Daily Order

Heard the Representative of the Petitioner.

Representative of ATIL made a presentation and highlighted key issues of the Application for Annual Performance Review for FY 2013-14.

The Commission enquired with ATIL as to the reasons for variation in approved and actual O&M Expense for FY 2013-14. ATIL responded that the Commission has applied O&M Norms of MSETCL's system on new Transmission Licensees. However, the asset composition and the O&M requirement differs, for these two systems significantly.

The Commission enquired regarding the deviation between the approved and the actual income tax for FY 2013-14.

ATIL has submitted that it has not claimed any Non-Tariff Income in FY 2013-14.

Case is reserved for Order.
