## Executive Summary

## A. Background

- The Hon’ble Commission has issued the MYT Regulations 2011 for the 2nd Control Period (FY 2011-12 to FY 2015-16) on 4th February 2011 which came into force from 1st April 2011. However, expressing concern over the MYT Regulations, MSEDCL has filed a petition on 22nd February 2011 requesting for deferment of implementation of MYT Regulations followed by addendum dated 22nd March 2011 to the said petition seeking reconsideration of MYT Regulations. The Hon'ble Commission heard the petition and by its Order dated August 23, 2011 (Case No. 24 of 2011) has exempted the determination of tariff of MSEDCL under the Multi-Year Tariff framework till March 31, 2013 (i.e., for a period of 2 years).
- Subsequently the Hon’ble Commission has issued Amendment to MERC (Multi Year Tariff) Regulations 2011 on 21st October 2011 providing that the Distribution Licensee exempted from determining tariff under MYT framework shall continue to file the Annual Petitions for approval of ARR and tariff during the period of exemption, in accordance with the MERC (Terms and Conditions of Tariff) Regulations, 2005.
- MSEDCL vide letter no. SE/TRC/MYT FY 13-16/2258 dated 22nd January 2014 has requested the Hon'ble Commission for extension for submission of MYT Petition for Second Control Period for one year considering the uncertainty in the electricity market in India and the difficulty in correct prediction of power purchase, sales and thereby annual revenue requirement.
- Accordingly, MSEDCL is submitting True Up Petition as per provisions of MERC (Terms and Conditions of Tariff) Regulations, 2005. MSEDCL is also submitting the Annual Accounts for the period 1st April 2011 to 31st March 2012 and 1st April 2012 to 31st March 2013 duly audited by the statutory auditors for the purpose of truing up of expenses and revenue for FY 2011-12 and FY 2012-13.

## B. Final Truing Up For 2011-12

## G. Energy Balance

- MSEDCL has computed energy balance based on the actual power purchase, sales and transmission \& distribution losses for FY 2011-12 and FY 2012-13. Energy Balance of MSEDCL for FY 2011-12 and FY 2012-13 is shown in the following table.

| Particulars | FY 2011-12 (Actual) | FY 2012-13 (Actual) |
| :---: | :---: | :---: |

- MSEDCL has achieved a significant reduction in distribution losses, during recent years. These efforts shall continue and will be enhanced. However, loss reduction is a slow process and becomes increasingly difficult as the loss levels come down. The distribution loss in FY 2011-12 was 16.03\% and in FY 2012-13 it was 14.67\%.

## H. Summary of Gap

- Considering the final true up for FY 2011-12 and FY 2012-13, and the carrying costs, the net revenue gap works out to be Rs. 9,312 Crs.

| Particulars | Amount <br> Rs.Crs |
| :--- | ---: |
| Total Revenue Gap for FY 2011-12 and FY 2012-13 | 6,945 |

| Carrying cost on True Up of FY 2011-12 and 2012-13 | 1,317 |
| Total Revenue Gap to be recovered | $\mathbf{9 , 3 1 2}$ |

*This gap is over and above, the allowed recovery of Rs. 285 Crs per month as approved by Hon'ble Commission vide its Orders dated $4^{\text {th }}$ and $5^{\text {th }}$ September 2013.

## I. Proposed Additional Energy Charges

- MSEDCL proposes to recover the Revenue Gap in proportion to the Average Billing Rate for the respective category. Since the revised Average Billing Rate for the FY 2013-14 is not available yet, MSEDCL has used the approved figures for Average Billing Rate for FY 2012-13 by Hon'ble Commission in its Order dated 16th August 2012 (Case No. 19 of 2012) for calculation of Additional Energy Charge.
- For recovery of the revenue gap of Rs. 9312 Crs for final true up for FY 2011-12 and FY 2012-13 and the carrying costs, AEC-1 is proposed. Over and above this, Rs. 285 Crs per month already approved for MSPGCL/MSETCL by Hon'ble Commission vide its Orders in September 2013, which will be recovered through AEC-2 as determined in this Petition.
- MSEDCL submits that the proposed Additional Energy Charges shall be over and above the energy charges approved by Hon'ble Commission in its Tariff Order dated $16^{\text {th }}$ August 2012 (Case No. 19 of 2012). Proposed Additional Energy Charges for recovery of the revenue gap and amount already approved for MSPGCL/MSETCL have been shown in following table.

## J. Additional Submission of MSEDCL

- MSEDCL submits that MSEDCL is passing through a precarious and critical financial situation, which has resulted in MSEDCL availing short term loan from the financial institutions as well as has deferred payments to generators / contractors / employees etc.
- Even though the Hon'ble Commission has allowed certain claims of MSEDCL while disposing off the review petition of the Tariff Order for FY 2012-13, the Hon'ble Commission has not allowed immediate recovery of the same, which has been deferred till the exercise of final true up for year FY 2012-13 is completed. This has put additional burden on the already depleted financial condition of MSEDCL.
- As per the provisions of the MERC (Multi Year Tariff) Regulations, 2011, only after the approval of Business Plan, MSEDCL will have to file a MYT Petition with Tariff proposal for FY 2013-14 to FY 2015-16. MSEDCL submits that Hon’ble Commission has disposed off the Business Plan Petition for MSEDCL (Case No. 134 of 2012) only in August 2013. Therefore, MSEDCL did not get revised tariff on $1^{\text {st }}$ April 2013. This has also added the burden on the depleted financials of MSEDCL.
- In the Business Plan Order dated $26^{\text {th }}$ August 2013, Hon’ble Commission has directed that the approved Business Plan shall form the basis for filing the MYT Petition for the second Control Period. The Hon'ble Commission further directed MSEDCL to submit the MYT Petition within 60 days from the date of issuance of the Business Plan Order.
