MERC/ Case No. 49 of 2013/ 00114

Date: 10 April, 2013

### NOTICE

To

(Name of CPPs & Open Access Consumers as per attached list.)

**Subject: Suo-Motu proceedings for Verification and Compliance of Renewable Purchase Obligation targets for FY 2010-11 and FY 2011-12 as specified under MERC (Renewable Purchase Obligation, its compliance and Implementation of REC framework) Regulations, 2010. (Case No. 49 /2013)**

**Ref: MERC Notice no. MERC/TECH-XII/RPO Corssp/2012-13/02808 dated 6 March, 2013.**

Sir,

I am directed to bring into your kind attention that in exercise of the powers conferred under Sections 61, 66, 86 (1) (e) and 181 of the Electricity Act, 2003 and all other powers enabling it in this behalf, the Commission has notified the MERC (Renewable Purchase Obligation, its Compliance and Implementation of REC framework) Regulations, 2010 ["MERC (RPO-REC) Regulations, 2010"] on June 7, 2010.

Under the said RPO Regulations, the Commission has specified the Renewable Purchase Obligation (RPO) targets for Obligated Entities, i.e. Distribution Licensees, Captive Users and Open Access Consumers within the State of Maharashtra for F.Y 2010-11 to F.Y 2015-16. The RPO targets, as specified in the Regulation 7.1 of said Regulations, are as given below:

Year	Minimum Quantum of purchase (in %) from renewable energy sources (in terms of energy equivalent in kWh)		
	Solar	Non-Solar (other RE)	Total
2010-11	0.25%	5.75%	6.0%
2011-12	0.25%	6.75%	7.0%
2012-13	0.25%	7.75%	8.0%
2013-14	0.50%	8.50%	9.0%
2014-15	0.50%	8.50%	9.0%
2015-16	0.50%	8.50%	9.0%

Regulation 5(5.1) of MERC RPO-REC Regulations, 2010 provides RPO applicability criteria for Obligated Entities, reproduced as below;

**5. Obligated Entities**

*5.1 The minimum percentage as specified under Regulation 7.1 shall be applicable to all Distribution Licensees in the State of Maharashtra as well as to open access consumers and captive users within the State of Maharashtra, subject to following conditions:*

*(a) Any person who owns a grid connected Captive Generating Plant with installed capacity of 1 MW and above (or such other capacity as may be stipulated from time to time) and consumes electricity generated from such plant for his own use; shall be subjected to minimum percentage of RPO to the extent of his consumption met through such captive source.*

*(b) Any person having a contract demand of not less than 1 MVA and who consumes electricity procured from conventional fossil fuel based generation through open access as per Section 42 (2) of the Act shall be subjected to minimum percentage of RPO to the extent of his consumption met through such open access source.*

*Provided that the State Commission may, by order, revise the minimum capacity referred to under sub-clause (a) and sub-clause (b) above from time to time.*

***Provided further that condition under sub-clause (a) above, shall not be applicable in case of Standby (or Emergency back-up) Captive Generating Plant facilities.***

Furthermore, proviso to Regulation 11.3 provides RPO exemption criteria for Captive users and Regulations 11.1,11.2,11.3 & 11.4 of MERC RPO-REC Regulations, 2010, provide guidelines for RPO compliance by Captive Users and Open Access Consumers, which are reproduced below,

*“11.1 Subject to fulfilment of conditions outlined under Regulation 5.1, every Captive User and Open Access consumer shall submit necessary details regarding total consumption of electricity and power purchase from renewable*

*energy sources towards fulfilment of its RPO on monthly basis to the State Agency.*

*11.2 Captive User(s) and Open Access Consumer(s) shall purchase renewable energy as stated in Regulation 7.1 and accordingly shall enter into long term arrangement to meet its RPO obligations.*

*11.3 If the Captive User(s) and Open Access consumer(s) are unable to fulfil their obligation, they shall be liable to pay RPO Regulatory Charges as specified in Regulation 12.1.*

***Provided further that captive user(s) consuming power from grid connected fossil fuel based co-generation plants, are exempted from applicability of RPO target and other related conditions as specified in these Regulations.***

*11.4 Captive/Open Access consumer(s)/User(s) may fulfil their RPO through procurement of the Renewable Energy Certificate as provided in Regulation 8.”*

Regulation 12 of MERC (RPO-REC) Regulations, 2010 empowers the Commission to deal with shortfall in compliance of RPO target by Obligated Entities in manner outlined under said Regulations upon ascertaining such shortfall. The relevant extract is reproduced below:

#### ***“12. RPO Regulatory Charges***

*12.1 If the Obligated Entity fails to comply with the RPO target as provided in these Regulations during any year and fails to purchase the required quantum of RECs, the State Commission may direct the Obligated Entity to deposit into a separate fund, to be created and maintained by such Obligated Entity, such amount as the Commission may determine on the basis of the shortfall in units of RPO, RPO Regulatory Charges and the Forbearance Price decided by the Central Commission; separately in respect of solar and non-solar RPO:*

*Provided that RPO Regulatory Charges shall be equivalent to the highest applicable preferential tariff during the year for solar or non-solar RE generating sources, as the case may be, or any other rate as may be stipulated by the State Commission:*

*Provided further that the fund so created shall be utilised, as may be directed by the State Commission."*

The Commission, under its Suo-Motu Order dated 1 July, 2010 in Case No. 21 of 2010 designated the Maharashtra Energy Development Agency (MEDA) as the State Agency to undertake the functions envisaged under MERC (RPO-REC) Regulations, 2010. In accordance with Regulation 9.6 of MERC (RPO-REC) Regulations, 2010, MEDA, vide its letter dated 30 July 2012, submitted the RPO settlement data for Captive Users and Open Access consumers in the Maharashtra State for FY 2010-11 and F.Y 2011-12 and vide letter dated 27 November, 2012, submitted a updated RPO status for the same.

As per data submitted by MEDA, it is observed that

- For F.Y 2010-11 and F.Y 2011-12, out of total 69 nos. Captive Users/Open Access Consumers in the Maharashtra State, only 13 plants responded to MEDA and submitted their RPO details.
- Total 57 nos. CPP/OA consumers have not responded to MEDA with their RPO data.

The Commission has already carried out separate Suo-Motu proceedings for verification and compliance of RPO targets for FY 2010-11 and FY 2011-12 by all four DISCOMs in case no. 99 of 2012, 100 of 2012, 101 of 2012 and 102 of 2012. Since CPP and Open Access Consumers as outlined under Regulation 3.2 and 5 of MERC RPO-REC Regulations, 2010, being Obligated Entities, the Commission has decided to initiate a Suo-Motu proceeding for verification and compliance of their RPO targets for FY 2010-11 and FY 2011-12 and thereafter undertake, if required, necessary actions in accordance with Regulation 12 of MERC RPO-REC Regulations, 2010.

In this regard it is requested to submit your replies **on affidavit** on or before 29 April, 2013 in respect of following:

- a) Submit total consumption details and the RPO settlement details for Solar and Non-Solar for F.Y 2010-11 and F.Y 2011-12, separately as per ***ANNEXURE -A( the format prepared in consultation with MEDA)*** as enclosed herewith along with proper justification.
- b) Submit detailed list of actions and efforts undertaken prior to and during F.Y 2010-11 and F.Y 2011-12 to ensure compliance of RPO targets in respect of Solar and Non-Solar for F.Y. 2010-11 and F.Y 2011-12, separately.

- c) Submit your say along with proper justification regarding compliance of RPO targets for FY 2010-11 and FY 2011-12 by you as specified in the Regulation 7.1 of MERC (RPO-REC) Regulations, 2010.
- d) If you do not come under the criteria of "Obligated Entities" as defined above, submit the proof and undertaking letter thereon on affidavit from any of the following authority;
- i) **For Off-Grid CPP**, certification from concerned distribution licensee/transmission licensee as the case may be.
  - ii) **For Grid connected CPP having Co-generation facility**, certification from concerned distribution licensee/transmission licensee/Electrical Inspector, PWD, Government of Maharashtra/ Maharashtra Pollution Control Board (MPCB)/Maharashtra Energy Development Agency (MEDA).
  - iii) **For CPP in case of Standby (or emergency back-up) Captive Generating Plant facilities**, certification from concerned distribution licensee/Electrical Inspector, PWD, Government of Maharashtra.
  - iv) **For renewable based CPP/OA consumers**, certification from MEDA.
  - v) **In case of Open Access consumers**, certification from concerned distribution licensee/transmission licensee as the case may be.

The Commission has scheduled a Suo-Motu hearing in the above matter on **30 April, 2013 at 11.00 hrs., in presence of authorized Consumer Representatives at Centrum Hall, first floor, Center No. 1, World Trade Centre, Cuffe Parade, Mumbai – 400 005**. You are hereby directed to be present in the said hearing.
