- The Tata Power Company Limited's Distribution Business (Tata Power-D) has filed a Petition for revision of Service Connection Charges under MERC (Electricity Supply Code and Other Conditions of Supply) Regulations, 2005 before the Maharashtra Electricity Regulatory Commission.
- The Commission has admitted the Petition on 28 August, 2017 and directed Tata Power -D to publish a Public Notice under Section 64(2) of the Electricity Act, 2003 inviting Suggestions/Objections from the public.

- A meeting was held with Govt. of Maharashtra on 9th May 2017 with respect to "Doing Business in India-Getting Electricity". Reduction of Service Connection Charges to reduce the cost of getting new electricity connections (upto 150 kVA) to 25% of national per capita income was one of the agenda in this discussion.
