Daily Order

Advocates of Petitioner and Respondent in Case No. 25 of 2020 appeared before the Commission as per the Hon'ble ATE Judgment dated 20 September 2021.

TPREL submitted that it has furnished all the relevant documentary evidence supporting its claim in Original Petition.

Advocate for MSEDCL informed that MSEDCL was examining the ATE Judgment and would take decision on challenging the same before the Hon'ble Supreme Court in due course of time. Till that time, it would comply with directives of the ATE / Commission.

The Commission noted that in Para 19 of the Judgment dated 20 September 2021, ATE had directed the Commission to pass a Order within two months from the date of first appearance of parties.

Considering the above, the Commission directs, TPREL to file its submission on quantification of updated claims, if any, within 15 days and MSEDCL should respond to such claim statement within 10 days thereafter. TPREL may file Rejoinder, if any, within 3 days thereafter.

After the receipt of submissions from Parties as above, the Secretariat of the Commission will communicate next date of hearing so as to comply with the order of the ATE within the stipulated time frame.
