Representative for the Respondent:	Smt. Deepa Chawan (Advocate)

Daily Order

Heard the advocates of the Petitioner and the Respondent.

Advocate of MIAL reiterated the submissions in the Petition and requested to admit the Petition on the ground that there is higher Tariff to Public Services – (Others) category than the Commercial category. The Airport is categorised in Public Services – (Others). The Petitioner argued that the Review is maintainable as ATE Judgement has not been considered.

The Commission directed TPC-D to compute the tariff to be applicable based on MTR Order in case the proposal made by TPC-D in MYT Petition is considered. TPC-D is also required to submit the revenue loss to the Licensee, its proposal to recover loss from other consumers and impact on other consumers. The Commission also directed TPC-D to make its additional submission by 10 September, 2015. The Petitioner may file its rejoinder on the same.

The Case is reserved for the Orders subject to the submission of Petitioner and Respondent.
