Daily Order

Heard the Representatives of the Petitioner and the Consumer Representatives.

The Commission clarified that present Petitions are at the stage of Technical Validation. It is further clarified that subsequent to TVS held in these matter on 27 May 2013, present de-novo hearing is scheduled due to two reasons (a) Petition for Interim Relief was not on the records of the Commission (which was submitted subsequently on 30 May 2013) and (b) The audio recordings of the proceedings held on 27 May 2013 are not available in recoding system in the Court Room. The transparency of the proceedings has got compromised because of lack of recordings and it violates the spirit and letter of Section 86 (3) of the Electricity Act, 2003.

Having heard, the Commission directs MSEDCL to comply with all data-gaps raised by Office of the Commission and Consumer Representatives.
