**Inviting Suggestions/Objections on the petition of Tata Power - Distribution seeking approval for charging
 Tariff ["Green Power Tariff"] for supply of Renewable Energy to consumers for meeting their requirement
 of utilizing 100% green energy for their entire demand
 [Case No. 134 of 2020]**

The Tata Power Company Limited-Distribution (Tata Power-D) has filed the petition of Tata Power - Distribution seeking approval for charging Tariff ["Green Power Tariff"] for supply of Renewable Energy to consumers for meeting their requirement of utilizing 100% green energy for their entire demand.

2. The Commission has admitted the Petition on 17 December, 2020 and directed Tata Power-D to publish a Public Notice under Section 64(2) of the Electricity Act, 2003 inviting Suggestions /Objections from the public.

3. The salient features of the Petition are provided below:

- Tata Power-D has been receiving requests from some consumers for meeting their entire demand through renewable sources only (green power) with issuance of such certification from Tata Power-D to that effect. Accordingly, Tata Power-D has filed a petition proposing a methodology for meeting the requirement of 100% green power of these consumers and the associated charges that would be applicable to such consumers.
- Tata Power - D will issue a monthly certificate to the consumer stating that 100% of their power requirement has been met through green energy.
- The above proposal would be voluntary in nature and will provide a choice to the consumer to opt for green energy.
- The extra charges for procurement of renewable energy being charged from the specific consumers would not increase the cost to be borne by other consumers.
- For the efforts required to enable this requirement of 100% green energy, Tata Power-D proposes levy of "Green Energy Tariff" from such consumers.
- Green Power Tariff projected for the next control period by Tata Power Distribution is as follows –

Sl. No.	Particulars	Amount
1	Average cost of RE FY 21 to FY 25 (Rs./kWh)	3.803
2	Average variable cost of non-RE FY 21 to FY 25 (Rs./kWh)	3.31
3	Difference (Rs./kWh)	0.49
4	Transmission Loss	3.81%
5	Distribution Loss	1.02
6	Grossed up cost (Rs./kWh)	0.51
7	Other administrative cost (Rs./kWh)	0.05
8	Green Power charges (Rs./kWh)	0.56

- The consumers who opt for 100% green energy will be billed as per Tariff Order in Case No 326 of 2019 plus the green power charges.

4. Copies of the following documents can be obtained on written request from the offices of Tata Power-D:

- a. Detailed Petition documents along with CD (in English) (on payment of Rs. 150/- by Cash/ DD/Cheque) drawn on "**The Tata Power Company Limited**", Payable at Mumbai.

- a. Name - Ms. A Dangi
- b. Address - The Tata Power Company Limited, Near Shalimar Industrial Estate, Matunga (West) Mumbai:- 400019

6. The Commission has directed Tata Power-D to invite objections/comments from the public on the above Petition through this Notice. Objections/comments may be sent to the **Secretary, Maharashtra Electricity Regulatory Commission, 13th Floor, Centre No.1, World Trade Centre, Cuffe Parade, Mumbai-400005** [hearing@merc.gov.in/ secretary@merc.gov.in] by **23 January, 2021** along with proof of service on Shri Peyush Tandon, The Tata Power Company Ltd, Backbay Receiving Station, 148 Lt. Gen J Bhosale Marg, Nariman Point Mumbai 4000 21, [email: peyush.tandon@tatapower.com, Tel: (91 22) 6717 2901].

7. Every person who intends to file objections/comments can submit the same in English or in Marathi, in six copies or through electronic means, and should carry the full name, postal address and e-mail address, if any, of the sender. It should be indicated whether the objection/comment is being filed on behalf of any organization of category of consumers. It should also be mentioned if the sender wants to be heard in person in which case the Commission at its sole discretion may permit such sender/objector to be heard in the E-Public Hearing.

8. All participants attending the E- Public Hearing shall follow the provisions of the Commission's Guidelines for attending Public Hearing through Video Conference notified on 17 September, 2020.

9. Tata Power-D shall reply to each of the objections /comments received within two days of the receipt of the same but not later than **25 January, 2021** for all the objections/comments received till **23 January, 2021**. Stakeholders can submit their rejoinders on replies provided by Tata Power- D either during the public hearing or latest by **30 January, 2021**.

10. The detailed Petition document is available on The Tata Power Company's website <https://www.tatapower.com/corporate/regulatory/regulatory-mumbai.aspx> and is also available on the website of the Commission www.merc.gov.in in downloadable format (free of cost).

11. Hearing is to be held through video conference on **27 January 2021 at 10.30 hrs**. No separate notice will be issued for the purpose.
