**Daily Order**

The Advocate of the Petitioner mentioned about disconnection notice issued by MSEDCL on 23 January 2020 and requested for passing an ex- parte ad interim Order, staying such disconnection notice.

The Commission is of the opinion that Respondents need to be heard in the matter. However, considering disconnection notice, the Commission deems it fit to direct status-quo in the matter. MSEDCL shall not take any coercive action in the matter till final disposal of the main Petition. At the same time, the Commission clarifies that it has not gone into merits of the

matter and this status quo will not have any impact on outcome of the main matter. The Commission also clarifies that such status quo does not automatically entitle the Petitioner to claim any relief under Forecasting and Scheduling Regulations, 2019.
