Daily Order

Heard the advocates of the Petitioner and Respondent.

Advocate of TPREL submitted that it has furnished all the relevant documents to MSEDCL for scrutiny of its claim.

Advocate of MSEDCL submitted that it received the documents as well as Rejoinder of TPREL only yesterday i.e on 15 November 2021 and being voluminous running into 3000 odd pages, he has not been able to study the same. He pointed out that evaluation of differential claim amount of Rs.6.02 Crores is still pending. He sought short adjournment in the matter to make further submission after detailed scrutiny of the claim based on documents submitted.

Considering late submission of voluminous information by Petitioner, the Commission grants a short adjournment of 7 days for MSEDCL to complete its scrutiny and submit its response to Commission. For expediting the process of scrutiny for meeting the time limit set by APTEL Commission directs MSEDCL and TPREL to sit together and reconcile the claim amount and file their respective submission, if any within 7 days with copy served to each other.

Next hearing in these matters is scheduled on Thursday, 25 November 2021.
