In the matter of
Petition filed by Tata Power-D for approval of Revised O&M Expenses Norms for FY
2015-16 for Retail Supply Business

The Tata Power Company Limited (TPC-D)Petitioner

Appearance

Representative for the Petitioner: ...Shri Rahul Ranade (Rep)

Daily Order

Representative of the Petitioner made a detailed presentation. He stated that norms for O&M Expenditure for the Distribution Business were primarily set based on the historical trend of O&M expenditure of the Distribution Licensees. The consumer base of TPC-D was relatively low and stable during the period which was considered for arriving at the norms for O&M expenditure in the MERC (Multi Year Tariff) Regulations, 2011. However, the consumer base of TPC-D has increased substantially in the subsequent years.

Representative of Petitioner sought that the O&M Expenses norm of BEST be applied as the area of TPC-D Supply Business overlaps with BEST.

The Commission observed that the issue of O&M Expenses has been dealt at the time of Mid-Term Review of MYT in Case No. 18 of 2015, and the Commission has ruled in the said matter.

The Case is reserved for Orders.
