reporting period, the Group reviews the carrying amounts of its property, plant and equipment to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount of property, plant and equipment is the higher of its fair value less costs of disposal and value in use. Value in use is usually determined on the basis of discounted estimated future cash flows. This involves management estimates on anticipated PLF, fuel availability at economical rates, economic and regulatory environment, discount rates and other factors. Any subsequent changes to cash flow due to changes in the above mentioned factors could impact the carrying value of assets. [Refer note 42(1)]

3.3 Impairment of financial assets:

(i) Trade receivables

The Group estimates the credit allowance as per practical expedient based on historical credit loss experience as enumerated in note 53.

3.4 Taxation:

(i) Current tax

The Group has treated certain expenditure as being deductible for tax purposes. However, the tax legislation in relation to such expenditure is not clear and the Group has applied their judgement and interpretation for the purpose of taking their tax position.

(ii) Deferred tax assets

Deferred tax assets are recognised for unused tax losses / credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. [Refer note 43]

3.5 Contingencies:

Contingent liabilities

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management decides whether the matters needs to be classified as 'remote', 'possible' or 'probable' based on expert advice, past judgements, experiences etc.

3.6 Employee benefit plans:

Defined benefit plans and other long-term employee benefits

The present value of obligations under defined benefit plan and other long term employment benefits is determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary escalations, attrition rate and mortality rates etc. Due to the complexities involved in the valuation and its long term nature, these obligations are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

NOTE 4 : PROPERTY, PLANT AND EQUIPMENT (Contd.)

Footnotes:

1 Assets mortgaged as security:

Entire movable and immovable properties (including capital work-in-progress) with the net carrying amount of ₹18,355.85 Crore (31st March, 2018 - ₹18,247.96 Crore) have been mortgaged and hypothecated to secure borrowings of the Company and certain subsidiaries [Refer note 22].

2 Capital commitment:

Refer note 44 (c) for disclosure of contractual commitments for the acquisition of property, plant and equipment.

3 Adjustments during the year include capitalisation of borrowing costs of ₹7.28 Crore (Previous year - ₹5.77 Crore), which are directly attributable to purchase / construction of qualifying assets in accordance with Ind AS - 23 "Borrowing Costs".

4 Capital work-in-progress include borrowing costs of ₹2.67 Crore (31st March, 2018 - ₹0.71 Crore), which are directly attributable to purchase / construction of qualifying assets in accordance with Ind AS - 23 "Borrowing Costs".

5 The weighted average rate for capitalisation of borrowing cost relating to general borrowing is 8.68% (Previous year 8.55%).

6 Additions to plant and machinery includes capitalisation of directly attributable costs incurred by the Group under various headings.

7 Refer note 42(1) for impairment assessment of DGEN power plant.

8 Pro-rata cost of assets owned jointly with Torrent Pharmaceuticals Limited, a fellow subsidiary are as under:

1. Reconciliation of the shares outstanding at the beginning and at the end of the reporting year :

	No. of shares As at 31st March, 2019	No. of shares As at 31st March, 2018
At the beginning of the year	48,06,16,784	48,06,16,784
Issued during the year	-	-
Outstanding at the end of the year	48,06,16,784	48,06,16,784

2. 25,74,22,311 equity shares (25,74,22,311 equity shares as at 31st March, 2018) of ₹10 each fully paid up are held by the Parent Company - Torrent Private Limited.

3. Terms / Rights attached to equity shares :

   The Company has only one class of equity shares having par value of ₹10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. The dividend, if any, proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

   In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

4. Details of shareholders holding more than 5% shares in the Company :

Name of the Shareholder	As at 31st March, 2019		As at 31st March, 2018	
	No. of shares	% holding	No. of shares	% holding
Torrent Private Limited	25,74,22,311	53.56%	25,74,22,311	53.56%
Gujarat State Financial Services Limited	4,68,71,621	9.75%	-	-
Axis Mutual Fund Trustee Limited	3,07,44,585	6.40%	2,26,39,291	@
Gujarat State Investment Limited	-	-	4,68,71,621	9.75%
Life Insurance Corporation of India	1,49,68,387	@	2,83,83,394	5.91%

   @ less than 5%

5. Aggregate number of equity shares allotted as fully paid up pursuant to contract(s) without payment being received in cash:

   During financial year 2015-16, the Company allotted 81,68,476 equity shares of ₹10 each at par to the shareholders of Torrent Cables Limited pursuant to the scheme of amalgamation of Torrent Energy Limited and Torrent Cables Limited with Torrent Power Limited as approved by the Hon'ble Gujarat High Court vide its order dated 13th August, 2015.

6. Distributions made and proposed:

   The amount of per share dividend distributed to equity shareholders during the year ended 31st March, 2019 was ₹5.00 (Previous year - ₹2.20) per equity share, being the final dividend declared for the year ended 31st March, 2018.

   The Board of Directors at its meeting held on 15th May, 2019 has recommended a dividend of 50.00% (₹5.00 per equity share of par value ₹10 each).The proposal is subject to the approval of shareholders at the ensuing Annual General Meeting and if approved, would result in a cash outflow of approximately ₹289.71 Crore (inclusive of dividend distribution tax of ₹49.40 Crore).

NOTE 21 : OTHER EQUITY

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Reserves and surplus		
Securities premium	0.03	0.03
Debenture redemption reserve	197.90	163.68
Contingency reserve	9.76	7.95
Special reserve	78.07	78.07
General reserve	3,583.89	3,583.89
Retained earnings	4,619.96	3,405.29
	8,489.61	7,238.91

Footnotes:

1. Securities premium :

   Securities premium reflects issuance of the shares by the Company at a premium, whether for cash or otherwise i.e. a sum equal to the aggregate amount of the premium received on shares is transferred to a "securities premium account" as per the provisions of the Companies Act, 2013. The reserve can be utilised in accordance with the provisions of the Act.

2. Debenture redemption reserve:

   The Company has issued redeemable non-convertible debentures. Consequently, the Company is required under the Companies (Share capital and Debentures) Rules, 2014 (as amended), to create Debenture redemption reserve (DRR), equal to 25% of the value of debentures, out of profits of the Company available for payment of dividend. The Company creates DRR, for the required amount, over the tenure of the debentures, before redemption begins.

3. Contingency reserve:

   As per the provisions of GERC MYT Regulations read with Tariff orders passed by GERC, the Company being a Distribution Licensee makes an appropriation to the contingency reserve to meet with certain exigencies. Investments in Bonds issued by Government of India have been made against such reserve.

4. Special reserve:

   As per MYT Regulations (2007), the Company has created a reserve in FY 2011-12 and FY 2012-13, which represents one third amount of controllable gain shall be retained in a special reserve by the Generating Company or Licensee for the purpose of absorbing the impact of any future losses on account of controllable factors.

5. General reserve:

   General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. The general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

6. Retained earnings:

   The retained earnings reflect the profit of the Group earned till date net of appropriations. The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the balance in this reserve, after considering the requirements of the Companies Act, 2013.

NOTE 41: COMPOSITION OF THE GROUP (Contd.)

(b) Associates

Details of the Company's associates at the end of the reporting period are as follows:

Name of associate	Principal activity	Place of incorporation and operation	Proportion of ownership interest and voting power held by the Company		Quoted fair value	Carrying amount as at 31st March, 2019
			As at 31st March, 2019	As at 31st March, 2018		
Wind Two Renergy Private Limited (w.e.f. 12th December, 2017)	Power Generation	India	0%	0%	Unlisted	#
Wind Four Renergy Private Limited (w.e.f. 12th December, 2017)	Power Generation	India	0%	0%	Unlisted	#
Wind Five Renergy Private Limited (w.e.f. 12th December, 2017)	Power Generation	India	0%	0%	Unlisted	#
Nani Virani Wind Energy Private Limited (w.e.f. 9th March, 2018 to 15th December, 2018)	Power Generation	India	NA	0%	Unlisted	$
Ravapar Wind Energy Private Limited (w.e.f. 9th March, 2018 to 15th December, 2018)	Power Generation	India	NA	0%	Unlisted	$
Khatiyu Wind Energy Private Limited (w.e.f. 9th March, 2018 to 15th December, 2018)	Power Generation	India	NA	0%	Unlisted	$

The Company has made investments in the above three entities in the form of secured redeemable (with premium) non-convertible debentures and does not hold any equity investments. To protect the investment aggregating to ₹260.70 Crore made by the Company, the Company has acquired certain rights which include the right to nominate directors on the board. Considering the above facts and based on the requirements of Ind AS, the investments in aforesaid entities have been classified as Investments in associates. As the Company does not have any equity interest, the Company does not have any share in the profit, loss or comprehensive income of the entities and accordingly, there is no impact on the consolidated statement of profit and loss and the aforesaid investments in redeemable debentures of ₹260.70 Crore have been carried at amortized cost.

$ During the year, Nani Virani Wind Energy Private Limited, Ravapar Wind Energy Private Limited and Khatiyu Wind Energy Private Limited have ceased to be associates of the Company. There is no impact of this development on the consolidated financial results for the year.

Refer note 44(C) for capital and other commitments in the above associates.

NOTE 42: IMPAIRMENT ASSESSMENT

1) DGEN POWER PLANT

Property, Plant & Equipment ("PPE") includes carrying amount of ₹4,365 Crore pertaining to 1,200 MW DGEN Mega Power Project located at Dahej, India ("DGEN"). DGEN started commercial operations from November 2014 ("COD"). Due to various factors such as unavailability of domestic gas, high prices of imported gas and non-availability of power purchase agreements DGEN was not operated after COD, except for intermittent periods during FY 2015-16. During the periods of non-operation, DGEN was maintained in cold standby mode for immediate start-up, as and when required.

In view of above conditions, the Company carried out an assessment to test whether the carrying amount as at 31st March, 2019 of PPE of ₹4,365 Crore in respect of DGEN was required to be impaired in accordance with Indian Accounting Standard 36 ("Ind AS 36"). The assessment was carried out with the help of an external valuer ("expert"). The expert estimated value-in-use by adopting discounted cash flow method for the balance useful life of the DGEN project as at 31st March, 2019 under two scenarios i.e the management case and an alternate case by taking varied sets of assumptions reflective of likely future operating scenarios. The value in use in both the scenarios is higher than the carrying amount of the PPE pertaining to DGEN and accordingly no impairment provision is considered necessary as at 31st March, 2019.

The assessment of value-in-use involved several key assumptions including expected demand, future price of fuel, expected tariff rates for electricity, discount rate, exchange rate and current electricity market scenario which the management considered reasonable based on past trends and the current and likely future state of the industry. Management intends to review such assumptions periodically to factor updated information based on events or changes in circumstances in order to make fresh assessment of impairment, if any. Changes in such key assumptions in future may have a material adverse impact on the value-in-use.

2) Investment in Torrent Pipavav Generation Limited

Torrent Pipavav Generation Limited ("TPGL"), a subsidiary of the Company, had paid for acquisition of land in Amreli, Gujarat for the purpose of developing a coal based power plant of 1,000+ MW. Due to non-availability of fuel linkage, the Government of Gujarat vide its letter dated 6th December, 2017, has communicated that the said project may not be developed and accordingly, the joint venture between Torrent Power Limited and Gujarat Power Corporation Limited (GPCL) is intended to be dissolved. The cost of land would be reimbursed through disposal by state government. With reference to this, in the month of March 2019, GPCL has written a letter to Collector, Amreli stating that land is surrendered to the Government and requested Energy and Petroleum Department, Government of Gujarat to take further action in the matter. The management has made an impairment assessment of the land valuation by comparing the carrying value of such land in the books with the stamp value as prescribed by the Superintendent of Stamps, Gandhinagar, Gujarat, on the basis of which it has been concluded that there is no impairment. The recovery of the amount invested as equity and loan aggregating ₹105.12 Crore is dependent on the ability of the Government to find a buyer for the land.

NOTE 43: INCOME TAX EXPENSE

(a) Income tax expense recognised in statement of profit and loss

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Current tax		
Current tax on profits for the year	278.89	317.30
Adjustment for current tax of prior periods	(3.38)	(4.82)
	275.51	312.48
Deferred tax (other than that disclosed under OCI)		
Decrease / (increase) in deferred tax assets	(54.02)	(129.90)
(Decrease) / increase in deferred tax liabilities	138.29	266.29
	84.27	136.39
Income tax expense	359.78	448.87

(b) Reconciliation of income tax expense

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Profit before tax	1,263.61	1,400.99
Expected income tax expense calculated using tax rate at 34.944% (Previous year - 34.608%)	441.56	484.85
Adjustment to reconcile expected income tax expense to reported income tax expense:		
Effect of:		
Expenditure not deductible under Income Tax Act	25.23	21.02
Tax incentives	(377.85)	(11.41)
Transition to Ind AS 115	63.53	-
Unabsorbed depreciation / tax credits and other items	212.12	(59.38)
Different tax rates of subsidiaries	(1.57)	1.57
Impact of enacted income tax rate on deferred tax balance	0.14	17.04
Total	363.16	453.69
Adjustment for current tax of prior periods	(3.38)	(4.82)
Total expense as per statement of profit and loss	359.78	448.87

The tax rate used for the reconciliations given above is the actual / enacted corporate tax rate payable by corporate entities in India on taxable profits under the Indian tax law.

(c) Income tax recognised in other comprehensive income

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Deferred tax		
Re-measurement of defined benefit obligation (Items that will not be reclassified to profit or loss)	(9.60)	20.50
Income tax expense / (income) recognised in other comprehensive income	(3.35)	7.16

(d) Deferred tax balances

(1) The following is the analysis of deferred tax assets / (liabilities) presented in the balance sheet

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Deferred tax assets	682.93	626.58
Deferred tax liabilities	(2,244.75)	(2,106.46)
	(1,561.82)	(1,479.88)
Disclosed as deferred tax assets (net)	3.56	3.06
Disclosed as deferred tax liabilities (net)	(1,565.38)	(1,482.94)
	(1,561.82)	(1,479.88)

NOTE 43: INCOME TAX EXPENSE (Contd.)

(2) Movement of deferred tax assets / (liabilities)

Deferred tax assets / (liabilities) in relation to the year ended 31st March, 2019

(₹ in Crore)

	Opening balance	Recognised in profit or loss	Utilisation	Recognised in OCI	Closing balance
Property, plant and equipment	(2,093.58)	(144.26)	-	-	(2,237.84)
Expense allowable for tax purposes when paid	58.33	(4.71)	-	3.35	56.97
Tax effect on fair value change in financial instruments and unamortised cost	(12.88)	5.97	-	-	(6.91)
Unabsorbed depreciation / Minimum Alternate Tax (MAT) credit entitlement and other items	568.25	58.73	(1.02)	-	625.96
	(1,479.88)	(84.27)	(1.02)	3.35	(1,561.82)

Deferred tax assets / (liabilities) in relation to the year ended 31st March, 2018

(₹ in Crore)

	Opening balance	Recognised in profit or loss	Utilisation	Recognised in OCI	Closing balance
Property, plant and equipment	(1,835.11)	(258.47)	-	-	(2,093.58)
Expense allowable for tax purposes when paid	58.30	7.19	-	(7.16)	58.33
Tax effect on fair value change in financial instruments and unamortised cost	(5.05)	(7.83)	-	-	(12.88)
Unabsorbed depreciation / Minimum Alternate Tax (MAT) credit entitlement and other items	445.53	122.72	-	-	568.25
	(1,336.33)	(136.39)	-	(7.16)	(1,479.88)

(3) Unrecognised deferred tax assets

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Unused tax losses	-	146.09
Unused tax credits	992.37	827.64
	992.37	973.73

Management has made an assessment of the amount of taxable income that would be available in future to offset the tax credits available to the Company.

The assessment of taxable income involved several key assumptions including expected demand, future price of fuel, expected tariff rate for electricity, exchange rate and electricity market scenario, which the management considered reasonable based on past trends, applicable tariff regulations / agreements and current and likely future state of the industry.

NOTE 44: CONTINGENT LIABILITIES, CONTINGENT ASSETS AND CAPITAL COMMITMENTS

(a) Contingent liabilities

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Disputed income tax matters	31.64	29.32
Disputed sales tax matters	4.29	4.29
Disputed custom duty matters	18.50	18.50
Disputed excise duty matters	2.45	2.45
Disputed stamp duty matters	0.35	0.35
Disputed value added tax matters	3.26	3.11
Disputed central sales tax matters	3.20	2.55
Claims against the Group not acknowledged as debt	34.51	28.30
Guarantees given to lenders of subsidiaries	274.13	-

The Group is in the process of evaluating the impact of the Supreme Court ("SC") judgement dated 28th February, 2019 in the case of Regional Provident Fund Commissioner (II) West Bengal v/s Vivekananda Vidyamandir and Others, in relation to non-inclusion of certain allowances within the definition of "basic wages" of the relevant employees for the purposes of determining contribution to Provident Fund ("PF") under the Employees' Provident Fund & Miscellaneous Provisions Act, 1952. There are interpretation issues relating to the said SC judgement and review petitions are pending before the SC in this matter. In the assessment of the management, the aforesaid matter is not likely to have a significant impact and accordingly, no provision has been made in the financial statements.

Footnote:
In respect of the above, the expected outflow will be determined at the time of final resolution of the dispute / matters. No reimbursement is expected.

(b) Contingent assets

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Coal grade slippage claim	31.49	16.02
	31.49	16.02

(c) Capital and other commitments

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
i) Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances)		
Property, plant and equipment	4,002.56	2,219.98
ii) Other commitments		
Investment in associates	-	350.10

iii) Novation agreement with lender for short term finance facilities obtained by associates :

During the year, the Company has entered into an agreement to novate with a lender in respect of two short term finance facilities obtained by two of its associates against which an aggregate amounts of ₹98.00 Crore is outstanding as on 31st March, 2019. As per the terms of the said agreement, in certain circumstances, the Company will be obligated to purchase the outstanding loan balances if the right is so exercised by the lender, as per the terms of the agreement.

NOTE 45 : OPERATING LEASE

The Group's significant leasing arrangements, other than land, are in respect of residential flats, office premises, plant and machinery and equipment taken on lease. The arrangements range between 11 months and 10 years generally and are usually renewable by mutual consent on mutually agreeable terms. Under these arrangements, generally refundable interest free deposits have been given. The Group has not entered into any material financial lease. The Group does not have any non-cancellable lease.

Leasing arrangements with respect to land range between 25 years to 99 years.

NOTE 46: EMLOYEE BENEFIT PLANS

46.1 Defined contribution plan:

The Group has defined contribution retirement benefit plans for its employees.

The Group's contributions to provident fund, pension scheme and employee state insurance scheme are made to the relevant government authorities as per the prescribed rules and regulations. The Group's superannuation scheme for qualifying employees is administered through its various superannuation trust funds. The Group's contributions to the above defined contribution plans are recognised as employee benefit expenses in the statement of profit and loss for the year in which they are due. The Group has no further obligation in respect of such plans beyond the contributions made.

The Group's contribution to provident, pension and superannuation funds aggregating to ₹35.86 Crore and to employees state insurance scheme of ₹1.29 Crore (Previous year - ₹33.54 Crore & ₹1.33 Crore respectively) has been recognised in the statement of profit and loss under the head employee benefits expense [Refer note 37].

46.2 Defined benefit plans:

(a) **Gratuity**

The Group operates a gratuity plan covering all its employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Group scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. The gratuity benefits payable to the employees are based on the tenure of employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Group. In case of death while in service, the gratuity is payable irrespective of vesting.

The Group makes annual contribution to the gratuity schemes administered by the Life Insurance Corporation of India through its various Gratuity Trust Funds. The liability in respect of plan is determined on the basis of an actuarial valuation.

(b) **Risk exposure to defined benefit plans**

The plans typically expose the Group to actuarial risks such as: asset volatility, interest rate risk, longevity risk and salary risk as described below :

Asset volatility

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on Indian government securities; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

NOTE 46: EMPLOYEE BENEFIT PLANS (Contd.)

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation was carried out at 31st March, 2019. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

(c) **Significant assumptions**

The principal assumptions used for the purpose of the actuarial valuation were as follows.

	As at 31st March, 2019	As at 31st March, 2018
Discount rate	7.92%	7.78%
Salary escalation rate	8.50%	8.50%

(d) **The amount included in the balance sheet arising from the Group's obligation in respect of its defined benefit plans is as follows :**

Balances of defined benefit plan

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Present value of funded defined benefit obligation	244.20	239.34
Fair value of plan assets	225.81	228.29
Net (asset) / liability [Refer note 31]	18.39	11.05

(e) **Expenses recognised for defined benefit plan and movement of plan assets and liabilities**

Following are the amounts recognised in statement of profit and loss, other comprehensive income, movement in defined benefit liability and movement in plan assets :

(₹ in Crore)

	Funded plan - Gratuity	
	As at 31st March, 2019	As at 31st March, 2018
(1) Movements in the present value of the defined benefit obligation:		
Obligation at the beginning of the year	239.34	236.73
Current service cost	11.49	12.23
Past service cost	-	17.81
Interest cost	18.62	17.04
Actuarial (gains) / losses from changes in demographic assumptions	-	(4.33)
Actuarial (gains) / losses arising changes in financial assumptions	(2.00)	(8.08)
Actuarial (gains) / losses from experience adjustments	9.75	(5.73)
Liability transferred in	-	0.01
Liability transferred out	(0.52)	(0.08)
Benefits paid directly by employer	(2.80)	(1.42)
Benefits paid	(29.68)	(24.84)
Obligation at the end of the year	244.20	239.34

NOTE 46: EMPLOYEE BENEFIT PLANS (Contd.)

(₹ in Crore)

		Funded plan - Gratuity	
		As at 31st March, 2019	As at 31st March, 2018
(2)	**Movements in the fair value of the plan assets:**		
	Plan assets at the beginning of the year, at fair value	228.29	206.46
	Interest income	17.76	14.86
	Return on plan assets (excluding interest income)	(1.85)	2.36
	Contributions received	11.29	29.45
	Benefits paid	(29.68)	(24.84)
	Plan assets at the end of the year, at fair value	225.81	228.29
(3)	**Gratuity cost recognized in the statement of profit and loss**		
	Current service cost	11.49	12.23
	Interest cost, net	0.86	2.18
	Past service cost	-	17.81
	Net gratuity cost recognized in the statement of profit and loss [Refer note 37]	12.35	32.22
(4)	**Gratuity cost recognized in the other comprehensive income (OCI)**		
	Return on plan assets (excluding interest income)	1.85	(2.36)
	Actuarial (gains) / losses	7.75	(18.14)
	Net (income) / expense for the year recognized in OCI	9.60	(20.50)

(f) **Category wise plan assets**

Contributions to fund the obligations under the gratuity plan are made to the Life Insurance Corporation of India.

(g) **Sensitivity analysis**

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

(₹ in Crore)

Change in assumptions	As at 31st March, 2019	As at 31st March, 2018
Increase / (decrease) in defined benefit obligation of gratuity		
50 basis points increase in discount rate	(6.86)	(6.62)
50 basis points decrease in discount rate	7.34	7.09
50 basis points increase in salary escalation rate	2.52	6.43
50 basis points decrease in salary escalation rate	(11.46)	(7.17)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

(h) The weighted average duration of the gratuity plan based on average future service is 13 years (Previous year - 13 years).

(i) Expected contribution to the plan for the next annual reporting period is ₹18.39 Crore (Previous year - ₹11.05 Crore).

(j) **Cash flow projection from the fund**

Projected benefits payable in future years from the date of reporting

(₹ in Crore)

	Funded Plan - Gratuity	
	As at 31st March, 2019	As at 31st March, 2018
1st following year	36.29	37.72
2nd following year	20.65	21.58
3rd following year	36.13	30.24
4th following year	31.76	32.75
5th following year	26.97	28.70
sum of years 6 to 10th	95.14	96.54

46.3 Other long-term employee benefit obligations:

The leave obligation covers the Group's liability for sick and earned leave. Under these compensated absences plans, leave encashment is payable to all eligible employees on separation from the Company due to death, retirement or resignation; at the rate of daily last drawn salary, multiplied by leave days accumulated as at the end of relevant period. Refer notes 25, 31 and 37, for the leave encashment provision / change in the balance sheet and statement of profit and loss.

NOTE 47: AUDITORS REMUNERATION (INCLUDING TAXES)

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
As auditor		
Audit fees	1.15	0.81
Other services - certificates etc.	0.30	0.07
Reimbursement of expenses	0.25	0.09
	1.70	0.97

NOTE 48: CORPORATE SOCIAL RESPONSIBILITY (CSR) EXPENDITURE

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
(a) Gross amount required to be spent by the Group	20.35	15.76
(b) Amount spent during the year on		
(i) Construction / acquisition of any asset	-	-
(ii) On purposes other than (i) above [Refer note 40]	20.49	15.85
	20.49	15.85
(c) Contribution to section 8 related companies, included in (b) above, in relation to CSR expenditure		
(i) Tornascent Care Institute	2.70	8.66
(ii) UNM Foundation	4.75	2.87
	7.45	11.53

NOTE 49: DONATIONS INCLUDE POLITICAL CONTRIBUTIONS AS UNDER

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Electoral Bonds	25.00	-
Prudent Electoral Trust	-	10.00
	25.00	10.00

NOTE 50: EARNINGS PER SHARE

	Year ended 31st March, 2019	Year ended 31st March, 2018
Basic earnings per share (₹)	18.70	19.61
Diluted earnings per share (₹)	18.70	19.61

Basic and diluted earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows :

	Year ended 31st March, 2019	Year ended 31st March, 2018
Profit for the year attributable to the Company used in calculation of basic earnings per share (₹ in Crore)	898.94	942.31
Weighted average number of equity shares	48,06,16,784	48,06,16,784

The Company does not have any dilutive potential ordinary shares and therefore diluted earnings per share is the same as basic earnings per share.

NOTE 51: OPERATING SEGMENT

The Chief Operating Decision Maker (CODM) evaluates the Group's performance and applies the resources to whole of the Group's business viz. "Generation, Transmission and Distribution of Power" as an integrated utility. Further, the Group's cable business is not a reportable segment in terms of revenue, profit, assets and liabilities. Hence the Group does not have any reportable segment as per Ind AS - 108 "Operating Segments".

NOTE 52: RELATED PARTY DISCLOSURES

(a) Names of related parties and description of relationship

1.	Parent Company	Torrent Private Limited
2.	Associates	Power Grid Corporation of India Limited, Wind Two Renergy Private Limited (w.e.f. 12th December, 2017), Wind Four Renergy Private Limited (w.e.f. 12th December, 2017), Wind Five Renergy Private Limited (w.e.f. 12th December, 2017), Nani Virani Wind Energy Private Limited (w.e.f. 9th March, 2018 to 15th December, 2018), Ravapar Wind Energy Private Limited (w.e.f. 9th March, 2018 to 15th December, 2018), Khatiyu Wind Energy Private Limited(w.e.f. 9th March, 2018 to 15th December, 2018)

(e) Terms and conditions of outstanding balances

The transactions with related parties are made in the normal course of business on terms equivalent to those that prevail in arm's length transactions.

Outstanding balances at the year-end are unsecured.

NOTE 53: FINANCIAL INSTRUMENTS AND RISK REVIEW

(a) Capital management

The Group manages its capital structure in a manner to ensure that it will be able to continue as a going concern while optimising the return to stakeholders through the appropriate debt and equity balance.

The Group's capital structure is represented by equity (comprising issued capital, retained earnings and other reserves as detailed in notes 20,21) and debt (borrowings as detailed in note 22).

The Group's management reviews the capital structure of the Group on an annual basis. As part of this review, the management considers the cost of capital and the risks associated with each class of capital. The Group's plan is to ensure that the gearing ratio (debt equity ratio) is well within the limit of 2:1.

Gearing ratio

The gearing ratio at end of the reporting year is as follows.

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Debt	9,454.67	9,337.18
Total equity	10,552.13	9,220.06
Debt to equity ratio	0.90	1.01

Footnotes:

1. Debt is defined as all long term debt outstanding (including unamortised expense) + contingent liability pertaining to corporate / financial guarantee given + short term debt outstanding in lieu of long term debt.
2. Total equity is defined as equity share capital + all reserve (excluding revaluation reserve) + deferred tax liabilities – deferred tax assets – intangible assets – Intangible assets under development

Loan covenants

The group has complied with financial covenants specified as per the terms of borrowing facilities.

NOTE 53: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

Other financial liabilities	2,417.93	2,417.93	2,439.36	2,439.36
	12,194.26	12,225.25	11,756.41	11,809.40

Other than equity instruments in associates recognised at cost.

(c) Fair value measurement

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 : Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTE 53: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets and liabilities that are not measured at fair value on a recurring basis (but fair value disclosures are required) :

(1) Financial assets at fair value through profit and loss (FVTPL)

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2019	As at 31st March, 2018		
Investment in mutual fund units	626.86	680.66	Level 1	Quoted bid prices in an active market
	626.86	680.66		

(2) Financial liabilities at amortised cost

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2019	As at 31st March, 2018		
Fixed rate borrowings (Non-convertible debentures)	1,125.99	1,147.99	Level 2	Inputs other than quoted prices that are observable
	1,125.99	1,147.99		

(d) Financial risk management objectives

The Group's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations, routine and projects capital expenditure. The Group's principal financial assets include loans, advances, trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Group's activities expose it to a variety of financial risks viz foreign currency risk, commodity price risk, interest rate risk, credit risk, liquidity risk etc. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Group's senior management oversees the management of these risks. It advises on financial risks and the appropriate financial risk governance framework for the Group.

Foreign currency risk

The Group is exposed to foreign currency risks arising from various currency exposures, primarily with respect to the USD and EURO. foreign currency risks arise from future commercial transactions and recognized assets and liabilities, when they are denominated in a currency other than Indian Rupee.

The Group's exposure with regards to foreign exchange risk which are not hedged are given below. However, these risks are not significant to the group's operation and accordingly sensitivity analysis is not given.

Unhedged foreign currency exposures

Foreign currency exposures not hedged by derivative instruments are as under:

(in Crore)

Nature of transactions	Currency	As at 31st March, 2019	As at 31st March, 2018
Financial liabilities			
Trade payable	USD	0.93	-
Capital liability	USD	-	*
Trade payable	EURO	1.71	1.11
Capital liability	EURO	0.01	0.01
Trade payable	CHF	0.02	-

NOTE 53: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

Commodity price risk

The commodity exposure is mainly on account of fuel, a substantial part of which is a pass through cost and hence the commodity price exposure is not likely to have a material financial impact on the Company.

The Company has exposure to USD / INR exchange rate arising principally on account of import of LNG and import of coal. The extant tariff regulations do not permit the cost of hedging such exposure as a cost to be passed through to the off-takers / beneficiaries. As a result, the Company does not follow a policy of hedging such exposures and actual rupee costs of import of fuel are substantially passed on to the off-takers / consumers, because of which such commodity price exposure is not likely to have a material financial impact on the Company.

Interest rate risk

Most of the Group's borrowings are on a floating rate of interest. The Group has exposure to interest rate risk, arising principally on changes in Marginal Cost of Funds based Lending Rate (MCLR). The Group uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like non-convertible debentures and short term credit lines besides internal accruals.

The following table provides a break-up of the Group's fixed and floating rate borrowings:

(₹ in Crore)

	As at 31st March, 2019	As at 31st March, 2018
Fixed rate borrowings	1,119.46	1,123.28
Floating rate borrowings^	8,635.26	8,213.90
	9,754.72	9,337.18

^ Gross amount including unamortised expense.

Interest rate risk sensitivity:

The below mentioned sensitivity analysis is based on the exposure to interest rates for floating rate borrowings. For this it is assumed that the amount of the floating rate liability outstanding at the end of the reporting period was outstanding for the whole year. If interest rates had been 50 basis points higher or lower, other variables being held constant, following is the impact on profit.

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Impact on profit before tax - increase in 50 basis points	(43.18)	(41.07)
Impact on profit before tax - decrease in 50 basis points	43.18	41.07

Credit risk

Trade receivables

(1) Exposures to credit risk:

The Group is exposed to the counterparty credit risk arising from the possibility that counterparties (primarily trade receivables, suppliers, contractors etc.) might fail to comply with contractual obligations. This exposure may arise with regard to unsettled amounts and the cost of substituting products and services that are not provided.

NOTE 53: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

(2) Credit risk management:

Credit risk is managed and limited in accordance with the type of transaction and the creditworthiness of the counterparty. The Group has established criteria for admission, approval systems, authorisation levels, exposure measurement methodologies, etc. The concentration of credit risk is limited due to the fact that the customer base is large. None of the customers accounted for more than 10% of the receivables and revenue for the year ended 31st March, 2019 and 31st March, 2018. However, the Group is dependent on the domestic market for its business and revenues.

The Group's credit policies and practices with respect to distribution areas are designed to limit credit exposure by collecting security deposits prior to providing utility services or after utility service has commenced according to applicable regulatory requirements. In respect to generation business, Group generally has letter of credits / bank guarantees to limit its credit exposure.

(3) Other credit enhancements

The Group does not hold any collateral or other credit enhancements to cover its credit risks associated with its financial assets.

(4) Age of receivables and expected credit loss

The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experienced and adjusted for forward- looking information. The expected credit loss allowance is based on ageing of the days the receivables are due.

The age of receivables and provision matrix at the end of the reporting period is as follows.

As at 31st March, 2019

(₹ in Crore)

	Gross trade receivables	Allowance for doubtful debt
Less than or equal to 6 months	1,194.93	28.56
More than 6 months but less than or equal to 1 year	83.47	26.18
More than one year	104.66	98.63
	1,383.06	153.37

As at 31st March, 2018

(₹ in Crore)

	Gross trade receivables	Allowance for doubtful debt
Less than or equal to 6 months	1,110.93	33.63
More than 6 months but less than or equal to 1 year	53.70	22.01
More than one year	101.75	80.29
	1,266.38	135.93

(5) Movement in the expected credit loss allowance

(₹ in Crore)

	Year ended 31st March, 2019	Year ended 31st March, 2018
Opening balance	135.93	129.48
Movement in expected credit loss allowance on trade receivable calculated, net	17.44	6.45
Closing balance [Refer note 14]	153.37	135.93

NOTE 53: FINANCIAL INSTRUMENTS AND RISK REVIEW (Contd.)

Other financial assets

The Group is having balances in cash and cash equivalents, term deposits with banks, investments in government securities and investment in mutual funds. With respect to investments, the Group limits its exposure to credit risk by investing in liquid securities with counterparties depending on their Composite Performance Rankings (CPR) published by CRISIL. The Group's investment policy lays down guidelines with respect to exposure per counterparty, rating, processes in terms of control and continuous monitoring. The Group therefore considers credit risks on such investments to be negligible.

Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are required to be settled by delivering the cash or another financial asset. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and unused borrowing facilities, by continuously monitoring projected / actual cash flows.

Maturities of financial liabilities

The Group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest (accrued upto 31st March, 2019) and principal cash flows. The contractual maturity is based on the earliest date on which the Group may be required to pay.

As at 31st March, 2019

(₹ in Crore)

	Less than 1 year	Between 1 year and 5 years	5 years and above	Total

^ Gross amount including unamortised expense.

NOTE 54: CHANGE DUE TO TRANSITION TO IND AS - 115 "REVENUE FROM CONTRACTS WITH CUSTOMERS"

The Group has adopted Ind AS 115, Revenue from Contracts with Customers, from 1st April, 2018. The adoption has resulted changes in accounting policies and adjustment to the amounts recognized in the financial statements. Prior to adoption of Ind AS 115, the Group had been recognising the Fuel and Power Purchase Price Adjustment ("FPPPA") claims as and when approved by the regulatory authorities and the truing up adjustment claims as and when these were billed to consumers subsequent to approval by the regulatory authorities.

The Group has adopted Ind AS 115 retrospectively with the cumulative effect of initial application recognized in the opening retained earnings on 1st April, 2018. The Group has in the current year recognized revenue on FPPPA claims and other true up adjustments, as per the applicable tariff regulations, management's probability estimate and the past trends of approval, by applying the guidance on variable consideration under Ind AS 115.

The Group has not recognized those truing up adjustment claims which are subject of dispute and for which the company is in appeal with regulatory authorities.

Due to the application of Ind AS 115, as at 1st April, 2018, retained earnings are higher by ₹647.12 Crore, unbilled revenue higher by ₹637.15 Crore and sundry payables lower by ₹9.97 Crore.

Consequent to adoption of Ind AS 115, revenue from operations and profit for the year ended 31st March, 2019, are higher by and ₹318.26 Crore. Accordingly, as at 31st March, 2019, retained earnings are higher by ₹965.38 Crore, unbilled revenue higher by ₹955.71 Crore and sundry payables lower by ₹9.67 Crore.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

NOTE 55:

The figures for the previous year have been regrouped / recast, wherever necessary, to make them comparable with the figures for the current year.

NOTE 56: APPROVAL OF FINANCIAL STATEMENTS

The financial statements were approved for issue by the board of directors on 15th May, 2019.

Human Capital Builds Our Brand

Child Health – Investing for Future

Enhancing Knowledge Capital. Enriching Capabilities.

The Company places as much emphasis on human capital as on financial capital. The latter's productivity is inextricably linked with the former's capability, efficiency, motivation and sense of belonging.

Company's core values bind all the employees into an organisation with cohesive culture. Providing a work culture that provides a path to personal development of all, silently builds the human capital and provides future generation of leaders.

The Company's human capital is its most important off-balance sheet asset.

Serving Communities. Spreading Smiles.

"Think of others also, when you think about yourself" - With this guiding philosophy, Torrent's CSR endeavours are undertaken in key focus areas of healthcare , education and community welfare.

The flagship REACH programme aims to alleviate anaemia and mal-nutrition among under-privileged children whilst providing basic healthcare facilities. It has screened more than 58,000 children by organising medical check-up camps and over 2,00,000+ children have been treated at Torrent's 4 Paediatric Health Centres and through Mobile OPDs.

On the education front, through "Siksha Setu" 8000+ children from economically disadvantaged sections of rural communities and urban slums, 250+ teachers and 3500+ parents are being covered through 26 schools for improvement in teaching and learning outcomes.

"Pratiti" is an initiative to develop beautifully landscaped gardens in the city of Ahmedabad for the general benefit of citizens and increasing the green cover of the city.

Founders' Day 2019–Fostering the Spirit of Parivaar

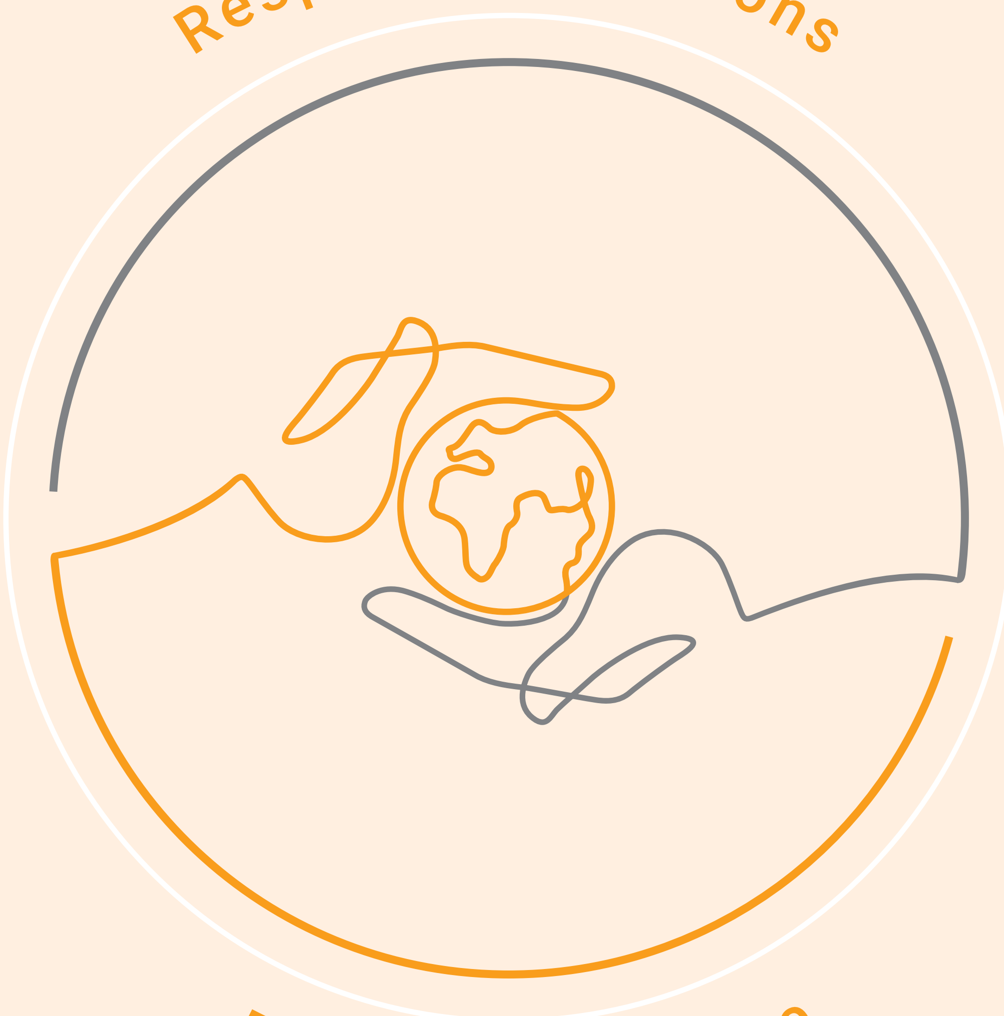
16th ANNUAL REPORT 2019-20

Responsible Actions



Promising Future

torrent POWER

Sustainable Actions Through Integrated Environmental Approach

Large industrial undertakings tend to have a tremendous impact, both positive and negative, on the society. A responsible Corporate ensures its existence leaves a net positive influence on the society, whilst minimising if not eliminating, the negative influence. Your Company is in production and distribution of electricity - an activity absolutely essential for the existence and development of modern society, but at the same time is under focus for its negative impact on the environment. Torrent Group has inbuilt environment responsibilities into its operating model and continuously strives to minimise the environmental footprint of its activities. Out of total generation capacities of 3879 MW, 90% are from clean sources (20% renewable sources & 70% natural gas based) and only 10% is coal-based generation. In the latter, all efforts are focused on minimising the emissions & water consumption and gainfully recycling the fly ash and bottom ash in making useful products. All industrial sites treat the effluent water and recycle it for further use. Thick green cover comprising rain forest trees, fruit orchards, vegetables farms etc. are maintained at all plant locations. All new construction is based on green building concepts and captive rooftop solar power is utilised to full extent.

NOTES

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") vide its circular dated May 05, 2020 read with circulars dated April 08, 2020 and April 13, 2020 (collectively referred to as "MCA Circulars") permitted holding of Annual General Meeting ("AGM" or "meeting") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and MCA Circulars, the AGM of the Company for FY 20 is being held through VC / OAVM. The detailed procedure for participation in the meeting through VC / OAVM is as per Note No. 24.

2. Since the AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM.
3. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under section 103 of the Act.
4. Members of the Company who are Institutional Investors are encouraged to attend and vote at the AGM through VC / OAVM. Corporate Members intending to authorize their representatives to participate and vote through e-voting on their behalf at the meeting are requested to send a certified copy of the Board Resolution / authorization letter to the Company.
5. The Members can join the AGM through VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available for 1000 Members on a first come first served basis. This will not include large Members (Members holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
6. The statement pursuant to section 102 of the Act and Regulation 36(3) of the Listing Regulations is annexed hereto and forms part of this Notice.
7. In terms of section 124 of the Act, the amount of dividend not encashed or claimed within 7 years from the date of its transfer to the unpaid dividend account, will be transferred to the Investor Education and Protection Fund (IEPF) established by the Government. Accordingly, the unclaimed dividend in respect of FY 13 of the erstwhile Torrent Cables Limited (since amalgamated with the Company) and the Company will be due for transfer to the said Fund in August, 2020. Members who have not encashed their dividend warrants for FY 13 are requested to approach the Company for payment.

   Further, pursuant to the provisions of section 124 of the Act and Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (“IEPF Rules”), all shares on which dividend has not been paid or claimed for seven consecutive years or more are required to be transferred to the Demat Account of the IEPF Authority. The Company has sent intimation to all such Members who have not claimed their dividend for seven consecutive years. All such Members are requested to claim their Unclaimed Dividend expeditiously failing which their shares shall be transferred to the Demat Account of IEPF Authority and no claim shall lay against the Company. The Members thereafter need to claim their shares from IEPF Authority by filing IEPF Form-5 and by following such procedures as prescribed therein.
8. Nomination facility is available for the Members as per section 72 of the Act. As a Member of the Company, you have an option to nominate any person as your nominee to whom your shares shall vest in the unfortunate event of your death. It is advisable to avail this facility especially by the Members who currently hold shares in their single name. Nomination can avoid the process of acquiring any right in shares through transmission by law. In case of nomination for the shares held by the joint holders, such nomination will be effective only on death of all the holders. In case the shares are held in dematerialised form, the nomination form needs to be forwarded to your Depository Participant (DP).
9. Members are encouraged to utilize the Electronic Clearing System (ECS) for receiving dividends by registering their bank account details with the Company. For further information, you are requested to approach the Registrar and Share Transfer Agent (RTA) of the Company.
10. **Trading in equity shares of the Company is compulsorily in dematerialised mode by all the Members. Also, as per provisions of Listing Regulations, transfer of listed securities shall not be processed unless the securities are in dematerialized form. This measure is aimed at curbing fraud and manipulation risk in physical transfer of securities by unscrupulous entities. Members holding shares in physical form are requested to convert their holding(s) to dematerialized form to eliminate all risks associated with physical shares.**

11. **With a view to conserve natural resources, we request Members to update and register their email addresses with their DPs or RTA, as the case may be, to enable the Company to send communications including Annual Report, Notices, Circulars, etc. electronically. Members may register their email addresses by following below process:**

Physical Holding	By clicking on the below link, Member may register his / her email address, mobile number and bank details https://linkintime.co.in/EmailReg/Email_Register.html After clicking the above link, Members have to fill the relevant details in the respective fields and attach self attested copy of PAN, address proof / share certificate and cancelled cheque leaf.
Demat Holding	By clicking on the below link, Member may register his / her email address and mobile number https://linkintime.co.in/EmailReg/Email_Register.html. For registration of bank details Members are requested to visit their respective DPs.

12. Members who hold shares in physical form in multiple folios, in identical names or joint holding in the same order of names, are requested to send the share certificates to the RTA, for consolidation of such multiple folios into a single folio.

13. The SEBI has mandated the submission of PAN by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their DPs in case the shares are held by them in electronic form and to RTA in case the shares are held by them in physical form.

14. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone / mobile numbers, PAN, mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to RTA in case the shares are held by them in physical form.

15. All documents referred to in the Notice along with the Statutory Registers maintained by the Company as per the Act will be available for inspection in electronic mode upto the date of the AGM of the Company and will also be available electronically for inspection by the Members during the AGM. Members seeking to inspect such documents can send an email to cs@torrentpower.com.

16. In compliance with the MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report is being sent only through electronic mode to those Members whose email addresses are registered with the Company / DPs. Members may note that the Notice and Annual Report will also be available on the Company's website i.e. www.torrentpower.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and on the website of Central Depository Services Limited (CDSL) at www.evotingindia.com.

17. In terms of section 108 of the Act read with the Companies (Management and Administration) Rules, 2014, Regulation 44 of Listing Regulations and MCA Circulars, the Company has provided the e-voting facility through CDSL. This facility is being provided to Members holding shares in physical or dematerialized form, as on the cut-off date to exercise their right to vote by electronic means on any or all of the business specified in the accompanying Notice.

    The information and other instructions regarding remote e-voting and e-voting at AGM are detailed in Note No. 22 and 23 respectively.

18. Rajesh Parekh, Practicing Company Secretary (Membership No. A8073) has been appointed as the Scrutinizer to scrutinize the voting during the AGM and remote e-voting process in a fair and transparent manner.

19. The results shall be declared by the Chairperson or a person so authorised by him in writing on receipt of consolidated report from Scrutinizer. The results declared along with Scrutinizer's Report shall be placed on the Company's website i.e. www.torrentpower.com and on the website of CDSL and shall also be communicated to the stock exchanges where the shares of the Company are listed.

20. **The resolutions shall be deemed to have been passed on the date of the AGM, subject to the same being passed with requisite majority.**

21. Since the AGM will be held through VC / OAVM in accordance with the MCA Circulars, the route map, proxy form and attendance slip are not attached to this Notice.

22. **Voting Process and other instructions regarding remote e-voting:**

    i. The voting period begins on Sunday, August 02, 2020 at 9:00 am and shall end on Wednesday, August 05, 2020 at 5:00 pm. During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Thursday, July 30, 2020 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

    ii. Members who have already voted prior to the meeting date would not be entitled to vote at the meeting.

    iii. The Members should log on to the e-voting website www.evotingindia.com.

    iv. Click on 'SHAREHOLDERS'.

    v. Now enter your User ID

        a. For CDSL: 16 digits beneficiary ID,

        b. For NSDL: 8 character DP ID followed by 8 digits Client ID,

        c. Members holding shares in physical form should enter Folio Number registered with the Company.

    vi. Next enter the Image verification as displayed and click on Login.

    vii. If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

    viii. If you are a first time user follow the steps given below:

	For Members holding shares in demat form and physical form
PAN	Enter your 10 digit alpha-numeric PAN (applicable for both demat as well as physical Members) • Members who have not updated their PAN with the Company / DPs are requested to use the sequence number indicated in the PAN field of the email sent to them. • Members who have not registered their email address may obtain the sequence number from the Company after registering their email address as per the process defined in Note No. 11.
Dividend Bank details OR Date of Birth (DoB)	Enter the Dividend Bank details or DoB (in dd/mm/yyyy format) as recorded in your demat account or in the Company records in order to login. • If both the details are not recorded with the DPs or Company please enter the Member ID / folio number in the Dividend Bank details field as mentioned in instruction (v).

    ix. After entering these details appropriately, click on 'SUBMIT' tab.

    x. Members holding shares in physical form will then directly reach the Company selection screen. However, Members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field.

    Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote. **It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential**.

xi. For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

xii. Click on the EVSN for TORRENT POWER LIMITED on which you choose to vote.

xiii. On the voting page, you will see 'RESOLUTION DESCRIPTION' and against the same the option 'YES / NO' for voting. Select the option 'YES / NO' as desired. The option YES implies that you assent to the resolution and option NO implies that you dissent to the resolution.

xiv. Click on the 'RESOLUTIONS FILE LINK' if you wish to view the entire resolution details.

xv. After selecting the resolution you have decided to vote on, click on 'SUBMIT'. A confirmation box will be displayed. If you wish to confirm your vote, click on 'OK' else to change your vote, click on 'CANCEL' and accordingly modify your vote.

xvi. Once you 'CONFIRM' your vote on the resolution, you will not be allowed to modify your vote.

xvii. You can also take a print of the votes cast by clicking on 'Click here to print' option on the voting page.

xviii. If a demat account holder has forgotten the login password, then enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

xix. **Members can also cast their vote using CDSL's mobile app m-voting. The m-voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.**

xx. **Note for Non – Individual Members and Custodians**

- Non-Individual Members (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
- A scanned copy of the Registration form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board resolution and Power of Attorney which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- Alternatively, Non Individual Members are required to send the relevant Board resolution / Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company, if voted from individual tab & not uploaded same in the CDSL e-voting system for the Scrutinizer to verify the same.

In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ('FAQs') and e-voting manual available at www.evotingindia.com under help section or write an email to helpdesk.evoting@cdslindia.com or call 1800225533.

All grievances connected with the facility for voting by electronic means may be addressed to Rakesh Dalvi, Manager, Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai - 400013 or send an email to helpdesk.evoting@cdslindia.com or call 1800225533.

23. **Instructions for Members voting on the day of AGM on e-voting system:**

    a) The procedure for e-voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.

    b) Only those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system available at the AGM.

    c) If any votes are casted by the Members through e-voting available during the AGM and if the same Members have not participated in the meeting through VC / OAVM facility, then the votes casted by such Members shall be considered invalid as the facility of e-voting during the meeting is available only to the Members participating in the meeting.

    d) Members who have voted through remote e-voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.

24. **Instructions for Members for attending the AGM through VC / OAVM:**

    a) Member will be provided with a facility to attend the AGM through VC / OAVM through the CDSL e-voting system. Members may access the same at https://www.evotingindia.com under Shareholders / Members login by using the remote e-voting credentials. The link for VC / OAVM will be available in Shareholder / Members login where the EVSN of Company will be displayed.

    b) Members are encouraged to join the meeting through Laptops / Desktops for better experience. Further, Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.

    c) Please note that participants connecting from Mobile devices or Tablets or through Laptop connecting via Mobile hotspot may experience Audio / Video loss due to fluctuation in their respective network. It is therefore, recommended to use stable Wi-Fi or LAN connection to mitigate any kind of aforesaid glitches.

    d) Members who would like to express their views / have questions may send their views / questions 7 days prior to meeting mentioning their name, demat account number / folio number, email id, mobile number at cs@torrentower.com and register themselves as a speaker. Only those Members who have registered themselves as a speaker will be allowed to express their views / ask questions during the meeting.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND REGULATION 36(3) OF SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

ITEM NO. 3

Brief profile of Samir Mehta is set forth in the table below:

Age	57 years
Qualification	Masters in Business Administration
Experience / Brief resume	He has been associated with the Company since its inception, as a Promoter and has 34 years of hands-on experience in business strategy and growth and brought in the much desired analytical and professional approach in Torrent Group. Apart from setting up an orderly and system oriented organization, development of prudent financial management policies and balanced human resource policies have been the hallmark of his leadership. His focus on strategy whilst continuing to emphasise excellence in execution and business operations ensured that Torrent Power not only maneuvered the difficult times in power sector but constantly improved its performance on all efficiency parameters – strong project management, high plant availability, reduction in AT&C losses, better reliability indices, efficient gas procurement, management of regulatory aspects etc. Today, Torrent Power is ranked amongst the best run power utilities in the Country and has won accolades from all quarters for its excellent operational capabilities and high customer orientation.
Date of first appointment on the Board	April 29, 2004
No. of shares held in the Company	6,125
Relationship with other Directors and Key Managerial Personnel	He is brother of Sudhir Mehta, Chairman Emeritus and relative of Jinal Mehta, Managing Director.
List of Directorship of listed entities	• Torrent Pharmaceuticals Ltd • Torrent Power Ltd
Chairpersonship / Membership of Committees of the Board in such Companies	**Torrent Pharmaceuticals Ltd** • Nomination and Remuneration Committee (Member) • Committee of Directors (Chairperson) **Torrent Power Ltd** • Stakeholders Relationship Committee (Member) • Committee of Directors (Chairperson)

ITEM NO. 4

Sunaina Tomar, IAS (DIN: 03435543), was appointed as an Additional Director by the Board of Directors on February 13, 2020 based on the request received from Government of Gujarat (holder of 11.22% equity shares of the Company). As per the provisions of section 161 of the Companies Act, 2013 ("the Act") read with Articles of Association of the Company, she holds the office of Director till commencement of this Annual General Meeting. The Company had received a notice in writing under section 160 of the Act from a Member proposing her candidature for appointment as Director of the Company.

Sunaina Tomar, an Indian Administrative Service officer with GoG, has wide experience in the public administration. She has held distinguished positions in the GoG in various departments including National Rural Health Mission, Land Reforms, Women & Child Development Department, Social Justice & Empowerment, Welfare of Scheduled Castes & Backward Castes, Education Department and Ports & Transport. She also worked with the Union Government as Joint Secretary, Ministry of Textiles. She also holds directorship of various Government Companies. Presently, she is Principal Secretary, Energy and Petrochemicals Department.

Nomination and Remuneration Committee and the Board have considered the above proposal at their respective meetings and recommend to the Members for their approval.

Sunaina Tomar does not hold any equity shares of the Company. She is not related to any Director of the Company.

The Board recommends the resolution at Item No. 4 of the Notice for your approval as an Ordinary Resolution.

Sunaina Tomar is deemed to be interested in the resolution. None of the other Directors or Key Managerial Personnel of the Company or their relatives is in any way concerned or interested in the resolution.

ITEM NO. 5

The Audit Committee had at its meeting held on May 18, 2020 recommended and the Board had at its meeting held on the same day approved the re-appointment of M/s Kirit Mehta & Co., Cost Accountants, Mumbai as Cost Auditors of the Company to conduct the audit of the Cost Records of the Company for FY 21 at a remuneration of ₹14,40,000/- (including ₹2,00,000 for Cables Business Undertaking which is under process of slump sale to TCL Cables Private Ltd) plus applicable taxes and reimbursement of out of pocket expenses incurred by them during the course of cost audit.

In accordance with the provisions of section 148 of the Companies Act, 2013 read with rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors, has to be ratified by the Members of the Company.

Accordingly, Members are requested to ratify the remuneration to be payable to Cost Auditors of the Company for FY 21 by passing an Ordinary Resolution at Item No. 5 of the Notice.

None of the Directors or Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in the resolution.

ITEM NO. 6

In recognition of invaluable contribution to the businesses of the Company and significant time commitment of Sudhir Mehta, Non-Executive Director and Chairman Emeritus, the Board approved annual commission of ₹5 Crore for Sudhir Mehta, subject to approval of Members.

In terms of Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, approval of Members by way of Special Resolution is sought for annual commission of ₹5 Crore to Sudhir Mehta, Non-Executive Director and Chairman Emeritus, for FY 20.

The Board recommends the resolution at Item No. 6 of the Notice for your approval as a Special Resolution.

Sudhir Mehta holds 6,882 equity shares of the Company and is related to Samir Mehta, Chairperson and Jinal Mehta, Managing Director. Sudhir Mehta, Samir Mehta and Jinal Mehta are, therefore, deemed interested in the resolution. None of the other Directors or Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in the resolution.

ITEM NO. 7

Members of the Company at Annual General Meeting held on August 01, 2018 accorded consent to the Board of Directors to borrow monies (apart from temporary loans obtained from the Company's Bankers in the ordinary course of business) and create security on assets of the Company for such borrowing, in such form and manner and on such terms and conditions as the Board may deem fit, such that the total amount borrowed and outstanding at any time does not exceed ₹20,000 Crore and for the said purpose authorised the Board inter-alia, to delegate all or any of the above powers to the Committee of Directors.

Out of above borrowing limit, the Company may, at an appropriate time consider offering or inviting subscriptions for Non-Convertible Debentures (NCDs), in one or more series / tranches, on private placement basis, in order to augment long-term resources for financing the ongoing capital expenditure and other general corporate purposes.

Section 42 of the Companies Act, 2013 read with rule 14(1) of Companies (Prospectus and Allotment of Securities) Rules, 2014 provides that a company which intends to make a private placement of its NCDs, shall obtain approval of its Members by means of a Special Resolution. It shall be sufficient if the company passes a Special Resolution only once in a year for all the offers or invitations for such NCDs during the year.

It is therefore found desirable to have the requisite enabling approval in place for meeting the fund requirements of the Company in an efficient manner.

Approval of Members is sought for issuance of NCDs upto an aggregate ₹2,000 Crore, within overall approved borrowing limit of the Company. Such approval shall be valid in respect of all offers and invitations for such NCDs to be made in one or more series / tranches, within 12 months from the date of passing of the Special Resolution.

The Board recommends the resolutions at Item No. 7 of the Notice for your approval as a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in the resolution.

By Order of the Board
For Torrent Power Limited

Basic and Diluted Earnings per Share (₹ per share)	**26**	**19**	**24**	**19**

2. SCHEME OF ARRANGEMENT

During the year, the Company entered into Scheme of Arrangement with TCL Cables Private Limited (wholly owned subsidiary of the Company) for transfer and vesting of its Cables Business Undertaking on a going concern basis by way of a slump sale as per the terms and conditions of the Scheme, for a cash consideration of ₹214.50 Crore, subject to working capital adjustment on transfer. The appointed date for transfer is April 01, 2020. The Company has received approvals from both the stock exchanges (NSE & BSE) with BSE being designated stock exchange. The Company has filed an application with National Company Law Tribunal (NCLT), Ahmedabad, for approval of the Scheme.

3. DIVIDEND

The Company as a policy, endeavours to distribute approx. 30% of its consolidated annual profits after tax as dividend in one or more tranches. The Board of Directors, on February 12, 2020, declared interim dividend of ₹11.60 per equity share (including ₹5.00 per equity share as a special dividend) on 48,06,16,784 equity shares for FY 20 (PY ₹5.00 per equity share), amounting to ₹557.51 Crore (PY ₹240.31 Crore). The Board has not considered any further dividend for the year.

The Company paid Dividend Distribution Tax of ₹114.60 Crore (PY ₹49.40 Crore) on the above dividend; the total outflow on account of dividend was ₹672.11 Crore (PY ₹289.71 Crore). Excluding the special dividend of ₹5.00 per equity share, the dividend distribution was ₹382.41 Crore i.e. 33.26% (PY 32.28%) of consolidated total comprehensive income for FY 20 after the provision for impairment of DGEN Power Plant. It may be noted that the said provision is a non-cash charge not impacting the cashflows of the current or future years.

The Dividend Distribution Policy of the Company can be accessed at the Company's website.

4. **TRANSFER TO RESERVES**

The Company has not transferred any amount to the Reserves for the year under review, other than ₹62 Crore to certain specific reserves as described in Statement of Changes in Equity as part of Standalone Financial Statements.

5. **FINANCE**

During the year, CRISIL upgraded the long term credit rating of the Company from AA-/Stable to AA/Stable and reaffirmed the short term credit rating at A1+. Additionally, India Ratings assigned short term rating of IND A1+ to Commercial Papers programme of ₹850 Crore. The Company raised ₹1,078 Crore of new long term debt including through secured and unsecured Non-convertible Debentures (NCDs) mainly to finance ongoing capital expenditure in its distribution businesses and repaid ₹1,635 Crore of long term debt, thus reducing the long term debt by ₹557 Crore. The Company also tied up incremental working capital lines (fund and non-fund based) of ₹839 Crore i.e. increased it from ₹3,111 Crore to ₹3,950 Crore.

New long term debt raised included ₹370 Crore by way of issuance of NCDs on private placement basis as per the details mentioned below:

Description of NCDs	Date of Allotment	Number of NCDs issued	Face Value and Issue Price (₹ in Lakh)	Amount raised (₹ in Crore)	Coupon Rate	Maturity Date (Series wise)
Unsecured, Rated, Listed, Taxable, Non-Cumulative, Redeemable NCDs	May 14, 2019	2,700	10	270	10.25% p.a.	A – May 13, 2022 B – May 12, 2023 C – May 14, 2024
Secured, Rated, Listed, Taxable, Non-Cumulative, Redeemable NCDs	March 19, 2020	1,000	10	100	7.65% p.a.	March 17, 2023

Outstanding long term debt as on March 31, 2020 was ₹8,898 Crore, details of which are provided in Note 22 to the Consolidated Financial Statements. The consolidated debt to equity (including deferred tax liability) ratio as at the end of FY 20 was 0.92 (PY 0.90). The particulars of loans given, guarantees provided and investments made are disclosed in Note 55 to the Standalone Financial Statements.

6. **SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES**

The Board has reviewed the affairs of the Company's subsidiaries and associates at regular intervals. In accordance with section 129(3) of the Companies Act, 2013, the Company has prepared Consolidated Financial Statements incorporating the Financial Statements of all subsidiaries, which form part of the Annual Report. Further, a statement containing salient features of the Financial Statements of the Company's subsidiaries and associates is given in prescribed Form AOC-1 which forms part of the Annual report at page no. 249. The said Form also highlights the financial performance of each of the subsidiaries and associate companies included in the Consolidated Financial Statements.

Details pertaining to companies that ceased to be the associates of the Company during the year are provided in Note no. 41 of the notes to the Consolidated Financial Statements, forming part of the Annual Report.

In accordance with section 136(1) of the Companies Act, 2013, the Financial Statements of the subsidiary and associate companies are available for inspection by the Members at the Registered Office of the Company during business hours on all days except Saturday, Sunday and Public Holiday. Any person desirous of obtaining said Financial Statements may write at cs@torrentpower.com. The Annual Report of the Company and Audited Financial Statements of each of the subsidiary companies have been placed on the website of the Company at www.torrentpower.com.

7. **DIRECTORS AND KEY MANAGERIAL PERSONNEL (KMP)**

Pankaj Joshi, IAS, Director resigned wef December 17, 2019 due to his transfer within the Government. The Board places on record its appreciation for the guidance and support provided by him during his tenure as a member of the Board.

Government of Gujarat holding 11.22% equity shares of the Company as at end of the year nominated Sunaina Tomar, IAS - Principal Secretary, Energy and Petrochemicals Department (DIN: 03435543) on the Board of the Company in place of Pankaj Joshi, IAS and the Board at its meeting held on February 12, 2020 appointed her as Additional Director wef February 13, 2020 till the commencement of ensuing Annual General Meeting (AGM). The Board hereby recommends her appointment as Director, liable to retire by rotation, wef the ensuing AGM i.e. August 06, 2020.

As per the provisions of the Companies Act, 2013, Samir Mehta (DIN: 00061903), Director, retires by rotation at the ensuing AGM and being eligible, has offered himself for re-appointment. A brief resume and other relevant details of Samir Mehta are given in the Explanatory Statement to the Notice convening the AGM.

The Board at its meeting held on May 15, 2019 appointed Rahul Shah as Company Secretary & Whole-time KMP of the Company wef May 16, 2019 in place of Samir Shah, who took up another role in the Company.

8. **DECLARATION BY INDEPENDENT DIRECTORS**

The Company has received necessary declaration from the Independent Directors confirming that they meet the criteria of independence as prescribed under Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Independent Directors are in compliance with the Code of Conduct prescribed under Schedule IV of the Companies Act, 2013.

9. **POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION POLICY**

The Nomination and Remuneration Committee (NRC) has approved the following criteria and process for identification / appointment of Directors:

Criteria for Appointment:

i. Proposed Director ("Person") shall meet all statutory requirements and should:

- possess the highest ethics, integrity and values
- not have direct / indirect conflict with present or potential business / operations of the Company
- have the balance and maturity of judgment
- be willing to devote sufficient time and energy
- have demonstrated leadership and vision at senior levels, and have the ability to articulate a clear direction for the Company
- have relevant experience with respect to Company's business (in exceptional circumstances, specialisation / expertise in unrelated areas may also be considered)
- have appropriate comprehension to understand or be able to acquire that understanding
    - o relating to corporate functioning
    - o concerning the scale, complexity of business and specific market and environment factors affecting the functioning of the Company

ii. The appointment shall be in compliance with the Board Diversity Policy of the Company.

Process for Identification / Appointment of Directors:

i. Board members may (formally or informally) suggest any potential person to the Chairperson of the Company meeting the above criteria. If the Chairperson deems fit, necessary recommendation shall be made by him to the NRC.

ii. Chairperson of the Company can himself also refer any potential person meeting the above criteria to the NRC.

iii. NRC will process the matter and recommend such proposal to the Board.

iv. Board will consider such proposal on merit and decide suitably.

Remuneration Policy:

The Company has in place a policy relating to the remuneration of the Directors, Key Managerial Personnel and other employees of the Company. The policy is available on the website of the Company.

10. EVALUATION OF BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

The evaluation of Board, its Committees and Individual Directors was carried out as per the process and criteria laid down by the Board of Directors.

The proforma formats for facilitating the evaluation process of Non-Independent Directors & Board as a whole and Committees were sent to all Independent Directors. A presentation on functioning of the Board and Committees, containing the outcome of their evaluation and feedback was reviewed by the Independent Directors in their separate meeting and by the Board. Based on the feedback, the Board expressed satisfaction on overall functioning of the Board, Committees and performance of Directors.

11. MEETINGS OF THE BOARD, COMMITTEES & COMPLIANCE TO SECRETARIAL STANDARDS

The Board meets at regular intervals, with gap between two meetings not exceeding 120 days. During the year under review, the Board met four times.

The Board has six committees namely Audit Committee (AC), Nomination and Remuneration Committee (NRC), Corporate Social Responsibility Committee (CSR), Stakeholders Relationship Committee (SRC), Risk Management Committee (RMC) and Committee of Directors (CoD). A detailed note on the composition of the Board and its committees (AC, NRC and SRC) is provided in the Corporate Governance Report included in the Annual Report. Composition of CSR Committee is given in the Report on CSR Activities (Annexure C). Composition of RMC is provided in this Report in Risk Management section. CoD is a Board Committee to facilitate routine executive decisions and exercise of authority granted by the Board in various matters. The minutes of all the Committee meetings are reviewed at every Board meeting.

During the year, the Company has complied with the provisions of Secretarial Standard 1 (relating to meetings of the Board of Directors) and Secretarial Standard 2 (relating to General meetings).

12. DIRECTORS' RESPONSIBILITY STATEMENT

In terms of section 134(3) of the Companies Act, 2013, the Board of Directors state that:

a) in preparation of the Financial Statements, the applicable accounting standards have been followed and there are no material departures;

b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as on March 31, 2020 and of the profits for the year ended March 31, 2020;

c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) the Financial Statements have been prepared on a going concern basis;

e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and

f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

13. AUDITORS

STATUTORY AUDITORS

The Members at the 13th AGM of the Company had appointed M/s. Price Waterhouse Chartered Accountants LLP as Statutory Auditors of the Company to hold office from the close of the 13th AGM till the conclusion of the 18th AGM.

The Auditors' Report for FY 20 forms part of the Annual Report and does not contain any qualification, reservation or adverse remark.

COST AUDITORS

Pursuant to section 148(3) of the Companies Act, 2013, M/s. Kirit Mehta & Co., Cost Accountants, Mumbai had been appointed as Cost Auditors of the Company for FY 20 by the Board of Directors for conducting audit of cost records maintained in respect of electricity and electricals or electronic machinery. Their remuneration was ratified by Members at the 15th AGM of the Company.

The Cost Audit Report for FY 19 does not contain any qualification and was filed on August 26, 2019 with the Central Government (within the prescribed time limit) pursuant to section 148(6) of the Companies Act, 2013.

SECRETARIAL AUDITORS

Pursuant to section 204 of the Companies Act, 2013 read with Rules thereof, the Board of Directors had appointed M/s. M. C. Gupta & Co., Company Secretaries, Ahmedabad, as Secretarial Auditors of the Company for FY 20. The Secretarial Audit Report for FY 20 is annexed herewith as **Annexure A**.

There are no adverse observations in the Secretarial Audit Report which call for explanation.

14. INTERNAL FINANCIAL CONTROLS

The Company has in place adequate internal financial controls with reference to Financial Statements. The Statutory Auditors of the Company have audited such controls with reference to Financial Reporting and their Audit Report is annexed as Annexure A to the Independent Auditors' Report under Standalone Financial Statements and Consolidated Financial Statements which forms part of the Annual Report.

15. CORPORATE GOVERNANCE

In compliance with Regulation 34 read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Report on Corporate Governance forms part of the Annual Report. Certificate of the Auditors regarding compliance with the conditions of Corporate Governance is annexed to the Board's Report as **Annexure B**.

16. CORPORATE SOCIAL RESPONSIBILITY (CSR)

During FY 20, the Company incured CSR expenditure of ₹20.36 Crore which was 2% of average net profit for the past three Financial Years. The CSR activities by the Company were under the thrust areas of Community Healthcare, Sanitation & Hygiene, Education & Knowledge Enhancement and Social Care & Concern. Brief outline of the CSR Policy of the Company and the details of key CSR programs and activities undertaken at Group level are provided in the Report on CSR Activities annexed herewith as **Annexure C**.

In addition to above, the Company continued other social activities during the year, the brief details of the same are described hereunder:

- **Creating livelihoods**

  - o To contribute towards societal goal of uplifting the local youth of the area, 48 unemployed youth with basic primary education were selected from surrounding areas in FY 20. They were imparted an intensive in-house developed training module of 33 working days, followed by a structured on-the-job training for one month covering security, basic firefighting and computer skills. Post completion of successful training, they were absorbed as security guards at SUGEN and DGEN power plants. Till date, total 186 such youth have been trained and employed.
  - o Differently abled persons (with impaired hearing and speech) were trained for routine cleaning of solar panels at GENSU Solar Plant, thus providing them a dignified livelihood.
  - o Employment opportunities for uneducated and destitute locals for horticulture, house keeping and canteen work at industrial and office facilities.

- **Community Healthcare**

  During the year, Swadhar community healthcare facility was renamed Sumangal and integrated into Rangtarang hospital complex comprising 150 bed paediatric hospital, inaugurated in February, 2020. Sumangal now operates with an enhanced scope which includes specialized consultations in the areas of dental care, ophthalmology, dermatology, gynaecology, physiotherapy and orthopeadic. During FY 20, 1,00,311 patients have benifitted from the facility.

- **Donations**

  The Company made charitable donations amounting to ₹19.44 Crore to various organisations for activities related to healthcare, education, arts & culture, science, relief to disaster victims; socio-economic development including de-addiction, skill development, self-help groups, upliftment of women, integrated development of tribes, protection of consumer rights, building of toilets etc.

  The Company has also dontated ₹15.00 Crore to Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM – CARES Fund) and ₹35.00 Lakh to various charitable organizations to fight the effects of COVID -19 pandemic and its fallout on poorer sections of the society.

17. ENVIRONMENT, HEALTH AND SAFETY (EHS)

The Company accords utmost importance to EHS in its various operations. The key developments concerning EHS during FY 20 include:

- AMGEN Power Plant has been awarded the prestigious sword of honour by British Safety Council in October, 2019 for its commitment to excellence in occupational health and safety.
- Gas based generation plants have implemented 5S Work Place Management System and were certified by Quality Circle Forum of India (QCFI) and Union of Japanese Scientist and Engineers (JUSE).
- Kitchen waste of all Company operated canteens was converted into manure through organic waste converter machines.
- Extensive plantations of trees and shrubs in all the vacant lands of the Company.
- Implemented "Behaviour Based Safety" (BBS) to develop and inculcate safety as a behavioural aspect of each individual at the gas-based generation plants.
- Health talks on common health problems such as Hypertension, Diabetes, Life Style Diseases, Yoga, mini marathon etc. were conducted for employees.
- Specialized external training workshops were organised by AMGEN power plant for AED (Automated External Defibrillator), AMBU Bag (Artificial Manual Breathing Unit), Cardio Pulmonary Resuscitation (CPR) technique with the practical demonstration, awareness for hazards and precautions for COVID-19, electrical safety training for

safe isolation, mock drills for different kind of emergency scenarios such as body illness, fire in office premise etc. E-learning initiatives taken up for EHS training in AMGEN power plant.

- Continuing efforts for reducing paper consumption by development of Field Force Application for various activities.
- Measurement and monitoring of environmental parameters related to drinking water quality, food quality, work place noise, ambient noise, DG stack emission monitoring, ambient air quality monitoring and usage of environmental friendly bio-degradable ester oil in place of mineral oil in distribution transformers in densely populated and congested areas to enhance safety and to prevent land contamination.

Moreover, the Company has in place the "Conviction for Safety" policy, which provides for substantial compensation to the personnel (employees as well as contractors' labour) and their families, who are adversely affected by accidents.

18. VIGIL MECHANISM

The Company has in place a Whistle Blower Policy pursuant to the applicable statutory requirements. The details of the Whistle Blower Policy are explained in the Report on Corporate Governance.

19. INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

Pursuant to the provisions of sections 124 and 125 of the Companies Act, 2013 and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended from time to time, during the year under review, the Company has credited unpaid / unclaimed Dividend to IEPF Authority and equity shares to the Demat account of IEPF Authority as per the details mentioned below:

11.	2019-20 (Interim) of Torrent Power Ltd.	March 19, 2027	2,41,68,971.20

Note: Torrent Cables Ltd. was amalgamated with Torrent Power Ltd. wef October 01, 2015.

The actual amount lying in unpaid dividend accounts alongwith corresponding shares related thereto will be transferred to IEPF Authority within statutory timeline as applicable.

Rahul Shah, Company Secretary, has been appointed as Nodal Officer of the Company and details of the Nodal Officer are available on the webiste of the Company at https://www.torrentpower.com/index.php/investors/iepf.

20. BUSINESS RESPONSIBILITY REPORT

As stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Business Responsibility Report forms part of the Annual Report.

21. RISK MANAGEMENT

The Company has in place a Risk Management framework for a systematic approach to control risks. The Risk Management Policy of the Company lays down procedures for risk identification, assessment, monitoring, review and reporting. The Policy also lists the roles and responsibilities of Board, Risk Management Committee (RMC), Chief Risk Officer, Risk Champions and Risk Co-ordinators. The Risk Management process is reviewed and monitored by the functional heads. RMC meets at least once in a year to review internal and external risks with potential impact and likelihood that may impact the Company in achieving its strategic objectives or may threaten its existence. Composition of RMC consists of member of Board and Senior Management of the Company as provided below:

Name of Member	Category
Samir Barua, Chairperson	Independent Director
Bhavna Doshi	Independent Director
Sanjay Dalal	Chief Financial Officer

Management and Discussion Analysis section of the Annual Report identifies the key risks which can affect the performance of the Company.

22. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

The particulars of contracts or arrangements with related parties are given in the prescribed Form AOC-2, annexed herewith as **Annexure D** and in the section on Related Party Transactions in the Report on Corporate Governance.

23. PARTICULARS OF EMPLOYEES AND RELATED DISCLOSURES

The details in terms of section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended from time to time are forming part of this Report as **Annexure E**.

24. PROTECTION OF WOMEN AGAINST SEXUAL HARASSMENT AT WORK PLACE

The Company has complied with provisions relating to the constitution of Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

25. THE EXTRACT OF THE ANNUAL RETURN

The extract of the Annual Return in Form MGT-9 is annexed herewith as **Annexure F** to this Report.

26. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

The details relating to conservation of energy, technology absorption, foreign exchange earnings and outgo prescribed under section 134(3)(m) of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 are given in the **Annexure G** which forms part of this Report.

27. OTHER DISCLOSURES

- During the year under review, the Company has neither accepted nor renewed any fixed deposits.
- During the year under review, there are no changes in the nature of business.
- There are no material changes and commitments, affecting the financial position of the Company which has occurred between end of financial year i.e. March 31, 2020 and the date of Directors' Report i.e. May 18, 2020.
- No significant and material orders were passed by the regulators or courts or tribunals impacting the going concern status and the Company's operation in future.

28. APPRECIATION AND ACKNOWLEDGEMENTS

The Board of Directors is pleased to place on record its appreciation for the continued support received from all stakeholders including government, regulatory authorities and financing institutions. The Board is thankful to the members and employees for their unstinted support and contribution.

The Directors regret the loss of life due to COVID-19 pandemic and have immense respect for every person who risked their life and safety to fight this pandemic.

For and on behalf of the Board of Directors

May 18, 2020
Ahmedabad

ANNEXURE A

FORM NO. MR-3

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Torrent Power Limited,
"Samanvay",
600, Tapovan, Ambawadi,
Ahmedabad – 380015

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Torrent Power Limited (CIN: L31200GJ2004PLC044068) (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Torrent Power Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2020, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March, 2020 according to the provisions of:

i. The Companies Act, 2013 ('the Act') and the rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;

iii. The Depositories Act, 1996 and the regulations and bye-laws framed there under;

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

   (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

   (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

   (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(Not applicable to the Company during the Audit Period)**

   (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **(Not applicable to the Company during the Audit Period)**

   (e) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

   (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

   (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

(h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(Not applicable to the Company during the Audit Period)**; and

(i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not applicable to the Company during the Audit Period)**.

vi. The Company has complied with following other laws specifically applicable to the Company:

(a) Electricity Act, 2003

(b) Gujarat Electricity Duty Act, 1958

(c) Gujarat Electricity Industry (Reorganisation and Regulation) Act, 2003

(d) Gujarat Electricity Grid Code, 2013

(e) Energy Conservation Act, 2001

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board meetings, agenda and detailed notes on agenda were usually sent seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. There were no dissenting views on any matter.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period under review the Company has no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. except the following:

1. The Company has issued Listed Rated Non-Convertible Debentures aggregating to ₹370 Crore through Private Placement and Commercial Papers aggregating to ₹250 Crore.
2. The Company has acquired entire paid up share capital of TCL Cables Private Limited, the step down subsidiary and the same has become direct Wholly-owned Subsidiary (WOS) of the Company.
3. The Board of Directors of the Company had approved a draft Scheme of Arrangement with TCL Cables Private Limited and the respective shareholders and creditors for transfer and vesting of cable business undertaking of the Company as a going concern by way of slump sale.

Note: This Report is to be read with our Letter of even date which is annexed as Annexure "A" and forms an integral part of this Report.

Annexure: "A"

To,
The Members,
Torrent Power Limited,
"Samanvay",
600, Tapovan,
Ambawadi, Ahmedabad – 380015

Our Report of even date is to be read along with this Letter;

1. Maintenance of Secretarial Record is the responsibility of the management of the Company. Our responsibility is to express an opinion on Secretarial Records based on our Audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial Records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. We believe that the processes and practices followed provide a reasonable basis for our opinion.
3. The spread of COVID-19 disease has severely impacted economies, business and social setups across globe. India is no exception. The spread of COVID-19 and consequent lockdowns, disruption in transportation, supply-chain, travel bans, quarantines, social distancing and other such emergency measures have carried wide spread disruption in the economy and business. The resultant situation is both complex and continuous evolving with no clear viability near to medium term future outlook. In above backdrop and with a view to meet the statutory timelines, we have relied upon the information and online data provided by the Company, required to conduct the Secretarial Audit and also the clarifications given by the Management. We have conducted the Secretarial Audit based upon the online information so provided with limitation to access to all the records maintained by the Company, due to inability to have personal visit to Company's office(s).
4. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
5. Wherever required, we have obtained the Management Representation about the compliance of laws, rules and regulations and happening of events etc.
6. The compliances of the provisions of Corporate and other applicable laws, rules, regulations, standards are the responsibility of the Management. Our examination was limited to the verification of the procedures on test basis.
7. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the management has conducted the affairs of the Company.

ANNEXURE B

AUDITORS' CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

TO THE MEMBERS OF
TORRENT POWER LIMITED

We have examined the compliance of conditions of Corporate Governance by Torrent Power Limited (the "Company"), for the year ended March 31, 2020 as stipulated in Regulations 17, 17A, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (collectively referred to as "SEBI Listing Regulations, 2015").

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance, issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations, 2015.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

ANNEXURE C

REPORT ON CSR ACTIVITIES FOR FY 20

1. **A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR Policy and projects or programs**

   Inspired by noble ideas of the founder Chairman late U N Mehta, Torrent Group underscores its responsibilities as a corporate citizen and believes in carrying out its industrial and business activities in a socially and environmentally responsible manner, balancing the needs of all stakeholders and contributing to the upliftment and well being of the disadvantaged sections of the society.

   The Company, as a part of its CSR programmes / activities, made dedicated efforts in the fields of Community Healthcare, Sanitation & Hygiene, Education & Knowledge Enhancement and Social Care & Concern. It is in this backdrop that the Company has drawn up its CSR policy and conducted its programmes and activities for FY 20.

   Overview of projects or programs undertaken

   Major CSR initiatives undertaken by the Company during FY 20, are enumerated hereunder:

   ➢ **REACH:** Driven by the belief of Chairman Emeritus, Sudhir Mehta **'Children are the future of our nation and this future must be well preserved'**, the flagship CSR program of the Group **"REACH" – Reach EAch CHild** was initiated in the year 2016 under the aegis of Tornascent Care Institute, a section 8 company. REACH has three major pillars: **(a) SHAISHAV (b) JATAN and (c) MUSKAN.** Salient achievements are:

   - **"Shaishav",** the first pillar of the programme, targets to establish baseline health status of children in age group of 6 months to 6 years, through medical camps in 372 villages surrounding the industrial establishments of the Group. This year, 277 supplementary camps spanning 351 villages were conducted to screen 12,619 new children subsequent to previous camps. Children identified as anemic and malnourished were provided appropriate treatment with very encouraging outcomes. Additionally, children identified with chronic illnesses were provided long term treatment with complete handholding. Aggregate 1,471 such children having chronic illnesses have benefitted from the programme since initiation.

   - **"Jatan",** the second pillar of the programme, encompasses provision of healthcare services to children upto 18 years. Initiated with establishment of 4 state-of-art paediatric primary healthcare facilities, supported by mobile OPD vans, in areas where Group's industrial facilities are located, primarily rural areas. The programme was extended during the year by building a state-of-the-art 150 bed paediatric hospital "Balsangam", near SUGEN Power Plant at an aggregate capital cost of ₹135 Crore. The hospital, inaugurated in February 2020, will provide free-of-cost OPD and in-patient services and is eventually planned to be established as a center of excellence in secondary and tertiary paediatric care in multiple super specialties. "Balsangam" is expected to benefit children residing in about 500 villages in a radius of 40 kms. In addition, "Sumangal" (the erstwhile "Swadhar") community healthcare facility was integrated into the "Rangtarang" hospital complex and expanded from a community healthcare center to multidisciplinary clinic for patients of all ages. "Sumangal" provides general and specialised healthcare services at a nominal charge of ₹10 per visit.

     The well-equipped paediatric hospital at SUGEN and primary paediatric health centers at other 3 locations, namely, Dahej, Balasinor and Indrad progressed well during the year. The SUGEN center added diagnostic capabilities during the year. For FY 20, 1,37,297 children benefited from the services of these pediatric centers and associated mobile OPD vans.

   - **Under "Muskaan",** the third pillar of the program, counselling and support was provided to rural adolescent girls around SUGEN, Dahej & Indrad centers covering menstrual hygiene and sanitation, by providing free health and hygiene kits. About 6,000 adolescent girls from 125 villages, between 11-18 years of age were provided kits on monthly basis during the year. This programme has helped gradual eradication of physiological and social taboos and increased confidence and self-esteem of the beneficiaries. It is planned to expand the coverage under this programme.

With the objective to build awareness amongst the rural under privileged class that prevention is better than cure for long term benefits in healthcare, an initiative **"જાગરણ એ જ નિવારણ",** was launched in FY 20. This initiative was implemented with large scale employee participation "Shaishav Mitrs". Shaishav Mitrs reach out and conduct sessions amongst community and provide insight into the curative facilities available at the Bal Aarogya Kendras. The target population includes patients waiting for consultation at Jatan, mothers hailing from villages where camps are conducted, others who come in contact during follow up interventions as well as school children in the age group of 6 to 13 years. 41,230 villagers from 351 supplementary camp villages and 65,737 children from 493 primary schools have benefited from the sessions.

During the year, a healthcare awareness drive through daily SMS containing a topical health message in Gujarati language was started, covering more than 80,000 villagers, mainly beneficiaries under our various programmes across all the four locations.

- **Shiksha Setu :** The Teaching and Learning Programme, conducted through UNM Foundation completed fourth year of Phase II. This programme covers 13 government primary schools located near SUGEN, Chhatral, Chhapi, Memadpur and Ahmedabad locations having 4,600+ students and 150+ teachers of 1-8 standards. Focus in FY 20 continued to be on enhancing learning levels of students through academic workshops and technology based education tools provided in the schools. About 4,200 students from 3rd to 8th standard (from 13 program schools and 7 control schools) participated in technology based learning assessment and achieved 20.26% YOY improvement in learning levels as compared to previous year's result.

  Based on the analysis of the outcomes, remedial sessions for enhancing foundation skills of academically weak students were carried out. Continuous inputs were provided to teachers and students on enhancing academic skills, positive wellbeing and life skills through various workshops. About 600+ parents have been contacted through sensitization meetings and individual home visits. Family meetings were also conducted for academically weak and irregular students.

- **Development and Maintenance of Public Parks:** The Company along with one of India's best known landscape design firm developed an approach for development of urban public parks, particularly small sized parks (as large plots of land are not easily available in cities). Six such parks measuring approx. 33,000 sq mt have been fully developed and opened for public use since FY 19. Another six parks measuring approx. 75,000 sq mt are under various stages of development and will be opened to public in FY 21. The park maintenance is also funded from CSR funds of the Company.

The CSR Policy and approved CSR budget for FY 20 are available for reference on the website of the Company at:

https://www.torrentpower.com/pdf/investors/02-06-2016_rautx_csrpolicy.pdf &

https://www.torrentpower.com/pdf/investors/20190516_CSR_BUDGET_FY201920.pdf respectively.

A brief outline of the CSR Policy is given below:

- Three thrust areas in which CSR activities are planned - (a) Community Healthcare, Sanitation & Hygiene (b) Education & Knowledge Enhancement (c) Social Care & Concern.
- The CSR projects are conducted, preferably in areas where the Company has industrial or business presence, after approval of CSR Committee and Board. Half-yearly review of the implementation of the CSR Policy and Plan is done by the CSR Committee.
- CSR Projects may be implemented directly by the Company wherein Company implements the CSR projects on its own or through dedicated CSR vehicles (section 8 companies) promoted by it and/or indirectly wherein the Company implements the CSR projects through an external entity engaged in charitable activities.

2. **The Composition of CSR Committee:**

Name of Director	Category of Directorship
Bhavna Doshi, Chairperson	Independent Director
Samir Barua	Independent Director
Jinal Mehta	Managing Director

earlier known as Torrent Private Limited

* SEBI vide notification dated July 29, 2019 expanded the definition of "Encumbrance" under SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 which includes the following-

a. any restriction on the free and marketable title to shares, by whatever name called, whether executed directly or indirectly;

b. pledge, lien, negative lien, non-disposal undertaking; or

c. any covenant, transaction, condition or arrangement in the nature of encumbrance, by whatever name called, whether executed directly or indirectly.

Promoter has executed Non-Disposal Undertakings ("NDUs") / accepted covenants in respect of 12,49,60,364 equity shares held by it in the Company, for the benefit of specified lenders /NCD holders, for loans granted/ NCDs subscribed by them to the Company. Such NDUs / covenants fall under the above expanded definition of Encumbrance. The primary obligation undertaken by the Promoter in such NDUs / covenants is to hold and continue to hold atleast 26% of equity share capital of the Company during the period such loans / debentures are outstanding. The NDUs / covenants do not create pledge or similar security charge on equity shares and the sole purpose of executing NDUs / accepting covenants is to provide management comfort to such lenders / debenture holders. Cumulatively these NDUs / covenants oblige the Promoter for 26% of the equity shares of the Company.

(iii) Change in Promoters' Shareholding (please specify, if there is no change)

There was no change in promoters' shareholding during the reporting period.

(iv) Shareholding Pattern of top ten Shareholders (other than Directors, Promoters and Holders of GDRs and ADRs)

ANNEXURE G

A. CONSERVATION OF ENERGY

i) The steps taken or impact on conservation of energy:

A. SUGEN AND UNOSUGEN Power Plants:

- Energy conservation initiatives implemented have resulted in annual energy savings to the tune of 73,15,233 kWh in FY 20.
- PVC tubing has been replaced with Copper tubing in Water Treatment and Demineralisation Plants which has resulted in checking air leaks thereby reduced air and energy consumption.
- All conventional lightings have been replaced with LED in Machine Hall of unit 40, HRSGs of all four units and BOP area of unit 40, having potential to save 3 lakh kWh per annum.
- VFD operated service water supply skid was installed with in-house resources and commissioned at SUGEN, having potential of saving 1 lakh kWh per annum.

B. DGEN Power Plant:

- Energy conservation measures have resulted in annual energy savings to the tune of 23,02,358 kWh.
- Replacement to LED lighting being done progressively.

C. AMGEN Power Plant:

- Primary air preheater replacement, Secondary air heater internals replacement and Computational Flow Dynamics (CFD) and Cold Air Velocity Test (CAVT) based rectification carried out in boiler second pass and ESP inlet & outlet ducts at F Unit; saving 7000 kWh per day in power consumption.
- Selective main steam and HRH pipelines insulation replaced from Boiler to Turbine for minimizing heat loss in D & F unit.
- At D & E station drum & super heater passing safety valve replaced.
- F unit control room AC plant chillers replaced with energy efficient one.
- Replacement of old conventional lights with energy efficient LED lamps at D/E/F unit turbine building, Ash pump house, CW pump house, CHP area, Administration building, SAP building, Control rooms, Maintenance building.

D. AHMEDABAD, SURAT, DAHEJ, DHOLERA, BHIWANDI, AGRA AND SHIL-MUMBRA-KALWA Distribution Units:

- Installation of additional 33/11kV sub-stations and bifurcation of overloaded 11kV (LT&HT) feeders resulting in reduction in technical losses.
- Installation of APFCs to improve PF at LT side of DTCs.
- Installation of additional Distribution sub-stations to optimize LV networks and thereby technical losses.
- Revamping and undergrounding of LT networks of 406 Distribution Transformers at Bhiwandi and Agra Distribution areas to improve the reliability and reduce the losses.
- Installation of energy efficent air conditioning system and lighting system for all new and renovated premises.
- Re-conductoring of 33 kV lines (from ACSR Dog to ACSR Panther) 11 kV lines (from low size conductor to ACSR Dog). Laying 630 sq mm cable in 33 kV (20.57 KM in FY 20) and 240 sq mm cable in 11 kV (55.77 KM in FY 20). Bifurcation of overloaded 11kV and LT feeders, resulting in reduction in technical losses and improvement in reliability at Agra distribution.

- Procurement of star rated energy efficient distribution transformers having lower losses.
- Undergrounding of 44.33 KM of 22 kV lines and 84.11 KM of LT lines at Bhiwandi Distribution.
- Facilitated distribution of LED bulbs under Ujala Scheme of the Ministry of Power, Government of India.
- Energy conservation campaign for awareness of consumers through leaflets, energy bills, display at the Company's customer care centres and through customer meet.
- A comprehensive third party Energy Audit was carried out through M/s SGS at Ahmedabad and Surat Distributions.
- Celebration of National Energy Conservation Day through various activities viz. energy conservation oath, displayed banners, email / SMS to customers, energy coservation programs for customers, schools etc.

E. CABLES UNIT:

- Replaced 120 250W HPMV lamps & twin tube lights of low wattage LED lamps in and outside plant.
- Replaced 2 DC motors of various ratings with new high efficiency AC motors with Variable Frequency Drive.

ii) The steps taken by the Company for utilising alternate sources of energy:

A. SUGEN, UNOSUGEN & DGEN Power Plants:

- 50 kW roof top installed on the common buildings at Shardashish township generated 69,818 kWh in FY 20.
- 6.30 kW floating solar installed inside water reservoirs, generated 7,312 kWh in FY 20.
- 42.70 kW roof top installed on roof of the office administration building, generated 49,635 kWh in FY 20.
- Solar operated water cooler was designed, implemented in-house and installed for operation at SUGEN for Horticulture workers.
- Solar power to the tune of 22,133 kWh generated and utilized at the Meghdhanush housing colony at DGEN.

B. AHMEDABAD, SURAT, DAHEJ, DHOLERA, BHIWANDI, AGRA AND SHIL-MUMBRA-KALWA Distribution Units:

- Facilitated installation of 4037 rooftop solar projects totalling 25.05 MW during FY 20 at Ahmedabad Distribution (since inception of rooftop policy till March 31, 2020, 11,461 nos. rooftop solar with 69.977 MW for residential and non-residential).
- 90 kW roof top installed at Central store and F receiving station generated 1,00,000 kWh in FY 20. One more 45 kW solar roof top system installed at Bhatar station to promote use of renewable source of energy at Surat Distribution.
- Since the launch of the rooftop solar policy, Company has facilitated installation of over 10.30 MW of solar power across numerous residential, commercial, industrial premises and HT consumers. In FY 20, Company has facilitated installation of 288 rooftop solar projects totalling over 4.48 MW at Bhiwandi and Agra Distributions.

iii) The capital investment on energy conservation equipment:

A. SUGEN AND DGEN Power Plants:

- ₹23,45,100 spent on LED Lighting conversion and ₹13,30,100 spent on VFD based Service Water Supply Skid at SUGEN.
- ₹2,36,250 spent on LED Lighting conversion at DGEN.

B. TECHNOLOGY ABSORPTION

i) The efforts made towards technology absorption:

A. SUGEN AND UNOSUGEN Power Plants:

- Unit 10, 20 and 30 at SUGEN start-up reliability improved by providing constant speed ignition logics in Static Frequency Converters (SFC) with in-house resources and remote support of OEM.
- Unit 40 Gas station at UNOSUGEN: Stack height of Dew Point Water Heaters increased from 6m to 11m to comply with statutory norms.
- Gas Turbine Air Intake : Installation of new design G4 washable coalescer filters upstream of F-9 pulse air filter resulted in enhanced life of F-9 Pulse filter by 15 to 20% compared to the earlier configuration. Unit 10 GT 75K eHGPI inspection also revealed relatively cleaner compressor blades, compared to that observed during 50K Major Outage. New design G4 washable coalescer filters were also installed in Unit 20 and Unit 30.
- During Unit 10, 75K GT eHGPI inspection, Dry Ice (Co2) cleaning of CPH module of HRSG carried out as part of performance improvement initiatives.
- Applied silicone spray coating on 400 kV insulators in Generator Transformer bay of Unit 10 which would reduce corona loss and enhance the life of insulators.
- Service Water Supply skid with VFD were installed and commissioned with in-house resources in SUGEN.
- Clarifier Mixer/ Scrapper units were provided with in-house developed shear key arrangement to prevent failure of gearbox and found working satisfactorily in SUGEN.
- DM Clarifier pumps were provided with in-house developed suction strainers in SUGEN.
- Intake Well Raw Water Supply system SCADA upgraded for Windows 10 compatibility and for better reliability in SUGEN.
- Air Washer Units – Pump selection provided for pump changeover in SUGEN.
- Monitoring provision for Natural Gas Pressure at GSPL Terminal entry point at CCR was made by installing pressure transmitter and hooking up with T3000 DCS system.
- Outdoor Units of Excitation (CJT) cubicle air conditioners shifted outside the turbine hall for better cooling and reducing heat load inside building at UNOSUGEN.
- For reliability improvement/ avoid single point failure, redundant suction pressure transmitters provided for closed cooling water pumps and necessary logic modifications carried out.

B. GENSU Solar Plant:

- DWC HDPE conduit pipe installed in place of existing PVC armoured pipes to minimize string faults.
- Acrylic touch protection covers provided in place of existing metallic cover for DC cable section of all TMEIC Inverters.
- Installation of fuses on negative (polarity) side of all SMBs for inverters 1 to 15 to prevent fire in SMBs and tripping of inverters.
- To minimize IGBT failures, ITC Inverters IGBT stack cleaning initiated in-house.

C. DGEN Power Plant:

- HP Bypass and GT Pneumatic Compressor alarm and warning configured for extensive running of the drives. This will prevent losses and major damage of the system and proactive actions can be taken by O&M persons.

- Suction pipe size increased and backup power monitor relay installed for protection of sulphuric acid unloading pump.
- Explosion proof light fittings were installed in 03UEN gas receiving station battery room to remove the explosion hazard due to presence of hydrogen.
- Nitrogen blanketing system was provided in unit 53 for HP bypass Hydraulic station and ST Hydraulic system to improve quality of ST Hydraulic oil.

D. AMGEN Power Plant:

- D/E/F Units emgency DG sets governing system replaced with electronic governing system.
- Implementation of fast bus transfer scheme in all 3 units 6.6 kV switch gear.
- Maintenanace tag provided in operating working station at unit F for safety.

E. AHMEDABAD, SURAT, DAHEJ, DHOLERA, BHIWANDI, AGRA AND SHIL-MUMBRA-KALWA Distribution Units:

- Implementation of Geographic Information System (GIS) for Ahmedabad, Surat, Dahej and Dholera distribution areas.
- Implementation of Very Early Smoke Detection System (VESDA) at Central Pirana Stores- Ahmedabad Distribution and at Central Stores at Surat Distribution.
- 11 kV Distribution Automation at Ahmedabad and Surat Distribution.
- Use of condition monitoring system including thermal imaging camera, partial discharge detectors etc. to distribution assets.
- Implementation of field force mobile application for quality supervision during field visits, HT/LT network cable patroling and Meter (O&M) activities.
- Quick identification of locations for emergency complaint on Google Earth application and SAP.
- Introduction of Thermoplastic Fuse Base instead of Porcelain Fuse Base in Distribution Network Assets to enhance reliability and safety.
- Safety ladder with fall arresters installed on 50 nos. of 220 kV transmission tention towers to enhance safety.
- Launched following infrastructure projects at Surat Distribution:
  - i. Document storage building at Puna sub-station Premises to facilitate state of the art storage facilities for all customer related documents and other imporatant documents of various departments.
  - ii. Power Supply Centers at B and E Station Premises and Customer Service Buidling at B Station Premises will have modern architecture, all latest facilities for the employees, visitors and customers, energy efficient systems and fire detection and prevention systems.
- Replacement of all conventional LTFP with disconnector switch type LTFP to enhance safety of the working personnel at Dahej Distribution.
- High Velocity Water spray (HVWS) system for all power Transformers, GIS & Control room buildings .
- Linear Heat Sensing Cable (LHSC) for cable trey / trench.
- Installation and extension of SCADA and addition of automated RMUs at 22kV and 11kV feeders at Agra and Bhiwandi Distributions.
- Relay coordination of all 22kV feeders starting from EHV sub-station to last end protection element.
- Automation of 248 nos. of various switchgear such as Autorecloser, RMU and SAB at Bhiwandi Distribution.
- Installation of theft proof joints at around 1174 locations in replacement of busbar distribution box at Bhiwandi Distribution.

- Use of Thermography camera for finding hot spot at Agra and Bhiwandi distribution.
- Installation of COVID-19 safety signages across all the offices, stores and switching stations. Started installation of safety signages at DT centres.
- Completed hydraulic pressure testing of all ABC type fire extinguishers at Bhiwandi Distribution.
- Press fit transparent meter box installed at 182 locations to prevent theft and meter tampering at Bhiwandi distribution.
- Use of CYMDIST software for network designing. All HT network modeling has been completed and LT modelling is under progress at Agra distribution.
- Smart Group Meter Box installed - 50 nos. at Agra distribution.

ii) The benefits derived:

A. GENERATION:

- Cost reduction
- Better availability, reliability and safety
- Improved efficiency

B. DISTRIBUTION:

- Better availability, reliability and safety
- Reduced power interruptions & enhanced customer satisfaction
- Reduction of energy losses and theft
- Increase of evacuation capacity utilizing same corridor
- Reduction in power restoration time
- Creating awareness on safety with respect to network assets

iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year): Not Applicable

I. the details of technology imported;

II. the year of import;

III. whether the technology been fully absorbed;

IV. if not fully absorbed, areas where absorption has not taken place, and the reasons thereof; and

iv) The expenditure incurred on Research and Development: No expenditure has been incurred on R&D.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

Description	₹ in Crore
Foreign Exchange Earned (Actual Inflow)	1.88
Foreign Exchange Used (Actual Outflow)	2163.65

For and on behalf of the Board of Directors

May 18, 2020

POWER SECTOR – STRUCTURE AND DEVELOPMENTS

Financial year 2019-20 (FY 20) remained a subdued year for India's power sector. Power demand grew at a rate of just about 1% year on year, largely reflecting slowdown in the economy. From September 2019 onwards, the electricity prices in short term market declined sharply, with overall average yearly decline in spot prices of about 20% in FY 20.

The thermal generation sector experienced sub-optimal utilization of installed capacity with aggregate Plant Load Factor (PLF) languishing at about 54%, and a large capacity stranded for want of Power Purchase Agreements (PPAs) or non-availability of fuel. Additions to renewable generation capacity supplying electricity at lower prices continued to hurt the prospects of thermal generation. This situation was further exacerbated by Discoms unwilling to commit to long term capacity based contracts.

While the government continued its emphasis on increasing the share of renewable power through policy support and incentives, the sector lagged behind government expectation in terms of target capacity installations. Solar power missed the target by about 24% while wind power missed it by about 30%. Competitively bid renewable projects saw several execution challenges in addition to difficulties in land acquisition.

After a lull in last couple of years, new transmission projects were offered under Tariff Based Competitive Bidding process. During the year, fourteen projects were bidded out involving an estimated investment of ₹14,500 Crore. Transmission segment remains a robust part of country's power sector due to strong regulatory framework which ensures rational distribution of risks and offers acceptable investment opportunities.

Several reforms have been announced over the years for improving the position of State Discoms. These reforms, after some initial success, have not been able to sustain for various reasons; the financial and operating performance at State Discoms did not show any significant improvement during the year and in fact deteriorated in some of the weak State Discoms. They continue to be plagued with excessive Aggregate Technical & Commercial (AT&C) losses, distorted tariff structures not reflective of cost of supply, poor payment records and disputes with generation companies, under investment in infrastructure and poor customer service. Many of the struggling State Discoms regularly resort to load shedding which in turn hurts not only the consumer but also other stakeholders in the value chain. The Central Government has recently announced privatisation of electricity distribution in Union Territories and penalising inefficient operations and non-availability of power. These reforms, if implemented with zeal, will go a long way in improving the distribution segment which in turn will also enure to the benefit of generation and transmission segments.

The year ended with all round massive disruptions caused by COVID-19 pandemic. While the impact in FY 20 was limited to a catastrophic immediate fall in demand in the last week of March 2020, the pandemic is expected to have deep and lasting impact on the economy, businesses and social setup generally. As of the date of this report, the situation is evolving with no clear visibility on the extent and timing of impact on power sector. This will muddy the already poor investment climate in the sector and further slow down the flow of new investments in the sector. The sector already grappling with several impediments faces the most challenging FY 21 ahead.

BUSINESS MODEL

The Company is an integrated power utility engaged in the businesses of electricity generation, transmission and distribution with operations spread across the states of Gujarat, Maharashtra, Uttar Pradesh and Karnataka.

1. Generation

The Company has total generation capacity of 3,879 MW spread across thermal and renewable generating assets.

A. 3,092 MW Thermal Generation

i. 362 MW coal-fired thermal generation

The 362 MW AMGEN Power Plant at Ahmedabad in Gujarat is an embedded generation unit for the licensed distribution area of Ahmedabad. It is regulated by Gujarat Electricity Regulatory Commission (GERC) which allows cost plus post-tax Return on Equity (ROE) of 14% as part of the regulated tariff.

ii. 2,730 MW gas-fired thermal generation

The Company has three gas based plants namely 1,147.5 MW SUGEN Mega Power Plant, 382.5 MW UNOSUGEN Power Plant and 1,200 MW DGEN Mega Power Plant. All three are regulated by Central Electricity Regulatory Commission which allows cost plus post-tax ROE of 15.5% as part of the regulated tariff. Of the above gas-fired thermal generation, 1,200 MW capacity of DGEN is stranded for want of demand.

B. Renewable Generation

i. 787 MW operational projects

The operational renewable generation capacity of 787 MW (138 MW Solar and 649 MW Wind) is tied up under long-term PPAs. 491 MWs or 62% of operational capacities have attractive preferential feed-in-tariffs based PPAs with Company operated distribution utilities. During the year, wind power capacities of 176 MW were commissioned at locations in Maharashtra and Gujarat.

ii. 615 MW projects under development, likely to be abandoned

The Company faced several unforeseen events and circumstances in land acquisition during execution of these projects. The force majeure like circumstances, which were beyond the control of the Company, subsisted for a long time. Despite best efforts, the Company could not mitigate such events and circumstances, and hence decided not to proceed with the projects. A provision for loss of ₹213 Crore has been made in the profit and loss statement of FY 20, representing the damages expected to be incurred under various project related contracts and other losses from pre-operative costs incurred.

2. Distribution

The Company is the licensed operator for electricity distribution in the cities of Ahmedabad, Gandhinagar, Surat and Dahej SEZ, aggregating to 425 sq kms of area. It is also developing a state-of-the-art distribution network as a licensee in Dholera Special Investment Region (DSIR) spanning 920 sq kms area. DSIR is part of the prestigious Delhi Mumbai Industrial Corridor project and is being developed in phases as a manufacturing hub on the concept of plug-and-play. DSIR will have infrastructure facilities comparable to any smart industrial city in the world. DSIR represents a long term growth opportunity for the Company. The licensed distribution businesses of the Company are regulated by GERC, which allows costs plus 14% post-tax ROE as part of a regulated tariff structure.

The Company operates as a franchisee (of the license holder) for electricity distribution in the cities of Bhiwandi, Agra and Shil-Mumbra-Kalwa (SMK), aggregating to 1,007 sq kms of area. Operations of SMK were taken over wef March 1, 2020 for a period of 20 years. The franchise agreement period for Bhiwandi is upto 2027, for Agra is upto 2030 and for SMK is upto 2040. These may be renewed on expiry. The franchised distribution businesses of the Company are governed by the respective Distribution Franchise Agreements executed between the Company and State Discoms as license holders. The main thrust of the Company is to reduce AT&C losses in the franchised areas, improve electricity supply and customer services.

In addition to above, the Company has non-material transmission and electrical cables manufacturing businesses. The electrical cables manufacturing business will be transferred to a wholly owned subsidiary by way of slump sale on approval of Scheme of Arrangement submitted to National Company Law Tribunal. The effective date of transfer will be April 1, 2020.

OPERATIONAL AND FINANCIAL PERFORMANCE

1. Operating Performance

The following tables set forth the key operational parameters:

A. Thermal Generation

Particulars	AMGEN#		SUGEN^		UNOSUGEN^*		DGEN^	
	FY 20	FY 19	FY 20	FY 19	FY 20	FY 19	FY 20	FY 19
PAF (%)	92.77	93.13	96.75	98.46	98.04	97.49	100	100
PLF (%)	72.90	87.84	59.89	62.29	60.13	-	6.52	-
Generation (MUs)	2,112	2,550	5,870	6,105	1,964	-	668	-

Coal based
^ Gas based
* Long term power procurement arrangement for 278 MW of UNOSUGEN was operationalised wef July 1, 2019.

PLF at AMGEN and SUGEN was lower mainly due to lower off take by long term beneficiaries in view of subdued demand. PAF at SUGEN was lower mainly due to overhauling of one unit in FY 20. UNOSUGEN achieved PLF of 60.13% during the year mainly on account of operationalisation of 278 MW long term power procurement arrangement wef July 1, 2019 and utilisation of uncontracted capacity in merchant power market. During the year, DGEN also operated on back of short term power supply contracts. In spite of continuing unavailability of domestic gas at affordable prices and relatively higher cost of imported LNG, Company's gas-based power capacities operated at decent PLFs compared to other gas-based plants in the country mainly on account of highly efficient plant operations, capability to directly import LNG at affordable prices and selling of power through long-term and short-term contracts.

B. Renewables

Operational Projects	Solar		Wind*	
	FY 20	FY 19	FY 20	FY 19
Capacity (MW)	138	138	648.5	472.5
PLF (%)	17.14	17.57	29.04	30.08
Net Generation (MUs)	208	212	1,350	1,140

* Additional 176 MW capacity was operational for part of the year; average operational capacities in both periods were 529.4 MW and 432.8 MW respectively.

Solar PLF was lower than previous year on account of normal module degradation and lower irradiation. Wind PLF was lower on account of stabilisation of generation of new capacities commissioned during the year.

C. Licensed Distribution

Particulars	Ahmedabad & Gandhinagar		Surat		Dahej	
	FY 20	FY 19	FY 20	FY 19	FY 20	FY 19
Area (sq. km.)	~356	~356	~52	~52	~17	~17
Sales (MUs)	7,822	7,835	3,286	3,276	481	426
Growth (%) over PY	(0.17)		0.30		12.91	
T&D Loss (%) – Actual	4.98	5.61	3.43	3.43	0.31	0.35
T&D Loss (%) – Normative	6.7	6.85	3.64	3.69	2.00	2.00
Open Access (MUs)	99	27	-	-	-	-
Consumer Base (lakhs, except Dahej)	19.79	19.41	6.20	6.11	111 *	106 *
Peak Demand (MW)	2,018	1,906	695	687	72	66

* Represents number of industrial consumers; Dahej licensed area comprises the Dahej SEZ area, which is made up of export oriented manufacturing units.

The sales in Ahmedabad reduced marginally, primarily affected by an economic slowdown, pandemic induced lockdown in the last week of March 2020 and increase in open access. The sales in Surat were marginally higher due to some pick up in industrial demand in H2. The sales in Dahej were higher mainly due to increase in base load and consumption of existing customers. The lockdown of population to control the spread of COVID-19 implemented wef March 25, 2020 caused a drastic immediate reduction in demand. The drop in electricity demand during the period March 25, 2020 to March 31, 2020 was about 52% in Ahmedabad, 65% in Surat and 76% in Dahej SEZ. It is expected that the demand will gradually pick up from the lows of March 2020 lockdown period. Based on an assessment of the widespread and deep economic & social fallouts from the pandemic, the Company expects that the overall electricity demand in its licensed areas in FY 21 is likely to be lower than FY 20.

The Company was able to further reduce Transmission and Distribution (T&D) losses as compared to previous year and they continue to remain lower than the normative levels.

GERC passed Tariff Order dated March 31, 2020 for Ahmedabad and Surat license area, truing-up the Aggregate Revenue Requirement (ARR) of FY 19 and fixing tariff for FY 21. For the fourth year in succession, the Commission has kept the tariff at the same level. The Company's profits are not negatively impacted by the tariff order, as its returns in licensed distribution business are determined by 14% post-tax ROE prescribed in the tariff regulations.

During the year, a favourable judgement was received from the Appellate Tribunal for Electricity in respect of entitlement of carrying cost on regulatory gap, pertaining to earlier years, pursuant to which Company accrued income of ₹165 Crore (net of tax) in the financial statements.

The aggregate amount of regulatory gap of past periods approved and expected to be approved by GERC as on March 31, 2020 is ₹1,030 Crore and the same is appropriately accrued in the financial statements. In addition, aggregate amount of regulatory gap of ₹632 Crore is under dispute at various forums (primarily comprising of claims on account of carrying costs) and not accrued in the financial statements; the same will be accrued in the financial statements of the period in which such disputes are determined by the appropriate statutory authorities in favour of the Company.

The operations at Dholera licensed area primarily comprised graded planning and development of an efficient distribution network involving setting up of basic infrastructure and provision of temporary construction power to new industries to be set up. Based on current development plans of the DSIR Authority, an investment of about ₹1,200 Crore is envisaged over next 10 years to cater to demand of about 425 MVA.

D. Franchised Distribution

Particulars	Bhiwandi		Agra		Shil-Mumbra-Kalwa *	
	FY 20	FY 19	FY 20	FY 19	FY 20	FY 19
Area (sq. km.)	~721	~721	~221	~221	~65	-
Sales (MUs)	3,243	3,074	1,801	1,731	27	-
Growth (%) over PY	5.50%		4.04%		-	
T&D Loss (%)	11.93%	15.13%	12.51%	14.18%	55.02%	-
Consumer Base (lakhs)	3.34	3.14	4.70	4.52	2.48	-
Peak Demand (MVA)	580	555	473	458	-	-

* Operations taken over from March 1, 2020.

Bhiwandi sales increased on account of affected base of previous year due to strike in power loom industry, increase in residential and commercial consumer sales due to normal load growth and theft deterrent activities. Agra sales growth was mainly driven by increase in consumer base and load growth due to various theft and leakage control activities. The lockdown of population to control the spread of COVID-19 implemented wef March 25, 2020 caused a drastic immediate reduction in demand. The drop in electricity demand during the period

March 25, 2020 to March 31, 2020 was 65% in Bhiwandi and 29% in Agra. It is expected that the demand will gradually pick up from the lows of March 2020 lockdown period. Based on an assessment of the widespread and deep economic & social fallouts from the pandemic, the Company expects that the overall electricity demand in its franchised areas in FY 21 is likely to be lower than FY 20.

The Company was able to reduce T&D losses in Bhiwandi and Agra due to a combination of several loss reduction efforts like focused surveillance and vigilance; theft deterrent systems, equipment and activities; undergrounding of network; distribution transformer cleaning; law enforcement against detected illegal connections; etc.

The lockdown in the last week of March 2020 affected the collection efficiency in Bhiwandi and Agra. During the period April 2019 to February 2020, Bhiwandi achieved a collection efficiency of nearly 100% and Agra achieved a collection efficiency of 97%. However, it dropped substantially in March 2020 due to fallouts from lockdown and general extension in due dates for payment of electricity bills by State Governments – Bhiwandi was about 59% (FY 20 - 96%) and Agra was about 55% (FY 20 - 95%). The Company has anticipated higher bad debt losses than normal and provided an additional amount of ₹48 Crore to cover such losses.

2. Consolidated Financial Performance

The key financial data from the Statement of Profit and Loss is set out below:

(₹ in Crore)

Particulars	FY 20	FY 19	Change in %
Revenue from Operations	13,641	13,151	-
Fuel/Power Purchase/Material Cost	8,266	8,605	-
Contribution	**5,375**	**4,546**	**18%**
Other Income	178	190	(6%)
Other Expenses	1,819	1,346	35%
PBDIT	**3,734**	**3,390**	**10%**
Finance Cost	955	899	6%
Depreciation and Amortization Exp.	1,304	1,227	6%
Other Comprehensive Income / (Expense)	(45)	(10)	350%
Profit Before Tax and Exceptional Items	**1,430**	**1,254**	**14%**
Exceptional Items	1,000	-	-
Profit Before Tax	**430**	**1,254**	**(66%)**
Tax Expense	(720)	356	-
Total Comprehensive Income	**1,150**	**898**	**28%**

Overall contribution from all businesses increased from ₹4,546 Crore to ₹5,375 Crore i.e. increase of ₹829 Crore (18%). The increase was driven by favourable performance of certain operating drivers viz. higher volumes, improved contribution rate, reduction in T&D losses and increased ROEs on new capital expenditure. Due to adverse changes in tariff regulations, SUGEN Power Plant experienced a reduction in contribution but the same was offset by operationalisation of 278 MW PPA for UNOSUGEN Power Plant and higher merchant sales of electricity. Favourable settlement of prior period regulatory matters / disputes resulted in entitlement for recovery of revenue gap of ₹218 Crore of earlier years.

The consolidated profit and loss statement took one-time charges on account of provision of losses due to failure to set up certain wind generation capacities ₹213 Crore, increased provisioning for bad debts due to COVID-19 impact ₹48 Crore and an impairment loss on carrying amount of DGEN Power Plant ₹1,000 Crore. It may be noted that DGEN impairment is a non-cash charge and will not impact the cashflows from that business. The impairment charge will reduce depreciation charge in balance years of useful life.

The Company benefitted from reduction in book profit tax rate from 21.55% to 17.47% during the year. This and some other factors caused a one-time tax gain. All these matters are elaborately explained in notes to the financial statements.

The impact of Covid-19 on the financial statements of the Company is explained in Note No. 57 to Consolidated Financial Statements.

Liquidity, Capex and Debt Positions

The Company's liquidity, including mutual fund investments and deposits with banks / financial institution, was ₹1,253 Crore at the start of the year. Liquidity as at the end of the year was ₹1,159 Crore, a decrease of ₹94 Crore. For the year:

- net cash generated from (a) operating activities was ₹2,863 Crore & (b) redemption of non-current investment was ₹190 Crore; and
- net cash utilised for (a) capital expenditure was ₹1,167 Crore; (b) dividend distribution was ₹968 Crore; (c) repayments net of new borrowing was ₹854 Crore; and (d) loans to associate was ₹158 Crore; leaving a closing liquidity balance of ₹1,159 Crore.

During the year, the Company incurred capital expenditure (i.e. capitalisation, capital work-in-progress and capital advances) of ₹1,354 Crore as under:

Particulars	Amount (₹ in Crore)
Licensed Distribution	812
Franchised Distribution	227
Thermal Generation	26
Renewable Generation	274
Others	15
Total	**1,354**

The long term debt of the Company at the year-end was ₹8,898 Crore, net decrease of ₹557 Crore over the previous year (new debt raised ₹1,078 Crore less repayment of debt ₹1,635 Crore). The weighted average rate of interest at the year-end was 8.52% with repayment profile as under:

Financial Year	Repayment Amount (₹ in Crore)
2020-21	1,075
2021-22 to 2024-25	3,238
2025-26 to 2028-29	2,656
2029-30 to 2032-33	1,885
2033-34 & 2034-35	44
Total	**8,898**

The Company's long term rating was upgraded and short-term rating was reaffirmed during the course of the year and was as follows at end of the year:

Long term rating : CRISIL AA / Stable (Upgraded from 'CRISIL AA-/Stable')

Short term rating : CRISIL A1+ / IND A1+*

*During the year, India Ratings assigned 'IND A1+' to TPL Commercial Papers of ₹850 Crore.

The following table sets forth key financial ratios based on consolidated financials:

Particulars	FY 20	FY 19
Debtors Turnover Ratio	10.68 (~34 days)	10.28 (~35 days)
Interest Coverage Ratio	4.01	3.89
Current Ratio	1.02	1.10
Long Term Debt to Equity Ratio	0.92	0.90
Net Debt to EBITDA	2.18	2.61
EBITDA Margin	25.99%	24.74%
Net Profit Margin	8.22%	7.41%
Return on Net Worth	11.05%	9.54%

Note:

1. The profitability ratios are calculated without considering the exceptional item pertaining to DGEN plant impairment in FY 20.
2. There is no significant change (i.e. variation of 25% or more) as compared to the previous year in any of the above ratios.

RISKS AND CONCERNS

Key risks and concerns in the businesses of the Company are briefly explained below:

❖ The Company has operational gas-based power generation capacity of 2,730 MW, out of which 1,188 MW is tied up under long term PPAs and balance 1,542 MW untied capacity is dependent on short term power contracts for their operation. During the year, some portion of such capacity remained unutilised for want of short term power contracts or unviability of prices in the short term power market.

  The Company has built capabilities to import LNG from international markets at efficient prices to operate its power plants. However, such prices are subject to fluctuations and associated foreign exchange risks, consequent to which there would be periods during which power from these plants would be uncompetitive. During the year, spot LNG prices reduced sharply due to oversupply and subdued demand; given the new LNG capacities coming on stream, it is expected that the LNG prices are likely to remain in an affordable zone for the Company.

  The Company is making efforts to get long term power purchase arrangements for its unutilised gas power capacity. However, large stranded coal based capacities, Government's thrust to increase renewable generation capacity in the country coupled with falling tariffs of renewable power poses a risk to the Company's uncontracted generation capacity.

❖ The Company's 362 MW AMGEN coal-based power plant is required to comply with stricter emission norms by December 2022. Such compliance is expected to involve significant capital expenditure, which will significantly increase the cost of electricity from this plant in view of limited remaining useful life of the plant. In absence of compliance, the Company may be required to phase out AMGEN on or before December 2022.

❖ The Company faced several unforeseen events and circumstances while executing 615 MW of wind generation capacities won in a bidding process conducted by the buyer of electricity. The Company has not been able to mitigate such events and circumstances, despite best efforts in relation to the same. The Company has initiated legal proceedings in respect of 500 MW of wind capacities and is in discussion with the buyer for the balance capacities, in order to minimise the impact of failure to execute the projects within committed time. Alongside, as a prudent financial measure, the Company has provided for expected financial losses on this count in the financial statements of FY 20.

❖ The Company's licensed distribution business faces the risk of delay in recovery of some part of cost of supply due to regulatory stipulations. The unrecovered & undisputed regulatory claim as at year end was ₹1,030 Crore, recognised in the financial statements for the year. While such recoveries are permitted with carrying costs for delayed recovery, the same may delay the cash flows of the Company.

In addition, regulatory disputes also cause delay in recovery of some part of the cost of supply. Such disputed regulatory claim as at the year end was ₹632 Crore, not recognised in the financial statements for the year.

❖ Increasing digitization and digital inter-connections in the power system of the country have made the stakeholders (generators, transmission entities, distribution entities and load dispatch centres) exposed to increased risks of cyberattacks and vulnerable to widespread and prolonged service disruptions and data leakage, fraud, etc. The Company has set in place multi–layered firewalls to restrict unauthorised access along with security controls. Periodic audit and risk assessment is carried out and vulnerabilities, if any, are addressed.

❖ The spread of Covid-19 and the resultant lockdowns imposed by the authorities will have impact on some of the businesses of the Company, more particularly the franchised distribution business. Foreseeable business impacts are: (a) reduction in demand for electricity; (b) reduced collection efficiency causing non-collection of outstanding dues; (c) incurrence of costs on labour and employees not fully utilised; and (d) regulatory response to the pandemic causing reduction in profits. There could be several other unforeseeable impacts, as the pandemic situation evolves. The management assessment on continuity of operations are explained in Note No. 57 to Consolidated Financial Statements.

BUSINESS OUTLOOK

1. Thermal Generation

SUGEN and UNOSUGEN plants are expected to operate at reasonable PLF levels on back of long term PPAs for 78% capacity and availability of reasonably priced LNG. They will continue to harvest opportunities in short term power market by operating uncontracted capacity; however due to reduction in demand and prices of electricity, the volumes and contribution will be lower than historical levels.

In the short term, DGEN plant is expected to operate intermittently for supplies in merchant power market, albeit at lower volume and contribution. In the medium to long term, several favourable developments are likely to improve the prospects for DGEN plant such as: (i) availability of gas at favourable price; (ii) expected growth in power demand, including peak demand due to several governmental initiatives; (iii) emphasis of Government on developing a gas market in India with all supportive infrastructure; (iv) need for balancing power to manage the intermittency of renewable power; (v) ability to service peak load and provide ancillary services in the power system; and (vi) expected increase in pollution tax / costs on coal based plants, thus creating a level playing field.

2. Renewables

The Company has taken a pause in bidding for new wind / solar power projects, due to low levels of bidded tariffs and existence of foreseen and unforeseen structural risks in project execution. However, Company may consider to invest in solar and wind projects to service Renewable Purchase Obligations of its distribution entities.

3. Distribution

In Licensed Distribution business, the Company will focus on developing the new licensed area of Dholera SIR and expanding and upgrading its network in existing areas of Ahmedabad, Gandhinagar, Surat and Dahej SEZ to cater to the growth in demand and further reduce T&D losses.

In Franchised Distribution business, the Company will focus on developing the new franchised area of SMK and expanding and upgrading its network in existing areas of Bhiwandi and Agra to cater to the growth in demand and further reduce AT&C losses.

The Company will continue to look out for new opportunities in distribution sector in the form of privatisation or franchise of existing areas. The recent announcements by the Central Government of India to promote privatisation of distribution will create greater opportunities for the Company. The stringent operational norms proposed for discoms will also lead to greater franchise opportunities for the Company in the near to medium term.

4. Transmission

Currently, the Company has limited investments in the Transmission segment; however, given the huge investment opportunity available in this segment, robust regulatory mechanisms, limited counter-party risks and the Company's strengths in financing and executing large projects, this is an area earmarked for future growth. The Company intends to selectively participate in tariff based competitive bidding for transmission projects (inter-state and intra-state) at attractive returns.

INTERNAL CONTROL SYSTEMS

The Company's Internal Control Systems are commensurate with the size and nature of its operations, aimed at achieving efficiency in operations, optimum utilisation of resources, reliable financial reporting and compliances with all applicable laws and regulations. Deloitte Haskins and Sells LLP is the Internal Auditor of the Company. It carries out extensive internal audit throughout the year across all functional areas and submits reports to Management and Audit Committee. The recommendations from such internal audit and follow up actions for improvements of the business processes and controls are also periodically reviewed and monitored by the Audit Committee.

CAUTIONARY STATEMENT

Certain statements in the Management Discussion and Analysis may be forward-looking. Actual outcomes may vary from those expressed or implied. The Company assumes no responsibility to publicly amend, modify, update or revise any such statements on the basis of subsequent developments, information or events.

BUSINESS RESPONSIBILITY REPORT

SECTION A: GENERAL INFORMATION ABOUT THE COMPANY

Sr. No.	Particulars	Details
1.	Corporate Identity Number (CIN) of the Company	L31200GJ2004PLC044068
2.	Name of the Company	Torrent Power Limited
3.	Registered Address	"Samanvay", 600, Tapovan, Ambawadi, Ahmedabad – 380015.
4.	Website	www.torrentpower.com
5.	E-mail id	cs@torrentpower.com
6.	Financial Year reported	FY 20
7.	Sector(s) that the Company is engaged in (industrial activity code-wise)	NIC Code: 351 - Electric power generation, transmission and distribution. NIC code: 2732 - Manufacturing of wires and cables for electricity transmission.
8.	List three key products/services that the Company manufactures/provides (as in balance sheet)	Generation, transmission & distribution of electricity and manufacturing & sale of electric cables.
9.	Total number of locations where business activity is undertaken by the Company	17
10.	Number of international locations	NA
11.	Number of national locations	17
12.	Markets served by the Company – Local /State / National /International	National

SECTION B: FINANCIAL DETAILS OF THE COMPANY

Sr. No.	Particulars	Details
1.	Paid up Capital	₹480.62 Crore
2.	Total Turnover	₹13,442.04 Crore
3.	Total profit after taxes (TCI)	₹1,209.14 Crore
4.	Total Spending on Corporate Social Responsibility (CSR) as percentage of profit after tax (%)	1.68% of Total Comprehensive Income (TCI) of FY 20.
5.	List of activities in which expenditure in 4 above has been incurred:-	The list of activities in which CSR expenditure in 4 above has been incurred is part of the Board's Report included in this Annual Report.

SECTION C: OTHER DETAILS

Sr. No.	Particulars	Details
1.	Does the Company have any Subsidiary Company/ Companies?	Yes, the Company has the following Subsidiary Companies: (a) Torrent Solargen Limited (b) Torrent Power Grid Limited (c) Torrent Pipavav Generation Limited (d) Latur Renewable Private Limited (e) Jodhpur Wind Farms Private Limited (f) TCL Cables Private Limited
2.	Do the Subsidiary Company/Companies participate in the BR Initiatives of the Parent Company? If yes, then indicate the number of such Subsidiary Company(s)	The BR Initiatives of the Company are driven at Group level. Hence, all Subsidiary Companies participate in BR Initiatives of the Company.
3.	Do any other entity/entities (e.g. suppliers, distributors etc.) that the Company does business with, participate in the BR initiatives of the Company? If yes, then indicate the percentage of such entity/entities? [Less than 30%, 30-60%, More than 60%]	Yes, the Company's contractors and suppliers are required to participate in some of the BR initiatives of the Company.

SECTION D: BR INFORMATION

1. Details of Director/Directors responsible for BR

(a) Details of the Director responsible for implementation of the BR policy/policies

Sr. No.	Particulars	Details
1.	DIN	02685284
2.	Name	Jinal Mehta
3.	Designation	Managing Director

(b) Details of the BR head

Sr. No.	Particulars	Details
1.	DIN (if applicable)	Same as above
2.	Name	Same as above
3.	Designation	Same as above
4.	Telephone number	079- 26628300
5.	E-mail Id	cs@torrentpower.com

2. **Principle-wise (as per NVGs) BR Policy/policies**

(a) **Details of compliance (Reply in Y/N)**

Sr. No.	Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
1	Do you have a policy/ policies for…	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
2	Has the policy been formulated in consultation with the relevant stakeholders?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
3	Does the policy conform to any national / international standards? If yes, specify? (50 words)	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
4	Has the policy been approved by the Board? If yes, has it been signed by MD/ owner/ CEO/ appropriate Board Director?	Yes, all the policies have been approved by the Board, except the HR policies and IMS policies, which have been approved by Chairperson or MD.								
5	Does the Company have a specified committee of the Board/ Director/ Official to oversee the implementation of the policy?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
6	Indicate the link for the policy to be viewed online.	All policies can be accessed at www.torrentpower.com								
7	Has the policy been formally communicated to all relevant internal and external stakeholders?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
8	Does the Company have in-house structure to implement the policy/ policies?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
9	Does the Company have a grievance redressal mechanism related to the policy/ policies to address stakeholders' grievances related to the policy/ policies?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
10	Has the Company carried out independent audit/ evaluation of the working of this policy by an internal or external agency?	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes

(b) **If answer to the question at serial number 1 against any principle is 'No', please explain why:**

Not applicable

3. **Governance related to BR**

(a)	Indicate the frequency with which the Board of Directors, Committee of the Board or CEO assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.	The Board of Directors/ its Committees / Chairman or any authorised officials of the Company, as the case may be, assess the BR Performance on annual or half yearly basis depending upon the type of BR activities.
(b)	Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?	Yes, the Company publishes Business Responsibility Report and the same can be accessed at www.torrentpower.com The same is published annually.

SECTION E: PRINCIPLE WISE PERFORMANCE

PRINCIPLE 1: BUSINESSES SHOULD CONDUCT AND GOVERN THEMSELVES WITH ETHICS, TRANSPARENCY AND ACCOUNTABILITY

1.1 **Does the policy relating to ethics, bribery and corruption cover only the Company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?**

No. Besides covering the Company, it also extends to various stakeholders including Group companies, Suppliers, Contractors, etc.

1.2 How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

Shareholder Complaints:

The Company received 4 shareholder complaints during FY 20. 100% of such complaints were satisfactorily resolved.

Other Stakeholder Complaints:

The Company received 6 complaints from other stakeholders (i.e. customers and contractors) during FY 20 via the Whistle Blowing Mechanism. 100% of such complaints were satisfactorily resolved.

PRINCIPLE 2: BUSINESSES SHOULD PROVIDE GOODS AND SERVICES THAT ARE SAFE AND CONTRIBUTE TO SUSTAINABILITY THROUGHOUT THEIR LIFE CYCLE

2.1 List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

The Company's business activities comprise of Generation, Transmission & Distribution of Electricity and Cables manufacturing. It has incorporated measures covering social as well as environmental concerns, risks and/or opportunities in each of these as under:

- Most of the units of the Company are Integrated Management System (IMS) certified covering ISO 9001 (Quality Management System), ISO 14001 (Environment Management System) and BS OHSAS 18001 (Occupational Health and Safety Assessment Series). Some of the units have also additionally obtained ISO 50001 (Energy Management System), ISO 55001 (Asset Management System) and ISO 27001:2013 (Information Security Management System).
- State-of-the-art technologies in its gas based plants, viz., installation of advanced class Gas Turbines with lower carbon footprint, dry low NOx burners (with emissions surpassing Indian standards and meeting European norms), Combined Cycle Power Plants (CCPP) in single shaft configuration thereby reducing the land and carbon footprint etc. have been resorted to, duly taking into consideration societal and environmental sustainability. Such CCPPs are also registered under Clean Development Mechanism (CDM).
- The effluent water generated from the generating plants is utilised in horticulture thus avoiding/ minimizing discharge of the same outside plant premises.
- Generation plants have also implemented Five-S (Workplace Management System) and have been certified by Quality Circle Forum of India (QCFI) and Union of Japanese Scientists and Engineers (JUSE).
- The Company has established systems and procedures through Standard Operating Procedures (SOPs) for safe and effective operation and maintenance of its plants as well as its transmission and distribution network duly mitigating risks and health hazards. Suppliers are also made participants in our systems and procedures. To enhance safety consciousness amongst all stakeholders and inculcate the safety culture, Behaviour Based Safety (BBS) has been implemented at Generation plants and Distribution units.
- The Company regularly undertakes network revamping and uprating including undergrounding of network, revamping of consumer end installations, Mini Section Pillars (MSPs), etc. with a primary objective of improving the reliability of the network and safety of employees and general public. The Company uses high efficiency energy meters and star rated distribution transformers. Accordingly, the Company's Transmission and Distribution (T&D) losses have been reduced to one of the lowest in the country in the Company's licensed areas thus saving on energy. The Company has undertaken implementation of smart grid technology including automatic meter reading and distribution automation to remotely monitor the assets and reading of meters, set up multiple customer convenience centers reducing travel and thereby reducing use of fossil fuel.
- The Company's Distribution units have installed more than 7,000 state-of-the-art technology SF6 gas insulated switchgears for protection and operation of 11KV distribution network. Such units undertake activity of earthing reactivation of DSS equipment and MSPs for safety of public and other stake holders. Distribution units also

undertake installation of dry type transformers and ester filled distribution transformers located in crowded and densely populated areas including pole mounted transformers for enhancement of public safety and environment protection. The Company has installed Very Early Smoke Detection and Alarm (VESDA) system for its major stores for asset securitization.

- Various other initiatives include introduction of spill management system to reduce spillage of mineral oil to minimize soil contamination, use of Horizontal Directional Drilling technology instead of soil excavation for cable laying, use of mobiles and handheld gadgets as substitute to paper for field data collection, use of nets around outdoor EHV substation to prevent intrusion of birds and animals, continuous improvement in safety standards, regular safety and environment audits, mock drills, Demand Side Management (DSM) and energy conservation awareness programmes amongst employees and customers in Distribution units.
- Products at cables unit include 132 KV cables with aluminium corrugation (in place of lead sheath); 66 KV cables with HDPE outer sheath in place of PVC outer sheath and wooden drum using reusable PE sheet in place of wooden planks.
- Safety of employees and general public is given high importance in the organization. Safety Committees are formed and headed by senior officers with participation from supervisors and experienced workers who effectively contribute to improving the safety performance of the organization.
- Occupational health of the employees is given equal priority. Various measures including installation of adequate number and appropriate type of fire extinguishers, besides Automated External Defibrillators, Self-contained Breathing Apparatus, Stretchers, First aid boxes and Ambubags (for artificial respiration) are made available. Organization has also trained suitable number of employees for first aid treatment and emergency response. Quarterly monitoring of environmental parameters including quality of air (workplace and ambient), noise (ambient and workplace), drinking water, food and DG stack emission etc. is carried out. New offices and substations are designed to ensure maximum use of natural lights and to the extent possible are equipped with waterless urinals, motion sensor based lighting systems and star rated air conditioners.
- Further, the Company is engaged with its neighbourhood by providing employment opportunities, skill development and health care facilities.

2.2 For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

(a) Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?

(b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

The following are some of the initiatives taken in respect of conservation of natural resources:

- Various procedures have been put in place to improve heat rate, reduce auxiliary power consumption and water consumption in its generating stations.
- Large scale replacement of conventional luminaires with LED devices, installation of rooftop solar panels and solar water heaters, recycling waste water, segregation of lighting circuits for reducing power consumption, rainwater harvesting, use of recycled paper and packaging material, etc. Even a self-sustaining township with biogas generation and solar power is fully functional at one of the generating units.
- As a part of DSM Schemes, Energy Audits as well as Peak Load shifting programs have been carried out for benefit of the consumers. In addition, the Company took all necessary steps to operationalize the Net Metering arrangement for Rooftop Solar PV system at the premises of the consumers.
- Better Balance of Plant management at renewable projects leads to reduction in transmission losses.

- Further, the Company has carried out energy audit of all offices & substations in all distribution license areas to identify the opportunities of energy conservation. As a part of its outcome, various energy conservation initiatives including replacement of air-conditioners by star-rated air conditioners, conventional lights by LED, etc. have been undertaken.

2.3 Does the Company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

The Company has procedures in place for sustainable sourcing (including transportation). Further, sustainability is extended to suppliers / vendors. All requirements on various aspects such as Health & Safety and Environment protection, Ethics and Compliance, Prevention of Bribery & Corruption are in place. Counselling and monitoring of suppliers / vendors is being done regularly.

The Company has also incorporated procedures e.g. TREM card, stringent pre-qualification criteria etc. in its IMS to ensure that transportation of chemicals and other materials are compliant with rules and regulations and Company's own procedures. Fuel gas lines are maintained as per Petroleum and Natural Gas Regulatory Board (PNGRB) guidelines and safety audits are carried out at regular intervals. Usage of water is optimized by optimizing the Cycle of Concentration in cooling water and recycling of waste water.

2.4 Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

The Company has taken several steps to procure goods and services from local and small vendors (specially focusing on weaker sections/women of the society, wherever possible) in order to promote entrepreneurship among them. Continuous engagement takes place with such suppliers to improve their capacity & capability. Some of these initiatives include:

- While sourcing its consumables and spares, priority is given to local vendors.
- Employment of differently abled people for jobs that are deemed safe for them.
- Engagement of destitute women for managing the canteen services at one of the units.
- Local people have been trained and employed as security guards at some of the plants.
- Local youths are also employed in healthcare facilities provided by the Company.
- All packing materials (steel & wooden drums & planks) and some of the raw materials such as PVC Fillers & GI Armour Strips for one of its unit are procured locally from small vendors.
- Direct and indirect employment opportunities are provided to local populace to the extent feasible. For fabrication, plumbing, carpentry, horticulture, housekeeping, gardening, transportation, etc., as far as possible, local skilled personnel are employed.
- Project affected personnel in gas based generation units during construction phase have been absorbed in employment and external technical training has been imparted to them at eminent institutes prior to or during employment.

2.5 Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

Being a responsible corporate citizen, the Company believes in "Reduce-Reuse-Recycle" principle. Some of the initiatives taken as part of this principle include:

- 100% utilization of fly ash generated as waste from the coal based plant.
- Re-use of treated effluent water.

- Use of waste water for gardening, sprinkling, etc.
- Zero liquid discharge since August 2017 at SUGEN plant and since April 2016 at DGEN plant.
- Use of vegetation and food waste in making compost which in turn is used as manure.
- Sludge recovered from raw water is compacted through Chamber Filter Press and is used for landfill.
- Waste generated is used for biogas generation which in turn is used for power generation and cooking in one of our self-sustaining township.
- PVC Scrap is fully recycled & reused in inner sheath, outer sheath & PVC fillers at Cables unit.
- Hazardous wastes e.g., used oils, batteries, e-wastes, bio-medical wastes, etc. are disposed off only to GPCB approved authorized Treatment, Storage and Disposal Facilities (TSDF) & recyclers.
- The distribution units undertake oil filtration activity of its power and distribution transformers for reutilization of oil and conservation of natural resources.
- Recycling of non-hazardous plastic waste through authorized recyclers.
- Use of steel cable drums and reusing them as substitute to wooden cable drums
- Use of recycled papers for energy bills and other stationeries.
- Procurement of environment friendly packaging material.

PRINCIPLE 3: BUSINESSES SHOULD PROMOTE THE WELLBEING OF ALL EMPLOYEES

3.1 Please indicate the Total number of employees.

Total number of permanent employees is 7,874 as on 31st March, 2020.

3.2 Please indicate the Total number of employees hired on temporary/contractual/casual basis.

Total number of employees hired on temporary/contractual/casual basis is 7,990 as on 31st March, 2020.

3.3 Please indicate the Number of permanent women employees.

Total number of permanent women employees is 680 as on 31st March, 2020.

3.4 Please indicate the Number of permanent employees with disabilities.

Total number of permanent employees with disabilities is 28 as on 31st March, 2020.

3.5 Do you have an employee association that is recognized by management?

Yes.

3.6 What percentage of your permanent employees are members of this recognized employee association?

~32% of the total permanent employees of the Company are members of such recognized employee association.

3.7 Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment and discriminatory employment in the last financial year and pending, as on the end of the financial year.

The Company does not engage any child labour, forced labour or involuntary labour.

There were no complaints relating to child labour, forced labour, involuntary labour, sexual harassment and discriminatory employment in FY 20.

3.8 What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

(a) Permanent Employees

(b) Permanent Women Employees

(c) Casual/Temporary/Contractual Employees

(d) Employees with Disabilities

Percentage of employees who were given safety & skill up-gradation training in the last year is as under:

(a) Permanent Employees – 77.47%

(b) Permanent Women Employees – 73.97%

(c) Casual/Temporary/Contractual Employees – 73.14%

(d) Employees with Disabilities – 50.00%

PRINCIPLE 4: BUSINESSES SHOULD RESPECT THE INTERESTS OF AND BE RESPONSIVE TOWARDS ALL STAKEHOLDERS, ESPECIALLY THOSE WHO ARE DISADVANTAGED, VULNERABLE AND MARGINALIZED

4.1 Has the Company mapped its internal and external stakeholders? Yes/No

Yes, the Company has mapped its various key internal and external stakeholders.

4.2 Out of the above, has the Company identified the disadvantaged, vulnerable & marginalized stakeholders?

Yes, the Company has identified the disadvantaged, vulnerable and marginalized stakeholders.

4.3 Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders? If so, provide details thereof, in about 50 words or so.

Various initiatives have been taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders at locations in and around its operations in the areas of: (i) Community Health Care, Sanitation and Hygiene (ii) Education and Knowledge Enhancement and (iii) Social Care and Concern.

The details of various CSR initiatives of the Company are part of the Board's Report included in this Annual Report.

PRINCIPLE 5: BUSINESSES SHOULD RESPECT AND PROMOTE HUMAN RIGHTS

5.1 Does the policy of the Company on human rights cover only the Company or extend to the Group/Joint Ventures / Suppliers / Contractors / NGOs/ Others?

Various Company Policies as indicated below promote Human Rights:

- Policy on Protection of Women against Sexual Harassment at Workplace
- Conviction for Safety Policy
- Policy on Financial Support in the event of Demise
- Mediclaim Policy for Employees
- Policy for Medically challenged employees
- Grievance Redressal Mechanism
- Equal pay for Equal work without discrimination on the basis of gender.

Besides covering the Company, the policies are also extended to various stakeholders including Group companies, Suppliers, Contractors, etc. as relevant.

5.2 How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

No complaints on breach of human rights were received during FY 20.

PRINCIPLE 6: BUSINESSES SHOULD RESPECT, PROTECT AND MAKE EFFORTS TO RESTORE THE ENVIRONMENT

6.1 Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

The Environment Policy of the Company covers the Company currently. The subsidiary companies of the Company also carry out their operations in accordance with principles laid down in the said Policy. The Company promotes the adoption of environmental protection goals and practices by contractors and suppliers of the Company and strongly encourages improvements in contractors' and suppliers' practices to make them consistent with those of the Company. Further, the IMS covering ISO 14001 for Environment Management at most of the units spells out dedication to maintain the ecological balance while carrying out operations.

6.2 Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc.? Y/N. If yes, please give hyperlink for webpage etc.

Yes, the Company recognizes the value of the environment to the community and future generations and is committed to managing its business as a responsible Corporate Citizen. Some of the initiatives taken by the Company to address global environmental issues such as Climate Change, Global Warming, etc. include most of its generation capacity being natural gas based, which is a cleaner fuel and renewable based comprising solar and wind.

In its efforts to contribute towards sustainability, the Company has chosen state-of-the-art technology for its CCPPs with advanced class Gas Turbines using clean fuel technology of natural gas leading to lower carbon footprint and very low NOx emission. The Company's CCPPs are also registered under CDM.

Further, continuous investments in power distribution infrastructure are made to reduce technical losses. Power is also procured from power plants using environment friendly fuels and renewable power plants.

Further, various energy conservation initiatives taken by the Company which aid in environmental protection are part of the Board's Report included in this Annual Report and is available at the following link: www.torrentpower.com.

6.3 Does the Company identify and assess potential environmental risks? Y/N

Yes, the Company has established systems and processes for assessing the environmental risk arising out of various activities being carried out and measures to minimize the environmental impact are in place and captured in onsite/ offsite emergency plans and in risk registers more particularly under IMS.

6.4 Does the Company have any project related to Clean Development Mechanism (CDM)? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

Yes, four projects of the Company are registered with United Nations Framework Convention on Climate Change (UNFCCC) under CDM. SUGEN Project was one of the largest and pioneering generation project approved under CDM globally in 2007. Environment compliance reports are being filed regularly.

Annual reduction of ~8.5 Million CO_2 can be achieved by generation of power through these Projects. The Company has already achieved ~17 Million of CO_2 emission reduction (approved by UNFCCC) as per the Compliance reports filed till date.

6.5 Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

In order to promote clean technology and renewable energy, besides what is stated above, the Company has sourced about 11.5% of its total power requirement of licensed distribution business from wind and solar plants. The Company has also installed Solar Rooftop system for its captive consumption. The Company strives for reduction in distribution losses by improving the network and reducing the theft of electricity. Unauthorized use of electricity has been curtailed which otherwise also invokes safety hazards.

The details of various energy conservation initiatives taken by the Company which aid in energy efficiency are part of the Board's Report included in this Annual Report and are available at the following link: www.torrentpower.com.

6.6 Are the Emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes, the emissions generated from the Generation stations of the Company are within the permissible limits given by CPCB and SPCB for FY 20. The data of emissions, where required, is also being shared with the CPCB and SPCB through online servers. Waste generated by the Company during FY 20 was also within the permissible limits given by CPCB and SPCB.

6.7 Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

No show cause / legal notices have been received during FY 20 either from CPCB or SPCB.

PRINCIPLE 7: BUSINESSES, WHEN ENGAGED IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A RESPONSIBLE MANNER

7.1 Is your Company a member of any trade and chamber or association? If Yes, name only those major ones that your business deals with:

Yes, the Company is a member of various trade associations and chambers. The major ones are as under:

- Confederation of India Industries (CII)
- Association of Power Producers (APP)
- Federation of Indian Chambers of Commerce and Industry (FICCI)
- Council of Power Utilities
- Indian Electrical and Electronics Manufacturers' Association (IEEMA)
- Coal Consumers' Association of India (CCAI)
- Gujarat Safety Council
- National Safety Council
- Indian Smart Grid Forum

7.2 Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

As a principle, the Company does not engage in lobbying. The Company provides suggestions through the above associations for the advancement/improvement of power sector and cable industry majorly in the areas of Economic Reforms, Energy security and Sustainable Business Principles.

In the course of our regulated business, the submissions, representations, and the information provided to the concerned authorities are based on due-diligence and to the best of our knowledge true and fair; which is the policy of the Company.

PRINCIPLE 8: BUSINESSES SHOULD SUPPORT INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT

8.1 Does the Company have specified programmes/initiatives/projects in pursuit of the Policy related to Principle 8? If yes details thereof.

Yes, the Company has identified specified programmes / projects in pursuit of the Policy related to Principle 8. The details of such programmes /projects are part of the Board's Report included in this Annual Report.

8.2 Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organization?

The identified programmes/projects are carried out directly by the Company itself including through two of its Section 8 companies namely "Tornascent Care Institute" and "UNM Foundation" which have been promoted by the Company (together with one of its Group Company).

Besides the above, it is also supplementing the efforts of the local institutions/NGOs/local Governments/implementing agencies in the field of Education, Healthcare, Sanitation and Hygiene, etc. to meet priority needs of the underserved communities with the aim to help them become self-reliant.

The details of such programmes/projects undertaken either on its own or through external agencies are part of the Board's Report included in this Annual Report.

8.3 Have you done any impact assessment of your initiative?

Yes, the Company undertakes timely impact assessments of projects under implementation for ensuring their desired impact and continued sustenance. The impact assessment is also presented to the CSR committee.

8.4 What is your Company's direct contribution to community development projects? Amount in ₹ and the details of the projects undertaken.

During FY 20, the Company contributed ₹20.36 Crore to various community development programmes / projects as part of its CSR initiatives. The details of such programmes/projects are part of the Board's Report included in this Annual Report.

Besides this, the Company undertook various other CSR initiatives, details of which are part of Board's Report included in this Annual Report.

8.5 Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words or so.

Various steps taken to ensure that the community development initiatives are successfully adopted by the community are part of Board's Report included in this Annual Report.

PRINCIPLE 9: BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CUSTOMERS AND CONSUMERS IN A RESPONSIBLE MANNER

9.1 What percentage of customer complaints/consumer cases are pending as on the end of financial year.

In the generation and transmission business there were no complaints.

~100% of complaints in Distribution business were resolved within the turnaround time as prescribed by Hon'ble GERC/MERC/UPERC.

No complaints were pending as on 31st March, 2020 for the cables business.

9.2 Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. /Remarks (additional information)

In the generation and cables business of the Company, this requirement of display of information is not applicable. However, in the case of transmission and distribution business of the Company, adequate signages and caution boards are being displayed at major assets and prominent locations. Various safety initiatives are being undertaken for the benefit of consumers.

9.3 Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.

No case has been filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and / or anti-competitive behaviour during the last five years.

9.4 Did your Company carry out any consumer survey/ consumer satisfaction trends?

The Distribution segment of the Company's business caters to around 3 million consumers as on 31st March, 2020. The Company has taken advantage of technological developments and captured over 40,000 feedbacks through SMS and mobile application. Also, through an internally developed platform named "Sampark", 4 calls per week are made to customers to record their first hand feedback. Every negative feedback is processed, resolved and closed with the customer.

At the Cables Unit, Customer Satisfaction Index (CSI) has been defined & is monitored on ongoing basis.

REPORT ON CORPORATE GOVERNANCE

This Report sets forth the disclosures for FY 20, pertaining to Corporate Governance of Torrent Power Limited ("the Company"), as required by SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company's Corporate Governance philosophy comprises three core principles of TRANSPARENCY, INTEGRITY and ACCOUNTABILITY in organising and managing all aspects of its activities. Based on this philosophy, the Company develops its practices on various aspects and elements of governance, ensuring that these at the minimum comply with the requirements of applicable laws and regulations. In matters not covered by applicable laws and regulations, the governance practices are developed in consonance with the core principles and keeping in balance the interests of all stakeholders.

For FY 20, the Company is in compliance with the Corporate Governance norms stipulated in Listing Regulations.

2. BOARD OF DIRECTORS

a) Composition and Category of the Board

As at the year end, the Board had an optimum combination of Executive and Non-Executive Directors with three woman Directors. More than 75% of the Board members are Non-Executive and more than 55% of the Board members are Independent Directors.

As at the year end, the Board composition consisted of 9 Directors with following composition:

Executive Director	2 (both Promoter Directors)
Independent Director	5 (includes 2 Woman Directors)
Non-Executive Non-Independent Director	2 (1 Promoter Director & 1 Woman Director)
Total	**9**

Composition of the Board is in conformity with the applicable law and regulations.

b) Details of memberships / chairpersonships of the Directors in other Boards and in Committees of the Board

The table below sets forth the above particulars for each Director as on March 31, 2020.

Name of the Director	Category	Other Directorships	Other Board Committee Membership	Other Board Committees in which Chairperson	Directorship in other listed entities	
					Name of Entity	Category
Sudhir Mehta, Chairman Emeritus	Non-Executive Director (Promoter)	1	-	-	Torrent Pharmaceuticals Ltd	Non-Executive Director (Promoter)
Samir Mehta	Chairperson & Managing Director (Promoter)	1	-	-	Torrent Pharmaceuticals Ltd	Chairperson & Managing Director (Promoter)
Pankaj Patel	Independent Director	3	1	-	Bayer Cropscience Ltd	Independent Director, Chairperson
					Cadila Healthcare Ltd	Non-Executive Non- Independent, Chairperson
Samir Barua	Independent Director	4	3	2	-	-
Keki Mistry	Independent Director	6	7	3	Tata Consultancy Services Ltd	Independent Director
					HDFC Life Insurance Company Ltd	Non-Executive (Nominee Director)
					HDFC Asset Management Company Ltd	Non-Executive Non- Independent Director
					Housing Development Finance Corporation Ltd	Chief Executive Officer & Managing Director
Bhavna Doshi	Independent Director	7	6	4	Indusind Bank Ltd	Independent Director
					Sun Pharma Advanced Research Company Ltd	Independent Director
					Everest Industries Ltd	Independent Director
Dharmishta Raval	Independent Director	6	2	1	Zydus Wellness Ltd	Independent Director
					Cadila Healthcare Ltd	Independent Director
					Nocil Ltd	Independent Director
Jinal Mehta	Managing Director (Promoter)	1	-	-	-	-

Name of the Director	Category	Other Directorships	Other Board Committee Membership	Other Board Committees in which Chairperson	Directorship in other listed entities	
					Name of Entity	Category
Sunaina Tomar	Non-Executive Director, Nominated by Govt. of Gujarat (a shareholder) (appointed wef February 13, 2020)	9	-	-	Gujarat State Petronet Ltd	Non-Executive (Nominee Director)
					Gujarat Gas Ltd	Non-Executive Non- Independent Director
					Gujarat State Fertilizers & Chemicals Ltd	Non-Executive Non- Independent Director
					Gujarat Industries Power Company Ltd	Non-Executive (Nominee Director), Chairperson

Note: For the purpose of considering the above numbers : (a) all public companies excluding the Company, are considered and all other companies including private companies, foreign companies and companies registered under section 8 of the Companies Act, 2013 ("Act") are excluded. (b) Only Audit and Stakeholders' Relationship Committee memberships are reckoned.

Pankaj Joshi IAS, Non-Executive Director, Nominated by Govt. of Gujarat (a shareholder), ceased to be a Director w.e.f. December 17, 2019.

Sudhir Mehta and Samir Mehta are brothers. Jinal Mehta is son of Sudhir Mehta. All other Directors are not related inter-se.

All the Directors have periodically and regularly disclosed to the Company information on their directorship and membership on the Boards / Committees of other companies. Based on the disclosures received, none of the Directors of the Company hold directorships / memberships / chairpersonships more than the prescribed limits across all companies in which he / she is a Director.

c) **Board Meetings**

The Board of Directors met four times during FY 20 on May 15, 2019, August 05, 2019, November 05, 2019 and February 12, 2020.

The calendar of Board meetings of FY 20 was communicated to all the Directors well in advance. The Board meetings were held at the registered office in Ahmedabad. The Board met at least once in a quarter and time gap between two consecutive meetings did not exceed 120 days.

The agenda for the Board meeting was circulated to all the Directors at least 7 days prior to the date of the meeting, except for table agenda items which were placed before the Board with the approval of Independent Directors. The agenda for the Board meetings included detailed notes on the matters to be considered at the meeting to facilitate the Directors to take informed decisions. Minimum information to be placed before the Board under Regulation 17(7) read with Schedule II of the Listing Regulations was placed before the Board for its consideration. The requisite quorum was present in all the meetings.

The attendance of each of the Directors at the Board meetings and Annual General Meeting held during the year under review, are as under:

Name of the Director	Board Meetings held during the tenure	Board Meetings attended	Attendance at the last AGM
Sudhir Mehta	4	4	Yes
Samir Mehta	4	4	Yes
Pankaj Patel	4	3	Yes
Samir Barua	4	4	Yes
Keki Mistry	4	3	No
Bhavna Doshi	4	4	Yes
Dharmishta Raval	4	3	Yes
Pankaj Joshi, IAS (ceased wef December 17, 2019)	3	2	No
Jinal Mehta	4	3	Yes
Sunnaina Tomar, IAS (appointed wef February 13, 2020)	Nil	NA	NA

d) **Independent Directors**

Based on the declaration of independence and other disclosures made by Independent Directors, the Board has noted that they fulfil the conditions of independence specified in the Act and Listing Regulations.

Based on the disclosures made by them, no Independent Director served as an Independent Director in more than 7 listed companies and where the Independent Director was a Whole-time Director / Managing Director in any listed company, they were not Independent Director in more than 3 listed companies.

A separate meeting of Independent Directors was held on February 12, 2020 under the Chairpersonship of Pankaj Patel to review the matters as required by Schedule IV of the Act and Listing Regulations.

e) Criteria for selection of new Directors and Committee Membership

The Company has in place a policy which provides criteria as well as process for identification / appointment of Directors of the Company. The Policy on Directors' appointment forms part of Board's Report. The table below sets forth the core skills / expertise / competencies identified by the Board alongwith names of Directors who have such skills / expertise / competence for effective functioning of Board of Directors:

Skills, Expertise, Competencies	Sudhir Mehta	Samir Mehta	Pankaj Patel	Samir Barua	Keki Mistry	Bhavna Doshi	Dharmishta Raval	Jinal Mehta	Sunaina Tomar, IAS
Strategic Leadership	Significant leadership experience to think strategically and develop effective strategies to drive change and growth in context of the Company's overall objectives.								
	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
Industry Experience	Experience and/or knowledge of the industry in which the Company operates.								
	Yes	Yes	-	-	-	-	-	Yes	Yes
Financial Expertise	Qualification and/or experience in accounting and/or finance coupled with ability to analyse key financial statements; critically assess financial viability and performance; contribute to financial planning; assess financial controls and oversee capital management and funding arrangements.								
	-	Yes	-	Yes	Yes	Yes	-	Yes	Yes
Governance, Risk and Compliance	Knowledge and experience of best practices in governance structures, policies and processes including establishing risk and compliance frameworks, identifying and monitoring key risks.								
	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
Diversity	Representation of gender, cultural or other such diversity that expand the Board's understanding and perspective.								
	-	-	-	-	-	Yes	Yes	-	Yes

f) Familiarisation Programme

The Company and business familiarisation process for Independent Directors was an ongoing process during the Financial Year and largely carried out by way of special discussions and presentations at Board / Committee meetings on important matters such as key regulatory changes, material legal matters, changing industry trends, periodic operations review, annual budget review (including capex plan), strategy discussions and exceptional developments, if any, in the Company.

The details of such familiarization program have been disclosed on the Company's website at https://www.torrentpower.com/pdf/investors/20200512_familiarisation_programe.pdf

g) Shareholding of Non-Executive Directors as on March 31, 2020

• Sudhir Mehta, Chairman Emeritus	6,882 equity shares
• Bhavna Doshi, Independent Director (Jointly with spouse)	1,900 equity shares

Apart from above, none of the Non-Executive Directors hold any shares of the Company.

3. AUDIT COMMITTEE

a) Terms of Reference

The Board at its meeting held on May 15, 2019 separated the Risk Management oversight from Audit and Risk Management Committee and renamed it as Audit Committee. The Risk Management oversight was vested in the Risk Management Committee.

Due to aforesaid revision, the Board revised the Terms of Reference of the Committee to remove items relating to Risk Management. The revised Terms of Reference were in full compliance with the provisions of the Act and Listing Regulations.

Major Terms of Reference of the Committee include:

- Overseeing the financial reporting process and review of the financial statements of the Company and its unlisted subsidiaries;
- Review functioning of the Whistle Blower mechanism;
- Review and approve related party transactions;
- Scrutiny of inter-corporate loans and investments, review of utilization of loans and/ or advances from/ investment by the Company in the subsidiary;
- Review of internal audit function and reports;
- Evaluation of internal financial control and risk management system;
- Recommending to the Board appointment and remuneration of the auditors and review their performance and adequacy of the internal control systems.

b) Composition and Committee Meetings

The particulars of the Committee as on March 31, 2020 are set forth below.

Name of the Director	Category of Directorship	Qualification	No. of Meetings attended
Samir Barua, Chairperson#	Independent Director	M. Tech (IIT, Kanpur) in Industrial Engineering and Operations Research, Ph. D in Management from IIM, Ahmedabad	4
Keki Mistry#	Independent Director	C.A., C.P.A. (USA)	3
Bhavna Doshi	Independent Director	M. Com, C.A.	4
Dharmishta Raval	Independent Director	B. Sc., LL.M	3

During the year, Keki Mistry stepped down as Chairperson of the Committee and in his place Samir Barua was appointed from May 15, 2019.

Composition of the Committee was in compliance with provisions of the Act and Listing Regulations.

During the year under review, four meetings of the Committee were held on May 15, 2019, August 05, 2019, November 05, 2019 and February 12, 2020. The Committee met once in a quarter and time gap between two consecutive meetings did not exceed 120 days. Senior Management of the Company and representatives of Statutory and Internal Auditors were invited to the meetings. All the recommendations / submissions made by the Committee during the year were accepted by the Board.

4. NOMINATION AND REMUNERATION COMMITTEE

a) Terms of Reference

Major Terms of Reference of the Committee include:

- Evaluation and recommendation of the composition of the Board and its sub-committees;
- Formulation of the criteria for determining qualification, positive attributes and independence of a Director;
- Identification of persons who are qualified to become Directors and who may be appointed in Senior Management of the Company in accordance with criteria laid down and recommend the same to the Board for their appointment and removal;
- Recommendation to the Board, remuneration proposed to be paid to Directors / KMP / Senior Management;
- Recommendation of Remuneration Policy to the Board;
- Formulation of policy on Board Diversity of the Company;

- Formulation of criteria for performance evaluation of Board, Committees, Individual Directors.

The Terms of Reference were in full compliance with provisions of the Act and Listing Regulations.

b) Composition and Meetings

The particulars of the Committee as on March 31, 2020 are set forth below.

Name of the Director	Category of Directorship	Chairperson/ Member	No. of Meetings attended
Pankaj Patel @	Independent Director	Chairperson	2
Sudhir Mehta	Non-Executive Director (Promoter)	Member	3
Dharmishta Raval	Independent Director	Member	3

@ Appointed as Chairperson wef May 15, 2019.

Composition of the Committee was in compliance with provisions of the Act and Listing Regulations.

During the year under review, three meetings of the Committee were held on May 15, 2019, August 05, 2019 and February 12, 2020. All the recommendations / submissions made by the Committee during the year were accepted by the Board.

c) Performance Evaluation Criteria for Independent Directors

The criteria as well as process for evaluation of Independent Directors are given below:

Criteria

i. Fulfillment of functions

ii. Participation in Board in terms of adequacy (time & content).

iii. Contribution at meetings

iv. Guidance / support to management outside Board / Committee meetings

v. Independent views and judgement

Process

i. The Chairperson of the Board to discuss self and peer evaluation on a One-on-One basis with each Director.

ii. The Chairperson to consolidate the comments and give feedback to individual Directors.

5. REMUNERATION OF DIRECTORS

a) Remuneration Policy

The Company has in place the policy relating to the remuneration of the Directors, KMP and other employees of the Company. As required by the Act, the Remuneration Policy has been uploaded on the website of the Company at: https://www.torrentpower.com/pdf/investors/Remuneration_Policy.pdf

b) Non-Executive Directors

Non-Executive Directors are compensated by way of Sitting Fees (except promoter category Non-Executive Director) for meetings attended and annual Commission for participation in meetings attended. Members have approved payment of annual Commission to Non-Executive Directors, in addition to Sitting Fees, within the limits laid down under the provisions of the Act. The Board of Directors in terms of authorisation granted by the Members, approved the Commission to be paid to each Non-Executive Director. Detailed criteria for remuneration of Non-Executive Directors are part of Remuneration Policy as mentioned above.

c) Particulars of remuneration paid to the Directors for FY 20

(₹ in Crore)

Name of the Director$	Sitting Fees	Salary & Perquisites#	Commission	Total
Sudhir Mehta	-	-	5.00	**5.00**
Samir Mehta	-	-	10.00	**10.00**
Pankaj Patel	0.06	-	0.17	**0.23**
Samir Barua	0.13	-	0.30	**0.43**
Keki Mistry	0.07	-	0.18	**0.25**
Bhavna Doshi	0.12	-	0.29	**0.41**
Dharmishta Raval	0.10	-	0.23	**0.33**
Pankaj Joshi, IAS @ (ceased wef December 17, 2019)	0.02	-	0.09	**0.11**
Jinal Mehta	-	8.73	2.50	**11.23**
Sunaina Tomar, IAS (appointed wef February 13, 2020)	-	-	-	**-**
Total	**0.50**	**8.73**	**18.76**	**27.99**

$ None of the Directors are entitled to severance pay.

\# Includes Salary, House Rent Allowance, contribution to Provident / Superannuation Funds and approved Allowances / Perquisites (excluding premium for Group Personal Accident and Group Mediclaim Insurance).

@ Sitting fees and Commission of Pankaj Joshi, IAS (nominated by Government of Gujarat) is paid / payable to the Government of Gujarat.

Directors have not been granted any stock options during the year under review.

Apart from payment of Sitting Fees, Annual Commission and shareholding of Non-Executive Directors disclosed in part 2(g) above, there was no other pecuniary relationship or transactions between the Company and Non-Executive Directors.

6. STAKEHOLDERS' RELATIONSHIP COMMITTEE

a) Terms of Reference

Major Terms of Reference of the Committee include:

- Resolution of the grievances of all the stakeholders including complaints related to transfer / transmission of shares, non-receipt of annual report, non-receipt of declared dividends, issue of new / duplicate certificates, general meetings etc.;
- Review of transfer / transmission requests and issuance of duplicate share certificate;
- Overseeing the performance of the Registrar and Share Transfer Agent in respect of adherence to the service standards adopted by the Company;
- Determination of Book Closure period & Record Date in respect of shares, debentures, other securities and General Meetings of the Company;

The Terms of Reference were in full compliance with provisions of the Act and Listing Regulations.

Powers to approve share transfers/ transmission and related requests have been delegated by the Committee to Senior Officials of the Company for expeditious disposal of the Members' requests and complaints.

b) Composition and Meetings

7. GENERAL BODY MEETINGS

Last 3 Annual General Meetings of the Company

Meeting	Date	Time	Venue	No. of Special Resolutions passed
13th AGM	August 01, 2017	02:30 pm	J. B. Auditorium, Torrent-AMA Centre, Ahmedabad Management Association, Vastrapur, Ahmedabad-380015	0
14th AGM	August 01, 2018	09:30 am	J. B. Auditorium, Torrent-AMA Centre, Ahmedabad Management Association, Vastrapur, Ahmedabad-380015	7
15th AGM	August 05, 2019	09:30 am	J. B. Auditorium, Torrent-AMA Centre, Ahmedabad Management Association, Vastrapur, Ahmedabad-380015	2

No Postal Ballot was conducted during the year under review and as of the date of this Report there is no proposal to pass any special resolution through Postal Ballot.

8. MEANS OF COMMUNICATION

During the year, quarterly Unaudited Financial Results with Limited Review Report and annual Audited Financial Results of the Company with Auditors' Report thereon were submitted to the stock exchanges upon their approval by the Board. The Company published its quarterly Financial Results in two English daily newspapers having nationwide circulation i.e. Indian Express and Financial Express and in one regional newspaper i.e. Financial Express (Gujarati Edition). The Company also submitted to the stock exchanges the schedule of analysts or institutional investors meets and presentations made to them. The Company's website: www.torrentpower.com also displays the official news releases of relevance, schedule and presentations for investors, in addition to Financial Results.

Considering the impact of COVID-19 and consequent restrictions including that on large gatherings and social distancing, SEBI vide Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 provided relaxation from sending physical copies of Annual Report for FY 20 to those Members whose email IDs are not registered with the Depository Participants (DPs) and / or with the Company's Registrar and Share Transfer Agent (RTA) and who have opted for physical copies. In view of the same, the Company will send soft copies of Annual Report to those Members whose email IDs are registered with the DPs and / or with the Company's RTA. Also, the same will be available on the Company's website: www.torrentpower.com.

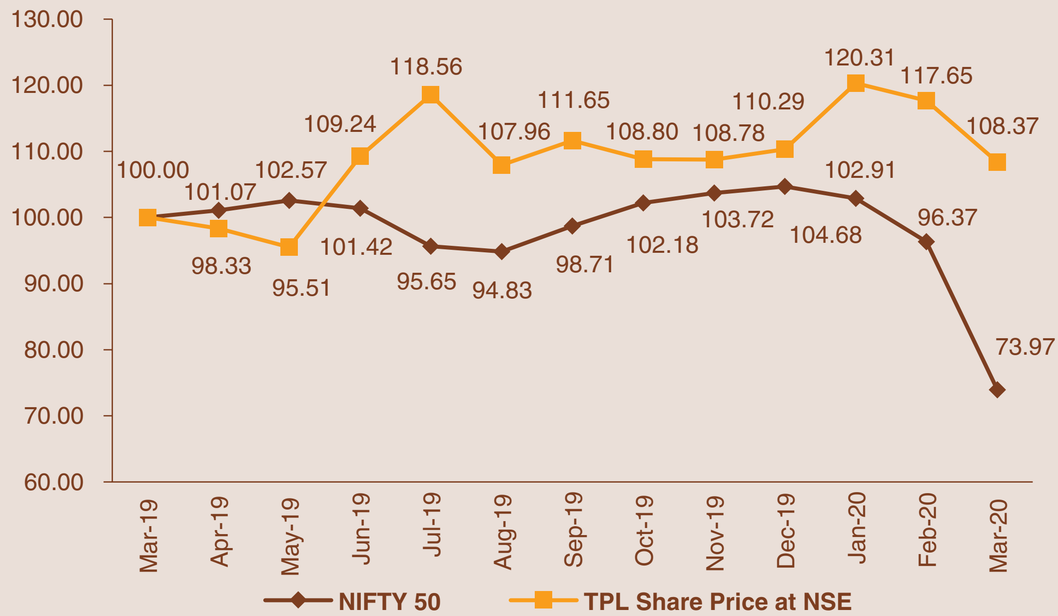
f) **Performance of Equity Share Price vis-à-vis Nifty 50 is as under:**

Month	TPL Share Price at NSE (₹)*	NIFTY 50 during the Month* (₹)	Relative Index for comparison purpose	
			TPL share price	NIFTY 50
March, 2019	257.50	11,623.90	100.00	100.00
April, 2019	253.20	11,748.15	98.33	101.07
May, 2019	245.95	11,922.80	95.51	102.57
June, 2019	281.30	11,788.85	109.24	101.42
July, 2019	305.30	11,118.00	118.56	95.65
August, 2019	278.00	11,023.25	107.96	94.83
September, 2019	287.50	11,474.45	111.65	98.71
October, 2019	280.15	11,877.45	108.80	102.18
November, 2019	280.10	12,056.05	108.78	103.72
December, 2019	284.00	12,168.45	110.29	104.68
January, 2020	309.80	11,962.10	120.31	102.91
February, 2020	302.95	11,201.75	117.65	96.37
March, 2020	279.05	8,597.75	108.37	73.97

* Closing data on the last trading day of the month. Closing share price at NSE and NIFTY 50 of March 29, 2019 have been taken as the base for calculating relative index for comparison purpose.

Relative Performance of TPL Share Price v/s Nifty 50



g) Registrar and Share Transfer Agent

Members are requested to send all documents pertaining to transmission/ demat requests and other communications in relation thereto directly to the Registrar and Share Transfer Agent at the following address:

Link Intime India Pvt. Ltd,
506 to 508,
Amarnath Business Centre - I (ABC - I),
Beside Gala Business Centre,
Nr. St. Xavier's College Corner
Off C G Road, Ellisbridge,
Ahmedabad-380006 (Gujarat)
Telephone: +91 079 26465179/86/87 Fax : +91 079 26465179
E-mail: ahmedabad@linkintime.co.in

h) Share Transfer System

In terms of Regulation 40(1) of Listing Regulations, as amended, securities can be transferred only in dematerialized form w.e.f. April 1, 2019, except in case of transmission of securities or transposition of names. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Transfers of equity shares in electronic form are effected through the depositories with no involvement of the Company.

Powers to approve share transfers and related requests have been delegated by the Stakeholders Relationship Committee to Senior Officials of the Company for expeditious disposal of Members' requests and complaints. During the year, share transfers were taken up for approval atleast once in a fortnight and the transferred securities were dispatched to the transferees within the stipulated time. Details of transfers / transmission approved by the delegates were noted by the Stakeholders Relationship Committee at its meeting once in a quarter, which are subsequently noted by the Board of Directors.

i) **Distribution of shareholding as on March 31, 2020**

- **By size of shareholding**

No. of Shares	No. of Members	% Members	No. of Shares	% of Members
001 to 500	1,01,320	89.03	62,88,323	1.30
501 to 1000	6,482	5.70	43,53,612	0.91
1001 to 2000	2,642	2.32	37,50,237	0.78
2001 to 3000	1,059	0.93	26,75,578	0.56
3001 to 4000	471	0.41	16,53,685	0.34
4001 to 5000	395	0.35	17,96,555	0.37
5001 to 10000	708	0.62	50,24,774	1.05
10001 & above	723	0.64	45,50,74,020	94.69
Total	**1,13,800**	**100**	**48,06,16,784**	**100**

- **By category of Members**

Sr. No.	Category	No. of Shares	% of Shareholding
1	Promoters	25,74,43,318	53.57
2	Governor of Gujarat with Gujarat State Financial Services Limited	5,39,28,671	11.22
3	General Insurance Corporation of India and its subsidiaries	30,03,992	0.63
4	Mutual Funds	7,30,44,049	15.20
5	Foreign Portfolio Investors	4,20,76,508	8.75
6	Banks	434,501	0.09
7	Others	5,06,85,745	10.54
	Total	**48,06,16,784**	**100.00**

j) **Dematerialisation and Liquidity of shares**

Equity shares of the Company can be traded only in dematerialised form by the investors. The Company has established connectivity with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL). Demat security (ISIN) code for the equity shares of the Company is INE813H01021. As on March 31, 2020, 97.38% of the equity shares have been dematerialised. The shares of the Company are frequently traded on both the stock exchanges and hence the shares of the Company are liquid.

k) **Outstanding GDRs / ADRs / Warrants / any other convertible instruments**

The Company has not issued any GDRs / ADRs / warrants or any convertible instruments as on date.

l) **Disclosure of commodity price risk / foreign exchange risk and hedging activities**

The Company has exposure to US$ / INR exchange rate arising principally on account of import of LNG and coal. The extant tariff regulations do not permit the cost of hedging such exposure as part of fuel cost to be passed through to the off-takers / beneficiaries. As a result, the Company does not follow a policy of hedging such exposures and actual rupee costs of import of fuel are substantially passed on to the off-takers / consumers, because of which such exposures are not likely to have material financial impact on the Company.

The following were the material commodity exposures of the Company during FY 20:

Commodity	Exposure in INR ₹ in Crore	Exposure in Quantity	% of such Exposure hedged through Commodity Derivatives				
			Domestic market		International market		Total
			OTC	Exchange	OTC	Exchange	
Imported & domestic Coal	368	12,62,957 MT	-	-	-	-	-
Liquefied Natural Gas & domestic natural gas	2,886	6,13,77,321 MMBTU	-	-	-	-	-
Copper & aluminium	203	11,398 MT	-	-	-	-	-

The commodity exposure is mainly on account of fuel, a substantial part of which is a pass through cost and hence the commodity price exposure is not likely to have a material financial impact on the Company.

During the year, CRISIL upgraded the long term credit rating of the Company from AA-/Stable to AA/Stable and reaffirmed the short term credit rating at A1+. Additionally, India Ratings assigned a short term credit rating of IND A1+.

10. OTHER DISCLOSURES

a) **Related Party Transactions**

The Company has formulated Related Party Transaction Policy, which is in compliance with provisions of the Act and Listing Regulations. The policy can be accessed on the website of the Company at the web link: https://www.torrentpower.com/pdf/investors/Policy_on_Materiality_of_Related_Party_Transactions.pdf

During the year, the Company did not enter into any transaction with related parties which were material in nature as defined in Listing Regulations. All the related party contracts / arrangements and transactions entered into by the Company were put forth for the prior approval of the Audit Committee, Board and Members, as applicable, in compliance with the said policy.

Statement of related party transactions was presented to the Audit Committee for its review on quarterly basis, specifying the nature, value and terms and conditions of the transactions.

The particulars of contracts/arrangements and transactions entered into by the Company with related parties are set out in Notes to the Financial Statements forming part of the Annual Report.

b) **Legal Compliances**

The Company has formalised a system to track, monitor and document legal compliances applicable to the Company. The Board periodically reviews compliance reports (of all laws applicable to the Company), prepared by the management. There were no instances of material non-compliances during the year under review. No strictures were passed or penalties imposed on the Company by SEBI, Stock Exchanges or any statutory authority on any matter related to capital markets during the last three years.

c) **Whistle Blower Policy**

The Board has adopted a Whistle Blower Policy for the Company, under which the Company has institutionalised a mechanism for the stakeholders to disclose their concerns and grievances on unethical behaviour and improper/ illegal practices and wrongful conduct taking place in the Company for appropriate action. During the year the policy was amended to align it with the requirement of SEBI (Prohibition of Insider Trading) Regulations, 2015. The revised policy is available on the website of the Company at https://www.torrentpower.com/pdf/investors/20200601_whistle_blower_policy.pdf

During the year, functioning of the Whistle Blower mechanism was reviewed by the Audit Committee on a quarterly basis. No employee intending to report under Whistle Blower mechanism was denied access to the Audit Committee.

d) **Compliance with all the mandatory requirements of Corporate Governance**

The Company has complied with all the mandatory requirements of Corporate Governance applicable to the Company.

e) **Material Subsidiary Policy**

The Company has formulated a Policy for determining “Material Subsidiary” and same is available on Company’s website at https://www.torrentpower.com/pdf/investors/19-01-2019_2vueh_policy_materialsubsidiaries2.pdf

f) **Utilization of funds raised through Preferential Allotment or Qualified Institutions Placement**

The Company has not raised any funds through preferential allotment or qualified institutions placement during the year under review.

g) **Certificate of Practicing Company Secretary**

The Company has obtained a certificate from M/s Rajesh Parekh & Co., Practicing Company Secretary, Ahmedabad stating that none of the Directors on the Board of the Company have been debarred / disqualified from being appointed / continuing as Directors of any company, by the SEBI and Ministry of Corporate Affairs or any such Statutory authority.

h) **Fees paid to Statutory Auditors**

During the year, total fees, for all services (including out of pocket expenses and taxes), paid by the Company and its subsidiaries, on a consolidated basis, to the Statutory Auditors - Price Waterhouse Chartered Accountants LLP (012754N/N500016) and to all entities in the network of which Auditor is a part are as under:

(₹ in Crore)

Audit Fees	1.24
Other Services certificates etc.	0.56
Reimbursement of expenses	0.25
Total	**2.05**

i) Protection of Women against Sexual Harassment at Work Place

Pursuant to the provisions of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and rules made thereunder, the Company has adopted a "Policy on Protection of Women against Sexual Harassment at Work Place". Pursuant to the Policy, the Company has formed Internal Complaints Committee, with majority women members, at each of the Unit / Administrative Office. During the year, no complaints were filed with the Internal Complaints Committee.

j) Compliance with Corporate Governance

The Company has complied with the Corporate Governance requirements specified in Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Listing Regulations.

Standalone Financial Statements 2019-20

INDEPENDENT AUDITOR'S REPORT ON STANDALONE FINANCIAL STATEMENTS

TO THE MEMBERS OF TORRENT POWER LIMITED

Report on the audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Torrent Power Limited ("the Company"), which comprise the balance sheet as at March 31, 2020, and the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
i) Impairment assessment for Power Plant located at Dahej (Refer to note 41(1) of the standalone financial statements) :	
The carrying amount of Property, Plant & Equipment ("PPE") includes an amount of ₹3,079.62 Crore pertaining to 1,200 MW DGEN Mega Power Project located at Dahej, India ("DGEN"). DGEN started its commercial operations from November 2014 ("COD") and has operated only intermittently after COD, including during current financial year. As a result of above, and given the current economic environment, management has carried out an impairment assessment of DGEN with the help of an external valuer, in accordance with Ind AS 36 'Impairment of Assets' and has measured the recoverable amount at the higher of fair value less costs to sell and value in use. In case of DGEN, the recoverable amount is based on 'value in use' which requires estimating the discounted cash flow projections over the estimated useful life of the DGEN. Such assessment involved several key assumptions including expected demand, future price of fuel, exchange rate, expected tariff rates, discount rate and current electricity market scenario considered by management based on past trends and current and likely future state of the industry. Based on such assessment, the Company has provided for an impairment loss of ₹1,000.00 Crore, which has been disclosed as an 'Exceptional item' in the standalone financial statements. We considered this to be a key audit matter as the carrying value of DGEN at March 31, 2020 is significant to the Company's balance sheet and there is significant judgement and uncertainty involved in the discounted cash flow (DCF) model used by the management to assess the carrying value of DGEN.	Our procedures in relation to management's impairment assessment of DGEN included the following: • Assessed and tested the design and operating effectiveness of the Company's controls over impairment assessment. • Perused the report issued by the external valuer engaged by the management. • Evaluated independence, competence, capability and objectivity of the external valuer. • Evaluated the reasonableness of cash flow projections used by the Company and the key assumptions used. • With the involvement of auditors experts, assessed the reasonableness of the assumptions considered in the discounted cash flow projections for determining value in use. • Discussed with senior management personnel, the justification for the key assumptions underlying the cashflow projections and performed sensitivity analysis on the same. • Checked the arithmetic accuracy of the computations included in the discounted cash flow projections. • Reviewed the adequacy of disclosure in the standalone financial statements with regard to the impairment loss accounted by the Company. Based on the above procedures performed, we considered management's assessment of impairment to the carrying amount of DGEN to be reasonable.

Key audit matter	How our audit addressed the key audit matter
ii) Assessment of recoverability of Deferred tax assets on unutilised tax credits (Refer to note 42 to the standalone financial statements)	
The Company has recognised deferred tax assets on the unutilised tax credits, representing Minimum Alternate Tax (MAT) paid on the accounting profit in the current year and in earlier years in which the Company did not have normal taxable profit. The assets have been recognised on the basis of Company's assessment of availability of future taxable profits to offset the accumulated MAT credits. The future taxable profit projections involve several key assumptions including expected demand, future prices of fuel, expected tariff rates of electricity, exchange rate and current electricity market scenario covering the period over which MAT Credit can be claimed as per the Income-tax Act, 1961. In preparing the profit projections, management has considered, past trends, applicable tariff regulations/ agreements and current and likely future state of the industry. We considered this a key audit matter as the amount of deferred tax assets is material to the financial statements and significant management judgement is required in assessing the recoverability of MAT credit based on significant assumptions underlying the forecast of future taxable profits. Further, recoverability of deferred tax assets depends on the achievement of Company's future business plans.	Our audit procedures included the following: • Evaluated and tested the design and operating effectiveness of the Company's controls over recognition and assessment of recoverability of deferred tax assets on accumulated MAT credits. • Reviewed the Company's accounting policy in respect of recognizing deferred tax assets on unutilised MAT credits. • Assessed the reasonableness of the assumptions underlying profit projections made by management, by reviewing the past trends, available tariff orders and relevant economic and industry indicators. • Evaluated whether the tax credit entitlements are legally available to the Company for the forecast recoupment period, considering the provisions of Income-tax Act, 1961. • Checked the mathematical accuracy of the underlying calculations of the profit projections. • Performed sensitivity analyses on the projected taxable profits by varying key assumptions, within reasonably foreseeable range. • Reviewed the adequacy of disclosures made in the financial statements with regards to deferred taxes. Based on the above procedures performed by us, we considered the management's assessment of recoverability of deferred tax assets in respect of accumulated MAT credits to be reasonable.

Emphasis of Matter

5. We draw attention to Note 57 to the standalone financial statements which explains the uncertainties and the management's assessment of the financial impact due to the lockdown and other restrictions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

Other Information

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the board's report (including shareholders information), management discussion and analysis, business responsibility report, report on corporate governance, but does not include the standalone financial statements and our auditor's report thereon.

   Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Standalone Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

    - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

    - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

    - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

INDEPENDENT AUDITOR'S REPORT (Contd.)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

14. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. As required by Section 143(3) of the Act, we report that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

    c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.

    d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.

    e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

    f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A."

INDEPENDENT AUDITOR'S REPORT (Contd.)

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations as at March 31, 2020 on its financial position in its standalone financial statements – Refer Note 31 and 44;

ii. The Company has long-term contracts as at March 31, 2020 for which there were no material foreseeable losses. The Company did not have any derivative contracts as at March 31, 2020;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2020;

iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended March 31, 2020.

16. The Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 15(f) of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone financial statements for the year ended March 31, 2020

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Torrent Power Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

Referred to in paragraph 15(f) of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone financial statements for the year ended March 31, 2020

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Also refer paragraph 5 of our main audit report.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 14 of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone financial statements as of and for the year ended March 31, 2020

i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.

(b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. As regards underground distribution systems, we have been informed that the same are not physically verifiable.

(c) The title deeds of immovable properties, as disclosed in Note 4 on Property, Plant and Equipment and Note 5 on Right of use assets to the standalone financial statements, are held in the name of the Company or in the names of the companies which got amalgamated into the Company through various schemes approved by the courts in earlier years.

ii. The physical verification of inventory [excluding stocks with third parties] has been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material.

iii. The Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.

iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.

v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.

vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products.
We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues in respect of employees' state insurance, duty of customs, value added tax and cess, and is generally regular in depositing the undisputed statutory dues in respect of provident fund, income tax, goods and services tax and other material statutory dues, as applicable, with the appropriate authorities. Also refer note 44 to the standalone financial statements regarding management's assessment on the matter relating to provident fund.

Further, for the period March 1, 2020 to March 31, 2020, the Company has paid Goods and Service Tax and filed GSTR 1 and GSTR3B after the due date but within the timelines allowed by Central Board of Indirect Taxes and Customs under the Notification Number 32/2020, 33/2020 and 34/2020 - Central Tax dated April 3, 2020 on fulfilment of conditions specified therein.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

Referred to in paragraph 14 of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone financial statements as of and for the year ended March 31, 2020

(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of service-tax and goods and services tax which have not been deposited on account of any dispute. The particulars of dues of income tax, sales tax, duty of customs, duty of excise and value added tax as at March 31, 2020 which have not been deposited on account of a dispute, are as follows:

Name of Statute	Nature of dues	Amount involved (₹ in Crore)	Amount Unpaid (₹ in Crore)	Period to which the amount relates (Financial Year)	Forum where the dispute is pending
Customs Act, 1962	Custom duty	37.00	18.50	2012-13	Central Excise and Service Tax Appellate Tribunal
Central Excise Act, 1944	Excise duty	0.17	0.17	1989-90	Central Excise and Service Tax Appellate Tribunal
Kerala General Sales Tax Act, 1963	Sales Tax on Works Contracts	0.20	0.20	2001-02	Sales Tax Appellate Tribunal, Calicut
Andhra Pradesh General Sales Tax Act, 1957	Sales Tax on Works Contracts	0.29	0.29	1993-94 & 1994-95	Andhra Pradesh High Court, Hyderabad
Tamil Nadu General Sales Tax Act, 1959	Sales Tax on Works Contracts	0.47	0.47	1989-90 & 1990-91	Asst. Commissioner of Commercial Tax, Tuticorin
Gujarat Value Added Tax Act, 2003	Value Added Tax	0.21	0.17	2013-14 & 2014-15	Joint Commissioner of Commercial Tax (Appeal)
		0.17	0.14	2011-12	GVAT Tribunal
		4.26	1.63	2009-10 & 2010-11	GVAT Tribunal
		1.73	0.51	2008-09	GVAT Tribunal
		1.00	0.27	2007-08	GVAT Tribunal
Gujarat Sales Tax Act, 1969	Sales tax	4.29	4.29	2002-03 & 2003-04	Joint Commissioner of Commercial Tax (Appeal)
Central Sales Tax Act, 1956	Central Sales Tax	3.15	2.51	2008-09, 2009-10, 2010-11, 2011-12 & 2012-13	GVAT Tribunal
		0.49	0.39	2014-15	Joint Commissioner of Commercial Tax (Appeal)
Income tax Act, 1961	Income Tax	0.69	0.50	2015-16	CIT Appeals

viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

Referred to in paragraph 14 of the Independent Auditors' Report of even date to the members of Torrent Power Limited on the standalone financial statements as of and for the year ended March 31, 2020

Further, in view of the extension of time granted vide a circular of Reserve Bank of India (RBI), RBI/2019-20/186 dated March 27, 2020 for the payment of interest and principal for term loans falling due between March 1, 2020 and May 31, 2020, the Company has availed the moratorium for payment of the aforesaid dues on term loans outstanding to Bank of Baroda, State Bank of India and Punjab National Bank.

ix. In our opinion, and according to the information and explanations given to us, the moneys raised by way of term loans have been applied for the purposes for which they were obtained. The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments).

x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.

xi. The Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act. Also refer paragraph 16 of our main audit report.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the standalone financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.

xv. The Company has not entered into any non cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.

xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.
