**DAILY ORDER**

1. AEML-D stated that it has filed Intervention Application in the present matter as it is relating to interpretation of provisions of Supply Code Regulations, 2005 which may have effect on it as a parallel Distribution Licensee operating in the same area of supply. TPC-D does not oppose Intervention Application.
2. The Commission notes that relief sought in the presentation Petition is not restricted to TPC-D but would have implication on all Distribution Licensees in the State. Hence, the Commission granted the intervention application of AEML-D and further directs TPC-D to implead other Distribution Licensees in the State as party in the present matter.

3. TPC-D is directed to serve copy of its Petition to all Distribution Licensees within a week and these Distribution Licensees can submit their say, if any, within two week thereafter with copy to all other parties.
4. Next date of hearing will be communicated by the Secretariat of the Commission.
